Divisions I, II and III each have a separate Manual that contains legislation specific to the applicable division and does not contain legislation pertaining only to one or both of the other divisions. However, legislation that includes references to one or both of the other divisions will appear in its entirety. In addition, since each division's Manual does not contain legislation specific to the other divisions, some bylaws may have gaps in the numbering sequence.

CONSTITUTION,

Preamble

The National Collegiate Athletic Association is a voluntary, self-governing organization of four-year colleges, universities and conferences committed to the well-being and development of student-athletes, to sound academic standards and the academic success of student-athletes, and to diversity, equity and inclusion. Member institutions and conferences believe that intercollegiate athletics programs provide student-athletes with the opportunity to participate in sports and compete as a vital, co-curricular part of their educational experience. The member schools and conferences likewise are committed to integrity and sportsmanship in their athletics programs and to institutional control of and responsibility for those programs. The basic purpose of the Association is to support and promote healthy and safe intercollegiate athletics, including national championships, as an integral part of the education program and the student-athlete as an integral part of the student body. *(Adopted: 1/20/22 effective 8/1/22)*

Principles

A The Primacy of Academic Experience. Intercollegiate student-athletes are matriculated, degree-seeking students in good standing with their institutions who choose voluntarily to participate in NCAA sports. It is the responsibility of each member institution to establish and maintain an environment in which a student-athlete's activities are conducted with the appropriate primary emphasis on the student-athlete's academic experience. Intercollegiate athletics programs shall be maintained as a vital component of each institution's broader educational program. The admission, academic standing and academic progress of student-athletes shall be consistent with the policies and standards adopted by the institution. *(Adopted: 1/20/22 effective 8/1/22)*

B The Collegiate Student-Athlete Model. Student-athletes may not be compensated by a member institution for participating in a sport but may receive educational and other benefits in accordance with guidelines established by their NCAA division. *(Adopted: 1/20/22 effective 8/1/22)*

C Integrity and Sportsmanship. It is the responsibility of each member to conduct its athletics program in a manner that promotes the ideals of higher education, human development and the integrity of intercollegiate athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity, ethical conduct, and the rules of their conferences. *(Adopted: 1/20/22 effective 8/1/22)*

D Student-Athlete Well-Being. Intercollegiate athletics programs shall be conducted by the Association, divisions, conferences and member institutions in a manner designed to protect, support and enhance the physical and mental health and safety of student-athletes. Each member institution shall facilitate an environment that reinforces physical and mental health within athletics by ensuring access to appropriate resources and open engagement with respect to physical and mental health. Each institution is responsible for ensuring that coaches and administrators exhibit fairness, openness and honesty in their relationship with student-athletes. Student-athletes shall not be discriminated against or disparaged because of their physical or mental health. *(Adopted: 1/20/22 effective 8/1/22)*

E Institutional Control. It is the responsibility of each member institution to monitor and control its athletics program and to provide education and training to ensure compliance with the rules established by the Association, its division and conference. It is the responsibility of each member institution to report all rules violations to its NCAA division and conference in a timely manner and to cooperate fully with enforcement efforts. Responsibility for maintaining institutional control ultimately rests with the institution's campus president or chancellor. *(Adopted: 1/20/22 effective 8/1/22)*

F Diversity, Equity and Inclusion. The Association is committed to diversity, equity and inclusion. The Association, divisions, conferences and member institutions shall create diverse and inclusive environments and shall provide education and training with respect to the creation of such environments and an atmosphere of respect for and sensitivity to the dignity of every person. The Association, divisions, conferences and member institutions shall commit to promoting diversity and inclusion in athletics activities and events, hiring practices, professional and coaching relationships, leadership and advancement opportunities. *(Adopted: 1/20/22 effective 8/1/22)*

G Gender Equity. The Association is committed to gender equity. Activities of the Association, its divisions, conferences and member institutions shall be conducted in a manner free of gender bias. Divisions, conferences and member institutions shall commit to preventing gender bias in athletics activities and events, hiring practices, professional and coaching relationships, leadership and advancement opportunities. *(Adopted: 1/20/22 effective 8/1/22)*

H Recruiting Standards. Divisional bylaws shall be designed to promote informed decisions and balance the interests of prospective and current (or transfer) student-athletes, their educational institutions and intercollegiate athletics as a whole. *(Adopted: 1/20/22 effective 8/1/22)*

A The Association *(Adopted: 1/20/22 effective 8/1/22)*

1 The membership of the NCAA encompasses public and private institutions and conferences of widely varying mission, size, resources and opportunities. Accordingly, Association-wide governance must reflect these differences through the delegation of authorities and responsibilities to the divisions, conferences and individual member institutions except where necessary to promote and maintain the Association's core principles. *(Adopted: 1/20/22 effective 8/1/22)*

The physicians and health care staff at each member institution have the ultimate decision-making authority over the health and welfare of student-athletes. Consistent with the member institutions' primary obligation with respect to student-athlete health and safety, member institutions will make NCAA guidance, rules and policies available to student-athletes. Member institutions shall be responsible for the oversight and administration of coach, administrator and staff education on relevant student-athlete physical and mental health topics, prevailing consensus for engaging student-athletes about physical and mental health, how to most effectively support student-athlete physical and mental health, and appropriate resources on campus or in the local community. Member institutions are responsible for regulating practice schedules, taking into consideration the health of student-athletes and their academic success. *(Adopted: 1/20/22 effective 8/1/22)*

e Maintain written policies for its licensing, marketing, sponsorship, advertising and other commercial agreements that may involve the use of a student-athlete's name, image or likeness. In this role, the faculty athletics representative is a reporting contact for student-athletes independent of the institution's athletics department, but not a legal advocate for student-athletes. The faculty athletics representative, in this capacity, shall report directly to the member institution's president or chancellor. *(Adopted: 1/20/22 effective 8/1/22)*

Finance

A Resources will be allocated to the three divisions to provide standard membership services, including championships. Division II will receive 4.37% and Division III will receive 3.18% of all operating revenue sources, as agreed on January 9, 1996. *(Adopted: 1/20/22 effective 8/1/22)*

B All Division II and Division III member schools and conferences shall receive services from the national office. Each division may choose to support additional service needs through their divisional budget. An annual review will be conducted to validate the additional Association service expenses that Divisions II and III pay for directly out of their allocations. *(Adopted: 1/20/22 effective 8/1/22)*

C All members shall pay Association-wide membership dues set by the Board of Governors on an annual basis that contribute to the NCAA budget. *(Adopted: 1/20/22 effective 8/1/22)*

D Each division shall have oversight and final approval of its own budget and expenditures and the division's revenue distribution to its members. *(Adopted: 1/20/22 effective 8/1/22)*

E Divisions may levy assessments on their members, which can be allocated to the divisional budget. Any divisional levy or increase in divisional membership dues by a division may be kept and allocated by the division acting independently of the Association or other divisions. *(Adopted: 1/20/22 effective 8/1/22)*

Rules, Compliance and Accountability

A Each member institution, consistent with the principle of institutional control, shall hold itself accountable to support and comply with the rules and principles approved by the membership. Further, each school shall ensure that its staff, student-athletes, and other individuals and groups representing the institution's athletics interests comply with applicable rules (institutional, conference, divisional and Association-wide) in the conduct of the institution's intercollegiate athletics programs. *(Adopted: 1/20/22 effective 8/1/22)*

B Each division shall determine the methods of investigation and adjudication to hold accountable its members whose representatives engage in behaviors that violate the rules and principles approved by the membership. *(Adopted: 1/20/22 effective 8/1/22)*

1 Those accountability measures shall identify the people who engage in investigation and adjudication and define their operating authority. *(Adopted: 1/20/22 effective 8/1/22)*

2 The measures shall be designed to prioritize integrity and fair play, provide fair investigative and adjudicatory procedures and prescribe appropriate penalties in a timely manner. *(Adopted: 1/20/22 effective 8/1/22)*

3 Member institutions shall cooperate fully in all accountability measures established by the applicable division and shall take all necessary measures to ensure the cooperation of their staff, student-athletes, and institutional representatives. *(Adopted: 1/20/22 effective 8/1/22)*

4 Divisional and, as appropriate, conference regulations must ensure to the greatest extent possible that penalties imposed for infractions do not punish programs or student-athletes not involved nor implicated in the infractions. *(Adopted: 1/20/22 effective 8/1/22)*

5 Investigation of alleged infractions and, if appropriate, sanctions or penalties, by a division or conference should be consistent and timely. Decisions with respect to minor infractions should be prompt and proportionate. *(Adopted: 1/20/22 effective 8/1/22)*

6 Each division shall annually report to the Board of Governors all major infractions as defined by each division during the preceding year, the status of investigations, and penalties imposed. *(Adopted: 1/20/22 effective 8/1/22)*

Amendments to the Constitution

A Provisions of the NCAA constitution may be amended only at a special or annual Convention. The membership shall receive reasonable notice of proposed amendments. An amendment may be sponsored only by the Board of Governors or by a two-thirds vote of a divisional leadership body. A sponsored amendment shall require a two-thirds majority vote of all delegates present and voting. The chair of each divisional Student-Athlete Advisory Committee shall be eligible to vote. *(Adopted: 1/20/22 effective 8/1/22)*

B Sponsored amendments shall include a statement of intent and rationale. Amendments to amendments may be sponsored as set forth above but may not expand the scope of the original amendment. Amendments to amendments shall require a two-thirds majority vote of all delegates present and voting. *(Adopted: 1/20/22 effective 8/1/22)*

C Approved amendments shall become effective on the first day of August following adoption, unless another effective date is approved by a two-thirds majority vote of all delegates present and voting. *(Adopted: 1/20/22 effective 8/1/22)*

D Before the end of a special or annual Convention, any member who voted on the prevailing side may move for reconsideration. *(Adopted: 1/20/22 effective 8/1/22)*

Institutional Control

A The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and the division and conference of which it is a member. A member institution's president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. *(Adopted: 1/20/22 effective 8/1/22)*

B If an institution has a nongoverning athletics board or council or an athletics advisory board, administration, faculty members and student-athletes shall constitute at least a majority of the board. *(Adopted: 1/20/22 effective 8/1/22)*

C It is the responsibility of the Association and each division, conference and member institution to comply with federal and state laws and local ordinances, including with respect to gender equity, diversity and inclusion. *(Adopted: 1/20/22 effective 8/1/22)*

D Consistent with the principle of institutional control, no provision in this constitution should be construed to restrict or limit colleges and universities, public or private, from adopting or maintaining missions and policies consistent with their legal rights or obligations as institutions of high learning. *(Adopted: 1/20/22 effective 8/1/22)*

Institutional Control

8.01 General Principle.

8.01.1 Institutional Control. The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference, if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control. *(Revised: 1/20/22)*

8.01.2 Responsibility for Control. It is the responsibility of each member institution to control its intercollegiate athletics program in compliance with the rules and regulations of the Association. The institution's president or chancellor is responsible for the administration of all aspects of the athletics program. *(Adopted: 8/1/22)*

8.01.3 Responsibility to Monitor and Report. An institution shall comply with all applicable rules and regulations of the Association in the conduct of its intercollegiate athletics programs. It shall monitor its programs to ensure compliance and to identify and report instances in which compliance has not been achieved. An institution shall cooperate fully with any enforcement efforts and shall take appropriate corrective actions, as necessary. Members of an institution's staff, student-athletes, and other individuals and groups representing the institution's athletics interests shall comply with the applicable Association rules, including rules requiring cooperation with enforcement efforts, and the member institution shall be responsible for such compliance. *(Adopted: 8/1/22)*

8.1 Institutional Governance.

8.1.1 President or Chancellor. A member institution's president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. The term "president or chancellor" refers to the individual with primary executive authority for an institution and does not include an individual who has executive responsibility over a system of institutions. *(Revised: 3/8/06, 5/22/13, 1/20/22)*

8.1.2 Athletics Board. A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions. *(Revised: 1/20/22)*

8.1.2.1 Composition. Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor's responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. *(Revised: 3/8/06, 1/20/22)*

8.1.2.1.1 Administrator Defined. An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution's president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution's board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. *(Revised: 3/8/06, 1/20/22)*

8.1.2.1.2 Board Subcommittee. If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Bylaw 8.1.2.1), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee's actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee's membership must satisfy the majority-control requirement. *(Revised: 1/20/22)*

8.1.2.1.3 Attendance. A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business. *(Revised: 1/20/22)*

8.1.2.2 Chair or Voting Delegate. Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution's board in control of intercollegiate athletics or represent the board as the institution's voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control. *(Revised: 1/20/22)*

8.1.3 Faculty Athletics Representative. A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution's faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. *(Adopted: 1/11/89, Revised: 1/20/22)*

8.2 Budgetary Control.

8.2.1 Normal Budgeting Procedures. The institution's annual budget for its intercollegiate athletics programs shall be controlled by the institution and subject to its normal budgeting procedures. *(Revised: 1/20/22)*

8.2.2 President or Chancellor Approval. The institution's president or chancellor or an institutional administrator designated by the president or chancellor from outside the athletics department shall approve the annual budget in the event that the institution's normal budgeting procedures do not require such action. *(Revised: 3/8/06, 1/20/22)*

(b) The money is placed in the institution's general scholarship fund and commingled with funds for the assistance of all students generally;

8.3.1.5 To Institution, Nonpermissible. A member institution shall not accept funds from a professional sports organization if: *(Revised: 6/6/25 effective 7/1/25)*

(a) The funds are for the purpose of recognizing the development of a former student-athlete in a particular sport. The receipt of such funds by an institution would make additional money available that could benefit student-athletes and thus result in student-athletes indirectly receiving funds from a professional sports organization;

(b) The money, even though not earmarked by the donor, is received and credited to institutional funds for the financial assistance of student-athletes generally; or

(c) The money is placed in the institution's general fund and credited to the athletics department for an unspecified purpose.

8.3.1.6 Revenues Derived from Pro-Am Events. The distribution of revenues from an event involving an intercollegiate athletics team and a professional sports team (e.g., a baseball game in which a member institution's team plays against a professional baseball team) or pro-am event (e.g., golf, tennis) that results in a member institution's receiving a share of receipts from such a contest is permitted, provided the institution has a formal agreement with the professional sports team regarding the institution's guarantee or share of receipts and the contractual terms are consistent with

agreements made by the professional team or individuals for similar intercollegiate or nonprofessional competition. *(Revised: 6/6/25 effective 7/1/25)*

8.3.1.7 Promotion of Professional Athletics Contests. 9.3.1.2.1.1.1 Institutional Participation. An institution may participate by videoconference in the appeal of an interpretation if the activity at issue already has occurred and the interpretative decision could result in an individual or institutional violation. The Cabinet shall establish policies and procedures relating to an institution's participation. *(Adopted: 4/25/02, Revised: 8/5/04, 4/24/08, 4/16/15, 1/20/22, 8/5/25 effective 9/1/25, 10/22/25)*

Ethical Conduct

10.01 General Principle.

10.01.1 Honesty and Sportsmanship. Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

10.02 Definitions and Applications.

10.02.1 Sports Wagering. [#] Sports wagering includes placing, accepting or soliciting a wager (on a staff member's or student-athlete's own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; internet sports wagering; auctions in which bids are placed on teams, individuals or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize. *(Adopted: 4/26/07 effective 8/1/07)*

10.02.2 Wager. [#] A wager is any agreement in which an individual or entity agrees to give up an item of value (e.g., cash, shirt, dinner) in exchange for the possibility of gaining another item of value. *(Adopted: 4/26/07 effective 8/1/07)*

(b) Receipt of benefits by an institutional staff member for facilitating or arranging a meeting between a student-athlete and an agent, financial advisor or a representative of an agent or advisor (e.g., "runner");

(c) Knowing involvement in providing a banned substance or impermissible supplement to student-athletes, or knowingly providing medications to student-athletes contrary to medical licensure, commonly accepted standards of care in sports medicine practice, or state and federal law. This provision shall not apply to banned substances for which the student-athlete has received a medical exception per Bylaw 18.4.1.4.8; however, the substance must be provided in accordance with medical licensure, commonly accepted standards of care and state or federal law;

(d) Engaging in any athletics competition under an assumed name or with intent to otherwise deceive; or

(e) Failure to provide complete and accurate information to the NCAA, the NCAA Eligibility Center or the institution's athletics department regarding an individual's athletics eligibility status.

10.2 Knowledge of Use of Banned Drugs. A member institution's athletics department staff members or others employed by the intercollegiate athletics program who have knowledge of a student-athlete's use at any time of a substance within the banned-drug classes, as set forth in Bylaw 18.4.1.4.6, shall follow institutional procedures dealing with drug abuse or shall be subject to disciplinary or corrective action as set forth in Bylaw 19.12.

10.3 Sports Wagering Activities. [#] The following individuals shall not knowingly participate in sports wagering activities or provide information to individuals involved in or associated with any type of sports wagering activities concerning intercollegiate, amateur or professional athletics competition: *(Adopted: 4/26/07 effective 8/1/07)*

(b) Nonathletics department staff members who have responsibilities within or over the athletics department (e.g., chancellor or president, faculty athletics representative, individual to whom athletics reports);

(c) Staff members of a conference office; and

(d) Student-athletes.

10.3.1 Scope of Application. [#] The prohibition against sports wagering applies to any institutional practice or any competition (intercollegiate, amateur or professional) in a sport in which the Association conducts championship competition, in bowl subdivision football and in emerging sports for women. *(Adopted: 4/26/07 effective 8/1/07)*

10.3.1.1 Exception. Conduct and Employment of Athletics Personnel

11.01 General Principles.

11.01.1 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen. *(Revised: 8/31/22 effective 1/1/23)*

11.02 Definitions and Applications.

11.02.1 Bonus. A bonus is a direct cash payment over and above an athletics department staff member's institutional salary in recognition of a specific and extraordinary achievement (see Bylaw 11.3.2.3).

11.02.2.1 Replacement Due to Extenuating Circumstances. [A] An institution may replace temporarily or on a limited basis one of its countable coaches if the coach is unable to perform any or all duties because of extenuating circumstances. The replacement coach may perform only those coaching, administrative or recruiting duties that the replaced coach is unable to perform. *(Revised: 1/11/94, 4/25/02 effective 8/1/02, 1/18/23 effective 7/1/23)*

11.02.2.2 Replacement for National, Olympic or Paralympic Team Coaches. [A] An institution may replace a coach temporarily or on a limited basis when that coach takes a leave of absence to participate on or to coach a national team, Olympic or Paralympic team, provided the replacement is limited to a one-year period and the coach who is replaced performs no recruiting or other duties on behalf of the institution. *(Adopted: 1/14/97, Revised: 4/25/02 effective 8/1/02, 1/18/23 effective 7/1/23)*

11.02.3 Graduate Student Coach -- Bowl Subdivision Football. [FBS] In bowl subdivision football, a graduate student coach is any coach who has received a baccalaureate degree and has either received the individual's first baccalaureate degree or has exhausted athletics eligibility in football (whichever occurs later) within the previous seven years (time spent under contract as a professional football player is excepted from this requirement) and is enrolled in graduate level coursework at the institution. For an individual who did not participate in football, exhaustion of eligibility occurs at the expiration of the individual's five-year period of eligibility. The individual is not required to be enrolled in a specific graduate degree program unless required by institutional policy. The following provisions shall apply: *(Revised: 1/11/89, 1/10/91, 1/10/92, 1/16/93, 1/9/96 effective 8/1/96, 11/1/01 effective 8/1/02, 5/25/06, 12/15/06, 1/8/07 effective 8/1/07, 11/1/07 effective 8/1/08, 1/16/10 effective 8/1/10, 4/29/10 for new appointments, 1/15/11 effective 8/1/11, 4/26/12, 8/21/12, 1/19/13 effective 8/1/13, 10/21/13, 4/25/18, 5/1/19, 1/22/20, 9/27/21, 7/20/22 effective 8/1/22, 1/18/23 effective 7/1/23)*

(a) The individual may not serve as a graduate student coach for a period of more than two years except that if the individual successfully completes 24-semester or 36-quarter hours during the initial two-year period, the individual may serve as a graduate student coach for a third year; and

(b) The individual may not evaluate or contact prospective student-athletes off campus.

11.02.4 Student Assistant Coach. (b) Is enrolled as a full-time graduate student within the individual's five-year period of eligibility (see Bylaw 12.6) or is enrolled as a full-time undergraduate student in the individual's first baccalaureate degree program, except that during the individual's final semester or quarter of the degree program, the individual may be enrolled in less than a full-time degree

program of studies, provided the individual is carrying (for credit) the courses necessary to complete the degree requirements; and

(c) Is not involved in contacting and evaluating prospective student-athletes off campus.

11.02.5 Manager. [A] A manager is an individual who performs traditional managerial duties (e.g., equipment, laundry, hydration) and meets the following additional criteria: *(Adopted: 1/16/10 effective 8/1/10, Revised: 4/29/10 effective 8/1/10, 8/7/14, 6/12/19, 1/18/23 effective 7/1/23)*

[Circumstances that are excepted from the application of a student-athlete's five-year period of eligibility per Bylaw 12.6.1 (e.g., military service, religious mission) are excepted from the application of the seven-year period];

(b) The individual shall be a full-time undergraduate or graduate student (see Bylaws 14.2.2 and 14.2.2.1.5) at the institution for which the individual serves as a manager, except that during the individual's final semester or quarter of a degree program, the individual may be enrolled in less than a full-time program of studies, provided the individual is carrying (for credit) the courses necessary to complete the degree requirements;

(c) The individual may participate in limited on-court or on-field activities during practice (e.g., assist with drills, throw batting practice) or competition (e.g., assist with warm-up activities) involving student-athletes on a regular basis;

(d) The individual shall not provide instruction to student-athletes;

(e) The individual shall not participate in countable athletically related activities (e.g., practice player) except as permitted in Bylaw 11.02.5-(c); and

(f) The individual shall forfeit any remaining eligibility in the sport at the institution where the individual serves as a manager (see Bylaw 17.2.2.6).

11.1 Conduct of Athletics Personnel.

11.1.1 Responsibility for Violations of NCAA Regulations. Institutional staff members found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in Bylaw 19.12, whether such violations occurred at the certifying institution or during the individual's previous employment at another member institution. *(Revised: 7/31/14)*

11.1.1.1 Responsibility of Head Coach. An institution's head coach shall be held responsible for the head coach's actions and the actions of all institutional staff members who report, directly or indirectly, to the head coach. In order to assist the NCAA Division I Committee on Infractions in penalty deliberations, the enforcement staff will gather information regarding whether the head coach promoted an atmosphere of compliance within the program and monitored the activities of all institutional staff members involved with the program who report, directly or indirectly, to the coach. *(Adopted: 4/28/05, Revised: 10/30/12, 7/16/14, 8/31/22 effective 1/1/23)*

The head coach shall consult with and report the coach's activities on behalf of the student-athlete to the institution's professional sports counseling panel. If the institution has no such panel, the head coach shall consult with and report the coach's activities to the president or chancellor [or an individual or group (e.g., athletics advisory board) designated by the president or chancellor]. *(Revised: 11/1/01 effective 8/1/02, 3/8/06)*

11.1.4 Strength and Conditioning Coach Certification. A strength and conditioning coach shall be certified and maintain current certification through a nationally accredited strength and conditioning certification program. *(Adopted: 4/24/14 effective 8/1/15)*

responsibilities who participates in limited on-court or on-field activities (see Bylaw 11.7.2) or a staff member who provides technical or tactical instruction to a student-athlete forfeits any remaining eligibility in the sport at the institution where the individual serves as an institutional staff member. *(Adopted: 9/10/26)*

11.2 Contractual Agreements.

11.2.1 Stipulation That NCAA Enforcement Provisions Apply. Contractual agreements or appointments between a president or chancellor, director of athletics or any contracted or appointed athletics department staff member and an institution shall include the stipulation that: *(Revised: 3/10/04, 7/31/14, 8/8/18 for contracts or appointments executed on or after 8/8/18, 6/6/25 effective 7/1/25)*

(a) The individual has an affirmative obligation to cooperate fully in the infractions process and the process of the designated enforcement entity (if applicable), including the investigation and adjudication of a case (see Bylaw 19.2.1 and Bylaw 23.01.1); and

(b) An individual who is found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA infractions process (see Bylaw 19) or the designated enforcement entity (see Bylaw 23), including suspension without pay or termination of employment.

An outside source is prohibited from paying or regularly supplementing an athletics department staff member's annual salary and from arranging to supplement that salary for an unspecified achievement. This includes the donation of cash from outside sources to the institution earmarked for the staff member's salary or supplemental income. It would be permissible for an outside source to donate funds to the institution to be used as determined by the institution, and it would be permissible for the institution, at its sole discretion, to use such funds to pay or supplement a staff member's salary.

11.3.2.3 Bonuses for Specific and Extraordinary Achievement. An institution may permit an outside individual, group or agency to supplement an athletics department staff member's salary with a direct cash payment in recognition of a specific and extraordinary achievement (e.g., contribution during career to the athletics department of the institution, winning a conference or national championship, number of games or meets won during career/season), provided such a cash supplement is in recognition of a specific achievement and is in conformance with institutional policy.

Athletics Eligibility

12.01 General Principles.

12.01.1 Eligibility for Athletics Participation. Only a student-athlete who meets the governing athletics eligibility legislation and interpretations is eligible for intercollegiate athletics participation in a particular sport. An individual who receives direct or indirect payment for athletics participation, except as permitted by the governing legislation and interpretations, is considered a professional athlete. A professional athlete in one sport may represent a member institution in a different sport and may receive institutional financial assistance in the second sport. *(Revised: 6/6/25 effective 7/1/25)*

12.01.2 "Individual" vs. "Student-Athlete." NCAA eligibility may be lost as a result of activities before enrollment in college. If NCAA rules specify that an "individual" may or may not participate in certain activities, this term refers to a person before and after enrollment in a member institution. If NCAA rules specify a "student-athlete," the legislation applies only to that person's activities after enrollment. *(Revised: 6/6/25 effective 7/1/25)*

(a) The authorization/consent form shall be administered individually to each student-athlete by the athletics director or the athletics director's designee before the student-athlete's participation in intercollegiate athletics each academic year.

(b) Signing the authorization/consent shall be voluntary and is not required by the student-athlete's institution for medical treatment, payment for treatment, enrollment in a health plan or for any benefits (if applicable) and is not required for the student-athlete to be eligible to participate.

12.5.5 Eligibility Requirements for Male Students to Practice With Women's Teams. A male student may engage in practice sessions with women's teams subject to the following conditions: *(Revised: 5/12/05, 5/29/08, 7/31/14, 4/26/17, 7/31/23, 6/6/25 effective 7/1/25, 9/10/26)*

(a) A male student who practices with an institution's women's team must be verified as eligible for practice in accordance with Bylaw 14.2.1 and must have eligibility remaining under the five-year rule (see Bylaw 12.6.1);

(b) It is not permissible for a recruited male student-athlete who is serving an academic year of residence as a nonqualifier to participate in practice sessions with a women's team. A nonrecruited male student who is serving an academic year of residence as a nonqualifier may participate in practice sessions with a women's team;

(c) A male student who practices with an institution's women's basketball team may participate in required summer athletic activities, provided the student was enrolled full time at the conclusion of the regular academic term (e.g., spring semester or quarter) immediately preceding the institution's summer term; and

(d) A male student who practices with an institution's women's team forfeits any remaining eligibility in the corresponding men's sport at the institution where the student participates in practice with a women's team (e.g., men's basketball for male student who practices with women's basketball team) (see Bylaw 17.2.2.8).

12.6 Five-Year Period of Eligibility. An individual's period of eligibility for practice and competition shall be limited to five academic years. An individual's five-year period of eligibility begins with the earlier of the following: *(Revised: 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26, 9/9/26)*

(a) The regular academic term (semester or quarter) of an academic year in which the individual enrolls in a collegiate institution (domestic or foreign; see Bylaw 14.02.4) in a minimum full-time program of studies and attends a class in that term while enrolled full time; or

(b) The beginning of the regular academic year immediately after the individual's 19th birthday.

12.6.1 Timing of 19th Birthday. For an individual who turns 19 years old on or after September 1 but before January 1, the period of eligibility begins at the start of the subsequent academic year (the fall term that begins in the calendar year following the individual's 19th birthday), unless the individual enrolls full time in a collegiate institution earlier. *(Adopted: 6/24/26 effective 8/1/26, Revised: 9/9/26)*

12.6.2 Determination of the Start of the Five-Year Period. For purposes of determining the start of a student-athlete's five-year period of eligibility based on initial full-time enrollment in a regular academic term [Bylaw 12.6-(a)], the following shall apply: *(Adopted: 9/9/26)*

(a) The period of eligibility of an individual whose initial full-time enrollment occurs on or after May 1 but before November 1 shall begin with the fall term of that year.

(b) The period of eligibility of an individual whose initial full-time enrollment occurs on or after November 1 but before May 1 shall begin with the first regular academic term (e.g., spring semester, winter quarter) that begins on or after January 1.

12.6.3 Eligibility Following Final Fall Term. If a student-athlete's period of eligibility ends with a fall term, the student-athlete's period of eligibility shall extend through the day before the first day of classes of the following regular semester or quarter. *(Adopted: 9/9/26)*

12.6.3.1 Exception -- Eligibility for Postseason Competition. If an NCAA championship or football postseason bowl period begins during a student-athlete's period of eligibility, the student-athlete's period of eligibility is extended through the institution or student-athlete's final competition in the championship or postseason bowl period. *(Adopted: 9/9/26)*

12.6.4 Athletics Competition. Even though an individual is enrolled in less than a minimum full-time program of studies at a collegiate institution, the individual's five-year period of eligibility begins if the individual represents the institution in intercollegiate athletics competition. *(Revised: 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26)*

12.6.5 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the five-year period only if: *(Revised: 1/10/90, 8/8/02, 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26)*

(b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

12.6.6 Joint College/High School Program. An individual's five-year period of eligibility does not begin while the individual is enrolled in a collegiate institution in a joint high school/college academic program for high school students in which the courses count as both high school graduation credit and college credit, provided the individual has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. *(Revised: 11/1/01 effective 8/1/02, 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26)*

12.6.7 Vocational Program. A student-athlete's five-year period of eligibility does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution's extracurricular activities, including athletics. *(Revised: 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26)*

12.6.8 Service Exceptions. A regular academic term that occurs during time spent in active duty in the armed services, on an official religious mission or with recognized foreign aid services of the U.S. government is excepted from the application of the five-year period of eligibility. Among foreign aid services that qualify for an exception are: *(Revised: 4/2/10, 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26, 9/9/26)*

(c) Service as a conscientious objector ordered by the Selective Service Commission (or the equivalent authority in a foreign nation) in lieu of active military duty.

12.6.8.1 Circumstances in Which a Service Exception Does Not Apply. A service exception does not apply to a regular academic term in which a student-athlete attends class as a full-time student, participates in preseason practice preceding a regular academic term or participates in practice on or after the first day of classes. *(Adopted: 9/9/26)*

12.6.8.2 Elapsed Time/Service to Enrollment. It is not permissible to extend the five-year period by any additional time beyond the first opportunity to enroll (the opening day of classes of the first regular term at the institution in which the student-athlete enrolls as a regular student immediately following the termination of the service commitment). *(Revised: 4/2/10, 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26, 9/9/26)*

12.6.8.3 Collegiate Enrollment Concurrent With Service Assignment. Any time in which a student-athlete is enrolled for a minimum full-time load as a regular student in a collegiate institution while simultaneously on active duty in

the U.S. military, on an official religious mission or with a recognized foreign aid service of the U.S. government shall count against the student-athlete's period of eligibility. *(Revised: 4/2/10, 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26)*

12.6.8.4 Organized Competition During Service Assignment. If an individual participates in organized competition (see Bylaw 12.02.6) at any time during a service assignment, none of the time spent in the service assignment shall be excepted from the individual's five-year period of eligibility. *(Adopted: 6/24/26 effective 8/1/26)*

12.6.8.4.1 Low-level and Minimally Organized Competition. A student-athlete may be granted relief from the application of Bylaw 12.6.8.4 in the athletics eligibility certification process for participation that meets the definition of organized competition but is determined to be low-level or minimally organized competition. *(Adopted: 6/24/26 effective 8/1/26)*

12.6.9 Pregnancy Exception. A female student-athlete's five-year period of eligibility may be extended for reasons of pregnancy based on the regular academic terms in which the student-athlete is unable to participate (practice or compete) in intercollegiate athletics, as supported by contemporaneous medical documentation. *(Revised: 7/31/14, 6/6/25 effective 7/1/25, 6/24/26 effective 8/1/26, 9/9/26)*

12.6.9.1 Application. The pregnancy exception applies to any condition related to pregnancy (e.g., miscarriage, postpartum depression). *(Adopted: 6/24/26 effective 8/1/26)*

12.6.9.2 Medical Documentation. Contemporaneous or other appropriate medical documentation, from a physician (medical doctor) who administered care at the time of the pregnancy or related condition shall be submitted to establish the application of the pregnancy exception. For a case involving a psychological or mental illness, the required contemporaneous or other appropriate medical documentation may be provided by an individual (e.g., psychiatrist, psychologist) who is qualified and licensed to diagnose and treat the particular illness. *(Adopted: 6/24/26 effective 8/1/26)*

12.6.10 Waivers. There shall be no waivers of the application of the five-year period of eligibility legislation. *(Adopted: 6/24/26 effective 8/1/26)*

12.7 U.S. Service Academy Exceptions, Special Eligibility Provisions.

12.7.1 Transfer Status. A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the four national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5. *(Revised: 7/31/14, 6/6/25 effective 7/1/25)*

12.8 Certification of Eligibility.

12.8.1 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution's student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution's staff to administer proper certification of eligibility. Certification of eligibility must occur before allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). A violation of this bylaw in which the institution fails to certify a student-athlete's eligibility before allowing the student-athlete to represent the institution in intercollegiate competition shall be considered an institutional violation per Bylaw 8.01.3; however, such a violation shall not affect the student-athlete's eligibility, provided all the necessary information to certify the student-athlete's eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. *(Revised: 3/8/06, 1/14/08, 7/31/14, 6/6/25 effective 7/1/25)*

12.8.2 Squad-List Form. The institution's athletics director shall compile a list of the squad members in each sport on the first day of competition and shall indicate thereon the status of each member in the designated categories. A student-athlete's name must be on the official institutional form in order for the student-athlete to be eligible to represent the institution in intercollegiate competition. Violations of this bylaw do not affect a student-athlete's eligibility if the violation occurred due to an institutional administrative error or oversight and the student-athlete is subsequently added to the form; however, the violation shall be considered an institutional violation per Bylaw 8.01.3. (See Bylaw 17.2.6 for details about the administration of the squad list.) *(Revised: 1/14/97, 11/1/07 effective 8/1/08, 7/31/14, 8/7/14, 10/4/17, 6/6/25 effective 7/1/25, 8/5/25 effective 9/1/25)*

12.9 Ineligibility.

12.9.1 Obligation of Member Institution to Withhold Student-Athlete From Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal for restoration of the student-athlete's eligibility as provided in Bylaw 12.10 if it concludes that the circumstances warrant restoration. *(Revised: 7/31/14, 6/6/25 effective 7/1/25)*

12.9.2 Ineligibility Resulting From Recruiting Violation. An institution shall not enter a student-athlete (as an individual or as a member of a team) in intercollegiate competition if it is acknowledged by the institution or established through the infractions process that the institution or a representative of its athletics interests violated the legislation in the recruiting of the student-athlete. The institution may appeal for restoration of the student-athlete's eligibility as provided in Bylaw 12.10 if it concludes that circumstances warrant restoration. *(Revised: 7/31/14, 6/6/25 effective 7/1/25)*

12.9.2.1 Payment of Legal Fees During Appeal. [A] An institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete's eligibility to participate in intercollegiate athletics, provided the prospective student-athlete has signed the institution's written offer of admission and/or financial aid or the institution has received the individual's financial deposit in response to its offer of admission. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests). *(Revised: 7/31/14, 10/9/24, 6/6/25 effective 7/1/25)*

12.9.3 Application of Ineligibility Ruling Pending Appeal. Once an interpretation (per Bylaw 9.3.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Bylaw 9.3.1.2.1.1 or 9.3.1.2.2) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership. *(Revised: 12/22/08, 7/31/14, 6/6/25 effective 7/1/25)*

12.9.4 Ineligible Participation.

12.9.4.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport if the student-athlete participates in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal for restoration of the student-athlete's eligibility if it concludes that the circumstances warrant restoration (see Bylaw 12.10). *(Revised: 7/31/14, 6/6/25 effective 7/1/25)*

12.9.4.2 Restitution. If a student-athlete who is ineligible under the terms of the bylaws or other legislation is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Board of Directors may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions: *(Revised: 4/26/01 effective 8/1/01, 11/1/07 effective 8/1/08, 8/1/22, 8/31/22 effective 1/1/23, 6/6/25 effective 7/1/25)*

(a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions;

(d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(f) Determine that the institution is ineligible for one or more NCAA championships in the sports and in the seasons in which such ineligible student-athlete participated;

(g) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated;

(h) Require that the institution shall remit to the NCAA the institution's share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in a contest selected for such telecast, or if the Board of Directors concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast; any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and

(i) Require that the institution that has been represented in an NCAA championship by such a student-athlete shall be assessed a financial penalty as determined by the Committee on Infractions.

12.10 Restoration of Eligibility.

12.10.1 Basis for Appeal. When a student-athlete is determined to be ineligible under an applicable provision of the constitution, bylaws or other regulations, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Athletics Eligibility Subcommittee for restoration of the student-athlete's eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility. *(Revised: 6/6/25 effective 7/1/25, 8/5/25 effective 11/1/25)*

12.10.2 Participation in Appeal Hearing. Any appeal to restore a student-athlete's eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men's or women's program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student-athlete. *(Revised: 1/11/94, 3/8/06, 7/31/14, 6/6/25 effective 7/1/25)*

12.10.3 Student Responsibility, Relationship to Restoration of Eligibility. A student-athlete is responsible for the student-athlete's involvement in a violation of NCAA regulations (as defined in Bylaw 19), and the Athletics Eligibility Subcommittee may restore the eligibility of a student-athlete involved in a violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Athletics Eligibility Subcommittee in a unique case on the basis of specifically stated reasons. *(Revised: 6/6/25 effective 7/1/25, 8/5/25 effective 11/1/25)*

Recruiting

13.01 General Principles.

13.01.1 Eligibility Effects of Recruiting Violation. The recruitment of a student-athlete by a member institution or any representative of its athletics interests in violation of the Association's legislation, as acknowledged by the institution or established through the Association's infractions process, shall result in the student-athlete becoming ineligible to represent that institution in intercollegiate athletics. The Athletics Eligibility Subcommittee may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for the student's involvement in a violation of NCAA regulations during the student's recruitment, and involvement in a Level I or Level II violation (see Bylaws 19.1.2 and 19.1.3) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution. *(Revised: 7/31/14, 8/5/25 effective 11/1/25)*

13.01.2 Institutional Responsibility in Recruitment. A member of an institution's athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.3 Additional Recruiting Restrictions. The Academic Eligibility Subcommittee shall have the authority to determine the circumstances that would require an institution or team that fails to satisfy the academic performance program to apply additional recruiting restrictions. The subcommittee shall establish and annually publish to the membership such circumstances under which the additional restrictions apply (see Bylaw 14.8). *(Adopted: 4/29/04 effective 8/1/04, Revised: 8/7/14, 8/5/25 effective 11/1/25)*

A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete's family members and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., staff member takes a position in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete's educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospective student-athlete or the prospective student-athlete's family members at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter. *(Revised: 1/11/94 effective 8/1/94, 4/25/18)*

13.02.5.5 Dead Period. 13.02.6 Enrolled Student-Athlete. 13.02.7 Evaluation. Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete's educational institution (during which no contact occurs) or the observation of a prospective student-athlete participating in any practice or competition at any site. *(Revised: 1/10/91 effective 8/1/91, 1/11/94 effective 8/1/94)*

13.7.3.1 General Restrictions. [A] During an unofficial visit, the institution may not pay any expenses or provide any entertainment except a maximum of three complimentary admissions (issued through digital ticketing or a pass list) to a home athletics event at any facility within a 30-mile radius of a member institution's main campus in which the institution's intercollegiate team practices or competes. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. Such admissions may provide seating only in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or those accompanying the prospective student-athlete in the facility's press box, special seating box(es) or bench area is specifically prohibited. Complimentary admissions may not be provided during a dead period, except as provided in Bylaw 13.7.3.5. **[R]** *(Revised: 1/10/90 effective 8/1/90, 1/11/94, 4/24/03, 12/6/13, 4/15/21)*

13.7.3.1.1 Exception -- Nontraditional Family. [A] If a prospective student-athlete is a member of a nontraditional family (e.g., divorce, separation), the institution may provide up to two additional complimentary admissions to the prospective student-athlete in order to accommodate the family members accompanying the prospective student-athlete (e.g., stepparents) to attend a home athletics event. *(Adopted: 1/15/11 effective 8/1/11, Revised: 1/16/19)*

13.7.3.1.2 Meals. A prospective student-athlete on an unofficial visit to an institution may pay the actual cost of meals (or the regular cost of training-table meals) and eat with other prospective student-athletes who are on their official visits or with enrolled student-athletes. **[R]**

13.7.3.1.2.1 Exception -- Championship Subdivision Football. [FCS] A championship subdivision football program that restricts its total number of official visits to 25 may provide one meal to a football prospective student-athlete in the institution's on-campus student dining facilities without the visit counting as an official visit. The institution also may provide one meal to the prospective student-athlete's family members in the institution's on-campus student dining facilities without the visit counting as an official visit, provided it is the institution's normal policy to provide such a meal under similar circumstances to all prospective students' family members visiting the campus. A prospective student-athlete who is given such a meal may not also be provided by the institution with an official visit in any sport. **[R]** *(Adopted: 1/11/94, Revised: 12/15/06, 4/25/18)*

13.7.3.1.2.2 Exception -- Sports Other Than Football and Basketball. In sports other than football and basketball, a prospective student-athlete visiting an institution's campus as part of an admissions event (open house) may be provided with one meal in the institution's on-campus student dining facility and may have contact with institutional coaching staff members only during such an event without the visit counting as an official visit. The institution must be able to certify that it is the institution's normal policy to provide such a meal to all prospective student-athletes (including nonathletes) attending the admissions event. **[R]** *(Adopted: 1/14/97 effective 8/1/97)*

13.7.3.1.3 Housing -- Lodging in Dormitories. A prospective student-athlete on an unofficial visit may stay in an enrolled student-athlete's dormitory room only if the prospective student-athlete pays the regular institutional rate for such lodging. **[R]**

13.7.3.1.4 Transportation During Unofficial Visit. For regulations relating to transportation on an unofficial visit, see Bylaw 13.5.3.

13.7.3.1.5 Reserving Game Tickets. [A] An institution may reserve tickets (in addition to the permissible complimentary admissions) for the use of additional individuals accompanying a prospective student-athlete during an unofficial visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. Such tickets must be purchased at face value. **[R]** *(Adopted: 1/10/92, Revised: 1/16/19 effective 8/1/19)*

13.7.3.1.6 Parking. An institution may not arrange special parking for a prospective student-athlete to use while attending a member institution's campus athletics event during an unofficial visit. **[R]** *(Adopted: 1/10/92)*

13.7.3.1.7 Academic Interviews. An athletics department staff member may arrange academic interviews for a prospective student-athlete on an unofficial visit.

13.7.3.1.8 Student Host. A student host must either be a current student-athlete or a student who is designated in a manner consistent with the institution's policies for providing campus visits or tours to prospective students in general. *(Revised: 8/5/04)*

13.7.3.2 Home Games at Site Other Than Regular Home Facility. If an institution schedules any regular-season home games at a site not designated as its regular home facility, the host institution may provide a maximum of three complimentary admissions to any such game for the exclusive use of a prospective student-athlete and those persons accompanying the prospective student-athlete. Tournament and postseason games are excluded. The institution shall not arrange or permit any other entertainment or payment of expenses, including transportation, except as permitted in Bylaw 13.5.3. **[R]** *(Revised: 4/24/03)*

13.7.3.3 Conference Tournaments. A member institution may not provide complimentary admissions to a prospective student-athlete for a postseason conference tournament. The prospective student-athlete may purchase tickets only in the same manner as any other member of the general public. In sports other than bowl subdivision football, a conference may provide complimentary admissions to prospective student-athletes who reside in the locale of the postseason conference tournament in a manner consistent with a visit unrelated to recruitment (see Bylaw 13.7.3.5). Reasonable local transportation and nominal meals and snacks may be provided in conjunction with the complimentary admissions.
[R] *(Revised: 1/10/91 effective 8/1/91, 10/9/24)*

13.7.3.4 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., bowl game, NAIA, NIT or WBIT championship) constitutes excessive entertainment and is prohibited. The prospective student-athlete may purchase tickets to such events only in the same manner as any other member of the general public. **[R]** *(Revised: 1/10/92)*

13.7.3.5 Visit Unrelated to Recruitment. The limitations on providing entertainment to a prospective student-athlete shall not extend to a visit to the institution's campus for a purpose having nothing whatsoever to do with the prospective student-athlete's athletics recruitment by the institution (e.g., band trip, fraternity weekend, athletics team's attendance at a sporting event with the high school coach). The institution's athletics department or representatives of its athletics interests may not be involved in any way with the arrangements for the visit, other than the institution providing (in accordance with established policy) free admissions to an athletics event on a group basis, rather than personally to the prospective student-athlete. Such admissions may be provided during a dead period. **[R]** *(Revised: 12/6/13)*

13.7.3.6 Visit Related to National Student-Athlete Day or National Girls and Women in Sports Day. 13.7.4 Activities During Unofficial Visit. An institution may not arrange miscellaneous, personalized recruiting aids (e.g., personalized jerseys, personalized audio/video scoreboard presentations) and may not permit a prospective student-athlete to engage in any game-day simulations (e.g., running onto the field with the team during pregame introductions) during an unofficial visit. Personalized recruiting aids include any decorative items and special additions to any location outside of athletics facilities the prospective student-athlete will visit (e.g., hotel room, dorm room, student union) regardless of whether the items include the prospective student-athlete's name or picture. An institution may decorate common areas in athletics facilities (e.g., lobby, coach's office, suite in arena) for an unofficial visit, provided the decorations are not personalized and the common areas are not accessible or visible to the general public while decorated. *(Adopted: 8/5/04, Revised: 5/14/05, 4/27/06, 4/25/18 effective 8/1/18)*

13.7.5 Off-Campus Contact Within One Mile of Campus Boundaries. Off-campus contact between an institutional staff member and a prospective student-athlete (and those accompanying the prospective student-athlete) and off-campus contact between an enrolled student-athlete and a prospective student-athlete (and those accompanying the prospective student-athlete) may occur during an unofficial visit within one mile of campus boundaries. *(Adopted: 4/26/17 effective 8/1/17)*

Such entertainment shall not include food and refreshments, room expenses, or the cost of transportation to and from the campus or the athletics event. It is not permissible to provide complimentary admissions to any postseason competition (e.g., NCAA championship, conference tournament, bowl game). An institutional coaching staff member is expressly prohibited from spending funds to entertain the prospective student-athlete's coach on or off the member institution's campus. **[D]** *(Revised: 4/3/02, 8/5/04, 4/28/05 effective 8/1/05, 10/30/14, 4/15/21)*

13.8.1.1 Exception -- Nonathletics Personnel. An institutional department outside the athletics department (e.g., president's office, admissions) may host nonathletics high school, preparatory school or two-year college personnel (e.g., guidance counselors, principals) in conjunction with a home intercollegiate athletics event and may provide such individuals reasonable expenses (e.g., food, refreshments, parking, room) and a nominal gift, provided the visit is not related to athletics recruiting and there is no involvement by the institution's athletics department in the arrangements for the visit, other than providing (in accordance with established policy) free admissions to an athletics event. **[D]** *(Adopted: 3/8/12, Revised: 10/30/14)*

13.8.1.2 Transportation Reimbursement. An institution shall not reimburse a high school, preparatory school or two-year college coach for expenses incurred in transporting a prospective student-athlete to visit the campus. **[D]** *(Revised: 10/30/14)*

If a high school, preparatory school or two-year college coach transports members of the coach's athletics squad to an off-campus site to watch NCAA member institutions compete, an institution may not reimburse the coach for the transportation costs or provide complimentary tickets for the coach or any of the team members. **[D]** *(Revised: 10/30/14)*

13.8.1.4 Purchase of Game Tickets. An institution may not reserve tickets (in addition to the permissible complimentary admissions) to be purchased by high school, preparatory or two-year college coaches (or individuals accompanying them) to attend an institution's athletics contest. Tickets may be purchased only in the same manner as any other member of the general public. **[D]** *(Adopted: 1/10/92, Revised: 10/30/14)*

13.8.1.5 Noncoaching-Related Organization. If a high school, preparatory school or two-year college coach is a member of a noncoaching-related organization (e.g., state high school principals association, college fraternity alumni organization, institution's alumni association), an institution may entertain the group, provided there is no direct involvement by the institution's athletics department. **[D]** *(Revised: 10/30/14)*

13.8.2 Material Benefits. Arrangements by an institution that involve a material benefit for a high school, preparatory school or two-year college coach, or for any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved, (e.g., the provision of a gift such as a tangible item bearing the institution's insignia, the offer to pay a portion of the coach's or other individual's personal expenses, compensation based on the number of campers sent to an institution's camp, or an arrangement to provide transportation for the coach or other individual) are prohibited. **[D]** *(Revised: 8/5/04, 10/30/14)*

13.8.2.1 Gifts at Coaches Clinic. An institution may not provide gifts to high school, preparatory school or two-year college coaches in conjunction with its coaches clinic or other events. This specifically prohibits the provision of a door prize to the coach, even if the cost of the prize is included in the cumulative admission fee (the admission fee charged to each person, when combined, would cover the cost of the prize). Materials (e.g., clipboards, file folders) may be provided to each person attending the clinic, provided the items are included in the registration or admission fee. **[D]** *(Revised: 1/16/93, 1/11/94, 10/30/14)*

Academic Eligibility

14.01 General Principles.

14.01.1 Institutional Responsibility. An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition unless the student-athlete meets all applicable eligibility requirements, and the institution has certified the student-athlete's eligibility. A violation of this bylaw in which the institution fails to certify the student-athlete's eligibility before allowing the student-athlete to represent the institution in intercollegiate competition shall be considered an institutional violation per Bylaw 8.01.3; however, such a violation shall not affect the student-athlete's eligibility, provided all the necessary information to certify the student-athlete's eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. *(Revised: 1/14/08)*

14.01.2 Academic Status. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain progress toward a baccalaureate or equivalent degree. *(Revised: 5/29/08)*

14.01.2.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference or similar association of which the institution is a member. The standard of good academic standing required for a student-athlete to represent an institution in intercollegiate athletics competition must be at least as demanding as the institutional standard applied to all students to participate in extracurricular activities. *(Revised: 5/29/08, 10/4/17)*

14.01.2.1.1 Additional Application -- Baseball. In baseball, a student-athlete who fails to meet the requirements of good academic standing at the beginning of an institution's fall term shall not be eligible for competition during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.01.3 Compliance With Other NCAA and Conference Legislation. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution and the conference, if any, of which the institution is a member. A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Bylaw 8.01.3; however, such a violation shall not affect the student-athlete's eligibility. *(Revised: 10/27/06, 5/29/08)*

14.01.4 Purpose of the Academic Performance Program. The central purpose of the academic performance program is to ensure that the Division I membership is dedicated to providing student-athletes with exemplary educational and intercollegiate-athletics experiences in an environment that recognizes and supports the primacy of the academic mission of its member institutions, while enhancing the opportunities for student-athletes to earn four-year degrees. *(Adopted: 4/29/04, Revised: 7/31/13)*

14.01.5 Nature of Reward and Penalty Structure -- Academic Performance Program. The Division I membership is committed to providing higher education for a diverse body of student-athletes within the context of an institution's academic and admissions standards for all students through a system that rewards those institutions and teams that demonstrate commitment toward the academic progress, retention and graduation of student-athletes and penalizes those that do not. *(Adopted: 4/29/04, Revised: 7/31/13)*

14.01.6 Disclosure Requirements -- Academic Performance Program.

14.01.6.1 Academic Progress Rate -- Disclosure. An institution shall not be eligible to enter a team or individual competitor in postseason competition (including NCAA championships and bowl games) unless it has submitted, by the applicable deadline, its academic progress rate (APR). *(Adopted: 4/29/04, Revised: 9/14/07, 7/31/13, 8/7/14, 8/5/25 effective 9/1/25)*

14.01.6.2 Academic Performance Census -- Disclosure. An institution shall not be eligible to enter a team or individual competitor in postseason competition (including NCAA championships and bowl games) unless it has submitted, by the applicable deadline, its academic performance census (APC). *(Adopted: 4/29/04, Revised: 9/14/07, 7/31/13, 8/7/14, 8/5/25 effective 9/1/25)*

14.01.6.3 Graduation Success Rate -- Disclosure. An institution shall not be eligible to enter a team or individual competitor in a postseason competition (including NCAA championships and bowl games) unless it has submitted, by the applicable deadline, its graduation success rate (GSR). *(Adopted: 4/29/04, Revised: 9/14/07, 7/31/13, 8/7/14, 8/5/25 effective 9/1/25)*

14.02 Definitions and Applications.

14.02.1 Academic Progress Rate. The Academic Eligibility Subcommittee shall have the authority to determine the minimum acceptable academic progress rate (APR), which shall include a calculation that accounts for currently enrolled student-athletes. The rate shall account for the institution's success in retaining and graduating all such student-athletes. Further, the rate shall account for the academic eligibility of the student-athletes, including all applicable NCAA, conference and institutional academic eligibility requirements. The subcommittee shall publish an explanation of the APR calculation to the membership annually. *(Adopted: 4/29/04, Revised: 8/6/09, 7/31/13, 8/7/14, 8/5/25 effective 11/1/25)*

14.02.2 Branch School. A branch school is an educational institution that usually offers two years of college work, does not award degrees independently, and is wholly controlled and operated by a four-year, degree-granting parent institution.

14.02.3 Business Day. A business day is any weekday that is not recognized as a national holiday, including any weekday during which an institution is closed for other reasons (e.g., holiday break). *(Adopted: 4/29/10 effective 8/1/10)*

14.02.6 Exception. An exception is the granting of relief from the application of a specific regulation (e.g., the full-time enrollment requirements for a student-athlete to be eligible for competition). The action granting the exception may be taken solely by the certifying institution, based on evidence that the conditions on which the exception is authorized have been met (see Bylaw 14.02.14). *(Revised: 11/1/07 effective 8/1/08, 4/18/24)*

14.02.7 Good Academic Standing and Progress Toward Degree. The phrases "good academic standing" and "progress toward degree" are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference (or a similar association), if any, of which the institution is a member; and applicable NCAA legislation (see Bylaw 14.4).

14.02.8 Graduation Success Rate. The Academic Eligibility Subcommittee shall determine the minimum acceptable graduation success rate (GSR). 14.02.10.3 Nonqualifier. A nonqualifier is a student who has not graduated from high school or who, at the time specified in the regulation (see Bylaw 14.3), has not successfully completed the required core curriculum or has not presented the required minimum core-curriculum grade-point average for a qualifier or academic redshirt. *(Revised: 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16, 1/12/23 effective 8/1/23 for student-athletes initially enrolling full time in a collegiate institution on or after August 1, 2023)*

14.02.11 Residence. Residence is enrollment in a full-time academic program (as defined by the institution) at a collegiate institution during a regular term of an academic year. A summer term may not be used to satisfy an academic term of residence. Any student-athlete (e.g., qualifier, nonqualifier) admitted after the 12th class day may not use that semester or quarter for the purpose of satisfying an academic term or year of residence. *(Revised: 4/14/10, 4/18/24)*

14.02.11.1 Academic Year of Residence. To satisfy an academic year of residence, a student shall: *(Revised: 4/14/10, 5/14/13)*

14.02.14 Waiver. A waiver is an action exempting an individual or institution from the application of a specific regulation. A waiver requires formal approval (e.g., an NCAA committee or a conference, as specified in the legislation) based on evidence of compliance with the specified conditions or criteria under which the waiver is authorized or extenuating circumstances (see Bylaw 14.02.6). *(Revised: 11/1/07 effective 8/1/08)*

14.1 Admission, Enrollment and Academic Credentials.

14.1.1 Admission. A student-athlete shall not represent an institution in intercollegiate athletics competition unless the student has been admitted as a regularly enrolled, degree-seeking student in accordance with the regular, published entrance requirements of that institution.

14.1.1.1 Special Admission. A student-athlete may be admitted under a special exception to the institution's normal entrance requirements if the discretionary authority of the president or chancellor (or designated admissions officer or committee) to grant such exceptions is set forth in an official document published by the university (e.g., official catalog) that describes the institution's admissions requirements. *(Revised: 3/8/06)*

14.1.2 Validity of Academic Credentials. As a condition and obligation of membership, an institution is responsible for determining the validity of a student-athlete's academic record. *(Revised: 4/26/17 effective 8/1/17)*

14.1.2.1 Invalidation of Academic Credentials After Initial-Eligibility Certification. If a student-athlete's academic credentials (e.g., transcript, test scores) are invalidated after initial eligibility has been certified, the institution must report any violation that may have occurred as a result of the student-athlete's receipt of financial aid or participation in practice or competition and declare the student-athlete ineligible for competition. If such a violation occurred, the student-athlete remains ineligible for intercollegiate competition unless eligibility is restored regardless of whether an initial-eligibility waiver is granted after the invalidation of the academic credentials. *(Adopted: 3/3/11)*

14.1.2.2 High School Review Committee. The High School Review Committee shall have the authority to establish policies and procedures related to reviewing the validity of a high school and the validity of a prospective student-athlete's academic credentials. A review may result in a determination that a high school or a prospective student-athlete's academic credentials shall not be used to meet initial-eligibility requirements. The committee's policies and procedures shall be approved by the Academic Eligibility Subcommittee. *(Adopted: 1/8/07, Revised: 11/1/07 effective 8/1/08, 8/7/14, 1/10/24, 8/5/25 effective 11/1/25)*

14.1.2.3.1 Institutional Responsibility. An institution is responsible for promptly reporting all discrepancies in information used in a student-athlete's initial-eligibility certification to the Eligibility Center. Discrepancies in information include, but are not limited to, corrections, additions, potential academic misconduct with regard to high schools attended, grades, completion of coursework or test scores. *(Adopted: 4/27/06, Revised: 5/9/07)*

14.2 Full-Time Enrollment.

14.2.1 Requirement for Practice. To be eligible to participate in organized practice sessions, a student-athlete shall be enrolled in a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the regulations of the certifying institution. (See Bylaw 12.6.2.5.) **[D]** *(Revised: 1/10/92, 10/28/99, 3/27/18)*

14.2.1.1 Practice Prior to Initial Enrollment. A student-athlete may practice during the official vacation period immediately preceding initial enrollment, provided the student has been accepted by the institution for enrollment in a

regular, full-time program of studies at the time of the individual's initial participation; is no longer enrolled in the previous educational institution; and is eligible under all institutional and NCAA requirements.

14.2.1.1.1 Prohibited Practice Activities -- General Rule. A prospective student-athlete shall not engage in any practice activities (e.g., review of playbook, chalk talk, film review) with a coaching staff member prior to enrollment. A prospective student-athlete may observe an institution's practice session, including a session that is closed to the general public. *(Adopted: 12/12/06, Revised: 3/3/11, 5/30/13, 4/25/18 effective 8/1/18, 1/23/19 effective 8/1/19, 1/20/22)*

A prospective student-athlete who signed the institution's written offer of admission and/or financial aid or for whom the institution has received a financial deposit in response to its offer of admission may participate in virtual team activities (e.g., team meetings, film review) during an institution's summer vacation period, provided the prospective student-athlete has completed all academic requirements for high school graduation or all transfer academic requirements. *(Adopted: 1/20/22, Revised: 10/9/24)*

14.2.1.2 Drop/Add Course. A student-athlete no longer shall be considered enrolled in a minimum full-time program of studies (after dropping a course that places the student below full-time status) when the dropped course becomes official in accordance with procedures determined by the institution for all students. A student who is adding a course to reach full-time status shall become eligible for practice and competition once the course has been approved by the appropriate department head (or designated representative) and submitted to the registrar. *(Adopted: 1/10/92)*

14.2.1.3 Exception -- Final Semester/Quarter. A student-athlete with athletics eligibility remaining may participate in organized practice sessions while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of a baccalaureate or graduate degree program, or a minor or undergraduate certificate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree, minor or certificate requirements, as determined by the faculty of the institution. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution's first five days of classes of the applicable term. *(Revised: 3/27/18, 1/23/19 effective 8/1/19)*

14.2.1.3.1 Eligibility Following Final Term. A student-athlete who is eligible for practice while enrolled less than full time during the student-athlete's final term remains eligible for practice during the remainder of the institution's season, including postseason events. (See Bylaw 12.6.) *(Adopted: 3/27/18)*

14.2.1.4 Final Term Before Experiential Learning Requirement. A student-athlete may practice while enrolled in less than a minimum full-time program of studies in the final semester or quarter of the student's baccalaureate or postbaccalaureate degree program before participating in an experiential learning requirement (e.g., student teaching, internship, clinical, capstone project, etc.) in the following term, provided the student-athlete is carrying (for credit) all courses necessary to complete degree requirements, other than the experiential learning requirement. A student-athlete who uses this exception is not permitted to use the final semester/quarter exception the following semester or quarter. *(Adopted: 6/28/17 effective 8/1/17 for certifications of eligibility for fall 2017 and after, Revised: 11/28/23)*

14.2.1.5 Withdrawal or Dismissal. A student-athlete who withdraws or is dismissed from an institution is considered to be a prospective student-athlete eligible for recruitment by other NCAA member institutions and may not continue to practice with the original institution's team.

14.2.1.6 Exception -- Practice During First Week of Class. A student-athlete may practice, but may not compete, during the institution's first five days of classes if the student-athlete is enrolled in less than a minimum full-time program of studies, provided the student is otherwise eligible under all institutional, conference and NCAA requirements. *(Adopted: 1/10/95 effective 8/1/95)*

(a) The practice sessions take place at the institution the individual previously attended as an undergraduate or currently attends or previously attended as a graduate student, except that a former student-athlete who has graduated and has no eligibility remaining may participate in practice sessions at an institution other than the individual previously attended;

(b) In the case of a former student-athlete, the practice sessions involve an individual sport or women's rowing;

(c) In the case of a current student-athlete with eligibility remaining, the practice sessions involve an individual or team sport;

(d) The institution receives confirmation that the U.S. Olympic and Paralympic Committee or national governing body in the sport has recommended the individual's participation;

(e) In sports other than men's gymnastics, the individual does not participate in any coaching activities unless the institution designates the individual in the appropriate coaching limits;

(f) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only during the academic year immediately preceding the Olympic or Paralympic Games; and

(g) In the case of a former student-athlete, such participation shall be limited to the number of years that allows the individual to practice with the institution's team in preparation for two consecutive Olympic or Paralympic Games following exhaustion of eligibility or completion of degree, whichever occurs earlier. A former student-athlete who has not graduated must be enrolled (full or part time) and making progress toward a degree.

14.2.2 Requirement for Competition. To be eligible for competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies leading to a baccalaureate or equivalent degree, which shall not be less than 12 semester or quarter hours. *(Revised: 6/1/07)*

14.2.2.1.1 Competition Prior to Initial Enrollment. A student-athlete may compete during the official vacation period immediately preceding initial enrollment, provided the student has been accepted by the institution for enrollment in a regular, full-time program of studies at the time of the individual's initial participation; is no longer enrolled in the previous educational institution; and is eligible under all institutional and NCAA requirements. (See Bylaw 16.8.2.1.)

14.2.2.1.2 Eligibility Between Terms. To be eligible for competition that takes place between terms (including competition between a student-athlete's final term as an undergraduate student and first term as a graduate or postbaccalaurate student), the student-athlete shall: *(Revised: 1/11/89, 3/27/18)*

(a) Have been registered for the required minimum full-time load (see Bylaw 14.2.2) at the conclusion of the term immediately preceding the date of competition, if the student is continuing enrollment; or

(b) Be accepted for enrollment as a regular full-time student for the regular term immediately following if the student is either continuing enrollment or beginning enrollment (see Bylaw 14.4.3.4).

14.2.2.1.3 Final Semester/Quarter. A student-athlete may compete while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of a baccalaureate or graduate degree program, or a minor or undergraduate certificate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete degree**,** minor or certificate requirements. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution's first five days of classes of the applicable term. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree, minor or certificate requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution's next degree-granting date. *(Revised: 1/10/92, 1/16/93, 1/10/95, 2/1/05, 11/1/07 effective 8/1/08, 1/14/12, 8/21/12, 3/27/18, 1/23/19 effective 8/1/19)*

14.2.2.1.3.1 Eligibility Following Final Term. A student-athlete who is eligible to compete while enrolled less than full time during the student-athlete's final term remains eligible for regular-season competition that occurs after the term and any postseason event that begins within 60 days following the term. A student-athlete who attends a quarter-system institution and who graduates at the end of the winter quarter may compete in any postseason event (and preceding regular-season competition) that occurs during the same academic year following the completion of the winter quarter. (See Bylaw 12.6.) *(Adopted: 4/29/04 effective 8/1/04, Revised: 3/27/18)*

14.2.2.1.4 Final Term Before Experiential Learning Requirement. A student-athlete may compete while enrolled in less than a minimum full-time program of studies in the final semester or quarter of the student's baccalaureate or postbaccalaureate degree program before participating in an experiential learning requirement (e.g.,

student teaching, internship, clinical, capstone project, etc.) in the following term, provided the student-athlete is carrying (for credit) all courses necessary to complete degree requirements, other than the experiential learning requirement. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements during the following final semester or quarter and is eligible to receive the baccalaureate or postbaccalaureate diploma on the institution's next degree granting date immediately following the final semester. 14.2.2.2 Noncredit Work. Hours of noncredit work (including remedial courses) may be counted toward fulfilling the minimum full-time enrollment requirement, provided the noncredit work is given the same academic load value and is considered by the institution to be a requirement for the degree currently being pursued by the student.

14.2.2.3 Concurrent Courses at Two Institutions. Courses taken concurrently at a second institution may be counted toward meeting the minimum 12-hour enrollment requirement, provided:

(a) The certifying institution officially recognizes the student's combined hours as full-time enrollment for a minimum of 12 hours; and

(b) Courses taken at the second institution will be included on the student's transcript at the institution where the student is seeking the degree.

14.2.2.4 Cooperative Educational Exchange Program. A student-athlete may represent the certifying institution in intercollegiate athletics even though at the time of competition the student is enrolled in another institution in a cooperative educational exchange program, provided:

(a) The certifying institution considers the student to be regularly enrolled in a minimum full-time program of studies; and

(b) All work is placed on the student's transcript and accepted toward the student's undergraduate degree at the certifying institution.

14.2.2.5 Cooperative Educational Work Experience Program. A student-athlete may represent the certifying institution in intercollegiate athletics while enrolled in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) offered by the institution, provided the student is considered to be enrolled in a full-time program of studies, regardless of the credit value of the program. However, a student who participates in a cooperative educational work experience program that is not a required element of the student's degree program must be enrolled in a minimum of six credit hours, which may include the credit value of the cooperative educational work experience program, at the certifying institution during the same term. *(Adopted: 10/28/10)*

14.2.2.6 Nontraditional Courses. Enrollment in a nontraditional course (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) offered by the certifying institution may be used to satisfy the full-time enrollment requirement for competition, provided the following conditions are met: *(Adopted: 4/28/11 effective 8/1/11)*

(a) The course is available to any student at the institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student;

(c) Enrollment in the course occurs within the institution's regular enrollment periods (pre-registration or drop-add period) in accordance with the institution's academic calendar and applicable policies and procedures; and

(d) The course is conducted during the institution's regular academic schedule (term time) in accordance with the institution's academic calendar and applicable policies and procedures.

14.3.1.1.2.1 Submission of Final Transcript. If a student-athlete is certified as a qualifier pursuant to the early academic certification exception and initial full-time collegiate enrollment occurs at the certifying institution during the first term of the academic year, the institution shall ensure submission of the final high school transcript (official or unofficial) to the Eligibility Center by February 1 following the student-athlete's initial full-time enrollment. If a student-athlete is certified as a qualifier pursuant to the early academic certification exception and initial full-time collegiate enrollment occurs at the certifying institution after the conclusion of the first term of the academic year, the institution shall ensure submission of the final high school transcript (official or unofficial) to the Eligibility Center by February 1 of the following academic year. **[D]** *(Adopted: 4/30/09 effective 8/1/09)*

14.3.1.1.2.1.1 Waiver. The Academic Eligibility Subcommittee may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The subcommittee shall establish the process for reviewing such waiver requests. *(Adopted: 4/30/09 effective 8/1/09, Revised: 8/7/14, 8/5/25 effective 11/1/25)*

14.3.1.2 Academic Redshirt. An academic redshirt may receive institutional athletically related financial aid but may not compete during the first academic year of residence. An academic redshirt may practice only on campus or at the institution's regular practice facility during the first regular academic term of residence. An academic redshirt must successfully complete nine semester or eight quarter hours of academic credit in each applicable regular academic term in order to be eligible for practice in the immediately subsequent term of the initial academic year of residence. An academic redshirt is defined as one who is a high school graduate and who presented a minimum cumulative grade-point average of 2.000 (based on a maximum 4.000) in a successfully completed core curriculum of at least 16 academic courses per Bylaw 14.3.1.3, including the required courses set forth in Bylaw 14.3.1.1-(a). *(Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16, 1/12/23 effective 8/1/23 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/23)*

14.3.1.2.1 Outside Competition -- Academic Redshirt. An academic redshirt may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but during the first year of enrollment, such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team. *(Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)*

14.3.1.3 Core-Curriculum Requirements. [#] A course must meet all the following criteria to satisfy core-curriculum requirements: *(Revised: 1/11/00 effective 8/1/00, 11/1/01 effective 8/1/05 for those students first entering a collegiate institution on or after 8/1/05, 8/7/08, 1/15/11 effective 1/14/12, 1/10/24 effective 8/1/24 August 1, 2024; for high school account, program or course reviews that occur on or after August 1, 2024.)*

(a) The course must be administered by a high school that meets criteria for validity (e.g., quality control and integrity of information, school policies and operations), as established by the High School Review Committee (see Bylaw 14.1.2.2);

(b) The instructional model for the course must meet criteria for review (e.g., instructor interaction, pacing, instructional time, monitoring, feedback, intervention), as established by the High School Review Committee;

(c) The curriculum for the course must meet high school graduation requirements in one or a combination of the following areas: English, mathematics, natural/physical science, social science, world language, philosophy or nondoctrinal religion (e.g., comparative religion); and

(d) The curriculum for the course must meet college preparatory criteria for content (e.g., standards, learning objectives, competencies) and rigor of performance tasks and assessments (e.g., application of skills and concepts, strategic or extended thinking), as established by the High School Review Committee.

14.3.1.3.1 Core-Curriculum Time Limitation. A prospective student-athlete must complete the core-curriculum requirements not later than the high school graduation date of the prospective student-athlete's class [as determined by the first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide

to International Academic Standards for Athletics Eligibility]. Graduation from high school or secondary school shall be based on the prospective student-athlete's prescribed educational path in the prospective student-athlete's country. The eligibility of an international student-athlete whose prescribed educational path culminates with a leaving examination (e.g., General Certificate of Secondary Education, Baccalaureat, Arbitur) shall be determined based on the leaving examination, regardless of a delay in graduation or completion of the leaving examination. *(Revised: 1/10/90, 9/15/97, 11/1/01 effective 8/1/02, 4/26/07 effective 8/1/07, 1/15/11 effective 8/1/12 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12)*

14.3.1.3.1.1 Exception -- One Core Course after High School Graduation. If a prospective student-athlete graduates from high school within the core-curriculum time limitation, the prospective student-athlete may use one core course, completed in the year after graduation (summer or academic year), but not later than the end of the academic year immediately after the high school graduation date of the prospective student-athlete's class, to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core course at a location other than the high school from which the prospective student-athlete graduated and may initially enroll full time at a collegiate institution at any time after completion of the core course. *(Adopted: 4/26/07 effective 8/1/07, Revised: 9/24/09)*

14.3.1.3.1.1.1 Receipt of Athletically Related Financial Aid While Enrolled in Core Courses. A prospective student-athlete may not use a core course completed after high school graduation to satisfy initial-eligibility requirements if the prospective student-athlete is enrolled in the core course while concurrently receiving athletically related financial aid to attend an institution's summer term. A prospective student-athlete may use a core course completed after high school graduation, provided the prospective student-athlete either completes the core course prior to receiving athletically related financial aid to attend an institution's summer term or does not enroll in the core course until after completion of the institution's summer term for which the prospective student-athlete is receiving athletically related financial aid (see Bylaw 15.2.7.1.4). *(Adopted: 9/24/09)*

14.3.1.3.1.2 Exception -- Students with Education-Impacting Disabilities. If a prospective student-athlete with a diagnosed education-impacting disability graduates from high school within the core-curriculum time limitation, the prospective student-athlete may use up to three core courses completed after high school graduation to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core courses at a location other than the high school from which the prospective student-athlete graduated and may initially enroll full time at a collegiate institution at any time after completion of the core courses. A prospective student-athlete may not use a core course completed after graduation if the prospective student-athlete receives institutional financial aid while enrolled in a course during the summer after the high school graduation date of the prospective student-athlete's class (see Bylaw 15.2.7.1.4). *(Adopted: 1/14/97 effective 8/1/97, Revised: 4/24/03 effective 8/1/03, 11/1/07 effective 8/1/08, 4/17/08, 8/7/08, 4/30/09 effective 8/1/10 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10)*

14.3.1.3.2 College Courses. [#] College courses may be used to satisfy core-curriculum requirements if accepted by the high school, provided the courses are accepted for any other student, meet all other requirements for core courses and are placed on the student's high school transcript. *(Revised: 4/26/12)*

14.3.1.3.3 English as a Second Language Course. [#] It is permissible to use an advanced-level English as a Second Language (ESL) course to satisfy a core-curriculum requirement, provided the is qualitatively and quantitatively the same as the comparison course in the regular-course offering and the course appears on the high school's list of approved core courses. Further, an advanced-level ESL course must be exclusively for ESL students and all students in the course must be at the same level. *(Adopted: 11/17/98, Revised: 1/15/11 effective 1/14/12, 1/13/16)*

14.3.1.3.4 Courses for Students With Education-Impacting Disabilities. [#] High school courses for students with education-impacting disabilities may be used to fulfill the core-curriculum requirements, even if such courses appear to be taught at a level below the high school's regular academic instructional level (e.g., special education courses), if the high school principal submits a written statement to the Eligibility Center indicating that the courses are substantially comparable, quantitatively and qualitatively, to similar core course offerings in that academic discipline and the courses appear on the high school's list of approved core courses. Students with education-impacting disabilities still must complete the required core courses and achieve the minimum required grade-point average in the core curriculum. The fact that the title of a course includes a designation such as "remedial," "special education," "special needs," or other similar titles used for courses designed for students with education-impacting disabilities does not, in and of itself, disqualify a course from satisfying core-curriculum requirements. *(Revised: 1/14/97 effective 8/1/97, 2/11/98, 4/24/03 effective 8/1/03, 8/7/08, 1/15/11 effective 1/14/12)*

14.3.1.3.5 Grade Value of Core Courses. The following grade values are to be used in determining a student's grade-point average in the core courses: A = 4 quality points, B = 3 quality points, C = 2 quality points, D = 1 quality point. In determining the core-curriculum grade-point average, each grade earned in a course (including all numerical grades) must be converted to this 4.000 scale on an individual-course basis. Pluses or minuses within a grade level shall not receive greater or lesser quality points. A school's normal practice of weighting honors or advanced courses may be used to compute the quality points awarded in those courses and the cumulative grade-point average, provided a written statement verifying the grading policy accompanies the prospective student-athlete's official grade transcript. An honors or advanced course shall receive no greater than 1.000 additional quality point (e.g., A=5.000). In calculating the grade in a weighted honors or advanced course, if a high school does not assign quality points to its courses, quality points shall be added to each course before calculating the student's grade-point average and not added to a student's cumulative core-course grade-point average. The core-curriculum grade-point average may be calculated using the student's 16 best grades from courses that meet the distribution requirements of the core curriculum. *(Revised: 1/10/92 effective 8/1/95, 1/14/97, 4/15/98, 1/13/03 effective 8/1/05, 4/24/03 effective 8/1/08, 1/15/11 effective 1/14/12, 5/2/13 effective 8/1/16 for those student-athletes initially enrolling full time in a college institution on or after 8/1/16)*

14.3.1.3.6 Pass-Fail Grades. [#] Courses that are awarded pass-fail grades may be used to satisfy core-curriculum requirements. The Eligibility Center shall assign the course the lowest passing grade that the high school assigns for a pass-fail course. *(Revised: 1/14/97 effective 8/1/97, 4/15/97, 5/9/07, 1/15/11 effective 1/14/12)*

14.3.1.3.7 Repeat Courses. [#] A repeated course may be used only once to satisfy core-curriculum requirements. The best grade in that course may be used to calculate the grade-point average in the core curriculum. *(Revised: 1/15/11 effective 1/14/12)*

14.3.1.3.8 Multiple High School Attendance. [#] For a student-athlete who attends more than one high school, a Form 48-H (core-course form) and an official transcript from each high school the student-athlete attended must be used. However, the Eligibility Center may receive the official transcript from either the student-athlete's original high school or the high school from which the student-athlete graduated, or an institution's admissions office. *(Adopted: 1/10/92, Revised: 4/22/98 effective 8/1/98, 3/30/06, 5/9/07, 4/26/12)*

14.3.1.4 Initial-Eligibility Waivers. The Academic Eligibility Subcommittee shall have the authority to waive the initial-eligibility requirements based on objective evidence that demonstrates circumstances in which a student's overall academic record warrants a waiver of the normal application of this regulation. The subcommittee shall oversee the process for reviewing such waivers and shall report annually to the Cabinet and to the membership the actions taken in summary, aggregate form. *(Revised: 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 8/7/14, 8/5/25 effective 11/1/25, 10/22/25)*

14.3.1.5 Effect of Violations. A violation of Bylaw 14.3.1 in which the student-athlete is subsequently certified as a qualifier shall be considered an institutional violation per Bylaw 8.01.3 but shall not affect the student-athlete's eligibility. *(Adopted: 10/29/15)*

14.3.2 Eligibility for Financial Aid, Practice and Competition -- Nonqualifiers.

14.3.2.1 Nonqualifier. A nonqualifier is a student who has not graduated from high school or who, at the time specified in the regulation (see Bylaw 14.3), did not present the core-curriculum grade-point average required for a qualifier or an academic redshirt. *(Revised: 10/27/11, 4/26/12 effective 8/1/16, 1/12/23 effective 8/1/23 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/23)*

14.3.2.1.1 Eligibility for Aid, Practice and Competition. An entering freshman with no previous college attendance who was a nonqualifier at the time of enrollment in a Division I institution shall not be eligible for competition or practice during the first academic year of residence. However, such a student shall be eligible for nonathletics institutional financial aid that is not from an athletics source and is based on financial need only, consistent with institutional and conference regulations. *(Revised: 1/10/95 effective 8/1/96)*

14.3.2.2 Practice-Session Attendance. A student-athlete who is a nonqualifier and who, therefore, is not eligible for practice, may not attend any practice sessions in any capacity, nor may the student-athlete attend any meeting characterized as practice (see Bylaw 17.02.1). *(Revised: 1/10/95 effective 8/1/96, 1/9/96 effective 8/1/96)*

14.3.2.3 Outside Competition -- Nonqualifiers. A nonqualifier may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but during the first year of enrollment [including an institution's term-time official vacation periods (e.g., mid-term break, Labor Day weekend) and between terms when classes are not in session (e.g., winter break)], such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team, including a national team. *(Adopted: 1/10/13)*

14.3.3 Residence Requirement -- Academic Redshirts and Nonqualifiers. An academic redshirt must fulfill an academic year of residence in order to be eligible to compete and to practice away from the institution. A nonqualifier must fulfill an academic year of residence in order to be eligible for practice, competition and athletically related financial aid (see Bylaw 14.3.2.1.1). *(Revised: 1/10/90 effective 8/1/90, 1/10/95 effective 8/1/96, 1/3/06, 4/14/10, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)*

14.3.4 Determination of Freshman Eligibility.

14.3.4.1 Participation Prior to Certification. If a student-athlete reports for athletics participation or initial enrollment at the certifying institution before his or her qualification status has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution may provide athletically related financial aid to the student during this period, provided the student meets all other requirements to receive athletically related financial aid. After the 45-day period, the student shall have established minimum requirements (as certified by the Eligibility Center) to continue practicing, to continue receiving athletically related financial aid or to compete. *(Revised: 1/11/89, 10/7/05, 5/9/07, 9/18/07, 1/15/11 effective 8/1/11, 1/19/13 effective 8/1/13, 6/30/22 effective 8/1/22)*

14.3.4.1.1 Effect of Violations. A violation of Bylaw 14.3.4.1 in which the student-athlete is subsequently certified as a qualifier shall be considered an institutional violation per Bylaw 8.01.3 but shall not affect the student-athlete's eligibility. *(Adopted: 10/29/15)*

14.3.4.2 High School Graduate. In order to be considered a high school graduate, a prospective student-athlete shall meet all graduation requirements, including academic and nonacademic (e.g., state exit exams, community service, senior project) requirements, as defined for all students by the high school or secondary school. *(Adopted: 4/23/08)*

14.3.4.2.1 Equivalency Test/Diploma. A prospective student-athlete who does not graduate from high school but completes a state high school equivalency test [e.g., General Educational Development (GED)] and obtains a state high school equivalency diploma may satisfy the graduation requirement, provided the equivalency test is completed on or after the high school graduation date of the prospective student-athlete's class [as determined by the first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility]. *(Revised: 6/16/04, 1/10/05 effective 8/1/05, 6/15/15)*

14.3.4.3 Advanced Placement. If the student-athlete is admitted with a minimum of 24 semester hours or a minimum of 36 quarter hours of advanced placement from a College Entrance Examination Board (CEEB) examination (or from a similar proficiency examination) and/or concurrent high school/college credit without previous enrollment at a collegiate institution, the student-athlete shall be immediately eligible. Credits earned from extension or summer-session courses may not be counted in satisfaction of this requirement. A "similar proficiency examination" must be an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. *(Revised: 1/14/12 effective 8/1/12)*

14.3.4.3.1 International Certification. An institution shall use the Eligibility Center to determine whether a "similar proficiency examination" taken by an international student-athlete is an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. In addition, the Eligibility Center shall certify the eligibility of an international student-athlete based on the number of advanced placement hours accepted by the certifying institution. *(Adopted: 1/14/12 effective 8/1/12)*

14.3.4.4 International Academic Standards. A student from a foreign country shall satisfy the requirements outlined in the NCAA Guide to International Academic Standards for Athletics Eligibility. *(Revised: 1/12/23 effective 8/1/23 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/23)*

14.4 Progress-Toward-Degree Requirements.

14.4.1 Progress-Toward-Degree Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution subject to controlling legislation of a conference or similar association of which the institution is a member and applicable NCAA legislation. (See Bylaw 20.2.4.13 regarding the obligations of members to publish their progress-toward-degree requirements for student-athletes.) *(Revised: 5/29/08, 4/15/09)*

14.4.1.1 Bona Fide International Exchange Student. The eligibility for competition of a bona fide international exchange student, as defined in Bylaw 14.5.1.3.1, shall be based on satisfactory completion of at least: *(Revised: 1/14/08 effective 8/1/08, 4/14/09)*

(a) Six semester or six quarter hours of academic credit during the preceding regular academic term in which the student has enrolled full time at the certifying institution;

(b) Eighteen semester or 27 quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution's preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and

(c) A minimum grade-point average per academic term of enrollment as set forth in Bylaw 14.4.3.3.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.2 Eligibility for Financial Aid and Practice. Eligibility for institutional financial aid and practice during each academic year after a student-athlete's initial year of residence shall be based upon the rules of the institution and the conference, if any, of which the institution is a member. *(Revised: 6/24/26 effective 8/1/26)*

14.4.3 Eligibility for Competition.

14.4.3.1 Fulfillment of Credit-Hour Requirements. Eligibility for competition shall be determined based on satisfactory completion of at least: *(Revised: 1/10/92, 10/31/02 effective 8/1/03, 3/10/04, 4/28/05)*

(a) Twenty-four semester or 36 quarter hours of academic credit prior to the start of the student-athlete's second year of collegiate enrollment (third semester, fourth quarter);

(b) Eighteen semester or 27 quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution's preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and

(c) Six semester or six quarter hours of academic credit during the preceding regular academic term (e.g., fall semester, winter quarter) in which the student-athlete has been enrolled full time at any collegiate institution (see Bylaw 14.4.3.4.3 for postseason certification).

14.4.3.1.1 Regular Academic Year. For purposes of Bylaw 14.4.3.1, the regular academic year shall be defined as the time beginning with the opening of the institution's fall term and concluding with the institution's spring commencement exercises. *(Adopted: 4/2/03 effective 8/1/03, Revised: 6/1/06)*

14.4.3.1.2 Transfer. To be eligible for competition, a transfer student-athlete must meet the following credit-hour requirements based on attendance at the previous institution or institutions for the specified time and may use any hours of academic credit earned at any collegiate institution: *(Adopted: 10/31/02 effective 8/1/03, Revised: 5/12/05)*

(a) Equivalent of one semester/one quarter: six semester or six quarter hours of academic credit;

(b) Equivalent of one academic year (e.g., two semesters/three quarters): 24 semester or 36 quarter hours of academic credit;

(c) Equivalent of three semesters/four quarters: 30 semester or 42 quarter hours of academic credit; or

(d) Equivalent of four semesters/six quarters and thereafter: six semester or six quarter hours of academic credit during the previous term of full-time enrollment, if applicable (see Bylaw 14.4.3.1.2.1).

14.4.3.1.2.1 Six-Hour Requirement for Transfer. A transfer student-athlete from a domestic two-year or four-year collegiate institution must complete six hours of academic credit during the previous term of full-time enrollment regardless of when the student-athlete enrolls in the certifying institution. A transfer student-athlete from a foreign collegiate institution is not required to complete six hours of academic credit in the previous term of full-time enrollment. *(Adopted: 5/12/05)*

14.4.3.1.3 Regaining Eligibility. For purposes of Bylaw 14.4.3.1-(a), a student-athlete who does not meet the 24 semester or 36 quarter credit-hour requirement prior to the start of the student-athlete's second year of collegiate enrollment (third semester, fourth quarter), may become eligible at the beginning of the next academic term by successfully completing 24 semester or 36 quarter hours during the previous two semesters or three quarters. *(Adopted: 4/14/03 effective 8/1/03, Revised: 4/28/05)*

14.4.3.1.3.1 Exception -- Baseball. In baseball, a student-athlete who is subject to the 24 semester or 36 quarter credit-hour requirement at the beginning of an institution's fall term and fails to meet the requirement based on the student-athlete's academic record in existence at that time shall not be eligible during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.4.3.1.4 Application of Rule. For purposes of Bylaw 14.4.3.1-(b), once a student-athlete initially enrolls as a full-time student [including a midyear enrollee (freshman or transfer)], the student-athlete must meet the 18 semester/27 quarter hour requirement prior to the start of the institution's third semester or fourth quarter following the student-athlete's initial full-time enrollment. Further, the 18 semester/27 quarter hour requirement applies to each academic

year in which a student-athlete is enrolled as a full-time student during any term of that academic year. (See Bylaw 14.02.12.) Credits earned during a term in which a student-athlete is enrolled in less than a full-time program of studies may be used to satisfy the 18 semester/27 quarter hour requirement only if such credits are combined with credits earned during a term that immediately precedes or immediately follows a term in which the student-athlete is enrolled as a full-time student. Credits earned during a part-time term may be completed at an institution other than the certifying institution. *(Adopted: 4/14/03 effective 8/1/03, Revised: 9/18/07, 4/8/09, 10/17/19)*

14.4.3.1.4.1 Application to a Midyear Enrollee. After a midyear enrollee's initial certification, (prior to the start of the institution's third semester or fourth quarter following the student-athlete's initial full-time enrollment), the student-athlete's completion of the 18 semester/27 quarter hour requirement shall be certified prior to the start of each academic year based on the student-athlete's record since the beginning of the previous fall term. *(Adopted: 4/8/09)*

14.4.3.1.4.2 Additional Application -- Baseball. In baseball, a student-athlete who is subject to the 18 semester/27 quarter hour requirement at the beginning of an institution's fall term and fails to meet the requirement based on the student-athlete's academic record in existence at that time shall not be eligible during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.4.3.1.5 Additional Application of Six-Hour and Transfer Rules -- Baseball. In baseball, a student-athlete who fails to meet the requirements of Bylaws 14.4.3.1-(c) or 14.4.3.1.2, or both, to be eligible for an institution's fall term shall not be eligible during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.4.3.1.6 Additional Requirements -- Football. [FBS/FCS] In football, a student-athlete who is a member of the institution's football team and who does not successfully complete at least nine semester hours or eight quarter hours of academic credit during the fall term or does not earn the Academic Progress Rate eligibility point for the fall term (or does not successfully complete either requirement) shall not be eligible to compete in the first four contests against outside competition in the following playing season. *(Adopted: 4/28/11 effective 8/1/11, Revised: 5/28/13)*

14.4.3.1.6.1 Regaining Eligibility for Two Contests. [FBS/FCS] A student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the third and fourth contests of that season, provided the student-athlete successfully completes at least 27 semester hours or 40 quarter hours of academic credit before the beginning of the next fall term. A student-athlete in the initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27 semester/40 quarter credit-hour requirement. *(Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12)*

14.4.3.1.6.2 Regaining Full Eligibility -- One-Time Exception. [FBS/FCS] One time during a student-athlete's five-year period of eligibility, a student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the first four contests of that season, provided the student-athlete successfully completes at least 27 semester hours or 40 quarter hours of academic credit before the beginning of the next fall term. A student-athlete in the initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27 semester/40 quarter credit-hour requirement. *(Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12, 5/28/13)*

14.4.3.1.7 Hours Earned or Accepted for Degree Credit. The calculation of credit hours for the application of Bylaws 14.4.3.1-(a), 14.4.3.1-(c) and 14.4.3.1.6 shall be based on hours earned or accepted for degree credit at the certifying institution in a student-athlete's specific baccalaureate degree program, as follows: *(Adopted: 1/14/97, Revised: 1/9/06 effective 8/1/06, 3/12/12, 3/27/18, 1/29/19 effective 8/1/19 for certification of eligibility for competition that occurs on or after 8/1/19.)*

(a) During the first two years of enrollment, a student-athlete may use credits acceptable toward any of the institution's degree programs;

(b) By the beginning of the third year of enrollment (fifth semester or seventh quarter), a student-athlete shall be required to have designated a program of studies leading toward a specific baccalaureate degree. From that point, the credits used to meet the progress-toward-degree requirements must be degree credit toward the student's designated degree program;

(c) A student-athlete who changes designated degree programs between terms may comply with the progress-toward-degree requirements if:

(1) The change in programs is documented appropriately by the institution's academic authorities;

(2) The credits earned prior to the change are acceptable toward the degree previously sought; and

(3) The credits earned from the time of the change are acceptable toward the new desired degree.

(d) A student-athlete who, in accordance with institutional policy, changes designated degree programs during a regular academic term may use credits earned during the term to fulfill credit-hour requirements toward the degree previously sought or the newly designated degree; and

(e) Once a student-athlete has begun the third year of enrollment (fifth semester or seventh quarter), a course may not be used to fulfill the credit-hour requirements for meeting progress toward degree if the student ultimately must repeat the course to fulfill the requirements of the student's major, even if the course fulfills an elective component of the student-athlete's degree program.

14.4.3.1.7.1 Exception -- Final Academic Year of Degree Program. A student-athlete who is in the final academic year (final two semesters or three quarters) of the student-athlete's designated degree program may use credit hours acceptable toward any of the institution's degree programs to satisfy the six-hour requirement (see Bylaw 14.4.3.1) and the nine semester or eight quarter-hour requirement (see Bylaw 14.4.3.1.6), provided the institution certifies that the student is enrolled in courses necessary to complete degree requirements at the end of the two semesters or three quarters or the following summer. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements and is eligible to receive the baccalaureate diploma on the institution's next degree-granting date. *(Adopted: 8/5/04, Revised: 3/27/18)*

14.4.3.1.7.2 Hours Earned or Accepted Toward a Minor. Credit hours earned or accepted toward a minor, including a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may be used to satisfy the credit-hour requirements after the first two years of enrollment, provided the minor is officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution's first five days of classes of the applicable term. *(Adopted: 9/24/09, Revised: 4/26/17 effective 8/1/17, 4/18/18)*

14.4.3.1.7.3 Hours Earned or Accepted Toward an Undergraduate Certificate Program. Credit hours earned or accepted toward an undergraduate certificate program may be used to satisfy credit-hour requirements after the first two years of enrollment, provided the following conditions are met: *(Adopted: 4/26/17 effective 8/1/17, Revised: 4/18/18)*

(a) Completion of the certificate requires a minimum of nine credit hours;

(b) Enrollment in the program is only available to regular, degree-seeking, undergraduate students; and

(c) The student-athlete officially designates the program (pursuant to institutional policy) before the conclusion of the institution's first five days of classes of the applicable term.

14.4.3.2 Fulfillment of Percentage of Degree Requirements. A student-athlete who is entering the third year of collegiate enrollment shall have completed successfully at least 40 percent of the course requirements in the student's specific degree program. A student-athlete who is entering the fourth year of collegiate enrollment shall have completed successfully at least 60 percent of the course requirements in the student's specific degree program. A student-athlete who is entering the fifth year of collegiate enrollment shall have completed successfully at least 80 percent of the course requirements in the student's specific degree program. The course requirements must be in the student's specific degree program (as opposed to the student's major). *(Adopted: 1/10/92 effective 8/1/92, Revised: 1/9/96, 10/31/02 effective 8/1/03)*

14.4.3.2.1 Five-Year Degree Program. If the student-athlete's degree is identified in the institution's official catalog as a five-year program or otherwise requires the completion of a minimum of 150 semester or 225 quarter hours, the student-athlete who is entering the third year of collegiate enrollment shall have completed successfully 33 percent of the course requirements in the student's specific degree program. A student-athlete who is entering the fourth year of collegiate enrollment shall have completed successfully 50 percent of the course requirements in the student's specific degree program. A student-athlete who is entering the fifth year of collegiate enrollment shall have completed successfully 67 percent of the course requirements in the student's specific degree program. *(Adopted: 1/14/97, Revised: 10/31/02 effective 8/1/03)*

14.4.3.2.2 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.2 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution, even if the student has not yet completed an academic year of residence at the certifying institution. *(Adopted: 1/10/92 effective 8/1/92, Revised: 6/24/26 effective 8/1/26)*

14.4.3.2.2.1 Exception -- National Service Academies. The provisions of Bylaw 14.4.3.2 shall only apply to the eligibility of a student-athlete for those years in which the student-athlete is enrolled at a national service academy. *(Adopted: 4/24/03)*

14.4.3.2.3 Timing of Certification. A student-athlete's eligibility under this provision shall be determined on the basis of the student's academic record in existence at the beginning of that student's third or later academic year (fifth semester or seventh quarter) of full-time enrollment (see Bylaw 14.02.12). If the student-athlete is ineligible under the provisions of the progress-toward-degree legislation at the beginning of that term, eligibility may be reinstated at the beginning of any other regular term of that student's specific academic year, based on the student's later fulfillment of the necessary degree requirements. *(Adopted: 1/11/94, Revised: 1/10/95, 10/17/19)*

14.4.3.2.3.1 Exception -- Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution's fall term shall not be eligible during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.4.3.2.4 Hours Earned or Accepted Toward a Minor. Credit hours earned or accepted toward a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may not be used to satisfy percentage-of-degree requirements even if the student-athlete must complete the requirements of the voluntary or optional minor to graduate. A student-athlete may use credits earned in a minor only if the minor is a required element for all students to obtain the original baccalaureate degree. *(Adopted: 9/24/09)*

14.4.3.3 Fulfillment of Minimum Grade-Point Average Requirements. A student-athlete who is entering the second year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum 4.000) that equals at least 90 percent of the institution's overall cumulative grade-point average required for graduation. A student-athlete who is entering the third year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 95 percent of the institution's overall cumulative minimum grade-point average required for graduation. A student-athlete who is entering the fourth or later year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 100 percent of the institution's overall cumulative grade-point average required for graduation. If the institution does not have an overall grade-point average required for graduation, it is permissible to use the lowest grade-point average required for any of the institution's degree programs in determining the cumulative minimum grade-point average. The minimum grade-point average must be computed pursuant to institutional policies applicable to all students. *(Adopted: 1/10/92 effective 8/1/92, Revised: 10/31/02 effective 8/1/03, 4/15/09)*

14.4.3.3.1 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.3 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution who has completed an academic term of residence at the certifying institution. A student-athlete who attends the certifying institution as a full-time student, transfers to another institution and later returns to the original institution is immediately subject to the provisions of Bylaw 14.4.3.3 on re-enrollment. *(Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/9/06 effective 8/1/06, 4/15/09, 9/24/09)*

14.4.3.3.2 Timing of Certification -- Sports Other Than Men's Wrestling. In sports other than men's wrestling, a student-athlete's eligibility under this provision shall be certified by the first date of competition or contest of each regular term of an academic year beginning with that student's second or later academic year (third semester or fourth quarter) of full-time enrollment (see Bylaw 14.02.12). The certification shall be based on the student-athlete's academic record in existence at the beginning of the applicable term. *(Adopted: 1/11/94, Revised: 1/10/95, 4/24/03 effective 8/1/03, 5/9/08, 4/15/09, 10/17/19, 6/30/22 effective 8/1/22)*

14.4.3.3.2.1 Exception -- Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution's fall term shall not be eligible during the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/08)*

14.4.3.3.3 Additional Requirement -- Men's Wrestling. In men's wrestling, a student-athlete who has completed an academic term in residence at the certifying institution shall present either a cumulative minimum grade-point average or a term minimum grade-point average of at least 2.000. A student-athlete's eligibility under this provision shall be certified by the first date of competition or contest of each regular term of an academic year beginning with that student-athlete's second term of full-time enrollment. The certification shall be based on the student-athlete's record in existence at the beginning of the applicable term. *(Adopted: 6/30/22 effective 8/1/22, Revised: 8/16/22)*

14.4.3.4 Change in Eligibility Status. If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date

on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete's or the institution's first participation in an NCAA championship, the student-athlete shall remain eligible for the remainder of the championship. *(Revised: 7/31/14)*

14.4.3.4.1 Certification of Eligibility at the End of the Academic Year. A student-athlete who was ineligible to compete during an entire academic year (did not meet progress-toward-degree requirements) may not be certified as eligible to compete in the season already in progress (e.g., outdoor track and field, baseball) at the end of the academic year. A student-athlete who was eligible for competition at the beginning of the academic year but became ineligible at midyear (e.g., due to failure to meet the six-hour requirement) may be certified as eligible at the end of the academic year for competition in a season already in progress (e.g., outdoor track and field, baseball), provided the student-athlete meets all applicable progress-toward-degree requirements to be eligible for competition during the subsequent fall term. *(Adopted: 10/4/16)*

14.4.3.4.2 Exception.

14.4.3.4.2.1 Institutions With Official Posting Date for Grades. An institution whose official posting date for grades falls within three days of the first day of classes for the following academic term shall have three business days from the official date on which grades must be posted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have satisfied the grade-point average requirements per Bylaw 14.4.3.3. For those institutions that post grades on a rolling basis, the three-business-day period shall begin within the first week of classes. *(Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)*

14.4.3.4.2.2 Institutions With No Official Posting Date for Grades. An institution whose official submission date for grades falls on or after the first day of classes for the following academic term shall have five business days from the date on which grades are submitted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have maintained grade-point average requirements per Bylaw 14.4.3.3. *(Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)*

14.4.3.4.2.3 Certification of Eligibility. During the three-business-day or five-business day period, a student-athlete who is otherwise eligible under NCAA, conference and institutional requirements, shall be permitted to compete. If during the exception period, a student-athlete is certified ineligible, the student-athlete shall be declared immediately ineligible for competition. If the three-business-day or five-business-day period concludes prior to the certification of eligibility for any student-athlete, the student-athlete shall be ineligible until such time the student-athlete is declared eligible for competition. *(Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)*

14.4.3.4.3 Eligibility for Postseason Competition -- Between Terms. To be eligible to compete in a postseason event (e.g., conference tournament, bowl game, National Invitation Tournament, Women's Basketball Invitation Tournament, NCAA championship) that occurs between regular terms (including summer) a student-athlete shall have satisfactorily completed six semester or six quarter hours of academic credit during the preceding regular academic term of full-time enrollment (see Bylaws 14.02.12, 14.4.3.1 and 14.4.3.1.7). *(Adopted: 4/28/05 effective 8/1/05, Revised: 12/12/06, 1/8/07 effective 8/1/07, 4/26/07 effective 8/1/07, 7/31/14, 10/17/19)*

14.4.3.4.3.1 Less Than Full-Time Enrollment. A student-athlete who was enrolled in less than a minimum full-time program of studies pursuant to an exception or waiver during the term immediately prior to the postseason event is subject to the following requirements: *(Adopted: 1/8/07 effective 8/1/07)*

(a) If the student-athlete was enrolled in at least six credit hours, the student-athlete shall have satisfactorily completed six semester or six quarter hours of academic credit; or

(b) If the student-athlete was enrolled in fewer than six credit hours, the student-athlete shall have satisfactorily completed the number of semester or quarter hours of academic credit in which the student-athlete was enrolled.

14.4.3.4.3.2 Timing of Certification. A student-athlete's eligibility under this provision shall be determined within 14 business days (see Bylaw 14.02.3) (regardless of the date on which grades are posted or submitted) after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. If the postseason event occurs prior to the conclusion of the 14 business days, eligibility shall be determined by using grades from the immediately preceding regular academic term (e.g., fall term if certifying for a bowl game), provided a sufficient number of grades from the term have been posted. All grades posted in accordance with institutional procedures by 5 p.m. local time (where the institution is located) on the day prior to the postseason

event must be considered. If the postseason event occurs prior to the conclusion of the 14 business days and an insufficient number of grades from the immediately preceding term have been posted, eligibility shall be determined by using grades from the most recent regular academic term for which a sufficient number of grades have been posted. *(Adopted: 1/8/07 effective 8/1/07, Revised: 7/31/14)*

14.4.3.4.3.2.1 Certification for Multiday Events. A student-athlete who is certified eligible for the first day of a multiday event (e.g., conference track and field championship) remains eligible for the entire event regardless of whether additional grades are posted after the certification deadline, provided the event concludes prior to the start of the next regular academic term. If an insufficient number of grades are posted for a student-athlete to be certified eligible based on the immediately preceding term and the student-athlete will participate in another postseason event (e.g., NCAA championship) that occurs during the same period between regular terms, the institution must recertify the student-athlete with grades available by 5 p.m. local time (where the institution is located) on the day prior to the start of the additional postseason event. *(Adopted: 10/21/13, Revised: 7/31/14)*

14.4.3.4.4 Eligibility for Postseason Competition -- Postseason Football Bowl Game During an Institution's Second Academic Term. [FBS] If an institution is selected to participate in a postseason bowl game that will occur during the institution's second regular term (e.g., winter quarter, spring semester) of the academic year, a student-athlete's eligibility to compete in the bowl game shall be certified consistent with the standards applicable to postseason competition that occurs between terms (see Bylaws 14.4.3.4 and 14.4.3.4.3). However, a student-athlete must meet full-time enrollment requirements applicable to term-time competition (see Bylaw 14.2.2). *(Adopted: 4/26/07, Revised: 7/31/14)*

14.4.3.5 Regulations for Administration of Progress Toward Degree.

14.4.3.5.1 Nontraditional Terms. An institution that determines registration other than on a traditional semester- or quarter-hour basis shall submit a statement describing the continuing-eligibility requirements applicable to its student-athletes for approval by the Academic Eligibility Subcommittee. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 8/5/25 effective 11/1/25)*

14.4.3.5.2 Advanced-Placement Tests/Credit by Examination. Credit received through advanced-placement tests or by examination before initial full-time enrollment may be used to meet the 24 semester or 36 quarter-hour requirement specified in Bylaw 14.4.3.1-(a) and percentage-of-degree requirements specified in Bylaw 14.4.3.2, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. Credit received after initial full-time enrollment through advanced-placement tests or by examination may be used to meet all progress-toward-degree requirements, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. *(Revised: 10/4/17)*

14.4.3.5.3 Nontraditional Courses From Another Institution. Nontraditional courses (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) completed at an institution other than the certifying institution, may be used to meet credit-hour and percentage-of-degree requirements, provided the following conditions are met: *(Revised: 4/28/11 effective 8/1/11)*

(a) The course is available to any student at the certifying institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student; and

(c) Enrollment in the course occurs within the offering institution's regular enrollment periods (pre-registration or drop-add period) in accordance with the institution's academic calendar and applicable policies and procedures.

14.4.3.5.3.1 Summer Courses. A student-athlete may enroll in a nontraditional course during the certifying institution's summer vacation period at a time other than during the offering institution's regular enrollment periods for traditional courses and may use credits from such courses to meet the 24 semester or 36 quarter credit-hours requirement and percentage-of-degree requirements, provided the course is completed before the first day of the certifying institution's regular fall term. *(Adopted: 10/21/13)*

14.4.3.5.4 Remedial, Tutorial or Noncredit Courses. Remedial, tutorial or noncredit courses may be used by the student to satisfy the minimum academic progress requirement of Bylaw 14.4.3.1 only if they meet all of the following conditions: *(Revised: 10/31/02 effective 8/1/03, 3/27/18)*

(a) The courses must be considered by the institution to be prerequisites for specific courses acceptable for any degree program;

(b) The courses must be given the same weight as others in the institution in determining the student's status for full-time enrollment;

(c) Noncredit courses may not exceed the maximum institutional limit for such courses in any baccalaureate degree program (or the student's specific baccalaureate degree program once a program has been designated); and

(d) Credit in such courses shall not exceed six semester or nine quarter hours, and the courses must be taken before the start of the student's second year of collegiate enrollment (third semester, fourth quarter).

14.4.3.5.5 Incomplete Grades. A student who receives an incomplete grade in a course may use the course in question to fulfill the minimum progress-toward-degree requirements, subject to the following conditions:

(a) The incomplete grade must have been removed in accordance with the institution's regulations applicable to all students;

(b) Such a course may be counted only once after a grade has been achieved that is acceptable to the institution for determining progress toward degree; and

(c) The course with the acceptable grade shall be counted either during the term in which the student initially enrolled in the course or during the term in which the incomplete grade was removed and acceptable credit was awarded.

14.4.3.5.5.1 Summer Courses -- Credit-Hour Requirements. If a student enrolls in a summer course but completes the course during the regular academic year, for purposes of Bylaws 14.4.3.1 and 14.4.3.1.6, credit for the course must be counted in the summer term of initial enrollment in the course. *(Adopted: 3/27/18)*

14.4.3.5.6 Repeated Courses. Credit for courses that are repeated may be used by a student to satisfy the minimum academic progress requirements only under the following conditions: *(Revised: 3/27/18)*

(a) A course repeated due to an unsatisfactory initial grade (as determined by the institution's regulations applicable to all students) may be used only once, and only after it has been satisfactorily completed;

(b) Credit for a course for which credit is given only once may not be used in the term in which the course is repeated if the same grade is received as was received for the course in a previous term;

(c) Credit for a course for which credit may be earned more than once (e.g., a physical education activities course) shall be limited by institutional regulations; and

(d) Credits earned in courses for which credit may be earned more than once may not exceed the maximum institutional limit for credits of that type for any baccalaureate degree program (or for the student's specific baccalaureate degree program once a program has been designated).

14.4.3.5.7 Credit From Other Institutions.

14.4.3.5.7.1 Before Initial Full-Time Enrollment. Credit hours earned before initial full-time enrollment may be used to fulfill the 24 semester or 36 quarter-hours requirement specified in Bylaw 14.4.3.1-(a) and the percentage-of-degree requirements specified in Bylaw 14.4.3.2. *(Revised: 1/16/93, 10/31/02 effective 8/1/03, 4/5/06, 7/27/16)*

14.4.3.5.7.2 Concurrent Enrollment. Credit hours earned from a traditional course during a regular term at another institution while enrolled as a full-time student at the certifying institution may be used to satisfy progress-toward-degree requirements specified in Bylaws 14.4.3.1 and 14.4.3.2 (see Bylaw 14.4.3.5.3). Such credits may be used to meet the requirements of Bylaws 14.4.3.1-(b) and 14.4.3.1-(c), provided: *(Revised: 7/27/16)*

(a) The course is available to any student at the certifying institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student; and

(c) Enrollment in the course occurs within the offering institution's regular enrollment periods (preregistration or drop/add period) in accordance with the institution's academic calendar and applicable policies and procedures.

14.4.3.5.8 Cooperative Educational Work Experience and Study-Abroad Programs. A student-athlete shall not be required to complete six semester or six quarter hours of academic credit during a regular academic term or terms of full-time enrollment in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) or an institutionally approved study-abroad program. *(Adopted: 4/29/04, Revised: 10/8/10)*

14.4.3.6 Exceptions to Progress-Toward-Degree Rule. The following provisions are exceptions to the progress-toward-degree rule: *(Revised: 1/10/90, 1/10/92, 1/9/96, 10/31/02 effective 8/1/03, 4/24/03 effective after the 2003 fall term, 4/29/04, 8/25/04, 4/28/05 effective 8/1/05, 1/9/06 effective 8/1/06, 5/28/09, 4/26/17 effective 8/1/17, 3/27/18, 1/5/21, 4/18/24)*

(a) **Missed Term.** One time during a student-athlete's entire period of collegiate enrollment, the provisions of Bylaw 14.4.3.1-(b) may be prorated at nine hours per term of actual attendance if the student-athlete misses a complete term or consecutive terms during an academic year, subject to the following conditions:

(1) The student-athlete did not attend class during a regular academic term while enrolled in a full-time program of studies;

(2) The student-athlete engaged in no outside competition in the sport during the academic term or terms in which the student was not in attendance; and

(3) At the time of certification, the student has fulfilled the progress-toward-degree requirements (per Bylaw 14.4.3.1) for the terms in which the student was in attendance.

A transfer student from a two-year college is not eligible to use this one-time exception during the first academic year of residence at the certifying institution in order to maintain eligibility during the second year of residence. Hours earned while enrolled as a part-time student during the "missed term" may be used to satisfy the 24/36 hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3).

(b) **Nonrecruited, Nonparticipant.** A student-athlete may qualify for an exception to the application of the progress-toward-degree regulation for the initial season of eligibility if the student was not recruited by the certifying institution; has never received athletically related financial assistance; has never practiced or participated in intercollegiate athletics, except that a student may have participated in limited preseason tryouts; and is otherwise eligible under all institutional, conference and NCAA rules. The student-athlete's eligibility in following seasons would be governed by the provisions of the progress-toward-degree rule, which would be applied from the beginning of the first term the student began participation. This exception shall not apply to the percentage-of-degree (see Bylaw 14.4.3.2) and minimum grade-point average (see Bylaw 14.4.3.3) requirements.

(c) **Postgraduate Student Exception.** A postgraduate student-athlete who is otherwise eligible for regular-season competition shall be exempt from the provisions of this regulation, except the six-hour requirement as specified in Bylaw 14.6.4. (See Bylaw 14.6.)

(d) **Cooperative Educational Work Experience and Study Abroad Programs.** The provisions of Bylaw 14.4.3.1-(b) may be prorated at nine hours for each term the student-athlete is enrolled in a cooperative educational work experience (e.g., co-op, internship, practicum, student teaching) or an institutionally approved study-abroad program, subject to the following conditions:

(1) The institution considers the student-athlete to be a full-time student while participating in the cooperative educational work experience or study-abroad program;

(2) The student-athlete satisfactorily completes the cooperative educational work experience or study-abroad program; and

(3) At the time of certification, the student-athlete has fulfilled the progress-toward-degree requirements (per Bylaw 14.4.3) for the terms in which the student-athlete has been in regular full-time attendance.

14.4.3.7 Waivers of Progress-Toward-Degree Rule. The Academic Eligibility Subcommittee shall establish appropriate criteria for waivers of this legislation. The following waivers shall be administered by the conference members of the Association or, in the case of an independent institution, by the Academic Eligibility Subcommittee. *(Revised: 1/9/96, 10/28/97, 4/27/00, 10/31/02 effective 8/1/03, 3/10/04, 4/28/05, 1/17/09 effective 8/1/09, 1/14/12, 5/22/13, 3/27/18, 1/22/20, 8/5/25 effective 11/1/25)*

(a) **Medical Absence.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1-(b), 14.4.3.1-(c), 14.4.3.1.6 and 14.4.3.6-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student misses a term or is unable to complete a term as a full-time student as a result of an injury or illness. Such an exception may be granted only when circumstances clearly supported by appropriate medical documentation establish that a student-athlete is unable to attend a collegiate institution as a full-time student as a result of an incapacitating physical injury or illness involving the student-athlete or a member of the student-athlete's immediate family. Credits earned by the student during the term to which the waiver applies may be used to satisfy the 24/36 hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). However, a term to which a medical absence waiver applies does not count as a term of full-time enrollment for purposes of the 24/36 credit-hour requirement, percentage-of-degree requirements or grade-point average requirements.

(b) **International Competition.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1 and 14.4.3.6-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student is not enrolled for a term or terms or is unable to complete a term as a full-time student as a result of participation in the Pan American Games, Parapan American Games, Olympic Games, Paralympic Games, World Championships, World Cup, FIFA U-20 World Cup, World University Games (Universiade) or World University

Championships (including final tryouts and the officially recognized training program that directly qualifies participants for those tryouts). This waiver provision may be applied to not more than two semesters or three quarters. Credits earned by the student during the term or terms to which the waiver applies may be used to satisfy the 24-/36-hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). However, a term to which an international competition waiver applies does not count as a term of full-time enrollment for purposes of the 24/36 credit-hour requirement, percentage-of-degree requirements or grade-point average requirements.

14.4.3.8 Waiver -- Olympic or Paralympic Games. The Academic Eligibility Subcommittee may waive this general progress-toward-degree requirement for any participant in the Olympic or Paralympic Games, who because of such participation, may lose eligibility for practice and competition in any sport. *(Adopted: 10/31/02 effective 8/1/03, Revised: 1/22/20, 8/5/25 effective 11/1/25)*

14.4.3.9 Waiver -- Student-Athletes With Education-Impacting Disabilities. The Academic Eligibility Subcommittee may waive the general progress-toward-degree requirements for a student-athlete when objective evidence demonstrates that the institution has defined full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the student's education-impacting disability. *(Adopted: 10/31/02 effective 8/1/03, Revised: 8/7/08, 8/5/25 effective 11/1/25)*

14.4.3.10 Additional Progress-Toward-Degree Waivers. The Academic Eligibility Subcommittee shall have the authority to waive all other progress-toward-degree requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The subcommittee shall establish the process for granting such waivers and shall report annually to the Cabinet and to the membership the actions taken in summary, aggregate form. *(Adopted: 1/9/96 effective 8/1/96, Revised: 10/28/97, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 8/7/14, 8/5/25 effective 11/1/25, 10/22/25)*

14.5 Transfer Regulations.

14.5.1 General Principle. A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to satisfy the applicable transfer requirements or qualify for an exception as set forth in this bylaw before being eligible to compete. *(Revised: 1/10/91 effective 8/1/91, 4/27/00 effective 8/1/01, 5/19/08, 6/24/09, 4/14/10, 8/3/22, 4/18/24)*

14.5.1.1 Disciplinary Suspension. A student who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution (as opposed to one of the institution's teams) for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. *(Revised: 1/14/97 effective 8/1/97, 10/4/17)*

14.5.1.2 Outside Competition -- Not a Qualifier. A two-year college transfer student who is not a qualifier and does not meet the applicable transfer requirements may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but such an individual is not permitted to practice or compete on an institution's club team or an outside sports team until eligibility is regained pursuant to Bylaw 14.5.4.3. A four-year college transfer student who is not a qualifier and who does not meet the applicable four-year college transfer requirements may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but such an individual is not permitted to practice or compete on an institution's club team or an outside sports team until eligibility is regained pursuant to Bylaw 14.5.5.1. *(Adopted: 1/14/97, Revised: 1/3/06, 4/18/24, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.1.3 International Transfer Student-Athletes. A transfer student from an international collegiate institution (college, university or two-year college), except one entering as a bona fide exchange student, shall comply with the applicable four-year college transfer requirements set forth in Bylaw 14.5.5. *(Revised: 4/18/24)*

14.5.1.3.1 Bona Fide International Exchange Student Exception. A bona fide international exchange student is an individual who is sponsored by the government of the student's nation, or is sponsored by the U.S. Department of State, Rotary International, the Ford Foundation, the Institute of International Education or a similar organization. For a student to be considered a bona fide exchange student, the sponsoring organization shall identify the student prior to the student's departure from the student's home country and make the necessary arrangements to finance the student's education under the international exchange program. If these arrangements have not been completed before the student's enrollment at the certifying institution, the student is considered to be a transfer student and may not represent the institution in competition until the individual has satisfied the applicable four-year college transfer requirements (see Bylaw 14.5.5). *(Revised: 4/18/24)*

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution: *(Adopted: 1/10/90, Revised: 4/26/01, 4/14/03, 6/26/19 effective 8/1/19 applicable to full time enrollment in a regular term on or after 8/1/19, 4/18/24)*

(a) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;

(b) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution prior to attendance at the branch school;

(c) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;

(d) The student reported for a regular squad practice (including practice or conditioning activities that occur prior to certification per Bylaws 14.3.4.1 and 14.5.4.5.6), announced by the institution through any member of its athletics department staff, prior to the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular practice";

(e) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies; or

(f) The student received institutional financial aid while attending a summer term, summer school or summer-orientation program (see Bylaws 15.2.7.1.3 and 15.2.7.1.4). A recruited student who receives institutional aid pursuant to Bylaw 15.2.7.1.4 is subject to the transfer provisions, except that a prospective student-athlete (recruited or nonrecruited) who is denied admission to the institution for full-time enrollment shall be permitted to enroll at another institution without being considered a transfer student.

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

14.5.3.1 Summer School, Extension Courses or Night School. The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term, and the student is considered by the institution to be a regularly enrolled student.

14.5.3.2 Prospective Student-Athlete Attending Summer School Prior to Initial Full-Time Enrollment. A prospective student-athlete receiving financial aid to attend summer school prior to initial full-time enrollment who is denied admission to the institution for full-time enrollment. *(Adopted: 4/26/01)*

14.5.3.3 Branch School. The student has been enrolled in or attended classes only in a branch school, provided the branch school does not conduct an intercollegiate athletics program. If the branch school conducts an intercollegiate athletics program, the student shall not be considered a transfer only upon enrollment at the parent institution directly from the branch school. (For definition of "branch school," see Bylaw 14.02.2.)

14.5.3.4 Second Campus of Institution. The student is in residence at an institution's campus that is not in the same city as the institution's main campus, provided the campus at which the student is in residence does not conduct an intercollegiate athletics program, classes on the campus are taught by the same instructors who teach classes on the main campus, the credits received by all class enrollees are considered as regular credits by the institution's main campus, and the degrees awarded to all students come from the institution's main campus.

14.5.3.5 Academic Exchange Program. The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution, and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.

14.5.4 Two-Year College Transfers. A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program is eligible for competition if, at the time of transfer to the certifying institution (see Bylaw 14.5.2), the student meets the following eligibility requirements. *(Revised: 1/19/92, 4/14/10, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.1 Qualifier. A transfer student from a two-year college who was a qualifier (per Bylaw 14.3.1.1) is eligible for competition if, at the time of transfer to the certifying institution (see Bylaw 14.5.2), the student: *(Revised: 4/24/03 effective 8/1/03, 10/27/11 effective 8/1/12 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12, 6/28/17 effective 8/1/17 for certifications of eligibility for fall 2017 and thereafter, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

(a) Has spent at least one full-time semester or one full-time quarter of residence at the two-year college (excluding summer sessions); and

(b) Has presented a minimum grade-point average of 2.000 (see Bylaw 14.5.4.5.3.2).

14.5.4.1.1 Baseball, Basketball and Softball -- Midyear Enrollee. In baseball, basketball and softball, a qualifier who satisfies the provisions of Bylaw 14.5.4.1, but initially enrolls at the certifying institution as a full-time student after the conclusion of the institution's first term of the academic year, shall not be eligible for competition until the ensuing academic year. *(Adopted: 4/27/00 effective 8/1/01, Revised: 3/10/04, 4/26/07 effective 8/1/08, 1/12/23 effective 8/1/23)*

14.5.4.2 Not a Qualifier. A transfer student from a two-year college who was not a qualifier (per Bylaw 14.3.1.1) is eligible for institutional financial aid, practice and competition if, at the time of transfer to the certifying institution (see Bylaw 14.5.2), the student meets the following requirements: *(Revised: 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

(a) Has graduated from the two-year college;

(b) Has completed satisfactorily a minimum of six-semester or eight-quarter hours of transferable English credit, three semester or four quarter hours of transferable math or quantitative reasoning (or equivalent math/quantitative reasoning) credit and three semester or four quarter hours of transferable natural/physical science credit; and

(c) Has achieved a cumulative grade-point average of 2.000 (see Bylaw 14.5.4.6.3.2).

14.5.4.2.1 Eligibility for Financial Aid and Practice . A transfer student from a two-year college who was not a qualifer (per Bylaw 14.3.1.1) is eligible for institutional financial aid and practice if the student meets the requirements set forth in Bylaws 14.4.3.1.2 and 14.4.3.2 (if applicable). *(Revised: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16, 1/22/20 effective 8/1/20 for incoming two-year college transfer student-athletes initially enrolling full-time at the certifying institution on or after 8/1/20, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.2.2 Status as Nonqualifier. A prospective student-athlete who does not graduate from high school before enrolling as a regular student in a two-year college may not transfer work back to the high school, graduate from the high school and establish initial eligibility at a member institution on the basis of the revised high school record. Such a student is considered to be a two-year college transfer who was not a qualifier. *(Revised: 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.2.3 Not a Qualifier, Nonrecruited. A two-year college student-athlete who transferred to a Division I institution without meeting the requirements of Bylaw 14.5.4.2 shall not be eligible for regular-season competition and practice. However, such a student who was not recruited per Bylaw 13.02.15.1 and for whom admission and financial aid were granted without regard to athletics ability shall be eligible for nonathletics institutional financial aid. *(Revised: 1/23/19, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.2.4 Baseball, Basketball and Softball -- Midyear Enrollee. In baseball, basketball and softball, a student who was not a qualifier (per Bylaw 14.3.1.1) who satisfies the provisions of Bylaw 14.5.4.2, but initially enrolls at a certifying institution as a full-time student after the conclusion of the institution's first term of the academic year, shall not be eligible for competition until the ensuing academic year. *(Adopted: 4/27/00 effective 8/1/01, Revised: 3/10/04, 6/1/06, 4/26/07 effective 8/1/08, 1/12/23 effective 8/1/23, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.3 Regaining Eligibility. For purposes of Bylaws 14.5.4.1, 14.5.4.2 and 14.5.4.2.1, a two-year college transfer student-athlete who does not meet the applicable requirements at the time of transfer may become eligible to receive institutional financial aid, practice and compete at the certifying institution after the conclusion of the first regular term following transfer (consistent with Bylaw 14.4.3.4) by successfully meeting all applicable progress-toward-degree requirements at the certifying institution. *(Adopted: 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.4 4-2-4 College Transfers. A student who transfers from a four-year college to a two-year college and then to the certifying institution shall meet the applicable requirements for a two-year college transfer based on the student's academic initial-eligibility status (see Bylaws 14.5.4.1 and 14.5.4.2) and two-year college record earned following transfer from the four-year college most recently attended. *(Revised: 1/10/90, 2/16/00, 1/9/06 effective 8/1/06, 10/27/11 effective 8/1/12, 3/27/18, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.5 Two-Year College Transfer Regulations. The following regulations shall be applied in administering the eligibility requirements for two-year college transfers.

14.5.4.5.1 Multiple Two-Year Colleges. If a student-athlete has been in residence at two or more two-year colleges all grades and all course credits that are transferable from the two-year colleges to the certifying institution shall be considered in determining the student-athlete's eligibility under Bylaw 14.5.4 . In addition, at least 25 percent of the credit hours used to fulfill the student's academic degree requirements must be earned at the two-year college that awards the degree. *(Revised: 1/11/94, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.5.2 Credit Earned at Four-Year Institution. If a student-athlete attends a two-year college and, prior to regular enrollment at a member institution, attains additional credits as a part-time student in a four-year collegiate institution, the hours accumulated at the four-year institution may be used by the member institution in determining the student-athlete's eligibility under the two-year college transfer provisions, provided: *(Revised: 4/28/14)*

(a) The hours are accepted by the two-year college and are placed on the transcript by the two-year college from which the student-athlete transfers prior to the date of initial regular enrollment at the NCAA member institution; or

(b) The hours are accepted by the two-year college and are placed on any other official document (other than the student's transcript) used by the two-year college for this purpose prior to the date of initial regular enrollment at the NCAA member institution. Such a document must include the official seal of the two-year college, be signed by the appropriate academic official of the two-year college and be forwarded directly from the two-year college to the appropriate admissions official of the certifying institution.

14.5.4.5.3 Determination of Transferable Degree Credit. For the purpose of determining transferable degree credit, the institution may count those courses accepted as degree credit in any of its colleges, schools or departments.

14.5.4.5.3.1 Transferable Credit, Unacceptable Grade. Credit hours for courses with grades not considered acceptable for transferable degree credit for all students at an institution shall not be counted in determining whether the transfer requirement for total number of hours is satisfied.

14.5.4.5.3.2 Calculation of Grade-Point Average for Transferable Credit. Grades earned in all courses that are normally transferable to an institution shall be considered in determining the qualitative grade-point average for meeting transfer requirements, regardless of the grade earned or whether such grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated shall be included in the grade-point-average calculation.

14.5.4.5.4 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the grade-point average requirement. However, a student-athlete enrolling in a physical education degree program or a degree program in education that requires physical education activity courses may use up to the minimum number of credits of physical education activity courses that are required for the specific degree program to fulfill the grade-point average requirement. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. *(Adopted: 1/16/10 effective 8/1/10, Revised: 4/13/10, 10/27/11 effective 8/1/12, 6/24/26 for certifications of eligibility for fall 2026 and thereafter)*

14.5.4.5.5 Degree Requirement. In order to satisfy the two-year-college graduation requirement for eligibility immediately upon transfer from a two-year college to a member institution, a student-athlete must receive an associate or equivalent degree in an academic or technical, rather than a vocational, curriculum. The Academic Eligibility Subcommittee shall have the authority to determine whether a two-year college degree is academic or technical, rather than vocational, in nature. *(Revised: 1/10/95, 1/12/99 effective 8/1/99, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 8/5/25 effective 11/1/25)*

14.5.4.5.6 Participation Prior to Certification. If a two-year college transfer student reports for athletics participation or initial enrollment at the certifying institution before the student's high school or two-year college academic record has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution may provide athletically related financial aid to the student during this period, provided the student meets all other requirements to receive athletically related financial aid. After the 45-day period, the student shall have established minimum requirements as a transfer student to continue practicing, to continue receiving athletically related financial aid or to compete. *(Adopted: 1/10/90, Revised: 9/18/07, 1/19/13 effective 8/1/13, 6/30/22 effective 8/1/22)*

14.5.4.5.7 Competition in Year of Transfer. A transfer student from a two-year institution, who has met the two-year transfer eligibility requirements per Bylaw 14.5.4, is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed at the two-year college during that segment of the same academic year in the same sport. *(Revised: 1/11/94, 4/29/04 effective 8/1/04)*

14.5.4.6 Waivers. The Academic Eligibility Subcommittee shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal

application of those regulations. The subcommittee shall establish the process for granting such waivers and shall report annually to the Cabinet and to the membership the actions taken in summary aggregate form. *(Adopted: 10/27/11 effective 4/1/12, Revised: 8/7/14, 8/5/25 effective 11/1/25, 10/22/25)*

14.5.5 Four-Year College Transfers. An undergraduate transfer student from a four-year institution is eligible for competition if at the time of transfer to the certifying institution (see Bylaw 14.5.2), the student would have been academically eligible to compete had the student remained at the institution where the student most recently attended class during a regular term as a full-time student, except that the student is not required to have fulfilled percentage-of-degree requirements at the previous institution. *(Revised: 4/18/24)*

14.5.5.1 Regaining Eligibility. For purposes of Bylaw 14.5.5, an undergraduate transfer student-athlete who was not academically eligible at the previous institution at the time of transfer may become eligible to compete at the certifying institution after the conclusion of the first regular term following transfer (consistent with Bylaw 14.4.3.4) by successfully meeting all applicable progress-toward-degree requirements at the certifying institution. *(Revised: 1/10/91 effective 8/1/91, 4/14/10, 4/18/24)*

14.5.5.1.1 Exception -- Baseball. In baseball, a transfer student-athlete who fails to meet the applicable requirements of Bylaw 14.4.3 to be eligible for an institution's fall term shall not be eligible until the following academic year. *(Revised: 1/9/06 effective 8/1/07, 4/18/24)*

14.5.5.2 Competition in Year of Transfer. A transfer student from a four-year institution who satisfies the applicable four-year college transfer requirements (see Bylaw 14.5.5) shall not be eligible for competition in which the student-athlete's performance could be used for NCAA championship qualification or consideration if the student-athlete participated in competition at the previous four-year institution in the same sport in which the student-athlete's performance could have been used for NCAA championship qualification or consideration. *(Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 4/29/04 effective 8/1/04, 5/1/19 effective 8/1/19, 4/18/24)*

14.5.5.2.1 Receipt of Athletically Related Financial Aid in Year of Transfer -- Tennis. In tennis, in addition to the application of Bylaw 14.5.5.2, a transfer student from a four-year institution who enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and satisfies the applicable four-year college transfer requirements (see Bylaw 14.5.5) shall not be eligible for competition until the following academic year if the student has received athletically related financial aid during the same academic year from the previous four-year institution. *(Adopted: 1/17/09 effective 8/1/10, Revised: 1/16/10 effective 8/1/10, 5/1/19 effective 8/1/19, 4/18/24)*

14.5.5.3 Eligibility for Institutional Athletically Related Financial Aid. A transfer student from a four-year institution may receive institutional athletically related financial aid during the first academic year at the certifying institution only if the student-athlete would have been academically eligible to compete during the next regular academic term had the student-athlete remained at the previous institution. A student-athlete who transfers from a four-year institution to a two-year institution and then to the certifying institution shall complete at least one regular academic term of enrollment at the two-year institution to be eligible for institutional athletically related financial aid at the certifying institution. *(Adopted: 1/9/06 effective 8/1/07, Revised: 1/8/07 effective 8/1/07)*

14.5.5.3.1 Exceptions. A four-year transfer student-athlete may receive institutional athletically related financial aid during the first academic year at the certifying institution, provided: *(Adopted: 9/18/07)*

(a) The student-athlete transferred from a four-year institution that did not sponsor the student-athlete's sport on the intercollegiate level while the student-athlete was in attendance and the student-athlete did not previously transfer from any other collegiate institution that offered intercollegiate competition in the sport; or

(b) The student-athlete has not participated in intercollegiate competition and has not engaged in other countable athletically related activities in the sport beyond a 14-consecutive-day period.

14.5.5.4 Baseball, Basketball and Softball -- Midyear Enrollee. In baseball, basketball and softball, a student-athlete who initially enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and satisfies the applicable four-year college transfer requirements (see Bylaw 14.5.5) shall not be eligible for competition until the ensuing academic year. (See Bylaw 14.6.1 for the application to postgraduate transfer student-athletes.) *(Adopted: 6/24/09, Revised: 4/26/17 effective 8/1/17, 1/12/23 effective 8/1/23, 4/18/24)*

14.5.5.4.1 Return to Original Institution Exception -- Basketball. In basketball, a midyear four-year college transfer student who transfers to a second four-year collegiate institution, does not compete at the second institution and does not engage in other countable athletically related activities in the involved sport at the second institution beyond a 14-consecutive-day period and returns to the original institution is not subject to the restriction in Bylaw

14.5.5.4. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). *(Adopted: 6/24/09, Revised: 4/18/24)*

14.6 Postgraduate Student Participation. A student-athlete who has previously received a baccalaureate degree may participate in intercollegiate athletics provided the student: *(Revised: 1/10/90, 1/16/93 effective 8/1/93, 7/31/14, 4/18/24)*

(a) Is enrolled in a graduate or professional school, a second baccalaureate or equivalent degree, or is continuing as a full-time student while taking course work that would lead to the equivalent of another major, degree or certificate program as defined and documented by the institution (see Bylaw 14.6.3);

(b) Has eligibility remaining and such participation occurs within the applicable five-year period set forth in Bylaw 12.6; and

(c) If the student initially enrolls at the certifying institution after attending a regular academic term as a full-time postgraduate student at another institution, the student would have been academically eligible to compete had the student remained at the institution where the student most recently attended class during a regular term as a full-time student.

14.6.1 Baseball, Basketball and Softball -- Midyear Enrollee. In baseball, basketball and softball, a postgraduate transfer student-athlete who initially enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year may be immediately eligible for competition, provided the student-athlete satisfies all other applicable eligibility requirements for postgraduate student-athletes (see Bylaw 14.6.2). *(Adopted: 4/26/17 effective 8/1/17, Revised: 5/19/22 effective 8/1/22, 1/12/23 effective 8/1/23, 4/18/24, 10/27/26)*

14.6.6 Disciplinary Suspension. A postgraduate student who transfers to the certifying institution while disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution before the student may be eligible for competition. *(Adopted: 4/15/14, Revised: 7/31/14, 4/18/24)*

Academic Integrity Analysis

Financial Aid

15.01 General Principles.

15.01.1 Financial Aid Permitted. A student-athlete may receive financial aid up to the recipient's educational expenses while attending a member institution (see Bylaws 15.02.1, 15.02.4 and 15.1). A student-athlete who receives financial aid other than that administered by the student-athlete's institution shall not be eligible for intercollegiate athletics competition, unless it is: *(Revised: 5/26/09, 6/6/25 effective 7/1/25, 5/5/26)*

(a) Financial aid received from anyone upon whom the student-athlete is naturally or legally dependent;

(b) Financial aid awarded solely on bases having no relationship to athletics ability;

(c) Financial aid from an established and continuing scholarship program; or

(d) Educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country) disbursed through the member institution.

15.01.1.1 Financial Aid to Attend Another Institution. An institution may not provide financial aid to a student-athlete to attend another institution, except as specifically authorized by NCAA legislation. An institution may not provide a student-athlete with financial aid to attend a summer session at a branch campus of the institution. *(Adopted: 1/16/93, Revised: 6/6/25 effective 7/1/25)*

15.01.1.1.1 Exception -- Scholarship to Attend Vocational School. A conference or an institution may provide a scholarship to a student-athlete to attend a vocational school. Such a scholarship may be provided in addition to a full grant-in-aid and shall not be limited. *(Adopted: 8/12/20, Revised: 10/6/21)*

15.01.2 Improper Financial Aid. Any student-athlete who receives financial aid other than that permitted by the Association shall not be eligible for intercollegiate athletics.

15.01.3 Contributions by Donor. An individual may contribute funds to finance an institutional scholarship or grant-in-aid for a particular sport, but the decision as to how such funds are to be allocated in the sport shall rest exclusively with the institution. It is not permissible for a donor to contribute funds to finance a scholarship or grant-in-aid for a particular student-athlete. *(Revised: 6/6/25 effective 7/1/25)*

15.01.4 Eligibility of Student-Athletes for Institutional Financial Aid. A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid. If these regulations are met, the student-athlete may be awarded institutional financial aid during any term in which a student-athlete is in regular attendance [was enrolled initially in a minimum full-time program of studies as defined by the certifying institution during that term (see Bylaw 14.2.2.1.3 for final term exception, Bylaw 14.2.2.1.4 for final term before experiential learning requirement exception and Bylaw 15.2.7 for summer-term exception)] under the following circumstances: *(Revised: 6/8/99, 1/9/06 effective 8/1/07, 10/27/11, 5/16/18)*

(a) The student-athlete is an undergraduate with eligibility remaining under Bylaw 12.6 (five-year rule); or

(b) The student-athlete is a graduate student eligible under Bylaw 14.6.

[Note: See Bylaw 14.5.5.3 for financial aid implications related to the academic eligibility of four-year college transfers.]

15.01.4.1 Exception -- Part-Time Enrollment After Exhausted Eligibility. An institution may provide financial aid to a student-athlete who has exhausted eligibility in the student-athlete's sport and is enrolled in less than a minimum full-time program of studies, provided: *(Adopted: 1/15/11 effective 8/1/11)*

(a) The student-athlete is carrying for credit the courses necessary to complete degree requirements; or

(b) The student-athlete is carrying for credit all the degree-applicable courses necessary to complete degree requirements that are offered by the institution during that term.

15.01.4.2 Exception -- Former Student-Athletes. [A] Institutional financial aid may be awarded to a former student-athlete for any term during which the individual is enrolled (full time or part time). *(Adopted: 10/27/11, Revised: 8/7/14)*

15.01.4.2.1 Degree-Completion Program. [A] An institution that provides athletically related financial aid to student-athletes shall provide, at a minimum, tuition and fees, and course-related books to a former student-athlete who requests financial aid to complete the individual's first baccalaureate degree, provided: *(Adopted: 8/8/18 effective 8/1/19, Revised: 4/26/23 effective 8/1/24)*

(a) The former student-athlete received athletically related financial aid in basketball, football, women's gymnastics, women's tennis or women's volleyball, or received athletically related financial aid that resulted in the student-athlete receiving (through athletics aid and other aid combined) the value of full tuition and fees, living expenses and required course-related books while previously enrolled in a regular term at the institution;

(b) Fewer than 10 years have elapsed since the former student-athlete's departure from the institution;

(c) The former student-athlete's most recent enrollment as a full-time student occurred at the institution;

(d) The former student-athlete was previously enrolled as a full-time student at the institution for a minimum of two academic years (four semesters or six quarters);

(e) The former student-athlete meets all institutional admissions and financial aid requirements;

(f) The former student-athlete has exhausted other available degree completion funding options (e.g., funds from a professional league or contract); and

(g) The former student-athlete is in good academic standing at the institution and meets NCAA and institutional progress-toward-degree requirements. This requirement applies to initial and continuing eligibility for degree completion funds.

15.01.4.3 Exception -- Former Student-Athletes -- Other Institutions. [A] A conference or an institution may provide a post-eligibility scholarship to a former student-athlete to complete an undergraduate or graduate degree at any school. Such a scholarship may be provided in addition to a full grant-in-aid and shall not be limited. *(Adopted: 8/12/20, Revised: 10/6/21)*

15.01.4.4 Effect of Violation of Conference Rule. A violation of Bylaw 15.01.4 that relates only to a conference rule shall be considered an institutional violation per Bylaw 8.01.3; however, such a violation shall not affect the student-athlete's eligibility. *(Adopted: 10/27/06)*

15.01.5 Maximum Institutional Financial Aid to Individual. [A] An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution (see Bylaw 15.1), except as specifically authorized by NCAA legislation. *(Revised: 4/29/04 effective 8/1/04, 8/12/20)*

15.01.5.1 Student Assistance Fund. The receipt of money from the NCAA Student Assistance Fund for student-athletes is not included in determining the permissible amount of financial aid that a member institution may award to a student-athlete. Member institutions and conferences shall not use money received from the fund to finance salaries and benefits; tuition and fees, living expenses, and required course-related books during a regular term (other than summer school) for student-athletes with remaining eligibility; capital improvements; stipends; competition-related travel expenses for student-athletes who are ineligible for competition (e.g., nonqualifier, transfer student-athlete); and outside athletics development opportunities (e.g., participation in a sports camp or clinic, private sports-related instruction, greens fees, batting cage rental, outside foreign tour expenses) for current student-athletes with remaining eligibility. *(Adopted: 4/24/03, Revised: 1/8/07, 2/24/12, 1/17/15 effective 8/1/15, 10/5/16, 3/28/17, 7/31/23)*

15.02 Definitions and Applications.

15.02.1 Administered By. Financial aid is administered by an institution if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

15.02.2 Cost of Attendance. The "cost of attendance" is an amount calculated by an institutional financial aid office, using federal regulations, that includes the total cost of tuition and fees, living expenses, books and supplies, transportation, and other expenses related to attendance at the institution. *(Adopted: 1/11/94, Revised: 7/31/23)*

15.02.2.1 Calculation of Cost of Attendance. An institution must calculate the cost of attendance for student-athletes in accordance with the cost-of-attendance policies and procedures that are used for students in general. Accordingly, if an institution's policy allows for students' direct and indirect costs (e.g., tuition, fees, living expenses, books, supplies, transportation, child care, miscellaneous personal expenses) to be adjusted on an individual basis from the institution's standard cost figure, it is permissible to make the same adjustment for student-athletes, provided the adjustment is documented and is available on an equitable basis to all students with similar circumstances who request an adjustment. *(Adopted: 1/11/94, Revised: 7/31/23)*

15.02.2.2 Exclusions from Cost of Attendance. Government grants listed in Bylaw 15.2.5.1 shall not be included when determining the cost of attendance for a student-athlete. *(Adopted: 6/6/25 effective 7/1/25)*

15.02.3 Family Member. A family member is an individual with any of the following relationships to the prospective student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the prospective student-athlete is the practical equivalent of a family relationship. *(Adopted: 4/25/18)*

15.02.4 Financial Aid. "Financial aid" is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. *(Revised: 5/26/09, 6/6/25 effective 7/1/25)*

15.02.4.1 Athletically Related Financial Aid. Athletically related financial aid is financial aid that is awarded on any basis that is related to athletics ability, participation or achievement. If an application process specifically requests athletics participation or achievements as criteria for consideration in determining whether an applicant receives financial aid, aid received pursuant to such a process is athletically related financial aid. *(Adopted: 1/18/14 effective 8/1/14)*

15.02.4.2 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid: *(Revised: 1/11/94 effective 8/1/94, 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 10/31/02 effective 8/1/03, 1/15/11 effective 8/1/11, 5/5/26)*

(a) All funds administered by the institution, which include but are not limited to the following:

(1) Scholarships;

(2) Grants;

(3) Tuition waivers;

(4) Employee dependent tuition benefits; and

(5) Loans.

(b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

15.02.5 Full Grant-in-Aid. [A] A full grant-in-aid is financial aid that consists of tuition and fees, living expenses, books and other expenses related to attendance at the institution up to the cost of attendance established pursuant to Bylaws 15.02.2 and 15.02.2.1. *(Revised: 8/7/14, 1/17/15 effective 8/1/15)*

15.02.6 Period of Award. The period of award begins when the student-athlete receives any benefits as a part of the student's grant-in-aid on the first day of classes for a particular academic term, or the first day of practice, whichever is earlier, and continues until the conclusion of the period set forth in the financial aid agreement. The period of award may include summer terms or academic year interim terms (e.g., mini-term, J-term) at the certifying institution. The period of award of a multiyear grant-in-aid awarded to an individual may include one or more academic years of no athletically related financial aid after the first academic year in which athletically related aid is provided, including the final year of the award (e.g., 50 percent in year one, zero percent in year two, 50 percent in year three; 50 percent in year one, zero percent in year two, zero percent in year three). An athletics grant-in-aid shall not be awarded in excess of the student-athlete's five-year period of eligibility. *(Revised: 10/27/11, 9/29/15, 11/14/22, 1/11/23, 6/6/25 effective 7/1/25)*

15.1 Maximum Limit on Financial Aid -- Individual. [A]

A student-athlete shall not be eligible to participate in intercollegiate athletics if the student-athlete receives financial aid that exceeds the value of the cost of attendance as defined in Bylaw 15.02.2, including summer terms and academic year interim terms (e.g., mini-term, J-term). *(Revised: 4/29/04 effective 8/1/04, 5/26/09, 1/15/11 effective 8/1/11, 8/7/14, 6/6/25 effective 7/1/25)*

15.1.1 Exception for Pell Grant. [A] A student-athlete who receives a Pell Grant may receive financial aid equivalent to the limitation set forth in Bylaw 15.1 or the value of a full grant-in-aid plus the Pell Grant, whichever is greater. *(Adopted: 4/29/04 effective 8/1/04, Revised: 8/7/14)*

15.1.2 Types of Aid Included in Limit. In determining whether a student-athlete's financial aid exceeds the cost of attendance, all institutional financial aid (per Bylaw 15.02.4.2) and all funds received from the following and similar sources shall be included (see Bylaws 15.02.5.4, 15.02.5.5 and 15.02.5.6 for types of financial aid that are exempt from a student-athlete's individual limit): *(Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 10/31/02 effective 8/1/03, 4/29/04 effective 8/1/04, 10/17/19)*

(f) **Loans.** Loans, except legitimate loans that are based upon a regular repayment schedule, available to all students and administered on the same basis for all students.

15.1.3 Reduction When Excess Aid Is Awarded. In the event that a student-athlete's financial aid from the sources listed in Bylaw 15.1.2, which includes institutional financial aid, will exceed the cost of attendance for the balance of the academic year, the institution shall reduce institutional financial aid so as not to exceed the cost of attendance. Payments credited to a student-athlete's account that are not refundable by the institution to the scholarship office or other appropriate institutional agency shall not become the student's obligation. *(Revised: 4/29/04 effective 8/1/04)*

15.2 Elements of Financial Aid.

15.2.1 Tuition and Fees. An institution may provide a student-athlete financial aid that includes the actual cost of tuition and institutional fees. *(Revised: 6/6/25 effective 7/1/25)*

15.2.2 Living Expenses. An institution may provide a student-athlete financial aid that includes the cost of housing and food, based on the official allowance for housing as listed in the institution's official publication (e.g., catalog) and a food allowance that consists of three meals per day or the institution's maximum meal plan that is available to all students, whichever is greater. *(Revised: 10/28/99 effective 8/1/00, 1/18/14 effective 8/1/14, 7/31/23)*

15.2.2.1 Living Expenses Stipend. An institution may provide the student-athlete an amount equal to the institution's official on-campus housing allowance, the average of the housing costs of all of its students living on campus or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students. The institution also may provide the student-athlete an amount that is equivalent to the value of the maximum meal plan that is available to all students or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students. *(Revised: 1/10/92, 11/12/97, 10/28/99 effective 8/1/00, 4/27/06 effective 8/1/06, 1/18/14 effective 8/1/14, 8/3/22, 7/31/23)*

15.2.2.1.1 Determination of Off-Campus Housing Rates. An institution with several official on-campus housing rates may use the average of the room cost for all students living on campus (based on a weighted average for all students who reside in on-campus facilities) or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students. *(Revised: 11/12/97, 4/27/06 effective 8/1/06, 7/31/23)*

15.2.2.1.2 Institution With No On-Campus Housing and Meal Facilities. If an institution does not provide an official dollar amount for living expenses and does not have on-campus student housing and meal facilities, the figure provided to student-athletes for off-campus student living expenses shall be the amount determined by the institution's office of financial aid as being commensurate with the average cost a student at that institution normally would incur living and eating in off-campus facilities. *(Revised: 11/12/97, 7/31/23)*

15.2.2.1.3 Married Student Housing. Married student-athletes who live in noninstitutional housing are permitted to receive the same living expenses allowance that is provided to married students with on-campus housing. If the institution does not provide on-campus housing and meal facilities for married students but has other on-campus dormitory facilities, it must use the provisions of Bylaw 15.2.2.1 in determining the amount of living expenses a married student-athlete who lives in noninstitutional facilities may receive. *(Adopted: 1/10/92, Revised: 7/31/23)*

15.2.2.1.4 Cost-Free Apartment. It is permissible for the institution to arrange for a cost-free, off-campus apartment rather than to give a student-athlete an amount equal to the institution's official housing allowance or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students, provided the apartment is not rented by the institution at a reduced rate. However, if the actual rental rate is more than the institutional housing allowance, the student-athlete shall pay the additional amount from the student-athlete's own resources. *(Revised: 4/27/06 effective 8/1/06, 7/31/23)*

15.2.2.2 Facility Designated by Institution. It is permissible for the institution to require a grant-in-aid recipient to obtain housing and food in a facility designated by the institution, provided the requirement is contained in the written statement outlining the amount, duration, conditions and terms of the financial aid agreement (see Bylaw 15.3.2.2). *(Revised: 7/31/23)*

15.2.2.3 Food Stamps. A grant-in-aid recipient who lives and eats off campus may use the money provided for food to obtain governmental food stamps, provided the stamps are available to the student body in general. Additionally, the

student-athlete must be eligible for such stamps without any special arrangements on the part of athletics department personnel or representatives of the institution's athletics interests. *(Revised: 7/31/23)*

15.2.3 Books. A member institution may provide a student-athlete financial aid that covers the actual cost of required course-related books. **[R]** *(Revised: 4/24/03 effective 8/1/03)*

15.2.3.1 Dollar Limit. There is no dollar limit for books a student-athlete may receive, provided each book is required for a course in which the student-athlete is enrolled. The institution may provide the student-athlete with cash to purchase books, as long as the amount of cash provided is equal to the actual cost of the books purchased. **[R]** *(Revised: 4/24/03 effective 8/1/03)*

15.2.4 Other Expenses Related to Attendance. An institution may provide a student-athlete financial aid that covers other expenses related to attendance in combination with other permissible elements of financial aid (per Bylaw 15.2) up to the cost of attendance (see Bylaws 15.02.2 and 15.1). *(Adopted: 4/29/04 effective 8/1/04, Revised: 5/26/09, 6/6/25 effective 7/1/25)*

15.2.5 Government Grants. Government grants for educational purposes shall be included when determining the permissible amount of the cost of attendance for a student-athlete, except for those listed in Bylaw 15.2.5.1. *(Revised: 1/11/89, 4/29/04 effective 8/1/04, 4/21/05)*

(a) The student-athlete has satisfied progress-toward-degree requirements and, thus, would be eligible for competition for the succeeding year (the student-athlete must have successfully satisfied the applicable requirements of Bylaw 14.4.3 and be in good academic standing at the institution); and

(b) The student-athlete has been awarded athletically related financial aid for the succeeding academic year.

15.2.7.1.3 Prior to Initial, Full-Time Collegiate Enrollment -- Institutional Nonathletics Aid. The following conditions apply to the awarding of institutional nonathletics financial aid to a prospective student-athlete to attend an institution in the summer prior to the prospective student-athlete's initial, full-time collegiate enrollment: **[D]** *(Revised: 1/10/90, 1/10/92, 4/26/01, 3/10/04, 4/29/04, 1/10/05 effective 5/1/05, 3/4/05, 1/15/11 effective 8/1/11, 1/14/12, 1/18/14 effective 8/1/14)*

(e) Summer coursework is not used for the purpose of completing initial eligibility, transfer eligibility or progress-toward-degree requirements other than percentage-of-degree requirements per Bylaw 14.4.3.2. However, the hours earned during the summer prior to initial, full-time enrollment at the certifying institution may be used to satisfy the applicable progress-toward-degree requirements in following years (see Bylaw 14.4.3).

15.3 Terms and Conditions of Awarding Institutional Financial Aid. [A]

15.3.1 Eligibility of Student-Athletes for Financial Aid. [A] Institutional financial aid may be awarded for any term during which a student-athlete is in regular attendance as an undergraduate with eligibility remaining under Bylaw 12.6, or as a graduate eligible under Bylaw 14.6. *(Revised: 10/27/11, 8/7/14)*

15.3.1.1 Applicable Requirements. [A] A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid (see Bylaws 15.01.4 and 15.01.5). A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Bylaw 8.01.3; however, such a violation shall not affect the student-athlete's eligibility. *(Revised: 10/27/06, 8/7/14)*

15.3.1.2 Withdrawal From Institution. [A] A student-athlete who withdraws from the institution may not receive financial aid during the remainder of the term. *(Revised: 8/7/14)*

15.3.1.3 Retroactive Financial Aid. [A] Institutional financial aid awarded to an enrolled student-athlete after the first day of classes in any term may be made retroactive to the beginning of that academic year. *(Revised: 8/7/14, 1/20/17 effective 8/1/17)*

15.3.2 Terms of Institutional Financial Aid Award. [A]

15.3.2.1 Physical Condition of Student-Athlete. [A] Financial aid awarded to a prospective student-athlete may not be conditioned on the recipient reporting in satisfactory physical condition. If a student-athlete has been accepted for admission and awarded financial aid, the institution shall be committed for the term of the original award, even if the student-athlete's physical condition prevents participation in intercollegiate athletics. *(Revised: 8/7/14)*

15.3.2.2 Written Statement Requirement. [A] The institutional agency making a financial aid award for a regular academic year or multiple regular academic years shall give the recipient a written statement of the amount, duration, conditions and terms of the award. The chair of the regular committee or other agency for the awarding of financial aid to students generally, or the chair's official designee, shall sign or electronically authorize (e.g., electronic signature) the written

statement. The signature of the athletics director, attesting to the committee's award, does not satisfy this requirement. *(Revised: 3/10/04, 7/26/12, 8/7/14)*

15.3.2.3 Hearing Opportunity. [A] The institution's regular financial aid authority shall notify the student-athlete in writing of the opportunity for a hearing when institutional financial aid based in any degree on athletics ability is to be reduced or canceled during the period of the award, or is reduced or not renewed for the following academic year or years. The institution shall have established reasonable procedures for promptly hearing such a request and shall not delegate the responsibility for conducting the hearing to the university's athletics department or its faculty athletics committee. The written notification of the opportunity for a hearing shall include a copy of the institution's established policies and procedures for conducting the required hearing, including the deadline by which a student-athlete must request such a hearing. *(Revised: 1/9/06 effective 8/1/06, 4/3/07, 4/23/08, 8/7/14)*

15.3.2.3.1 Reduction of a Multiyear Award. [A] A reduction of a multiyear award shall occur if the renewal period is for fewer years than the original agreement, unless the renewal includes the remaining years of the student-athlete's eligibility in all sports (e.g., five-year period of eligibility) or if the average amount of aid provided per year in the renewal is less than the average amount of aid provided per year in the original agreement, including any increases during the period of the original award. *(Adopted: 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, Revised: 8/7/14)*

15.3.2.3.2 Athletics Department Staff as Member of Committee. [A] An institution's athletics department staff member may be a member of a committee (other than an athletics department or faculty athletics committee) that conducts hearings related to the nonrenewal or reduction of a student-athlete's financial aid. Under such circumstances, the athletics department staff member must be a standing member of the committee and may not serve as a member of a committee only for a specific student-athlete's hearing. *(Adopted: 4/3/07, Revised: 8/7/14)*

15.3.2.4 Release of Obligation to Provide Athletically Related Financial Aid. [A] If a prospective student-athlete or student-athlete is awarded institutional financial aid unrelated to athletics that is equal to or greater than the amount of the individual's signed award of athletically related financial aid for the specific academic year, the prospective student-athlete or student-athlete may, on the individual's initiative, release the institution of its obligation to provide the athletically related financial aid for that academic year. *(Adopted: 1/15/11 effective 8/1/11, Revised: 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 1/15/16 effective 8/1/16, 6/10/16, 6/12/19, 6/6/25 effective 7/1/25)*

15.3.3 Period of Institutional Financial Aid Award. [A]

15.3.3.1 Period of Award. [A] If a student's athletics ability is considered in any degree in awarding financial aid, such aid shall neither be awarded for a period less than one academic year nor for a period that would exceed the student's five-year period of eligibility (see Bylaws 12.6 and 15.01.4). One-year grants-in-aid shall be awarded (as set forth in the written statement per Bylaw 15.3.2.2) in equal amounts for each term of the academic year. (See Bylaw 15.02.6.) *(Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 9/29/15)*

15.3.3.1.1 One-Year Period. [A] An institution may award athletically related financial aid to a student-athlete for a period of less than one academic year only under the following circumstances: *(Adopted: 4/27/06 effective 8/1/06, Revised: 5/9/06, 4/24/08 effective 8/1/08, 5/19/09, 1/15/11 effective 8/1/11, 8/7/14, 1/15/16 effective 8/1/16, 6/6/25 effective 7/1/25)*

(a) **Midyear Enrollment.** A student-athlete whose first full-time attendance at the certifying institution during a particular academic year occurs at midyear (e.g., the beginning of the second semester or second or third quarter of an academic year) may receive a financial aid award for the remainder of that academic year.

(b) **Final Semester/Quarter.** A student-athlete may receive athletically related financial aid for less than one academic year, provided the student is in the final semester or final two quarters of the student's degree program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements.

(c) **Graduated During Previous Academic Year and Will Exhaust Eligibility During the Following Fall Term.** A student-athlete who graduated during the previous academic year (including summer) and will exhaust athletics eligibility during the following fall term may be awarded athletically related financial aid for less than one academic year.

(d) **One-Time Exception.** One time during a recruited student-athlete's enrollment at the certifying institution the student-athlete may be awarded athletics aid for less than a full academic year, provided the student-athlete has been enrolled full time at the certifying institution for at least one regular academic term and has not previously received athletically related financial aid from the certifying institution.

(e) **Nonrecruited Student-Athlete Exception.** At any time during a student-athlete's enrollment at the certifying institution, the student-athlete may be awarded athletics aid for less than a full academic year, provided the student-athlete has been enrolled full time at the certifying institution for at least one regular academic term and was not recruited by the certifying institution.

(f) **Eligibility Exhausted.** A student-athlete who has exhausted eligibility may receive athletically related financial aid for less than one academic year. If an institution awards aid under this provision, the institutional financial aid agreement shall include specific nonathletically related conditions (e.g., academic requirements) the student-athlete must satisfy in order for the aid to be renewed for the next academic term or terms. If the student-athlete satisfies the specified conditions, the institution shall award financial aid at the same amount for the next term or terms of the academic year. If the student-athlete does not satisfy the specified conditions, the student-athlete must be provided a hearing opportunity per Bylaw 15.3.2.3.

15.3.3.1.2 Effect of Violation. [A] A violation of Bylaw 15.3.3.1 in which financial aid is awarded for a period of less than one academic year shall be considered an institutional violation per Bylaw 8.01.3; however, the prospective student-athlete or student-athlete's eligibility shall not be affected. *(Adopted: 10/29/09, Revised: 8/7/14)*

15.3.3.2 Regular Academic Year vs. Summer Term. [A] An institution may award financial aid to a student-athlete for one or more academic years or, pursuant to the exceptions set forth in Bylaw 15.3.3.1.1, part of one academic year. An institution also may award financial aid for a summer term or summer-orientation period, provided the conditions of Bylaw 15.2.7 have been met. *(Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14)*

15.3.3.2.1 Summer Term as Additional Award. [A] It is necessary to make an additional award for a summer term; however, an institution is not required to provide the recipient with a written statement of the amount, duration, conditions or terms of the award. *(Revised: 10/27/11 effective 8/1/12, 7/26/12, 10/9/12, 8/7/14)*

15.3.4 Reduction, Cancellation or Nonrenewal of Institutional Financial Aid. [A] *(Revised: 11/14/22, 4/26/23 effective 8/1/24)*

15.3.4.1 Reduction, Cancellation or Nonrenewal Permitted. [A] Institutional financial aid based in any degree on athletics ability awarded to an individual who receives or is issued athletically related financial aid in the academic year of initial full-time enrollment at the certifying institution may be reduced or canceled during the period of the award or reduced or not renewed for the following academic year or years of the student-athlete's five-year period of eligibility if the recipient: *(Revised: 1/10/92, 1/11/94, 1/10/95, 1/9/96, 12/13/05, 9/11/07, 8/7/14, 1/17/15 effective 8/1/15, 6/19/18 effective 10/15/18, 11/14/22, 1/11/23, 6/6/25 effective 7/1/25)*

(a) Is rendered ineligible for intercollegiate competition based on the recipient's action or inaction;

(b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.3.4.1.2);

(c) Engages in serious misconduct warranting substantial disciplinary penalty, as determined by the institution's regular student disciplinary authority;

(d) Voluntarily (on the recipient's own initiative) withdraws from a sport at any time for personal reasons;

(e) Violates a nonathletically related condition outlined in the financial aid agreement or violates a documented institutional rule or policy (e.g., academics policies or standards, athletics department or team rules or policies); or

(f) Provides written notification of transfer (see Bylaw 13.1.1.4) to the institution or is provided a release of the contact prohibition associated with signing an athletics aid agreement (see Bylaw 13.1.1.2); however, the student-athlete's financial aid may not be reduced or canceled until the end of the regular academic term in which written notification of transfer is received. If a student-athlete provides written notification of transfer to the institution between regular academic terms (winter break, summer break) the institution may reduce or cancel the financial aid immediately.

15.3.4.1.1 Timing of Reduction or Cancellation. [A] Any reduction or cancellation of aid during the period of the award may occur only after the student-athlete has been provided an opportunity for a hearing per Bylaw 15.3.2.3. *(Adopted: 5/15/07, Revised: 4/23/08, 8/7/14)*

15.3.4.1.2 Fraudulent Misrepresentation. [A] If a student-athlete is awarded institutional financial aid on the basis of declaring intention to participate in a particular sport by signing a letter of intent, application or tender, action on the part of the grantee not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on the grantee's application, letter of intent or financial aid agreement. *(Revised: 1/11/94, 8/7/14, 1/17/15 effective 8/1/15)*

15.3.4.2 Reduction or Cancellation Not Permitted -- During the Period of the Award. [A] Institutional financial aid based in any degree on athletics ability may not be reduced or canceled during the period of its award: *(Adopted: 1/16/93, Revised: 1/11/94, 12/11/07, 1/14/08, 8/7/14, 1/17/15 effective 8/1/15)*

(a) On the basis of a student-athlete's athletics ability, performance or contribution to a team's success;

(b) Because of an injury, illness, or physical or mental medical condition (except as permitted pursuant to Bylaw 15.3.4.1); or

(c) For any other athletics reason.

15.3.4.2.1 Athletically Related Condition Prohibition. [A] An institution may not set forth an athletically related condition (e.g., financial aid contingent upon specified performance or playing a specific position) that would permit the institution to reduce or cancel the student-athlete's financial aid during the period of the award if the conditions are not satisfied. *(Adopted: 1/16/93, Revised: 1/11/94, 8/7/14)*

15.3.4.2.2 Decrease Not Permitted. [A] An institution may not decrease a prospective student-athlete's or a student-athlete's financial aid from the time the prospective student-athlete or student-athlete signs the financial aid award letter until the conclusion of the period set forth in the financial aid agreement, except under the conditions set forth in Bylaw 15.3.4.1. *(Adopted: 1/11/94, Revised: 4/2/03 effective 8/1/03, 8/7/14)*

15.3.4.3 Reduction or Nonrenewal Not Permitted -- After the Period of the Award. [A] If a student-athlete receives athletically related financial aid in the academic year of initial full-time enrollment at the certifying institution, the following factors shall not be considered in the reduction or nonrenewal of such aid for the following academic year or years of the student-athlete's five-year period of eligibility: *(Adopted: 1/17/15 effective 8/1/15)*

(a) A student-athlete's athletics ability, performance or contribution to a team's success (e.g., financial aid contingent upon specified performance or playing a specific position);

(b) An injury, illness, or physical or mental medical condition; or

(c) Any other athletics reason.

15.3.5 Increase Permitted. [A] Institutional financial aid may be increased for any reason at any time. *(Adopted: 1/11/94, Revised: 2/26/03, 4/23/08, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 1/17/15 effective 8/1/15)*

15.3.6 Renewals and Nonrenewals. [A]

15.3.6.1 Institutional Obligation. [A] The renewal of institutional financial aid based in any degree on athletics ability shall be made on or before July 1 prior to the academic year in which it is to be effective. The institution shall promptly notify in writing each student-athlete who received an award the previous academic year and who has eligibility remaining in the sport in which financial aid was awarded the previous academic year (under Bylaw 12.6) whether the grant has been renewed or not renewed for the ensuing academic year. Notification of financial aid renewals and nonrenewals must come from the institution's regular financial aid authority and not from the institution's athletics department. *(Revised: 1/10/95, 8/7/14)*

15.3.6.2 Reconsideration of Nonrenewal. [A] It is permissible for an institution that has notified a student-athlete that the student-athlete will not be provided institutional financial aid for the next academic year subsequently to award financial aid to the student-athlete. *(Revised: 8/7/14)*

Awards, Benefits and Expenses for Enrolled Student-Athletes

16.01 General Principles. [A]

16.01.1 Application of Bylaw 16 to Specific and Limited Extenuating Circumstances. [A] For specific and limited extenuating circumstances, an institution is authorized to provide benefits and expenses for a student-athlete's personal health, safety and well-being. An institution should collaborate with applicable institutional financial aid, medical, legal and risk management personnel to determine how to best address individual student-athlete needs and corresponding institutional considerations. *(Adopted: 8/3/22)*

16.01.2 Eligibility Effect of Violation. [A] A student-athlete shall not receive any extra benefit. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible for athletics competition in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation, the individual is ineligible in all sports.

16.01.2.1 Restitution for Receipt of Impermissible Benefits. [A] Unless otherwise noted, for violations of Bylaw 16 in which the value of the benefit is $200 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of the student-athlete's choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the student-athlete repays the benefit. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Bylaw 8.01.3; however, such violations shall not affect the student-athlete's eligibility. *(Adopted: 11/1/01, Revised: 8/5/04, 1/19/18)*

16.02 Definitions and Applications. [A]

16.02.1 Award. [A] An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Benefits Pool/Benefits Cap. [S] The benefits pool is the value of additional payments and/or benefits (see Bylaw 16.13) an institution may provide to its student-athletes during an academic year pursuant to the House settlement. The pool is calculated based on revenue categories set forth in the House settlement and pursuant to a formula and policies and procedures consistent with the settlement. The benefits cap refers to the limit on the value of additional payments and/or benefits an institution may provide to its student-athletes during an academic year. The value of the benefits pool and the value of the benefits cap are the same for each academic year. *(Adopted: 6/6/25 effective 7/1/25)*

16.02.3 Excessive Expense. [A] An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.4 Extra Benefit. [A] An extra benefit is any special arrangement by an institutional employee or representative of the institution's athletics interests to provide a student-athlete or the student-athlete family member or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their family members or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's students or their family members or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. *(Revised: 1/10/91, 1/19/13 effective 8/1/13)*

16.02.5 Family Member. [A] For purposes of Bylaw 16, a family member is an individual with any of the following relationships to a student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the student-athlete is the practical equivalent of a family relationship. *(Adopted: 1/19/13 effective 8/1/13)*

16.02.6 Significant Other. [A] A significant other is a spouse, fiancé or fiancée, domestic partner, or any individual whose relationship to an identified individual (e.g., prospective student-athlete, coach, student-athlete) is the practical equivalent of a spouse. *(Adopted: 1/19/18)*

16.1 Awards. [A]

16.1.1 Application of Awards Legislation. [A]

16.1.1.1 Awards Received for Participation While Representing the Institution. [A] The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing the student-athlete's institution. Such awards may not include cash or cash equivalents, gift certificates or gift cards that are redeemable for cash (original amount or any balance thereof), or a country club or sports club membership. **[R]** *(Revised: 4/28/10, 1/19/13 effective 8/1/13, 8/7/14)*

16.1.2 Uniformity of Awards. [A] Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. **[R]** *(Revised: 8/7/14)*

16.1.3 Transfer of Nonpermissible Award. [A] Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency (e.g., a collegiate institution). *(Revised: 8/7/14)*

16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. [A] Athletics awards given to individual student-athletes shall be limited to those approved or administered by the member institution, its conference or an approved agency as specified in the following subsections and shall be limited in value and number as specified in this section. Awards received for intercollegiate athletics participation may not be sold, exchanged or assigned for another item of value, even if the student-athlete's name or picture does not appear on the award. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. **[R]** *(Revised: 9/12/03, 8/7/14)*

16.1.4.1 Participation Awards. [A] Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. **[R]** *(Revised: 4/25/02 effective 8/1/02, 3/8/12, 1/19/13 effective 8/1/13, 8/7/14, 1/10/24)*

16.1.4.1.1 Senior Scholar-Athlete Award. [A] An institution may provide a maximum of two senior scholar-athlete awards each year to graduating seniors. The award may consist of a tangible item valued at not more than $175 and a postgraduate scholarship not to exceed $10,000. The postgraduate scholarship shall be used for graduate studies at the recipient's choice of institution and shall be disbursed directly to that institution. Such a scholarship only may be awarded to a student-athlete who has completed the requirements for a baccalaureate degree. A student-athlete who has received an institutional postgraduate scholarship as part of a senior scholar-athlete award shall no longer be eligible to participate in intercollegiate athletics, except that the student may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in the spring sport that occurs after graduation). **[R]** *(Adopted: 4/25/02, Revised: 6/1/06, 1/14/08, 8/7/14)*

16.1.4.1.2 Special Event Participation Awards Based on Level of Achievement. [A] Special event participation awards may include awards that are based on a level of achievement (e.g., all-tournament award, finalist award, place-finish award) in the event, provided the awards are uniform within each level and the combined value of all awards received for participation in the particular type of special event (e.g., conference championship; other established meets, tournaments and featured individual competition) does not exceed the maximum permissible value of such awards (see Figure 16-1). *(Adopted: 1/10/13, Revised: 8/7/14)*

16.1.4.2 Awards for Winning Conference and National Championships. [A] Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. The total value of any single award received for a national championship may not exceed $415. The total value of any single award received for a conference championship may not exceed $325, and each permissible awarding agency is subject to a separate $325 limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate $325 limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed $325. **[R]** *(Revised: 4/25/02 effective 8/1/02, 8/7/14, 1/10/24)*

16.1.4.3 Special Achievement Awards. [A] Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. **[R]** *(Revised: 4/25/02 effective 8/1/02, 8/7/14)*

16.1.4.4 Local Civic Organization. [A] A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to an institution's team, provided such awards are approved by the institution and are counted in the institution's limit for institutional awards. **[R]** *(Adopted: 1/10/92, Revised: 1/9/96 effective 8/1/96, 6/11/09, 8/7/14)*

16.1.4.5 Academic or Graduation Awards or Incentives. [A] The NCAA, a conference or an institution may provide a student-athlete an academic or graduation award or incentive that has a value up to the maximum value of awards

an individual student-athlete could receive in an academic year in participation, championship and special achievement awards (combined) listed in Figures 16-1, 16-2, and 16-3. *(Adopted: 8/12/20, Revised: 10/6/21)*

16.1.5 Purchase Restrictions. [A]

16.1.5.1 Assignment of Normal Retail Value. [A] Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. *(Adopted: 1/16/93, Revised: 8/7/14)*

16.1.5.2 Supplementary-Purchase Arrangement. [A] An institution may not enter into a supplementary-purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific-value limitations placed on permissible awards. **[R]** *(Revised: 8/7/14)*

16.1.5.3 Combining Values. [A] An institution may not combine the value limits of awards given in a sport during the same season, or given to athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. **[R]** *(Revised: 8/7/14)*

16.1.5.4 Student-Athlete Contribution to Purchase. [A] The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. **[R]** *(Revised: 8/7/14)*

16.1.6.1 Booster Club Recognition Banquet. [A] One time per year, an institution's athletics booster club may finance an intercollegiate team's transportation expenses to a recognition banquet, provided all expenses are paid through the institution's athletics department, the location of the event is not more than 100 miles from the campus and no tangible award is provided to members of the team. **[R]** *(Revised: 1/9/96 effective 8/1/96, 8/7/14)*

16.1.7 Expenses to Receive Noninstitutional Awards. [A] A conference, an institution, the U.S. Olympic and Paralympic Committee, a national governing body (or the international equivalents) or the awarding agency may provide actual and necessary expenses for a student-athlete to receive a noninstitutional award or recognition for athletics or academic accomplishments. Actual and necessary expenses may be provided for the student-athlete's family members to attend the recognition event or awards presentation. **[R]** *(Adopted: 1/19/13 effective 8/1/13, Revised: 8/7/14, 10/17/19)*

16.2 Complimentary Admissions and Ticket Benefits. [A]

16.2.1 Permissible Procedures. [A]

16.2.1.1 Institutional Events in the Student-Athlete's Sport. [A] An institution may provide four complimentary admissions per home or away intercollegiate athletics event to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest. Such complimentary admissions are for the use of the individuals designated by the student-athlete and may be issued through digital ticketing or a pass list on an individual-game basis. **[R]** *(Revised: 8/7/14, 8/3/22)*

16.2.1.1.1 Exception -- Postseason Events. [A] An institution may provide each student-athlete who participates in or is a member of a team participating in a postseason event (e.g., conference championship, NCAA championship, National Invitation Tournament, Women's Basketball Invitation Tournament, bowl game) with six complimentary admissions to all intercollegiate athletics events at the site at which the student (or team) participates. *(Adopted: 1/9/96 effective 8/1/96, Revised: 11/1/01 effective 8/1/02, 1/17/09 effective 8/1/09, 8/7/14)*

16.2.1.1.2 Tournaments. [A] Complimentary admissions may be provided to members of the institution's team for all intercollegiate athletics events in a tournament in which the team is participating, rather than only for the games in which the institution's team participates. However, the contests must be at the site at which the institution's team participates. *(Revised: 8/7/14)*

16.2.1.2 Institution's Home Events in Other Sports. [A] An institution may provide admission for each student-athlete to all of the institution's regular-season home intercollegiate athletics events in sports other than that in which the student-athlete is a participant. **[R]** *(Revised: 8/7/14, 8/3/22)*

16.2.1.2.1 Nonqualifier. [A] A nonqualifier (per Bylaw 14.02.10.3) may receive a complimentary admission to all of the institution's regular-season home intercollegiate athletics events in the first academic year of residence. **[R]** *(Revised: 1/3/06, 8/7/14)*

16.2.1.3 Student-Athlete Ticket Purchases. [A] An institution may arrange for a student-athlete to purchase tickets at face value for an athletics event in which the student-athlete's team (or the student-athlete as an individual) participates. **[R]** *(Adopted: 1/15/16, Revised: 8/3/22)*

16.2.2 Nonpermissible Procedures. [A]

16.2.2.1 Sale of Complimentary Admissions. [A] A student-athlete may not receive payment from any source for the student-athlete's complimentary admissions and may not exchange or assign them for any item of value.

16.2.2.2 Payment to Third Party. [A] Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for the admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit. **[R]**

16.2.2.3 Sale Above Face Value. [A] A student-athlete may not purchase tickets for an intercollegiate athletics event from the institution and then sell the tickets at a price greater than their face value. **[R]**

The period of care for such an injury shall extend at least two years following either graduation or separation from the institution, or until the student-athlete qualifies for coverage under the NCAA Catastrophic Injury Insurance Program, whichever occurs first. Each institution has the discretion to determine the method by which it will provide medical care, the method by which it determines whether an injury is athletically related and any policy deemed necessary for implementing the medical care. *(Adopted: 1/19/18 effective 8/1/18, Revised: 4/26/23 effective 8/1/24)*

16.4.1.1 Application to Nonautonomy Conferences. A member institution of a conference other than the conferences named in Bylaw 9.2.2.1.1 shall apply the provisions of Bylaw 16.4.1. *(Adopted: 4/26/23 effective 8/1/24)*

Playing and Practice Seasons

17.01 General Principles.

17.01.1 Institutional Limitations. An institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figures 17-1 and 17-2).

17.01.2 Additional Playing and Practice Seasons Limitations. The Academic Eligibility Subcommittee shall have the authority to determine the circumstances that would require an institution or team that fails to satisfy the academic performance program to apply additional playing and practice seasons limitations. The subcommittee shall establish and annually publish to the membership such circumstances (see Bylaw 14.8). *(Adopted: 1/9/06 effective 8/1/07, Revised: 8/7/14, 8/5/25 effective 11/1/25)*

17.02 Definitions and Applications.

17.02.1 Countable Athletically Related Activities. Countable athletically related activities include any required activity with an athletics purpose involving student-athletes and at the direction of, or supervised by, one or more of an institution's coaching staff (including strength and conditioning coaches) and must be counted within the weekly and daily limitations under Bylaws 17.1.7.1 and 17.1.7.2. Administrative activities (e.g., academic meetings, compliance meetings) shall not be considered as countable athletically related activities. *(Adopted: 1/10/91 effective 8/1/91, Revised: 10/31/02 effective 8/1/03)*

17.02.1.1 Exception -- Elite Athlete Training. A student-athlete who has been designated by the U.S. Olympic and Paralympic Committee and the sport-affiliated national governing body (or the international equivalent) as an elite athlete may participate in an individual workout session conducted by a coaching staff member without such activity being considered a countable athletically related activity, provided the workout is initiated by the student-athlete and the student-athlete does not miss class. *(Adopted: 7/13/20)*

17.02.2 Contest. A contest is any game, match, exhibition, scrimmage or joint practice session with another institution's team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. *(Revised: 1/10/91)*

17.02.3 Contest, Countable, Institutional. A countable contest for an institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. Contests, including scrimmages, by separate squads of the same team against different outside teams shall each count as one contest.

17.02.4 Contest, Countable, Individual Student-Athlete. A countable contest for an individual student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.10) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

17.02.5 Date of Competition. A date of competition is a single date on which any game, match, meet, exhibition, scrimmage or joint practice session with another institution's team takes place, regardless of its formality, between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. *(Revised: 1/10/91)*

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for an institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution's team in a sport engages in competition in that sport against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports and women's rowing, an institution shall be considered to have participated in competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis). (See Bylaw 20.9.6.3 for listings of minimum numbers of student-athletes per sport.)

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for an individual student-athlete is any date on which a student-athlete competes while representing the institution (see Bylaw 17.02.10) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Designated Student-Athlete. [S] A designated student-athlete is an individual who a member institution attests was or would have been removed from the institution's 2025-26 roster due to the implementation of the roster limits specified in Bylaw 17.2 and was either: *(Adopted: 6/23/25 effective 7/1/25)*

(a) Certified as eligible for practice or competition by the institution or otherwise placed on the institution's squad list form for the 2024-25 academic year, prior to April 7, 2025; or

[S] By July 6, 2025, a member institution shall report in good faith a list of its designated student-athletes, as defined in Bylaw 17.02.8, to the designated software system of record. A copy of the Designated Student-Athlete List shall also be kept on file at the member institution. *(Adopted: 6/23/25 effective 7/1/25)*

17.02.10 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: *(Revised: 1/10/91, 1/16/93, 1/11/94, 1/10/95, 7/31/23)*

17.02.11 National Team. A national team is one selected, organized and sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic or non-Paralympic sport, the equivalent organization of that sport). The selection for such a team shall be made on a national qualification basis, either through a defined selective process or by actual tryouts, publicly announced in advance. In addition, the international competition in question shall require that the entrants officially represent their respective nations, although it is not necessary to require team scoring by nation. *(Revised: 7/31/14, 10/17/19, 1/22/20)*

17.02.12 Organized Competition. Athletics competition shall be considered organized if any of the following conditions exists: *(Revised: 4/29/10, 7/31/14)*

17.02.14 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the member institution or a team that includes individuals other than eligible student-athletes of the member institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.15 Practice Units. In determining the first permissible preseason practice date, an institution shall count back from its first scheduled contest, one unit for each day beginning with the opening of classes, one unit for each day classes are not in session in the week of the first scheduled intercollegiate contest and two units for each other day in the preseason practice period, except that the institution shall not count any units during the preseason when all institutional dormitories are closed, the institution's team must leave campus, and practice is not conducted. *(Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/92, 4/14/03)*

17.02.19 Tryouts -- Enrolled Students. A tryout of an enrolled student may occur, provided the student is eligible for practice and the tryout only involves activities that are permissible at the time they occur (e.g., practice in season, skill-related instruction or conditioning outside the season). See Bylaw 17.2 for roster limit implications related to the timing of tryouts. *(Adopted: 8/21/13)*

17.1.2.1 Exception -- Severe Inclement Weather. An institution may temporarily discontinue a segment due to severe inclement weather (e.g., hurricane, snowstorm), and restart the discontinued segment provided the permissible overall length of that segment is not exceeded. A nurse practitioner whose state medical licensure allows for health care practice independent of physician supervision may complete the medical examination without supervision by a physician. The examination or evaluation must be administered within six months prior to participation in any practice, competition or out-of-season conditioning activities. In following years, an updated history of the student-athlete's medical condition shall be administered by an institutional medical staff member (e.g., sports medicine staff, team physician) to determine if additional examinations (e.g., physical, cardiovascular, neurological) are required. The updated history must be administered within six months prior to the student-athlete's participation in any practice, competition or out-of-season conditioning activities for the applicable academic year. *(Adopted: 1/8/07 effective 5/1/07, Revised: 8/5/08, 6/5/15, 10/29/15)*

17.1.5.1 Sickle Cell Solubility Test. The examination or evaluation of student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall include a sickle cell solubility test, unless documented results of a prior test are provided to the institution. *(Adopted: 4/29/10 effective 8/1/10, Revised: 5/3/10, 1/20/22 effective 8/1/22)*

Other countable athletically related activities may occur on the same day as a practice round, provided the total countable athletically related activities that occur on that day do not exceed five hours. A practice round played on the day prior to the start of an intercollegiate golf tournament at the tournament site shall count as three hours, regardless of the actual duration of the round. *(Adopted: 1/10/91 effective 8/1/91, Revised: 1/16/93, 5/1/19 effective 8/1/19)*

A student-athlete's participation in such activities per Bylaw 17.02.1 shall be limited to a maximum of eight hours per week. In sports other than basketball, no more than four hours per week may be spent on skill-related workouts, except, in women's basketball, participation during the transition period conducted pursuant to Bylaw 17.5.2. (c) Student-athletes are provided adequate notice of changes to a previously established schedule for countable athletically related activities and other required athletically related activities.

17.1.8.1 Annual Review. [A] An institution shall conduct an annual end-of-year review of each sport's student-athlete time management plan. 17.1.9 General Regulations for Computing Playing Seasons. *(Adopted: 1/10/92, Revised: 1/16/93, 1/11/94, 8/11/98, 4/26/01, 4/29/04 effective 8/1/04, 10/28/10, 4/26/17 effective 8/1/17, 9/15/21, 5/19/22 effective 8/1/22)*

(a) **Makeup Contests.** An institution is not permitted to extend the playing season to make up suspended or canceled games (including games that determine a conference champion or the automatic qualifier to the NCAA championship);

(b) **NCAA Championships Participation in Team Sports.** Neither practice for nor participation in any NCAA championship event (including play-in contests conducted pursuant to NCAA championships) is considered part of the institution's declared playing season. An institution that has reason to believe it is under consideration for selection to participate in an NCAA championship event may continue to practice (but may not compete against outside competition) beyond its last regular-season contest, including the conference championship (if any), without counting such practice against the institution's declared playing-season limitation until it is determined by the appropriate committee whether the institution will be selected to participate in the NCAA championship competition. An institution that is not selected to participate in the NCAA championship may continue to practice or compete until the end of that championship only if it has time remaining in its declared playing season. In basketball, an institution may not engage in regular-season competition after the beginning of its conference's season-end tournament that determines automatic qualification into the NCAA Division I Basketball Championship;

(c) **NCAA Championships Participation in Individual Sports.** Only appropriate squad members considered necessary for effective practice by the individual or individuals preparing for the NCAA championships may continue to practice without counting such practice against the institution's declared playing-season limitation;

(d) **Post-NCAA Championships Participation.** Following the conclusion of an NCAA (or NAIA) championship in a sport, an institution may resume practice and/or competition in the sport, provided it is continuing its permissible playing season in the sport and provided the activity occurs during the academic year;

(e) **Conference Championships.** Conference championships must be included within the institution's playing season;

(f) **Non-NCAA Season-Ending Event Participation -- Sports Other Than Basketball and Football.** In sports other than basketball and football, neither practice for nor participation in one non-NCAA season-ending event that occurs prior to the conclusion of the NCAA championship in the applicable sport is considered part of the institution's declared playing season if the team or individual does not participate in the NCAA championship in that sport. A season-ending event involves competition after the end of the regular season between teams that are not identified until the close of the regular season;

(g) **Foreign Tours.** Participation by a member institution on a certified foreign tour (see Bylaw 17.34) need not be included within the institution's declared playing-season limitation in the sport.

17.1.9.1 Combining Segments. In those sports that have different contest limitations in the segment concluding with the NCAA championship and the other segment, a member institution that conducts a single continuous segment in a sport (rather than dividing its playing season for that sport into two distinct segments as permitted in Bylaw 17.1.2) shall be limited to the number of contests or dates of competition permitted only for the segment that concludes with the NCAA championship. *(Adopted: 1/14/97 effective 8/1/97)*

An institution must include a student-athlete who receives athletically related financial aid or payments, benefits or expenses permitted under the settlement on a sport's submitted roster during the academic year in which the student-athlete receives the athletically related financial aid or settlement-related payments, benefits or expenses. The student-athlete may not participate in competition that is considered in individual or team selections for postseason opportunities and may not participate in postseason competition. Application of this exception shall be administered by the member conferences. *(Adopted: 6/23/25 effective 7/1/25, Revised: 10/2/25)*

17.2.2.4 Exception -- Medical Disqualification. [S] A student-athlete who is included on a roster and sustains a medically documented incapacitating injury or illness that results in the student-athlete's inability to compete ever again may be exempted from the roster limit beginning with the roster year following the incapacitating injury or illness (e.g., football student-athlete sustains incapacitating injury during fall 2025 season may be exempted from the 2026-27 football roster). The student-athlete may continue to receive benefits from the institution. Such a student-athlete may not participate in athletically related activities (countable, required, or voluntary). 17.2.2.12 Exception -- Financial Aid or Settlement Related Benefits After Departure of Head Coach. The period shall include not fewer than six hours of academic orientation. The academic orientation period requirement may be satisfied through the following options: *(Adopted: 4/24/03 effective 5/1/03, Revised: 4/27/06, 12/15/06, 1/4/08)*

(b) An institution may establish an academic orientation day on the day prior to the start of the acclimatization period. On the day designated for the sole purpose of academic orientation, student-athletes may engage only in academic-related activities, which may include compliance-related activities (e.g., reviewing NCAA eligibility requirements, signing the Student-Athlete Statement and Drug-Testing Consent Form). An institution may conduct medical examinations, issue equipment and take individual photographs of participating student-athletes after the evening meal on the academic orientation day; or

(c) An institution may conduct the academic orientation period during the acclimatization period. The orientation activities may be conducted on more than one day during the acclimatization period but must be conducted for the equivalent of one day (not fewer than six hours).

17.13.3.3 Academic Orientation -- First-Time Participants -- Championship Subdivision. [FCS] In championship subdivision football, an institution must establish an academic orientation period for those student-athletes who are beginning their initial seasons of eligibility for football practice at the institution. The period shall include not fewer than six hours of academic orientation. The academic orientation period requirement may be satisfied through the following options: *(Adopted: 4/28/16)*

(a) An institution may conduct the required academic orientation period any time before or during the acclimatization period for student-athletes enrolled in summer classes or participating in summer conditioning activities before the student-athlete's first season of eligibility in football at the certifying institution;

(b) An institution may establish an academic orientation day on the day before the start of the acclimatization period. On the day designated for the sole purpose of academic orientation, student-athletes may engage only in academic-related activities, which may include compliance-related activities (e.g., reviewing NCAA eligibility requirements, signing the Student-Athlete Statement and Drug-Testing Consent Form). An institution may conduct medical examinations, issue equipment and take individual photographs of participating student-athletes after the evening meal on the academic orientation day;

(c) An institution may conduct the academic orientation period during the acclimatization period. The orientation activities may be conducted on more than one day during the acclimatization period but must be conducted for the equivalent of one day (not fewer than six hours); or

17.13.3.4 Seven-Day Acclimatization Period. [FBS/FCS] In football, preseason practice shall begin with a seven-day acclimatization period for both first-time participants (e.g., freshmen and transfers) and continuing student-athletes. All student-athletes, including walk-ons who arrive to preseason practice after the first day of practice or who begin practice at any other point in the playing season, are required to undergo a seven-day acclimatization period. The seven-day acclimatization period shall be conducted as follows: *(Adopted: 4/24/03 effective 5/1/03, Revised: 4/28/05 effective 8/1/05, 7/18/05, 12/13/05, 4/27/06, 12/15/06, 1/4/08, 4/28/16 effective 8/1/16, 4/26/17, 1/18/18, 6/11/18, 1/23/19, 5/19/21, 10/27/21)*

Conditioning, speed, strength or agility tests may not occur on any day prior to the start of the seven-day acclimatization period.

(b) During the seven-day period, participants shall not engage in more than one on-field practice per day, not to exceed three hours in length.

(1) Exception -- During the seven-day acclimatization period, an institution has the option of conducting one on-field practice per day, not to exceed three hours in length, or one on-field testing session (speed, conditioning or agility tests) per day, not to exceed one hour in length and one on-field practice, not to exceed two hours in length. In addition, an institution may conduct one one-hour walk-through session per day of the acclimatization period pursuant to Bylaw 17.02.22. Student-athletes must be provided with at least three continuous hours of recovery time between any sessions (testing, practice or walk-through) occurring that day. During this time, student-athletes may not attend any meetings or engage in other athletically related activities (e.g., weight lifting); however, time spent receiving medical treatment and eating meals may be included as part of the recovery time. If an institution conducts only a walk-through on a particular day during the acclimatization period, that day does not count toward the required seven days of acclimatization, but the walk-through counts toward the limit of 25 on-field practices in the preseason practice period.

(c) First-time participants and continuing students shall not be required to practice separately.

(d) During the first two days of practice or testing activity, helmets and spider pads shall be the only protective equipment student-athletes may wear. On the sixth day of practice or testing activity, student-athletes may practice in full pads.

(a) **General.**

(1) Multiple on-field practice sessions shall not be conducted on the same day;

(2) Student-athletes shall not engage in more than three hours of on-field practice activities per day;

(3) A walk-through is not considered an on-field activity; however, if a walk-through is conducted on a day in which no other on-field activities occur, the walk-through must be included in the limit of 25 on-field practices in the preseason practice period. In championship subdivision football, on-field walk-throughs shall not exceed a total of two hours per day; and

(4) Student-athletes must be provided with at least three continuous hours of recovery time between an on-field practice session and a walk-through. During this time, student-athletes may not engage in physical athletically related activities (e.g., weight lifting). Time spent in team meetings, film review, receiving medical treatment and eating meals may be included as part of the recovery time.

(b) **Protective Equipment Restrictions.**

(1) Up to eight on-field practice sessions may be conducted in full pads;

(c) **Contact Restrictions.**

(1) Full contact (tackling to the ground) is only permitted during an on-field practice session in full pads;

(2) An institution shall not conduct more than two consecutive days of full contact (tackling to the ground) practices. A full contact practice during the acclimatization period counts toward this limit;

(3) An institution shall not conduct more than a total of 75 minutes of full contact (tackling to the ground) within any one on-field practice session other than during the two permissible scrimmages; and

(4) An institution shall not conduct more than two scrimmages during the preseason practice period. A scrimmage is a practice devoted primarily (greater than 50 percent of practice time) to 11-on-11, full contact (tackling to the ground) activities. A scrimmage counts as one of the eight permissible practices in full pads and may include more than 75 minutes of full contact (tackling to the ground).

(a) An institution that would have met the requirements set forth in Bylaw 18.7.2.1.1 but for the fact that one victory was against a Football Championship Subdivision opponent that had not met the required average of grants-in-aid and the institution's waiver request was denied.

(b) An institution that participated in 13 regular-season contests and finished the season with a record of six wins that count toward meeting the definition of a deserving team and seven losses.

(c) An institution that finished its season with a minimum of five wins that count toward meeting the definition of a deserving team and a maximum of seven losses but achieved a multiyear Academic Progress Rate (APR) that permits postseason participation.

(1) If an institution is unable to participate in a bowl game after accepting a bid, the bowl entity shall select an alternate from among the remaining Football Bowl Subdivision institutions with a multiyear Academic Progress Rate that permits postseason participation to replace the team that accepted the bid and is no longer able to participate in the bowl game.

18.7.2.2 Participation Restrictions. [FBS] The competing institutions shall be active members of this Association, and a member institution shall not participate in more than one such game during any academic year, except for games in the College Football Playoff. *(Revised: 7/30/10, 8/2/12 effective 8/1/14, 6/26/24 effective 8/1/24)*

18.7.3 Written Report -- Championship Subdivision Football. Infractions Program

19.01 General Principles.

19.01.1 Mission of the Infractions Program. It is the mission of the NCAA infractions program to uphold integrity and fair play among the NCAA membership, and to prescribe appropriate and fair penalties if violations occur. One of the fundamental principles of the infractions program is to ensure that those institutions and student-athletes abiding by the NCAA bylaws are not disadvantaged by their commitment to compliance. The program is committed to the fairness of procedures and the timely resolution of infractions cases. The ability to investigate allegations and penalize infractions is critical to the common interests of the Association's membership and the preservation of its enduring values. *(Adopted: 1/11/94, Revised: 10/30/12 effective 8/1/13, 7/31/14, 8/1/22)*

19.01.2 Accountability. The infractions program shall hold institutions, coaches, administrators, other representatives and student-athletes who violate NCAA bylaws accountable for their conduct. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/1/22, 8/31/22 effective 1/1/23)*

19.02 Definitions and Applications.

19.02.1 Involved Individual. Involved individuals are individuals who have received formal notice of involvement in alleged violations and may be subject to penalties pursuant to Bylaw 19.12.7.4 and 19.12.7.5. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.02.2 New Information. New information is relevant, material information that could not have reasonably been ascertained prior to the Committee on Infractions hearing. *(Adopted: 1/6/96, Revised: 10/30/12 effective 8/1/13, 7/31/14, 8/31/22 effective 1/1/23)*

19.02.3 Show-Cause Order. A show-cause order is an order that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions why it should not be subject to a penalty or additional penalty for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution's athletics interests found by the Committee on Infractions as having been involved in a violation of NCAA bylaws. *(Revised: 1/10/95, 4/24/03, 10/30/12 effective 8/1/13, 1/23/19 effective 8/1/19, 8/1/22, 8/31/22 effective 1/1/23)*

19.1 Violation Structure.

19.1.1 Application of Violation Structure. The level of a violation attaches to the conduct, not to the individual. Therefore, an institution shall be held responsible for violations committed by staff members at the same level. Further, if violations from multiple levels are identified, the case shall be processed pursuant to procedures applicable to the most serious violation alleged. *(Adopted: 8/31/22 effective 1/1/23)*

19.1.1.1 Exception for Limited Sports Wagering Violations. 19.2.1 Responsibility to Cooperate. Institutions, current and former institutional staff members, and prospective and enrolled student-athletes have an affirmative obligation to cooperate fully with and assist the NCAA enforcement staff, the Committee on Infractions, and the Infractions Appeals Committee to further the objectives of the Association and its infractions program. A party may demonstrate exemplary cooperation by: *(Adopted: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23, Revised: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

Failing to cooperate includes, but is not limited to: *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18 effective 8/1/19, 12/20/18, 8/31/22 effective 1/1/23)*

19.2.3.2.1 Allegation of a Failure to Cooperate. 19.2.3.2.2 Concluding a Failure to Cooperate. When submitting the case for the committee's consideration, the parties may identify their belief that the case is suitable to be decided by a three-member panel. When appropriate based on the number and nature of allegations, the chair or vice chair may order that a panel of three members be generated. The enforcement staff shall advise a prospective or enrolled student-athlete or a current or former institutional staff member that refusing to furnish information or providing false or misleading information may result in an allegation that the interviewee violated Bylaw 19.2.1 and/or the application of an aggravating factor pursuant to Bylaw 19.12.3. *(Adopted: 10/30/12 effective 8/1/13, Revised: 5/12/17, 8/31/22 effective 1/1/23)*

19.6.3.3.4 Recording of Interviews. With the permission of the interviewee, the enforcement staff shall digitally record interviews whenever feasible. *(Adopted: 8/31/22 effective 1/1/23)*

19.6.3.4 Use of a Transcriptionist During an Interview. The enforcement staff, institution and/or interviewee may use a transcriptionist during an interview subject to the following conditions. The party requesting the transcriptionist shall: *(Adopted: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

(a) Pay the transcriptionist's fees;

(b) Provide a copy of the transcript to other parties, if any, participating in the interview at no charge; and

(c) Agree that the confidentiality standards of Bylaw 19.6.3.5 apply. An institutional representative or individual who chooses to use a transcriptionist shall submit a written notice of agreement with the required conditions to the enforcement staff prior to the interview.

19.6.3.5 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recordings or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement precludes the individual or institutional representative from recording, transcribing or receiving access to the enforcement staff's recording and transcript of the interview. *(Adopted: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.6.4 Access to Information. For all cases to be considered by the Committee on Infractions, the enforcement staff shall make available to the institution and participating involved individuals recorded interviews, interview summaries and/or interview transcripts, and other factual information pertinent to the case. The institution and participating involved individuals may review such information through a secure website or at the NCAA national office. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.6.5 Resolution of Investigative Disputes. A neutral administrator may be appointed to resolve petitions for immediate penalties pursuant to Bylaw 19.2.3 and resolve investigative disputes prior to the submission of a processing document pursuant to Bylaws 19.8, 19.9, and/or 19.10 regardless of whether a case is ultimately submitted on the merits to the Committee on Infractions. A decision made by the neutral administrator is final. *(Adopted: 10/7/26)*

19.6.6 Termination of Investigation. The enforcement staff shall terminate an investigation if it determines the information developed does not appear to be of sufficient substance or reliability to support potential violations of NCAA bylaws. *(Adopted: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.7 Standards of Review and Resolution Methods (Level I/II Cases)

19.7.1 Enforcement Allegation Standard. The enforcement staff shall make formal allegations if it determines there is credible and sufficient information (direct or circumstantial) that reasonably demonstrates a violation of one or more NCAA bylaws occurred.
(Adopted: 8/31/22 effective 1/1/23)

19.7.1.1 Statute of Limitations. The enforcement staff shall limit allegations to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

(a) Allegations involving violations affecting the eligibility of a current student-athlete;

(b) Allegations in a case in which available information indicates a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and

(c) Allegations that indicate a blatant disregard for fundamental recruiting, extra benefit or academic bylaws or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have an 18-month period after the date information concerning the matter becomes available to the NCAA to investigate and submit a resolution document pursuant to Bylaws 19.8, 19.9 and/or 19.10.

19.7.2 Committee on Infractions Decision Standard. In all matters before the Committee on Infractions, a hearing panel shall conclude a violation occurred if it determines an allegation is supported by credible and sufficient information (direct or circumstantial) on which a reasonable person could rely. *(Adopted: 8/31/22 effective 1/1/23)*

19.7.3 Violations Presumed in Select Cases. In cases involving name, image and likeness offers, agreements and/or activities in which related communications and conduct are subject to NCAA regulation, the infractions process (including interpretive requests) shall presume a violation occurred if circumstantial information suggests that one or more parties engaged in impermissible conduct. The enforcement staff may make a formal allegation based on the presumption. The hearing panel shall conclude a violation occurred unless the institution or involved individual clearly demonstrates with credible and sufficient information that all communications and conduct surrounding the name, image and likeness activity complied with NCAA legislation. *(Adopted: 10/26/22 effective 1/1/23)*

19.7.4 Importation.

19.7.4.1 Importation of Facts. A hearing panel may consider and accept as true facts established through proceedings outside the NCAA infractions process if those facts are in the record, not under appeal and are established by: *(Adopted: 8/8/18, Revised: 8/31/22 effective 1/1/23)*

(a) A decision or judgement of a court, agency, accrediting body or other administrative tribunal of competent jurisdiction; or

(b) A Commission or similar review of comparable independence authorized by a member institution or university system board of trustees (regardless of whether the facts are accepted by the institution or university system board of trustees).

19.7.4.2 Importation of Evidence and Positions. Evidence submitted to any court, agency, accrediting body or other administrative tribunal of competent jurisdiction, regardless of whether the matter is finally resolved and regardless of who offered the evidence, may be considered when alleging and/or concluding whether a violation occurred. Positions taken by a party in such a matter may be considered in the infractions process when determining whether to allege or conclude that the same party violated NCAA bylaws. *(Adopted: 8/8/18, 8/31/22 effective 1/1/23)*

19.7.5 Inference for Failing to Produce Materials or Participate in the Infractions Process.

19.7.5.1 Materials Not Produced. The enforcement staff and/or hearing panel may infer that materials requested during an investigation but not produced by an institution, individual or their representative, including legal counsel, a representative of the institution's athletics interests, agent or another acting on their behalf, would support an alleged violation, for which the party may be subject to penalty pursuant to Bylaw 19.12. *(Adopted: 8/8/18, 8/31/22 effective 1/1/23)*

19.7.5.2 Failure or Refusal to Participate in Interview. The enforcement staff and/or hearing panel may view the failure or refusal by an individual or their representative, including agent or another acting on their behalf, to participate in an interview as an admission that an alleged violation, for which the individual may be subject to penalty pursuant to Bylaw 19.12, occurred. *(Adopted: 8/8/18, 8/31/22 effective 1/1/23)*

19.7.5.3 Failure to Participate in the Infractions Process. The enforcement staff and/or hearing panel may view the failure by an institution or involved individual to participate in the infractions process as an admission that an alleged violation, for which the party may be subject to penalty pursuant to Bylaw 19.12, occurred. *(Adopted: 8/8/18, 8/31/22 effective 1/1/23)*

19.7.6 Methods of Resolution. Cases involving allegations of Level I and/or Level II violations will be presented to and resolved by the Committee on Infractions. The Committee on Infractions shall resolve Level I and/or Level II allegations through hearing resolution pursuant to Bylaw 19.8, limited resolution pursuant to Bylaw 19.9 and/or negotiated resolution pursuant to Bylaw 19.10. Except in exceptional circumstances, a case shall be limited to two resolution methods. *(Adopted: 1/23/19 effective 1/1/23, Revised: 8/31/22 effective 1/1/23)*

19.7.6.1 Impact of Multiple Resolution Methods. When different resolutions methods are appropriate for different parties in a single case, the enforcement staff shall notify the parties of the possibility for differing outcomes. Parties will submit written confirmation of understanding of the potential for differing outcomes with the submission of the case. Outcomes that differ across resolution methods in a single case do not support an argument on appeal that a hearing panel of the Committee on Infractions erred. *(Adopted: 8/31/22 effective 1/1/23)*

19.7.6.2 Information from Confidential Sources. In all resolution methods, the parties, including the enforcement staff, shall only rely on information that can be attributed to individuals who are willing to be identified. Such confidential sources shall not be identified to the hearing panel, the institution or an involved individual. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8 Full Hearing Resolution.

19.8.1 Standard for Full Hearing Resolution. A full hearing before the Committee on Infractions shall be reserved for select cases involving alleged behaviors that significantly undermine the integrity of the NCAA Collegiate model, cases that implicate NCAA core principles and/or cases that are otherwise best resolved through a comprehensive review on the full record. In these instances, the hearing panel assigned to a case shall hold a hearing to make factual findings and to conclude whether violations of NCAA bylaws occurred and, if so, to prescribe appropriate penalties. The decision on whether the full hearing will take place in person or via video conference (or another mode of communication) rests with the panel. *(Adopted: 8/31/22 effective 1/1/23)*

19.8.2 Factors Relevant for Full Hearing Resolution. Factors pertinent to whether a case should be resolved via a full hearing include, but are not limited to, the following: *(Adopted: 8/31/22 effective 1/1/23)*

(a) The level of agreement between the enforcement staff, institution and/or participating involved individuals;

(b) The type of behaviors resulting in allegations;

(c) Whether the matter includes allegations of failure to monitor and/or lack of institutional control;

(d) A recent history of Level I or II violations by the institution or participating involved individuals, particularly if the previous violations were similar in nature and/or in the same sport program or programs;

(e) The level of cooperation and accountability (e.g., self-imposed penalties) shown by the institution and participating involved individuals;

(f) The scope, scale and duration of the case; and

(g) Other factors warranting a hearing before the Committee on Infractions.

19.8.3 Notice of Allegations. The enforcement staff shall issue a notice of allegations to the chancellor or president of the institution participating in the hearing (with copies to the faculty athletics representative, the director of athletics and the executive officer of the conference of which the institution is a member) and/or any involved individuals participating in the hearing. The notice of allegations shall include: *(Adopted: 10/30/12, Revised: 7/31/14, 8/31/22 effective 1/1/23)*

(a) Alleged violations and related details, including identifying any involved individuals who could be subject to a show cause order or penalties;

(b) Possible level of each alleged violation and the overall processing level of the case;

(c) Factual information on which the enforcement staff may rely in presenting the case;

(d) Aggravating and mitigating factors the enforcement staff believes are applicable;

(e) Notice of the opportunity to respond to the allegations; and

(f) Procedures related to a full hearing.

19.8.4 Submission Deadlines.

19.8.4.1 Responses by Institutions or Involved Individuals. Any response to the notice of allegations shall be submitted to the hearing panel, the enforcement staff and all parties participating in the hearing no later than 90 days from the date of the notice of allegations. Failure to submit a timely response may be viewed by the panel as an admission that the alleged violations occurred. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.4.2 Reply by Enforcement Staff. Within 60 days after the submissions of written responses pursuant to Bylaw 19.8.4.1, the enforcement staff shall submit a written reply to the hearing panel and all parties participating in the hearing. As an exhibit to its reply, the enforcement staff shall prepare a chart summarizing the parties' positions on each allegation and the aggravating and mitigating factors. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.4.3 Prehearing Conference. Within 60 days after the submissions of written responses pursuant to Bylaw 19.8.4.1, the enforcement staff shall consult with the parties participating in the hearing in order to clarify the issues to be discussed during the hearing, make suggestions regarding additional investigation or interviews that should be conducted to supplement a response and identify allegations that the staff intends to amend or withdraw. The enforcement staff shall conduct independent prehearing conferences unless mutually agreed by all parties to do otherwise. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.4.4 Submission of Written Material. Except as otherwise ordered by the chief hearing officer and for good cause shown, all written material to be considered by the hearing panel must be received by the hearing panel, enforcement staff and all parties participating in the hearing at least 30 days prior to the date the panel considers the case. Supplemental submissions shall not serve as an opportunity to rebut the enforcement staff's written reply but shall be limited to situations involving new information as defined by Bylaw 19.02.2 or modifications to positions or arguments set forth in the party's response to the notice of allegations. The chief hearing officer may reject any written materials that do not comply with relevant bylaws and procedures. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.4.5 Extensions. Extensions to any deadlines outlined above shall not be granted except in exceptional circumstances. Further, a denial of an extension request does not support an argument on appeal that a hearing panel of the Committee on Infractions erred. *(Adopted: 8/31/22 effective 1/1/23)*

19.8.4.6 Accelerated Hearing Docket. Any party participating in the hearing may petition the chief hearing officer for an accelerated schedule for written submissions and hearing date. The petition shall be submitted not later than 14 calendar days after the date of the notice of allegations. The enforcement staff may respond to the petition within five business days. The chief hearing officer may grant or deny such a petition and set a reasonable schedule. *(Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17, 8/31/22 effective 1/1/23)*

19.8.5 Information Presented at Hearings.

19.8.5.1 Obligation to Present All Relevant Information. At a hearing, the participating parties and their legal counsel or representative have the obligation to present, to the extent reasonably possible, all material and relevant information necessary for the hearing panel to reach an informed decision, including information that corroborates or refutes an allegation and information relevant for consideration in determining appropriate penalties. Subject to procedures of the Committee on Infractions, the participating parties and/or their legal counsel or representative may deliver opening and closing statements, present factual information, make arguments, explain the alleged violations and answer questions from panel members. Any oral or documentary information may be received, but the panel may exclude information that it determines to be irrelevant, immaterial or unduly repetitious. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.5.2 Scope of Inquiry. When an institution and/or involved individual appears before a hearing panel to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the panel from concluding that any violation occurred based on information developed or discussed during the hearing. In any case, the panel may make specific factual findings based on information presented by the parties or at a hearing even if different from the notice of allegations. *(Revised: 4/24/03, 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.8.6 Appearance of Individuals at Hearings. Except as otherwise provided herein or as ordered by the chief hearing officer, hearing attendees shall be limited to institutional representatives, involved individuals, NCAA staff representatives, hearing panel members, a transcriptionist and other technical/support staff as permitted by the chief hearing officer. An individual who appears before the panel may appear with personal legal counsel or similar representative. The chief hearing officer may exclude an individual and the individual's counsel or representative from those portions of the hearing concerning matters in which the individual is not involved. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/31/22 effective 1/1/23)*

19.8.6.1 Representatives of Institution. Except as otherwise ordered by the chief hearing officer, an institution's representatives should include the institution's chancellor or president, the head coach of the sport or sports in question, the institution's director of athletics and/or any individual with direct responsibility and oversight of the athletics department, senior compliance administrator, faculty athletics representative, legal counsel (if any), enrolled student-athletes whose eligibility could be affected by information presented at the hearing, and any other representatives whose attendance would be helpful to or has been requested by the panel. Additional individuals may be included among the institution's representatives only if specifically approved. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/31/22 effective 1/1/23)*

19.8.6.1.1 Prohibited Attendance by Conflicted Committee Members. A member of the Committee on Infractions or the Infractions Appeals Committee who is prohibited under Bylaws 19.4.4 or 19.5.3 from participating in an infractions proceeding may not attend a Committee on Infractions hearing involving the committee member's institution unless specifically requested by the chief hearing officer. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.6.2 Representatives of Member Conference. A representative of a conference may attend a hearing involving a conference member who is subject to potential penalties pursuant to Bylaw 19.12. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.6.3 Request for Specific Individuals. The chief hearing officer may request that additional individuals appear during the hearing. Individuals who are specifically requested by the chief hearing officer are expected to appear and may be accompanied by personal legal counsel or representative. Failure to attend may result in a separate violation and/or impact penalties pursuant to Bylaw 19.12. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.7 Recording of Proceedings. The proceedings of infractions hearings shall be transcribed by a transcriptionist (unless otherwise agreed) and shall be recorded by the hearing panel. No additional verbatim recording of the proceedings will be permitted. In the event of an appeal, a transcript of the proceedings shall be reproduced and submitted to the Infractions Appeals Committee and made available for review by the appealing parties through a secure website. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.8 Posthearing Committee Deliberations. After all presentations have been made and the hearing has been concluded, the hearing panel shall excuse the parties and deliberate in private. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.8.1 Request for Additional and/or New Information. In arriving at its decision, the hearing panel may request additional information from any participating party. In the event that new information is requested, all participating parties will be afforded an opportunity to respond at the time such information is provided. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.8.8.2 Request for Interpretation. The hearing panel may request that the NCAA governance and member services staff provide an interpretation of applicable bylaws based on facts submitted by the panel. If an interpretation is requested,

the participating parties and enforcement staff will be notified in writing of the interpretation request and the response. If participating in the hearing, the institution may appeal the interpretation in accordance with Bylaw 9.3.1.2. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.9 Limited Resolution.

19.9.1 Standard for Limited Resolution. When a case is not appropriate for full hearing resolution pursuant to Bylaw 19.8 and parties are unable to reach the requisite agreement for negotiated resolution pursuant to Bylaw 19.10, contested portions of a case shall be resolved by a hearing panel of the Committee on Infractions via a written record hearing or a summary disposition. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2 Written Record Hearing. In instances in which the enforcement staff and a participating party are unable to reach complete agreement on the facts, violations, level of an allegation and/or penalties, a hearing panel of the Committee on Infractions may resolve the case on the written record focused primarily on the contested portions of the case. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.1 Notice of Allegations. The enforcement staff shall issue a notice of allegations as outlined in Bylaw 19.8.3. In addition, the enforcement staff shall include: *(Adopted: 8/31/22 effective 1/1/23)*

(a) Level of agreement by the parties participating in the written resolution related to each allegation, the levels of the allegations, the aggravating and mitigating factors and the overall processing level of the case;

(b) Remaining issues to be resolved by a hearing panel of the Committee on Infractions; and

(c) Procedures related to resolution on the written record.

19.9.2.2 Submission Deadlines.

19.9.2.2.1 Responses by Institution and/or Involved Individuals. Any response to the notice of allegations shall be submitted to the hearing panel and the parties participating in the written record hearing no later than 60 days from the date of the notice of allegations. The responses shall be limited to the remaining issues as outlined in the notice of allegations. Failure to submit a timely response may be viewed by the panel as an admission that the alleged violation or violations occurred. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.2.1.1 Submission by a Member Conference. A conference may submit a brief statement on behalf of its member who is subject to potential penalties pursuant to Bylaw 19.12 as an exhibit to the institution's response. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.2.2 Reply by the Enforcement Staff. Within 45 days after submission of written responses, the enforcement staff shall submit a written reply to the hearing panel and all parties participating in the written record hearing. The reply shall be limited to the remaining issues as outlined in the notice of allegations. As an exhibit to its reply, the enforcement staff shall prepare a chart summarizing the parties' positions on each allegation and aggravating and mitigating factors. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.2.3 Submission of Other Written Material. Parties may only supplement their written responses with the permission of and/or at the request of the chief hearing officer. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.2.4 Extensions. Extensions to any deadlines outlined above shall not be granted except in exceptional circumstances. Further, a denial of an extension request shall not support an argument on appeal that a hearing panel of the Committee on Infractions erred. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.3 Obligation to Present All Information Relevant to Contested Issues. In their responses, the parties participating in the written record hearing shall include only information that is material and relevant to the identified contested issues and necessary for the hearing panel to reach an informed decision, including information that corroborates or refutes an allegation and information relevant for consideration in determining appropriate penalties. The panel may exclude information that it determines to be irrelevant, immaterial or unduly repetitious. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.4 Committee Deliberations. After all written submissions have been received, the hearing panel shall deliberate in private. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.4.1 Request for Additional, Clarifying and/or New Information on Contested Violations and Issues. In arriving at its decision, the hearing panel may request additional and/or clarifying information from the parties participating in the written record hearing related to contested areas identified by the parties. In the event new information is requested, all parties will be afforded an opportunity to respond at the time such information is provided. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.4.2 Request for Additional, Clarifying and/or New Information on Agreed-Upon Violations and Issues. Violations and issues agreed upon by the participating parties are presumed appropriate and shall be accepted

by the hearing panel of the Committee on Infractions unless acceptance would not be in the best interest of the Association. The hearing panel shall only request additional, clarifying or new information if there is a material error in the agreed-upon violations, the submission lacks the requisite level of agreement or further information is required to prescribe appropriate penalties, if any. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.2.4.3 Request for Interpretation. The hearing panel may request that the NCAA governance and member services staff provide an interpretation of applicable bylaws based on facts submitted by the panel. If an interpretation is requested, the participating parties will be notified in writing of the interpretation request and the response. If participating, the institution may appeal the interpretation in accordance with Bylaw 9.3.1.2. *(Adopted: 8/31/22 effective 1/1/23)*

19.9.3 Summary Disposition. In instances in which the institution, an involved individual and/or the enforcement staff reach agreement on the facts and violations but cannot reach agreement on the aggravating and mitigating factors and/or penalties, the parties may submit the case for resolution via summary disposition. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.9.3.1 Written Report. The parties participating in the summary disposition shall submit a written report setting forth: *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/31/22 effective 1/1/23)*

(a) The proposed findings of fact;

(b) A summary of information on which the proposed findings of fact are based;

(c) A statement identifying the violations of NCAA bylaws;

(d) The parties' agreement on the overall level of the case;

(e) A statement of unresolved issues;

(f) A list of any agreed-upon aggravating and mitigating factors; and

(g) A stipulation that the proposed findings of fact are substantially correct and complete.

19.9.3.2 Proposed Penalties. The parties participating in the summary disposition, excluding the enforcement staff, shall submit proposed penalties from the guidelines set forth in Bylaw 19.12 and Figure 19-1. The parties may also submit a statement regarding any aggravating or mitigating factors and other considerations that may impact the penalty or penalties. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.9.3.3 Committee on Infractions Review. A hearing panel of the Committee on Infractions shall deliberate in private. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.9.3.3.1 Request for Additional and/or Clarifying Information. Prior to accepting or rejecting the summary disposition, the panel may request additional or clarifying information related to the overall level, aggravating and mitigating factors and/or penalties. Violations and issues agreed upon by the participating parties are presumed appropriate and shall be accepted by the hearing panel of the Committee on Infractions unless acceptance would not be in the best interests of the Association. The hearing panel shall only request additional, clarifying or new information if there is a material error in the agreed-upon violations, the submission lacks the requisite level of agreement or further information is required to prescribe appropriate penalties, if any. *(Adopted: 10/30/12, Revised: 8/31/22 effective 1/1/23)*

19.9.3.3.2 Acceptance of Proposed Findings of Fact, Violations and Penalties. If the panel accepts the proposed findings of fact and penalties, it shall prepare a report of its decision or adopt the written report of the parties. The panel may make additional comments explaining its analysis or amend the proposed findings of fact, provided any addition or amendment is editorial and does not alter the substance of the proposed findings of fact. The panel shall forward the report to the enforcement staff and the parties and publicly announce the resolution of the case pursuant to Bylaw 19.11. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/31/22 effective 1/1/23, 1/10/24)*

19.9.3.3.3 Proposed Findings of Fact and/or Violations Not Accepted. If the panel does not accept the proposed findings of fact, the case shall be processed as directed by the hearing panel. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/31/22 effective 1/1/23)*

19.9.3.3.4 Proposed Penalties Not Accepted. If the panel accepts the proposed findings of fact but proposes penalties in addition to those set forth in the written report, the parties participating in the summary disposition may accept those penalties or request an expedited hearing on penalties before the panel. The parties may appear before the panel in person or may provide a written submission in lieu of a hearing. The panel shall only consider information relevant to the calculation of penalties during the expedited hearing or, if no hearing is requested, on the written submission. At the conclusion of the expedited hearing or review of the written submission, the panel shall prepare a written report and provide notification of its decision. The parties may appeal additional penalties to the Infractions Appeals Committee. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.10 Negotiated Resolution.

19.10.1 Standard for Negotiated Resolution. In instances where the institution, an involved individual and/or the enforcement staff reach agreement on the pertinent facts, violations, classification and penalties, the parties may submit a negotiated resolution for approval by a hearing panel of the Committee on Infractions. The negotiated resolution must resolve all known violations for which the parties participating in the negotiated resolution may be subject to penalties pursuant to Bylaw 19.12. *(Adopted: 8/8/18, Revised: 10/31/18, 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.10.1.1 Timing of Negotiated Resolution. Subject to Bylaw 19.7.6, the parties participating in a negotiated resolution may submit a written agreement any time after the conclusion of the enforcement staff's investigation until hearing panel review pursuant to Bylaw 19.8 or 19.9. *(Adopted: 8/31/22 effective 1/1/23)*

19.10.2 Involvement of Parties in a Negotiated Resolution.

19.10.2.1 All Participating Parties Agree on Resolution. If the institution and all participating involved individuals in the case agree to negotiated resolution, they shall submit the written agreement to the chair of the Committee on Infractions or the chief hearing officer, if assigned, for hearing panel review and approval. The enforcement staff shall also include the violations by and penalties related to any involved individual not participating in the case. A hearing panel of three Committee on Infractions members shall review the negotiated resolution if the parties submit the written agreement prior to issuance of the summary disposition report or notice of allegations. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.2.2 Not All Participating Parties Agree on Resolution. If, pursuant to the process outlined in Bylaw 19.7.6, some but not all parties participating in the case agree on negotiated resolution, the enforcement staff shall include the written agreement of negotiated resolution as a part of the resolution processes outlined in Bylaws 19.8 and/or 19.9, including amending the submissions if necessary. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.3 Written Agreement. Any negotiated resolution shall contain the following: *(Adopted: 8/8/18, Revised: 10/31/18, 8/31/22 effective 1/1/23)*

(a) A brief description of the case, including the involvement of the parties included in the negotiated resolution;

(b) The agreed-upon violations;

(c) Other violations the enforcement staff considered and agreed or opted not to allege;

(d) The agreed-upon level of agreed-upon violations;

(e) The agreed-upon penalties, including all aggravating and mitigating factors;

(f) The nature of any participation or cooperation provided by a party pursuant to the negotiated resolution, and consequences for a party's failure or refusal to strictly adhere to the agreed-upon participation and cooperation conditions;

(g) Waiver of appellate opportunities; and

(h) Other material terms of the agreement.

19.10.4 Scope of Review. A hearing panel shall only reject a negotiated resolution if it is not in the best interests of the Association or the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.12 and Figure 19-1. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.5 Preliminary Assessment of Penalties. Prior to submission of a written agreement, parties participating in the negotiated resolution may request a hearing panel of three Committee on Infractions members to preliminarily assess whether the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.12 and Figure 19-1. The preliminary assessment is not binding. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.5.1 Approval in Conjunction with Preliminary Assessment. Unless the parties instruct otherwise, the hearing panel may approve the negotiated resolution in conjunction with its preliminary assessment provided the written agreement complies with Bylaw 19.10.3. *(Adopted: 1/23/19, Revised: 8/31/22 effective 1/1/23)*

19.10.5.2 Review By Hearing Panel After Preliminary Assessment. If practicable, the members of the panel that preliminarily assessed penalties will review the negotiated resolution when the written agreement is submitted to the Committee on Infractions. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.6 Negotiated Resolution Approved. If the hearing panel approves the negotiated resolution, the panel shall forward the approval to the enforcement staff and parties participating in the negotiated resolution, and publicly announce the resolution of the case pursuant to Bylaw 19.11. The approved penalties shall be effective immediately, unless ordered otherwise by the hearing panel. The approval shall be final. An approved negotiated resolution may be used in an advisory capacity in a future negotiated resolution. A hearing panel shall not be required to address or distinguish a previously approved negotiated

resolution in an infractions decision involving contested issues resolved through other resolution methods (summary disposition, written record or contested hearing). *(Adopted: 8/8/18, Revised: 10/31/18, 8/31/22 effective 1/1/23, 10/7/26)*

19.10.6.1 Approval When Not All Parties Participate in Negotiated Resolution. If, pursuant to Bylaw 19.7.6, some but not all parties resolve their portion of the case via negotiated resolution, the hearing panel may approve the negotiated resolution and release a decision in accordance with Bylaw 19.11. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.10.7 Negotiated Resolution Not Approved. If the hearing panel does not approve the negotiated resolution, the panel may return the negotiated resolution to the parties participating in the negotiated resolution for additional information or clarification and request that the parties submit an amended written agreement in response. In the alternative, the panel may reject the negotiated resolution and issue instructions for processing of the case pursuant to Bylaw 19.8 or Bylaw 19.9. *(Adopted: 8/8/18, Revised: 10/31/18, 8/31/22 effective 1/1/23)*

19.10.7.1 Continued Review by Hearing Panel After Rejection of Negotiated Resolution. If practicable, the members of the panel that rejected the negotiated resolution will serve on the hearing panel, which may differ in size, when the case proceeds to a full hearing resolution pursuant to Bylaw 19.8 or a limited resolution pursuant to Bylaw 19.9. *(Adopted: 10/31/18, Revised: 8/31/22 effective 1/1/23)*

19.11 Committee on Infractions Decisions.

19.11.1 Full Infractions Decision. After resolution of all allegations pursuant to Bylaws 19.8, 19.9 and/or 19.10, the Committee on Infractions hearing panel shall prepare and approve the final, full infractions decision. The decision shall identify by name all involved individuals and representatives of the institution's athletics interests who committed Level I or Level II violations. It may also identify by name the chancellor or president of the institution in cases involving lack of institutional control and the director of athletics and/or any individual with direct responsibility and oversight of the athletics department in cases involving lack of institutional control or failure to monitor. The full infractions decision shall be provided to the chancellor or president of the involved institution (or a designee), any involved individuals and the vice president of enforcement. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23, 1/10/24)*

19.11.1.1 Abbreviated Infractions Decision. If a case is resolved through multiple resolution methods pursuant to Bylaw 19.7.6, the hearing panel shall prepare and approve an abbreviated infractions decision when each resolution method concludes. The abbreviated infractions decision shall be provided to the parties participating in that resolution method. *(Adopted: 8/31/22 effective 1/1/23)*

19.11.2 Public Release of Full Infractions Decision. Once the full infractions decision has been provided to the parties, the hearing panel shall release it publicly. The public decision shall identify by name all involved individuals and representatives of the institution's athletics interests who committed Level I or Level II violations. It may also identify by name the chancellor or president of the institution in cases involving lack of institutional control and the director of athletics and/or any individual with direct responsibility and oversight of the athletics department in cases involving lack of institutional control or failure to monitor. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23, 1/10/24)*

19.11.2.1 Impact of Multiple Resolution Methods on Public Release. If a case is resolved through multiple resolution methods, the hearing panel shall release a public statement as each resolution method concludes. The public statement shall include the method of resolution, the parties involved, a brief summary of the findings and penalties and the remaining portions to be resolved, if any. The party whose portion of the case was resolved may also confirm resolution consistent with the hearing panel's statement. The party may only make additional comment with the consent of the enforcement staff and hearing panel. After the case is fully resolved, the hearing panel shall issue a full infractions decision in accordance with Bylaws 19.11.1 and 19.11.2. *(Adopted: 8/31/22 effective 1/1/23)*

19.11.3 Public Announcement. Once the full infractions decision has been released publicly, the panel member designated by the chief hearing officer may hold a press conference related to the infractions case. Except as allowed pursuant to Bylaws 19.3 and 19.11.2.1, the institution and/or any involved individuals shall not comment publicly until the conclusion of the panel's press conference. Parties who fail to adhere to these requirements may be sanctioned by the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.11.4 Reconsideration by the Hearing Panel. Once the full infractions decision has been publicly announced by the Committee on Infractions hearing panel and the appeal opportunity has been exhausted, there shall be no reconsideration of the decision except as follows. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.11.4.1 New Information or Prejudicial Error. A hearing panel may reconsider a decision upon a showing of new information that is directly related to the decision or upon a showing that there was prejudicial error in processing the case. *(Revised: 1/9/96, 10/30/12 effective 8/1/13, 7/31/14, 8/31/22 effective 1/1/23)*

19.11.4.1.1 Review Process. An institution or involved individual may initiate a review by submitting a brief of its request to the hearing panel of the Committee on Infractions. The hearing panel shall decide whether to deny or grant the request and conduct further proceedings as the panel deems necessary to resolve the matter. *(Revised: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.11.4.1.2 No Calculation of New Penalty. If reconsideration is granted, the panel may reduce or eliminate a penalty but may not prescribe any new penalty. The panel's decision with respect to the penalty shall be final and conclusive for all purposes. *(Revised: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.11.4.2 Penalty Modified or Set Aside Outside the Association. Should any portion of the penalty in the case be modified or set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by a hearing panel. In such cases, any extensions or adjustment of a penalty shall be prescribed by the panel after notice to the institution and/or an involved individual and an opportunity to respond. Any such action by the panel may be reviewed by the Infractions Appeals Committee. *(Revised: 10/30/12 effective 8/1/13, 8/31/22 effective 1/1/23)*

19.11.5 Finality of Decisions. A decision by a hearing panel of the Committee on Infractions that is not appealed or reconsidered pursuant to Bylaw 19.11.4 shall be final, binding and conclusive, and shall not be subject to further review by any governance body. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.12 Penalties.

19.12.1 Calculation of Penalty. If a hearing panel concludes that a violation occurred, it shall prescribe an appropriate penalty or recommend to the Board of Directors suspension or termination of membership in an appropriate case. Failure to fully implement the prescribed penalty may be considered a violation and/or may subject the institution, and/or an institution employing an involved individual under a show-cause order, to further disciplinary action by the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.12.2 Factors Affecting Penalties. The hearing panel shall determine whether any factors that may affect penalties are present for a case. The panel shall weigh any factors and determine whether a party should be subject to standard penalties or should be classified with aggravation or mitigation and, therefore, subject to a higher or lower range of penalties. Absent extenuating circumstances, core penalties corresponding to the classification shall be prescribed as set forth in Figure 19-1. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.12.2.1 Aggravation. An aggravated case is one in which aggravating factors for a party outweigh mitigating factors for that party. A case should not be classified as aggravated solely because the number of aggravating factors is larger than the number of mitigating factors. An egregious aggravating factor may outweigh multiple mitigating factors. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.12.2.2 Standard. A standard case is one in which no mitigating or aggravating factors are present for a party or in which aggravating and mitigating factors for that party are generally of equal weight. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.12.2.3 Mitigation. A mitigated case is one in which mitigating factors for a party outweigh aggravating factors for that party. A case should not be classified as mitigated solely because the number of mitigating factors is larger than the number of aggravating factors. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.12.3 Aggravating Factors. Aggravating factors are circumstances that warrant a higher range of penalties for a particular party. A hearing panel determines whether aggravating factors are present in a case and the weight assigned to each factor. Examples of aggravating factors include, but are not limited, to the following: *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/8/18, 9/24/18, 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.12.3.1 Aggravating Factors for Institutions. *(Adopted: 8/31/22 effective 1/1/23)*

(a) Multiple Level I and/or Level II violations for which the institution is responsible;

(b) Lack of institutional control;

(c) Failing or refusing to take all appropriate steps outlined in Bylaw 19.2.1 to advance resolution of the matter, including steps that hinder or thwart the institution and/or enforcement staff's investigation;

(d) Violations were premeditated, deliberate or committed after substantial planning;

(e) Persons of authority condoned, participated in or negligently disregarded the violation or related wrongful conduct;

(f) One or more violations caused ineligible competition;

(g) A pattern of noncompliance within the involved sport program or programs;

(h) Conduct intended to generate pecuniary gain for the institution;

(i) Intentional, willful or blatant disregard for NCAA bylaws by a person with institutionally derived authority;

(j) The institution employs an athletics department staff member who is subject to a show-cause order and during the period of the show-cause order that individual's conduct, or for a director of athletics and/or head coach, conduct involving any program in which the individual has oversight, results in an institutional Level I or Level II violation in the case;

(k) Involvement by a representative of the institution's athletics interests in violations;

(l) Conduct by a party and/or their representative that inhibits the Committee on Infractions' ability to effectively manage the docket, ensure a professional and civil decorum in all proceedings and/or otherwise efficiently resolve infractions cases; and

(m) Other facts warranting a higher penalty range.

19.12.3.2 Aggravating Factors for Involved Individuals. *(Adopted: 8/31/22 effective 1/1/23)*

(a) Multiple Level I and/or Level II violations;

(b) Failing or refusing to take all appropriate steps outlined in Bylaw 19.2.1 to advance resolution of the matter, including steps that hinder or thwart the institution and/or enforcement staff's investigation;

(c) Violations were premeditated, deliberate or committed after substantial planning;

(d) Persons of authority condoned, participated in or negligently disregarded the violation or related wrongful conduct;

(e) One or more violations caused ineligible competition;

(f) Conduct or circumstances demonstrating an abuse of a position of trust;

(g) A pattern of noncompliance within the involved sport program or programs;

(h) Conduct intended to generate pecuniary gain for the individual;

(i) Intentional, willful or blatant disregard for NCAA bylaws;

(j) Involvement by a representative of the institution's athletics interests in violations;

(k) Conduct by a party and/or their representative that inhibits the Committee on Infractions' ability to effectively manage the docket, ensure a professional and civil decorum in all proceedings and/or otherwise efficiently resolve infractions cases; and

(l) Other facts warranting a higher penalty range.

19.12.4 Mitigating Factors. Mitigating factors are circumstances that warrant a lower range of penalties for a particular party. A hearing panel determines whether mitigating factors are present in a case and the weight assigned to each factor. Examples of mitigating factors include, but are not limited to, the following: *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 10/5/16, 4/25/18, 4/27/18, 8/8/18, 9/24/18, 1/23/19 effective 8/1/19, 10/28/22 effective 1/1/23)*

19.12.4.1 Mitigating Factors for Institutions. *(Adopted: 10/28/22 effective 1/1/23, Revised: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

(a) Prompt self-disclosure of the violations;

(b) Prompt acknowledgement and acceptance of responsibility for the violations;

(c) Institution self-imposed meaningful corrective measures and/or penalties;

(d) Affirmative steps to expedite final resolution of the matter, including a good faith request for an accelerated hearing docket pursuant to Bylaw 19.8.4, timely submission of a summary disposition report pursuant to Bylaw 19.9.3 or timely submission of a negotiated resolution pursuant to Bylaw 19.10;

(e) An established history of self-reporting Level III violations (at minimum, five violations per year for the previous five years);

(f) Implementation of a system of compliance methods designed to ensure rules compliance and satisfaction of institutional/coaches' control standards. Additional considerations include:

(1) Whether the institution's compliance system aligns with industry standards, such as adoption of the National Association of Athletics Compliance Reasonable Standards;

(2) Whether the compliance system was in place at the time the violations occurred; and

(3) Whether the compliance system detected or should have detected the violations.

(g) The absence of prior conclusions of Level I, Level II or major violations within the past 10 years;

(h) Securing the meaningful cooperation of an individual who does not have an affirmative obligation to cooperate under Bylaw 19.2.1 (Responsibility to Cooperate); and

(i) Other facts warranting a lower penalty range.

19.12.4.2 Mitigating Factors for Involved Individuals. *(Adopted: 8/31/22 effective 1/1/23, Revised: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

(a) Prompt self-disclosure of the violations;

(b) Prompt acknowledgement of and acceptance of responsibility for the violations;

(c) Agreement to or proposing meaningful corrective measures and/or penalties consistent with Figure 19-1;

(d) Affirmative steps to expedite final resolution of the matter, including timely submission of a summary disposition report pursuant to Bylaw 19.9.3, timely submission of a negotiated resolution pursuant to Bylaw 19.10 or a good faith request for an accelerated hearing docket pursuant to 19.8.4.6;

(e) The absence of prior conclusions of Level I, Level II or major violations;

(f) Securing the meaningful cooperation of an individual who does not have an affirmative obligation to cooperate under Bylaw 19.2.1 (Responsibility to Cooperate); and/or

(g) Other facts warranting a lower penalty range.

19.12.5 Application of Exemplary Cooperation. As defined in Bylaw 19.2.1.1, a party may demonstrate exemplary cooperation by exceeding the elements of cooperation set forth in Bylaw 19.2.1. A hearing panel has the sole authority to determine whether a party demonstrated exemplary cooperation. In making the determination, the hearing panel will consider a party's behavior throughout the entirety of the infractions process, starting from the time the party became aware of potential violations through the resolution of the case. *(Adopted: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.5.1 Impact on Case Classification. If the hearing panel determines a party demonstrated exemplary cooperation, the hearing panel shall reduce the party's case by one classification (e.g., aggravated to standard or standard to mitigated). An application of exemplary cooperation will not change the level of the case. *(Adopted: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.5.2 Impact on Postseason Competition Penalty. If the hearing panel determines an institution demonstrated exemplary cooperation, the hearing panel shall not prescribe a postseason competition ban. The hearing panel may prescribe alternative penalties (e.g., a fine offsetting postseason distribution, additional recruiting and practice opportunities limitations, etc.). *(Adopted: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.5.2.1 Exception -- Repeat Violators. Even if a hearing panel determines that a party demonstrated exemplary cooperation, it may prescribe a postseason competition ban and/or decline to reduce the case classification if the institution or individual is a repeat violator (see Bylaw 19.12.7). *(Adopted: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.6 Repeat Violators.

19.12.6.1 Time Period. An institution shall be considered a repeat violator if the Committee on Infractions finds that a Level I or Level II violation has occurred within five years of the starting date of a Level I or Level II penalty stemming from a previous case. For this provision to apply, it shall not be necessary that the Committee on Infractions' hearing be conducted or its decision issued within the five-year period. An involved individual shall be considered a repeat violator if any of the three divisional Committees on Infractions previously concluded the individual was involved in a Level I, Level II or major violation. *(Adopted: 8/31/22 effective 1/1/23)*

19.12.6.2 Repeat Violator Penalties. In prescribing penalties for an institution or individual who is a repeat violator as defined by Bylaw 19.12.6.1, a hearing panel may depart upward from the core penalties identified in Figure 19-1 pursuant to Bylaw 19.12.8 including the prescription of a postseason competition ban even if exemplary cooperation is present (see Bylaw 19.12.5.2.1). *(Adopted: 8/31/22 effective 1/1/23, Revised: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.7 Core Penalties for Level I and Level II Violations. If a hearing panel concludes pursuant to Bylaw 19.8 or 19.9 or the parties participating in a negotiated resolution pursuant to Bylaw 19.10 agree that an institution or involved individual committed a Level I and/or Level II violation, and after determining the appropriate classification based on aggravating and mitigating factors, the hearing panel shall prescribe and/or the parties participating in a negotiated resolution

should agree to core penalties from the ranges set forth in Figure 19-1 and described below. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.12.7.1 Competition Penalties. Competition limitations on the institution's participation in postseason play in the involved sport or sports shall be limited to Level I cases that do not involve exemplary cooperation. Competition limitations shall be prescribed in Level I-Aggravated cases, and the panel shall have the discretion to prescribe competition limitations in Level I-Standard cases that lack exemplary cooperation. The panel may prescribe competition limitations to specific institutional sport programs and/or, if applicable, attach a competition limitation to an involved individual's show-cause order. If a postseason competition ban is not prescribed, the panel shall consider appropriate equivalent penalties associated with postseason competition (e.g., a fine equal to amount of postseason revenue distribution, additional restrictions on recruiting and practice opportunities, etc.). *(Adopted: 10/30/12 effective 8/1/13, Revised: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.7.1.1 Competition Penalties for Repeat Violators. If a party is a repeat violator (see Bylaw 19.12.6), the panel may prescribe a postseason competition ban consistent with the ranges identified in Figure 19-1 and Bylaw 19.12.6.2, regardless of the presence of exemplary cooperation (see Bylaw 19.12.5.2.1). *(Adopted: 6/26/24 effective 8/1/24 applicable to new and open cases that are decided by the Committee on Infractions on or after 8/1/24)*

19.12.7.2 Financial Penalties. Financial penalties may include requirements that an institution pay a fine, return revenue received from a specific athletics event or series of events, face reduction in or elimination of monetary distribution by the Association or lose all revenue sharing in postseason competition (including the NCAA Division I Men's or Women's Basketball Championship) for the entire period of a postseason ban. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18)*

19.12.7.2.1 Fine for Participation in NCAA Championship and Other Postseason Contests in Which an Ineligible Student-Athlete Competed. A hearing panel may require an institution to pay a fine, to be distributed to the NCAA Student Assistance Fund, if an ineligible student-athlete competes in NCAA championship or other postseason contests. In such a case, the institution shall pay the value of the full units [Basketball Performance Fund units and/or Equal Conference Fund units] awarded based on the institution's participation in NCAA Division I Men's or Women's Basketball Championship contests in which the ineligible student-athlete competed, or shall pay the value of a similar distribution awarded for the institution's participation in other NCAA championship or postseason contests in which the ineligible student-athlete competed. *(Adopted: 1/23/19)*

19.12.7.3 Scholarship Reductions. Limitations on the number of financial aid awards that may be provided during a specified period. *(Adopted: 10/30/12 effective 8/1/13)*

19.12.7.4 Show-Cause Orders. If a determination is made that an institution has not taken appropriate disciplinary or corrective action regarding an individual found in violation of NCAA bylaws, the panel may issue and/or approve an order that the institution take additional disciplinary or corrective action, including but not limited to, restriction of some or all athletically related duties, as set forth in Figure 19-1, unless the institution appears before the panel to show cause why the additional penalties should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. Show-cause orders begin with the release of the infractions decision pursuant to Bylaw 19.11.2 or, if multiple resolution methods are involved, the release of the public statement pursuant to Bylaw 19.11.2.1. The show-cause order is prospective in nature. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23, 1/10/24)*

19.12.7.4.1 Institutional or Sport Program Penalties within a Show-Cause Order. In addition to restrictions on athletically related duties, the panel may also attach institutional and/or sport program specific penalties (e.g., scholarship reductions, recruiting restrictions, countable athletically related activities limitations, postseason bans) as conditions of an involved individual's show-cause order. Institutional and/or sport program specific penalties may be appropriate if, for example, the involved individual's conduct was intentional, egregious or the conduct provided or was intended to provide an institution or sport program with a competitive advantage. Institutional or sport program penalties within a show-cause order shall apply to any employing institution during the designated period of the penalties. An employing institution may appear before the panel to show cause why the penalties should not be applied.
(Adopted: 1/10/24)

19.12.7.5 Suspensions. If a determination is made that an employing institution has not taken appropriate disciplinary or corrective action regarding an involved individual found in violation of NCAA legislation, the panel may issue and/or approve an order that the institution suspend the involved individual for a period of time from the range set forth in Figure 19-1 unless the institution appears before the panel to show cause why the suspension should not be applied. Unless

otherwise specified by the panel, the suspension shall apply to all athletically related duties during the designated time period. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. The suspension shall begin following the release of the infractions decision with the next scheduled contest of the championship segment, unless a different starting date is specified by the panel (e.g., conference schedule, postseason, etc.). *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23, 1/10/24)*

19.12.7.6 Recruiting Restrictions. Recruiting restrictions may include limitations for varying lengths of time on official visits; unofficial visits (the number of scheduled unofficial visits, provision of complimentary admissions and local transportation); recruiting communications (telephone and written correspondence); and off-campus recruiting activities. *(Adopted: 10/30/12 effective 8/1/13)*

19.12.7.7 Probation. The hearing panel may prescribe and/or approve probationary conditions designed on a case-by-case basis to remediate weaknesses detected in the institution's administration of its athletics programs. Prior to expiration of the probation period and before the institution is restored to full rights and privileges of membership in the Association, the office of the Committee on Infractions will review the athletics policies and practices of the institution. If an institution fails to satisfy all probationary conditions, the Committee on Infractions may extend the probationary period and/or prescribe additional penalties. Conditions of probation may include, but are not limited to, the following: *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

(g) Audits for specific programs or teams.

If extenuating circumstances are found, the hearing panel and/or the parties participating in a negotiated resolution may depart from the core penalties in Figure 19-1, provided the panel's decision and/or written agreement explain the basis for its prescription of core penalties different than those set forth in Figure 19-1. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.12.9 Additional Penalties for Level I and Level II Violations. Additional penalties for Level I and/or Level II violations may include one or more of the following: *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/7/14, 8/31/22 effective 1/1/23, 1/10/24)*

(h) Prohibition against television appearances of the institution in the sport in which the violation occurred. The penalty shall specify that the institution may not enter into any contracts or agreements for such appearances until the institution has been restored to full privileges of membership. The Board of Directors is authorized to permit a closed-circuit telecast, limited to the campus of the opponent of the ineligible institution, provided no rights fee is to be paid to the ineligible institution;

(i) Pursuant to a show-cause order, disassociation of relations with a representative of an institution's athletics interests, including:

19.12.11 Show-Cause Penalties. If a hearing panel prescribes and/or approves additional penalties for an institution for Level I or Level II violations pursuant to Bylaw 19.12.7.4, the institution shall be provided the opportunity to appear before the panel. Further, for show-cause penalties prescribed by a Committee on Infractions hearing panel, the institution shall be provided the opportunity to appeal any additional penalty prescribed by the panel. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

If a violation has been found that affects the eligibility of a student-athlete, the institution and its conference, if any, shall be notified of the violation and the name of the involved student-athlete. If the institution fails to take appropriate action by declaring a student-athlete ineligible, the institution shall be required to show cause to the Committee on Infractions why additional penalties should not be prescribed for a failure to abide by the conditions and obligations of membership if it permits a student-athlete to compete in intercollegiate athletics. *(Revised: 1/10/95, 4/24/03, 10/30/12 effective 8/1/13, 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.13 Appeal of Committee on Infractions Decisions.

19.13.1 Basis for Granting an Appeal.

19.13.1.1 Findings and Conclusions. A Committee on Infractions hearing panel's factual findings and its conclusion that one or more violations occurred shall be affirmed if there is information in the case record supporting the hearing panel's decision. The hearing panel's factual findings and conclusions shall not be set aside except on a showing by the appealing party that no reasonable person could have made the decision after considering the record. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

19.13.1.2 Level and Classification. A Committee on Infractions hearing panel's level decision and determination and weighing of aggravating and mitigating factors shall be affirmed if there is information in the case record supporting the hearing panel's decision. The hearing panel's level decision and determination and weighing of aggravating and mitigating factors shall not be set aside except on a showing by the appealing party that no reasonable person could have made the decision after considering the record. *(Adopted: 8/31/22 effective 1/1/23 applicable to new and open cases for which an appeal of a Committee on Infractions decision is requested on or after 1/1/23.)*

Additionally, a penalty prescribed by the Committee on Infractions in accordance with Bylaw 13.1.1.4.9 shall not be subject to appeal. An additional penalty shall be affirmed if there is information in the case record supporting the hearing panel's decision. An additional penalty shall not be set aside except on a showing by the appealing party that no reasonable person could have made the decision after considering the record. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23, 4/15/26)*

19.13.2 Appeal by Institution or Involved Individual. An institution participating in the proceedings of a Committee on Infractions hearing panel may appeal the panel's findings, conclusions, determinations and/or penalties prescribed for violations of NCAA bylaws. An involved individual participating in the proceedings of the panel and who the panel concluded committed a violation may appeal the panel's findings, conclusions, determinations and/or prescribed penalties regarding that individual for violations in which the individual is named. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23, 2/13/25)*

19.13.2.1 Appeal of Violation for Which a Head Coach Is Held Responsible. If a head coach presented arguments to a Committee on Infractions hearing panel regarding an underlying violation for which the head coach was held responsible (see Bylaw 11.1.1.1), the head coach may appeal the violation regardless of whether the head coach was named in, involved in or had knowledge of the violation. *(Adopted: 2/13/25)*

19.13.2.2 Notice of Intent to Appeal -- Deadline and Contents. The notice of intent to appeal must be presented in writing to the Infractions Appeals Committee not later than 15 calendar days after the date the hearing panel releases the public infractions decision. The notice of intent to appeal shall include the following, unless otherwise ordered by the Infractions Appeals Committee: *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23, 2/13/25)*

(a) The date on which the decision of the hearing panel was released to the public;

(b) Penalties to be stayed, if applicable, pursuant to Bylaw 19.13.2.3; and

(c) If the appealing party is an involved individual, a statement indicating whether the individual is employed at an NCAA institution. If the involved individual's employment status changes during the course of the appeal, the statement shall be amended promptly to reflect the change and the identity of the new employer.

19.13.2.3 Stay of Penalties. Filing a notice of intent to appeal does not automatically stay penalties prescribed by a hearing panel of the Committee on Infractions. If an appellant chooses to stay a penalty during the pendency of the appeal, the appellant must identify the penalty in its notice of intent to appeal. Upon submission of the notice of intent to appeal, the penalty identified by the appellant shall be stayed during the pendency of the appeal. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23, 2/13/25)*

19.13.3 Written Materials on Appeal. Materials may be submitted as set forth below, subject to procedures promulgated by the Infractions Appeals Committee or as otherwise directed by the committee. Extensions to any deadlines set forth below shall not be granted except in exceptional circumstances. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.13.3.1 Initial Submission by Institution or Involved Individual. Within 30 days after receipt of the Infractions Appeals Committee's acknowledgement of a timely notice of intent to appeal, an appealing institution or individual shall provide its initial submission. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.13.3.2 Response by Committee Appeals Advocate. Within 30 days after receipt of an initial submission in support of its appeal by an institution or involved individual, the committee appeals advocate shall submit a response to the Infractions Appeals Committee. *(Adopted: 10/30/12 effective 8/1/13, Revised: 4/19/19, 8/31/22 effective 1/1/23)*

19.13.3.3 Rebuttal by Institution or Involved Individual. Within 14 days after receipt of the committee appeals advocate's response, an institution or involved individual may submit a rebuttal to the Infractions Appeals Committee. The rebuttal may only address issues contained in the initial submission or the committee appeals advocate's response. *(Adopted: 10/30/12 effective 8/1/13)*

19.13.3.4 Enforcement Staff Statement. Within 10 days after the deadline for submission of all rebuttals, the enforcement staff may provide a written statement to the Infractions Appeals Committee regarding perceived new information, errors, misstatements and omissions relating to an initial submission, the committee appeals advocate's response and/or rebuttal documents. The enforcement staff's statement shall be included in the record on appeal and considered by the Infractions Appeals Committee. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.13.4 Information Considered on Appeal. The Infractions Appeals Committee shall consider only the information contained in the record of proceedings before the Committee on Infractions, the record on appeal and arguments presented during the appeal oral argument, if any, unless otherwise ordered by the Infractions Appeals Committee. If an institution or involved individual seeks to introduce new information during the appeal process, the Infractions Appeals Committee shall determine whether it meets the threshold definition of new information per Bylaw 19.02.2 and, if so, may stay the appeal and remand the matter to the assigned panel to conduct further proceedings as may be necessary to address whether the information affects the panel's decision and to amend the decision, if necessary. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.13.5 Mode of Appeal. Appeal arguments shall be reviewed on the written record and parties may not request oral argument. In extenuating circumstances, the Infractions Appeals Committee may order limited oral argument if a majority of committee members determine that a decision cannot be rendered in the absence of oral argument. If ordered, an oral argument may be conducted subject to procedures promulgated by the Infractions Appeals Committee or as otherwise directed by the committee. The total time allowed for presentations, rebuttal (if any) and responses to the Infractions Appeals Committee's questions shall not exceed 60 minutes per party. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23)*

19.13.6 Decision of the Infractions Appeals Committee. After considering the appeal and deliberating privately, the Infractions Appeals Committee shall prepare a written decision and provide a copy to any appealing party (including the president or chancellor of an institution currently employing an involved individual), the chair of the Committee on Infractions, the committee appeals advocate and the vice president of enforcement, unless otherwise ordered by the committee. If the committee affirms the hearing panel's decision, it may issue a summary decision stating its conclusions without further discussion. Once the decision has been provided to the parties, the committee shall release a public appeal decision. The public appeal decision shall identify by name all involved individuals and representatives of the institution's athletics interests who committed Level I or Level II violations. It may also identify by name the chancellor or president of the institution in cases involving lack of institutional control and the director of athletics and/or any individual with direct responsibility and oversight of the athletics department in cases involving lack of institutional control or failure to monitor. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/31/22 effective 1/1/23, 1/10/24)*

19.13.7 Final Decision not Subject to Further Review. Any decision of the Infractions Appeals Committee shall be final, binding and conclusive, and shall not be subject to further review by any governance body. *(Adopted: 10/30/12 effective 8/1/13)*

19.14 Notice of Allegations, Opportunity to Respond and Penalties (Level III Cases).

19.14.1 General Process for Alleged Violations. A Level III case is a case presenting Level III violations that do not collectively constitute a Level II violation. An institution or involved individual subject to a show-cause order in a Level III case may be represented by legal counsel and shall be provided the following: *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 4/14/17)*

(a) Notice of any specific allegations and the facts upon which such allegations are based; and

(b) An opportunity to provide a written response to the vice president of enforcement (or a designee) to answer such allegations by the production of factual information and to appeal to a hearing panel of the Committee on Infractions.

19.14.2 Determination by Enforcement Staff. After reviewing relevant information and consulting with the institution or involved individual, the enforcement staff shall conclude whether one or more Level III violations occurred. If the enforcement staff concludes that the alleged violation or violations should not be processed as a Level III case, it may process the case as Level I or Level II case, as appropriate, or determine that no further action is required. *(Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17)*

19.14.3 Authority to Prescribe Penalties. As authorized by the Committee on Infractions, upon a conclusion that one or more Level III violations occurred, the vice president of enforcement (or a designee) may determine whether a penalty is warranted and, if so, prescribe and announce an appropriate penalty pursuant to Bylaw 19.12.10. Failure to fully implement the penalty may be considered a violation and/or may subject the institution to further disciplinary action by the NCAA. Failure to fully implement self-imposed actions may also subject the institution to further disciplinary action by the NCAA. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

19.14.4 Appeal to Committee on Infractions. If an institution or involved individual subject to a show-cause order disputes an action by the enforcement staff regarding a Level III violation, the institution or involved individual may appeal by submitting a notice of appeal through the online reporting system for Level III violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An institution or involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, a hearing panel of the committee will review the appeal on the basis of the written record. The panel shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. *(Adopted: 10/30/12 effective 8/1/13)*

19.14.4.1 Stay of Penalties. If a notice of appeal is filed within the deadline, unless ordered otherwise by a hearing panel of the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. *(Adopted: 10/30/12 effective 8/1/13)*

20.4.2 Effective Date and Compliance Period. In establishing criteria, the members of the division shall specify the effective date and compliance period, if any. Each institution (either as a member of that division or as an institution that competes in a sport in that division under the provisions of multidivision classification per Bylaw 20.5) shall conform to the requirements of the criteria by that effective date or by the end of the compliance period, whichever is later.

20.4.2.1 Deadline for Meeting Performance Criterion. An institution must comply with a specific performance criterion adopted by the membership of its division (e.g., that the institution sponsor a minimum number of sports, schedule and play a specific percentage or number of contests against opponents of a certain division) by the end of the academic year prior to the effective date of the legislation.

20.4.3 Failure to Conform by Effective Date. If an institution has not conformed to the adopted criteria of its division by the effective date or the end of the prescribed compliance period, the institution's membership (or its sport per Bylaw 20.5) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.5) does not qualify for any division, the institution (or its sport per Bylaw 20.5) shall be reclassified in accordance with Bylaw 20.4.5.

20.4.4 Continuation of Compliance. To retain division membership or approved multidivision classification (per Bylaw 20.5), each member institution shall continue to meet division criteria when any grace period expires. If an institution fails to remain in compliance with its division's criteria, the institution's membership (or its sport per Bylaw 20.5) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.5) does not qualify for any division, the institution shall be reclassified in accordance with Bylaw 20.4.5 and also shall be subject to the Association's infractions process. *(Revised: 7/31/14)*

If an institution (or its sport per Bylaw 20.5) does not qualify for membership in any division, the institution (or its sport per Bylaw 20.5) may be placed in a restricted membership category for a minimum of one year. At the conclusion of the minimum one-year period, the institution automatically shall be granted membership in its preferred division, provided the institution complies with the division's criteria. If the institution does not meet the criteria of any division at the end of the restricted membership period, the institution shall forfeit its membership in the Association. *(Revised: 1/15/11 effective 8/1/11)*

20.4.5.1.2 Failure to Meet Minimum Sports Sponsorship Criteria.

20.4.5.1.2.1 One-Year Probationary Period. An institution that fails to meet either the minimum men's or women's sports sponsorship criterion for its division shall be placed on probation for one year for its entire program (both men's and women's sports) in the next academic year after noncompliance with sports sponsorship requirements is discovered. An institution shall be afforded the one-year probationary period for failure to comply with sports sponsorship criteria only once in every 10-year period. The 10-year period shall begin the September 1 following completion of the academic year in which the membership criterion is not met. *(Revised: 1/11/89)*

20.4.5.1.2.2 Application of Restricted Membership Status. If an institution fails to meet the sports sponsorship criterion at the end of the probationary year or is ineligible for the once-in-10-year probationary period, it shall be placed in restricted membership and shall not be eligible for NCAA championship competition in all sports (both men's and women's) in the first academic year after the probationary year (or the first academic year after failure to meet the requirements if the institution is ineligible for the once-in-10-year probationary period). If the institution still cannot certify compliance with the division criterion at the end of that year, it shall forfeit its membership in the Association. *(Revised: 1/11/89, 1/15/11 effective 8/1/11)*

20.4.5.1.3 Failure to Meet Division Scheduling Requirement. An institution that fails to meet the division scheduling requirement in a sport shall be placed in the restricted membership category in that sport, with men's and women's teams in the same sport treated separately. The sport shall be in the restricted membership category for not longer than a three-year period.

20.4.5.1.4 Failure to Meet Financial Aid Minimums. An institution that fails to meet the financial aid minimums shall be placed in the restricted membership category for a period of one year. *(Adopted: 11/1/00 effective 8/1/01)*

(a) In compliance to the greatest extent possible with that division's scheduling criteria;

(b) Bound by all other applicable rules of the Association;

(c) Permitted to vote only on dominant issues, unless the restricted membership status is in one sport, in which case its loss of voting privileges shall apply only to that sport; and

(d) Ineligible for NCAA championships and postseason football contests, unless the restricted membership status is in one sport, in which case loss of eligibility for championships and postseason football contests shall apply only to that sport.

20.4.5.1.6 Division Members Counting a Restricted Opponent. During the period of its restricted membership, an institution may be counted by its classified opponents as a member of the restricted institution's desired division for purposes of the opponents' meeting their division's scheduling criteria; however, a restricted member shall not count another restricted member for such purposes.

20.4.5.1.6.1 Restricted Members Counting a Restricted Opponent. A contest between two institutions in restricted membership status in a sport shall not be counted as a contest by either institution for purposes of the scheduling criterion in the sport in which they are restricted, provided this exception is not applied to more than 25 percent of an institution's contests in the sport in question for any particular season.

20.4.5.1.7 No Voluntary Selection of Restricted Membership Category. Restricted membership status is imposed only when an institution has failed to comply with division membership criteria. An institution is not permitted to select voluntarily or to request that it be placed in the restricted membership category.

20.4.5.1.8 Removal of Restricted Membership Status. When an institution that has been placed in restricted membership status wishes to return to its original membership division, it shall meet the criteria that were in effect at the time it became restricted or that have become effective since that time. If a restricted institution wishes to move to a different membership division, it is considered a petitioner for change of division membership per Bylaw 20.6 and would be required to meet all of the new division's criteria at the time the institution leaves restricted status.

20.4.5.2 Loss of Membership.

20.9 Division I Membership.

20.9.1 Commitments to the Division I Collegiate Model. In addition to the purposes and fundamental policy of the National Collegiate Athletic Association, as set forth in the NCAA constitution, members of Division I support the following commitments in the belief that these commitments assist in defining the nature and purposes of the division. These commitments are not binding on member institutions, but serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.1 The Commitment to Value-Based Legislation. Bylaws proposed and enacted by member institutions governing the conduct of intercollegiate athletics shall be designed to foster competition in intercollegiate athletics, promote the Association's enduring values and advance the Collegiate Model as set forth in the NCAA constitution. In some instances, a careful balancing of these values may be necessary to help achieve the purposes of the Association. *(Adopted: 1/19/13 effective 8/1/13, Revised: 6/6/25 effective 7/1/25)*

20.9.1.2 The Commitment to the Collegiate Model. Member institutions shall conduct their athletics programs for students who choose to participate in intercollegiate athletics as a part of their educational experience and in accordance with NCAA bylaws, thus maintaining a line of demarcation between student-athletes who participate in the Collegiate Model and athletes competing in the professional model. *(Adopted: 1/19/13 effective 8/1/13, Revised: 6/6/25 effective 7/1/25)*

20.9.1.3 The Commitment to Fair Competition. Bylaws shall be designed to promote the opportunity for institutions and eligible student-athletes to engage in fair competition. This commitment requires that all member institutions compete within the framework of the Collegiate Model of athletics in which athletics competition is an integral part of the student-athlete's effort to acquire a degree in higher education. The commitment to fair competition acknowledges that variability will exist among members, including facilities, geographic locations and resources, and that such variability should not be justification for future legislation. Areas affecting fair competition include, but are not limited to, personnel, eligibility , recruiting, financial aid, the length of playing and practice seasons, and the number of institutional competitions per sport. *(Adopted: 1/19/13 effective 8/1/13, Revised: 6/6/25 effective 7/1/25)*

20.9.1.4 The Commitment to Integrity and Sportsmanship. It is the responsibility of each member institution to conduct its athletics programs and manage its staff members, representatives and student-athletes in a manner that promotes the ideals of higher education and the integrity of intercollegiate athletics. Member institutions are committed to encouraging behavior that advances the interests of the Association, its membership and the Collegiate Model of athletics.

All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity and ethical conduct. These values should be manifest not only in athletics participation, but also in the broad spectrum of activities affecting the athletics programs. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.5 The Commitment to Institutional Control and Compliance. It is the responsibility of each member institution to monitor and control its athletics programs, staff members, representatives and student-athletes to ensure compliance with the constitution and bylaws of the Association. Responsibility for maintaining institutional control ultimately rests with the institution's campus president or chancellor. It is also the responsibility of each member institution to report all breaches of conduct established by these bylaws to the Association in a timely manner and cooperate with the Association's infractions process. Upon a conclusion that one or more violations occurred, an institution shall be subject to such disciplinary and corrective actions as may be prescribed by the Association on behalf of the entire membership. *(Adopted: 1/19/13 effective 8/1/13, Revised: 7/31/14)*

20.9.1.6 The Commitment to Student-Athlete Well-Being. Intercollegiate athletics programs shall be conducted in a manner designed to enhance the well-being of student-athletes who choose to participate and to prevent undue commercial or other influences that may interfere with their scholastic, athletics or related interests. The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their academic pursuits. It is the responsibility of each member institution to establish and maintain an environment in which student-athletes' activities, in all sports, are conducted to encourage academic success and individual development and as an integral part of the educational experience. Each member institution should also provide an environment that fosters fairness, sportsmanship, safety, honesty and positive relationships between student-athletes and representatives of the institution. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.7 The Commitment to Sound Academic Standards. Standards of the Association governing participation in intercollegiate athletics, including postseason competition, shall be designed to ensure proper emphasis on educational objectives and the opportunity for academic success, including graduation, of student-athletes who choose to participate at a member institution. Intercollegiate athletics programs shall be maintained as an important component of the educational program, and student-athletes shall be an integral part of the student body. Each member institution's admission and academic standards for student-athletes shall be designed to promote academic progress and graduation and shall be consistent with the standards adopted by the institution for the student body in general. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.8 The Commitment to Responsible Recruiting Standards. Recruiting bylaws shall be designed to promote informed decisions and balance the interests of prospective student-athletes, their educational institutions, the Association's member institutions and intercollegiate athletics as a whole. This commitment includes minimizing the role of external influences on prospective student-athletes and their families and preventing excessive contact or pressure in the recruitment process. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.9 The Commitment to Access, Opportunity and Belonging. The Division I membership shall create accessible and inclusive environments, promote dignity and respect for every person, and include varied perspectives in the pursuit of academic and athletics excellence. The realization of these values empowers all student-athletes to reach their full potential and fosters positive learning and competitive environments in which all student-athletes can thrive as well. Member institutions shall support professional development and leadership opportunities for all athletics administrators, coaches and staff. *(Adopted: 1/19/13 effective 8/1/13, Revised: 1/28/26)*

20.9.2 Division I Philosophy. Members of Division I support the following principles in the belief that the following statements provide further definition of the nature and purposes of the division. These statements are not binding on member institutions, but serve as additional guidance for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. A member of Division I: *(Revised: 1/19/13 effective 8/1/13)*

(a) Subscribes to high standards of academic quality, as well as breadth of academic opportunity;

(b) Strives in its athletics program for regional and national excellence and prominence. Accordingly, its recruitment of student-athletes and its emphasis on and support of its athletics program are, in most cases, regional and national in scope;

(c) Recognizes the dual objective in its athletics program of serving both the university or college community (participants, student body, faculty-staff, alumni) and the general public (community, area, state, nation);

(d) Believes in offering extensive opportunities for participation in varsity intercollegiate athletics for both men and women;

(e) Sponsors at the highest feasible level of intercollegiate competition one or both of the traditional spectator-oriented, income-producing sports of football and basketball. In doing so, members of Division I recognize the differences in institutional objectives in support of football; therefore, the division provides competition in that sport in the Bowl Subdivision and the Championship Subdivision;

(f) Believes in scheduling its athletics contests primarily with other members of Division I, especially in the emphasized, spectator-oriented sports, as a reflection of its goal of maintaining an appropriate competitive level in its sports program;

(g) Maintains institutional control over all funds supporting athletics; and

(h) Understands, respects and supports the programs and philosophies of other divisions. Occasionally, institutions from other divisions or athletics associations will seek membership in Division I. In such cases, the applicants should be required to meet, over a period of time, prescribed criteria for Division I membership in order to ensure that such institutions agree and comply with the principles and program objectives embodied in this statement.

20.9.3 Financial Aid Requirements. [M]

The committee shall announce the revised figure in the fall each year for the following academic year;

This provision shall be applicable to an institution in a given year if the average per-student allotment of Pell Grant dollars for undergraduates reported to the U.S. Department of Education the previous September is more than one standard deviation above the mean for all reporting Division I member institutions that year. If an institution does not qualify under this provision after having been able to do so the previous year, the institution may continue to use this alternative for one year and shall not be required to meet the provisions of (a), (b) or (c) above until the following year. Name, Image and Likeness Activities

22.01 General Principles.

22.01.1 Name, Image and Likeness Compensation. An individual may receive compensation for the use of the individual's name, image and likeness, which may be secured or compensated based, in whole or in part, on athletics skill or reputation. Name, image and likeness activities may not be used to compensate an individual for athletics participation or achievement. *(Adopted: 1/10/24 effective 8/1/24, Revised: 6/6/25 effective 7/1/25)*

22.02 Definitions and Applications.

22.02.1 Associated Entity. [S] An associated entity is: *(Adopted: 6/6/25 effective 7/1/25)*

(a) An entity that is or was known (or should have been known) to an institution's athletics department staff to exist, in significant part, for the purpose of promoting or supporting the institution's intercollegiate athletics program or student-athletes; and/or creating or identifying name, image and likeness opportunities solely for the institution's student-athletes;

(b) An entity that has been directed or requested by an institution's athletics department staff to assist in the recruitment or retention of student-athletes or prospective student-athletes, or otherwise has assisted in the recruitment or retention of student-athletes or prospective student-athletes; or

(c) An entity owned, controlled, or operated by, or otherwise affiliated with an associated individual or an associated entity defined in (a) or (b) above, other than a publicly traded corporation.

22.02.2 Associated Individual. [S] An associated individual is: *(Adopted: 6/6/25 effective 7/1/25)*

(a) An individual who is or was a member, employee, director, officer, owner, or agent of an associated entity;

(b) An individual who directly or indirectly (including contributions by an affiliated entity or family member) has contributed more than $50,000 during the individual's lifetime to an institution or to an associated entity defined in 22.02.1-(a); or

(c) An individual who has been directed or requested by an institution's athletics department staff to assist in the recruitment or retention of student-athletes or prospective student-athletes, or otherwise has assisted in the recruitment or retention of student-athletes or prospective student-athletes.

22.02.3 Name, Image and Likeness Activity. [S] Name, image and likeness activity is any activity that involves the use of an individual's name, image likeness or appearance to advertise or endorse the sale or use of a commercial product or service. Name, image and likeness activity is also any activity that involves the use of an individual's name, image, likeness or appearance to support noncommercial (e.g., charitable, educational, nonprofit) entities or endeavors, or in activities considered incidental to the individual's participation in intercollegiate athletics. *(Adopted: 1/10/24 effective 8/1/24, Revised: 6/6/25 effective 7/1/25)*

22.1 Student-Athlete Name, Image and Likeness Activities.

22.1.1 Institutional Involvement in Student-Athlete Name, Image and Likeness Activities. [S] An institution or an entity owned, controlled, funded or operated by the institution may: *(Adopted: 4/18/24, Revised: 6/6/25 effective 7/1/25, 8/5/25)*

(a) Enter into a written license and/or endorsement agreement for the use of a student-athlete's name, image or likeness, or other rights, other than a license or agreement that authorizes payment for the right to use a student-athlete's name, image or likeness for a broadcast of collegiate athletic games or competitive athletic events, for a period not to exceed the student-athlete's period of eligibility (see Bylaw 12.6), provided the agreement does not provide for payments to a third party on the student-athlete's behalf. However, if an institution and a student-athlete agree to the institution's use of the student-athlete's name, image or likeness to promote its academic or athletics program in content created while the student-athlete is enrolled, the institution may, pursuant to the agreement, continue the use of such content after the student-athlete's eligibility has expired; and

(b) Act as a marketing agent for a student-athlete with respect to noninstitutional name, image or likeness contracts. A parent, guardian, lawyer, or other competent representative may assist the student-athlete in discussions regarding entering into an exclusive or nonexclusive license or endorsement agreement, unless the student-athlete waives in writing the assistance of a parent, guardian, lawyer, or other competent representative.

22.1.1.1 No Guarantee of Third-Party NIL. [S] An institution shall not provide a written or oral guarantee of a third-party NIL contract or payment. A guarantee is any written or oral statement that the institution will be responsible for such a contract or payment if not fulfilled by the third party. *(Adopted: 10/1/25)*

22.1.1.1.1 Exception -- Guaranteed Third-Party NIL Prior to July 1, 2025. [S] If prior to July 1, 2025, an institution guaranteed a third-party NIL contract or payment for the 2025-26 academic year, such guarantee is permissible and will count against the institution's benefits cap unless and until the student-athlete receives NIL payments from the third party up to the guaranteed amount. *(Adopted: 10/1/25)*

22.1.1.2 Actual and Necessary Expenses. [S] An institution may provide a student-athlete with actual and necessary expenses related to participation in name, image and likeness activities considered incidental to the individual's participation in intercollegiate athletics (e.g., institutional promotions). Payment of such expenses is not considered compensation for use of the student-athlete's name, image and likeness and does not count toward the benefits cap. *(Adopted: 10/2/25)*

22.1.2 Noninstitutional Name, Image and Likeness Activities. [S] An individual may permit the use of the individual's name, image, likeness in noninstitutional name, image and likeness activities and receive compensation for such activities. *(Adopted: 6/6/25 effective 7/1/25 any contracts or payment terms for a third party's use of a student-athlete's NIL executed on or after 6/6/25, and agreements executed before 6/6/25 with payments to be made on or after 7/1/25 are subject to the applicable reporting requirements and name, image and likeness clearinghouse review)*

22.1.3 Involvement of Associated Entities or Individuals in Student-Athlete Name, Image and Likeness Activities. [S] An associated entity or individual shall not enter into an agreement with or provide payment to a prospective student-athlete or student-athlete unless the agreement or payment terms, as determined by the name, image and likeness clearinghouse, are for a valid business purpose related to the promotion or endorsement of goods or services provided to the general public for profit, with compensation at rates and terms commensurate with compensation paid to similarly situated individuals with comparable name, image and likeness value who are not prospective student-athletes or student-athletes of the institution. Raising money to induce student-athletes to attend or participate in intercollegiate athletics at an institution does not satisfy the valid business purpose requirement for making NIL payments to student-athletes. *(Adopted: 6/6/25 effective 7/1/25 any contracts or payment terms for a third party's use of a student-athlete's NIL executed on or after 6/6/25, and agreements executed before 6/6/25 with payments to be made on or after 7/1/25 are subject to the applicable reporting requirements and name, image and likeness clearinghouse review, Revised: 9/2/25)*

22.1.3.1 Request for Information Related to Valid Business Purpose. [S] The College Sports Commission (CSC) may require student-athletes or the entities with whom they seek to enter into NIL agreements to provide information and documentation to establish compliance with the requirements, including an associated entity or individual's efforts to profit from the NIL deal. Refusal to provide this information or the provision of insufficient information to establish compliance may result in NIL deals not being cleared by the CSC. *(Adopted: 9/2/25)*

22.1.3.2 Valid Business Purpose of Contract or Payment Terms With Nonprofit or Charitable Organization. [S] A name, image and likeness contract or payment terms involving a noninstitutional nonprofit or charitable organization may be considered to have a valid business purpose only if the contract or payment terms: *(Adopted: 9/2/25)*

(a) Originate with funding from the nonprofit or charitable organization; and

(b) Involve the student-athlete participating in an activity for which the primary purpose is to raise funds to support the organization's bona fide charitable mission. A bona fide charitable mission may not include supporting the institution or its athletics program in any form, or supporting a prospective student-athlete or student-athlete.

22.1.3.3 Deployment of Rights as a Valid Business Purpose. [S] An NIL agreement or payment with an associated entity or individual must include direct activation of the student-athlete's name, image and likeness rights. In other words, the acquisition of such rights without reasonable specificity of the NIL activation (e.g., description of the specific group licensing categories, the student-athlete's obligations related to the activation, timing and ultimate use of the student-athlete's NIL) may not satisfy the requirements for payments by associated entities or individuals. *(Adopted: 10/1/25)*

22.2 Reporting and Clearinghouse Review of Name, Image and Likeness Activities. [S]

22.2.1 Reporting of Institutional Student-Athlete Name, Image and Likeness Activities. [S] An institution shall report institutional name, image and likeness payments through the benefits cap management system (see Bylaw 16.13). *(Adopted: 4/18/24 effective 8/1/24, Revised: 6/6/25 effective 7/1/25)*

22.2.2 Reporting of Noninstitutional Name, Image and Likeness Activities. [S] A student-athlete (including a student-athlete who attends an institution that is not a member of a defendant conference in the House settlement or does not provide additional benefits contemplated by the settlement) shall report all noninstitutional name, image and likeness contracts or payment terms, including those involving associated entities or individuals, with a total value of $600 or more to the

designated name, image and likeness clearinghouse for review. If an individual enters into multiple agreements or receives multiple payments from the same or substantially the same third party, including any affiliates or parties with common ownership, such activities must be reported if the aggregate value is $600 or more during the student-athlete's period of eligibility. *(Adopted: 6/6/25 effective 7/1/25 any contracts or payment terms for a third party's use of a student-athlete's NIL executed on or after 6/6/25, and agreements executed before 6/6/25 with payments to be made on or after 7/1/25 are subject to the applicable reporting requirements and name, image and likeness clearinghouse review, Revised: 8/5/25)*

22.2.2.1 Documentation. [S] Written documentation of the name, image and likeness contract or payment terms with clear evidence of agreement to the contract or payment terms from the student-athlete and noninstitutional payor must be submitted to the name, image and likeness clearinghouse. *(Adopted: 6/6/25 effective 7/1/25)*

22.2.2.1.1 Sufficient Information and Documentation. [S] The student-athlete and the student-athlete's institution shall provide information and documentation sufficient to establish compliance with the requirements related to noninstitutional name, image and likeness contracts or payment terms. Providing insufficient information or documentation, or the refusal to provide sufficient information or documentation, is grounds for the contract or payment terms to not be cleared by the College Sports Commission. *(Adopted: 8/4/26)*

22.2.2.1.1.1 Notice. [S] The College Sports Commission shall provide 14 calendar days' notice to the student-athlete and the student-athlete's institution of its determination of insufficient information or documentation, or the refusal to provide sufficient information or documentation, before taking action to not clear the contract or payment terms. *(Adopted: 8/4/26)*

22.2.2.2 Timing of Reporting. [S] A student-athlete shall submit written documentation to the name, image and likeness clearinghouse within five business days of execution of a noninstitutional name, image or likeness contract or agreement to payment terms. Failure to report an agreement or payment within the five-day period may result in disciplinary action by the CSC, which may include rendering the student-athlete ineligible for future practice and competition (see Bylaw 23.3). *(Adopted: 6/6/25 effective 7/1/25, Revised: 10/28/25)*

22.2.2.2.1 Institutional Obligations Upon Discovery. [S] Upon discovery by an institution that a payment or contract involving one of its student-athletes may not have been reported, the institution shall have two business days to review whether a violation for failure to report has occurred and, if so, to notify the CSC of the violation. If, at the conclusion of the two-day period, the student-athlete has still not appropriately reported the deal, the CSC shall immediately render the student-athlete ineligible for practice and competition (see Bylaw 23.3) until the deal is reported. *(Adopted: 10/28/25)*

22.2.2.3 Attestation. [S] Upon registration with the NIL clearinghouse, current and incoming student-athletes shall attest that all noninstitutional name, image and likeness contracts or payment terms subject to Bylaw 22.2.2 will be reported to the NIL clearinghouse. A student-athlete shall attest to the following when disclosing noninstitutional name, image and likeness contracts or payments to the name, image and likeness clearinghouse: *(Adopted: 6/6/25 effective 7/1/25)*

(a) The name, image and likeness contract or payment terms as submitted is accurate and complete;

(b) Student-athlete obligations and noninstitutional payments details are included in the written documentation;

(c) The written documentation of the actual name, image and likeness contract or payment terms has been uploaded; and

(d) Student-athlete obligations will be or are intended to be performed during the annual reporting period.

22.2.2.4 Student-Athlete Responsibility. [S] A student-athlete shall be responsible for the accurate submission of noninstitutional name, image and likeness contract or payment terms and subject to any enforcement action resulting from the submission of a noninstitutional contract or payment terms of a name, image and likeness agreement involving an associated entity or individual that does not meet the standard of review specified in Bylaw 22.2.4, regardless of whether the student-athlete attends an institution that is a member of a defendant conference in the House settlement or provides additional benefits contemplated by the settlement. *(Adopted: 6/6/25 effective 7/1/25, Revised: 8/5/25)*

22.2.2.5 Prospective Student-Athletes. [S] A prospective student-athlete is required to disclose noninstitutional name, image, and likeness contracts or payment terms as follows: *(Adopted: 10/30/25)*

22.2.2.5.1 High School and Two-Year College Prospective Student-Athletes. [S] A prospective student-athlete initially enrolling at a Division I institution shall report all noninstitutional name, image, and likeness contracts or payment terms with compensation of $600 or more that have been executed or agreed upon from the first day of classes of the prospective student-athlete's junior year in high school or the date of initial enrollment at a two-year college. If an individual enters into multiple agreements or receives multiple payments from the same or substantially the same third party, such activities must be reported if the aggregate compensation is $600 or more during the established reporting period. *(Adopted: 10/30/25 applicable to contracts or payment terms for which payments were or are made to a prospective student-athlete on or after 7/1/25 or the first day of a high school prospective student-athlete's junior*

[S] Prospective four-year college transfers shall report all noninstitutional name, image, and likeness contracts or payment terms with compensation of $600 or more that have been executed from the date in which the student-athlete's name was officially entered into the NCAA Transfer Portal. A transfer who has previously reported a deal that will remain in place upon transfer shall not be required to resubmit the deal if it has been cleared by the CSC. If an individual enters into multiple agreements or receives multiple payments from the same or substantially the same third party, such activities must be reported if the aggregate compensation is $600 or more during the established reporting period. *(Adopted: 10/30/25 applicable to contracts or payment terms for which payments were or are made to a prospective student-athlete on or after 7/1/25)*

22.2.2.5.3 Timing of Reporting. [S] An incoming prospective student-athlete must report noninstitutional name, image and likeness contracts or payment terms not later than either 14 days after initial full-time enrollment at a Division I institution, or prior to the institution's first scheduled contest against outside competition in the individual's sport, whichever occurs first. *(Adopted: 10/30/25)*

23.02 Definitions and Applications. [S] *(Adopted: 6/6/25 effective 7/1/25)*

23.02.1 Designated Enforcement Entity. [S] The designated enforcement entity is the entity responsible for interpretation and enforcement of NCAA bylaws adopted based on the House settlement (roster limits, provision of additional benefits, payments and expenses and noninstitutional name, image and likeness agreements) including investigating alleged violations, prescribing penalties for violation determinations, and serving as the party seeking enforcement of any penalties contested through neutral arbitration. *(Adopted: 6/6/25 effective 7/1/25 , Revised: 8/5/25)*

23.02.2 Neutral Arbitration. [S] Neutral arbitration is the independent process by which an institution or a student-athlete may contest a decision or penalties prescribed by the designated enforcement entity for a violation of the applicable rules. *(Adopted: 6/6/25 effective 7/1/25)*

23.02.3 Neutral Arbitrator. [S] A neutral arbitrator is an individual who is authorized to resolve a dispute regarding decisions or penalties prescribed by the designated enforcement entity. A neutral arbitrator's decision shall be final and binding on the parties subject to the neutral arbitration. A neutral arbitrator will be appointed and serve terms according to the terms of the House settlement agreement. *(Adopted: 6/6/25 effective 7/1/25)*

Failure to fully implement or adhere to a prescribed penalty may be considered a separate rules violation and may subject the institution, involved individuals, and the institution employing an involved individual to further disciplinary action. Failure to fully cooperate may also be considered a separate rules violation and may subject a party to further disciplinary action. All disputes regarding any discipline to a student athlete imposed by the CSC related to the House settlement are subject to the neutral arbitration process set forth in Article Six of the House settlement and Bylaw 23.3. *(Adopted: 11/26/25)*

Financial penalties assigned to an involved individual shall attach to the individual and not the institution (an unpaid financial penalty follows the individual to any institution that employs the involved individual in the future). The CSC has discretion to determine the appropriate amount of the financial penalty and may take into consideration factors as outlined in Bylaw 23.2.4.1, including consideration that repeat and/or intentional violations shall result in an increased financial penalty. An institution is prohibited from raising funds to pay for a financial penalty as imposed on an institution or involved individual, including a coach. *(Adopted: 11/26/25)*

23.2.6.3 Benefits Cap Restrictions. [S] The CSC may impose limitations on the number of student-athletes in a particular sport who may receive direct institutional payments under the benefits cap during a specified period or limitations on the amount of the benefits cap distributed to student-athletes in a particular sport, provided the overall benefits cap at the institution will not be reduced. *(Adopted: 11/26/25)*

23.2.7 Cooperation. [S] Institutions, involved individuals, and student-athletes are required to cooperate fully with investigations in accordance with Bylaw 19.2.1, including by timely providing requested information. The CSC will determine whether a party has fully cooperated, including by referencing the CSC's policy on cooperation with investigations. Executive Regulations

31.01 General Principles.

31.01.1 Names of Championships. All NCAA championships (see Bylaw 18.3) have formal designations that identify their appropriate category and sport classification (see Bylaw 31.02.2). The name of each championship is the property of the Association (see Bylaw 31.6).

31.01.2 Postseason Championship Opportunities. An NCAA championship is intended to provide national-championship competition among the best eligible student-athletes and teams at the conclusion of the sport season, with consideration for a regional structure that may be approved for certain championships.

31.01.3 Size of Championship Fields. Ticket prices shall be determined by the applicable games committee with the approval of the governing sport championship committee or subcommittee. *(Revised: 8/5/25 effective 9/1/25)*

31.2 Eligibility for Championships.

An institution that holds membership in a member conference may not enter teams or individuals in an NCAA championship unless they are eligible for such competition under the rules of that conference [see Bylaw 18.4.2.1-(a)].

31.2.1.1 Commitment to Participate. Eligible members in a sport that are not also members of the National Association of Intercollegiate Athletics will participate (if selected) in the NCAA championship or in no postseason competition in that sport. *(Revised: 8/12/91)*

31.2.1.3 Deadline Waivers. Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the applicable sport oversight committee or the Cabinet for a waiver. If the appeal is granted, the institution may be restored to eligibility for NCAA championships. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.2.1.3.1 Penalty for Additional Waiver. An institution that fails to meet a deadline again may be granted a waiver only on payment of a penalty of $150 for the second offense and $300 for each offense thereafter during the five-year period preceding the last offense. On approval of such waiver and receipt of the institution's check in the national office, the institution may compete in NCAA championships, provided it is otherwise eligible. *(Revised: 1/11/07 effective 8/1/08)*

31.2.1.4 Joint-Declaration Program. The NCAA and the National Association of Intercollegiate Athletics together administer a joint-declaration program in men's and women's sports in which there is a date conflict between the national championships of the two organizations. In such championships, each institution that holds membership in both organizations must declare by mid-September each year whether it will participate (if selected) in the NAIA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in both associations' championships in the sport or sports that year. An appeal process exists for such institutions and such an appeal may be submitted to the applicable sport oversight committee or the Cabinet. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.2.1.5 National Collegiate Championships. In team sports in which the NCAA offers only one national championship, all member institutions in good standing are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.9) and institutional eligibility (per Bylaw 31.2.1).

31.2.1.6 Division Championships. In sports in which national-championship competition is offered in more than one division, only an institution that meets the membership requirements of the division or requirements applicable to an institution competing outside its membership division is eligible to compete (see Bylaw 20).

31.2.1.7 Eligibility Requirements. Institutional eligibility for all championships shall be limited to member institutions that meet institutional eligibility requirements (see Bylaw 31.2.1) and any additional requirements specified in the applicable championships handbooks.

31.2.1.7.1 Eligibility of Participants. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sport championship committee or subcommittee selects championship participants, as indicated in the appropriate championships handbook. *(Revised: 8/5/25 effective 9/1/25)*

31.2.1.7.1.1 Failure to Report Ineligible Student-Athlete Prior to Selection. If an institution fails to report an ineligible student-athlete prior to being selected to participate in the championship, the governing sport

31.2.1.7.1.2 Discovery of Ineligibility of Student-Athlete After Selection. If an institution fails to report an ineligible student-athlete and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

31.2.1.7.1.3 Review of Violation of Terms of Availability Questionnaire. When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sport championship committee or subcommittee when the committee or subcommittee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sport championship committee or subcommittee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the applicable sport oversight committee or the Cabinet. The applicable sport oversight committee or the Cabinet shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed during the progress of the competition or during a period 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, a team may be withheld from further competition in the championship, provided such protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2 Individual Eligibility. All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaws 12 and 14, in which there also is reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Academics and Eligibility Committee, athletics eligibility status certification and ineligibility for use of banned drugs) are set forth in Bylaws 10.3, 10.4 and 18.4.1. *(Revised: 3/5/97, 11/1/07 effective 8/1/08, 8/7/14, 10/30/14, 6/29/16, 6/6/25 effective 7/1/25, 8/5/25 effective 9/1/25)*

31.2.2.1 Eligibility Requirements. A member institution shall not enter a student-athlete, as an individual or as a member of a team, in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. *(Revised: 8/15/89)*

31.2.2.2 Protest of Eligibility Status. Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2.3 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible following the competition, or a penalty has been prescribed or action taken as set forth in Bylaw 19.12.9-(g) or 12.9.4.2, the Committee on Infractions may require the following: *(Revised: 8/15/89, 4/26/01, 7/31/14, 1/23/19 effective 8/1/19)*

(a) **Individual Competition.** The individual's performance may be stricken from the championships records, the points the student has contributed to the team's total may be deleted, the team standings may be adjusted accordingly, and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered.

(b) **Team Competition.** The record of the team's performance may be deleted, the team's place in the final standings may be vacated, and the team's trophy and the ineligible student's award may be returned to the Association.

31.2.2.4 Institutional Penalty for Ineligible Participation. When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the ineligibility, the Committee on Infractions may assess a financial penalty. *(Revised: 4/26/01 effective 8/1/01, 1/23/19 effective 8/1/19, 8/31/22 effective 1/1/23)*

31.3 Selection of Teams and Individuals for Championships Participation.

A list of the institutions in good standing shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to ensure that no entries are accepted from or invitations extended to ineligible institutions.

31.3.1 Size of Championships Fields. The size of all NCAA championships fields shall be established by the applicable sport oversight committee or the Cabinet to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. *(Revised: 8/13/93, 1/14/97 effective 8/1/97, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

(a) Won-lost record;

(b) Strength of schedule; and

(c) Eligibility and availability of student-athletes for NCAA championships.

31.3.3.1 Countable Competition. For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Bylaw 20.2.4.6) of United States four-year, degree-granting institutions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

31.3.3.2 Qualifying Standards. Individuals and teams required to meet performance standards to qualify for NCAA championships competition shall achieve such standards in meets held during the same academic year as the particular championship.

31.3.3.3 Ineligible Student-Athletes on Team. The presence on a varsity squad of one or more student-athletes who are ineligible, or unavailable due to injury, for NCAA championships competition does not necessarily disqualify that team from consideration. If such a student-athlete contributed materially to the team's success during the season, the committee may choose not to select that team, based on the conclusion that without the use of the ineligible or unavailable student-athlete, the team would not have been able to compile the record that brought it before the committee for consideration. It shall be the responsibility of the governing sport championship committee or subcommittee to apply the criterion "contributed materially" to each case as it arises. *(Revised: 8/5/25 effective 9/1/25)*

31.3.3.4 Removal of Committee Member from Selection Process. If a team or individual athlete of the institution of a member of the governing sport championship committee or subcommittee is under consideration for selection, that person shall withdraw from the committee or subcommittee deliberations while that team or individual is being considered and shall not participate in any discussion or vote affecting that particular selection. The chair of the committee or subcommittee may appoint a replacement if it is deemed necessary. In the event the chair must withdraw, an individual shall be appointed by the chair to assume the responsibilities of the chair. The new chair may appoint a replacement to fill the vacancy if it is deemed necessary. In the event a replacement is appointed, geographical representation on the committee shall be maintained insofar as possible. *(Revised: 8/5/25 effective 9/1/25)*

31.3.3.5 Exclusion of Institution Reclassifying from Division II to Division I. In all sports, any Division II institution that has forwarded to the national office written notice of its intention to change its membership classification to Division I per Bylaw 20.6.1.1 or that has petitioned to reclassify to Division I per Bylaw 20.6.3.1 no longer shall be eligible to participate in any subsequent NCAA Division II championship. *(Adopted: 1/11/94 effective 8/1/94)*

31.3.4 Automatic Qualification. Each governing sport championship committee or subcommittee shall forward annually to the applicable sport oversight committee or the Cabinet those conferences that should receive automatic qualification for their teams or individual student-athletes into NCAA championships. Prior to forwarding the list of conferences to receive automatic qualification, a governing sport championship committee or subcommittee shall ensure that the member conference meets the requirements specified in Bylaws 31.3.4.1 through 31.3.4.6. A member conference may appeal to the applicable sport oversight committee or the Cabinet the automatic-qualification review of the sport championship committee or subcommittee and the committee or subcommittee's decision to find, or not find, a conference qualified for automatic-qualification status. The decision on such appeals will be final. *(Revised: 1/14/97 effective 8/1/97, 4/27/00, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.3.4.1 Requirements -- Division I Championship. To be eligible for automatic qualification in a Division I Championship, a member conference must meet the following requirements: *(Revised: 12/9/91, 8/13/93, 12/5/94, 10/18/95, 10/27/98, 4/20/99, 1/9/06 effective 8/1/06, 12/15/06)*

(a) Conference competition must be conducted in the applicable sport and the conference champion in that sport must be determined not later than the date on which participants are selected for the NCAA championship, either by regular in-season conference competition or a conference meet or tournament, as indicated at the time of application. If a conference's competition to determine its automatic qualifier is unexpectedly terminated (e.g., due to inclement weather), the conference may designate its qualifier, provided it has established objective criteria for making that designation and has communicated that information to the appropriate sport championship committee by a specified deadline.

(b) In the event of a tie for the conference championship, the conference shall have the responsibility of determining which team or individual shall represent the conference in NCAA competition. If a play-off is held, such competition shall be considered conference competition, not NCAA competition.

(c) In sports other than championship subdivision football, a conference may establish subdivisions and conduct competition within each subdivision to determine a conference champion, as long as each subdivision consists of at least four members. A conference with subdivisions of four members must conduct double round-robin competition within each subdivision, plus a postseason tournament, to determine its champion. A conference with subdivisions of five or more members may conduct either single or double round-robin competition within each subdivision, plus a postseason tournament to determine its champion. (Note: This regulation does not apply to Division I men's or women's basketball. In those sports, a conference may conduct either double round-robin, in-season competition, or a minimum of 14 conference games in order to determine its champion.)

(d) In championship subdivision football, football-playing conferences that subdivide into five or more teams are required to conduct a single round-robin competition within each division and develop a formula for determination of the conference champion, which must be approved by the Football Championship Committee prior to the start of the season. A postseason championship game is not required.

(e) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in Bylaw 14 applicable to its members. The use of an ineligible student-athlete by a team in a conference that has been granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the NCAA championship. The governing sports committee may recommend loss of the automatic-qualification privilege for the conference during the season in which the violation occurred or for a future championship.

(f) All eligible member institutions must agree to participate in the applicable NCAA championship. If a conference champion is ineligible to compete, declines to compete or cannot compete for any reason, automatic qualification shall be withdrawn for that year and the remaining conference members shall be considered at large. Automatic qualification for a conference shall not be withdrawn if a conference champion declines to compete in an NCAA championship for reasons related to written religious policies against competition on certain days. Under such circumstances, the conference's second-place team (as determined by the conference) shall receive the automatic bid to the NCAA championship.

(g) All institutions may hold membership in only that conference in the sport in which automatic qualification is sought and may participate in only that conference's process to determine the automatic qualifier.

31.3.4.1.1 Notification -- Automatic Qualification in Jeopardy. A governing sport championship committee or subcommittee must issue a written warning one year in advance to a conference that is in jeopardy of losing its automatic qualification. (Note: This regulation does not apply to championships in which a play-in system has been established.) *(Revised: 8/5/25 effective 9/1/25)*

31.3.4.2 Requirements -- National Collegiate Championship. [#] To be eligible for automatic qualification in a national collegiate championship, a member conference must meet the following general requirements: *(Adopted: 1/9/06 effective 8/1/06)*

(a) Have at least six active members that sponsor the applicable sport in any division (Note: A provisional member in the process of becoming an NCAA member may not be used to meet the requisite number.);

(b) The six active members must have conducted conference competition together for the preceding two years in the applicable sport;

(c) There shall be no waivers of the two-year waiting period; and

(d) Any new member added to a conference that is eligible for an automatic bid shall be immediately eligible to represent the conference as the automatic qualifier.

31.3.4.3 Additional Requirements -- Sports Other Than Basketball.

31.3.4.3.1 Multisport Conference. To be considered eligible for automatic qualification in a particular sport, a multisport conference (see Bylaw 20.02.8) must be a core conference (see Bylaw 31.02.3) and must include six institutions that sponsor the sport and conduct conference competition together. *(Revised: 4/27/00 10/00, 4/29/04 effective 8/1/04, 8/5/04, 1/15/11 effective 8/1/11)*

31.3.4.3.2 Single-Sport Conference. To be considered for automatic qualification in a particular sport, a single-sport member conference for a sport sponsored by less than 50 percent of the Division I membership must include six institutions that have conducted conference competition together the preceding two years in the sport in question at the Division I level. In sports other than football, a single-sport conference must be an active member for two years before it is eligible for automatic qualification. *(Adopted: 8/5/04, Revised: 4/27/06 effective 8/1/06, 1/15/25)*

31.3.4.3.3 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of the withdrawal of the institution or institutions that causes the conference's membership to fall below six institutions that sponsor the sport and conduct conference competition together, provided the conference maintains at least five Division I members. *(Adopted: 8/5/04, Revised: 1/15/11 effective 8/1/11)*

31.3.4.4 Additional Requirements -- Basketball. To be considered eligible for automatic qualification in basketball, a member conference must be a core conference (see Bylaw 31.02.3) and must meet the requirements of Bylaw 20.02.8. *(Revised: 8/14/90, 12/3/90, 4/27/00, 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11)*

31.3.4.4.1 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of withdrawal of the institution or institutions that causes the conference's membership to fall below seven institutions that sponsor the sport and conduct conference competition together, provided the conference maintains at least six Division I members (see Bylaw 20.02.8). *(Adopted: 4/27/00, Revised: 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11)*

31.3.4.5 Sports Groupings for Automatic Qualification. For purposes of evaluating criteria for automatic qualification, the various sports shall be grouped as follows: *(Revised: 4/26/07 effective 8/1/07, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 6/23/20 effective 8/1/20, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

(a) **Team Sports** -- baseball, basketball, beach volleyball, bowling, field hockey, football, ice hockey, lacrosse, rowing, soccer, softball, volleyball and water polo. In this category, subject to the approval of the applicable sport oversight committee or the Cabinet, a sport championship committee or subcommittee may grant exceptions to the six-team requirement for sports that are sponsored by fewer than 30 percent of the membership, provided the conference previously included six teams that sponsored the sport;

(b) **Timed Individual Sports** -- indoor track and field, outdoor track and field, and swimming; and

(c) **Other Individual Sports** -- cross country, fencing, golf, gymnastics, rifle, skiing, tennis and men's wrestling. In this category, a sports committee may grant exceptions to the six-team requirement, subject to the approval of the applicable sport oversight committee or the Cabinet.

31.3.4.6 Limitations on Automatic-Qualifying Positions.

31.3.4.6.1 Team Sports Other Than Men's Basketball. In team sports, per Bylaw 31.3.4.5-(a), excluding football and any team sport in which automatic qualification is not offered, the sport committee must award, if a sufficient number of applications for automatic qualification exist, at least 50 percent of the championship field to conferences that meet automatic-qualification criteria and provide play-in criteria. In sports other than men's volleyball, men's water polo and women's water polo, the remaining 50 percent of the championship field shall be reserved for at-large teams. It will be the responsibility of the applicable sport oversight committee or the Cabinet to determine if a conference play-in to a championship field is to be administered by the NCAA championships staff or

by the member conferences. *(Adopted: 4/20/99, Revised: 11/1/07 effective 8/1/08, 4/28/11 effective 8/1/11, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.3.4.6.2 Men's Basketball. In men's basketball, subject to the championships-access guarantee afforded to members as set forth in Bylaw 18.01.3 (e.g., all contests that are part of the championship shall be administered and funded by the NCAA and broadcast on television and any team that participates in the championship shall be awarded at least one financial unit), there shall be a minimum of 34 at-large selections and the remainder of the championship field automatic-qualifying positions. All competition in the championship is to be administered by the NCAA championships staff. *(Adopted: 4/20/99, Revised: 12/15/06)*

31.3.5 Selection of Balance of Championship Field. Once the official representative or representatives of each qualifying conference is determined, the governing sport championship committee or subcommittee responsible for selection of the balance of the championship field shall consider objectively and without prejudice the competitive records of all other eligible student-athletes and teams (including representatives of the other members of the conferences receiving automatic qualification). To the best of its ability, the committee or subcommittee shall select the most highly qualified individuals and teams to complete the championship field in accordance with the regional structure, if any, approved for the particular championship. *(Revised: 8/5/25 effective 9/1/25)*

31.3.6 Institution Trademarks. Participation in a national championship constitutes acquiescence by the institution that the Association may use the institution's name, mascot and other identifying marks in championship-related activities, including television, promotion, licensing and merchandising programs incident to the championship. Revenues derived from such activities, less expenses, will be remitted to the institution. *(Revised: 11/3/93)*

31.4 Financial Administration of Championships.

31.4.1 Host Institution's Responsibility. The host institution shall administer the finances of an NCAA championship in accordance with this bylaw and consistent with the institution's championship budget, as submitted to and approved by the governing sport championship committee or subcommittee and the applicable sport oversight committee or the Cabinet. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.4.1.1 Institution's Financial Report. A financial report from each championship site shall be submitted to the NCAA president not later than 60 days following the conclusion of the competition and shall bear certification of the athletics director of the host institution. The report shall be submitted on a form approved and provided by the NCAA president.

31.4.1.1.1 Exclusions. A host institution or sponsoring agency shall not include in its financial report or in its percentage of net receipts television rights fees or income from the sale of championships merchandise. Also, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts if the program is produced and sold under contract between the NCAA and an outside agency.

31.4.2 Gross Receipts. Gross receipts shall be all revenues derived from the championship, including:

(a) Sale of tickets. All tickets shall be accounted for at face value and shall become a part of gross receipts. Working passes may be provided to bona fide working personnel, including media representatives; and participation passes may be provided to student-athletes competing in the championship and to their coaches, athletic trainers, managers and other members of the participating institution's official party as defined by the Association;

(b) Net revenue from marketing items sold at the site through or by an outside agency under contract with the NCAA;

(c) Program sales and advertising;

(d) Radio, television and movie rights; and

(e) Any other income derived from the operation of the championship.

31.4.2.1 Exclusions. Income from concessions and parking shall accrue to the host institution or sponsoring agency and is not included in gross receipts. Sales commissions received by a host institution for selling marketing items on behalf of an outside agency under contract with the NCAA shall accrue to the host institution.

31.4.2.2 Waiver. Any waiver of the policies for the gross receipts of championships shall be approved in advance by the applicable sport oversight committee or the Cabinet. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.4.3 Game Expenses. Game expenses are the actual costs directly related to the administration and conduct of the championship, including specifically the costs for tickets (printing, selling and collecting), sales taxes, ushers, game officials, police, buildings and grounds expenses, printing of related materials, motion pictures of the competition (if authorized by the

applicable sport oversight committee or the Cabinet), reasonable entertainment, expenses of selection committees authorized by the governing sport championship committee or subcommittee and any other out-of-pocket expense directly related to the administration and conduct of the championship. *(Revised: 12/2/90, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.4.3.1 Exclusions. The following items shall not be included as game expenses:

(a) The cost of permanent equipment, local transportation of competing teams and on-campus facility rental charges; and

(b) A fee or honorarium for athletics department staff members of the host institution (e.g., athletics director, assistant athletics director, business manager, ticket manager, coach, sports information director or athletic trainer). (Note: Such a payment could be made from the host institution's share of net receipts.)

31.4.3.2 Waiver. Any waiver of the policies for game expenses shall be approved in advance by the applicable sport oversight committee or the Cabinet. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.4.4 Institutional Allowance. The host institution may share in the balance remaining after game expenses are deducted from the gross receipts. Television rights fees and income from championships programs and merchandise produced and sold under contract between the NCAA and an outside agency shall not be included in determining the host institution's allowance.

31.4.4.1 Permissible Allowances. The amount of institutional allowance varies with the sport, the level of championships competition, whether there is a common site for men's and women's championships and whether an institution's facilities are used. The permissible institutional allowances (from balance of gross receipts after deduction of game expenses) are as follows: *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

	TEAM		INDIVIDUAL	
	Preliminary	Final	Preliminary	Final
One day	$575	$1,150	$700	$1,725
Two days	$750	$1,450	$870	$2,000
Three or more days	$920	$1,725	$1,150	$2,300

-- For championships conducted at institutional facilities, hosts may deduct the permissible allowance above or a maximum of 15 percent of gross receipts after deduction of game expenses (20 percent for the NCAA Division I Men's Basketball Championship), whichever is greater.
-- For championships conducted at off-campus facilities, hosts may deduct the permissible allowance or a maximum of 10 percent of gross receipts after deduction of game expenses, upon the recommendation of the sports committee and approval of the applicable sport oversight committee or the Cabinet.
-- Amount is doubled for common-site men's and women's championships.

31.4.4.2 Restrictions. The following restrictions apply to allowances to host institutions:

(a) If an institution's department of intercollegiate athletics must pay a rental fee for the use of an on-campus facility, such fee shall be deducted from the institution's share of the net receipts or allowance; and

(b) No other sum from the receipts of an NCAA championship, or from any other source, shall be paid to the college or university sponsoring or acting as host of the NCAA championship except to cover actual and necessary expenses directly incurred in the conduct of the championship as noted in Bylaw 31.4.3.

31.4.5 Administrative Expenses. After the institution's allowance has been deducted, the athletics director of the host institution shall forward the remaining receipts to the NCAA president, who then deducts administrative expenses and costs incurred by governing sports committees and their representatives in matters of championships administration.

31.4.6 Transportation and Per Diem Expenses. Subject to the availability of funds, the Association may pay transportation and per diem expenses incurred by teams and individual competitors in NCAA championships competition. Transportation expenses and per diem allowances for the official traveling parties of competing institutions in Division I and national collegiate team championships and individual-team championships shall be determined and provided in accordance with policies and procedures established by the applicable sport oversight committee or the Cabinet. On an annual basis, the percentage of transportation expense and the per diem allowance to be paid in each championship for the next academic year shall be announced to the membership. *(Revised: 4/26/07, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.4.7 Expenses for Family Travel -- Basketball. The Association may provide travel expenses for family members of each student-athlete who travels with the student-athlete's team that participates in the Division I Men's or Women's Basketball Championship. The expenses shall be provided in accordance with policies and procedures established and maintained by the Men's and Women's Basketball Oversight Committees. *(Adopted: 1/24/19)*

31.4.8 Net Receipts. After payment of game and administrative expenses for each championship, the NCAA president shall place the remaining money in the general operating fund of the Association to be used to cover other expenses of the Association and to be apportioned among member institutions, as directed by the Board of Directors Finance Committee. *(Revised: 8/14/90, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.9 Distribution of Forfeited Receipts. An institution may be obligated to return its share of the revenue distribution for permitting an ineligible student-athlete to participate in the championship (see Bylaw 31.2.2.4). If so, such funds shall be distributed among other member institutions according to a formula prescribed by the Board of Directors Finance Committee. *(Revised: 8/14/90, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.10 Publication of Championships Financial Summaries. A financial summary of each championship shall be published on the Association's website.

31.5 Financial Administration of Postseason Football. [FBS/FCS]

Requirements that must be met in order for an institution to participate in a postseason bowl game are set forth in Bylaw 18.7 and the NCAA postseason football handbook. *(Adopted: 11/1/00, Revised: 1/14/12 effective 4/1/12)*

31.6 Rights to NCAA Properties and Marketing Restrictions.

31.6.1 Names and Marks. The NCAA owns or controls all rights and interests in its name, logo, seal, trademarks and service marks, whether registered or unregistered, including "National Collegiate Athletic Association," "NCAA," "National Collegiate Championships," "NCAAction," "College Sports USA," "The Final Four," "Women's Final Four," "College World Series," "Women's College World Series" and "Stagg Bowl." The NCAA will prosecute infringement of identical or confusingly similar marks. The NCAA shall maintain control over the nature and quality of the goods and services rendered under the marks; therefore, no use of the marks by others will be permitted in advertising, in association with commercial services or related to the sale of merchandise without the specific approval of the NCAA. *(Revised: 1/29/90)*

31.6.2 Concessions. The following conditions or restrictions apply to all concession items sold at any event sponsored or administered by the Association: *(Revised: 12/4/89, 4/25/18 effective 8/1/18)*

(a) Any merchandise or material bearing any name, logo, trademarks or service marks of the Association that is to be sold or distributed at an event sponsored or administered by the Association must have the prior approval of the NCAA president before being sold or distributed. No such merchandise or material shall be sold or distributed by anyone except as designated by the NCAA. The host institution may sell merchandise that features an institutional mark or logo at NCAA competition only if it has guaranteed a sellout of the NCAA merchandise at the site of the competition and has agreed to provide the NCAA championship 25 percent of gross sales (after sales taxes) of all non-NCAA championship merchandise. The quantity of NCAA merchandise sent to the site shall have the prior approval of the president and shall not be less than a comparable shipment to a comparable site of the previous year's championship.

(b) The NCAA owns the rights to all concession items other than food or drink sold at such events. Any merchandise or material to be sold at such events must have prior approval of the NCAA president, and any unapproved material shall be barred from the premises. If the championship facility has prior contractual commitments with outside vendors, the NCAA will endeavor to work with such vendors to advance the policies of the Association in the sale of concession items as herein stated.

(c) The NCAA may authorize others, including the host institution or the coaches organization for the sport involved in the particular event, to sell and distribute concession items.

(d) Income payable to the NCAA from the sale of concession items other than food and drink at such events shall be included in the gross receipts of the championship.

31.6.3 Programs. The Association reserves the right to publish and sell any program sold or distributed for an NCAA championship. It may award such rights for any championship to another party or agency, provided it retains the right to review and approve the content of all programs to be sold or distributed, and provided it shall receive a guaranteed amount or predetermined percentage of program receipts. All financial arrangements for official programs produced by the host institution or sponsoring agency shall be reflected in the proposed budget, and receipts and expenses shall be entered in the financial report of the championship. If the program is produced and sold under contract between the NCAA and an outside agency, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts.

31.6.4 Championships Properties. The Association owns all rights to each and all of its championships as listed in Bylaw 18.3. These rights include, in addition to the rights with respect to participation and admission, rights to television (live and delayed), radio broadcasting, filming and commercial photography. In addition, the NCAA reserves the right to sell items developed through the NCAA marketing program at the site of a championship.

31.6.4.1 Awarding Media Rights. Television, radio and film rights shall be awarded in such a manner as to advance most fully the following interests:

(a) Gate attendance;

(b) Promotion of interest in the sport;

(c) Promotion of intercollegiate athletics as a part of collegiate education; and

(d) Promotion of the Association and its purposes and fundamental policy.

31.6.4.1.1 Procedures. Specific policy decisions under the foregoing are determined by the governing sports committee for the particular championship, subject to the approval of the applicable sport oversight committee or the Cabinet. Negotiations with respect to the awarding of any such rights shall be conducted by the president, who shall have authority to determine the specific terms and conditions and to execute contracts for the awarding of such rights on behalf of the Association. Inquiries concerning all such rights should be directed to the NCAA president at the national office. In accordance with the policies stated herein, the NCAA president shall negotiate with any party interested in such rights when they are available. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.6.4.2 Marketing, Licensing, Promotional and Public Affairs Initiatives. The NCAA president shall be responsible for the oversight and administration of all marketing, licensing, promotions and public affairs initiatives. The NCAA president shall have the authority to appoint ad hoc advisory groups to provide assistance in developing policies to review any initiative and to provide assistance in addressing emerging issues. In addition, negotiations with respect to awarding merchandising, marketing and licensing rights (including corporate partner rights) shall be conducted by the NCAA president, who shall have the authority to determine the specific terms and conditions and to execute and enforce contracts for the awarding of such rights on behalf of the Association. The Board of Governors, at its discretion, may request a detailed accounting of any marketing, licensing, promotional and public affairs initiative that resulted in the awarding of a contract on behalf of the Association. The Board of Directors and the Cabinet may request a report related to any matter handled by the NCAA president under the authority of this legislation. *(Adopted: 1/11/00, Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/30/14, 8/5/25 effective 9/1/25, 10/22/25)*

31.6.4.3 Photographs, Films and Videotapes. The Association reserves all rights to the use of still photographs, films and videotapes of its championships. All rights to photograph, film and videotape NCAA championships may be assigned to media representatives for news purposes but otherwise are to be controlled exclusively by NCAA Productions, a unit of the NCAA. NCAA Productions shall film or videotape certain NCAA championships, as recommended by the governing sports committees and approved by the applicable sport oversight committee or the Cabinet. Its cost in filming or videotaping an NCAA championship and producing prints or video dubs for the NCAA library of films shall be entered as an item of game expenses for that championship. The filming or videotaping of NCAA championships by parties other than NCAA Productions (e.g., participating institutions or commercial film production companies) for any purpose other than news purposes may be permitted only with the advance written consent of the NCAA president. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17, 10/9/24, 8/5/25 effective 9/1/25, 10/22/25)*

31.6.4.3.1 Exception. An institution is permitted to designate two team content personnel to be present at NCAA championship events for the purpose of capturing video and photographs of the institution's participation in the event for the sole use of the institution (not to be released for commercial purposes). *(Adopted: 1/9/06, Revised: 10/14/19)*

31.6.4.4 Use of Action Footage on Television News Programs. The games committee of a particular NCAA championship for which exclusive rights have not been awarded may permit single television stations or television and/or cable networks to broadcast action footage of the championship (on a live or delayed basis) on their regular television news programs (see Bylaw 31.6.4.4.1). Unless otherwise approved by the NCAA, these broadcasts shall not exceed three minutes of action footage of the championship unless broadcast rights have been secured from the Association by payment of a rights fee. The NCAA president shall be authorized to interpret and apply these provisions as necessary.

31.6.4.4.1 News Program. A "news program" shall be a regularly scheduled program devoted exclusively to general news and/or sports news. Sports-entertainment programs do not qualify under this provision.

31.6.4.5 Live Microphone on Coach. The placement of microphones on a team coach or in team huddles and bench areas for television, radio or motion-picture purposes is prohibited in all NCAA championships.

(b) The individual is determined to have been acting within the scope of the individual's duties to the Association;

(c) The individual is determined to have been acting in good faith and in a manner the individual reasonably believed to be in or not opposed to the best interest of the Association in the performance of the individual's duties to the Association.
