(a) To initiate, stimulate and improve intercollegiate athletics programs for student-athletes and to promote and develop educational leadership, physical fitness, athletics excellence and athletics participation as a recreational pursuit;
(b) To uphold the principle of institutional control of, and responsibility for, all intercollegiate sports in conformity with the constitution and bylaws of this Association;
(c) To encourage its members to adopt eligibility rules to comply with satisfactory standards of scholarship, sportsmanship and amateurism;
(d) To formulate, copyright and publish rules of play governing intercollegiate athletics;
(e) To preserve intercollegiate athletics records;
(f) To supervise the conduct of, and to establish eligibility standards for, regional and national athletics events under the auspices of this Association;
(g) To cooperate with other amateur athletics organizations in promoting and conducting national and international athletics events;
(h) To legislate, through bylaws or by resolutions of a Convention, upon any subject of general concern to the members related to the administration of intercollegiate athletics; and
(i) To study in general all phases of competitive intercollegiate athletics and establish standards whereby the colleges and universities of the United States can maintain their athletics programs on a high level.

1.3 Fundamental Policy. [*]

1.3.1 Basic Purpose. [*] The competitive athletics programs of member institutions are designed to be a vital part of the educational system. A basic purpose of this Association is to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body and, by so doing, retain a clear line of demarcation between intercollegiate athletics and professional sports.

1.3.2 Obligations of Member Institutions. [*] Legislation governing the conduct of intercollegiate athletics programs of member institutions shall apply to basic athletics issues such as admissions, financial aid, eligibility and recruiting. Member institutions shall be obligated to apply and enforce this legislation, and the infractions process of the Association shall be applied to an institution when it fails to fulfill this obligation. (Revised: 7/31/14)
CONSTITUTION, ARTICLE 2

Principles for Conduct of Intercollegiate Athletics

2.01 General Principle. [*] Legislation enacted by the Association governing the conduct of intercollegiate athletics shall be designed to advance one or more basic principles, including the following, to which the members are committed. In some instances, a delicate balance of these principles is necessary to help achieve the objectives of the Association.

2.1 The Principle of Institutional Control and Responsibility. [*]

2.1.1 Responsibility for Control. [*] It is the responsibility of each member institution to control its intercollegiate athletics program in compliance with the rules and regulations of the Association. The institution’s president or chancellor is responsible for the administration of all aspects of the athletics program, including approval of the budget and audit of all expenditures. (Revised: 3/8/06)

2.1.2 Scope of Responsibility. [*] The institution’s responsibility for the conduct of its intercollegiate athletics program includes responsibility for the actions of its staff members and for the actions of any other individual or organization engaged in activities promoting the athletics interests of the institution.

2.2 The Principle of Student-Athlete Well-Being. [*] Intercollegiate athletics programs shall be conducted in a manner designed to protect and enhance the physical and educational well-being of student-athletes. (Revised: 11/21/05)

2.2.1 Overall Educational Experience. [*] It is the responsibility of each member institution to establish and maintain an environment in which a student-athlete’s activities are conducted as an integral part of the student-athlete’s educational experience. (Adopted: 1/10/95)

2.2.2 Cultural Diversity and Gender Equity. [*] It is the responsibility of each member institution to establish and maintain an environment that values cultural diversity and gender equity among its student-athletes and intercollegiate athletics department staff. (Adopted: 1/10/95)

2.2.3 Health and Safety. [*] It is the responsibility of each member institution to protect the health of, and provide a safe environment for, each of its participating student-athletes. (Adopted: 1/10/95)

2.2.4 Student-Athlete/Coach Relationship. [*] It is the responsibility of each member institution to establish and maintain an environment that fosters a positive relationship between the student-athlete and coach. (Adopted: 1/10/95)

2.2.5 Fairness, Openness and Honesty. [*] It is the responsibility of each member institution to ensure that coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes. (Adopted: 1/10/95)

2.2.6 Student-Athlete Involvement. [*] It is the responsibility of each member institution to involve student-athletes in matters that affect their lives. (Adopted: 1/10/95)

2.3 The Principle of Gender Equity. [*]

2.3.1 Compliance With Federal and State Legislation. [*] It is the responsibility of each member institution to comply with federal and state laws regarding gender equity. (Adopted: 1/11/94)

2.3.2 NCAA Legislation. [*] The Association should not adopt legislation that would prevent member institutions from complying with applicable gender-equity laws, and should adopt legislation to enhance member institutions’ compliance with applicable gender-equity laws. (Adopted: 1/11/94)

2.3.3 Gender Bias. [*] The activities of the Association should be conducted in a manner free of gender bias. (Adopted: 1/11/94)

2.4 The Principle of Sportsmanship and Ethical Conduct. [*] For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, student-athletes, coaches, and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifest not only in athletics participation, but also in the broad spectrum of activities affecting the athletics program. It is the responsibility of each institution to: (Adopted: 1/9/96)
(a) Establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution; and

(b) Educate, on a continuing basis, all constituencies about the policies in Constitution 2.4-(a).

2.5 The Principle of Sound Academic Standards. [*] Intercollegiate athletics programs shall be maintained as a vital component of the educational program, and student-athletes shall be an integral part of the student body. The admission, academic standing and academic progress of student-athletes shall be consistent with the policies and standards adopted by the institution for the student body in general.

2.6 The Principle of Nondiscrimination. [*] The Association shall promote an atmosphere of respect for and sensitivity to the dignity of every person. It is the policy of the Association to refrain from discrimination with respect to its governance policies, educational programs, activities and employment policies, including on the basis of age, color, disability, gender, national origin, race, religion, creed or sexual orientation. It is the responsibility of each member institution to determine independently its own policy regarding nondiscrimination. (Adopted: 1/16/93, Revised: 1/16/00)

2.7 The Principle of Diversity Within Governance Structures. [*] The Association shall promote diversity of representation within its various divisional governance structures and substructures. Each divisional governing body must ensure gender and ethnic diversity among the membership of the bodies in the division’s administrative structure. (Adopted: 1/9/96 effective 8/1/97)

2.8 The Principle of Rules Compliance. [*]

2.8.1 Responsibility of Institution. [*] Each institution shall comply with all applicable rules and regulations of the Association in the conduct of its intercollegiate athletics programs. It shall monitor its programs to ensure compliance and to identify and report to the Association instances in which compliance has not been achieved. In any such instance, the institution shall cooperate fully with the Association and shall take appropriate corrective actions. Members of an institution’s staff, student-athletes, and other individuals and groups representing the institution’s athletics interests shall comply with the applicable Association rules, and the member institution shall be responsible for such compliance.

2.8.2 Responsibility of Association. [*] The Association shall assist the institution in its efforts to achieve full compliance with all rules and regulations and shall afford the institution, its staff and student-athletes fair procedures in the consideration of an identified or alleged failure in compliance.

2.8.3 Penalty for Noncompliance. [*] An institution found to have violated the Association's rules shall be subject to such disciplinary and corrective actions as may be determined by the Association.

2.9 The Principle of Amateurism. [*] Student-athletes shall be amateurs in an intercollegiate sport, and their participation should be motivated primarily by education and by the physical, mental and social benefits to be derived. Student participation in intercollegiate athletics is an avocation, and student-athletes should be protected from exploitation by professional and commercial enterprises.

2.10 The Principle of Competitive Equity. [*] The structure and programs of the Association and the activities of its members shall promote opportunity for equity in competition to ensure that individual student-athletes and institutions will not be prevented unfairly from achieving the benefits inherent in participation in intercollegiate athletics.

2.11 The Principle Governing Recruiting. [*] The recruiting process involves a balancing of the interests of prospective student-athletes, their educational institutions and the Association’s member institutions. Recruiting regulations shall be designed to promote equity among member institutions in their recruiting of prospective student-athletes and to shield them from undue pressures that may interfere with the scholastic or athletics interests of the prospective student-athletes or their educational institutions.

2.12 The Principle Governing Eligibility. [*] Eligibility requirements shall be designed to ensure proper emphasis on educational objectives, to promote competitive equity among institutions and to prevent exploitation of student-athletes.

2.13 The Principle Governing Financial Aid. [*] A student-athlete may receive athletically related financial aid administered by the institution without violating the principle of amateurism, provided the amount does not exceed the cost of education authorized by the Association; however, such aid as defined by the Association shall not exceed the cost of attendance as published by each institution. Any other financial assistance, except that received from one upon whom the student-athlete is naturally or legally dependent, shall be prohibited unless specifically authorized by the Association.
2.14 The Principle Governing Playing and Practice Seasons. [*] The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their opportunities for acquiring a quality education in a manner consistent with that afforded the general student body.

2.15 The Principle Governing Postseason Competition and Contests Sponsored by Noncollegiate Organizations. [*] The conditions under which postseason competition occurs shall be controlled to ensure that the benefits inherent in such competition flow fairly to all participants, to prevent unjustified intrusion on the time student-athletes devote to their academic programs, and to protect student-athletes from exploitation by professional and commercial enterprises.

2.16 The Principle Governing the Economy of Athletics Program Operation. [*] Intercollegiate athletics programs shall be administered in keeping with prudent management and fiscal practices to ensure the financial stability necessary for providing student-athletes with adequate opportunities for athletics competition as an integral part of a quality educational experience.

3.01.3 Obligation to Meet Division Criteria. Division membership criteria constitute enforceable legislation. Each member institution shall comply with all applicable criteria of its division, and an institution that fails to do so shall be subject to the infractions process and to possible reclassification. 3.02.3 Membership Categories.

3.02.3.1 Active Member. An active member is a four-year college or university that is accredited by the appropriate regional accrediting agency and duly elected to active membership under the provisions of this article (see Constitution 3.2.3). Active members have the right to compete in NCAA championships, to vote on legislation and other issues before the Association, and to enjoy other privileges of membership designated in the constitution and bylaws of the Association. 3.02.3.1.1 Athletics Consortium. An athletics consortium consists of one member institution and neighboring member or nonmember institutions (but not more than one nonmember institution), recognized and approved by a two-thirds vote of the Strategic Vision and Planning Committee. The student-athletes of the combined institutions are permitted to compete on the NCAA member institution’s athletics teams, provided they meet the eligibility requirements of the NCAA and the member institution (see Constitution 3.1.2). 3.02.3.2 Member Conference. A member conference is a group of colleges and/or universities that conducts competition among its members and determines a conference champion in one or more sports (in which the NCAA conducts championships or for which it is responsible for providing playing rules for intercollegiate competition), duly elected to conference membership under the provisions of this article (see Constitution 3.3.3). A member conference is entitled to all of the privileges of active members except the right to compete in NCAA championships (see Constitution 3.3.2). Only those conferences that meet specific criteria as competitive and legislative bodies (see Constitution 3.02.1 and 3.02.2) and minimum standards related to size and division status are permitted to vote on legislation or other issues before the Association.

3.1 Eligibility for Membership.

3.1.1 General. Membership is available to four-year colleges and universities that are accredited by one of the regional accrediting agencies and are located in the United States, its territories or possessions, and athletics conferences. Such institutions or organizations must accept and observe the principles set forth in the constitution and bylaws of the Association. institutions to compete on the member institution’s intercollegiate athletics teams, provided the student-athletes satisfy the eligibility requirements of the member institution and the NCAA. (Revised: 11/1/07 effective 8/1/08, 7/30/10, 8/7/14, 10/4/17)

3.1.2.1 General Policy. CONSTITUTION, ARTICLE 6

Institutional Control

6.01 General Principle.

6.01.1 Institutional Control. The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference(s), if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control.

6.1 Institutional Governance.

6.1.1 President or Chancellor. A member institution’s president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. The term "president or chancellor" refers to the individual with primary executive authority for an institution and does not include an individual who has executive responsibility over a system of institutions. (Revised: 3/8/06, 5/22/13)

6.1.2 Athletics Board. A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions.

6.1.2.1 Composition. Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor’s responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. (Revised: 3/8/06)

6.1.2.1.1 Administrator Defined. An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution’s president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution’s board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. (Revised: 3/8/06)

6.1.2.1.2 Board Subcommittee. If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Constitution 6.1.2.1), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee’s actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee’s membership must satisfy the majority-control requirement.

6.1.2.1.3 Attendance. A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business.

6.1.2.2 Chair or Voting Delegate. Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution’s board in control of intercollegiate athletics or represent the board as the institution’s voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control.

6.1.3 Faculty Athletics Representative. A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution’s faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. (Adopted: 1/11/89)

6.1.4 Student-Athlete Advisory Committee. Each institution shall establish a student-athlete advisory committee for its student-athletes. The composition and duties of the committee shall be determined by the institution. (Adopted: 1/10/95 effective 8/1/95)

6.2 Budgetary Control.

6.2.1 Normal Budgeting Procedures. The institution’s annual budget for its intercollegiate athletics programs shall be controlled by the institution and subject to its normal budgeting procedures.
6.2.2 President or Chancellor Approval. The institution's president or chancellor or an institutional administrator designated by the president or chancellor from outside the athletics department shall approve the annual budget in the event that the institution’s normal budgeting procedures do not require such action. (Revised: 3/8/06)

6.3 Exit Interviews. The institution’s director of athletics, senior woman administrator or designated representatives (excluding coaching staff members) shall conduct exit interviews in each sport with a sample of student-athletes (as determined by the institution) whose eligibility has expired. Interviews shall include questions regarding the value of the students' athletics experiences, the extent of the athletics time demands encountered by the student-athletes, proposed changes in intercollegiate athletics and concerns related to the administration of the student-athletes’ specific sports. (Adopted: 1/10/91 effective 8/1/91, Revised: 8/7/14)

6.4 Responsibilities for Actions of Outside Entities.

6.4.1 Independent Agencies or Organizations. An institution’s "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of an independent agency, corporate entity (e.g., apparel or equipment manufacturer) or other organization when a member of the institution’s executive or athletics administration, or an athletics department staff member, has knowledge that such agency, corporate entity or other organization is promoting the institution’s intercollegiate athletics program. (Revised: 2/16/00)

6.4.2 Representatives of Athletics Interests. An institution’s "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of individuals, a corporate entity (e.g., apparel or equipment manufacturer) or other organization when a member of the institution’s executive or athletics administration or an athletics department staff member has knowledge or should have knowledge that such an individual, corporate entity or other organization: (Revised: 2/16/00)

(a) Has participated in or is a member of an agency or organization as described in Constitution 6.4.1;
(b) Has made financial contributions to the athletics department or to an athletics booster organization of that institution;
(c) Has been requested by the athletics department staff to assist in the recruitment of prospective student-athletes or is assisting in the recruitment of prospective student-athletes;
(d) Has assisted or is assisting in providing benefits to enrolled student-athletes; or
(e) Is otherwise involved in promoting the institution’s athletics program.

6.4.2.1 Agreement to Provide Benefit or Privilege. Any agreement between an institution (or any organization that promotes, assists or augments in any way the athletics interests of the member institution, including those identified per Constitution 6.4.1) and an individual who, for any consideration, is or may be entitled under the terms of the agreement to any benefit or privilege relating to the institution’s athletics program, shall contain a specific clause providing that any such benefit or privilege may be withheld if the individual has engaged in conduct that is determined to be a violation of NCAA legislation. The clause shall provide for the withholding of the benefit or privilege from a party to the agreement and any other person who may be entitled to a benefit or privilege under the terms of the agreement. (Adopted: 1/10/95)

6.4.2.2 Retention of Identity as "Representative." Any individual participating in the activities set forth in Constitution 6.4.2 shall be considered a "representative of the institution’s athletics interests," and once so identified as a representative, it is presumed the person retains that identity.

(Adopted: 4/26/17 a contract signed before 1/18/17 may be honored.)

Amateurism and Athletics Eligibility

12.01 General Principles.

12.01.1 Eligibility for Intercollegiate Athletics. Only an amateur student-athlete is eligible for intercollegiate athletics participation in a particular sport.

12.01.2 Clear Line of Demarcation. Member institutions’ athletics programs are designed to be an integral part of the educational program. The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

12.01.3 "Individual" vs. "Student-Athlete." NCAA amateur status may be lost as a result of activities prior to enrollment in college. If NCAA rules specify that an "individual" may or may not participate in certain activities, this term refers to a person prior to and after enrollment in a member institution. If NCAA rules specify a "student-athlete," the legislation applies only to that person’s activities after enrollment.

12.01.4 Permissible Grant-in-Aid. A grant-in-aid administered by an educational institution is not considered to be pay or the promise of pay for athletics skill, provided it does not exceed the financial aid limitations set by the Association’s membership.

12.02 Definitions and Applications.

12.02.1 Agent. [A] An agent is any individual who, directly or indirectly: (Adopted: 1/14/12)

(a) Represents or attempts to represent an individual for the purpose of marketing his or her athletics ability or reputation for financial gain; or

(b) Seeks to obtain any type of financial gain or benefit from securing a prospective student-athlete’s enrollment at an educational institution or from a student-athlete’s potential earnings as a professional athlete.

12.02.1.1 Application. [A] An agent may include, but is not limited to, a certified contract advisor, financial advisor, marketing representative, brand manager or anyone who is employed or associated with such persons. (Adopted: 1/14/12)

12.02.1.2 NCAA Certification Requirement -- Men’s Basketball. [A] In men’s basketball, any individual who solicits a prospective or enrolled student-athlete to enter into an agency contract or attempts to obtain employment for an individual with a professional sports team or organization or as a professional athlete must be certified and maintain active certification per the policies and procedures of the NCAA agent certification program. (See Bylaw 12.3.1.3.) (Adopted: 8/8/18 An NBPA-certified agent is considered an NCAA-certified agent until the NCAA agent certification program is operational, which will be not later than August 1, 2020)

12.02.1.2.1 Exception. [A] A family member of a prospective or enrolled student-athlete or an individual acting solely on behalf of a professional sports team or organization is not required to be certified through the NCAA agent certification program. (Adopted: 8/8/18)

12.02.1.2.2 Responsibility of NCAA-Certified Agent. [A] An NCAA-certified agent is presumed responsible for the actions of all employees who report, directly or indirectly, to the NCAA-certified agent. Improper conduct of an NCAA-certified agent’s employees shall subject the agent to disciplinary action pursuant to the NCAA agent certification program. (Adopted: 8/8/18)

12.02.2 Actual and Necessary Expenses. Actual and necessary expenses are limited to: (Adopted: 1/19/13 effective 8/1/13)

(a) Meals;

(b) Lodging;

(c) Apparel, equipment and supplies;

(d) Coaching and instruction;

(e) Health/medical insurance;

(f) Transportation (expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season/preparation for an event and from training/practice/event site to home at the end of season/event);

(g) Medical treatment and physical therapy;
(h) Facility usage;
(i) Entry fees; and
(j) Other reasonable expenses.

12.02.2.1 Application. Unless otherwise permitted by the NCAA constitution or bylaws, actual and necessary expenses may be provided only if such expenses are for competition on a team or in a specific event or for practice that is directly related to such competition. The value of such expenses must be commensurate with the fair market value of similar goods and services in the locality in which the expenses are provided and must not be excessive in nature. Actual and necessary expenses shall not include the expenses or fees of anyone other than the individual who participates as a member of the team or in a specific event. (Adopted: 1/19/13 effective 8/1/13)

12.02.3 Calculation of Actual and Necessary Expenses -- Individual Sports and Women's Beach Volleyball. In individual sports and women’s beach volleyball, the calculation of an individual’s actual and necessary expenses shall be based on expenses incurred during each calendar year (January-December), rather than on an event-by-event basis. (Adopted: 1/19/13 effective 8/1/13, Revised: 1/23/19 Immediate; may be applied retroactively to expenses incurred on or after January 1, 2019.)

12.02.4 Family Member. A family member is an individual with any of the following relationships to the prospective student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the prospective student-athlete is the practical equivalent of a family relationship. (Adopted: 4/25/18)

12.02.5 Individual. An individual, for purposes of this bylaw, is any person of any age without reference to enrollment in an educational institution or status as a student-athlete.

12.02.6 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (Revised: 1/10/91, 1/16/93, 1/11/94, 1/10/95, 1/9/06)

(a) Represents the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution’s team) or whether the student is enrolled in a minimum full-time program of studies;

(b) Competes in the uniform of the institution, or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) received from the institution that includes institutional identification; or

(c) Competes and receives expenses (e.g., transportation, meals, room, entry fees) from the institution for the competition.

12.02.6.1 Exempted Events. Participation in events listed in Bylaw 16.8.1.2 is exempted from the application of this legislation. (Revised: 1/10/92)

12.02.6.2 Participation on an Institution’s Club Team. Participation on a collegiate institution’s club team is exempted from the application of this legislation, provided the institution did not sponsor the sport on the varsity intercollegiate level at the time of participation. (Adopted: 6/24/09)

12.02.7 Limited Benefit -- Prior to Initial Full-Time Enrollment at an NCAA Institution -- Expenses from a Permissible Source. Prior to initial full-time enrollment at an NCAA institution, if an individual receives expenses from a permissible source (e.g., event sponsor, club team) that exceed his or her actual and necessary expenses by $300 or less, the eligibility of the individual shall not be affected. (Adopted: 1/19/13 effective 8/1/13)

12.02.8 Limited Benefit -- Enrolled Student-Athlete -- Expenses from a Permissible Source. If a student-athlete engages in permissible outside competition and receives expenses from a permissible source (e.g., event sponsor, club team) that exceed his or her actual and necessary expenses by $300 or less, the eligibility of the student-athlete shall not be affected and the institution is not required to submit a self-report of the infraction. (Adopted: 1/19/13 effective 8/1/13)

12.02.9 Organized Competition. Athletics competition shall be considered organized if any of the following conditions exists: (Adopted: 7/31/14)

(a) Competition is scheduled and publicized in advance;

(b) Official score is kept;

(c) Individual or team standings are maintained;

(d) Official timer or game officials are used;

(e) Admission is charged;

(f) Teams are regularly formed or team rosters are predetermined;

(g) Team uniforms are used;
(h) A team is privately or commercially sponsored; or
(i) The competition is either directly or indirectly sponsored, promoted or administered by an individual, an organization or any other agency.

12.02.10 Pay. Pay is the receipt of funds, awards or benefits not permitted by the governing legislation of the Association for participation in athletics.

12.02.11 Professional Athlete. A professional athlete is one who receives any kind of payment, directly or indirectly, for athletics participation except as permitted by the governing legislation of the Association.

12.02.12 Professional Athletics Team. A professional team is any organized team that: (Revised: 4/25/02 effective 8/1/02, 8/8/02, 4/23/03, 4/24/04, 10/28/04)

(a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. Actual and necessary expenses are limited to the items listed in Bylaw 12.02.2, provided the value of these items is commensurate with the fair market value in the locality of the player(s) and is not excessive in nature; or
(b) Declares itself to be professional.

12.02.13 Religious Mission, Official. An official religious mission is one that is established by the religious organization of which the individual is a member and that results in the individual being unable to attend a collegiate institution during the period of the mission. (Revised: 1/9/06, 4/2/10)

12.02.14 Student-Athlete. A student-athlete is a student whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student’s ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department, as specified in Constitution 3.2.4.6. A student is not deemed a student-athlete solely on the basis of prior high school athletics participation.

12.02.15 Triathlon and Cross Country, Track and Field and Swimming. Triathlon and cross country are considered the same sport, triathlon and track and field are considered the same sport, and triathlon and swimming are considered the same sport for purposes of Bylaw 12.1, 12.2, 12.3 and 12.8.3.2. (Adopted: 1/18/14 effective 8/1/14)

12.02.16 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for the purposes of Bylaws 12.1, 12.2, 12.3 and 12.8.3.2. (Adopted: 8/26/10, Revised: 7/31/14)

12.1 General Regulations. An individual must comply with the following to retain amateur status. (See Bylaw 12.12 regarding the eligibility restoration process.)

12.1.1 Validity of Amateur Status. As a condition and obligation of membership, it is the responsibility of an institution to determine the validity of the information on which the amateur status of a prospective student-athlete (including two-year and four-year college transfers initially enrolling at an NCAA Division I institution) and student-athlete is based. (See Bylaw 14.01.3.) (Adopted: 1/9/06 effective 8/1/06 for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 1/8/07, 4/30/07)

12.1.1.1 Amateurism Certification Process. An institution shall use an initial eligibility center approved by the Board of Governors to determine the validity of the information on which the amateur status of a student-athlete is based. (Adopted: 1/9/06 effective 8/1/06 for final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 4/30/07, 10/30/14)

12.1.1.1.1 Scope. The certification of amateur status issued by the NCAA Eligibility Center is limited to activities that occur prior to a prospective student-athlete’s request for final amateurism certification or his or her initial full-time enrollment at an NCAA Division I or II institution, whichever occurs earlier. (Adopted: 4/30/07)

12.1.1.1.2 Institutional Responsibilities.

12.1.1.1.2.1 Amateur Status After Certification. An institution is responsible for certifying the amateur status of a prospective student-athlete (including two-year and four-year college transfers initially enrolling at an NCAA Division I institution) from the time he or she requests that a final certification be issued by the NCAA Eligibility Center or from the time he or she initially enrolls as a full-time student at an NCAA Division I or II institution (whichever occurs earlier). (Adopted: 4/30/07)

12.1.1.1.2.2 Sharing Information and Reporting Discrepancies. If an institution receives additional information or otherwise has cause to believe that a prospective student-athlete’s amateur status has been jeopardized, the institution is responsible for promptly notifying the NCAA Eligibility Center of such
information. Further, an institution is responsible for promptly reporting to the NCAA Eligibility Center all discrepancies in information related to a student-athlete's amateurism certification. (Adopted: 4/30/07)

12.1.1.1.3 Eligibility for Practice or Competition. Prior to engaging in practice or competition, a student-athlete shall receive a final certification of amateur status based on activities that occur prior to his or her request for final certification or initial full-time enrollment at an NCAA Division I or II institution (whichever occurs earlier). (Adopted: 4/30/07)

12.1.1.1.3.1 Temporary Certification. If a prospective student-athlete reports for athletics participation before the student’s amateur status has been certified, the student may practice, but not compete, for a maximum period of 45 days. After this period, the student shall have his or her amateur status certified to continue to practice or to compete. (Adopted: 1/9/06 effective 8/1/06 for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 11/29/09)

12.1.1.1.3.2 Effect of Violations. A violation of Bylaw 12.1.1.1.3 or Bylaw 12.1.1.1.3.1 in which the student-athlete is subsequently certified without conditions shall be considered an institutional violation per Constitution 2.8.1 but shall not affect the student-athlete’s eligibility. (Adopted: 10/29/15)

12.1.1.1.4 Eligibility for Practice After a Final Not-Certified Certification. After a final not-certified certification is rendered, a student-athlete may continue to engage in practice activities, provided the institution has submitted a notice of appeal. At the point in which all appeal opportunities have been exhausted and no eligibility has been granted, the student-athlete may no longer participate in practice activities. (Adopted: 3/21/07)

12.1.2 Amateur Status. An individual loses amateur status and thus shall not be eligible for intercollegiate competition in a particular sport if the individual: (Revised: 4/25/02 effective 8/1/02, 4/23/03 effective 8/1/03, 4/29/10 effective 8/1/10)

(a) Uses his or her athletics skill (directly or indirectly) for pay in any form in that sport;
(b) Accepts a promise of pay even if such pay is to be received following completion of intercollegiate athletics participation;
(c) Signs a contract or commitment of any kind to play professional athletics, regardless of its legal enforceability or any consideration received, except as permitted in Bylaw 12.2.5.1;
(d) Receives, directly or indirectly, a salary, reimbursement of expenses or any other form of financial assistance from a professional sports organization based on athletics skill or participation, except as permitted by NCAA rules and regulations;
(e) Competes on any professional athletics team per Bylaw 12.02.12, even if no pay or remuneration for expenses was received, except as permitted in Bylaw 12.2.3.2.1;

(g) Enters into an agreement with an agent.

12.1.2.1.3.1 Educational Expenses or Services -- Prior to Collegiate Enrollment. A prospective student-athlete may receive educational expenses or services (e.g., tuition, fees, room and board, books, tutoring, standardized test preparatory classes) prior to collegiate enrollment from any individual or entity other than an agent, professional sports team/organization, member institution or a representative of an institution's athletics interests, provided the payment for such expenses or services is disbursed directly to the individual, organization or educational institution (e.g., high school, preparatory school) providing the educational expenses or services. (Adopted: 4/25/02 effective 8/1/02, Revised: 1/14/08, 5/1/19)

12.1.2.1.3.1.1 Professional Sports Team/Organization -- Sports Other Than Men's Ice Hockey and Skiing. In sports other than men’s ice hockey and skiing, prior to collegiate enrollment, a professional sports team/organization may provide payment for educational expenses or services (e.g., tuition, fees, room and board, books, tutoring, standardized test preparatory classes) provided to a prospective student-athlete, provided such payment is disbursed directly to the individual, organization or educational institution (e.g., high school, preparatory school) providing the educational expenses or services. (Revised: 1/10/95, 4/25/02 effective 8/1/02, 1/15/11 effective 8/1/11, 8/18/11)

(Adopted: 10/28/97 effective 8/1/98, Revised: 11/1/00, 4/25/02 effective 8/1/02)

12.1.2.1.4 Expenses, Awards and Benefits. Excessive or improper expenses, awards and benefits.

12.1.2.1.4.1 Cash or Equivalent Award. Cash, or the equivalent thereof (e.g., trust fund), as an award for participation in competition at any time, even if such an award is permitted under the rules governing an amateur, noncollegiate event in which the individual is participating. An award or a cash prize that an individual could not receive under NCAA legislation may not be forwarded in the individual’s name to a different individual or agency. (Revised: 4/25/02 effective 8/1/02)

12.1.2.1.4.1.1 Exception -- Prospective Student-Athlete's Educational Institution. A financial award may be provided to a prospective student-athlete’s educational institution in conjunction with the prospective student-athlete being recognized as part of an awards program in which athletics participation, interests or ability is a criterion, but not the sole criterion, in the selection process. Such an award must also include nonathletics criteria, such as the prospective student-athlete’s academic record and nonathletics extracurricular activities and may not be based on the prospective student-athlete’s place finish or performance in a particular athletics event. In addition, it is permissible for an outside organization (other than a professional sports organization) to provide actual and necessary expenses for the prospective student-athlete (and the prospective student-athlete’s family members) to travel to a recognition event designed to recognize the prospective student-athlete’s accomplishments in conjunction with his or her selection as the recipient of a regional, national or international award. (Adopted: 10/28/99, Revised: 4/25/18)

12.1.2.1.4.1.2 Operation Gold Grant. An individual (prospective student-athlete or student-athlete) may accept funds that are administered by the U.S. Olympic and Paralympic Committee pursuant to its Operation Gold program. (Adopted: 4/26/01 effective 8/1/01, Revised: 10/17/19)

12.1.2.1.4.1.3 Incentive Programs for International Athletes. An international prospective student-athlete or international student-athlete may accept funds from his or her country’s national Olympic and/or Paralympic governing body (equivalent to the U.S. Olympic and Paralympic Committee) based on place finish in one event per year that is designated as the highest level of international competition for the year by the governing body. (Adopted: 1/17/15 effective 8/1/15, Revised: 10/17/19, 1/22/20)

12.1.2.1.4.2 Expenses/Awards Prohibited by Rules Governing Event. Expenses incurred or awards received by an individual that are prohibited by the rules governing an amateur, noncollegiate event in which the individual participates.

12.1.2.1.4.3 Expenses from an Outside Sponsor. An individual who participates in a sport as a member of a team may receive actual and necessary expenses for competition and practice held in preparation for such competition (directly related to the competition and conducted during a continuous time period preceding the competition) from an outside sponsor (e.g., team, neighbor, business) other than an agent or a representative of an institution’s athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization). An individual who participates in a sport as an individual (not a member of a team) may receive actual and necessary expenses associated with an athletics event and practice immediately preceding the event, from an outside sponsor (e.g., neighbor, business) other than an agent or a representative of an institution’s athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization). (Revised: 8/26/10, 1/19/13 effective 8/1/13, 11/7/13)

Members of an Olympic or Paralympic team may receive all nonmonetary benefits and awards provided to members of an Olympic or Paralympic team beyond actual and necessary expenses and any other item or service for which it can be demonstrated that the same benefit is available to all members of that nation’s Olympic or Paralympic team or the specific sport Olympic or Paralympic team. (Adopted: 11/1/00, Revised: 1/11/13 effective 8/1/13, 1/22/20)

12.1.2.1.4.4 Expenses for Family Members of Participants in Athletics Competition. Expenses received by the family members of a participant in athletics competition from a nonprofessional organization sponsoring the competition in excess of actual and necessary travel, room and board expenses, or any entertainment expenses, unless such expenses are made available to the family members of all participants in the competition. (Adopted: 1/16/93, Revised: 1/11/97, 4/25/18)

12.1.2.1.4.4.1 Postseason Bowl Event. [FBS] On one occasion per year, a student-athlete may designate either additional individuals or substitutes (not to exceed a total of six individuals) to receive entertainment expenses related to an event organized by the nonprofessional sponsor of a postseason bowl game specifically for the family members of student-athletes participating in the postseason bowl. For an institution that participates in an additional postseason game between the winners of two postseason bowl games [see Bylaw 17.10.5.2.1-(d)], a student-athlete may designate either additional individuals or substitutes (not to exceed a total of six individuals) to receive entertainment expenses related to an event organized by the nonprofessional sponsor of the additional game specifically for the family members of student-athletes participating in the additional game. The additional individuals or substitutes designated by the student-athlete shall be subject to the review and approval of the institution’s athletics director, or his or her designee. (Adopted: 4/29/04 effective 8/1/04, Revised: 4/25/18, 1/23/19)

12.1.2.1.5 Payment Based on Performance. Any payment conditioned on the individual’s or team’s place finish or performance or given on an incentive basis that exceeds actual and necessary expenses, or receipt of expenses in excess of the same reasonable amount for permissible expenses given to all individuals or team members involved in the competition. (Revised: 4/25/02 effective 8/1/02, 1/11/13 effective 8/1/13)

12.1.2.1.5.1 Operation Gold Grant. An individual (prospective student-athlete or student-athlete) may accept funds that are administered by the U.S. Olympic and Paralympic Committee pursuant to its Operation Gold program. (Adopted: 4/26/01, Revised: 10/17/19)

12.1.2.1.5.2 Incentive Programs for International Athletes. An international prospective student-athlete or international student-athlete may accept funds from his or her country’s national Olympic and/or Paralympic governing body (equivalent to the U.S. Olympic and Paralympic Committee) based on place finish in one event per year that is designated as the highest level of international competition for the year by the governing body. (Adopted: 1/17/15 effective 8/1/15, Revised: 10/17/19, 1/22/20)

Preferential treatment, benefits or services because of the individual's athletics reputation or skill or pay-back potential as a professional athlete, unless such treatment, benefits or services are specifically permitted under NCAA legislation. [R] (Revised: 1/11/94, 1/14/08)

12.1.2.1.7 Prize for Participation in Institution's Promotional Activity. Receipt of a prize for participation (involving the use of athletics ability) in a member institution's promotional activity that is inconsistent with the provisions of Bylaw 12.5 or approved official interpretations. (Revised: 11/1/07 effective 8/1/08)

12.1.2.2 Use of Overall Athletics Skill -- Effect on Eligibility. Participation for pay in competition that involves the use of overall athletics skill (e.g., "superstars" competition) constitutes a violation of the Association’s amateur-status regulations; therefore, an individual participating for pay in such competition is ineligible for intercollegiate competition in all sports. (See Bylaw 12.5.2.3.3 for exception related to promotional contests.) (Revised: 4/25/02 effective 8/1/02)

12.1.2.3 Road Racing. "Road racing" is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of Bylaws 12.1, 12.2 and 12.8.3.2. Therefore, a student-athlete who
accepts pay in any form for participation in such a race is ineligible for intercollegiate cross country or track and field competition. *(Revised: 4/25/02 effective 8/1/02)*

**12.1.2.4 Exceptions to Amateurism Rule.**

**12.1.2.4.1 Exception for Prize Money Based on Performance -- Sports Other Than Tennis.** In sports other than tennis, an individual may accept prize money based on his or her place finish or performance in an athletics event. A member conference may receive funds from a professional sports organization, provided the money is received by the conference as a result of the professional sports organization’s financial sponsorship of a specific intercollegiate competition event and is placed in the conference’s budget for the specific event, including ancillary activities and promotions. (Adopted: 1/14/12)

12.6.1.5 To Institution, Nonpermissible. A member institution shall not accept funds from a professional sports organization if:

(a) The funds are for the purpose of recognizing the development of a former student-athlete in a particular sport. The receipt of such funds by an institution would make additional money available that could benefit student-athletes and thus result in student-athletes indirectly receiving funds from a professional sports organization;

(b) The money, even though not earmarked by the donor, is received and credited to institutional funds for the financial assistance of student-athletes generally; or

(c) The money is placed in the institution’s general fund and credited to the athletics department for an unspecified purpose.

12.6.1.6 Revenues Derived from Pro-Am Events. The distribution of revenues from an event involving an intercollegiate athletics team and a professional sports team (e.g., a baseball game in which a member institution’s team plays against a professional baseball team) or pro-am event (e.g., golf, tennis) that results in a member institution’s receiving a share of receipts from such a contest is permitted, provided the institution has a formal agreement with the professional sports team regarding the institution’s guarantee or share of receipts and the contractual terms are consistent with agreements made by the professional team or individuals for similar intercollegiate or nonprofessional competition.

12.6.1.7 Promotion of Professional Athletics Contests. A member institution may host and promote an athletics contest between two professional teams from recognized professional sports leagues as a fundraising activity for the institution. (Revised: 1/9/96 effective 8/1/96)

12.6.1.8 Reciprocal Marketing Agreements -- Sports Other Than Football and Men's Basketball. In sports other than football and men’s basketball, an institution's marketing department may enter into a reciprocal contractual relationship with a professional sports organization for the specific purpose of marketing and promoting an institutionally sponsored sport. (Adopted: 4/29/04 effective 8/1/04, Revised: 2/17/12)

12.6.2 Organizations (Nonprofessional Sports Organizations).

12.6.2.1 Individual Athletics Performance. A member institution shall not accept funds donated from a nonprofessional sports organization based on the place finish of a student-athlete or the number of student-athletes representing the institution in an event. However, the organization may donate an equal amount of funds to every institution with an athlete or team participating in a particular event.

12.6.2.2 Individual and Team Rankings. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on an individual’s or a team’s national or regional ranking. (Revised: 1/9/06 effective 8/1/06)

12.6.2.3 Academic Performance. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on an individual’s or a team’s academic performance (e.g., the number of Academic All-American award recipients).

12.7 Athletics Eligibility Requirements.

12.7.1 Postseason and Regular-Season Competition. To be eligible for regular-season competition, NCAA championships, and for postseason football bowl games, the student-athlete shall meet all eligibility requirements.

[FBS/FCS] In football, a midyear enrollee (freshman or transfer) is not eligible to participate in postseason competition that occurs before or during the student-athlete’s initial term of full-time enrollment at the institution. (Adopted: 6/13/18)
12.7.2 Student-Athlete Statement.

12.7.2.1 Content and Purpose. Prior to participation in intercollegiate competition each academic year, a student-athlete shall sign a statement in a form prescribed by the Legislative Committee in which the student-athlete submits information related to eligibility, recruitment, financial aid, amateur status, previous positive-drug tests administered by any other athletics organization and involvement in organized gambling activities related to intercollegiate or professional athletics competition under the Association’s governing legislation. Failure to complete and sign the statement shall result in the student-athlete’s ineligibility for participation in all intercollegiate competition. Violations of this bylaw do not affect a student-athlete’s eligibility if the violation occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (Revised: 1/10/92 effective 8/1/92, 1/14/97, 2/19/97, 4/24/03, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

12.7.2.2 Administration. The statement shall be administered to each student-athlete by the athletics director or the athletics director’s designee prior to the student’s participation in intercollegiate competition each academic year, and the statement shall be available for examination upon request by an authorized representative of the NCAA. (Revised: 8/4/89, 1/9/06 effective 8/1/06, 7/30/10, 1/23/19)

(Adopted: 1/14/97 effective 8/1/97, Revised: 7/31/14)

12.7.3 Drug-Testing Consent Form.

12.7.3.1 Content and Purpose. Each academic year, a student-athlete shall sign a form maintained by the Committee on Competitive Safeguards and Medical Aspects of Sports and approved by the Legislative Committee in which the student consents to be tested for the use of drugs prohibited by NCAA legislation. Failure to complete and sign the consent form prior to practice or competition, or before the Monday of the fourth week of classes (whichever occurs first) shall result in the student-athlete’s ineligibility for participation (practice and competition) in all intercollegiate athletics. (Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/10/95 effective 8/1/95, 1/14/97, 4/24/03, 8/5/04, 11/1/07 effective 8/1/08, 7/30/10, 8/7/14, 10/4/17)

(a) The consent form shall be administered individually to each student-athlete by the athletics director or the athletics director’s designee each academic year; and

(b) The athletics director or the athletics director’s designee shall disseminate the list of banned drug classes to all student-athletes and educate them about products that might contain banned drugs. All student-athletes are to be notified that the list may change during the academic year, that updates may be found on the NCAA website (www.ncaa.org) and informed of the appropriate athletics department procedures for disseminating updates to the list; and

(c) The consent form shall be available for examination upon request by an authorized representative of the NCAA.

12.7.3.3 Exception -- 14-Day Grace Period. A student-athlete who is "trying out" for a team is not required to complete the form until 14 days from the first date the student-athlete engages in countable athletically related activities or before the student-athlete participates in a competition, whichever occurs earlier. (Adopted: 4/27/06 effective 8/1/06, Revised: 7/31/14)

12.7.3.4 Effect of Violation. A violation of Bylaw 12.7.3 or its subsections shall be considered institutional violations per Constitution 2.8.1; however, a violation shall not affect the student-athlete’s eligibility, provided the student-athlete signs the consent form. (Revised: 4/28/05 effective 8/1/05, 7/30/10)

12.7.4 Student-Athlete Health Insurance Portability and Accountability Act (HIPAA) Authorization/ Buckley Amendment Consent Form -- Disclosure of Protected Health Information.

(a) The authorization/consent form shall be administered individually to each student-athlete by the athletics director or the athletics director’s designee before the student-athlete’s participation in intercollegiate athletics each academic year.

(b) Signing the authorization/consent shall be voluntary and is not required by the student-athlete’s institution for medical treatment, payment for treatment, enrollment in a health plan or for any benefits (if applicable) and is not required for the student-athlete to be eligible to participate.

12.7.5 Eligibility Requirements for Male Students to Practice With Women's Teams. A male student may engage in practice sessions with women’s teams subject to the following conditions: (Revised: 5/12/05, 5/29/08, 7/31/14, 4/26/17, 4/26/17 effective 8/11/17)

(a) A male student who practices with an institution’s women’s team must be verified as eligible for practice in accordance with Bylaw 14.2.1 and must have eligibility remaining under the five-year rule (see Bylaw 12.8.1);

(b) It is not permissible for an institution to provide a male student financial assistance (room and board, tuition and fees, and books) in return for practicing with a women’s team. A male student who is receiving financial aid or any compensation for serving in any position in the athletics department may not practice with a women’s team. A male student-athlete who is a counter in a men’s sport may not engage in practice sessions with an institution’s women’s team in any sport;

(c) It is not permissible for an institution to provide a male student room and board to remain on campus during a vacation period to participate in practice sessions with a women’s team;

(d) It is not permissible for a recruited male student-athlete who is serving an academic year of residence as a nonqualifier to participate in practice sessions with a women’s team. A nonrecruited male student who is serving an academic year of residence as a nonqualifier may participate in practice sessions with a women’s team;

(e) It is permissible for an institution to provide practice apparel to a male student for the purpose of practicing with a women’s team; and

(f) A male student who practices with an institution’s women’s basketball team may participate in required summer athletic activities, provided he was enrolled full time at the conclusion of the regular academic term (e.g., spring semester or quarter) immediately preceding the institution’s summer term.

12.8 Seasons of Competition: Five-Year Rule. A student-athlete shall not engage in more than four seasons of intercollegiate competition in any one sport (see Bylaws 12.02.6 and 14.3.3). An institution shall not permit a student-athlete to represent it in intercollegiate competition unless the individual completes all of his or her seasons of participation in all sports within the time periods specified below: (Revised: 7/31/14)

12.8.1 Five-Year Rule. A student-athlete shall complete his or her seasons of participation within five calendar years from the beginning of the semester or quarter in which the student-athlete first registered for a minimum full-time program of studies in a collegiate institution, with time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government being excepted. For international students, service in the armed forces or on an official religious mission of the student’s home country is considered equivalent to such service in the United States. (Revised: 4/2/10, 7/31/14)

12.8.1.1 Determining the Start of the Five-Year Period. For purposes of starting the count of time under the five-year rule, a student-athlete shall be considered registered at a collegiate institution (domestic or foreign; see Bylaw 14.02.5) when the student-athlete initially registers in a regular term (semester or quarter) of an academic year for a minimum full-time program of studies, as determined by the institution, and attends the student’s first day of classes for that term (see Bylaw 12.8.2). (Revised: 7/31/14)

12.8.1.2 Service Exceptions to the Five-Year Rule. Time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government is excepted from the application of the five-year rule. (a) Military Sea Transport Service;

(b) Peace Corps; or

(c) Service as a conscientious objector ordered by the Selective Service Commission (or the equivalent authority in a foreign nation) in lieu of active military duty.

12.8.1.2.1 Elapsed Time/Service to Enrollment. If a student-athlete enrolls in a regular term of a collegiate institution at the first opportunity following completion of any one of the commitments described in the exceptions to this bylaw, the elapsed time (the exact number of calendar days) between completion of the commitment and the first opportunity for enrollment may be added to the exact number of days served on active duty in the armed services, with

12.8.1.6.2 Collegiate Enrollment Concurrent With Service Assignment. Any time in which a student-athlete is enrolled for a minimum full-time load as a regular student in a collegiate institution while simultaneously on active duty in the U.S. military, on an official religious mission or with a recognized foreign aid service of the U.S. government shall count against the five calendar years in which the student-athlete’s seasons of eligibility must be completed. (Revised: 4/2/10, 7/31/14)

12.8.1.3 Academic Study Abroad Exception. Time spent participating in a full-time study-abroad program during a regular term of an academic year may be excepted from the application of the five-year rule, provided: (Adopted: 1/19/17 effective 8/1/17)

(a) The institution recognizes the student-athlete as a full-time student at the time he or she participates in the study-abroad program;

(b) At the time of participation in the study-abroad program, the student-athlete is academically eligible for competition and is not subject to an athletically related suspension;

(c) The student-athlete does not participate in practice or competition with the institution’s team and does not engage in outside competition while participating in the study-abroad program;

(d) The student-athlete satisfactorily completes the study-abroad program; and

12.8.1.6 Athletics Activity Waiver. The Committee on Student-Athlete Reinstatement, or a committee designated by it, shall have the authority to waive this provision by a two-thirds majority of its members present and voting to permit student-athletes to participate in: (Revised: 1/10/91, 1/9/96, 1/14/12, 7/31/14, 10/17/19, 1/22/20)

12.8.1.6.1 Junior Level Competition. The athletics activity waiver does not apply to junior level training, tryouts or competition (e.g., Youth Olympic Games, U20 World Cup, Junior National Teams) that may be associated with the training, tryouts or competition specified in Bylaw 12.8.1.6. (Adopted: 2/17/17)

12.8.1.6.2 Athletics Activity Waiver Criteria. Extensions of the five-year period of eligibility for student-athletes by the Committee on Student-Athlete Reinstatement, or its designated committee, shall be based on the following criteria: The member institution in which the student-athlete is enrolled must establish to the satisfaction of the Committee on Student-Athlete Reinstatement (by objective evidence) that the student-athlete was unable to participate
in intercollegiate athletics as a result of participation in one of the activities listed in the above legislation for a specific period of time. Further, such an extension shall be limited to one time and for a period not to exceed one year per student-athlete, per sport. (Revised: 8/11/98, 7/31/14)

12.8.1.7 Five-Year Rule Waiver. The Committee on Student-Athlete Reinstatement, or its designated committee, by a two-thirds majority of its members present and voting, may approve waivers of the five-year rule as it deems appropriate. (Revised: 7/30/10, 7/31/14)

12.8.1.7.1 Waiver Criteria. A waiver of the five-year period of eligibility is designed to provide a student-athlete with the opportunity to participate in four seasons of intercollegiate competition within a five-year period. This waiver may be granted, based upon objective evidence under the following circumstances: (Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 4/27/00, 7/30/10, 7/31/14, 4/25/18 applicable to a student-athlete who qualifies for a waiver that would provide the opportunity to participate in four seasons of competition within a five-year period)

(a) The student-athlete did not use a season of intercollegiate competition in his or her initial year of full-time, collegiate enrollment due to an institutional decision to redshirt the student-athlete; the student-athlete was listed on the institution’s squad list and was eligible for competition during the segment of the season that concludes with the NCAA championship; and the student-athlete was deprived of the opportunity to participate in intercollegiate competition in one other season due to circumstances beyond the control of the student-athlete or institution; or

(b) The student-athlete is deprived of the opportunity to participate for more than one season in his or her sport within the five-year period of eligibility for reasons that are beyond the control of the student-athlete or the institution.

12.8.1.7.1.1 Circumstances Beyond Control. Circumstances considered to be beyond the control of the student-athlete or the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95, 8/12/97, 1/9/06, 7/30/10, 7/31/14)

(b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete’s immediate family, which clearly is supported by contemporaneous medical documentation;

(c) Reliance by the student-athlete upon written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete, which directly leads to that individual not being eligible to participate and, but for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition;

(d) Natural disasters (e.g., earthquake, flood); and

(e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual upon whom the student-athlete is legally dependent, which prohibit the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual upon whom the student-athlete is legally dependent.

12.8.1.7.1.2 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete or the institution and cause a participation opportunity to be used include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95, 10/9/96, 7/30/10, 7/31/14)

12.8.1.7.1.3 Circumstances of Extraordinary or Extreme Hardship. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-year criteria of this waiver for circumstances of extraordinary or extreme hardship. (Revised: 4/25/18)

12.8.1.7.1.4 Practice While Waiver is Pending. A student-athlete who has exhausted his or her five years of eligibility may continue to practice (but not compete) for a maximum of 30 consecutive calendar days, provided the student-athlete’s institution has submitted a waiver request. The student-athlete may not commence practice until the institution has filed such a request. Further, if such a request is denied prior to exhausting the 30-day practice period, the student-athlete must cease all practice activities upon the institution’s notification of the denial. (Revised: 4/25/18)

12.8.2 Additional Applications of the Five-Year Rule.

12.8.2.1 Athletics Competition. Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, the student’s five-year period of eligibility begins if the individual represents the institution in intercollegiate athletics. (Revised: 7/31/14)

12.8.2.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the five-year rule only if: (Revised: 1/10/90, 8/8/02, 7/31/114)

A student-athlete’s eligibility under the five-year rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for high school students in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. (Revised: 11/1/01 effective 8/1/02, 7/31/14)

12.8.2.4 Vocational Program. A student-athlete’s eligibility under the five-year rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution’s extracurricular activities, including athletics. (Revised: 7/31/14)

12.8.2.5 Eligibility for Practice. To be eligible to participate in organized practice sessions, a student-athlete shall have eligibility remaining under the five-year rule (see Bylaws 14.2.1.7 and 14.2.1.8). In sports other than men's ice hockey, skiing and tennis, a student-athlete who does not enroll in a collegiate institution as a full-time student in a regular academic term during a one-year time period after his or her high school graduation date or the graduation date of his or her class (as determined by the first year of high school enrollment or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility and based on the prescribed educational path in the student-athlete's country), whichever occurs earlier, shall be subject to the following: (Adopted: 1/9/96 effective 8/1/97, Revised: 4/29/04 effective 8/1/04, 4/20/09, 4/29/10 effective 8/1/11 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11, 7/31/14)

(a) The student-athlete shall be charged with a season of intercollegiate eligibility for each calendar year after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment during which the student-athlete has participated in organized competition per Bylaw 12.02.9.

(b) After the one-year time period, if the student-athlete has engaged in competition per Bylaw 12.02.9, on matriculation at the certifying institution, the student-athlete must fulfill an academic year of residence before being eligible to represent the institution in intercollegiate competition.

12.8.3.2.1.1 Exception -- Transfer Student. A student-athlete is not required to fulfill an academic year of residence before being eligible to represent the institution in intercollegiate competition, provided he or she:

(Adopted: 1/23/19)

(a) Attended a collegiate institution (or institutions) as a full-time student for at least two semesters or three quarters (excluding summer terms); and

(b) Satisfactorily completed an average of at least 12 semester or quarter hours of transferable degree credit for each term of full-time attendance.
12.8.3.2.1.2 Exception -- National/International Competition. For a maximum of one year after a prospective student-athlete’s first opportunity to enroll full time in a collegiate institution following the one-year time period after his or her high school graduation date or the graduation date of his or her class, whichever occurs earlier, participation in the following organized national/international competition is exempt from application of Bylaw 12.8.3.2.1: (Adopted: 1/15/11 effective 8/1/11, Revised: 1/14/12, 7/31/14, 4/25/18 effective 8/1/18 applicable to a student-athlete who initially enrolls full time in a collegiate institution on or after 8/1/18, 10/17/19, 1/22/20)

(a) Official Olympic Games, Paralympic Games, Pan American Games, Parapan American Games, World Championships, World Cup, World University Games (Universiade) and World University Championships and established regional competition (e.g., North American Championships, European Championships) or the junior level equivalents (e.g., Youth Olympic Games, U20 World Cup, junior national teams);

(b) Officially recognized competition from which participants may be selected to a national team that will participate in the Olympic Games, Paralympic Games, Pan American Games, Parapan American Games, World Championships, World Cup or World University Games (Universiade), World University Championships and established regional competition (e.g., North American Championships, European Championships) or the junior level equivalents (e.g., Youth Olympic Games, U20 World Cup, junior national teams) and final tryout competition from which participants are selected for such teams; or

(c) Official competition involving a national team sponsored by the appropriate national governing body of the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation).

12.8.3.2.1.3 Service Exceptions. Participation in organized competition during time spent in the armed services, on an official religious mission or with a recognized foreign aid service of the U.S. government is exempt from the application of Bylaw 12.8.3.2.1. Additionally, if a student-athlete enrolls as a full-time student in a regular term of a collegiate institution at the first opportunity following completion of the service commitment, the period between completion of the service commitment and the first opportunity to enroll is exempt from the application of Bylaw 12.8.3.2.1. (Adopted: 4/25/18 may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility, Revised: 1/23/19 Immediate; may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility. 6/12/19)

12.8.3.2.1.4 Track and Field and Cross Country. A student-athlete who has participated in organized competition after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment during a cross country, indoor track and field, or outdoor track and field season (as opposed to general road racing events) shall be charged with a season of competition in the sport in which the student has participated for each calendar year after the one-year time period in which he or she participated in organized competition. (Adopted: 4/29/10 effective 8/1/11 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11, Revised: 7/31/14)

12.8.3.2.1.5 Road Racing. A student-athlete who has participated in road racing activities after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment shall be charged with a season of competition in each of the sports of cross country, indoor track and field, outdoor track and field, and triathlon for each calendar year after the one-year time period in which he or she participates in organized competition. (Adopted: 4/29/10 effective 8/1/11 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11, Revised: 1/18/14 effective 8/1/14, 7/31/14)

12.8.3.2.2 Tennis. In tennis, a student-athlete who does not enroll in a collegiate institution as a full-time student in a regular academic term within six months (or the first opportunity to enroll after six months have elapsed) after his or her high school graduation date or the graduation date of his or her class (as determined by the first year of high school enrollment or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility and based on the prescribed educational path in the student-athlete’s country), whichever occurs earlier, shall be subject to the following: (Adopted: 4/29/10 effective 8/1/12 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12, Revised: 7/31/14)

(a) The student-athlete shall be charged with a season of intercollegiate eligibility for each calendar year after the six-month period has elapsed (or the next opportunity to enroll) and prior to full-time collegiate enrollment during which the student-athlete has participated in organized competition per Bylaw 12.02.9.

(b) After the six-month period, if the student-athlete has engaged in organized competition per Bylaw 12.02.9, on matriculation at the certifying institution, the student-athlete must fulfill an academic year of residence before being eligible to represent the institution in intercollegiate competition.
12.8.3.2.2.1 Exception -- Transfer Student. A student-athlete is not required to fulfill an academic year of residence before being eligible to represent the institution in intercollegiate competition, provided he or she:

(Adopted: 1/23/19)

(a) Attended a collegiate institution (or institutions) as a full-time student for at least two semesters or three quarters (excluding summer terms); and

(b) Satisfactorily completed an average of at least 12 semester or quarter hours of transferable-degree credit for each term of full-time attendance.

12.8.3.2.2.2 Exception -- National/International Competition. For a maximum of one year after a prospective student-athlete’s first opportunity to enroll full time in a collegiate institution following the six-month time period after his or her high school graduation date or the graduation date of his or her class, whichever occurs earlier, participation in the following organized national/international competition is exempt from application of Bylaw 12.8.3.2.2: (Adopted: 1/15/11 effective 8/1/12, Revised: 1/14/12, 7/31/14, 4/25/18 effective 8/1/18 applicable to a student-athlete who initially enrolled full time in a collegiate institution on or after 8/1/18, 10/17/19, 1/22/20)

(b) Officially recognized competition from which participants may directly qualify for final tryouts for a national team that will participate in the Olympic Games, Paralympic Games, Pan American Games, Parapan American Games, World Championships, World Cup or World University Games (Universiade), World University Championships or the junior level equivalent (e.g., Youth Olympic Games, U20 World Cup, junior national teams) and final tryout competition from which participants are selected for such teams; or

(c) Official competition involving a national team sponsored by the appropriate national governing body of the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation.)

12.8.3.2.2.3 Service Exceptions. Participation in organized competition during time spent in the armed services, on an official religious mission or with a recognized foreign aid service of the U.S. government is exempt from the application of Bylaw 12.8.3.2.2. Additionally, if a student-athlete enrolls as a full-time student in a regular term of a collegiate institution at the first opportunity following completion of the service commitment, the period between completion of the service commitment and the first opportunity to enroll is exempt from the application of Bylaw 12.8.3.2.1. (Adopted: 4/25/18 may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility, Revised: 1/23/19 Immediate; may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility. 6/12/19)

12.8.3.2.2.4 Matriculation After 20th Birthday -- Tennis. In tennis, a student who is eligible under Bylaw 12.8.3.2.2, but who participates in organized tennis events after his or her 20th birthday and before full-time enrollment at the certifying institution shall be subject to the following: (Adopted: 4/29/04 effective 8/1/04 for competition occurring after 8/1/04, Revised: 6/10/04, 7/31/14, 1/23/19)

(a) The student will be charged with one season of intercollegiate tennis competition for each calendar year after his or her 20th birthday and prior to full-time enrollment at the certifying institution during which the student-athlete has participated in organized tennis competition per Bylaw 12.02.9. [Note: This includes participation in intercollegiate tennis while enrolled full time in another two-year or four-year institution; however, this provision replaces the season of competition counted in Bylaw 12.8 (only one season is used in any one year).]

(b) Upon matriculation at the certifying institution, the student-athlete must fulfill an academic year of residence before being eligible to represent the institution in intercollegiate tennis, unless the student attended a collegiate institution (or institutions) as a full-time student for at least two semesters or three quarters (excluding summer terms) and satisfactorily completed an average of at least 12 semester or quarter hours of transferable-degree credit for each term of full-time attendance.

12.8.3.2.2.4.1 Exception -- Continuous Full-Time Enrollment. A student who is eligible under Bylaw 12.8.3.2.2 and who maintained full-time enrollment in a collegiate institution during each regular academic term from his or her initial full-time enrollment in a collegiate institution to his or her initial full-time enrollment at the certifying institution is not subject to the application of Bylaw 12.8.3.2.2.4. (Adopted:
4/25/18 may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility

12.8.3.2.2.4.2 Exception -- Olympic Games, Paralympic Games, Pan American Games, Parapan American Games, World Championships, World Cup, World University Games (Universiade) and World University Championships Participation. Participation in the Olympic Games, Paralympic Games, Pan American Games, Parapan American Games, World Championships, World Cup, World University Games (Universiade) and World University Championships or the junior level equivalents (e.g., Youth Olympic Games, U20 World Cup, junior national teams) is exempt from the application of Bylaw 12.8.3.2.2.4. (Adopted: 4/26/07 effective 8/1/07, Revised: 1/14/12, 7/31/14, 4/25/18 effective 8/1/18 applicable to a student-athlete who initially enrolls full time in a collegiate institution on or after 8/1/18, 1/22/20)

12.8.3.2.2.4.3 Service Exceptions. Participation in organized competition during time spent in the armed services, on an official religious mission or with a recognized foreign aid service of the U.S. government is exempt from the application of Bylaw 12.8.3.2.2. Additionally, if a student-athlete enrolls as a full-time student in a regular term of a collegiate institution at the first opportunity following completion of the service commitment, the period between completion of the service commitment and the first opportunity to enroll student is exempt from the application of Bylaw 12.8.3.2.1. (Adopted: 4/25/18 may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility. Revised: 1/23/19 Immediate; may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility. 6/12/19)

12.8.3.3 Track and Field and Cross Country. Cross country, indoor track and field, and outdoor track and field shall be considered separate sports. (Revised: 1/10/90, 7/31/14)

12.8.3.4 Intercollegiate Competition. A student-athlete is considered to have engaged in a season of intercollegiate competition when he or she competes in an athletics event involving any one of the conditions characterizing intercollegiate competition (per Bylaw 12.02.6). (Revised: 7/31/14)

12.8.3.5 Participation After 21st Birthday -- Men's Ice Hockey and Skiing. In men’s ice hockey and skiing, any participation as an individual or a team representative in organized sports competition by a student during each 12-month period after the student’s 21st birthday and prior to initial full-time enrollment in a collegiate institution shall count as one year of varsity competition in that sport. Participation in organized competition during time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government shall be excepted. (Revised: 1/10/90, 1/16/93, 1/10/95 effective 8/1/95, 1/9/96 effective 8/1/96, 6/10/04, 1/17/09 effective 8/1/10, 4/13/10 effective 8/1/11 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11, 7/31/14, 4/25/18 may be applied retroactively to a student-athlete with eligibility remaining in his or her five-year period of eligibility)

12.8.3.6 Foreign-Tour Competition. A student-athlete who did not compete during the institution’s season just completed and who represents the institution in a certified foreign tour after that intercollegiate season and prior to the start of the next academic year shall not be charged with a season of eligibility (see Bylaw 17.29.1.4). (Revised: 8/11/98, 7/31/14)

12.8.3.7 Participation on an Institution’s Club Team. An individual is charged with a season of competition for participation in intercollegiate competition (see Bylaw 12.02.6) as a member of an institution’s club team if that institution sponsored the sport as a varsity intercollegiate sport and as a club sport at the time of participation. (Adopted: 6/24/09, Revised: 7/31/14)

12.8.4 Hardship Waiver. A student-athlete may be granted an additional year of competition by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship.” Hardship is defined as an incapacity resulting from an injury or illness that has occurred under all of the following conditions: (Revised: 1/10/92 effective 8/1/92, 1/14/97, 8/1/97, 4/26/01 effective 8/1/01, 11/1/01, 4/3/02, 8/8/02, 3/10/04, 11/1/05, 9/18/07, 11/1/07 effective 8/1/08, 4/24/08, 7/31/14)

(a) The incapacitating injury or illness occurs in one of the four seasons of intercollegiate competition at any two-year or four-year collegiate institutions or occurs after the first day of classes in the student-athlete’s senior year in high school;

(b) The injury or illness occurs prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport (see Bylaw 12.8.4.2.4) and results in incapacity to compete for the remainder of that playing season;

(c) In team sports, the injury or illness occurs when the student-athlete has not participated in more than three contests or dates of competition (whichever is applicable to that sport) or 30 percent (whichever number is greater) of the institution’s scheduled or completed contests or dates of competition in his or her sport. Only scheduled or completed competition against outside participants during the playing season that concludes with the NCAA championship, or, if so designated,
during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation in calculating both the number of contests or dates of competition in which the student-athlete has participated and the number of scheduled or completed contests or dates of competition during that season in the sport. Dates of competition that are exempted (e.g., alumni contests, foreign team in the United States) from the maximum permissible number of contests or dates of competition shall count toward the number of contests or dates in which the student-athlete has participated and the number of scheduled or completed contests or dates of competition in the season, except for scrimmages and exhibition contests that are specifically identified as such in the sport’s Bylaw 17 playing and practice season regulations. Scrimmages and exhibition contests that are not exempted from the maximum permissible number of contests or dates of competition may be excluded from the calculation only if they are identified as such in the sport’s Bylaw 17 playing and practice season regulations; and

(d) In individual sports, the injury or illness occurs when the student-athlete has not participated in more than three dates of competition or 30 percent (whichever number is greater) of the maximum permissible number of dates of competition as set forth in Bylaw 17 plus one date for a conference championship (e.g., gymnastics: 13+1=14, wrestling: 16+1=17), regardless of whether the team participates in the conference championship, provided the institution is a member of a conference and the conference holds a championship event in the applicable sport. Dates of competition that are exempted per Bylaw 17 (e.g., alumni contests, foreign team in the United States) from the maximum permissible number of dates of competition do not count toward the number of dates in which the student-athlete has participated.

12.8.4.1 Administration of Hardship Waiver. The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. (Revised: 10/28/04, 4/20/09, 7/31/14)

12.8.4.1.1 Review of Denied Waiver. A conference that denies an institution’s hardship waiver may submit the waiver to the Committee on Student-Athlete Reinstatement. The committee shall have the authority to review and determine whether to approve the waiver based on circumstances that may warrant relief from the application of the legislated waiver criteria. (Adopted: 4/20/09, Revised: 7/31/14)

12.8.4.2 Criteria for Administration of Hardship Waiver.

12.8.4.2.1 Use of Scheduled or Completed Contests. An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. (Adopted: 8/4/05, Revised: 7/31/14)

12.8.4.2.2 Nature of Injury/Illness. It is not necessary for the incapacitating injury or illness to be the direct result of the student’s participation in the institution’s organized practice or game competition. (Revised: 11/1/01, 7/31/14)

12.8.4.2.3 Medical Documentation. Contemporaneous or other appropriate medical documentation, from a physician (a medical doctor) who administered care at the time of the injury or illness, that establishes the student-athlete’s inability to compete as a result of that injury or illness shall be submitted with any hardship-waiver request. (Adopted: 4/20/99, Revised: 2/22/01, 7/31/14)

12.8.4.2.4 First-Half-of-Season Calculation.

12.8.4.2.4.1 Team Sports. In team sports, the first half of the season is measured by the number of scheduled contests or dates of competition not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition of the designated official NCAA championship playing season in the applicable sport or the number of completed contests or dates of competition. In determining if an injury or illness occurs prior to the first competition of the second half of the season that concludes with the NCAA championship in a sport with an odd number of scheduled or completed contests or dates of competition, the injury or illness must have occurred prior to the beginning of the scheduled or completed varsity contest or date of competition that starts the second half of the season that concludes with the NCAA championship (e.g., an injury or illness occurring at any time after the beginning of the scheduled sixth game of an 11-game schedule would be considered to be after the first half of the institution’s season and would not qualify the student-athlete for a hardship waiver). (Revised: 1/1/97 effective 8/1/97, 4/26/01 effective 8/1/01, 8/4/05, 4/24/08, 7/31/14)

12.8.4.2.4.1.1 Contests or Dates of Competition Based on Championship Selection. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., ice hockey), the first half of the season shall be measured by the institution’s number of scheduled or completed varsity contests or dates of competition for the entire season (e.g., nonchampionship and championship segments). In sports in which the playing season may be divided into two segments, but championship selection is based on competition during only one segment of the
season (e.g., spring baseball, fall soccer), the first half of the season shall be measured by the institution’s number of scheduled or completed varsity contests or dates of competition for only the championship segment. (Adopted: 4/23/08, Revised: 7/31/14)

12.8.4.2.4.2 Individual Sports. In individual sports, the first half of the season calculation is based on the number of days in the season that concludes with the NCAA championship, as declared by the institution, between the first date of competition used by any individual on the team and the last date of competition used by any individual on the team at the end of the declared playing season, including a conference championship and any regular-season competition scheduled after the conference championship (e.g., "last chance" meet). Any break in the declared season shall not be counted (e.g., institutional vacation period in which no practice or competition occurs). The total number of days in the championship season shall be divided by two in order to determine the first half of the season. A fractional portion of a day shall be rounded up to the next whole number. (Adopted: 4/24/08, Revised: 7/31/14)

12.8.4.2.4.2.1 Championship Selection Based on Entire Season. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., golf, tennis), the first half of the season is based on the number of days in the entire season (e.g., nonchampionship and championship segments), as declared by the institution between the first date of competition used by any individual on the team and the last date of competition used by any individual on the team at the end of the declared playing season, including a conference championship and any regular-season competition scheduled after the conference championship (e.g., "last chance" meet). (Revised: 9/2/10, 7/31/14)

12.8.4.2.5 Reinjury in Second Half of Season. A student-athlete who suffers an injury in the first half of the season that concludes with the NCAA championship or who suffers an injury after the first day of classes in his or her senior year of high school, attempts to return to competition during the second half of that season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. (Revised: 11/1/01, 8/8/02, 7/31/14)

12.8.4.2.6 Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 12.8.4 and 12.8.4.2.6 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaws 17 and 20.) (Revised: 7/31/14)

12.8.4.2.6.1 Denominator in Percent Computation.

12.8.4.2.6.1.1 Team Sports. The denominator in the institution’s percent calculation shall be based on the institution’s number of scheduled or completed varsity contests or dates of competition [see Bylaw 12.8.4-(c)] as computed for playing and practice season purposes in Bylaw 17 for the applicable sport. [Note: Exempted events in Bylaw 17 are included in the percent calculation, except as provided in Bylaw 12.8.4-(c).] An institution participating in a single-elimination event may only count the actual contests in which the institution participates (as opposed to the number of contests scheduled in the event) in determining the number of scheduled or completed contests in the denominator. (Revised: 1/14/97 effective 8/1/97, 2/11/98, 4/26/01 effective 8/1/01, 6/21/01, 8/4/05, 4/24/08, 7/31/14)

12.8.4.2.6.1.1.1 Conference Championships. A conference championship shall be counted as one contest or date of competition in determining the institution’s scheduled or completed contests or dates of competition in that sport, regardless of the number of days or games involved in the championship. However, for purposes of this regulation, the calculation of scheduled or completed contests or dates of competition in a particular season does not include postseason competition conducted after the completion of the institution’s regular-season schedule and conference tournament. (Revised: 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 8/4/05, 7/31/14)

12.8.4.2.6.1.1.2 Contests or Dates of Competition Based on Championship Selection. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., ice hockey), the denominator shall be based on the institution’s number of scheduled or completed varsity contests or dates of competition for the entire season (e.g., nonchampionship and championship segments). In sports in which the playing season may be divided into two segments, but championship selection is based on competition during only one segment of the season (e.g., spring baseball, fall soccer), the denominator shall be based on the institution’s number of scheduled or completed varsity contests or dates of competition for only the championship segment. (Adopted: 4/23/08, Revised: 7/31/14)
12.8.4.2.6.1.2 Individual Sports. The denominator in the institution’s percent calculation shall be the maximum permissible number of dates of competition as set forth in Bylaw 17 plus one date for a conference championship (e.g., gymnastics: 13+1=14, wrestling: 16+1=17), regardless of whether the team participates in the conference championship, provided the institution is a member of a conference and the conference sponsors a championship in the applicable sport. For institutions that sponsor both indoor and outdoor track and field, the denominator for indoor track and field shall be nine, plus one date for a conference championship, if applicable, and the denominator for outdoor track and field shall be nine, plus one date for a conference championship, if applicable. (Adopted: 4/24/08, Revised: 7/31/14)

12.8.4.2.6.2 Fraction in Percent Computation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 30 percent of a 29-game basketball schedule -- 8.7 games -- shall be considered nine games). (Revised: 1/14/97 effective 8/1/97, 4/26/07, 7/31/14)

12.8.4.2.7 Transfer Student-Athletes. The application of the hardship legislation for a transfer student-athlete may be based on the method that would be most beneficial to the student-athlete (the rule applicable to the division in which the injury or illness occurred or the Division I rule). The application of a particular division’s legislation must include all the applicable elements of that division’s legislation. It is not permissible to use selected elements of the legislation of more than one division. (Adopted: 11/12/97, Revised: 4/26/01 effective 8/1/01, 9/17/09, 7/31/14)

12.8.4.2.8 Foreign-Tour Competition. A student-athlete who qualifies for a hardship for the previous academic year would not use a season of competition if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. (Adopted: 1/10/92, Revised: 4/26/01, 7/31/14)

12.8.5 Season-of-Competition Waiver -- Competition While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 12.12, a student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when the student-athlete participated in a limited amount of competition as a result of a good-faith, erroneous formal declaration of eligibility by the institution’s appropriate certifying authority; or the student-athlete’s good-faith, erroneous relied on a coaching staff member’s decision to put the student-athlete into competition prior to the coaching staff member receiving a formal declaration of the student-athlete’s eligibility from the institution’s appropriate certifying authority. The competition must have occurred under all of the following conditions: (Adopted: 1/16/93, Revised: 1/14/97 effective 8/1/97, 4/20/09, 4/25/02 effective 8/1/02, 8/4/05, 7/31/14)

(a) The competition occurred while the student-athlete was representing an NCAA member institution;
(b) The competition occurred within 60 days of the date the student-athlete first reported for athletics participation;
(c) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution’s scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed events during that season (both segments) in the sport;
(d) The student-athlete was involved innocently and inadvertently in the erroneous determination or declaration of eligibility, which permitted the student-athlete to compete while ineligible; and
(e) In the case of a coaching staff member’s erroneous decision, the student-athlete had reason to believe he or she would be eligible to participate, and the student-athlete did not contribute to the coaching staff member’s erroneous decision to allow the student-athlete to participate.

12.8.5.1 Administrative Criteria. The following criteria shall be employed in the administration of the season-of-competition waiver: (Adopted: 1/16/93, Revised: 7/31/14)

12.8.5.1.1 Application -- Use of Scheduled or Completed Contests. An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. (Adopted: 8/4/05, Revised: 7/31/14)

12.8.5.1.2 Ten-Percent Calculation. The requirements specified in Bylaw 12.8.4.2.6 shall apply to the 10-percent calculation specified in this waiver. (Adopted: 1/16/93, Revised: 7/31/14)

12.8.6 Season-of-Competition Waiver -- Competition While Eligible. A student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement in a case in which the student-athlete participated in a limited amount of competition while eligible due to a coach’s documented misunderstanding of the legislation or other extenuating circumstances. In cases in which a student-athlete does not meet the criteria of this waiver, the Committee
on Student-Athlete Reinstatement shall have authority to review and grant a waiver based on additional documented extenuating circumstances. *(Adopted: 4/25/02 effective 8/1/02, Revised: 10/28/04, 7/31/14)*

**12.8.6.1 Application -- Use of Scheduled or Completed Contests.** An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. *(Adopted: 8/4/05, Revised: 7/31/14)*

**12.8.6.2 Coach's Documented Misunderstanding.** The student-athlete participated as a result of good faith, reliance on a coaching staff member’s decision to put the student-athlete in an alumni contest, exhibition contests, scrimmages, or nonchampionship segment contests based on the coach’s documented misunderstanding of NCAA legislation and the competition occurred under the following conditions: *(Adopted: 10/28/04, Revised: 8/4/05, 7/31/14)*

(a) The competition occurred while the student-athlete was representing an NCAA institution;

(b) The competition occurred prior to the completion of the first 20 percent of the championship segment of the institution’s declared playing and practice season; and

(c) The student-athlete did not compete in more than two events or 10 percent (whichever number is greater) of the institution’s scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of scheduled or completed events during that season (both segments) in the sport.

**12.8.6.2.1 Percent Calculation.** The requirements specified in Bylaw 12.8.4.2.6 shall apply to the percent calculation specified in this waiver. *(Adopted: 10/20/04, Revised: 7/31/14)*

**12.8.6.3 Extenuating Circumstances.** Extenuating circumstances include, but are not limited to, the following: *(Adopted: 4/25/02 effective 8/1/02, Revised: 10/28/04, 7/31/14)*

(a) The student-athlete failed to complete the entire season of competition at the institution as a result of a life-threatening injury or illness suffered by a member of the student-athlete’s immediate family, that clearly is supported by contemporaneous medical documentation;

(b) The student-athlete failed to complete the entire season of competition at the institution as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual upon whom the student-athlete is legally dependent and prohibited the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual upon whom the student-athlete is legally dependent;

(c) The student-athlete’s institution dropped the sport (in which the student practiced or competed) from its intercollegiate program.

**12.8.6.3.1 Conditions of Competition.** The competition must have occurred under all of the following conditions: *(Adopted: 10/28/04, Revised: 8/4/05, 1/14/08 effective 8/1/04, 7/31/14)*

(a) The competition occurred prior to the completion of the first half of the championship segment of the institution’s declared playing and practice season; and

(b) The student-athlete did not compete in more than three events or 30 percent (whichever number is greater) of the institution’s scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of scheduled or completed events during that season (both segments) in the sport.

**12.8.6.3.1.1 Percent Calculation.** The requirements specified in Bylaw 12.8.4.2.6 shall apply to the percent calculation specified in this waiver. *(Adopted: 4/25/02 effective 8/1/02, Revised: 10/28/04, 1/14/08, 7/31/14)*

**12.9 U.S. Service Academy Exceptions, Special Eligibility Provisions.**

**12.9.1 Five-Year Rule.** The Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers to the five-year rule (see Bylaw 12.8) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. *(Revised: 4/24/03 effective 8/1/03, 7/31/14)*

**12.9.2 Transfer Status.** A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the four national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5. *(Revised: 7/31/14)*
12.10 Certification of Eligibility.

12.10.1 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution’s student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution’s staff to administer proper certification of eligibility. Certification of eligibility must occur prior to allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). A violation of this bylaw in which the institution fails to certify a student-athlete’s eligibility prior to allowing him or her to represent the institution in intercollegiate competition shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility, provided all the necessary information to certify the student-athlete’s eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. (Revised: 3/8/06, 1/14/08, 7/31/14)

12.10.2 Squad-List Form. The institution’s athletics director shall compile on a form approved by the Legislative Committee a list of the squad members in each sport on the first day of competition and shall indicate thereon the status of each member in the designated categories. A student-athlete’s name must be on the official institutional form in order for the student to be eligible to represent the institution in intercollegiate competition. Violations of this bylaw do not affect a student-athlete’s eligibility if the violation occurred due to an institutional administrative error or oversight and the student-athlete is subsequently added to the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (See Bylaw 15.5.11 for details about the administration of the squad list.) (Revised: 1/14/97, 11/1/07 effective 8/1/08, 7/31/14, 8/7/14, 10/4/17)

12.11 Ineligibility.

12.11.1 Obligation of Member Institution to Withhold Student-Athlete From Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility as provided in Bylaw 12.12 if it concludes that the circumstances warrant restoration. (Revised: 7/31/14)

12.11.2 Ineligibility Resulting From Recruiting Violation. An institution shall not enter a student-athlete (as an individual or as a member of a team) in any intercollegiate competition if it is acknowledged by the institution or established through the Association’s infractions process that the institution or representative(s) of its athletics interests violated the Association’s legislation in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility as provided in Bylaw 12.12 if it concludes that circumstances warrant restoration. (Revised: 7/31/14)

12.11.2.1 Payment of Legal Fees During Appeal. [A] An institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete’s eligibility to participate in intercollegiate athletics, provided the prospective student-athlete either has signed a National Letter of Intent with the institution or (if the institution is not a subscribing member of the National Letter of Intent program) the prospective student-athlete has been accepted for enrollment by the institution and has provided written confirmation of his or her intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests). (Revised: 7/31/14)

12.11.3 Application of Ineligibility Ruling Pending Appeal. Once an interpretation (per Constitution 5.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Constitution 5.4.1.2.1.1 or 5.4.1.2.2) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership. (Revised: 12/22/08, 7/31/14)

12.11.4 Ineligible Participation.

12.11.4.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport if he or she participates in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility if it concludes that the circumstances warrant restoration (see Bylaw 12.12). (Revised: 7/31/14)

12.12 Restoration of Eligibility.

12.12.1 Basis for Appeal. When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete
Reinstatement for restoration of the student’s eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

12.12.2 Participation in Appeal Hearing. Any appeal to restore a student-athlete’s eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men’s or women’s program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. (Revised: 1/11/94, 3/8/06, 7/31/14)

12.12.3 Student Responsibility, Relationship to Restoration of Eligibility. A student-athlete is responsible for his or her involvement in a violation of NCAA regulations (as defined in Bylaw 19), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons.
BYLAWS, ARTICLE 13

Recruiting

13.01 General Principles.

13.01.1 Eligibility Effects of Recruiting Violation. The recruitment of a student-athlete by a member institution or any representative of its athletics interests in violation of the Association’s legislation, as acknowledged by the institution or established through the Association’s infractions process, shall result in the student-athlete becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for his or her involvement in a violation of NCAA regulations during the student’s recruitment, and involvement in a Level I or Level II violation (see Bylaws 19.1.1 and 19.1.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution. (Revised: 7/31/14)

13.01.2 Institutional Responsibility in Recruitment. A member of an institution’s athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.3 Additional Recruiting Restrictions. The Committee on Academics shall have the authority to determine the circumstances that would require an institution or team that fails to satisfy the academic performance program to apply additional recruiting restrictions. The Committee on Academics shall establish and annually publish to the membership such circumstances under which the additional restrictions apply (see Bylaw 14.8). (Adopted: 4/29/04 effective 8/1/04, Revised: 8/7/14)

13.02 Definitions and Applications.

13.02.1 Business Day. A business day is any weekday that is not recognized as a national holiday, including any weekday during which an institution is closed for other reasons (e.g., holiday break). (Adopted: 4/29/10 effective 8/1/10)

13.02.2 Camps.

13.02.2.1 Diversified Sports Camp. A diversified sports camp is a camp that offers a balanced camping experience, including participation in seasonal summer sports and recreational activities, without emphasis on instruction, practice or competition in any particular sport.

13.02.2.2 Specialized Sports Camp. A specialized sports camp is a camp that places special emphasis on a particular sport or sports and provides specialized instruction.

13.02.3 Competition Site. The “competition site” is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

13.02.4 Contact. A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete’s family members and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., staff member positions himself or herself in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete’s educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete’s high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospective student-athlete or the prospective student-athlete’s family members at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter. (Revised: 1/11/94 effective 8/1/94, 4/25/18)

13.02.4.1 Evaluation Activities During Contact Period -- Football. [FBS/FCS] In football, a visit to a prospective student-athlete’s high school, preparatory school or two-year college, or an evaluation at any site that occurs during a contact period shall constitute a contact (for all prospective student-athletes in that sport at the educational institution) for that particular week even if no contact is made with a prospective student-athlete. (Adopted: 1/11/94 effective 8/1/94, Revised: 1/10/95 effective 8/1/95)

13.02.5 Periods of Recruiting Activities.

13.02.5.1 Contact Period. A contact period is a period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations.
13.02.5.2 Evaluation Period. An evaluation period is a period of time when it is permissible for authorized athletics department staff members to be involved in off-campus activities designed to assess the academic qualifications and playing ability of prospective student-athletes. No in-person, off-campus recruiting contacts shall be made with the prospective student-athlete during an evaluation period. [D] (Revised: 10/30/14)

13.02.5.3 Recruiting Period -- Men's Basketball. In men's basketball, a recruiting period is a period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations. (Adopted: 10/27/11 effective 8/1/12)

13.02.5.4 Quiet Period. A quiet period is a period of time when it is permissible to make in-person recruiting contacts only on the institution's campus. No in-person, off-campus recruiting contacts or evaluations may be made during the quiet period. [D] (Revised: 10/30/14)

13.02.5.5 Dead Period. A dead period is a period of time when it is not permissible to make in-person recruiting contacts or evaluations on or off the institution's campus or to permit official or unofficial visits by prospective student-athletes to the institution's campus. It remains permissible, however, for an institutional staff member to write or telephone a prospective student-athlete during a dead period. [D] (Revised: 1/11/94, 12/6/13, 10/30/14)

13.02.5.5.1 Exception -- Women's Volleyball. In women's volleyball, an institutional coaching staff member may have incidental contact with a two-year college prospective student-athlete who is attending and being honored at the annual American Volleyball Coaches Association (AVCA) awards banquet, provided no recruiting conversation occurs. [D] (Adopted: 10/30/03, Revised: 10/30/14)

13.02.5.5.2 Exception -- After Commitment. Except for the application of Bylaw 13.02.5.5.2.1, a prospective student-athlete is no longer subject to the application of a dead period after one of the following events occurs: (Adopted: 1/16/10 effective 8/1/10, Revised: 1/15/11 effective 8/1/11, 1/19/13 effective 8/1/13, 11/25/13, 4/6/16, 4/28/16 effective 8/1/16, 7/9/18)

(a) The prospective student-athlete signs a National Letter of Intent (NLI) or the institution’s written offer of admission and/or financial aid; or

(b) The institution receives a financial deposit in response to the institution’s offer of admission.

In basketball and football, for institutions that subscribe to the National Letter of Intent program, this exception does not apply to an individual who only signs an institution's written offer of admission and/or financial aid prior to the initial regular (as opposed to early) signing date of the National Letter of Intent program in the applicable sport. In sports other than basketball and football, for institutions that subscribe to the National Letter of Intent program, this exception does not apply to an individual who only signs an institution’s written offer of admission prior to the initial signing date of the National Letter of Intent program in applicable sport.

13.02.5.5.2.1 December and January Dead Period -- Bowl Subdivision Football. In bowl subdivision football, it is not permissible for an institution to make an in-person, on- or off-campus contact with a prospective student-athlete during the December and January dead period, even if the prospective student-athlete has signed the institution’s written offer of admission and/or financial aid or the institution has received the prospective student-athlete’s financial deposit in response to its offer of admission. However, it is permissible for the institution to make such contact with a prospective student-athlete who has signed a National Letter of Intent with the institution or has arrived in the locale of the institution for initial full-time enrollment. (Adopted: 4/6/16, Revised: 6/12/19)

13.02.5.6 Recruiting Shutdown. A recruiting shutdown is a period of time when no form of recruiting (e.g., contacts, evaluations, official or unofficial visits, correspondence or making or receiving telephone calls) is permissible. (Adopted: 4/25/18)

13.02.6 Enrolled Student-Athlete. An enrolled student-athlete is an individual whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student’s ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department.

13.02.7 Evaluation. Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete’s educational institution (during which no contact occurs) or the observation of a prospective student-athlete participating in any practice or competition at any site. (Revised: 1/10/91 effective 8/1/91, 1/11/94 effective 8/1/94)
13.02.7.1 Exception -- Football. [FBS/FCS] In football, any evaluation that occurs during a contact period by a coaching staff member is a countable contact per Bylaw 13.02.4.1 rather than a countable evaluation. (Adopted: 1/10/95 effective 8/1/95)

13.02.7.2 Evaluation Days -- Football, Men's Golf, Women's Volleyball and Women's Beach Volleyball. An evaluation day is defined as one coach engaged in the evaluation of any prospective student-athlete on one day (12:01 a.m. to midnight). Two coaches making evaluations on the same day shall use two evaluation days. See Bylaws 13.1.7.4.4, 13.1.7.9, 13.1.7.10 and 13.1.7.12. 13.02.8 Family Member. A family member is an individual with any of the following relationships to the prospective student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the prospective student-athlete is the practical equivalent of a family relationship. (Adopted: 1/15/16 effective 8/1/16, Revised: 4/25/18)

13.02.9 Recruiting-Person Days -- Men's Basketball. In men’s basketball, a recruiting-person day is defined as one coach engaged in an off-campus recruiting activity of a men’s basketball prospective student-athlete on one day (12:01 a.m. to midnight); two coaches engaged in recruiting activities on the same day shall use two recruiting-person days. Men’s basketball staff members shall not exceed 130 recruiting-person days September 1 through May 31. (Adopted: 4/28/05 effective 8/1/05, Revised: 3/28/07, 5/9/08, 4/26/17, 8/8/18 effective 4/1/19)

13.02.9.1 Exception -- After Commitment. Recruiting activity involving only a prospective student-athlete who has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid or for whom the institution has received a financial deposit in response to its offer of admission shall not be counted as a recruiting-person day. (Adopted: 4/26/17)

13.02.9.2 Tournament Application. Each day of a tournament or tier of a tournament in which a coach engages in off-campus evaluation activity shall count as a separate recruiting-person day. (Adopted: 12/12/06)

13.02.10 Recruiting-Person Days -- Women's Basketball. In women’s basketball, a recruiting-person day is defined as one coach engaged in an off-campus recruiting activity of a women’s basketball prospective student-athlete on one day (12:01 a.m. to midnight); two coaches engaged in recruiting activities on the same day shall use two recruiting-person days. Women’s basketball staff members shall not exceed 112 recruiting-person days each year (measured August 1 through July 31). A coach’s involvement in off-campus recruiting activities during the July evaluation periods does not count toward the limitation. (Adopted: 4/28/05 effective 8/1/05, Revised: 1/8/07 effective 8/1/07, 3/27/07, 5/9/08, 1/19/13 effective 8/1/13, 4/26/17, 4/26/17 effective 8/1/17)

13.02.10.1 Exception -- After Commitment. Recruiting activity involving only a prospective student-athlete who has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid or for whom the institution has received a financial deposit in response to its offer of admission shall not be counted as a recruiting-person day. (Adopted: 4/26/17)

13.02.10.2 Tournament Application. Each day of a tournament or tier of a tournament in which a coach engages in off-campus evaluation activity shall count as a separate recruiting person day. (Adopted: 12/12/06)

13.02.11 Home. In general, a prospective student-athlete's "home" is the prospective student-athlete's legal residence, or the community of the educational institution in which the prospective student-athlete is enrolled while residing there.

13.02.12 National Letter of Intent. The National Letter of Intent referred to in this bylaw is the official document administered by the Collegiate Commissioners Association and used by subscribing member institutions to establish the commitment of a prospective student-athlete to attend a particular institution.

13.02.13 Prospective Student-Athlete. A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution provides such an individual (or the individual’s family members or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever is earlier): (Revised: 1/1/1989, 1/10/90, Adopted: 4/28/05, 1/17/09, 1/19/13 effective 8/1/13, 4/25/18, 1/23/19)

(a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution's regular academic year (excluding summer);

(b) The individual participates in a regular squad practice or competition at a four-year collegiate institution that occurs before the beginning of any term;
(c) The individual participates in required summer athletic activities before his or her initial full-time enrollment at the certifying institution;
(d) The individual officially registers, enrolls and attends classes during the certifying institution’s summer term prior to his or her initial full-time enrollment at the certifying institution; or
(e) The individual reports to an institutional orientation session that is open to all incoming students within 14 calendar days prior to the opening day of classes of a regular academic year term.

13.02.13.1 Exception — After Commitment. After an individual has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid or after the institution has received his or her financial deposit in response to its offer of admission, the individual shall no longer be subject to the restrictions of Bylaw 13.1. The individual remains a prospective student-athlete for purposes of applying the remaining provisions of Bylaw 13 and other bylaws. In basketball and football, for institutions that subscribe to the National Letter of Intent program, this exception does not apply to an individual who only signs an institution’s written offer of admission and/or financial aid prior to the initial regular (as opposed to early) signing date of the National Letter of Intent program in the applicable sport. In sports other than basketball and football, for institutions that subscribe to the National Letter of Intent program, this exception does not apply to an individual who only signs an institution’s written offer of admission prior to the initial signing date of the National Letter of Intent program in the applicable sport. (Adopted: 4/28/05, Revised: 1/19/13 effective 8/1/13, 4/28/16 effective 8/1/16, 7/9/18)

13.02.14 Recruiting. Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete’s family members by an institutional staff member or by a representative of the institution’s athletics interests for the purpose of securing the prospective student-athlete’s enrollment and ultimate participation in the institution’s intercollegiate athletics program. (Revised: 4/25/18)

13.02.14.1 Recruited Prospective Student-Athlete. Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (Revised: 1/10/90, 1/11/94 effective 8/1/94, 1/10/05 effective 8/1/05, 12/13/05, 4/26/17 effective 8/1/17, 4/25/18)

(a) Providing the prospective student-athlete with an official visit;
(b) Having an arranged, in-person, off-campus encounter with the prospective student-athlete or the prospective student-athlete’s family members; or
(c) Issuing a National Letter of Intent or the institution’s written offer of athletically related financial aid to the prospective student-athlete. An official visit provided to a senior prospective student-athlete April 1 through July 31 may count toward the previous year’s limit. (Adopted: 1/22/20)

13.6.2.3.6 **Multiple-Sport Prospective Student-Athletes.** A prospective student-athlete in football and one or more other sports (including basketball or baseball) shall be counted against the visit limitation in football. A prospective student-athlete in basketball and one or more other sports (other than football) shall be counted against the visit limitation in basketball. A prospective student-athlete in baseball and one or more other sports (other than football or basketball) shall be counted against the visit limitation in baseball. [D] (Revised: 5/12/99 effective 8/1/99, 10/29/09, 5/11/18)

13.6.2.3.7 **Head Coaching Change.** In baseball, basketball and football, an institution may provide additional official visits (up to 25 percent of the limitation for the particular sport) after a new head coach is hired, provided the previous head coach used 75 percent or more of the official visits permitted for that academic year. 13.6.2.5 **Visit While Competing in Open Event.** A host institution may pay the expenses of a recruited prospective student-athlete to participate in an established “open” event, provided the expenses of all other competitors in that event are paid; the expenses are not paid from athletics department (nonmeet) funds; and the expenses of the prospective student-athlete are limited to actual transportation, room and board. This trip shall be considered the one paid visit to the institution’s campus with the prospective student-athlete remaining not more than 48 hours.

13.6.3 **Requirements for Official Visit.** The following requirements must be met before an institution may provide an official visit to a prospective student-athlete: [D] (Adopted: 4/26/07 effective 8/1/07, Revised: 5/9/07, 11/1/07 effective 8/1/08, 8/7/14, 2/10/16)

(a) A prospective student-athlete must present the institution with a high school (or college) academic transcript;
13.6.3.1 NCAA Eligibility Center. A prospective student-athlete’s fulfillment of these academic requirements may be certified by the NCAA Eligibility Center approved by the Board of Governors. (Adopted: 4/26/07 effective 8/1/07, Revised: 10/30/14)

13.6.4 Length of Official Visit. An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution’s campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete’s home. Additionally, if the prospective student-athlete does not return home prior to attending the institution, the one-way transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to enroll. [D] (Revised: 1/9/96 effective 8/1/96, 8/5/04)

13.6.4.1 48-Hour Period Defined. The 48-hour period of the official visit begins at the time the prospective student-athlete arrives on the institution’s campus, rather than with the initiation of the prospective student-athlete’s transportation by a coach or the time of the prospective student-athlete’s arrival at the airport or elsewhere in the community (see Bylaws 13.5.2.4, 13.6.4.1.1 and 13.6.4.1.2). The prospective student-athlete’s transportation to and from the campus must be without delay for personal reasons or entertainment purposes. The institution may not pay any expenses for entertainment (other than the actual and reasonable cost of meals) in conjunction with the prospective student-athlete’s transportation. At the completion of the 48-hour visit, the prospective student-athlete must depart the institution’s campus immediately; otherwise, the institution may not pay any expenses incurred by the prospective student-athlete upon departure from the institution’s campus, including the cost of the prospective student-athlete’s transportation home. (Revised: 9/24/09)

13.6.4.1.1 Coach Accompanying Prospective Student-Athlete. If a coach accompanies a prospective student-athlete on an official visit by automobile per Bylaw 13.5.2.2.2, the 48-hour period shall begin when the coach begins transporting the prospective student-athlete to campus. A coach who makes an in-person, off-campus contact (any dialogue in excess of an exchange of a greeting) with the prospective student-athlete or the prospective student-athlete’s family members during a permissible contact period prior to transporting the prospective student-athlete to campus for an official visit is charged with a countable contact. Upon completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and his or her family members immediately. (Adopted: 1/14/97 effective 8/1/97, Revised: 4/25/18)

13.6.4.1.2 Lodging in the Locale of the Institution Before Visit. A prospective student-athlete and up to four family members accompanying the prospective student-athlete may receive lodging in the locale of the institution without beginning the 48-hour period if the prospective student-athlete arrives in the locale too late to begin the official visit that day. (Adopted: 9/24/09, Revised: 10/27/11 effective 8/1/12, 1/19/13 effective 8/1/13, 1/15/16 effective 8/1/16)

13.6.4.2 Exception to 48-Hour Period for Extenuating Circumstances. An official visit may extend beyond 48 hours for reasons beyond the control of the prospective student-athlete and the institution (e.g., inclement weather conditions, natural disaster, flight delays or cancellations, airport security activity). (Adopted: 4/26/07 effective 8/1/07, Revised: 1/23/19)

13.6.5 Transportation on Official Visit. For regulations relating to transportation on the official visit, see Bylaw 13.5.2.

13.6.6 Accommodations on Official Visit. A prospective student-athlete on an official visit shall be provided lodging and take meals as regular students normally do. Local commercial facilities may be used but at a scale comparable to that of normal student life and only within a 30-mile radius of the institution’s campus. Lodging may not include special accessories (e.g., Jacuzzi, luxury suite) that are not available generally to all guests residing at the establishment. (See Bylaw 13.6.7.7 for restrictions on meals provided to prospective student-athletes on official visits.) [R] (Revised: 8/5/04, 10/29/15)

13.6.6.1 Lodging for Additional Persons. [A] An institution may provide lodging for up to four family members accompanying the prospective student-athlete. Additional persons (e.g., additional family members, friends) may stay in the same room as the prospective student-athlete or other family members accompanying the prospective student-athlete, but the institution shall not pay the costs resulting from the additional occupants. The additional occupants shall not be prospective student-athletes being recruited by the institution. [R] (Adopted: 1/15/16 effective 8/1/16)

13.6.7 Entertainment/Tickets on Official Visit. [A]
13.6.7.1 General Restrictions. [A] An institution may provide entertainment, pursuant to Bylaw 13.6.7.5, on the official visit for a prospective student-athlete and up to four family members accompanying the prospective student-athlete within a 30-mile radius of the institution’s main campus. Personalized recruiting aids include any decorative items and special additions to any location outside of athletics facilities the prospective student-athlete will visit (e.g., hotel room, dorm room, student union) regardless of whether the items include the prospective student-athlete’s name or picture. An institution may decorate common areas in athletics facilities (e.g., lobby, coach’s office, suite in arena) for an official visit, provided the decorations

[A] An institution may reserve tickets (in addition to the permissible complimentary admissions) for the use of additional individuals accompanying a prospective student-athlete during an unofficial visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. Such tickets must be purchased at face value. [R] (Adopted: 1/10/92, Revised: 1/16/19 effective 8/1/19)

13.7.3.1.6 Parking. An institution may not arrange special parking for a prospective student-athlete to use while attending a member institution’s campus athletics event during an unofficial visit. [R] (Adopted: 1/10/92)

13.7.3.2 Home Games at Site Other Than Regular Home Facility. If an institution schedules any regular-season home games at a site not designated as its regular home facility, the host institution may provide a maximum of three complimentary admissions to any such game for the exclusive use of a prospective student-athlete and those persons accompanying the prospective student-athlete. Tournament and postseason games are excluded. The institution shall not

The limitations on providing entertainment to a prospective student-athlete shall not extend to a visit to the institution's campus for a purpose having nothing whatsoever to do with the prospective student-athlete's athletics recruitment by the institution (e.g., band trip, fraternity weekend, athletics team's attendance at a sporting event with the high school coach). The institution's athletics department or representatives of its athletics interests may not be involved in any way with the arrangements for the visit, other than the institution providing (in accordance with established policy) free admissions to an athletics event on a group basis, rather than personally to the prospective student-athlete. Such admissions may be provided during a dead period. [R] (Revised: 12/6/13)

13.7.4 Activities During Unofficial Visit. An institution may not arrange miscellaneous, personalized recruiting aids (e.g., personalized jerseys, personalized audio/video scoreboard presentations) and may not permit a prospective student-athlete to engage in any game-day simulations (e.g., running onto the field with the team during pregame introductions) during an unofficial visit. Personalized recruiting aids include any decorative items and special additions to any location outside of athletics facilities the prospective student-athlete will visit (e.g., hotel room, dorm room, student union) regardless of whether the items include the prospective student-athlete's name or picture. An institution may decorate common areas in athletics facilities (e.g., lobby, coach's office, suite in arena) for an unofficial visit, provided the decorations are not personalized and the common areas are not accessible or visible to the general public while decorated. (Adopted: 8/5/04, Revised: 5/14/05, 4/27/06, 4/25/18 effective 8/1/18)

Such entertainment shall not include food and refreshments, room expenses, or the cost of transportation to and from the campus or the athletics event. It is not permissible to provide complimentary admissions to any postseason competition (e.g., NCAA championship, conference tournament, bowl game). An institutional coaching staff member is expressly prohibited from spending funds to entertain the prospective student-athlete's coach on or off the member institution's campus. [D] (Revised: 4/3/02, 8/5/04, 4/28/05 effective 8/1/05, 10/30/14)

13.8.1.1 Exception -- Nonathletics Personnel. An institutional department outside the athletics department (e.g., president's office, admissions) may host nonathletics high school, preparatory school or two-year college personnel (e.g., guidance counselors, principals) in conjunction with a home intercollegiate athletics event and may provide such individuals reasonable expenses (e.g., food, refreshments, parking, room) and a nominal gift, provided the visit is not related to athletics
recruiting and there is no involvement by the institution’s athletics recruiting and there is no involvement by the institution’s athletics department in the arrangements for the visit, other than providing (in accordance with established policy) free admissions to an athletics event. [D] (Adopted: 3/8/12, Revised: 10/30/14)

[D] (Revised: 10/30/14)

13.8.1.4 Purchase of Game Tickets. An institution may not reserve tickets (in addition to the permissible complimentary admissions) to be purchased by high school, preparatory or two-year college coaches (or individuals accompanying them) to attend an institution’s athletics contest. Tickets may be purchased only in the same manner as any other member of the general public. [D] (Adopted: 1/10/92, Revised: 10/30/14)

13.8.1.5 Noncoaching-Related Organization. If a high school, preparatory school or two-year college coach is a member of a noncoaching-related organization (e.g., state high school principals association, college fraternity alumni organization, institution’s alumni association), an institution may entertain the group, provided there is no direct involvement by the institution’s athletics department. [D] (Revised: 10/30/14)

13.8.2 Material Benefits. Arrangements by an institution that involve a material benefit for a high school, preparatory school or two-year college coach, or for any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved, (e.g., the provision of a gift such as a tangible item bearing the institution’s insignia, the offer to pay a portion of the coach’s or other individual’s personal expenses, compensation based on the number of campers sent to an institution’s camp, or an arrangement to provide transportation for the coach or other individual) are prohibited. 13.8.2.1 Gifts at Coaches Clinic. An institution may not provide gifts to high school, preparatory school or two-year college coaches in conjunction with its coaches clinic or other events. This specifically prohibits the provision of a door prize to the coach, even if the cost of the prize is included in the cumulative admission fee (the admission fee charged to each person, when combined, would cover the cost of the prize). Materials (e.g., clipboards, file folders) may be provided to each person attending the clinic, provided the items are included in the registration or admission fee. [D] (Revised: 1/16/93, 1/11/94, 10/30/14)

(d) The on-campus evaluation may be conducted only during the prospective student-athlete's official or unofficial visit;

(e) The on-campus evaluation shall be conducted not later than the opening day of classes of the institution's fall term;

(f) Not more than one on-campus evaluation per prospective student-athlete per institution shall be permitted (applied separately to the time period in which a prospective student-athlete completes high school or preparatory school eligibility and to the time period after the prospective student-athlete enrolls full time in a collegiate institution);

(g) Before participating in an on-campus evaluation, a prospective student-athlete is required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). A nurse practitioner whose state medical licensure allows for health care practice independent of physician supervision may complete the medical examination without supervision by a physician. The examination or evaluation shall include a sickle cell solubility test unless documented results of a prior test are provided to the institution or the prospective student-athlete declines the test and signs a written release. The examination or evaluation must be administered either within six months before participation in the on-campus evaluation or within six months before the prospective student-athlete's initial participation in practice, competition or out-of-season conditioning activities during his or her immediately completed season. In addition, the medical examination or evaluation may be conducted by an institution's regular team physician or other designated physician as a part of the on-campus evaluation;

(h) The institution's basketball student-athletes may participate in an on-campus evaluation, provided such participation is counted toward the applicable hourly and weekly limitations on countable athletically related activities (e.g., four hours per day and 20 hours per week during the playing season, four hours of skill instruction and eight hours per week outside the playing season). [See Bylaws 17.1.7.2-(a) and 17.1.7.2.2];

A student-athlete who is not enrolled, but who has been accepted for admission to the institution in a regular full-time program of studies, shall be permitted to engage in preseason practice and competition in fall sports or practice occurring in midyear between terms on the academic calendar, provided such practice is not used to determine whether aid is to be awarded. [D]

13.11.2.3 Recreational Activities. A prospective student-athlete visiting an institution may participate in physical workouts or other recreational activities during a visit to an institution's campus, provided such activities: [D] (Revised: 1/11/94, 5/11/19)

(a) Are not observed by members of the athletics department coaching staff;
(b) Are not designed to test the athletics abilities of the prospective student-athlete; and

(c) A student-athlete or prospective student-athlete may not be required to report back to a coach or other athletics department staff member any information related to the activity. In addition, no athletics department staff member who observes the activity (e.g., trainer, manager) may report back to the institution’s coach any information related to the activity.

13.11.2.3.1 Exception -- After National Letter of Intent Signing. A prospective student-athlete who has signed a National Letter of Intent (or a four-year college-transfer prospective student-athlete who has signed a written offer of financial aid and/or admission) may participate in voluntary weightlifting or conditioning activities (e.g., conditioning on the track) on the institution’s campus in the presence of the institution’s strength and conditioning coach, provided such activities are not prearranged, the strength and conditioning coach is performing normal duties and responsibilities in the supervision of the weight room or facility in use (e.g., track) and he or she does not work directly with the prospective student-athlete. [D] (Adopted: 8/26/10)

13.11.2.4 Local Sports Clubs. In sports other than basketball and football, an institution’s coach may be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) in the same sport for a local sports club or organization located in the institution’s home community, provided all prospective student-athletes participating in said activities are legal residents of the area (within a 50-mile radius of the institution). In all sports, an institution’s coach may be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) in a sport other than the coach’s sport for a local sports club or organization located in the institution’s home community, provided all prospective student-athletes participating in said activities are legal residents of the area (within a 50-mile radius of the institution). Further, in clubs or organizations involving multiple teams or multiple sports, the 50-mile radius is applicable only to the team with which the institution’s coach is involved; however, it is not permissible for the coach to assign a prospective student-athlete who lives outside the 50-mile area to another coach of the club. A coach also may be involved in activities with individuals who are not of a prospective student-athlete age, regardless of where such individuals reside. (In women’s volleyball and women’s beach volleyball, see Bylaws 13.1.7.9 and 13.1.7.10, respectively, for regulations relating to a coach’s involvement with a local sports club and the permissible number of evaluation days.) [D] (Revised: 1/11/90, 1/16/93, 9/6/00, 4/25/02 effective 8/1/02, 5/11/05, 7/31/15, 5/1/19)

13.11.2.4.1 Exception. The 50-mile radius restriction shall not apply to a prospective student-athlete who resides outside a 50-mile radius of the institution, provided the institution documents that the local sports club is the closest opportunity for the prospective student-athlete to participate in the sport. (Adopted: 1/9/06 effective 8/1/06)

13.11.2.4.2 Legal Resident. A prospective student-athlete who relocates to an area within a 50-mile radius of the institution on a temporary basis (e.g., to participate on a club team or attend an institution while maintaining a permanent residence outside the 50-mile radius) is not a legal resident of the area regardless of whether the prospective student-athlete meets legal standards of state or local residency for governmental purposes. (Adopted: 9/18/07)

13.11.2.4.3 Institutional Sponsorship of Local Sports Club. Neither an institution’s athletics department nor an institution’s athletics booster group may sponsor a local sports club that includes prospective student-athletes. It is permissible for a department of the institution that operates independent of the athletics department (e.g., physical education department, recreation department) to sponsor a local sports club that includes prospective student-athletes, provided no athletics department staff member is involved with the club team. [D] (Adopted: 1/16/93, Revised: 1/11/94)

13.11.2.4.3.1 Exception -- Permissible Recruiting Expenses. An institution may provide expenses to a coach related to permissible recruiting activities on behalf of the institution that occur while the coach is also acting in a permissible capacity for a local sports club. (Adopted: 5/11/19)

13.11.2.4.4 Women’s Volleyball -- Additional Restrictions. In women’s volleyball, during a dead or quiet period, institutional coaching staff members may not coach a local sports club team at an off-campus competition where prospective student-athletes are present. However, it is permissible for an institution’s coach to coach his or her own local sports club in practice activities. [D] (Adopted: 4/28/05 effective 8/1/05)

13.11.2.4.5 Noncoaching Staff Members with Sport-Specific Responsibilities -- Football. [FBS/FCS] In football, a noncoaching staff member with sport-specific responsibilities (e.g., director of operations, administrative assistant) shall not be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) with a football club or organization that includes prospective student-athletes. (Adopted: 5/1/19 Immediate; a contract signed before 6/13/18 may be reviewed on a case-by-case basis.)

13.11.2.5 Sports Camps and Clinics. An institution’s coach may be employed in sports camps, coaching schools and clinics per Bylaw 13.12 without violating the tryout rule.

13.11.2.6 Medical Examinations.
13.11.2.6.1 Medical Screening Examination. During a prospective student-athlete’s official or unofficial visit to campus, an institution may conduct a medical screening examination to determine the prospective student-athlete’s medical qualifications to participate in intercollegiate athletics, provided: (Revised: 10/30/03 effective 8/1/04, 5/1/19)

(a) The examination is conducted by the institution’s regular team or designated physician, or other institutional medical staff member (e.g., athletic trainer);
(b) No other nonmedical athletics department staff members are present;
(c) The examination does not include any test or procedure designed to measure the athletics agility or skill of the prospective student-athlete; and
(d) The results of the examination are not used by the institution to deny admission of the prospective student-athlete who is otherwise qualified for admission under the institution’s regular admission criteria.

13.11.2.6.1.1 Exception -- National Service Academies. National service academies are not subject to the restrictions on medical examinations during a prospective student-athlete’s visit to campus set forth in Bylaw 13.11.2.6.1.

13.11.2.6.1.2 Exception -- On-Campus Evaluation -- Basketball. In basketball, additional athletics department staff members (e.g., coaches) may be present during a medical examination that is conducted as part of an on-campus evaluation (see Bylaw 13.11.2.1) and the medical evaluation may include tests or procedures designed to measure the athletics agility or skill of the prospective student-athlete. (Adopted: 1/14/12, Revised: 1/19/13)

13.11.2.6.2 After Signing or Acceptance for Enrollment. It shall be permissible to administer medical examinations at any time to prospective student-athletes who either have signed the National Letter of Intent with the involved institution or have been accepted for enrollment in a regular full-time program of studies at that institution, provided the examinations occur during an official paid visit or a visit to the institution at the prospective student-athlete’s own expense for any purpose. Such an examination may take place before or after, but not during, a prospective student-athlete’s visit to the campus to attend a general orientation session pursuant to Bylaw 13.15.2.4. [D] (Revised: 1/14/97, 6/10/04, 1/19/13 effective 8/1/13)

[D]

13.11.3.2 Activities Not Involving Institution’s Staff. The use of a member institution’s facilities for physical activities by a group that includes prospective student-athletes shall not be considered a tryout, provided the institution’s athletics department staff members or representatives of its athletics interests are not involved in the conduct, promotion or administration of the activity (other than activities incidental to supervising the use of the facilities) and are subject to all applicable NCAA recruiting legislation. This exception does not apply to activities and events that are prohibited per Bylaws 13.11.1.8, 13.11.1.9, 13.11.1.10 and 13.11.1.14. [D] (Revised: 1/9/06 effective 8/1/06, 8/12/10, 5/22/13)

13.11.3.3 State, Regional, National or International Training Programs. Participation by an institution’s athletics department staff member in recognized state, regional, national or international training programs or competition organized and administered by the applicable governing body shall not be considered tryouts, provided the athletics department staff member is selected by the applicable governing body and the participants are selected by an authority or a committee of the applicable governing body that is not limited to athletics department staff members affiliated with one institution. A member institution’s coaching staff member may not participate only in noncoaching activities (e.g., consultant, on-site coordinator, participant selection), except as provided in Bylaws 13.11.3.3.1, 13.11.3.3.2 and 13.11.3.3.3. Academic Eligibility

14.01 General Principles.

14.01.1 Institutional Responsibility. An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition unless the student-athlete meets all applicable eligibility requirements, and the institution has certified the student-athlete’s eligibility. A violation of this bylaw in which the institution fails to certify the student-athlete’s eligibility before allowing him or her to represent the institution in intercollegiate competition shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility, provided all the necessary information to certify the student-athlete’s eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. (Revised: 1/14/08)

14.01.2 Academic Status. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain progress toward a baccalaureate or equivalent degree. (Revised: 5/29/08)

14.01.2.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. The standard of good academic standing required for a student-athlete to represent an institution in intercollegiate athletics competition must be at least as demanding as the institutional standard applied to all students to participate in extracurricular activities. (Revised: 5/29/08, 10/4/17)

14.01.2.1.1 Additional Application -- Baseball. In baseball, a student-athlete who fails to meet the requirements of good academic standing at the beginning of an institution’s fall term shall not be eligible for competition during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.01.3 Compliance With Other NCAA and Conference Legislation. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution and the conference, if any, of which the institution is a member. A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility. (Revised: 10/27/06, 5/29/08)

14.01.4 Purpose of the Academic Performance Program. The central purpose of the academic performance program is to ensure that the Division I membership is dedicated to providing student-athletes with exemplary educational and intercollegiate-athletics experiences in an environment that recognizes and supports the primacy of the academic mission of its member institutions, while enhancing the ability of male and female student-athletes to earn a four-year degree. (Adopted: 4/29/04, Revised: 7/31/13)

14.01.5 Nature of Reward and Penalty Structure -- Academic Performance Program. The Division I membership is committed to providing higher education for a diverse body of male and female student-athletes within the context of an institution’s academic and admissions standards for all students through a system that rewards those institutions and teams that demonstrate commitment toward the academic progress, retention and graduation of student-athletes and penalizes those that do not. (Adopted: 4/29/04, Revised: 7/31/13)

14.01.6 Disclosure Requirements -- Academic Performance Program.

14.01.6.1 Academic Progress Rate -- Disclosure. An institution shall not be eligible to enter a team or individual competitor in postseason competition (including NCAA championships and bowl games) unless it has submitted, by the applicable deadline, its academic progress rate (APR) in a form approved and administered by the Committee on Academics. (Adopted: 4/29/04, Revised: 9/14/07, 7/31/13, 8/7/14)

14.01.6.2 Academic Performance Census -- Disclosure. An institution shall not be eligible to enter a team or individual competitor in postseason competition (including NCAA championships and bowl games) unless it has submitted, by the applicable deadline, its academic performance census (APC) in a form administered by the Committee on Academics. (Adopted: 4/29/04, Revised: 9/14/07, 7/31/13, 8/7/14)

(Adopted: 4/28/16 effective 8/1/16)

14.02.2 Academic Progress Rate. The Committee on Academics shall have the authority to determine the minimum acceptable academic progress rate (APR), which shall include a calculation that accounts for currently enrolled student-athletes. The rate shall account for the institution’s success in retaining and graduating all such student-athletes. Further, the rate shall account for the academic eligibility of the student-athletes, including all applicable NCAA, conference and institutional academic eligibility requirements. The committee shall publish an explanation of the APR calculation to the membership annually. (Adopted: 4/29/04, Revised: 8/6/09, 7/31/13, 8/7/14)

14.02.7 Exception. An exception is the granting of relief from the application of a specific regulation (e.g., the residence requirement for a transfer student to become eligible for competition). The action granting the exception may be taken solely by the certifying institution, based on evidence that the conditions on which the exception is authorized have been met (see Bylaw 14.02.16). (Revised: 11/1/07 effective 8/1/08)

14.02.8 Good Academic Standing and Progress Toward Degree. The phrases “good academic standing” and “progress toward degree” are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference(s) (or similar associations), if any, of which the institution is a member; and applicable NCAA legislation (see Bylaw 14.4).

14.02.9 Graduation Success Rate. The Committee on Academics shall determine the minimum acceptable graduation success rate (GSR). The Committee on Academic Performance shall publish an explanation of the GSR calculation to the membership annually. (Adopted: 4/29/04, Revised: 7/31/13, 8/7/14)

(a) Substantial assistance that is not generally available to an institution’s students and is not otherwise expressly authorized in Bylaw 16.3, which results in the certification of a student-athlete’s eligibility to participate in intercollegiate athletics, receive financial aid, or earn an Academic Progress Rate point; or

(b) An academic exception that results in a grade change, academic credit or fulfillment of a graduation requirement when such an exception is not generally available to the institution’s students and the exception results in the certification of a student-athlete’s eligibility to participate in intercollegiate athletics, receive financial aid, or earn an Academic Progress Rate point.

14.02.11 Institutional Staff Member. For purposes of Bylaw 14, an institutional staff member is any individual, excluding a student employee, who performs work for the institution or the athletics department, regardless of whether he or she receives compensation for such work. (Revised: 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)

14.02.14 Residence. Residence is enrollment in a full-time academic program (as defined by the institution) at a collegiate institution during a regular term of an academic year. A summer term may not be used to satisfy an academic term of residence. Any student-athlete (e.g., qualifier, nonqualifier, transfer student) admitted after the 12th class day may not use that semester or quarter for the purpose of satisfying an academic term or year of residence. (Revised: 4/14/10)

14.1.1.1 Special Admission. A student-athlete may be admitted under a special exception to the institution’s normal entrance requirements if the discretionary authority of the president or chancellor (or designated admissions officer or committee) to grant such exceptions is set forth in an official document published by the university (e.g., official catalog) that describes the institution’s admissions requirements. (Revised: 3/8/06)

If such a violation occurred, the student-athlete remains ineligible for intercollegiate competition unless eligibility is restored by the Committee on Student-Athlete Reinstatement regardless of whether an initial-eligibility waiver is granted after the invalidation of the academic credentials. (Adopted: 3/3/11)

14.1.2.3 High School Review Committee. The High School Review Committee shall have the authority to establish policies and procedures related to the academic review of high schools and to determine the validity of a high school (e.g., core courses, curriculum, grades) for the purpose of meeting initial-eligibility requirements. 14.2.1.2 Drop/Add Course. A student-athlete no longer shall be considered enrolled in a minimum full-time program of studies (after dropping a course that places the student below full-time status) when the dropped course becomes official in accordance with procedures determined by the institution for all students. A student who is adding a course to reach full-time status shall become eligible for practice and competition once the course has been approved by the appropriate department head (or designated representative) and submitted to the registrar. *(Adopted: 1/10/92)*

14.2.1.3 Exception -- Final Semester/Quarter. A student-athlete with athletics eligibility remaining may participate in organized practice sessions while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of a baccalaureate or graduate degree program, or a minor or undergraduate certificate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree, minor or certificate requirements, as determined by the faculty of the institution. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution’s first five days of classes of the applicable term. *(Revised: 3/27/18, 1/23/19 effective 8/1/19)*

- (a) The practice sessions take place at the institution the individual previously attended as an undergraduate or currently attends or previously attended as a graduate student, except that a former student-athlete who has graduated and has no eligibility remaining may participate in practice sessions at an institution other than the one he or she previously attended;
- (b) In the case of a former student-athlete, the practice sessions involve an individual sport or women’s rowing;
- (c) In the case of a current student-athlete with eligibility remaining, the practice sessions involve an individual or team sport;
- (d) The institution receives confirmation that the U.S. Olympic and Paralympic Committee or national governing body in the sport has recommended the individual’s participation;
- (e) The individual does not participate in any coaching activities unless the institution designates the individual in the appropriate coaching limits;
- (f) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only during the academic year immediately preceding the Olympic or Paralympic Games; and
(g) In the case of a former student-athlete, such participation shall be limited to the number of years that allows the individual to practice with the institution’s team in preparation for two consecutive Olympic or Paralympic Games following exhaustion of eligibility or completion of degree, whichever occurs earlier. 14.2.2.1.3 Final Semester/Quarter. A student-athlete may compete while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of a baccalaureate or graduate degree program, or a minor or undergraduate certificate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete degree, minor or certificate requirements. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution’s first five days of classes of the applicable term. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree, minor or certificate requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. (Revised: 1/10/92, 1/16/93, 1/10/95, 2/1/05, 11/1/07 effective 8/1/08, 1/14/12, 8/21/12, 3/27/18, 1/23/19 effective 8/1/19)

14.2.2.1.3.1 Eligibility Following Final Term. A student-athlete who is eligible to compete while enrolled less than full time during his or her final term remains eligible for regular-season competition that occurs after the term and any postseason event that begins within 60 days following the term. A student-athlete who attends a quarter-system institution and who graduates at the end of the winter quarter may compete in any postseason event (and preceding regular-season competition) that occurs during the same academic year following the completion of the winter quarter. (See Bylaw 12.8.) (Adopted: 4/29/04 effective 8/1/04, Revised: 3/27/18)

14.2.2.1.4 Final Term Before Experiential Learning Requirement. A student-athlete may compete while enrolled in less than a minimum full-time program of studies in the final semester or quarter of the student’s baccalaureate degree program before participating in an experiential learning requirement (e.g., student teaching, internship, clinical, capstone project, etc.) in the following term, provided the student-athlete is carrying (for credit) all courses necessary to complete degree requirements, other than the experiential learning requirement. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements during the following final semester or quarter and is eligible to receive the baccalaureate diploma on the institution’s next degree granting date immediately following the final semester. A student-athlete who uses this exception is not permitted to use the final semester/quarter exception in the following semester or quarter. (Adopted: 6/28/17 effective 8/1/17 for certifications of eligibility for fall 2017 and after)

14.2.2.1.5 Graduate Program. A student may compete while enrolled in a full-time graduate program as defined by the institution (see Bylaw 14.6). (Revised: 1/9/06 effective 8/1/06)

14.2.2.2 Noncredit Work. Hours of noncredit work (including remedial courses) may be counted toward fulfilling the minimum full-time enrollment requirement, provided the noncredit work is given the same academic load value and is considered by the institution to be a requirement for the degree currently being pursued by the student.
14.2.2.3 Concurrent Courses at Two Institutions. Courses taken concurrently at a second institution may be counted toward meeting the minimum 12-hour enrollment requirement, provided:

(a) The certifying institution officially recognizes the student’s combined hours as full-time enrollment for a minimum of 12 hours; and

(b) Courses taken at the second institution will be included on the student’s transcript at the institution where the student is seeking the degree.

14.2.2.4 Cooperative Educational Exchange Program. A student-athlete may represent the certifying institution in intercollegiate athletics even though at the time of competition the student is enrolled in another institution in a cooperative educational exchange program, provided:

(a) The certifying institution considers the student to be regularly enrolled in a minimum full-time program of studies; and

(b) All work is placed on the student’s transcript and accepted toward his or her undergraduate degree at the certifying institution.

14.2.2.5 Cooperative Educational Work Experience Program. A student-athlete may represent the certifying institution in intercollegiate athletics while he or she is enrolled in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) offered by the institution, provided the student is considered to be enrolled in a full-time program of studies, regardless of the credit value of the program. However, a student who participates in a cooperative educational work experience program that is not a required element of his or her degree program must be enrolled in a minimum of six credit hours, which may include the credit value of the cooperative educational work experience program, at the certifying institution during the same term. (Adopted: 10/28/10)

14.2.2.6 Nontraditional Courses. Enrollment in a nontraditional course (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) offered by the certifying institution may be used to satisfy the full-time enrollment requirement for competition, provided the following conditions are met: (Adopted: 4/28/11 effective 8/1/11)

(a) The course is available to any student at the institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student;

(c) Enrollment in the course occurs within the institution’s regular enrollment periods (pre-registration or drop-add period) in accordance with the institution’s academic calendar and applicable policies and procedures; and

(d) The course is conducted during the institution’s regular academic schedule (term time) in accordance with the institution’s academic calendar and applicable policies and procedures.

14.2.3 Waivers. Waivers may be granted to the minimum 12-semester or 12-quarter hour enrollment requirement as follows: (Revised: 1/16/10 effective 5/1/10)

14.2.3.1 Nontraditional Academic Calendars. A student-athlete at an institution that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) may practice and compete, if the student is enrolled for a comparable minimum academic load as determined by the Committee on Academics (see Bylaw 4.4.2). (Revised: 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 10/8/10)

14.2.3.2 Olympic Games, Paralympic Games, Pan American Games, Parapan American Games World Championships, World Cup, World University Games (Universiade), World University Championships or World Youth Championships -- Competition. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) may waive the minimum full-time enrollment requirement for any participant in the Olympic Games, Paralympic Games, Pan American Games, Parapan American Games World Championships, World Cup, World University Games (Universiade), World University Championships or World Youth Championships (including junior levels of such events) who, because of such participation, may lose eligibility for practice and competition in any sport. (Revised: 1/10/91, 1/9/96, 9/12/03, 12/13/05, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 1/14/12, 1/22/20)

14.2.3.3 Student-Athletes With Education-Impacting Disabilities. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the education-impacting disability. (Adopted: 1/10/95, Revised: 11/1/07 effective 8/1/08, 8/7/08, 1/16/10 effective 5/1/10)
14.2.3.4 Full-Time Enrollment -- Practice and Competition. Unless otherwise specified under this bylaw, the Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) may waive the 12-hour requirement for practice and competition. (Adopted: 8/4/05, Revised: 11/1/07 effective 5/1/08, 1/16/10 effective 5/1/10)

14.3 Freshman Academic Requirements.

14.3.1 Eligibility for Financial Aid, Practice and Competition -- Qualifiers and Academic Redshirts. A student-athlete who enrolls in a member institution as an entering freshman with no previous full-time college attendance shall meet the following academic requirements, as certified by the NCAA Eligibility Center, as approved by the Board of Governors, and any applicable institutional and conference regulations, to be considered a qualifier or an academic redshirt. (Revised: 1/16/93 effective 8/1/94, 1/9/96 effective 8/1/97, 3/22/06, 5/9/07, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16, 10/30/14)

14.3.1.1 Qualifier. A qualifier shall be eligible for financial aid, practice and competition during the first academic year of residence. A qualifier is defined as one who is a high school graduate and who presented the following academic qualifications: (Revised: 1/10/90, 1/10/92 effective 8/1/95, 1/16/93 effective 8/1/96, 2/9/95, 1/11/00 effective 8/1/11, 11/1/01 effective 8/1/05, 4/24/02 effective 8/1/08, 10/31/02 effective 8/1/03 and 8/1/05, 4/26/06, 5/31/06, 5/9/07, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16, 10/30/14)

(a) A minimum cumulative grade-point average as specified in Bylaw 14.3.1.1.3 (based on a maximum 4.000) in a successfully completed core curriculum of at least 16 academic courses per Bylaw 14.3.1.3, including the following:

The record of the above courses and course grades must be certified by the Eligibility Center using either an official high school transcript forwarded directly from the high school or a high school transcript forwarded by an institution’s admissions office;

(b) A minimum combined score on the SAT critical reading and math sections or a minimum sum score on the ACT as specified in Bylaw 14.3.1.1.3. The required SAT or ACT score must be achieved under national testing conditions on a national, state or district testing date [no residual (campus) testing]; and

(c) Completion of 10 of the required 16 core courses before the start of his or her seventh semester (or the equivalent) of high school. Seven of the 10 core courses must include English, mathematics and natural or physical science. The 10 core courses used to fulfill this requirement and the grades achieved in such courses shall be used in determining the student-athlete’s eligibility for financial aid, practice and competition during his or her first academic year of residence and shall not be replaced by courses or grades achieved in subsequently completed core courses, including courses completed after the core-curriculum time limitation pursuant to Bylaws 14.3.1.3.1.1 or 14.3.1.3.1.2. (See Bylaw 14.3.1.3.6.)

14.3.1.1.1 Exception -- International Prospective Student-Athletes. The provisions of Bylaw 14.3.1.1-c do not apply to a prospective student-athlete whose initial-eligibility certification is based entirely on international credentials. (Adopted: 4/26/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)

14.3.1.2 Exception -- Early Academic Certification. A student-athlete shall be certified as a qualifier, provided he or she has achieved the following academic criteria: (Adopted: 1/14/08 effective 8/1/08, Revised: 10/27/11, 4/26/12, 8/2/12 effective 8/1/13 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/13, 2/2/16)
(a) A minimum combined score on the SAT critical reading and math sections of 900 (for tests taken prior to March 1, 2016) or a minimum sum score on the ACT of 75, per the requirements of Bylaw 14.3.1.4. A concordant SAT score for tests taken on or after March 1, 2016 will be determined by the College Board; and

(b) A core-course grade-point average of 3.000 or higher (based on a maximum of 4.000) in a minimum of 14 core courses on completion of six semesters (or the equivalent). The 14 core courses shall include three core courses in English, two in mathematics, two in natural or physical science (including at least one laboratory course, if offered), two additional core courses in English, mathematics, or natural or physical science and five additional core courses in any NCAA core area. The record of the courses and course grades must be certified by the Eligibility Center using either an official high school transcript forwarded directly from the high school or a high school transcript forwarded by an institution’s admissions office.

14.3.1.2.1 Submission of Final Transcript. If a student-athlete is certified as a qualifier pursuant to the early academic certification exception and his or her initial full-time collegiate enrollment occurs at the certifying institution during the first term of the academic year, the institution shall ensure submission of his or her final high school transcript (official or unofficial) to the Eligibility Center by February 1 following the student-athlete’s initial full-time enrollment. If a student-athlete is certified as a qualifier pursuant to the early academic certification exception and his or her initial full-time collegiate enrollment occurs at the certifying institution after the conclusion of the first term of the academic year, the institution shall ensure submission of his or her final high school transcript (official or unofficial) to the Eligibility Center by February 1 of the following academic year. [D] (Adopted: 4/30/09 effective 8/1/09)

14.3.1.2.1.1 Waiver. The Committee on Academics may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The committee shall establish the process for reviewing such waiver requests. (Adopted: 4/30/09 effective 8/1/09, Revised: 8/7/14)

14.3.1.3 Initial-Eligibility Index for Qualifiers. A student-athlete must meet the requirements of the following eligibility index to be certified as a qualifier. The SAT scores in the table below apply to tests taken prior to March 1, 2016. ### 14.3.1.2 Academic Redshirt

An academic redshirt may receive institutional athletically related financial aid but may not compete during the first academic year of residence. An academic redshirt may practice only on campus or at the institution’s regular practice facility during the first regular academic term in residence. An academic redshirt must successfully complete nine semester or eight quarter hours of academic credit in each applicable regular academic term in order to be eligible for practice in the immediately subsequent term of his or her initial academic year of residence. An academic redshirt is defined as one who is a high school graduate and who presented the same academic qualifications applicable to qualifiers (see Bylaw 14.3.1.1) except for the following: *(Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)*

(a) The required minimum cumulative grade-point average and minimum combined score on the SAT critical reading and math sections or a minimum sum score on the ACT as specified in Bylaw 14.3.1.2.1;

(b) Bylaw 14.3.1.1-(c) shall not apply.

#### 14.3.1.2.1 Initial-Eligibility Index for Academic Redshirts

A student-athlete must meet the requirements of the following eligibility index to be certified as an academic redshirt. The SAT scores in the table below apply to tests taken prior to March 1, 2016. SAT scores for tests taken on or after March 1, 2016, will be evaluated based on the concordance established by the College Board:

### 14.3.1.2.2 Outside Competition -- Academic Redshirt.

An academic redshirt may participate in the institution’s intramural program (provided the intramural team is not coached by a member of the institution’s athletics department staff), but during the first year of enrollment, such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team. *(Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)*

### 14.3.1.3 Core-Curriculum Requirements. [#](#) For purposes of meeting the core-curriculum requirement to establish eligibility at a member institution, a “core course” must meet all of the following criteria: *(Revised: 1/11/00 effective 8/1/00, 11/1/01 effective 8/1/05 for those students first entering a collegiate institution on or after 8/1/05, 8/7/08, 1/15/11 effective 1/14/12)*

(a) A course must be a recognized academic course and qualify for high school graduation credit in one or a combination of the following areas: English, mathematics, natural/physical science, social science, foreign language or nondoctrinal religion/philosophy;

(b) A course must be considered college preparatory by the high school. College preparatory is defined for these purposes as any course that prepares a student academically to enter a four-year collegiate institution upon graduation from high school;

(c) A mathematics course must be at the level of Algebra I or a higher-level mathematics course;

(d) A course must be taught by a qualified instructor as defined by the appropriate academic authority (e.g., high school, school district or state agency with authority of such matters); and

(e) A course must be taught at or above the high school’s regular academic level (remedial, special education or compensatory courses shall not be considered core courses). However, the prohibition against the use of remedial or compensatory courses is not applicable to courses designed for students with education-impacting disabilities (see Bylaw 14.3.1.2.1.2).

### 14.3.1.3.1 Core-Curriculum Time Limitation.

A prospective student-athlete must complete his or her core-curriculum requirements not later than the high school graduation date of the prospective student-athlete’s class [as determined by the first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility]. Graduation from high school or secondary school shall be based on the prospective student-athlete’s prescribed educational path in his or her country. The eligibility of an international student-athlete whose prescribed educational path culminates with a leaving examination (e.g., General Certificate of Secondary Education, Baccalaureat, Arbitur) shall be determined based on the leaving examination, regardless of a delay in graduation or completion of the leaving examination. *(Revised: 1/10/90, 9/15/97, 11/1/01 effective 8/1/02, 4/26/07 effective 8/1/07, 1/15/11 effective 8/1/12 applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12)*

#### 14.3.1.3.1.1 Exception -- One Core Course after High School Graduation.

If a prospective student-athlete graduates from high school within the core-curriculum time limitation, he or she may use one core course, completed in the year after graduation (summer or academic year), but not later than the end of the academic year immediately after the high school graduation date of the prospective student-athlete’s class, to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core course at a location other than the high school from which he or she graduated and may initially enroll full time at a collegiate institution at any time after completion of the core course. *(Adopted: 4/26/07 effective 8/1/07, Revised: 9/24/09)*
14.3.1.3.1.1 Receipt of Attractively Related Financial Aid While Enrolled in Core Courses. A prospective student-athlete may not use a core course completed after high school graduation to satisfy initial-eligibility requirements if the prospective student-athlete is enrolled in the core course while concurrently receiving athletically related financial aid to attend an institution’s summer term. A prospective student-athlete may use a core course completed after high school graduation, provided the prospective student-athlete either completes the core course prior to receiving athletically related financial aid to attend an institution’s summer term or does not enroll in the core course until after he or she completes the institution’s summer term for which he or she is receiving athletically related financial aid (see Bylaw 15.2.8.1.4). (Adopted: 9/24/09)

14.3.1.3.1.2 Exception -- Students with Education-Impacting Disabilities. If a prospective student-athlete with a diagnosed education-impacting disability graduates from high school within the core-curriculum time limitation, he or she may use up to three core courses completed after high school graduation to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core courses at a location other than the high school from which he or she graduated and may initially enroll full time at a collegiate institution at any time after completion of the core courses. A prospective student-athlete may not use a core course completed after graduation if he or she receives institutional financial aid while enrolled in a course during the summer after the high school graduation date of his or her class (see Bylaw 15.2.8.1.4). (Adopted: 1/14/97 effective 8/1/97, Revised: 4/24/03 effective 8/1/03, 11/1/07 effective 8/1/08, 4/17/08, 8/7/08, 4/30/09 effective 8/1/10 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10)

14.3.1.3.2 Nontraditional Courses. [#] Courses taught via the Internet, distance learning, independent study, individualized instruction, correspondence, and courses taught by similar means may be used to satisfy NCAA core-course requirements if all of the following conditions are satisfied: (Adopted: 1/11/00 effective 8/1/00, Revised: 1/16/10 effective 8/1/10 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10, 1/15/11 effective 1/1/12)

(a) The course meets all requirements for a core course as defined in Bylaw 14.3.1.2;
(b) The instructor and the student have ongoing access to one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course;
(c) The instructor and the student have regular interaction with one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course;
(d) The student’s work (e.g., exams, papers, assignments) is available for evaluation and validation;
(e) Evaluation of the student’s work is conducted by the appropriate academic authorities in accordance with the high school’s established academic policies;
(f) The course includes a defined time period for completion; and
(g) The course is acceptable for any student and is placed on the high school transcript.

14.3.1.3.3 College Courses. [#] College courses may be used to satisfy core-curriculum requirements if accepted by the high school, provided the courses are accepted for any other student, meet all other requirements for core courses and are placed on the student’s high school transcript. (Revised: 4/26/12)

14.3.1.3.4 English as a Second Language Course. [#] It is permissible to use an advanced-level English as a Second Language (ESL) course to satisfy a core-curriculum requirement, provided the is qualitatively and quantitatively the same as the comparison course in the regular-course offering and the course appears on the high school’s list of approved core courses. Further, an advanced-level ESL course must be exclusively for ESL students and all students in the course must be at the same level. (Adopted: 11/17/98, Revised: 1/15/11 effective 1/14/12, 1/13/16)

14.3.1.3.5 Courses for Students With Education-Impacting Disabilities. [#] High school courses for students with education-impacting disabilities may be used to fulfill the core-curriculum requirements, even if such courses appear to be taught at a level below the high school’s regular academic instructional level (e.g., special education courses), if the high school principal submits a written statement to the Eligibility Center indicating that the courses are substantially comparable, quantitatively and qualitatively, to similar core course offerings in that academic discipline and the courses appear on the high school’s list of approved core courses. Students with education-impacting disabilities still must complete the required core courses and achieve the minimum required grade-point average in the core curriculum. The fact that the title of a course includes a designation such as “remedial,” “special education,” “special needs,” or other similar titles used for courses designed for students with education-impacting disabilities does
not, in and of itself, disqualify a course from satisfying core-curriculum requirements. (Revised: 1/14/97 effective 8/1/97, 2/11/98, 4/24/03 effective 8/1/03, 8/7/08, 1/15/11 effective 1/14/12)

14.3.1.3.6 Grade Value of Core Courses. The following grade values are to be used in determining a student’s grade-point average in the core courses: A = 4 quality points, B = 3 quality points, C = 2 quality points, D = 1 quality point. In determining the core-curriculum grade-point average, each grade earned in a course (including all numerical grades) must be converted to this 4.000 scale on an individual-course basis. Pluses or minuses within a grade level shall not receive greater or lesser quality points. A school’s normal practice of weighting honors or advanced courses may be used to compute the quality points awarded in those courses and the cumulative grade-point average, provided a written statement verifying the grading policy accompanies the prospective student-athlete’s official grade transcript. An honors or advanced course shall receive no greater than 1.000 additional quality point (e.g., A=5.000). In calculating the grade in a weighted honors or advanced course, if a high school does not assign quality points to its courses, quality points shall be added to each course before calculating the student’s grade-point average and not added to a student’s cumulative core-course grade-point average. The core-curriculum grade-point average may be calculated using the student’s 16 best grades from courses that meet the distribution requirements of the core curriculum. (Revised: 1/10/92 effective 8/1/95, 1/14/97, 4/15/98, 1/13/03 effective 8/1/05, 4/24/03 effective 8/1/08, 1/15/11 effective 1/14/12, 5/2/13 effective 8/11/16 for those student-athletes initially enrolling full time in a college institution on or after 8/1/16)

14.3.1.3.7 Pass-Fail Grades. [#] Courses that are awarded pass-fail grades may be used to satisfy core-curriculum requirements. The Eligibility Center shall assign the course the lowest passing grade that the high school assigns for a pass-fail course. (Revised: 1/14/97 effective 8/1/97, 4/15/97, 5/9/07, 1/15/11 effective 1/14/12)

14.3.1.3.8 Repeat Courses. [#] A repeated course may be used only once to satisfy core-curriculum requirements. The best grade in that course may be used to calculate the grade-point average in the core curriculum. (Revised: 1/15/11 effective 1/14/12)

14.3.1.3.9 Multiple High School Attendance. [#] For a student-athlete who attends more than one high school, a Form 48-H (core-course form) and an official transcript from each high school the student-athlete attended must be used. However, the Eligibility Center may receive the official transcript from either the student-athlete’s original high school or the high school from which the student-athlete graduated, or an institution’s admissions office. (Adopted: 1/10/92, Revised: 4/22/98 effective 8/1/98, 3/30/06, 5/9/07, 4/26/12)

14.3.1.4 Test-Score Requirements. [#] The minimum required SAT or ACT score (see Bylaw 14.3.1.1) must be achieved under national testing conditions on a national, state or district testing date [no residual (campus) testing]. (Adopted: 1/9/06 effective 8/1/06, Revised: 1/15/11 effective 1/14/12, 5/9/18)

14.3.1.4.1 Test-Score Time Limitation. The minimum required SAT or ACT score shall be achieved prior to registering for a minimum full-time program of studies (as determined by the institution) and attending classes in a regular term (e.g., semester or quarter) of an academic year at a collegiate institution. (Revised: 1/11/89, 1/16/93, 1/10/95, 6/10/04)

14.3.1.4.2 Combined Test Scores. [#] For students using the SAT examination, the highest scores achieved on the critical reading and mathematics sections of the SAT from two different national testing dates may be combined in determining whether the student has met the minimum test-score requirements. SAT scores for tests taken prior to March 1, 2016, will not be combined with SAT scores for tests taken on or after March 1, 2016. For students using the ACT examination, the highest scores achieved on the individual subtests of the ACT from more than one national testing date or state-administered examination may be combined in determining whether the student’s sum score has met the minimum test-score requirement. (Revised: 1/9/06 effective 8/1/06, 1/15/11 effective 1/14/12, 2/2/16)

14.3.1.4.3 Nonstandard Test Administration. [#] Students with education-impacting disabilities may use scores achieved during a nonstandard administration of the SAT or ACT. A student who takes a nonstandard SAT or ACT still must achieve the minimum required test score. (Revised: 4/24/03 effective 8/1/03, 8/7/08, 1/15/11 effective 1/14/12, 5/9/18)

14.3.1.4.4 Test-Score Report. [#] The minimum SAT or ACT score(s) used for initial-eligibility purposes must be provided to the Eligibility Center by the appropriate testing agency through an official test-score report. (Adopted: 4/27/06 effective 8/1/07, Revised: 5/9/07, 1/15/11 effective 1/14/12)

14.3.1.5 Initial-Eligibility Waivers. The Initial-Eligibility Waivers Committee (see Bylaw 21.7.5.1.3.1) shall have the authority to waive the initial-eligibility requirements based on objective evidence that demonstrates circumstances in which a student’s overall academic record warrants a waiver of the normal application of this regulation. The committee shall oversee the process for reviewing such waivers and shall report annually to the Committee on Academics and to the
membership the actions taken in summary, aggregate form. (Revised: 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 8/7/14)

**14.3.1.6 Effect of Violations.** A violation of Bylaw 14.3.1 in which the student-athlete is subsequently certified as a qualifier shall be considered an institutional violation per Constitution 2.8.1 but shall not affect the student-athlete’s eligibility. (Adopted: 10/29/15)

### 14.3.2 Eligibility for Financial Aid, Practice and Competition – Nonqualifiers.

#### 14.3.2.1 Nonqualifier. A nonqualifier is a student who has not graduated from high school or who, at the time specified in the regulation (see Bylaw 14.3), did not present the core-curriculum grade-point average and/or SAT/ACT score required for a qualifier or an academic redshirt. (Revised: 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)  

**14.3.2.1.1 Eligibility for Aid, Practice and Competition.** An entering freshman with no previous college attendance who was a nonqualifier at the time of enrollment in a Division I institution shall not be eligible for competition or practice during the first academic year of residence. However, such a student shall be eligible for nonathletics institutional financial aid that is not from an athletics source and is based on financial need only, consistent with institutional and conference regulations. (Revised: 1/10/95 effective 8/1/96)

#### 14.3.2.2 Practice-Session Attendance. A student-athlete who is a nonqualifier and who, therefore, is not eligible for practice, may not attend any practice sessions in any capacity, nor may the student-athlete attend any meeting characterized as practice (see Bylaw 17.02.1). (Revised: 1/10/95 effective 8/1/96, 1/9/96 effective 8/1/96)

**14.3.2.3 Outside Competition -- Nonqualifiers.** A nonqualifier may participate in the institution’s intramural program (provided the intramural team is not coached by a member of the institution’s athletics department staff), but during the first year of enrollment [including an institution’s term-time official vacation periods (e.g., mid-term break, Labor Day weekend) and between terms when classes are not in session (e.g., winter break)], such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team, including a national team. (Adopted: 1/10/13)

#### 14.3.3 Seasons of Competition -- Nonqualifiers. Nonqualifiers, recruited or nonrecruited, shall not engage in more than three seasons of competition in any one sport. A student who transfers to a Division I member institution from another collegiate institution shall not engage in more than four seasons of competition with not more than three of those seasons in Division I.

**14.3.3.1 Application of Delayed Enrollment Legislation.** A student-athlete who is charged with a season (or seasons) of eligibility due to the application of delayed enrollment legislation (Bylaws 12.8.3.2 and 12.8.3.5) is considered to have used that season (or seasons) of competition for purposes of Bylaw 14.3.3. (Revised: 7/15/15)

#### 14.3.3.2 Fourth Season of Competition -- Nonqualifiers. A fourth season of intercollegiate competition shall be granted to a student-athlete who is a nonqualifier, provided that at the beginning of the fifth academic year following the student-athlete’s initial, full-time collegiate enrollment, the student-athlete has completed at least 80 percent of his or her designated degree program. (Revised: 4/28/05 effective 8/1/05, 1/3/06, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)

**14.3.3.2.1 Waiver.** The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to grant a fourth season of intercollegiate competition to a student-athlete who is a nonqualifier based on objective evidence of extraordinary circumstances that warrant a waiver of the normal application of this regulation. (Adopted: 1/13/98 effective 8/1/98, Revised: 4/27/00 effective 8/1/00, 8/4/05, 1/3/06, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)

#### 14.3.4 Residence Requirement -- Academic Redshirts and Nonqualifiers. An academic redshirt must fulfill an academic year of residence in order to be eligible to compete and to practice away from the institution. A nonqualifier must fulfill an academic year of residence in order to be eligible for practice, competition and athletically related financial aid (see Bylaw 14.3.2.1.1). (Revised: 1/10/90 effective 8/1/90, 11/10/95 effective 8/1/96, 1/3/06, 4/14/10, 10/27/11, 4/26/12 effective 8/1/16 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)

### 14.3.5 Determination of Freshman Eligibility.

#### 14.3.5.1 Participation Prior to Certification. If a student-athlete reports for athletics participation before his or her qualification status has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution shall not provide athletically related financial aid to the student during this period. After the 45-day period, the student shall have established minimum requirements (as
certified by the Eligibility Center) to continue practicing or to compete and receive athletically related financial aid. (Revised: 1/11/89, 10/7/05, 5/9/07, 9/18/07, 1/15/11 effective 8/1/11, 1/19/13 effective 8/1/13)

14.3.5.1.1 Effect of Violations. A violation of Bylaw 14.3.5.1 in which the student-athlete is subsequently certified as a qualifier shall be considered an institutional violation per Constitution 2.8.1 but shall not affect the student-athlete’s eligibility. (Adopted: 10/29/15)

14.3.5.2 High School Graduate. In order to be considered a high school graduate, a prospective student-athlete shall meet all graduation requirements, including academic and nonacademic (e.g., state exit exams, community service, senior project) requirements, as defined for all students by his or her high school or secondary school. (Adopted: 4/23/08)

14.3.5.2.1 Equivalency Test/Diploma. A prospective student-athlete who does not graduate from high school but completes a state high school equivalency test [e.g., General Educational Development (GED)] and obtains a state high school equivalency diploma may satisfy the graduation requirement, provided the equivalency test is completed on or after the high school graduation date of the prospective student-athlete’s class [as determined by his or her first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility]. (Revised: 6/16/04, 1/10/05 effective 8/1/05, 6/15/15)

14.3.5.3 Advanced Placement. If the student-athlete is admitted with a minimum of 24 semester hours or a minimum of 36 quarter hours of advanced placement from a College Entrance Examination Board (CEEB) examination (or from a similar proficiency examination) and/or concurrent high school/college credit without previous enrollment at a collegiate institution, the student-athlete shall be immediately eligible. Credits earned from extension or summer-session courses may not be counted in satisfaction of this requirement. A "similar proficiency examination” must be an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. (Revised: 1/14/12 effective 8/1/12)

14.3.5.3.1 International Certification. An institution shall use the Eligibility Center to determine whether a "similar proficiency examination” taken by an international student-athlete is an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. In addition, the Eligibility Center shall certify the eligibility of an international student-athlete based on the number of advanced placement hours accepted by the certifying institution. (Adopted: 1/14/12 effective 8/1/12)

14.3.5.4 International Academic Standards. A student from a foreign country shall satisfy both the requirements outlined in the NCAA Guide to International Academic Standards for Athletics Eligibility and the test-score requirements set forth in Bylaw 14.3.1.1-(b).

14.4 Progress-Toward-Degree Requirements.

14.4.1 Progress-Toward-Degree Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution subject to controlling legislation of a conference or similar association of which the institution is a member and applicable NCAA legislation. (See Constitution 3.2.4.13 regarding the obligations of members to publish their progress-toward-degree requirements for student-athletes.) (Revised: 5/29/08, 4/15/09)

14.4.1.1 Bona Fide International Exchange Student. The eligibility for competition of a bona fide international exchange student, as defined in Bylaw 14.5.1.5.1, shall be based on satisfactory completion of at least: (Revised: 1/14/08 effective 8/1/08, 4/14/09)

(a) Six semester or six quarter hours of academic credit during the preceding regular academic term in which the student has enrolled full time at the certifying institution;

(b) Eighteen semester or 27 quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution’s preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and

(c) A minimum grade-point average per academic term of enrollment as set forth in Bylaw 14.4.3.3.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.2 Eligibility for Financial Aid and Practice. Eligibility for institutional financial aid and practice during each academic year after a student-athlete’s initial year of residence or after the student-athlete has used one season of eligibility in a sport shall be based upon the rules of the institution and the conference(s), if any, of which the institution is a member.

14.4.3 Eligibility for Competition.
14.4.3.1 Fulfillment of Credit-Hour Requirements. Eligibility for competition shall be determined based on satisfactory completion of at least: (Revised: 1/10/92, 10/31/02 effective 8/1/03, 3/10/04, 4/28/05)

(a) Twenty-four semester or 36 quarter hours of academic credit prior to the start of the student-athlete’s second year of collegiate enrollment (third semester, fourth quarter);

(b) Eighteen semester or 27 quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution’s preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and

(c) Six semester or six quarter hours of academic credit during the preceding regular academic term (e.g., fall semester, winter quarter) in which the student-athlete has been enrolled full time at any collegiate institution (see Bylaw 14.4.3.4.3 for postseason certification).

14.4.3.1.1 Regular Academic Year. For purposes of Bylaw 14.4.3.1, the regular academic year shall be defined as the time beginning with the opening of the institution’s fall term and concluding with the institution’s spring commencement exercises. (Adopted: 4/2/03 effective 8/1/03, Revised: 6/1/06)

14.4.3.1.2 Transfer. To be eligible for competition, a transfer student-athlete must meet the following credit-hour requirements based on attendance at the previous institution(s) for the specified time and may use any hours of academic credit earned at any collegiate institution: (Adopted: 10/31/02 effective 8/1/03, Revised: 5/12/05)

(a) Equivalent of one semester/eight quarters: six semester or six quarter hours of academic credit;

(b) Equivalent of one academic year (e.g., two semesters/three quarters): 24 semester or 36 quarter hours of academic credit;

(c) Equivalent of three semesters/four quarters: 30 semester or 42 quarter hours of academic credit; or

(d) Equivalent of four semesters/six quarters and thereafter: six semester or six quarter hours of academic credit during the previous term of full-time enrollment, if applicable (see Bylaw 14.4.3.1.2.1).

14.4.3.1.2.1 Six-Hour Requirement for Transfer. A transfer student-athlete from a domestic two-year or four-year collegiate institution must complete six hours of academic credit during the previous term of full-time enrollment regardless of when the student-athlete enrolls in the certifying institution. A transfer student-athlete from a foreign collegiate institution is not required to complete six hours of academic credit in the previous term of full-time enrollment. (Adopted: 5/12/05)

14.4.3.1.3 Regaining Eligibility. For purposes of Bylaw 14.4.3.1-(a), a student-athlete who does not meet the 24 semester or 36 quarter credit-hour requirement prior to the start of his or her second year of collegiate enrollment (third semester, fourth quarter), may become eligible at the beginning of the next academic term by successfully completing 24 semester or 36 quarter hours during the previous two semesters or three quarters. (Adopted: 4/14/03 effective 8/1/03, Revised: 4/28/05)

14.4.3.1.3.1 Exception -- Baseball. In baseball, a student-athlete who is subject to the 24 semester or 36 quarter credit-hour requirement at the beginning of an institution’s fall term and fails to meet the requirement based on the student-athlete’s academic record in existence at that time shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.1.4 Application of Rule. For purposes of Bylaw 14.4.3.1-(b), once a student-athlete initially enrolls as a full-time student [including a midyear enrollee (freshman or transfer)], he or she must meet the 18 semester/27 quarter hour requirement prior to the start of the institution’s third semester or fourth quarter following the student-athlete’s initial full-time enrollment. Further, the 18 semester/27 quarter hour requirement applies to each academic year in which a student-athlete is enrolled as a full-time student during any term of that academic year. Credits earned during a term in which a student-athlete is enrolled in less than a full-time program of studies may be used to satisfy the 18 semester/27 quarter hour requirement only if such credits are combined with credits earned during a term that immediately precedes or immediately follows a term in which the student-athlete is enrolled as a full-time student. Credits earned during a part-term may be completed at an institution other than the certifying institution. (Adopted: 4/14/03 effective 8/1/03, Revised: 9/18/07, 4/8/09)

14.4.3.1.4.1 Application to a Midyear Enrollee. After a midyear enrollee’s initial certification, (prior to the start of the institution’s third semester or fourth quarter following the student-athlete’s initial full-time enrollment), the student-athlete’s completion of the 18 semester/27 quarter hour requirement shall be certified prior to the start of each academic year based on the student-athlete’s record since the beginning of the previous fall term. (Adopted: 4/8/09)
14.4.3.1.4.2 Additional Application -- Baseball. In baseball, a student-athlete who is subject to the 18 semester/27 quarter hour requirement at the beginning of an institution’s fall term and fails to meet the requirement based on the student-athlete’s academic record in existence at that time shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.1.5 Additional Application of Six-Hour and Transfer Rules -- Baseball. In baseball, a student-athlete who fails to meet the requirements of Bylaws 14.4.3.1-(c) or 14.4.3.1.2, or both, to be eligible for an institution’s fall term shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.1.6 Additional Requirements -- Football. [FBS/FCS] In football, a student-athlete who is a member of the institution’s football team and who does not successfully complete at least nine semester hours or eight quarter hours of academic credit during the fall term or does not earn the Academic Progress Rate eligibility point for the fall term (or does not successfully complete either requirement) shall not be eligible to compete in the first four contests against outside competition in the following playing season. (Adopted: 4/28/11 effective 8/1/11, Revised: 5/28/13)

14.4.3.1.6.1 Regaining Eligibility for Two Contests. [FBS/FCS] A student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the third and fourth contests of that season, provided he or she successfully completes at least 27 semester hours or 40 quarter hours of academic credit before the beginning of the next fall term. A student-athlete in his or her initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27 semester/40 quarter credit-hour requirement. (Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12)

14.4.3.1.6.2 Regaining Full Eligibility -- One-Time Exception. [FBS/FCS] One time during a student-athlete’s five-year period of eligibility, a student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the first four contests of that season, provided he or she successfully completes at least 27 semester hours or 40 quarter hours of academic credit before the beginning of the next fall term. A student-athlete in his or her initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27 semester/40 quarter credit-hour requirement. (Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12, 5/28/13)

14.4.3.1.7 Hours Earned or Accepted for Degree Credit. The calculation of credit hours for the application of Bylaws 14.4.3.1-(a), 14.4.3.1-(c) and 14.4.3.1.6 shall be based on hours earned or accepted for degree credit at the certifying institution in a student-athlete’s specific baccalaureate degree program, as follows: (Adopted: 1/14/97, Revised: 1/9/06 effective 8/1/06, 3/12/12, 3/27/18, 1/29/19 effective 8/1/19 August 1, 2019; for certification of eligibility for competition that occurs on or after 8/1/19.)

(a) During the first two years of enrollment, a student-athlete may use credits acceptable toward any of the institution’s degree programs;

(b) By the beginning of the third year of enrollment (fifth semester or seventh quarter), a student-athlete shall be required to have designated a program of studies leading toward a specific baccalaureate degree. From that point, the credits used to meet the progress-toward-degree requirements must be degree credit toward the student’s designated degree program;

(c) A student-athlete who changes his or her designated degree program between terms may comply with the progress-toward-degree requirements if:

1. The change in programs is documented appropriately by the institution’s academic authorities;

2. The credits earned prior to the change are acceptable toward the degree previously sought; and

3. The credits earned from the time of the change are acceptable toward the new desired degree.

(d) A student-athlete who, in accordance with institutional policy, changes his or her designated degree program during a regular academic term may use credits earned during the term to fulfill credit-hour requirements toward the degree previously sought or the newly designated degree; and

(e) Once a student-athlete has begun his or her third year of enrollment (fifth semester or seventh quarter), a course may not be used to fulfill the credit-hour requirements for meeting progress toward degree if the student ultimately must repeat the course to fulfill the requirements of the student’s major, even if the course fulfills an elective component of the student-athlete’s degree program.
14.4.3.1.7.1 Exception -- Final Academic Year of Degree Program. A student-athlete who is in the final academic year (final two semesters or three quarters) of his or her designated degree program may use credit hours acceptable toward any of the institution’s degree programs to satisfy the six-hour requirement (see Bylaw 14.4.3.1) and the nine semester or eight quarter-hour requirement (see Bylaw 14.4.3.1.6), provided the institution certifies that the student is enrolled in courses necessary to complete degree requirements at the end of the two semesters or three quarters or the following summer. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. *(Adopted: 8/5/04, Revised: 3/27/18)*

14.4.3.1.7.2 Hours Earned or Accepted Toward a Minor. Credit hours earned or accepted toward a minor, including a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may be used to satisfy the credit-hour requirements after the first two years of enrollment, provided the minor is officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution’s first five days of classes of the applicable term. *(Adopted: 9/24/09, Revised: 4/26/17 effective 8/1/17, 4/18/18)*

14.4.3.1.7.3 Hours Earned or Accepted Toward an Undergraduate Certificate Program. Credit hours earned or accepted toward an undergraduate certificate program may be used to satisfy credit-hour requirements after the first two years of enrollment, provided the following conditions are met: *(Adopted: 4/26/17 effective 8/1/17, Revised: 4/18/18)*

(a) Completion of the certificate requires a minimum of nine credit hours;

(b) Enrollment in the program is only available to regular, degree-seeking, undergraduate students; and

(c) The student-athlete officially designates the program (pursuant to institutional policy) before the conclusion of the institution’s first five days of classes of the applicable term.

14.4.3.2 Fulfillment of Percentage of Degree Requirements. A student-athlete who is entering his or her third year of collegiate enrollment shall have completed successfully at least 40 percent of the course requirements in the student’s specific degree program. A student-athlete who is entering his or her fourth year of collegiate enrollment shall have completed successfully at least 60 percent of the course requirements in the student’s specific degree program. A student-athlete who is entering his or her fifth year of collegiate enrollment shall have completed successfully at least 80 percent of the course requirements in the student’s specific degree program. The course requirements must be in the student’s specific degree program (as opposed to the student’s major). *(Adopted: 1/10/92 effective 8/1/92, Revised: 1/9/96, 10/31/02 effective 8/1/03)*

14.4.3.2.1 Five-Year Degree Program. If the student-athlete’s degree is identified in the institution’s official catalog as a five-year program or otherwise requires the completion of a minimum of 150 semester or 225 quarter hours, the student-athlete who is entering his or her third year of collegiate enrollment shall have completed successfully 33 percent of the course requirements in the student’s specific degree program. A student-athlete who is entering his or her fourth year of collegiate enrollment shall have completed successfully 50 percent of the course requirements in the student’s specific degree program. A student-athlete who is entering his or her fifth year of collegiate enrollment shall have completed successfully 67 percent of the course requirements in the student’s specific degree program. *(Adopted: 1/1/497, Revised: 10/31/02 effective 8/1/03)*

14.4.3.2.2 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.2 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution, even if the student has not yet completed an academic year of residence or used a season of eligibility in a sport at the certifying institution. *(Adopted: 1/10/92 effective 8/1/92)*

14.4.3.2.2.1 Exception -- National Service Academies. The provisions of Bylaw 14.4.3.2 shall only apply to the eligibility of a student-athlete for those years in which the student-athlete is enrolled at a national service academy. *(Adopted: 4/24/03)*

14.4.3.2.3 Timing of Certification. A student-athlete’s eligibility under this provision shall be determined on the basis of the student’s academic record in existence at the beginning of that student’s third or later academic year (fifth semester or seventh quarter) of full-time enrollment. If the student-athlete is ineligible under the provisions of the progress-toward-degree legislation at the beginning of that term, eligibility may be reinstated at the beginning of any other regular term of that student’s specific academic year, based on the student’s later fulfillment of the necessary degree requirements. *(Adopted: 1/11/94, Revised: 1/10/95)*
14.4.3.2.3.1 Exception -- Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution’s fall term shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.2.4 Hours Earned or Accepted Toward a Major. Credit hours earned or accepted toward a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may not be used to satisfy percentage-of-degree requirements even if the student-athlete must complete the requirements of the voluntary or optional minor to graduate. A student-athlete may use credits earned in a minor only if the minor is a required element for all students to obtain the original baccalaureate degree. ( Adopted: 9/24/09)

14.4.3.3 Fulfillment of Minimum Grade-Point Average Requirements. A student-athlete who is entering his or her second year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals at least 90 percent of the institution’s overall cumulative grade-point average required for graduation. A student-athlete who is entering his or her third year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 95 percent of the institution’s overall cumulative minimum grade-point average required for graduation. A student-athlete who is entering his or her fourth or later year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 100 percent of the institution’s overall cumulative grade-point average required for graduation. If the institution does not have an overall grade-point average required for graduation, it is permissible to use the lowest grade-point average required for any of the institution’s degree programs in determining the cumulative minimum grade-point average. The minimum grade-point average must be computed pursuant to institutional policies applicable to all students. (Adopted: 1/10/92 effective 8/1/92, Revised: 10/31/02 effective 8/1/03, 4/15/09)

14.4.3.3.1 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.3 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution who has completed an academic term in residence at the certifying institution. A student-athlete who attends the certifying institution as a full-time student, transfers to another institution and later returns to the original institution is immediately subject to the provisions of Bylaw 14.4.3.3 on re-enrollment. (Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/9/06 effective 8/1/06, 4/15/09, 9/24/09)

14.4.3.3.2 Timing of Certification. A student-athlete’s eligibility under this provision shall be certified by the first date of competition or contest of each regular term of an academic year beginning with that student’s second or later academic year (third semester or fourth quarter) of full-time enrollment. The certification shall be based on the student-athlete’s academic record in existence at the beginning of the applicable term. (Adopted: 1/11/94, Revised: 1/10/95, 4/24/03 effective 8/1/03, 5/9/08, 4/15/09)

14.4.3.3.2.1 Exception -- Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution’s fall term shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.4 Change in Eligibility Status. If a student-athlete’s academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date his or her eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution’s official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete’s or the institution’s first participation in an NCAA championship, he or she shall remain eligible for the remainder of the championship. (Revised: 7/31/14)

14.4.3.4.1 Certification of Eligibility at the End of the Academic Year. A student-athlete who was ineligible to compete during an entire academic year (did not meet progress-toward-degree requirements or was serving a transfer year of residence) may not be certified as eligible to compete in the season already in progress (e.g., outdoor track and field, baseball) at the end of the academic year. A student-athlete who was eligible for competition at the beginning of the academic year but became ineligible at midyear (e.g., due to failure to meet the six-hour requirement) may be certified as eligible at the end of the academic year for competition in a season already in progress (e.g., outdoor track and field, baseball), provided the student-athlete meets all applicable progress-toward-degree requirements to be eligible for competition during the subsequent fall term. (Adopted: 10/4/16)

14.4.3.4.2 Exception.
14.4.3.4.2.1 Institutions With Official Posting Date for Grades. An institution whose official posting date for grades falls within three days of the first day of classes for the following academic term shall have three business days from the official date on which grades must be posted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have satisfied the grade-point average requirements per Bylaw 14.4.3.3. For those institutions that post grades on a rolling basis, the three-business-day period shall begin within the first week of classes. (Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)

14.4.3.4.2.2 Institutions With No Official Posting Date for Grades. An institution whose official submission date for grades falls on or after the first day of classes for the following academic term shall have five business days from the date on which grades are submitted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have maintained grade-point average requirements per Bylaw 14.4.3.3. (Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)

14.4.3.4.2.3 Certification of Eligibility. During the three-business-day or five-business-day period, a student-athlete who is otherwise eligible under NCAA, conference and institutional requirements, shall be permitted to compete. If during the exception period, a student-athlete is certified ineligible, the student-athlete shall be declared immediately ineligible for competition. If the three-business-day or five-business-day period concludes prior to the certification of eligibility for any student-athlete, the student-athlete shall be ineligible until such time the student-athlete is declared eligible for competition. (Adopted: 4/28/05 effective 8/1/05, Revised: 7/31/14)

14.4.3.4.3 Eligibility for Postseason Competition -- Between Terms. To be eligible to compete in a postseason event (e.g., conference tournament, bowl game, National Invitation Tournament, NCAA championship) that occurs between regular terms (including summer) a student-athlete shall have satisfactorily completed six semester or six quarter hours of academic credit during the preceding regular academic term of full-time enrollment (see Bylaws 14.4.3.1 and 14.4.3.1.7). (Adopted: 4/28/05 effective 8/1/05, Revised: 12/12/06, 1/8/07 effective 8/1/07, 4/26/07 effective 8/1/07, 7/31/14)

14.4.3.4.3.1 Less Than Full-Time Enrollment. A student-athlete who was enrolled in less than a minimum full-time program of studies pursuant to an exception or waiver during the term immediately prior to the postseason event is subject to the following requirements: (Adopted: 1/8/07 effective 8/1/07)

(a) If the student-athlete was enrolled in at least six credit hours, he or she shall have satisfactorily completed six semester or six quarter hours of academic credit; or

(b) If the student-athlete was enrolled in less than six credit hours, he or she shall have satisfactorily completed the number of semester or quarter hours of academic credit in which he or she was enrolled.

14.4.3.4.3.2 Timing of Certification. A student-athlete’s eligibility under this provision shall be determined within 14 business days (see Bylaw 14.02.4) (regardless of the date on which grades are posted or submitted) after the date of the last scheduled examination listed in the institution’s official calendar for the term that is ending. If the postseason event occurs prior to the conclusion of the 14 business days, eligibility shall be determined by using grades from the immediately preceding regular academic term (e.g., fall term if certifying for a bowl game), provided a sufficient number of grades from the term have been posted. All grades posted in accordance with institutional procedures by 5 p.m. local time (where the institution is located) on the day prior to the postseason event must be considered. If the postseason event occurs prior to the conclusion of the 14 business days and an insufficient number of grades from the immediately preceding term have been posted, eligibility shall be determined by using grades from the most recent regular academic term for which a sufficient number of grades have been posted. (Adopted: 1/8/07 effective 8/1/07, Revised: 7/31/14)

14.4.3.4.3.2.1 Certification for Multiday Events. A student-athlete who is certified eligible for the first day of a multiday event (e.g., conference track and field championship) remains eligible for the entire event regardless of whether additional grades are posted after the certification deadline, provided the event concludes prior to the start of the next regular academic term. If an insufficient number of grades are posted for a student-athlete to be certified eligible based on the immediately preceding term and he or she will participate in another postseason event (e.g., NCAA championship) that occurs during the same period between regular terms, the institution must recertify the student-athlete with grades available by 5 p.m. local time (where the institution is located) on the day prior to the start of the additional postseason event. (Adopted: 10/21/13, Revised: 7/31/14)
14.4.3.4.4 Eligibility for Postseason Competition -- Postseason Football Bowl Game During an Institution's Second Academic Term. [FBS] If an institution is selected to participate in a postseason bowl game that will occur during the institution’s second regular term (e.g., winter quarter, spring semester) of the academic year, a student-athlete’s eligibility to compete in the bowl game shall be certified consistent with the standards applicable to postseason competition that occurs between terms (see Bylaws 14.4.3.4 and 14.4.3.4.3). However, a student-athlete must meet full-time enrollment requirements applicable to term-time competition (see Bylaw 14.2.2). (Adopted: 4/26/07, Revised: 7/31/14)

14.4.3.5 Regulations for Administration of Progress Toward Degree.

14.4.3.5.1 Nontraditional Terms. An institution that determines registration other than on a traditional semester-or quarter-hour basis shall submit a statement describing the continuing-eligibility requirements applicable to its student-athletes for approval by the Committee on Academics. (Revised: 11/1/07 effective 8/1/08, 8/7/14)

14.4.3.5.2 Advanced-Placement Tests/Credit by Examination. Credit received through advanced-placement tests or by examination before initial full-time enrollment may be used to meet the 24 semester or 36 quarter-hour requirement specified in Bylaw 14.4.3.1(a) and percentage-of-degree requirements specified in Bylaw 14.4.3.2, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. Credit received after initial full-time enrollment through advanced-placement tests or by examination may be used to meet all progress-toward-degree requirements, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. (Revised: 10/4/17)

14.4.3.5.3 Nontraditional Courses From Another Institution. Nontraditional courses (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) completed at an institution other than the certifying institution, may be used to meet credit-hour and percentage-of-degree requirements, provided the following conditions are met: (Revised: 4/28/11 effective 8/1/11)

(a) The course is available to any student at the certifying institution;
(b) The student-athlete enrolls in the course in the same manner as is available to any student; and
(c) Enrollment in the course occurs within the offering institution’s regular enrollment periods (pre-registration or drop-add period) in accordance with the institution’s academic calendar and applicable policies and procedures.

14.4.3.5.3.1 Summer Courses. A student-athlete may enroll in a nontraditional course during the certifying institution’s summer vacation period at a time other than during the offering institution’s regular enrollment periods for traditional courses and may use credits from such courses to meet the 24 semester or 36 quarter credit-hours requirement and percentage-of-degree requirements, provided the course is completed before the first day of the certifying institution’s regular fall term. (Adopted: 10/21/13)

14.4.3.5.4 Remedial, Tutorial or Noncredit Courses. Remedial, tutorial or noncredit courses may be used by the student to satisfy the minimum academic progress requirement of Bylaw 14.4.3.1 only if they meet all of the following conditions: (Revised: 10/31/02 effective 8/1/03, 3/27/18)

(a) The courses must be considered by the institution to be prerequisites for specific courses acceptable for any degree program;
(b) The courses must be given the same weight as others in the institution in determining the student's status for full-time enrollment;
(c) Noncredit courses may not exceed the maximum institutional limit for such courses in any baccalaureate degree program (or the student’s specific baccalaureate degree program once a program has been designated); and
(d) Credit in such courses shall not exceed six semester or nine quarter hours, and the courses must be taken before the start of the student's second year of collegiate enrollment (third semester, fourth quarter).

14.4.3.5.5 Incomplete Grades. A student who receives an incomplete grade in a course may use the course in question to fulfill the minimum progress-toward-degree requirements, subject to the following conditions:

(a) The incomplete grade must have been removed in accordance with the institution’s regulations applicable to all students;
(b) Such a course may be counted only once after a grade has been achieved that is acceptable to the institution for determining progress toward degree; and
(c) The course with the acceptable grade shall be counted either during the term in which the student initially enrolled in the course or during the term in which the incomplete grade was removed and acceptable credit was awarded.
14.4.3.5.5.1 Summer Courses -- Credit-Hour Requirements. If a student enrolls in a summer course but completes the course during the regular academic year, for purposes of Bylaws 14.4.3.1 and 14.4.3.1.6, credit for the course must be counted in the summer term of initial enrollment in the course. (Adopted: 3/27/18)

14.4.3.5.6 Repeated Courses. Credit for courses that are repeated may be used by a student to satisfy the minimum academic progress requirements only under the following conditions: (Revised: 3/27/18)

(a) A course repeated due to an unsatisfactory initial grade (as determined by the institution’s regulations applicable to all students) may be used only once, and only after it has been satisfactorily completed;

(b) Credit for a course for which credit is given only once may not be used in the term in which the course is repeated if the same grade is received as was received for the course in a previous term;

(c) Credit for a course for which credit may be earned more than once (e.g., a physical education activities course) shall be limited by institutional regulations; and

(d) Credits earned in courses for which credit may be earned more than once may not exceed the maximum institutional limit for credits of that type for any baccalaureate degree program (or for the student’s specific baccalaureate degree program once a program has been designated).

14.4.3.5.7 Credit From Other Institutions.

14.4.3.5.7.1 Before Initial Full-Time Enrollment. Credit hours earned before initial full-time enrollment may be used to fulfill the 24 semester or 36 quarter-hours requirement specified in Bylaw 14.4.3.1-(a) and the percentage-of-degree requirements specified in Bylaw 14.4.3.2. (Revised: 1/16/93, 10/31/02 effective 8/1/03, 4/5/06, 7/27/16)

14.4.3.5.7.2 Concurrent Enrollment. Credit hours earned from a traditional course during a regular term at another institution while enrolled as a full-time student at the certifying institution may be used to satisfy progress-toward-degree requirements specified in Bylaws 14.4.3.1 and 14.4.3.2 (see Bylaw 14.4.3.5.3). Such credits may be used to meet the requirements of Bylaws 14.4.3.1-(b) and 14.4.3.1-(c), provided: (Revised: 7/27/16)

(a) The course is available to any student at the certifying institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student; and

(c) Enrollment in the course occurs within the offering institution’s regular enrollment periods (preregistration or drop/add period) in accordance with the institution’s academic calendar and applicable policies and procedures.

14.4.3.5.8 Cooperative Educational Work Experience and Study-Abroad Programs. A student-athlete shall not be required to complete six semester or six quarter hours of academic credit during a regular academic term or terms of full-time enrollment in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) or an institutionally approved study-abroad program. (Adopted: 4/29/04, Revised: 10/8/10)

14.4.3.6 Exceptions to Progress-Toward-Degree Rule. The following provisions are exceptions to the progress-toward-degree rule: (Revised: 1/10/90, 1/10/92, 1/9/96, 10/31/02 effective 8/1/03, 4/24/03 effective after the 2003 fall term, 4/29/04, 8/25/04, 4/28/05 effective 8/1/05, 1/9/06 effective 8/1/06, 5/28/09, 4/26/17 effective 8/1/17, 3/27/18)

(a) Missed Term. One time during a student-athlete’s entire period of collegiate enrollment, the provisions of Bylaw 14.4.3.1-(b) may be prorated at nine hours per term of actual attendance if the student-athlete misses a complete term or consecutive terms during an academic year, subject to the following conditions:

1) The student-athlete did not attend class during a regular academic term while enrolled in a full-time program of studies;

2) The student-athlete engaged in no outside competition in the sport during the academic term or terms in which the student was not in attendance; and

3) At the time of certification, the student has fulfilled the progress-toward-degree requirements (per Bylaw 14.4.3.1) for the terms in which the student was in attendance.

A transfer student from a two-year college is not eligible to use this one-time exception during the first academic year of residence at the certifying institution in order to maintain eligibility during the second year of residence. Hours earned while enrolled as a part-time student during the “missed term” may be used to satisfy the 24/36 hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3).

(b) Nonrecruited, Nonparticipant. A student-athlete may qualify for an exception to the application of the progress-toward-degree regulation for the initial season of eligibility if the student was not recruited by the certifying institution; has never received athletically related financial assistance; has never practiced or participated in intercollegiate athletics,
except that a student may have participated in limited preseason tryouts; and is otherwise eligible under all institutional, conference and NCAA rules. The student-athlete’s eligibility in following seasons would be governed by the provisions of the progress-toward-degree rule, which would be applied from the beginning of the first term the student began participation. This exception shall not apply to the percentage-of-degree (see Bylaw 14.4.3.2) and minimum grade-point average (see Bylaw 14.4.3.3) requirements.

(c) **Graduate Student Exception.** A graduate student-athlete who is otherwise eligible for regular-season competition shall be exempt from the provisions of this regulation, except the student-athlete shall successfully complete a minimum of six semester or quarter hours of academic credit from course work that meets graduate program requirements during each regular academic term in which the student is enrolled full time as a graduate student. A graduate student-athlete who is enrolled in a specific degree program must earn six hours of academic credit applicable toward his or her designated degree program. (See Bylaw 14.6.)

(d) **Postbaccalaureate Exception.** A student-athlete who graduates and returns for a second baccalaureate degree or is taking course work that would lead to the equivalent of another major or degree who is otherwise eligible for regular-season competition shall be exempt from the provisions of this regulation, except the student-athlete shall successfully complete a minimum of six semester or quarter hours of academic credit during each regular academic term in which the student is enrolled full time. A student-athlete who is enrolled in a specific degree program must earn six hours of academic credit applicable toward his or her designated degree program. (See Bylaw 14.6.)

(e) **Cooperative Educational Work Experience and Study Abroad Programs.** The provisions of Bylaw 14.4.3.1-(b) may be prorated at nine hours for each term the student-athlete is enrolled in a cooperative educational work experience (e.g., co-op, internship, practicum, student teaching) or an institutionally approved study-abroad program, subject to the following conditions:

1. The institution considers the student-athlete to be a full-time student while participating in the cooperative educational work experience or study-abroad program;
2. The student-athlete satisfactorily completes the cooperative educational work experience or study-abroad program; and
3. At the time of certification, the student-athlete has fulfilled the progress-toward-degree requirements (per Bylaw 14.4.3) for the terms in which the student-athlete has been in regular full-time attendance.

### 14.4.3.7 Waivers of Progress-Toward-Degree Rule

The Division I Progress-Toward-Degree Waivers Committee shall establish appropriate criteria for waivers of this legislation. The following waivers shall be administered by the conference members of the Association or, in the case of an independent institution, by the Division I Progress-Toward-Degree Waivers Committee. (Revised: 1/9/96, 10/28/97, 4/27/00, 10/31/02 effective 8/1/03, 3/10/04, 4/28/05, 1/17/09 effective 8/1/09, 1/14/12, 5/22/13, 3/27/18, 1/22/20, 1/22/20)

(a) **Medical Absence.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1-(b), 14.4.3.1-(c), 14.4.3.1.6 and 14.4.3.6-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student misses a term or is unable to complete a term as a result of injury or illness. Such an exception may be granted only when circumstances clearly supported by appropriate medical documentation establish that a student-athlete is unable to attend a collegiate institution as a full-time student as a result of an incapacitating physical injury or illness involving the student-athlete or a member of the student-athlete’s immediate family. Credits earned by the student during the term to which the waiver applies may be used to satisfy the 24/36 hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). However, a term to which a medical absence waiver applies does not count as a term of full-time enrollment for purposes of the 24/36 credit-hour requirement, percentage-of-degree requirements or grade-point average requirements.

(b) **International Competition.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1 and 14.4.3.6-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student is not enrolled for a term or terms or is unable to complete a term as a full-time student as a result of participation in the Pan American Games, Parapan American Games, Olympic Games, Paralympic Games, World Championships, World Cup, FIFA U-20 World Cup, World University Games (Universiade) or World University Championships (including final tryouts and the officially recognized training program that directly qualifies participants for those tryouts). This waiver provision may be applied to not more than two semesters or three quarters. Credits earned by the student during the term or terms to which the waiver applies may be used to satisfy the 24/36-hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). However, a term to which an international competition waiver applies does not count as a term of
full-time enrollment for purposes of the 24/36 credit-hour requirement, percentage-of-degree requirements or grade-
point average requirements.

14.4.3.8 Waiver -- Olympic or Paralympic Games. The Division I Progress-Toward-Degree Waivers Committee may
waive this general progress-toward-degree requirement for any participant in the Olympic or Paralympic Games, who
because of such participation, may lose eligibility for practice and competition in any sport. (Adopted: 10/31/02 effective
8/1/03, Revised: 1/22/20)

14.4.3.9 Waiver -- Student-Athletes With Education-Impacting Disabilities. The Division I Progress-Toward-
Degree Waivers Committee (see Bylaw 21.7.5.2) may waive the general progress-toward-degree requirements for a student-
athlete when objective evidence demonstrates that the institution has defined full-time enrollment for that student-athlete
to be less than 12 hours to accommodate for the student’s education-impacting disability. (Adopted: 10/31/02 effective
8/1/03, Revised: 8/7/08)

14.4.3.10 Additional Progress-Toward-Degree Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) shall have the authority to waive all other progress-toward-degree requirements based on
objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations.
The committee shall establish the process for granting such waivers and shall report annually to the Committee on
Academics and to the membership the actions taken in summary, aggregate form. (Adopted: 1/9/96 effective 8/1/96, Revised:
10/28/97, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 8/7/14)

14.5 Transfer Regulations.

14.5.1 Residence Requirement -- General Principle. A student who transfers (see Bylaw 14.5.2) to a member
institution from any collegiate institution is required to complete one full academic year of residence (see Bylaw 14.02.14) at
the certifying institution before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1), unless the student satisfies the applicable transfer requirements or qualifies for an exception as set forth in this bylaw.
(Revised: 1/10/91 effective 8/1/91, 4/27/00 effective 8/1/01, 5/19/08, 6/24/09, 4/14/10)

14.5.1.1 Fulfillment of Residence Requirement in Night School. When a student transfers to a member
institution and is required to fulfill a residence requirement before being eligible to participate in competition, it is
permissible for the transfer student to meet the requirement by attending an institution’s night school, provided the
following conditions are met:
(a) The night school has regular terms (semesters or quarters) that are the same as the institution’s day school;
(b) The student is enrolled in a minimum full-time program of studies during each night term counted; and
(c) The student is considered by the institution to be a regularly matriculated student in each term.

14.5.1.2 Disciplinary Suspension. A student who transfers to any NCAA institution from a collegiate institution while
the student is disqualified or suspended from the previous institution (as opposed to one of the institution’s teams) for
disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying
institution. (Revised: 1/14/97 effective 8/1/97, 10/4/17)

14.5.1.3 Outside Competition -- Not a Qualifier. A two-year college transfer student who is not a qualifier and does
not meet the applicable transfer requirements may participate in the institution’s intramural program (provided the
intramural team is not coached by a member of the institution’s athletics department staff), but such an individual is not
permitted to practice or compete on an institution’s club team or an outside sports team during the first academic year of
residence. A four-year college transfer student who is not a qualifier and who has not completed an academic year of
residence may participate in the institution’s intramural program (provided the intramural team is not coached by a
member of the institution’s athletics department staff), but such an individual is not permitted to practice or compete on an
institution’s club team or an outside sports team during the first academic year of residence. (Adopted: 1/14/97, Revised:
1/3/06)

14.5.1.4 Eligibility for Championship in Progress. A transfer student shall be eligible for any NCAA championship
that is in progress after a full calendar year has elapsed and at the time he or she has completed two full semesters or three
full quarters of academic work.

14.5.1.5 Foreign Institution Transfers. A transfer student from a foreign collegiate institution (college, university or
two-year college), except one entering as a bona fide exchange student, shall comply with the one-year residence
requirement set forth in Bylaw 14.5.5.1.

14.5.1.5.1 Bona Fide International Exchange Student Exception. A bona fide international exchange student
is an individual who is sponsored by his or her nation’s government, or is sponsored by the U.S. Department of State,
Rotary International, the Ford Foundation, the Institute of International Education or a similar organization. For a
student to be considered a bona fide exchange student, the sponsoring organization shall identify the student prior to the student’s departure from his or her home country and make the necessary arrangements to finance the student’s education under the international exchange program. If these arrangements have not been completed before the student’s enrollment at the certifying institution, the student is considered to be a transfer student and may not represent the institution in competition until the individual has met the required residence requirement.

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution: (Adopted: 1/10/90, Revised: 4/26/01, 4/14/03, 6/26/19 effective 8/1/19 applicable to full time enrollment in a regular term on or after 8/1/19)

(a) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;

(b) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution’s day school, and the student is or was considered by the institution to be a regularly matriculated student;

(c) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution prior to attendance at the branch school;

(d) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;

(e) The student reported for a regular squad practice (including practice or conditioning activities that occur prior to certification per Bylaws 14.3.5.1 and 14.5.4.6.7), announced by the institution through any member of its athletics department staff, prior to the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular practice";

(f) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies; or

(g) The student received institutional financial aid while attending a summer term, summer school or summer-orientation program (see Bylaws 15.2.8.1.3 and 15.2.8.1.4). A recruited student who receives institutional aid pursuant to Bylaw 15.2.8.1.4 is subject to the transfer provisions, except that a prospective student-athlete (recruited or nonrecruited) who is denied admission to the institution for full-time enrollment shall be permitted to enroll at another institution without being considered a transfer student.

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

14.5.3.1 Summer School, Extension Courses or Night School. The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term, and the student is considered by the institution to be a regularly enrolled student.

14.5.3.2 Prospective Student-Athlete Attending Summer School Prior to Initial Full-Time Enrollment. A prospective student-athlete receiving financial aid to attend summer school prior to initial full-time enrollment who is denied admission to the institution for full-time enrollment. (Adopted: 4/26/01)

14.5.3.3 Branch School. The student has been enrolled in or attended classes only in a branch school, provided the branch school does not conduct an intercollegiate athletics program. If the branch school conducts an intercollegiate athletics program, the student shall not be considered a transfer only upon enrollment at the parent institution directly from the branch school. (For definition of "branch school," see Bylaw 14.02.3.)

14.5.3.4 Second Campus of Institution. The student is in residence at an institution’s campus that is not in the same city as the institution’s main campus, provided the campus at which the student is in residence does not conduct an intercollegiate athletics program, classes on the campus are taught by the same instructors who teach classes on the main campus, the credits received by all class enrollees are considered as regular credits by the institution’s main campus, and the degrees awarded to all students come from the institution’s main campus.

14.5.3.5 Academic Exchange Program. The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution, and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.
14.5.4 Two-Year College Transfers. A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program must complete an academic year of residence unless the student meets the following eligibility requirements. (Revised: 1/19/92, 4/14/10)

14.5.4.1 Qualifier. A transfer student from a two-year college who was a qualifier (per Bylaw 14.3.1.1) is eligible for competition in the first academic year of residence if the student meets the requirements for a nonqualifier to be eligible for competition (per Bylaw 14.5.4.2.1) or: (Revised: 4/24/03 effective 8/1/03, 10/27/11 effective 8/1/12 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11, 6/28/17 effective 8/1/17 for certifications of eligibility for fall 2017 and after)

(a) Has spent at least one full-time semester or one full-time quarter in residence at the two-year college (excluding summer sessions);

(b) Has presented a minimum grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2); and

(c) Has satisfactorily completed an average of at least 12-semester or quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution for each full-time academic term of attendance at the two-year college.

14.5.4.1 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a qualifier who satisfies the provisions of Bylaw 14.5.4.1, but initially enrolls at the certifying institution as a full-time student after the conclusion of the institution’s first term of the academic year, shall not be eligible for competition until the ensuing academic year. (Adopted: 4/27/00 effective 8/1/01, Revised: 3/10/04, 4/26/07 effective 8/1/08)

14.5.4.2 Nonqualifier.

14.5.4.2.1 Eligibility for Financial Aid, Practice and Competition. A transfer student from a two-year college who was a nonqualifier (per Bylaw 14.3.2.1) is eligible for institutional financial aid, practice and competition during the first academic year of residence only if the student: (Revised: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)

(a) Has graduated from the two-year college;

(b) Has completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution, including six-semester or eight-quarter hours of transferable English credit, three semester or four quarter hours of transferable math credit and three semester or four quarter hours of transferable natural/physical science credit;

(c) Has attended a two-year college as a full-time student for at least three semesters or four quarters (excluding summer terms); and

(d) Has achieved a cumulative grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2).

14.5.4.2.1 Eligibility for Financial Aid, Practice and Competition. A transfer student from a two-year college who was a nonqualifier (per Bylaw 14.3.2.1) is eligible for institutional financial aid, practice and competition during the first academic year of residence only if the student: (Revised: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16, 1/22/20 effective 8/1/20 August 1, 2020; for incoming two-year college transfer student-athletes initially enrolling full-time at the certifying institution on or after August 1, 2020.)

(a) Has graduated from the two-year college;

(b) Has completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution, including six-semester or eight-quarter hours of transferable English credit, three semester or four quarter hours of transferable math or quantitative reasoning (or equivalent math/quantitative reasoning) credit and three semester or four quarter hours of transferable natural/physical science credit;

(c) Has attended a two-year college as a full-time student for at least three semesters or four quarters (excluding summer terms); and

(d) Has achieved a cumulative grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2).

14.5.4.2.2 Eligibility for Financial Aid and Practice. A transfer student from a two-year college who was a nonqualifier (per Bylaw 14.3.2.1) is eligible for institutional financial aid and practice during the first academic year of residence only if the student: (Adopted: 10/27/11 effective 8/1/12 for those student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12, Revised: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)
(a) Has graduated from the two-year college;
(b) Has completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution, including six semester or eight quarter hours of transferable English credit, three semester or four quarter hours of transferable math credit and three semester or four quarter hours of transferable natural/physical science credit;
(c) Has attended a two-year college as a full-time student for at least three semesters or four quarters (excluding summer terms); and

14.5.4.2.2 Eligibility for Financial Aid and Practice. A transfer student from a two-year college who was a nonqualifier (per Bylaw 14.3.2.1) is eligible for institutional financial aid and practice during the first academic year of residence only if the student: (Adopted: 10/27/11 effective 8/1/12 for those student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12, Revised: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16, 1/22/20 effective 8/1/20 August 1, 2020; for incoming two-year college transfer student-athletes initially enrolling full-time at the certifying institution on or after August 1, 2020.)
(a) Has graduated from the two-year college;
(b) Has completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution, including six semester or eight quarter hours of transferable English credit, three semester or four quarter hours of transferable math or quantitative reasoning (or equivalent math/quantitative reasoning) credit and three semester or four quarter hours of transferable natural/physical science credit;
(c) Has attended a two-year college as a full-time student for at least three semesters or four quarters (excluding summer terms); and
(d) Has achieved a minimum cumulative grade-point average of 2.000 (see Bylaw 14.5.4.6.3.2).

14.5.4.2.3 Use of Hours Earned During Summer Terms. Not more than a total of 18 semester or 27 quarter hours of the transferable-degree credit may be earned during summer terms, and not more than nine semester or 13.5 quarter hours of the transferable-degree credit may be earned during the summer term(s) immediately prior to the academic year in which the transfer occurs (including a midyear transfer). (Adopted: 1/9/96 effective 8/1/97, Revised: 10/4/17)

14.5.4.2.4 Three-Semester/Four-Quarter Attendance Requirement. A student-athlete is not permitted to satisfy the three-semester/four-quarter attendance requirement during one academic year. (Adopted: 6/8/99)

14.5.4.2.5 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a student who was not a qualifier (per Bylaw 14.3.1.1) who satisfies the provisions of Bylaw 14.5.4.2, but initially enrolls at a certifying institution as a full-time student after the conclusion of the institution's first term of the academic year, shall not be eligible for competition until the ensuing academic year. (Adopted: 4/27/00 effective 8/1/01, Revised: 3/10/04, 6/1/06, 4/26/07 effective 8/1/08)

14.5.4.3 Academic Redshirt. A transfer student from a two-year college who was an academic redshirt (per Bylaw 14.3.1.2) is eligible for competition during the first academic year of residence only if the student: (Adopted: 8/1/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)
(a) Has graduated from the two-year college;
(b) Has completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution, including six semester or eight quarter hours of transferable English credit, three semester or four quarter hours of transferable math credit and three semester or four quarter hours of transferable natural/physical science credit;
(c) Has attended a two-year college as a full-time student for at least three semesters or four quarters (excluding summer terms); and
(d) Has achieved a cumulative grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2).
14.5.4.3.1 Use of Hours Earned During Summer Term. Not more than a total of 18 semester or 27 quarter hours of the transferable-degree credit may be earned during summer terms, and not more than nine semester or 13.5 quarter hours of the transferable-degree credit may be earned during the summer term(s) immediately prior to the academic year in which the transfer occurs (including a midyear transfer). *(Adopted: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16, Revised: 10/4/17)*

14.5.4.3.2 Three-Semester/Four-Quarter Attendance Requirement. A student-athlete is not permitted to satisfy the three-semester/four-quarter attendance requirement during one academic year. *(Adopted: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)*

14.5.4.3.3 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a student who was an academic redshirt (per Bylaw 14.3.1.2) who satisfies the provisions of Bylaw 14.5.4.3 but initially enrolls at the certifying institution as a full-time student after the conclusion of the institution’s first term of the academic year, shall not be eligible for competition until the ensuing academic year. *(Adopted: 8/2/12 effective 8/1/16 for students initially enrolling full time in a collegiate institution on or after 8/1/16)*

14.5.4.4 Status as Nonqualifier. A prospective student-athlete who does not graduate from high school before enrolling as a regular student in a two-year college may not transfer work back to the high school, graduate from the high school and establish initial eligibility at a member institution on the basis of the revised high school record. Such a student is considered to be a two-year college transfer who was a nonqualifier. *(Revised: 1/23/19)*

14.5.4.5 Status of Nonqualifier, Nonrecruited. A two-year college student-athlete who transferred to a Division I institution without meeting the requirements of Bylaw 14.5.4.2 shall not be eligible for regular-season competition and practice during the first academic year of residence. However, such a student who was not recruited per Bylaw 13.02.14.1 and for whom admission and financial aid were granted without regard to athletics ability shall be eligible for nonathletics institutional financial aid. *(Revised: 1/23/19)*

14.5.4.6 Two-Year College Transfer Regulations. The following regulations shall be applied in administering the eligibility requirements for two-year college transfers.

14.5.4.6.1 Multiple Two-Year Colleges. If a student-athlete has been in residence at two or more two-year colleges, the terms of residence at all two-year colleges may be combined in order to satisfy the residence requirement. All grades and all course credits that are transferable from the two-year colleges to the certifying institution shall be considered in determining the student-athlete’s eligibility under Bylaw 14.5 (see also Bylaw 14.5.6). In addition, at least 25 percent of the credit hours used to fulfill the student’s academic degree requirements must be earned at the two-year college that awards the degree. *(Revised: 1/1/94)*

14.5.4.6.2 Credit Earned at Four-Year Institution. If a student-athlete attends a two-year college and, prior to regular enrollment at a member institution, attains additional credits as a part-time student in a four-year collegiate institution, the hours accumulated at the four-year institution may be used by the member institution in determining the student-athlete’s eligibility under the two-year college transfer provisions, provided: *(Revised: 4/28/14)*

(a) The hours are accepted by the two-year college and are placed on the transcript by the two-year college from which the student-athlete transfers prior to the date of initial regular enrollment at the NCAA member institution; or

(b) The hours are accepted by the two-year college and are placed on any other official document (other than the student’s transcript) used by the two-year college for this purpose prior to the date of initial regular enrollment at the NCAA member institution. Such a document must include the official seal of the two-year college, be signed...
by the appropriate academic official of the two-year college and be forwarded directly from the two-year college to the appropriate admissions official of the certifying institution.

14.5.4.6.3 Determination of Transferable Degree Credit. For the purpose of determining transferable degree credit, the institution may count those courses accepted as degree credit in any of its colleges, schools or departments.

14.5.4.6.3.1 Transferable Credit, Unacceptable Grade. Credit hours for courses with grades not considered acceptable for transferable degree credit for all students at an institution shall not be counted in determining whether the transfer requirement for total number of hours is satisfied.

14.5.4.6.3.2 Calculation of Grade-Point Average for Transferable Credit. Grades earned in all courses that are normally transferable to an institution shall be considered in determining the qualitative grade-point average for meeting transfer requirements, regardless of the grade earned or whether such grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated shall be included in the grade-point-average calculation.

14.5.4.6.4 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the transferable-degree credit and grade-point average requirements. However, a student-athlete enrolling in a physical education degree program or a degree program in education that requires physical education activity courses may use up to the minimum number of credits of physical education activity courses that are required for the specific degree program to fulfill the transferable-degree credit and grade-point average requirements. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. (Adopted: 1/16/10 effective 8/1/10, Revised: 4/13/10, 10/27/11 effective 8/1/12)

14.5.4.6.5 Degree Requirement. In order to satisfy the two-year-college graduation requirement for eligibility immediately upon transfer from a two-year college to a member institution, a student-athlete must receive an associate or equivalent degree in an academic or technical, rather than a vocational, curriculum. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) shall have the authority to determine whether a two-year college degree is academic or technical, rather than vocational, in nature. (Revised: 1/10/95, 1/12/99 effective 8/1/99, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10)

14.5.4.6.6 Transfer to Four-Year College Prior to Completion of Requirements. The requirements set forth in Bylaw 14.5.4 must be met prior to a student-athlete’s transfer to the certifying institution. Thus, if a two-year college student transfers (as defined in Bylaw 14.5.2) to a member institution prior to the completion of applicable transfer requirements, the student is subject to the one-year residence requirement at the certifying institution, even though the student transfers back to the two-year college and completes the necessary requirements.

14.5.4.6.7 Participation Prior to Certification. If a two-year college transfer student reports for athletics participation before the student’s high school or two-year college academic record has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution shall not provide athletically related financial aid to the student during this period unless he or she has established the minimum requirements to receive such aid. After the 45-day period, the student shall have established minimum requirements as a transfer student to continue practicing or to compete and receive athletically related financial aid. (Adopted: 1/10/90, Revised: 9/18/07, 1/19/13 effective 8/1/13)

14.5.4.6.8 Competition in Year of Transfer. A transfer student from a two-year institution, who has met the two-year transfer eligibility requirements per Bylaw 14.5.4, is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed at the two-year college during that segment of the same academic year in that sport. (Revised: 1/11/94, 4/29/04 effective 8/1/04)

14.5.4.7 Exceptions for Transfers From Two-Year Colleges. A transfer student from a two-year college or from a branch school that conducts an intercollegiate athletics program is not subject to the residence requirement at the certifying institution if any one of the following conditions is met. An individual who is not a qualifier shall not be permitted to use the exceptions under this bylaw. (Revised: 4/27/06)

14.5.4.7.1 Discontinued/Nonsponsored Sport Exception. The student changed institutions in order to continue participation in a sport because the student’s original two-year college dropped the sport from its intercollegiate program (even though it may subsequently establish that sport on a club basis) or never sponsored the sport on the intercollegiate level while the student was in attendance at that institution, provided the student never transferred (see Bylaw 14.5.2) from any other collegiate institution that offered intercollegiate competition in that sport while the student was in attendance and the student earned at least a minimum 2.500 grade-point average (see Bylaw 14.5.4.6.3.2) at the two-year college. (Revised: 1/11/89, 1/10/90, 10/27/11 effective 8/1/12 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12, 10/4/17)
14.5.4.7.1.1 Original Collegiate Institution. In applying this provision for an exception to the residence requirement, the original collegiate institution shall be the two-year college in which the student was enrolled immediately prior to the transfer to the certifying institution, provided that, if the student is transferring from a two-year college that never sponsored the sport on the intercollegiate level, the student never shall have transferred from any other collegiate institution that offered intercollegiate competition in that sport while the student was in attendance. (Revised: 10/4/17)

14.5.4.7.2 Two-Year Nonparticipation or Minimal Participation Exception. The student transfers to the certifying institution from a two-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither engaged in intercollegiate competition nor engaged in other countable athletically related activities in the involved sport in intercollegiate athletics beyond a 14 consecutive-day period, and has neither practiced with a noncollegiate amateur team nor engaged in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. The 14 consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). The two-year period does not include any period of time before the student’s initial collegiate enrollment. (Adopted: 1/9/06 effective 8/1/06, Revised: 5/9/06)

14.5.4.8 Submission of Information Necessary to Determine Academic Initial-Eligibility Status. An institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine the academic initial-eligibility status of a two-year college transfer student-athlete prior to the end of the student-athlete’s first regular academic term of full-time enrollment at the institution. If a two-year college transfer student-athlete is added to an institution’s squad list after the end of his or her first regular academic term of full-time enrollment at the institution, the institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine his or her academic initial-eligibility status prior to end of the academic year in which the student-athlete is added to the squad list. The necessary information may be submitted through official or unofficial transcripts or test-score reports.[D] (Adopted: 4/30/09 effective 8/1/10 for two-year college transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10)

14.5.4.8.1 Waiver. The Committee on Academics may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The Committee on Academics shall establish the process for reviewing such waiver requests. (Adopted: 4/30/09 effective 8/1/10 for two-year college transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10, Revised: 8/7/14)

14.5.4.9 Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The Progress-Toward-Degree Waivers Committee shall establish the process for granting such waivers and shall report annually to the Committee on Academics and to the membership the actions taken in summary aggregate form. (Adopted: 10/27/11 effective 4/1/12, Revised: 8/7/14)

14.5.5 Four-Year College Transfers. See Bylaw 13.1.1.3 for the prohibition against contacting student-athletes of another four-year collegiate institution without permission of that institution’s athletics director.

14.5.5.1 General Rule. A transfer student from a four-year institution shall not be eligible for intercollegiate competition at a member institution until the student has fulfilled a residence requirement of one full academic year (two full semesters or three full quarters) at the certifying institution. (Revised: 1/10/91 effective 8/1/91, 4/14/10)

14.5.5.1.1 Attendance for One Academic Year. A transfer student from a four-year institution who attended a four-year institution at least one academic year shall be eligible for financial aid (see Bylaw 14.5.4.4) and practice at a member institution under the rules of the institution and the conference of which the institution is a member, regardless of the student’s qualification status (per Bylaw 14.3.1.1) at the time of initial enrollment. (Revised: 1/9/06 effective 8/1/07)

14.5.5.1.2 Attendance for Less Than One Academic Year. A transfer student from a four-year institution who was not a qualifier (see Bylaw 14.02.13) and who attended a four-year institution less than one full academic year shall not be eligible for competition during the first academic year of attendance at the certifying institution. Participation in practice sessions and the receipt of financial aid during the first academic year of attendance at the certifying institution by such students is governed by the provisions of Bylaw 14.3.2.1 (see Bylaw 14.5.5.4). (Revised: 1/3/06, 1/9/06 effective 8/1/07)

14.5.5.1.3 Competition on a Foreign Tour. See Bylaw 17.29.1.4 for exceptions to allow a transfer student-athlete who is subject to the residence requirement to participate in competition on a foreign tour. (Adopted: 4/26/17)
14.5.5.2 Exceptions for Transfers From Four-Year Colleges. A transfer student (other than one under disciplinary suspension per Bylaw 14.5.1.2) from a four-year collegiate institution is not subject to the residence requirement for intercollegiate competition, provided the student does not have an unfulfilled residence requirement at the institution from which he or she is transferring (except for the return to original institution without participation or with minimal participation exception) and any of the following exceptions is satisfied. During the student-athlete’s first academic year of full-time collegiate enrollment, such conditions may serve as a basis for an exception to the residence requirement only for transfer students who, at the time of initial collegiate enrollment, met the requirements for qualifiers (set forth in Bylaw 14.3.1) in Division I. (Revised: 1/10/90, 1/10/91 effective 8/1/91, 4/27/00 effective 8/1/01, 3/10/04, 5/19/08, 6/24/09)

14.5.5.2.1 Educational Exchange Exception. The student returns to his or her original institution under any of the following conditions:

(a) After participation in a cooperative educational exchange program, provided the student is to receive a baccalaureate degree from the institution from which the student transferred to participate in the exchange program;

(b) After one semester or quarter of attendance at another institution for purposes of taking academic courses not available at the original institution, regardless of whether they are required in the degree program the student-athlete is pursuing at the first institution. In such an instance, the student also may take additional courses that were available at the first institution; or

(c) After one academic year of attendance at another collegiate institution, in accordance with the program recommended by the appropriate academic officer at the original institution, provided the student was in good academic standing at the time the student left the original institution.

14.5.5.2.2 Exchange Student Exception. The student is enrolled in the certifying institution for a specified period of time as a bona fide exchange student participating in a formal educational exchange program that is an established requirement of the student-athlete’s curriculum. (Revised: 1/11/89, 1/10/92)

14.5.5.2.3 Discontinued Academic Program Exception. The student changed institutions in order to continue a major course of study because the original institution discontinued the academic program in the student’s major. (Revised: 4/27/00)

14.5.5.2.4 International Student Program Exception. The individual is an international student who is required to transfer (one or more times) because of a study program predetermined by the government of the student’s nation or the sponsoring educational organization.

14.5.5.2.5 Military Service Exception. The student returns from at least 12 months of active service in the armed forces of the United States. (Revised: 1/9/06, 1/17/09 effective 8/1/09)

14.5.5.2.5.1 Collegiate Enrollment Concurrent With Military Service. The amount of time that an individual is enrolled as a regular student in a collegiate institution while concurrently on active military duty may not be counted as a part of the 12-month active-duty period that qualifies a student for an exception to the transfer-residence requirement. (Revised: 1/9/06, 1/17/09 effective 8/1/09)

14.5.5.2.6 Discontinued/Nonsponsored Sport Exception. In a particular sport when the student transfers at any time to the certifying institution and participates in the sport on the intercollegiate level after any of the following conditions has occurred: (Revised: 3/10/04, 10/4/17)

(a) The student’s original four-year collegiate institution dropped (or has publicly announced it will drop) the sport (in which the student has practiced or competed at that institution in intercollegiate competition) from its intercollegiate program while the student was in attendance at the institution; or

(b) The student’s original four-year collegiate institution reclassified (or has publicly announced it will reclassify) the sport (in which the student has practiced or competed at that institution in intercollegiate competition) from Division I to Division III status while the student was in attendance at the institution, and the student subsequently had not competed in that sport on the Division III level; or

(c) The student’s original four-year collegiate institution never sponsored the sport on the intercollegiate level while the student was in attendance at the institution, provided the student had never transferred (see Bylaw 14.5.2) from any other collegiate institution that offered intercollegiate competition in that particular sport while the student was in attendance.

14.5.5.2.6.1 Original Institution. In applying this provision for an exception to the residence requirement, the original collegiate institution shall be the one in which the student was enrolled immediately prior to transfer to the certifying institution, it being understood that, if the student is transferring from an institution that never
sponsored the sport on the intercollegiate level, the student never shall have transferred from any other collegiate institution that offered intercollegiate competition in that sport while the student was in attendance. (Revised: 10/4/17)

14.5.5.2.7 Two-Year Nonparticipation or Minimal Participation Exception. The student transfers to the certifying institution from another four-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither engaged in intercollegiate competition nor engaged in other countable athletically related activities in the involved sport in intercollegiate athletics beyond a 14-consecutive-day period, and has neither practiced with a noncollegiate amateur team nor engaged in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). The two-year period does not include any period of time before the student’s initial collegiate enrollment. (Revised: 1/10/95, 1/9/06)

14.5.5.2.8 Return to Original Institution Without Participation or With Minimal Participation Exception. The student transfers to a second four-year collegiate institution, does not compete at the second institution and does not engage in other countable athletically related activities in the involved sport at the second institution beyond a 14-consecutive-day period and returns to the original institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). A student may use this exception even if he or she has an unfulfilled residence requirement at the institution from which he or she is transferring. (Revised: 3/10/04, 1/9/06)

14.5.5.2.9 Nonrecruited or Nonscholarship Student Exception. The student transfers to the certifying institution and either of the following conditions are met: (Revised: 1/9/06, 5/11/19 effective 8/1/19)

(a) The student-athlete’s previous institution does not provide athletically related financial aid in the sport and the student-athlete was not recruited by the previous institution (per Bylaw 13.02.14.1); or

(b) The student-athlete’s previous institution provides athletically related financial aid in the sport and no athletically related financial aid was received by the student-athlete.

14.5.5.2.10 One-Time Transfer Exception. The student transfers to the certifying institution from another four-year collegiate institution, and all of the following conditions are met (for graduate students, see Bylaw 14.6.1): (Revised: 1/16/93 effective 8/1/93, 1/11/94, 1/10/95, 1/9/96, 1/11/97, 11/1/00 effective 8/1/01, 4/26/01, 4/28/05 effective 8/1/05, 4/27/06 effective 10/15/06, 12/15/06, 4/27/07 effective 8/1/08, 4/29/10 effective 8/1/10, 4/22/11)

(a) The student is a participant in a sport other than baseball, basketball, bowl subdivision football or men’s ice hockey at the institution to which the student is transferring. A participant in championship subdivision football at the institution to which the student is transferring may use this exception only if the participant transferred to the certifying institution from an institution that sponsors bowl subdivision football and has two or more seasons of competition remaining in football or the participant transfers from a Football Championship Subdivision institution that offers athletically related financial aid in football to a Football Championship Subdivision institution that does not offer athletically related financial aid in football;

(b) The student has not transferred previously from one four-year institution unless, in the previous transfer, the student-athlete received an exception per Bylaw 14.5.5.2.6 (discontinued/nonsponsored sport exception);

(c) At the time of transfer to the certifying institution (see Bylaw 14.5.2), the student would have been academically eligible had he or she remained at the institution from which the student transferred, except that he or she is not required to have fulfilled the necessary percentage-of-degree requirements at the previous institution; and

(d) If the student is transferring from an NCAA or NAIA member institution, the student’s previous institution shall certify in writing that it has no objection to the student being granted an exception to the transfer-residence requirement. If an institution receives a written request for a release from a student-athlete, the institution shall grant or deny the request within seven business days. If the institution fails to respond to the student-athlete’s written request within seven business days, the release shall be granted by default and the institution shall provide a written release to the student-athlete.

14.5.5.2.10.1 Hearing Opportunity. If the student’s previous institution denies his or her written request for the release or enters a denial of the release in the NCAA Transfer Portal, the institution shall inform the student-athlete in writing that he or she, upon written request, shall be provided a hearing conducted by an institutional entity or committee outside the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The institution shall conduct the hearing and provide written results of the hearing to the
student-athlete within 15 business days (see Bylaw 14.02.4) of receipt of the student-athlete’s written request for a hearing. The student-athlete shall be provided the opportunity to actively participate (e.g., in person, via telephone) in the hearing. If the institution fails to conduct the hearing or provide the written results to the student-athlete within 15 business days, the release shall be granted by default and the institution shall provide a written release to the student-athlete. (Revised: 1/11/94, 4/26/01, 4/29/10 effective 8/1/10, 4/19/19)

### 14.5.5.2.11 Head Coach Departure Prior to Initial Full-Time Enrollment Exception. The student transfers to the certifying institution from another four-year institution and the following conditions are met: (Adopted: 5/1/19 effective 8/1/19 August 1, 2019; applicable to a student-athlete who initially enrolls full-time at the certifying institution on or after August 1, 2019.)

(a) The student has not previously enrolled as a full-time student in a regular term (semester or quarter) of a collegiate institution (see Bylaw 12.8.1.1); and

(b) The head coach at the student’s previous institution left the institution after the student met a condition affecting transfer status (see Bylaw 14.5.2) and before the start of the next regular academic term (e.g., fall semester).

### 14.5.5.3 Competition in Year of Transfer. A transfer student from a four-year institution who has received a waiver of or qualifies for an exception to the transfer residence requirement (per Bylaw 14.5.5.2) shall not be eligible for competition in which his or her performance could be used for NCAA championship qualification or consideration if the student-athlete participated in competition at the previous four-year institution in the same sport in which his or her performance could have been used for NCAA championship qualification or consideration. (Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 4/29/04 effective 8/1/04, 5/1/19 effective 8/1/19)

### 14.5.5.3.1 Receipt of Athletically Related Financial Aid in Year of Transfer -- Tennis. In tennis, in addition to the application of Bylaw 14.5.5.3, a transfer student from a four-year institution who enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and qualifies for an exception to the one-year residence requirement shall not be eligible for competition until the following academic year if he or she has received athletically related financial aid during the same academic year from the previous four-year institution. (Adopted: 1/17/09 effective 8/1/10, Revised: 1/16/10 effective 8/1/10, 5/1/19 effective 8/1/19)

### 14.5.5.4 Eligibility for Institutional Athletically Related Financial Aid. A transfer student from a four-year institution may receive institutional athletically related financial aid during his or her first academic year at the certifying institution only if he or she would have been academically eligible to compete during the next regular academic term had the student-athlete remained at the previous institution. A student-athlete who transfers from a four-year institution to a two-year institution and then to the certifying institution shall complete at least one regular academic term of enrollment at the two-year institution to be eligible for institutional athletically related financial aid at the certifying institution. (Adopted: 1/9/06 effective 8/1/07, Revised: 1/8/07 effective 8/1/07)

#### 14.5.5.4.1 Exceptions. A four-year transfer student-athlete may receive institutional athletically related financial aid during his or her first academic year at the certifying institution, provided: (Adopted: 9/18/07)

(a) The student-athlete transferred from a four-year institution that did not sponsor the student-athlete’s sport on the intercollegiate level while he or she was in attendance and the student did not previously transfer from any other collegiate institution that offered intercollegiate competition in the sport; or

(b) The student-athlete has not participated in intercollegiate competition and has not engaged in other countable athletically related activities in the sport beyond a 14-consecutive-day period.

### 14.5.5.5 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a student-athlete who initially enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and qualifies for an exception to the one-year residence requirement shall not be eligible for competition until the ensuing academic year. (See Bylaw 14.6.1.1 for the application to graduate transfer student-athletes.) (Adopted: 6/24/09, Revised: 4/26/17 effective 8/1/17)

#### 14.5.5.5.1 Return to Original Institution -- Baseball. In baseball, a midyear four-year college transfer student who qualifies for the return-to-original institution exception (see Bylaw 14.5.5.2.8) to the transfer residence requirement is not eligible for competition until the ensuing academic year. (Adopted: 6/24/09)

#### 14.5.5.5.2 Return to Original Institution -- Basketball. In basketball, a midyear four-year college transfer student who qualifies for the return-to-the original institution exception (see Bylaw 14.5.5.2.8) to the transfer residence requirement is not subject to the restriction in Bylaw 14.5.5.5. (Adopted: 6/24/09)

### 14.5.6 4-2-4 College Transfers. A student who transfers from a four-year college to a two-year college and then to the certifying institution shall complete one academic year of residence at the certifying institution prior to engaging in intercollegiate competition, unless: (Revised: 1/10/90, 2/16/00, 1/9/06 effective 8/1/06, 10/27/11 effective 8/1/12, 3/27/18)
(a) The student has completed an average of at least 12 semester or quarter hours of transferable-degree credit, with a cumulative minimum grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2), acceptable toward any baccalaureate degree program at the certifying institution for each term of full-time attendance at the two-year college following transfer from the four-year college most recently attended;

(b) One calendar year has elapsed since the student’s departure from the previous four-year college (one year since the date that the student-athlete takes formal action with the appropriate institutional authorities required for all students to indicate that the student-athlete is leaving the previous four-year institution and no longer will be attending classes); and

(c) The student has graduated from the two-year college.

14.5.6.1 Exceptions. A “4-2-4” transfer student who does not meet the requirements of Bylaw 14.5.6 is not subject to the residence requirement for intercollegiate competition if any of the following conditions are met: (Adopted: 1/1/89, Revised: 9/8/07, 10/27/11 effective 8/1/12 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12)

(a) The student returns to the four-year college from which he or she transferred to the two-year college, provided the student did not have an unfulfilled residence requirement at the time of the transfer from the four-year college. The amount of time originally spent in residence at the first four-year college may be used by the student in completing the unfulfilled residence requirement at that institution;

(b) The student initially was enrolled in a four-year collegiate institution that never sponsored the student’s sport on the intercollegiate level while the student was in attendance at the institution (provided the student never had attended any other four-year collegiate institution that offered intercollegiate competition in that particular sport) and provided the student was a qualifier and satisfactorily completed an average of at least 12 semester or quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution during each academic term of attendance with a cumulative minimum grade-point average of 2.500 (see Bylaw 14.5.4.6.3.2), and spent at least two semesters or three quarters in residence at the two-year college (excluding summer sessions); or

(c) The student qualifies for an exception to the two-year college transfer requirements (see Bylaw 14.5.4.7) and qualifies for the same exception to the four-year college transfer residence requirement (see Bylaw 14.5.5.2).

14.5.6.2 Additional Transferable Degree Credit Requirements for Academic Redshirts and Nonqualifiers. A student who was not a qualifier shall have satisfactorily completed a minimum of six semesters or eight quarter hours of transferable English credit, three semester or four quarter hours of transferable math credit and three semester or four quarter hours of transferable natural/physical science credit. Remedial English, math and natural/physical science courses may not be used to satisfy this requirement. The student may use transferable English, math and natural/physical science credits earned while enrolled at a previous four-year college to meet these requirements. ( Adopted: 10/27/11 effective 8/1/12 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12, Revised: 5/16/18)

14.5.6.3 Multiple Two-Year Colleges. If a student-athlete has been in residence at two or more two-year colleges following transfer from the four-year collegiate institution most recently attended, all grades and all course credits that are transferable from the two-year colleges to the certifying institution shall be considered in determining the student-athlete’s eligibility under Bylaw 14.5.6-(a). In addition, at least 25 percent of the credit hours used to fulfill the student’s academic degree requirements must be earned at the two-year college that awards the degree. (Adopted: 3/27/18)

14.5.6.4 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the transferable-degree credit and grade-point average requirements. However, a student-athlete enrolling in a physical education degree program or a degree program in education that requires physical education activity courses may use up to the minimum number of credits of physical education activity courses that are required for the specific degree program to fulfill the transferable-degree credit and grade-point average requirements. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. (Adopted: 1/16/10 effective 8/1/10, Revised: 4/13/10, 10/27/11 effective 8/1/12)

14.5.6.5 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a student who satisfies the provisions of Bylaw 14.5.6, but initially enrolls at a certifying institution as a full-time student after the conclusion of the institution’s first term of the academic year, shall not be eligible for competition until the ensuing academic year. (Revised: 3/10/04, 4/26/07 effective 8/1/08)

14.5.6.5.1 Return to Original Institution -- Baseball. In baseball, a midyear 4-2-4 transfer student who qualifies for the return-to-original institution exception [see Bylaw 14.5.6.1-(a)] to the transfer residence requirement is not eligible for competition until the ensuing academic year. (Adopted: 6/24/09)
14.5.6.5.2 Return to Original Institution -- Basketball. In basketball, a midyear 4-2-4 transfer student who qualifies for the return-to-original institution exception [see Bylaw 14.5.6.1-(a)] to the transfer residence requirement is not subject to the restriction in Bylaw 14.5.6.5. (Adopted: 6/24/09)

14.5.6.6 Calendar-Year Time Lapse. It is not required that the calendar year specified in Bylaw 14.5.6 elapse prior to the student’s initial enrollment as a regular student in the second four-year institution, but the calendar year must elapse before the student represents the certifying institution in intercollegiate competition. However, the student-athlete shall be eligible on the first day of classes or on the date of the first scheduled intercollegiate contest that falls earlier than the first day of classes in the regular academic term in which the student would become eligible, provided the student has fulfilled the one-academic-year requirement.

14.5.6.7 Transfer Prior to Completion of Requirements. All transfer requirements set forth in Bylaw 14.5.6, except the calendar-year time-lapse requirement (see Bylaw 14.5.6.6), must be met prior to the student-athlete’s transfer to the certifying institution. Thus, if a student-athlete transfers from a four-year institution to a two-year college and, prior to completing the applicable transfer requirements, transfers to a member institution, the student-athlete shall be subject to the one-year residence requirement, even though during the course of that one-year residence at the certifying institution, the student-athlete may complete the necessary requirements.

14.5.6.8 Eligibility for Institutional Athletically Related Financial Aid. A student-athlete who transfers from a four-year institution to a two-year institution and then to the certifying institution shall complete at least one regular academic term of enrollment at the two-year institution to be eligible for institutional athletically related financial aid at the certifying institution. (Bylaw 14.5.5.4) (Adopted: 1/8/07 effective 8/1/07)

14.5.6.9 Submission of Information Necessary to Determine Academic Initial-Eligibility Status. An institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine the academic initial-eligibility status of a 4-2-4 transfer student-athlete prior to the end of the student-athlete’s first regular academic term of full-time enrollment at the institution. If a 4-2-4 transfer student-athlete is added to an institution’s squad list after the end of his or her first regular academic term of full-time enrollment at the institution, the institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine his or her academic initial-eligibility status prior to the end of the academic year in which the student-athlete is added to the squad list. The necessary information may be submitted through official or unofficial transcripts or test-score reports. [D] (Adopted: 4/30/09 effective 8/1/10)

14.5.6.9.1 Waiver. The Committee on Academics may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The Committee on Academics shall establish the process for reviewing such waiver requests. (Adopted: 4/30/09 effective 8/1/10, Revised: 8/7/14)

14.5.6.10 Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.2) shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The Progress-Toward-Degree Waivers Committee shall establish the process for granting such waivers and shall report annually to the Committee on Academics and to the membership the actions taken in summary aggregate form. (Adopted: 10/27/11 effective 4/1/12, Revised: 8/7/14)

14.6 Graduate Student/Postbaccalaureate Participation. A student-athlete who is enrolled in a graduate or professional school of the same institution from which he or she previously received a baccalaureate degree, a student-athlete who is enrolled and seeking a second baccalaureate or equivalent degree at the same institution, or a student-athlete who has graduated and is continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another major or degree as defined and documented by the institution, may participate in intercollegiate athletics, provided the student has eligibility remaining and such participation occurs within the applicable five-year period set forth in Bylaw 12.8 (see Bylaw 14.2.2.1.5). (Revised: 1/10/90, 7/16/93 effective 8/1/93, 7/31/14)

14.6.1 One-Time Transfer Exception. A graduate student who is enrolled in a graduate or professional school of an institution other than the institution from which he or she previously received a baccalaureate degree may participate in intercollegiate athletics if he or she fulfills the conditions of the one-time transfer exception set forth in Bylaw 14.5.5.2.10 and has eligibility remaining per Bylaw 12.8. A graduate student who does not meet the one-time transfer exception due to the restrictions of Bylaw 14.5.5.2.10-(a) shall qualify for this exception, provided: (Adopted: 1/8/96 effective 7/31/96, Revised: 4/26/06, 1/5/07 effective 7/31/07, 4/27/11 effective 7/31/11, 7/30/14, 4/19/19)

(a) The student fulfills the remaining conditions of Bylaw 14.5.5.2.10;
(b) The student has at least one season of competition remaining; and
(c) Either the student’s previous institution did not renew his or her athletically related financial aid for the following academic year or did not offer athletically related financial aid in the student’s sport, or the student never received athletically related financial aid as an undergraduate student.

14.6.1.1 Baseball and Basketball -- Midyear Enrollee. In baseball and basketball, a graduate transfer student-athlete who initially enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and qualifies for the one-time transfer exception may be immediately eligible for competition, provided he or she satisfies all other applicable eligibility requirements. (Adopted: 4/26/17 effective 8/1/17)

14.6.2 International Student Exception. The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a "baccalaureate" but is not equivalent to a U.S. baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the International-Student Records Committee. (Adopted: 1/16/93, Revised: 11/1/07 effective 8/1/08, 7/31/14)

14.6.3 Eligibility Following Final Term. A student-athlete who is eligible during the term in which degree work is completed (or is eligible as a graduate, per Bylaw 14.6) remains eligible for practice, regular-season competition that occurs after the term and any postseason event that begins within 60 days after the end of the term [including an academic year interim term (e.g., mini-term, J-term)] in which the student completes the requirements for the degree (or graduate eligibility). A student-athlete who attends a quarter-system institution and who graduates at the end of the winter quarter may compete in any postseason event (and preceding regular-season competition) that occurs during the same academic year following the completion of the winter quarter. (Revised: 1/16/93, 1/10/95, 2/1/05, 11/1/07 effective 8/1/08, 1/14/12, 8/21/12, 7/31/14, 3/27/18)

14.6.4 Disciplinary Suspension. A graduate student who transfers to the certifying institution while disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution before he or she may be eligible for competition. (Adopted: 4/15/14, Revised: 7/31/14)

14.7 Additional Waivers for Eligibility Requirements. Conditions under which exceptions are permitted or waivers may be granted to specific eligibility requirements in this bylaw are noted in other sections of this bylaw. (Revised: 11/1/07 effective 8/1/08)

14.7.1 Academic and General Requirements Waivers. The Committee on Academics may waive academic eligibility requirements under the following conditions or circumstances: (Revised: 11/1/07 effective 8/1/08, 8/7/14)

(a) For student-athletes in times of national emergency;

(b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, no waiver shall be granted that permits a student-athlete to compete in more than the maximum permissible number of seasons of intercollegiate competition (see Bylaw 12.8). Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after completion of the requirements for the degree; and

(c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

14.7.2 Residence Requirement Waivers. The Committee for Legislative Relief may waive the one-year residence requirement for student-athletes under the following conditions or circumstances: (Revised: 1/10/92, 1/16/93 effective 1/1/94, 1/9/06 effective 8/1/06, 11/1/07 effective 8/1/08, 1/19/13, 8/7/14, 10/4/17, 8/8/18 effective 8/1/19, 12/20/18)

(a) For a student-athlete who transfers to a member institution for reasons of health. Such request for waiver shall be initiated by the member institution from which the student-athlete is transferring and shall be supported by medical recommendations of that institution’s team physician and/or the student-athlete’s personal physician;

(b) For a student-athlete who transfers to a member institution after loss of eligibility due to a violation of the regulations prohibiting pay for participation in intercollegiate athletics (see Bylaw 12.1.2); a violation of recruiting regulations (see Bylaw 13.01.1); or for a student-athlete who transfers to a Division I institution after loss of eligibility due to involvement in a violation of the freshman or transfer eligibility requirements for financial aid, practice and competition set forth in Bylaws 14.3.1, 14.5.4, 14.5.5 and 14.5.6. These requirements may be waived only on a determination of the innocence or inadvertent involvement of the student-athlete in the violation;

(c) On the recommendation of the Committee on Infractions or Independent Resolution Panel, for a student-athlete who transfers to a member institution to continue the student-athlete’s opportunity for full participation in a sport because the student-athlete’s original institution was placed on probation by the NCAA with sanctions that would preclude the
institution’s team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete’s eligibility (see also Bylaw 13.1.1.3.4); and

(d) On the recommendation of the Committee on Academics, for a student-athlete who transfers to a member institution to continue the student-athlete’s opportunity for full participation in a sport because the student-athlete’s original institution is ineligible for postseason competition, pursuant to the Academic Performance Program, that would preclude the institution’s team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete’s eligibility, provided the student-athlete would have been academically eligible had he or she remained at his or her original institution (see also Bylaw 13.1.1.3.5).

14.8 Academic Performance Program.

14.8.1 Penalties, Rewards and Access to Postseason Competition.

14.8.1.1 Penalties. The Committee on Academics shall notify an institution or team when it fails to satisfy the appropriate academic standards as outlined in the academic performance program. The institution shall then apply the applicable penalty pursuant to the policies of the academic performance program. (Adopted: 4/29/04 effective 8/1/04, Revised: 7/31/13, 8/7/14)

An institution or team that fails to satisfy the academic performance program shall be ineligible for any postseason competition, as specified in the policies and procedures of the academic performance program. (Adopted: 10/27/11 applicable to penalties assessed for the 2012-13 academic year and beyond, Revised: 7/31/13)

14.8.1.2.1 Determining Access to Postseason Competition. The Committee on Academics shall apply multiple levels of analysis to identify institutions or teams that are ineligible for postseason competition. The Committee on Academics shall publish annually to the Division I membership the standards for determining ineligibility for postseason competition under the academic performance program. (Adopted: 10/27/11 applicable to penalties assessed for the 2012-13 academic year and beyond, Revised: 7/31/13, 8/7/14)

14.8.1.2.2 Individual Sports. A student-athlete who is a member of an individual sport team (see Bylaw 17.02.18.2) that is ineligible for postseason competition pursuant to Bylaw 14.8.1.2 shall not participate in postseason competition, including NCAA championships, as an individual (see Bylaw 14.4). (Adopted: 10/27/11 applicable to penalties assessed for the 2012-13 academic year and beyond, Revised: 7/31/13)

14.8.1.2.3 Appeal Opportunity. An institution or team may appeal the application of postseason ineligibility to the Committee on Academics, as specified in the committee’s policies and procedures. (Adopted: 10/27/11 applicable to penalties assessed for the 2012-13 academic year and beyond, Revised: 7/31/13, 8/7/14)

14.8.2 Appeal Procedures. An institution or team subject to penalty (or penalties) due to its failure to satisfy the appropriate standards of the academic performance program may appeal the application of such penalty (or penalties) to the Committee on Academics, as specified by the committee’s policies and procedures. (Adopted: 4/29/04, Revised: 10/27/11 applicable to penalties assessed for the 2012-13 academic year and beyond, 7/31/13, 8/7/14)

14.8.2.1 Authority and Duties of Committee. The Committee on Academics shall act on appeals from institutions or teams subject to penalty (or penalties) pursuant to the legislation and the standards and procedures of the academic performance program published to the membership on an annual basis. The committee’s determination shall be final, binding and conclusive and shall not be subject to further review by any other authority unless otherwise specified in this bylaw (see Bylaw 14.8.2.2). (Adopted: 4/29/04, Revised: 7/31/13, 8/7/14)

14.8.3.1 Amendment of Policies and Procedures. The Committee on Academics may establish or amend the policies and procedures of the academic performance program. 14.9 Post-Enrollment Academic Misconduct.

(a) Have written institutional policies and procedures regarding academic misconduct applicable to the general student body, including student-athletes. The policies and procedures must be approved through the institution’s normal process for approving such policies and must be kept on file or be accessible on the institution’s website.

(b) Investigate and adjudicate alleged academic misconduct in accordance with established policies regardless of whether the misconduct is reported to the NCAA or whether the student-athlete acted alone or in concert with others.

14.9.1.1 Exception. An institution may establish a policy that permits an expedited investigation and adjudication of academic misconduct by a student-athlete, provided other applicable policies and procedures are observed and the policy for expedited review is approved through the institution’s normal process for approving such policies and is approved by the institution’s president or chancellor (or his or her designee). Further, the policy that permits an expedited review must be kept on file or must be accessible on the institution’s website. (Adopted: 4/28/16 effective 8/1/16)

14.9.2 Post-Enrollment Academic Misconduct.

14.9.2.1 Student-Athlete. A student-athlete shall not be involved in: ( Adopted: 4/28/16 effective 8/1/16 )

(a) Academic misconduct involving a current or former institutional staff member or representative of athletics interests;

(1) An erroneous declaration of eligibility to participate in intercollegiate athletics and the student-athlete subsequently competes for the institution while ineligible;

(2) An erroneous declaration of eligibility to receive financial aid and the student-athlete subsequently receives financial aid while ineligible; or

(3) The erroneous awarding of an Academic Progress Rate point; or

(c) Academic misconduct involving the alteration or falsification of a student-athlete’s transcript or academic record.

14.9.2.2 Institutional Staff Member or Representative of Athletics Interests. ( Adopted: 4/28/16 effective 8/1/16 )

14.9.2.3.1 Application. If an institution determines, pursuant to its policies and procedures, that academic misconduct has occurred, a violation of Bylaw 14.9.2.3 shall not be cited by the institution or through an enforcement investigation. If an institution determines, pursuant to its policies and procedures, that academic misconduct has not occurred, the conduct in question may still constitute a violation of Bylaw 14.9.2.3. ( Adopted: 4/28/16 effective 8/1/16 )

BYLAWS, ARTICLE 15

Financial Aid

15.01 General Principles.

15.01.1 Institutional Financial Aid Permitted. A student-athlete may receive scholarships or educational grants-in-aid administered by (see Bylaw 15.02.1) an educational institution that do not conflict with the governing legislation of this Association. (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) (Revised: 5/26/09)

15.01.1.1 Financial Aid to Attend Another Institution. An institution may not provide financial aid to a student-athlete to attend another institution, except as specifically authorized by NCAA legislation. (Adopted: 1/16/93)

15.01.2 Improper Financial Aid. Any student-athlete who receives financial aid other than that permitted by the Association shall not be eligible for intercollegiate athletics.

15.01.3 Financial Aid Not Administered by Institution. Any student who receives financial aid other than that administered by the student-athlete’s institution shall not be eligible for intercollegiate athletics competition, unless it is specifically approved under the Association’s rules of amateurism (see Bylaw 12) or the aid is: (Revised: 1/15/11 effective 8/1/11)

(a) Received from one upon whom the student-athlete is naturally or legally dependent; or

(b) Awarded solely on bases having no relationship to athletics ability; or

(c) Awarded through an established and continuing program to aid students under the conditions listed in Bylaw 15.2.6.4.

15.01.4 Contributions by Donor. An individual may contribute funds to finance a scholarship or grant-in-aid for a particular sport, but the decision as to how such funds are to be allocated in the sport shall rest exclusively with the institution. It is not permissible for a donor to contribute funds to finance a scholarship or grant-in-aid for a particular student-athlete.

15.01.5 Eligibility of Student-Athletes for Institutional Financial Aid. A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid. If these regulations are met, the student-athlete may be awarded institutional financial aid during any term in which a student-athlete is in regular attendance [was enrolled initially in a minimum full-time program of studies as defined by the certifying institution during that term (see Bylaw 14.2.2.1.3 for final term exception, Bylaw 14.2.2.1.4 for final term before experiential learning requirement exception and Bylaw 15.2.8 for summer-term exception)] under the following circumstances: (Revised: 6/8/99, 1/9/06 effective 8/1/07, 10/27/11, 5/16/18)

(a) The student-athlete is an undergraduate with eligibility remaining under Bylaw 12.8 (five-year rule); or

(b) The student-athlete is a graduate student eligible under Bylaw 14.6.

[Note: See Bylaw 14.5.5.4 for financial aid implications related to the academic eligibility of four-year college transfers.]

An institution may provide financial aid to a student-athlete who has exhausted eligibility in his or her sport and is enrolled in less than a minimum full-time program of studies, provided: (Adopted: 1/15/11 effective 8/1/11)

(a) The student-athlete is carrying for credit the courses necessary to complete degree requirements; or

(b) The student-athlete is carrying for credit all the degree-applicable courses necessary to complete his or her degree requirements that are offered by the institution during that term.

15.01.5.2 Exception -- Former Student-Athletes. [A] Institutional financial aid may be awarded to a former student-athlete for any term during which he or she is enrolled (full time or part time). (Adopted: 10/27/11, Revised: 8/7/14)

(b) Fewer than 10 years have elapsed since the former student-athlete’s departure from the institution;

(c) The former student-athlete’s most recent enrollment as a full-time student occurred at the institution;

(d) The former student-athlete was previously enrolled as a full-time student at the institution for a minimum of two academic years (four semesters or six quarters);

(e) The former student-athlete meets all institutional admissions and financial aid requirements;
15.01.5.3 Effect of Violation of Conference Rule. A violation of Bylaw 15.01.5 that relates only to a conference rule shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility. (Adopted: 10/27/06)

15.01.6 Maximum Institutional Financial Aid to Individual. An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution (see Bylaw 15.1). (Revised: 4/29/04 effective 8/1/04)

15.01.6.1 Student Assistance Fund. The receipt of money from the NCAA Student Assistance Fund for student-athletes is not included in determining the permissible amount of financial aid that a member institution may award to a student-athlete. Member institutions and conferences shall not use money received from the fund to finance salaries and benefits; tuition and fees, room and board, and required course-related books during a regular term (other than summer school) for student-athletes with remaining eligibility; capital improvements; stipends; competition-related travel expenses for student-athletes who are ineligible for competition (e.g., nonqualifier, transfer student-athlete); and outside athletics development opportunities (e.g., participation in a sports camp or clinic, private sports-related instruction, greens fees, batting cage rental, outside foreign tour expenses) for current student-athletes with remaining eligibility. (Adopted: 4/24/03, Revised: 1/8/07, 2/24/12, 1/17/15 effective 8/1/15, 10/5/16, 3/28/17)

15.01.8 Additional Financial Aid Limitations. The Committee on Academics shall have the authority to determine the circumstances that would require an institution or team(s) that fails to satisfy the academic performance program to apply additional financial aid limitations. The Committee on Academics shall establish and annually publish to the membership such circumstances (see Bylaw 14.8). (Adopted: 4/29/04 effective 8/1/04, Revised: 8/7/14)

15.02 Definitions and Applications.

15.02.1 Administered By. Financial aid is administered by an institution if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

15.02.2 Cost of Attendance. The "cost of attendance" is an amount calculated by an institutional financial aid office, using federal regulations, that includes the total cost of tuition and fees, room and board, books and supplies, transportation, and other expenses related to attendance at the institution. (Adopted: 1/11/94)

15.02.2.1 Calculation of Cost of Attendance. An institution must calculate the cost of attendance for student-athletes in accordance with the cost-of-attendance policies and procedures that are used for students in general. Accordingly, if an institution’s policy allows for students’ direct and indirect costs (e.g., tuition, fees, room and board, books, supplies, transportation, child care, cost related to a disability and miscellaneous personal expenses) to be adjusted on an individual basis from the institution’s standard cost figure, it is permissible to make the same adjustment for student-athletes, provided the adjustment is documented and is available on an equitable basis to all students with similar circumstances who request an adjustment. (Adopted: 1/11/94)

15.02.3 Counter. A "counter" is an individual who is receiving institutional financial aid that is countable against the aid limitations in a sport.

15.02.3.1 Initial Counter. [FBS/FCS] An "initial counter" is a counter who is receiving countable financial aid in a sport for the first time. (See Bylaw 15.5.6.3 in football for instances in which the institution is permitted to defer the counting of such financial aid until the following academic year.)

15.02.4 Family Member. A family member is an individual with any of the following relationships to the prospective student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the prospective student-athlete is the practical equivalent of a family relationship. (Adopted: 4/25/18)

15.02.5 Financial Aid. "Financial aid" is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. As used in NCAA legislation, "financial aid" includes all institutional financial aid and other permissible financial aid as set forth below. (See Bylaws 15.01.6.1, 16.2, 16.3 and 16.4.) (Revised: 5/26/09)

(f) The former student-athlete has exhausted other available degree completion funding options (e.g., funds from a professional league or contract); and

(g) The former student-athlete is in good academic standing at the institution and meets NCAA and institutional progress-toward-degree requirements. This requirement applies to initial and continuing eligibility for degree completion funds.
15.02.5.1 Athletically Related Financial Aid. Athletically related financial aid is financial aid that is awarded on any basis that is related to athletics ability, participation or achievement. If an application process specifically requests athletics participation or achievements as criteria for consideration in determining whether an applicant receives financial aid, aid received pursuant to such a process is athletically related financial aid. (Adopted: 1/18/14 effective 8/1/14)

15.02.5.2 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid: (Revised: 1/11/94 effective 8/1/94, 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 10/31/02 effective 8/1/03, 1/15/11 effective 8/1/11)

(a) All funds administered by the institution, which include but are not limited to the following:

(4) Employee dependent tuition benefits, unless the employee has been employed as a full-time faculty/staff member for a minimum of five years; and
(5) Loans.

(b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

15.02.5.3 Other Permissible Financial Aid. The following sources of financial aid are also permitted: (Adopted: 1/10/95 effective 8/1/95, Revised: 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11, 10/17/19)

(c) Financial aid awarded through an established and continuing outside program as outlined in Bylaw 15.2.6.4; and
(d) Educational expenses awarded by the U.S. Olympic and Paralympic Committee, which count against an institution’s sport-by-sport financial aid limitations and against the individual’s maximum limit on financial aid.

15.02.5.4 Exempted Institutional Financial Aid. The following institutional financial aid is exempt and is not counted in determining the institution’s financial aid limitations: (Revised: 1/10/91, 1/10/92, 4/25/02, 10/31/02 effective 8/1/03, 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11, 4/26/17 effective 8/1/17)

(d) State government grants awarded based on a student’s demonstrated financial need, regardless of whether the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient, provided the aid is administered in accordance with the federal methodology for determining a student’s financial need and has no relationship to athletics ability. However, such aid is not exempt for purposes of determining a football or basketball student-athlete’s counter status pursuant to Bylaw 15.5.1.1;
(e) State government merit-based grants, regardless of whether the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient, provided the aid is awarded consistent with the criteria of Bylaws 15.5.3.2.4.1, 15.5.3.2.4.2 or 15.5.3.2.4.3 and has no relationship to athletics ability. However, such aid is not exempt for purposes of determining a football or basketball student-athlete’s counter status pursuant to Bylaw 15.5.1.1; and
(f) Contributions made by the institution and matching payments made by the Department of Veterans Affairs pursuant to the Yellow Ribbon G.I. Education Enhancement Program [see Bylaw 15.2.5.1-(e)].

15.02.5.5 Exempted Government Grants. Government grants listed in Bylaw 15.2.5.1 shall not be included when determining the cost of attendance for a student-athlete. (Revised: 1/11/89, 4/29/04 effective 8/1/04)

(b) The basis for the award or grant shall be the candidate’s academic record at the awarding institution;
(c) The award or grant shall be determined by competition among the students of a particular class or college of the institution. Competition for the award or grant may include additional objective criteria unrelated to athletics abilities (e.g., gender, race and ethnicity, financial need); and
(d) The award or grant is included in determining if the student-athlete’s cost-of-attendance limitation has been met.

15.02.8 **Period of Award.** The period of award begins when the student-athlete receives any benefits as a part of the student’s grant-in-aid on the first day of classes for a particular academic term, or the first day of practice, whichever is earlier, and continues until the conclusion of the period set forth in the financial aid agreement. The period of award of a multiyear grant-in-aid may include one or more academic years of no athletically related financial aid after the first academic year in which athletically related aid is provided, including the final year of the award (e.g., 50 percent in year one, zero percent in year two, 50 percent in year three; 50 percent in year one, zero percent in year two, zero percent in year three). Payments credited to a student-athlete’s account that are not refundable by the institution to the scholarship office or other appropriate institutional agency shall not become the student’s obligation. *(Revised: 4/29/04 effective 8/1/04)*

**15.2 Elements of Financial Aid.**

- **15.2.1 Tuition and Fees.** An institution may provide a student-athlete financial aid that includes the actual cost of tuition and required institutional fees.

  - **15.2.1.1 Permissible Fees.** A student-athlete may be awarded financial aid that covers the payment of fees for a course in which the student-athlete is enrolled, if the course is part of the institution’s regular curriculum (included in the institution’s catalog of classes), and the institution pays these same fees for other students enrolled in the course who receive fees as a part of a grant-in-aid or scholarship.

  - **15.2.1.2 Optional Fees.** An institution may not pay fees for services offered on an optional basis to the student body in general.

  - **15.2.1.3 Noninstitutional Fees and Expenses.** Fees paid by an institution are confined to required institutional fees and do not include noninstitutional fees or expenses (e.g., the cost of typing reports for student-athletes).

- **15.2.2 Room and Board.** An institution may provide a student-athlete financial aid that includes the cost of room and board, based on the official allowance for a room as listed in the institution’s official publication (e.g., catalog) and a board allowance that consists of three meals per day or the institution’s maximum meal plan that is available to all students, whichever is greater. *(Revised: 10/28/99 effective 8/1/00, 1/18/14 effective 8/1/14)*

  - **15.2.2.1 Room and Board Stipend.** An institution may provide the student-athlete an amount equal to the institution’s official on-campus room allowance as listed in its catalog, the average of the room costs of all of its students living on campus or the cost of room as calculated based on its policies and procedures for calculating the cost of attendance for all students. The institution also may provide the student-athlete an amount that is equivalent to the value of the maximum meal plan that is available to all students or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students, excluding those meals provided as part of the training table. Meals provided on the training table shall be deducted at the regular cost figure from such a student-athlete’s board allowance. *(Revised: 1/10/92, 11/12/97, 10/28/99 effective 8/1/00, 4/27/06 effective 8/1/06, 1/18/14 effective 8/1/14)*

  - **15.2.2.1.1 Determination of Off-Campus Room Rates.** An institution with several official on-campus room rates listed in its catalog may use the average of the room cost for all students living on campus (based on a weighted average for all students who reside in on-campus facilities) or the cost of room as calculated based on its policies and procedures for calculating the cost of attendance for all students. *(Revised: 11/12/97, 4/27/06 effective 8/1/06)*

  - **15.2.2.1.2 Institution With No On-Campus Room and Board Facilities.** If an institution does not provide an official dollar amount for room and board in its catalog and does not have on-campus student room and board facilities, the figure provided to student-athletes for off-campus student room and board shall be the amount determined by the institution’s office of financial aid as being commensurate with the average cost a student at that institution normally would incur living and eating in off-campus facilities. *(Revised: 11/12/97)*

- **15.2.2.3 Married Student Housing.** Married student-athletes who live in noninstitutional housing are permitted to receive the same room and board allowance that is provided to married students with on-campus housing. If the institution does not provide on-campus room and board facilities for married students but has other on-campus dormitory facilities, it must use the provisions of Bylaw 15.2.2.1 in determining the amount of room-and-board expenses a married student-athlete who lives in noninstitutional facilities may receive. *(Adopted: 1/10/92)*

- **15.2.2.4 Cost-Free Apartment.** It is permissible for the institution to arrange for a cost-free, off-campus apartment rather than to give a student-athlete an amount equal to the institution’s official room allowance (as listed in its catalog) or the cost of a room as calculated based on its policies and procedures for calculating the cost of attendance
for all students, provided the apartment is not rented by the institution at a reduced rate. However, if the actual rental rate is more than the institutional room allowance, the student-athlete shall pay the additional amount from the student-athlete’s own resources. (Revised: 4/27/06 effective 8/1/06)

15.2.2.1.5 Training-Table Meals. The cost of meals provided on the institution’s training table shall be deducted from a student-athlete’s board allowance. In determining the cost figure to be deducted, the institution may use the actual meal costs listed in the institution’s catalog or the average meal costs of its student-athletes living on campus.

15.2.2.1.6 Meals Incidental to Participation. The cost of meals and snacks provided as benefits incidental to participation in intercollegiate athletics need not be deducted from a student-athlete’s board allowance. Such meals and snacks also may be received by a student-athlete who is not receiving athletically related financial aid inasmuch as they constitute a benefit incidental to athletics participation [see Bylaw 16.5.2-(d)]. (Revised: 4/24/14 effective 8/1/14)

15.2.2 Facility Designated by Institution. It is permissible for the institution to require a grant-in-aid recipient to obtain room and board in a facility designated by the institution, provided the requirement is contained in the written statement outlining the amount, duration, conditions and terms of the financial aid agreement (see Bylaw 15.3.2.2).

15.2.2.3 Summer Dormitory Rentals. An institution may rent dormitory space to a prospective or enrolled student-athlete during the summer months at the regular institutional rate, if it is the institution’s policy to make such dormitory space available on the same basis to all prospective or enrolled students.

15.2.2.4 Food Stamps. A grant-in-aid recipient who lives and eats off campus may use the money provided for his or her board to obtain governmental food stamps, provided the stamps are available to the student body in general. Additionally, the student-athlete must be eligible for such stamps without any special arrangements on the part of athletics department personnel or representatives of the institution’s athletics interests.

15.2.3 Books. A member institution may provide a student-athlete financial aid that covers the actual cost of required course-related books. [R] (Revised: 4/24/03 effective 8/1/03)

15.2.3.1 Dollar Limit. There is no dollar limit for books a student-athlete may receive, provided each book is required for a course in which the student-athlete is enrolled. The institution may provide the student-athlete with cash to purchase books, as long as the amount of cash provided is equal to the actual cost of the books purchased. [R] (Revised: 4/24/03 effective 8/1/03)

15.2.4 Other Expenses Related to Attendance. An institution may provide a student-athlete financial aid that covers other expenses related to attendance in combination with other permissible elements of financial aid (per Bylaw 15.2) up to the cost of attendance (see Bylaws 15.02.2 and 15.1). (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) (Adopted: 4/29/04 effective 8/1/04, Revised: 5/26/09)

15.2.5 Government Grants. Government grants for educational purposes shall be included when determining the permissible amount of the cost of attendance for a student-athlete, except for those listed in Bylaw 15.2.5.1. (Revised: 1/11/89, 4/29/04 effective 8/1/04, 4/21/05)

If any of the conditions are not satisfied and the student-athlete receives the additional athletically related outside financial aid, the recipient shall be considered a counter per Bylaw 15.5.1, and the amount shall be applied to the maximum award limitation of Bylaw 15.5 for the sport in question.

#### 15.2.6.5 Educational Expenses -- Olympic Committee or National Governing Body.
A student-athlete may receive educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). The amount of the financial assistance shall be subject to the following limitations: *(Adopted: 1/10/95 effective 8/1/95, Revised: 10/28/97 effective 8/1/98, 11/1/00, 10/17/19)*

- (a) Disbursement of the aid shall be through the member institution for the recipient’s educational expenses while attending that institution;
- (b) The recipient’s choice of institutions shall not be restricted by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country);
- (c) The value of the award alone or in combination with other aid per Bylaw 15.1.2 shall not exceed the value of the individual’s maximum limit on financial aid; and
- (d) The recipient shall be considered a counter per Bylaw 15.5.1, and the amount shall be applied to the maximum award limitation of Bylaw 15.5 for the sport in question.

#### 15.2.7 Employment.
Earnings from a student-athlete’s on- or off-campus employment that occurs at any time is exempt and is not counted in determining a student-athlete’s cost of attendance or in the institution’s financial aid limitations, provided: *(Revised: 10/31/02 effective 8/1/03, 4/29/04 effective 8/1/04)*

- (a) The student-athlete’s compensation does not include any remuneration for value or utility that the student-athlete may have for the employer because of the publicity, reputation, fame or personal following that he or she has obtained because of athletics ability;
(b) The student-athlete is compensated only for work actually performed; and
(c) The student-athlete is compensated at a rate commensurate with the going rate in that locality for similar services (see Bylaw 12.4).

15.2.8 Summer Financial Aid. Summer financial aid may be awarded only to attend the awarding institution’s summer term, summer school or summer-orientation program, provided the following conditions are met: (Revised: 1/10/90, 1/10/92)

(a) The student has been in residence a minimum of one term during the regular academic year;
(b) The student is attending a summer term, summer school or summer-orientation program and financial aid is administered pursuant to Bylaw 15.2.8.1.2, 15.2.8.1.3 or 15.2.8.1.4; or
(c) The student is a two-year or a four-year college transfer student and is receiving aid to attend the awarding institution’s summer-orientation program.

15.2.8.1 General Stipulations. A student-athlete who is eligible for institutional financial aid during the summer is not required to be enrolled in a minimum full-time program of studies. However, the student-athlete may not receive financial aid that exceeds the cost of attendance in that summer term. A student-athlete may receive institutional financial aid based on athletics ability (per Bylaws 15.02.5.1 and 15.02.5.2) and educational expenses awarded (per Bylaw 15.2.6.5) up to the value of a full grant-in-aid, plus any other financial aid up to the cost of attendance. (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) (Revised: 4/29/04 effective 8/1/04, 5/26/09, 1/15/11 effective 8/1/11)

15.2.8.1.1 Exception for Pell Grant. A student-athlete who receives a Pell Grant may receive financial aid equivalent to the limitation set forth in Bylaw 15.2.8.1 or the value of a full grant-in-aid plus the Pell Grant, whichever is greater. (Adopted: 4/29/04 effective 8/1/04)

15.2.8.1.2 Enrolled Student-Athletes. After initial full-time enrollment during a regular academic year, a student-athlete shall not receive athletically related financial aid to attend the certifying institution’s summer term or summer school unless the student-athlete received such athletically related aid from the certifying institution during any previous academic year at that institution or the student-athlete has been awarded athletically related financial aid for the following academic year. (Adopted: 1/10/90 effective 8/1/90, Revised: 1/10/91, 1/10/92, 11/12/97, 4/26/12, 4/28/16, 1/22/20)

15.2.8.1.2.1 Attendance During Only One Term of Previous Academic Year. A student-athlete who attended the institution on a full-time basis for only one regular term during the previous academic year may receive financial aid during the following summer term. (Adopted: 1/10/92, Revised: 4/28/16)

15.2.8.1.2.2 Exception for Nonqualifiers. A nonqualifier may receive athletically related financial aid to attend an institution’s summer term or summer school after the first academic year of residence under the following conditions; (Adopted: 1/10/92, Revised: 1/14/97 effective 8/1/97, 4/28/16)

(a) The student-athlete has satisfied progress-toward-degree requirements and, thus, would be eligible for competition for the succeeding year (the student-athlete must have successfully satisfied the applicable requirements of Bylaw 14.4.3 and be in good academic standing at the institution); and
(b) The student-athlete has been awarded athletically related financial aid for the succeeding academic year.

15.2.8.1.3 Prior to Initial, Full-Time Collegiate Enrollment -- Institutional Nonathletics Aid. The following conditions apply to the awarding of institutional nonathletics financial aid to a prospective student-athlete to attend an institution in the summer prior to the prospective student-athlete’s initial, full-time collegiate enrollment: [D] (Revised: 1/10/90, 1/10/92, 4/26/01, 3/10/04, 4/29/04, 1/10/05 effective 5/1/05, 3/4/05, 1/15/11 effective 8/1/11, 1/14/12, 1/18/14 effective 8/1/14)

(a) The recipient shall be admitted to the awarding member institution in accordance with regular, published entrance requirements;
(b) The recipient, if recruited (per Bylaw 15.02.9), is subject to NCAA transfer provisions pursuant to Bylaw 14.5.2-(g); and
(c) During the summer term or orientation period, the recipient shall not engage in any countable athletically related activities except for those activities specifically permitted in Bylaws 13 and 17 (see Bylaws 13.11.3.9, 17.1.1 and 17.1.1.1).

15.2.8.1.4 Prior to Initial Full-Time Enrollment at the Certifying Institution -- Athletics Aid. The following conditions apply to the awarding of athletically related financial aid to a prospective student-athlete (including a prospective student-athlete not certified by the NCAA Eligibility Center as a qualifier) or student-athlete to attend an institution in the summer prior to his or her initial, full-time enrollment at the certifying institution:
(Adopted: 4/27/00 effective 8/1/00, Revised: 9/6/00, 4/26/01, 6/21/01, 3/10/04, 4/29/04, 1/10/05 effective 5/1/05, 3/14/05, 5/9/07, 1/15/11 effective 8/1/11, 1/14/12, 4/26/17, 1/23/20)

(a) The recipient shall be admitted to the awarding member institution in accordance with regular, published entrance requirements;

(b) The recipient is enrolled in a minimum of three hours of academic course work (other than physical education activity courses) that is acceptable degree credit toward any of the institution’s degree programs. Remedial, tutorial and noncredit courses may be used to satisfy the minimum three-hour requirement, provided the course or courses are considered by the institution to be prerequisites for specific courses acceptable for any degree program and are given the same academic weight as other courses offered by the institution;

(c) The recipient, if recruited (per Bylaw 15.02.9), is subject to NCAA transfer provisions pursuant to Bylaw 14.5.2-(g), unless admission to the institution as a full-time student is denied;

(d) During the summer term or orientation period, the recipient shall not engage in any countable athletically related activities except for those activities specifically permitted in Bylaws 13 and 17; and

(e) Summer coursework is not used for the purpose of completing initial-eligibility, transfer eligibility or progress-toward-degree requirements other than percentage-of-degree requirements per Bylaw 14.4.3.2. However, the hours earned during the summer prior to initial full-time enrollment at the certifying institution may be used to satisfy the applicable progress-toward-degree requirements in following years (see Bylaw 14.4.3).

### 15.2.8.2 Branch School

An institution may not provide a student-athlete with financial aid to attend a summer session at a branch campus of the institution.

### 15.3 Terms and Conditions of Awarding Institutional Financial Aid. [A]

#### 15.3.1 Eligibility of Student-Athletes for Financial Aid. [A]

Institutional financial aid may be awarded for any term during which a student-athlete is in regular attendance as an undergraduate with eligibility remaining under Bylaw 12.8, or as a graduate eligible under Bylaw 14.6. (Revised: 10/27/11, 8/7/14)

**15.3.1.1 Applicable Requirements. [A]** A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid (see Bylaws 15.01.5 and 15.01.6). A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility. (Revised: 10/27/06, 8/7/14)

**15.3.1.2 Withdrawal From Institution. [A]** A student-athlete who withdraws from the institution may not receive financial aid during the remainder of the term. (Revised: 8/7/14)

**15.3.1.3 Retroactive Financial Aid. [A]** Institutional financial aid awarded to an enrolled student-athlete after the first day of classes in any term may be made retroactive to the beginning of that academic year. (Revised: 8/7/14, 1/20/17 effective 8/1/17)

**15.3.1.4 Institutional Financial Aid to Professional Athlete. [A]** It is permissible to award institutional financial aid to a student-athlete who is under contact to or currently receiving compensation from a professional sports organization in the same sport. A professional athlete in one sport may represent a member institution in a different sport and may receive institutional financial assistance in the second sport. (Revised: 8/11/98, 4/26/01, 4/27/06 effective 8/1/06, 10/27/11, 8/7/14)

### 15.3.2 Terms of Institutional Financial Aid Award. [A]

**15.3.2.1 Physical Condition of Student-Athlete. [A]** Financial aid awarded to a prospective student-athlete may not be conditioned on the recipient reporting in satisfactory physical condition. If a student-athlete has been accepted for admission and awarded financial aid, the institution shall be committed for the term of the original award, even if the student-athlete’s physical condition prevents him or her from participating in intercollegiate athletics. (Revised: 8/7/14)

**15.3.2.2 Written Statement Requirement. [A]** The institutional agency making a financial aid award for a regular academic year or multiple regular academic years shall give the recipient a written statement of the amount, duration, conditions and terms of the award. The chair of the regular committee or other agency for the awarding of financial aid to students generally, or the chair’s official designee, shall sign or electronically authorize (e.g., electronic signature) the written statement. The signature of the athletics director, attesting to the committee’s award, does not satisfy this requirement. (Revised: 3/10/04, 7/26/12, 8/7/14)

**15.3.2.3 Hearing Opportunity. [A]** The institution’s regular financial aid authority shall notify the student-athlete in writing of the opportunity for a hearing when institutional financial aid based in any degree on athletics ability is to be reduced or canceled during the period of the award, or is reduced or not renewed for the following academic year or years.
The institution shall have established reasonable procedures for promptly hearing such a request and shall not delegate the responsibility for conducting the hearing to the university's athletics department or its faculty athletics committee. The written notification of the opportunity for a hearing shall include a copy of the institution's established policies and procedures for conducting the required hearing, including the deadline by which a student-athlete must request such a hearing. (Revised: 1/9/06 effective 8/1/06, 4/3/07, 4/23/08, 8/7/14)

15.3.2.3.1 Reduction of a Multiyear Award. [A] A reduction of a multiyear award shall occur if the renewal period is for fewer years than the original agreement, unless the renewal includes the remaining years of the student-athlete’s eligibility in all sports (e.g., five-year period of eligibility) or if the average amount of aid provided per year in the renewal is less than the average amount of aid provided per year in the original agreement, including any increases during the period of the original award. (Adopted: 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, Revised: 8/7/14)

15.3.2.3.2 Athletics Department Staff as Member of Committee. [A] An institution’s athletics department staff member may be a member of a committee (other than an athletics department or faculty athletics committee) that conducts hearings related to the nonrenewal or reduction of a student-athlete’s financial aid. Under such circumstances, the athletics department staff member must be a standing member of the committee and may not serve as a member of a committee only for a specific student-athlete’s hearing. (Adopted: 4/3/07, Revised: 8/7/14)

15.3.2.4 Release of Obligation to Provide Athletically Related Financial Aid. Before becoming a counter for an academic year pursuant to a one-year or multiyear grant-in-aid, if a prospective student-athlete or student-athlete is awarded institutional financial aid unrelated to athletics that would count toward the team limit if he or she were a counter and that is equal to or greater than the amount of his or her signed award of athletically related financial aid for the specific academic year, the prospective student-athlete or student-athlete may, on his or her initiative, release the institution of its obligation to provide the athletically related financial aid for that academic year. (Adopted: 1/15/11 effective 8/1/11, Revised: 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 1/15/16 effective 8/1/16, 6/10/16, 6/12/19)

15.3.3 Period of Institutional Financial Aid Award. [A]

15.3.3.1 Period of Award. [A] If a student’s athletics ability is considered in any degree in awarding financial aid, such aid shall neither be awarded for a period less than one academic year nor for a period that would exceed the student’s five-year period of eligibility (see Bylaws 12.8 and 15.01.5). One-year grants-in-aid shall be awarded (as set forth in the written statement per Bylaw 15.3.2.2) in equal amounts for each term of the academic year. (See Bylaw 15.02.8.) (Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 9/29/15)

15.3.3.1.1 One-Year Period. [A] An institution may award athletically related financial aid to a student-athlete for a period of less than one academic year only under the following circumstances: (Adopted: 4/27/06 effective 8/1/06, Revised: 5/9/06, 4/24/08 effective 8/1/08, 5/19/09, 1/15/11 effective 8/1/11, 8/7/14, 1/15/16 effective 8/1/16)

(a) **Midyear Enrollment.** A student-athlete whose first full-time attendance at the certifying institution during a particular academic year occurs at midyear (e.g., the beginning of the second semester or second or third quarter of an academic year) may receive a financial aid award for the remainder of that academic year.

(b) **Final Semester/Quater.** A student-athlete may receive athletically related financial aid for less than one academic year, provided the student is in the final semester or final two quarters of his or her degree program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements.

(c) **Graduated During Previous Academic Year and Will Exhaust Eligibility During the Following Fall Term.** A student-athlete who graduated during the previous academic year (including summer) and will exhaust his or her athletics eligibility during the following fall term may be awarded athletically related financial aid for less than one academic year.

(d) **One-Time Exception.** One time during a recruited student-athlete’s enrollment at the certifying institution he or she may be awarded athletics aid for less than a full academic year, provided the student-athlete has been enrolled full time at the certifying institution for at least one regular academic term and has not previously received athletically related financial aid from the certifying institution.

(e) **Nonrecruited Student-Athlete Exception.** At any time during a student-athlete’s enrollment at the certifying institution, he or she may be awarded athletics aid for less than a full academic year, provided he or she has been enrolled full time at the certifying institution for at least one regular academic term and was not recruited by the certifying institution.
(f) **Eligibility Exhausted/Medical Noncounter.** A student-athlete who has exhausted eligibility and is exempt from counting (per Bylaw 15.5.1.5) in the institution’s financial aid limit, or a student-athlete who is exempt from counting (per Bylaw 15.5.1.2) due to an injury or illness may receive athletically related financial aid for less than one academic year. If an institution awards aid under this provision, the institutional financial aid agreement shall include specific nonathletically related conditions (e.g., academic requirements) the student-athlete must satisfy in order for the aid to be renewed for the next academic term or terms. If the student-athlete satisfies the specified conditions, the institution shall award financial aid at the same amount for the next term or terms of the academic year. If the student-athlete does not satisfy the specified conditions, he or she must be provided a hearing opportunity per Bylaw 15.3.2.3.

**15.3.3.1.2 Effect of Violation.** [A] A violation of Bylaw 15.3.3.1 in which financial aid is awarded for a period of less than one academic year shall be considered an institutional violation per Constitution 2.8.1; however, the prospective student-athlete or student-athlete’s eligibility shall not be affected. (Adopted: 10/29/09, Revised: 8/7/14)

**15.3.3.2 Regular Academic Year vs. Summer Term.** [A] An institution may award financial aid to a student-athlete for one or more academic years or, pursuant to the exceptions set forth in Bylaw 15.3.3.1.1, part of one academic year. An institution also may award financial aid for a summer term or summer-orientation period, provided the conditions of Bylaw 15.2.8 have been met. (Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14)

**15.3.3.2.1 Summer Term as Additional Award.** [A] It is necessary to make an additional award for a summer term; however, an institution is not required to provide the recipient with a written statement of the amount, duration, conditions or terms of the award. (Revised: 10/27/11 effective 8/1/12, 7/26/12, 10/9/12, 8/7/14)

**15.3.4 Reduction or Cancellation During Period of Award.** [Note: Bylaw 15.3.4 applies to nonautonomy conferences and institutions that have elected not to apply the more restrictive autonomy provisions found in Bylaw 15.3.5.]

**15.3.4.1 Increase Permitted.** Institutional financial aid may be increased for any reason at any time. (Adopted: 1/11/94, Revised: 2/26/03, 4/23/08, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14)

**15.3.4.2 Reduction or Cancellation Permitted.** Institutional financial aid based in any degree on athletics ability may be reduced or canceled during the period of the award if the recipient: (Revised: 1/10/92, 1/11/94, 1/10/95, 1/9/96, 12/13/05, 9/11/07, 8/7/14, 6/19/18 effective 10/15/18)

(a) Renders himself or herself ineligible for intercollegiate competition;

(b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.3.4.2.3);

(c) Engages in serious misconduct warranting substantial disciplinary penalty (see Bylaw 15.3.4.2.4);

(d) Voluntarily (on his or her own initiative) withdraws from a sport at any time for personal reasons; however, the recipient’s financial aid may not be awarded to another student-athlete in the academic term in which the aid is reduced or canceled; or

(e) Provides written notification of transfer (see Bylaw 13.1.1.3) to the institution; however, the student-athlete’s financial aid may not be reduced or canceled until the end of the regular academic term in which written notification of transfer is received. If a student-athlete provides written notification of transfer to the institution between regular academic terms (winter break, summer break) the institution may reduce or cancel the financial aid immediately.

**15.3.4.2.1 Timing of Reduction or Cancellation.** Any reduction or cancellation of aid during the period of the award may occur only after the student-athlete has been provided an opportunity for a hearing per Bylaw 15.3.2.3 (other than as permitted in Bylaw 15.5.6.4.1). (Adopted: 5/15/07, Revised: 4/23/08, 8/7/14)

**15.3.4.2.2 Nonathletically Related Conditions.** An institutional financial aid agreement may include nonathletically related conditions (e.g., compliance with academics policies or standards, compliance with athletics department rules or policies) by which the aid may be reduced or canceled during the period of the award. (Adopted: 4/23/08, Revised: 8/7/14)

**15.3.4.2.3 Fraudulent Misrepresentation.** If a student-athlete is awarded institutional financial aid on the basis of declaring intention to participate in a particular sport by signing a letter of intent, application or tender, action on the part of the grantee not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on the grantee’s application, letter of intent or financial aid agreement and would permit the institution to cancel or reduce the financial aid. (Revised: 1/11/94, 8/7/14)
15.3.4.2.4 Misconduct. An institution may cancel or reduce the financial aid of a student-athlete who is found to have engaged in misconduct by the university’s regular student disciplinary authority, even if the loss-of-aid requirement does not apply to the student body in general. (Revised: 1/11/94, 8/7/14)

15.3.4.3 Reduction or Cancellation Not Permitted. Institutional financial aid based in any degree on athletics ability may not be reduced or canceled during the period of its award: (Adopted: 1/16/93, Revised: 1/11/94, 12/11/07, 1/14/08, 8/7/14)

(a) On the basis of a student-athlete’s athletics ability, performance or contribution to a team’s success;

(b) Because of an injury, illness, or physical or mental medical condition (except as permitted pursuant to Bylaw 15.3.4.2); or

(c) For any other athletics reason.

15.3.4.3.1 Athletically Related Condition Prohibition. An institution may not set forth an athletically related condition (e.g., financial aid contingent upon specified performance or playing a specific position) that would permit the institution to reduce or cancel the student-athlete’s financial aid during the period of the award if the conditions are not satisfied. (Adopted: 1/16/93, Revised: 1/11/94, 8/7/14)

15.3.4.3.2 Decrease Not Permitted. An institution may not decrease a prospective student-athlete’s or a student-athlete’s financial aid from the time the prospective student-athlete or student-athlete signs the financial aid award letter until the conclusion of the period set forth in the financial aid agreement, except under the conditions set forth in Bylaw 15.3.4.2. (Adopted: 1/11/94, Revised: 4/2/03 effective 8/1/03, 8/7/14)

15.3.5 Reduction, Cancellation or Nonrenewal of Institutional Financial Aid. [A] [Note: Bylaws 15.3.5 and 15.3.6 apply to autonomy conferences. They also apply to nonautonomy conferences and institutions that have elected to apply the more restrictive autonomy provisions related to reduction and nonrenewal of institutional financial aid.]

15.3.5.1 Reduction, Cancellation or Nonrenewal Permitted. [A] Institutional financial aid based in any degree on athletics ability may be reduced or canceled during the period of the award or reduced or not renewed for the following academic year or years of the student-athlete’s five-year period of eligibility if the recipient: (Revised: 1/10/92, 1/11/94, 1/10/95, 1/9/96, 12/13/05, 9/11/07, 8/7/14, 1/17/15 effective 8/11/15, 6/19/18 effective 10/15/18)

(a) Renders himself or herself ineligible for intercollegiate competition;

(b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.3.5.1.2);

(c) Engages in serious misconduct warranting substantial disciplinary penalty, as determined by the institution’s regular student disciplinary authority;

(d) Voluntarily (on his or her own initiative) withdraws from a sport at any time for personal reasons; however, the recipient’s financial aid may not be awarded to another student-athlete in the academic term in which the aid is reduced or canceled;

(e) Violates a nonathletically related condition outlined in the financial aid agreement or violates a documented institutional rule or policy (e.g., academics policies or standards, athletics department or team rules or policies); or

(f) Provides written notification of transfer (see Bylaw 13.1.1.3) to the institution; however, the student-athlete’s financial aid may not be reduced or canceled until the end of the regular academic term in which written notification of transfer is received. If a student-athlete provides written notification of transfer to the institution between regular academic terms (winter break, summer break) the institution may reduce or cancel the financial aid immediately.

15.3.5.1.1 Timing of Reduction or Cancellation. [A] Any reduction or cancellation of aid during the period of the award may occur only after the student-athlete has been provided an opportunity for a hearing per Bylaw 15.3.2.3 (other than as permitted in Bylaw 15.5.6.4.1). (Adopted: 5/15/07, Revised: 4/23/08, 8/7/14)

15.3.5.1.2 Fraudulent Misrepresentation. [A] If a student-athlete is awarded institutional financial aid on the basis of declaring intention to participate in a particular sport by signing a letter of intent, application or tender, action on the part of the grantee not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on the grantee’s application, letter of intent or financial aid agreement. (Revised: 1/11/94, 8/7/14, 1/17/15 effective 8/11/15)

15.3.5.2 Reduction or Cancellation Not Permitted -- During the Period of the Award. [A] Institutional financial aid based in any degree on athletics ability may not be reduced or canceled during the period of its award: (Adopted: 1/16/93, Revised: 1/11/94, 12/11/07, 1/14/08, 8/7/14, 1/17/15 effective 8/11/15)
(a) On the basis of a student-athlete’s athletics ability, performance or contribution to a team’s success;
(b) Because of an injury, illness, or physical or mental medical condition (except as permitted pursuant to Bylaw 15.3.5.1); or
(c) For any other athletics reason.

15.3.5.2.1 Athletically Related Condition Prohibition. [A] An institution may not set forth an athletically related condition (e.g., financial aid contingent upon specified performance or playing a specific position) that would permit the institution to reduce or cancel the student-athlete’s financial aid during the period of the award if the conditions are not satisfied. (Adopted: 1/16/93, Revised: 1/11/94, 8/7/14)

15.3.5.2.2 Decrease Not Permitted. [A] An institution may not decrease a prospective student-athlete’s or a student-athlete’s financial aid from the time the prospective student-athlete or student-athlete signs the financial aid award letter until the conclusion of the period set forth in the financial aid agreement, except under the conditions set forth in Bylaw 15.3.5.1. (Adopted: 1/11/94, Revised: 4/2/03 effective 8/1/03, 8/7/14)

15.3.5.3 Reduction or Nonrenewal Not Permitted -- After the Period of the Award. [A] If a student-athlete receives athletically related financial aid in the academic year of his or her initial full-time enrollment at the certifying institution, the following factors shall not be considered in the reduction or nonrenewal of such aid for the following academic year or years of the student-athlete’s five-year period of eligibility: (Adopted: 1/17/15 effective 8/1/15)
(a) A student-athlete’s athletics ability, performance or contribution to a team’s success (e.g., financial aid contingent upon specified performance or playing a specific position);
(b) An injury, illness, or physical or mental medical condition; or
(c) Any other athletics reason.

15.3.6 Increase Permitted. [A] Institutional financial aid may be increased for any reason at any time. (Adopted: 1/11/94, Revised: 2/26/03, 4/23/08, 10/27/11 effective 8/1/12 awards may be executed before 8/1/12, 8/7/14, 1/17/15 effective 8/1/15)

15.3.7 Renewals and Nonrenewals. [A]

15.3.7.1 Institutional Obligation. [A] The renewal of institutional financial aid based in any degree on athletics ability shall be made on or before July 1 prior to the academic year in which it is to be effective. The institution shall promptly notify in writing each student-athlete who received an award the previous academic year and who has eligibility remaining in the sport in which financial aid was awarded the previous academic year (under Bylaw 12.8) whether the grant has been renewed or not renewed for the ensuing academic year. Notification of financial aid renewals and nonrenewals must come from the institution's regular financial aid authority and not from the institution’s athletics department. (Revised: 1/10/95, 8/7/14)

15.3.7.2 Reconsideration of Nonrenewal. [A] It is permissible for an institution that has notified a student-athlete that he or she will not be provided institutional financial aid for the next academic year subsequently to award financial aid to that student-athlete. (Revised: 8/7/14)

15.5 Maximum Institutional Grant-in-Aid Limitations by Sport.

15.5.1 Counters. A student-athlete shall be a counter and included in the maximum awards limitations set forth in this bylaw under the following conditions: (Revised: 6/10/04, 1/15/11 effective 8/1/11, 10/17/19)

(a) Athletics Aid. A student-athlete who receives financial aid based in any degree on athletics ability shall become a counter for the year during which the student-athlete receives the financial aid; or

(b) Educational Expenses -- Olympic Committee/National Governing Body. A student-athlete who receives educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country) per Bylaw 15.2.6.5 shall become a counter for the year during which the student-athlete receives the aid.

15.5.1.1 Football or Basketball, Varsity Competition. In football or basketball, a student-athlete who was recruited (see Bylaw 15.02.9) by the awarding institution and who receives institutional financial aid (as set forth in Bylaw 15.02.5.2) granted without regard in any degree to athletics ability does not have to be counted until the student-athlete engages in varsity intercollegiate competition (as opposed to freshman, B-team, subvarsity, intramural or club competition) in those sports. (Revised: 1/16/93 effective 8/1/93, 1/11/94, 6/20/04, 1/15/11 effective 8/1/11, 1/18/14 effective 8/1/14)

15.5.1.1.1 Exception -- Receipt of Institutional Academic Aid Only. In football or basketball, a student-athlete who was recruited (see Bylaw 15.02.9) by the awarding institution and whose only source of institutional financial aid is academic aid based solely on the recipient’s academic record at the certifying institution, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the
institution, may compete without counting in the institution’s financial aid team limits, provided he or she has completed at least one academic year of full-time enrollment at the certifying institution and has achieved a cumulative grade-point average of at least 3.000 (on a 4.000 scale) at the certifying institution. (Adopted: 10/27/05 effective 8/1/06, Revised: 1/15/11 effective 8/1/11)

15.5.1.2 Counter Who Becomes Injured or Ill. A counter who becomes injured or ill to the point that he or she apparently never again will be able to participate in intercollegiate athletics shall not be considered a counter beginning with the academic year following the incapacitating injury or illness.

15.5.1.2.1 Incapacitating Injury or Illness. If an incapacitating injury or illness occurs prior to a prospective student-athlete’s or a student-athlete’s participation in athletically related activities and results in the student-athlete’s inability to compete ever again, the student-athlete shall not be counted within the institution’s maximum financial aid award limitations for the current, as well as later, academic years. However, if the incapacitating injury or illness occurs on or after the student-athlete’s participation in countable athletically related activities in the sport, the student-athlete shall be counted in the institution’s maximum financial aid limitations for the current academic year but need not be counted in later academic years. (Adopted: 1/10/91, Revised: 3/26/04, 9/18/07)

15.5.1.2.2 Change in Circumstances. If circumstances change and the student-athlete subsequently practices or competes at the institution at which the incapacitating injury or illness occurred, the student-athlete again shall become a counter, and the institution shall be required to count that financial aid under the limitations of this bylaw in the sport in question during each academic year in which the financial aid was received. (Revised: 4/26/01 effective 8/1/01)

15.5.1.3 Aid Not Renewed, Successful Appeal. If an institution does not renew financial aid for a counter in a following year, and a hearing before the institution’s regular financial aid authority results in a successful appeal for restoration of aid, the student-athlete shall continue to be a counter if the individual continues to receive athletically related financial aid. However, the student-athlete shall not be a counter if he or she receives institutionally arranged or awarded, nonathletically related financial aid available to all students, provided such financial aid was granted or arranged without regard in any degree to athletics ability. If the student-athlete ever participates again in intercollegiate athletics at that institution, he or she will be considered to have been a counter during each year the financial aid was received.

15.5.1.4 Cancellation of Aid. Once an individual becomes a counter in a head-count sport (see Bylaws 15.5.2, 15.5.4, 15.5.5, 15.5.6, 15.5.7 and 15.5.8), the individual normally continues as a counter for the remainder of the academic year. However, if he or she voluntarily withdraws from the team prior to the first day of classes or before the first contest of the season (whichever is earlier) and releases the institution from its obligation to provide financial aid, the individual no longer would be considered a counter (see Bylaws 15.5.2.2 and 15.5.6.4.1).

15.5.1.5 Eligibility Exhausted. A student-athlete receiving institutional financial aid after having exhausted his or her eligibility in a sport is not a counter in that sport in later academic years following completion of eligibility in the sport. For this provision to be applicable, the student-athlete is otherwise eligible for the aid and is not permitted to take part in organized, institutional practice sessions in that sport unless the individual has eligibility remaining under the five-year rule. (See Bylaw 15.3.1 for eligibility for financial aid.) (Revised: 1/10/91)

15.5.1.5.1 Cross Country/Track and Field. A student-athlete who is awarded athletically related financial aid and who has exhausted eligibility in either cross country, indoor track and field, or outdoor track and field, but has eligibility remaining in any of the other sports, is not a counter in the cross country/track and field financial aid limitations, provided the student-athlete subsequently does not practice or compete in any of the sports that he or she has eligibility remaining in during the academic year in which the aid was awarded. (Adopted: 6/26/01 effective 8/1/01)

15.5.1.6 Student-Athlete Whose Five-Year Period of Eligibility Expires Midyear. In sports in which performance from the nonchampionship and championship segments is considered for NCAA championship qualification or selection, a student-athlete who receives athletically related financial aid is not a counter, provided: (Adopted: 4/25/18 effective 8/1/18)

(a) The student-athlete’s five-year period of eligibility will expire before the NCAA championship in the applicable sport (e.g., end of fall semester); and

(b) The student-athlete does not compete in the involved sport during that academic year.

15.5.1.7 Aid After Departure of Head Coach. A student-athlete who receives athletically related institutional financial aid in subsequent academic years after the departure of a head coach from the institution is not a counter in a year in which he or she does not participate in intercollegiate athletics, provided: (Adopted: 4/29/10 effective 8/1/10, Revised: 4/26/17 effective 8/1/17, 5/1/19)

(a) The student-athlete participated in the applicable sport and received athletically related institutional financial aid during the coach’s tenure at the institution; and
15.5.1.7.1 Subsequent Participation. If the student-athlete subsequently participates in the applicable sport at the institution, the student-athlete shall become a counter for all years during which athletically related institutional aid was received. (Adopted: 4/29/10 effective 8/1/10, Revised: 4/26/17 effective 8/1/17)

15.5.1.8 Aid After Student-Athlete Becomes Permanently Ineligible. A student-athlete receiving institutional financial aid after becoming permanently ineligible due to a violation of NCAA regulations (e.g., amateurism legislation) may receive athletics aid during later academic years without counting in the institution’s financial aid limitations, provided the student-athlete is otherwise eligible for the aid and does not practice or compete in intercollegiate athletics again. If circumstances change and the student-athlete practices or competes, the institution is required to count the financial aid received by the student-athlete during each academic year in which the aid was received (see Bylaw 15.3.1.4). (Adopted: 1/11/94)

15.5.1.9 Summer-Term Aid. Institutional financial aid received during a summer term is not countable in these limitations and does not make a student-athlete a counter.

15.5.1.9.1 Exception -- Football. [FBS/FCS] In football, a prospective student-athlete who receives athletically related financial aid during a summer term prior to initial full-time enrollment at the certifying institution shall be an initial and overall counter for the ensuing academic year. (See Bylaws 15.02.3 and 15.5.6.) (Adopted: 1/14/12)

15.5.1.10 Offers Exceeding Maximum Allowable Awards. An institution may offer more than the maximum number of permissible awards in a sport (per Bylaw 15.5) in anticipation that not all of the offers will be accepted, but the institution shall not exceed the awards limitation in the sport in question.

15.5.1.10.1 Limitation on Number of National Letter of Intent/Offer of Financial Aid Signings -- Bowl Subdivision Football. [FBS] In bowl subdivision football, there shall be an annual limit of 25 on the number of prospective student-athletes who may sign a National Letter of Intent or an institutional offer of financial aid and student-athletes who may sign a financial aid agreement for the first time. (Adopted: 1/16/10 effective 8/1/10, Revised: 1/25/10 effective 8/1/10, 4/26/17 effective 8/1/17 for signings that occur on or after 8/1/17)

15.5.1.10.1.1 Application. [FBS] A prospective student-athlete who signs a National Letter of Intent or an institutional offer of financial aid or a student-athlete who signs a financial aid agreement that specifies financial aid will be initially provided in the fall term of an academic year shall count toward the annual limit on signings for that academic year. A prospective student-athlete who signs a National Letter of Intent or an institutional offer of financial aid or a student-athlete who signs a financial aid agreement that specifies financial aid will be initially provided during the second or third term of the academic year may count toward the limit for that academic year or the limit for the next academic year. (Adopted: 1/14/12 effective 8/1/12, Revised: 4/26/17 effective 8/1/17 for signings that occur on or after 8/1/17)

15.5.1.10.1.2 Exception -- Agreement After One Year. [FBS] A student-athlete who has been in residence at the certifying institution for at least one academic year may sign a financial aid agreement for the first time without counting toward the annual limit on signings. (Adopted: 4/26/17 effective 8/1/17 for signings that occur on or after 8/1/17, Revised: 4/25/18 effective 8/1/18)

15.5.1.10.1.3 Exception -- Incapacitating Injury or Illness. [FBS] A prospective student-athlete or student-athlete who, prior to participation in athletically related activities, becomes injured or ill to the point that he or she apparently never again will be able to participate in intercollegiate athletics shall not count toward the institution’s annual limit on signings. (Adopted: 4/26/17 effective 8/1/17 for signings that occur on or after 8/1/17)

15.5.2 Head-Count Sports Other Than Football and Basketball.

15.5.2.1 Maximum Limits. An institution shall be limited in any academic year to the total number of counters (head count) in each of the following sports: (Revised: 1/10/91 effective 8/1/92, 1/9/96 effective 8/1/96)

Women’s Gymnastics 12 Women’s Tennis 8
Women’s Volleyball 12

15.5.2.2 Preseason Voluntary Withdrawal. An institution may replace a counter who voluntarily withdraws from the team in a head-count sport other than football or basketball by providing the financial aid to another student who already has enrolled in the institution and is a member of the team. For this replacement to occur, the counter must withdraw prior to the first day of classes or before the first game of the season, whichever is earlier, and release the institution from its obligation to provide financial aid. The institution may not award the financial aid to another student-athlete in the academic term in which the aid was reduced or canceled. Further, if the financial aid is canceled before a regular academic
term (e.g., preseason practice period), the aid may not be provided to another student-athlete during the ensuing academic term.

15.5.2.3 Voluntary Withdrawal From the Institution During the Academic Year. An institution may replace a counter who voluntarily withdraws (e.g., transfer, official religious mission) from the institution during the academic year by providing the financial aid to another student-athlete, including an incoming student-athlete, beginning with the ensuing term (e.g., spring semester, winter or spring quarter) without making the second student-athlete a counter for the remainder of that academic year. (Adopted: 4/25/18 effective 8/1/18)

15.5.2.4 Midyear Replacement -- Women's Volleyball. In women's volleyball, the financial aid of a counter who graduates at midyear or who graduates during the previous academic year (including summer) may be provided to another student-athlete without making the second student-athlete a counter for the remainder of that academic year. (Adopted: 1/11/89, Revised: 1/16/10 effective 8/1/10)

15.5.2.5 Midyear Graduate Replacement -- Women's Gymnastics and Women's Tennis. In women's gymnastics and women's tennis, the financial aid of a counter who graduates at midyear with eligibility remaining and who does not return to the institution for the following academic term may be provided to another student-athlete without making the second student-athlete a counter for the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/07)

15.5.2.6 Academic Study Abroad Replacement. A student-athlete who is participating in a full-time study abroad program pursuant to Bylaw 12.8.1.3 may be replaced as a counter for the term or terms of participation by a student who already has enrolled in the institution and is a member of the team. (Adopted: 1/19/17 effective 8/1/17)

15.5.2.7 Internship or Cooperative Educational Work Experience Program Replacement. A student-athlete who is participating in a full-time internship or cooperative educational work experience program pursuant to Bylaw 12.8.1.4 may be replaced as a counter for the term or terms of participation by a student who already has enrolled in the institution and is a member of the team. (Adopted: 1/19/17 effective 8/1/17)

15.5.2.8 Replacement of an Ineligible Student-Athlete. An institution may replace a counter whose aid is canceled because the student-athlete rendered himself or herself ineligible for intercollegiate competition during a particular academic term (e.g., fall semester, winter quarter) by providing the financial aid to another student in the ensuing term (e.g., spring semester, spring quarter). (Adopted: 4/26/17 effective 8/1/17)

15.5.3 Equivalency Sports.

15.5.3.1 Maximum Equivalency Limits.

15.5.3.1.1 Men's Sports. There shall be a limit on the value (equivalency) of financial aid awards (per Bylaw 15.02.5.2) that an institution may provide in any academic year to counters in the following men's sports: (Revised: 1/10/91, 1/10/92, 1/16/93 effective 8/1/93, 4/26/07 effective 8/1/08)

15.5.3.1.3 Maximum Equivalency Limits -- Institutions That Sponsor Cross Country but Do Not Sponsor Track and Field. There shall be a limit of five on the value (equivalency) of financial aid awards (per Bylaw 15.02.5.2) that an institution may provide in any academic year to counters in men’s cross country, if the institution does not sponsor indoor or outdoor track and field for men. There shall be a limit of six on the value (equivalency) of financial aid awards (per Bylaw 15.02.5.2) that an institution may provide in any academic year to counters in women’s cross country, if the institution does not sponsor indoor or outdoor track and field for women. (Adopted: 1/10/91 effective 9/1/94, Revised: 1/9/96 effective 8/1/96)

15.5.3.1.4 Midyear Replacement -- Cross Country, Field Hockey, Soccer, Track and Field and Men's Water Polo. In cross country, field hockey, soccer, track and field and men’s water polo, the financial aid of a counter who graduates at midyear or who graduates during the previous academic year (including summer) and has exhausted eligibility but remains enrolled at the institution may be provided to another student-athlete without making the second student-athlete a counter. The financial aid provided to the second student-athlete does not count toward the team’s maximum equivalency limits for the remainder of the academic year. (Adopted: 1/22/20 effective 8/1/20)

15.5.3.2 Equivalency Computations. In equivalency sports, each institutional financial aid award (per Bylaw 15.02.5.2) to a counter shall be computed as follows: (Revised: 1/10/90, 1/9/96 effective 8/1/96, 4/29/04 effective 8/1/04, 10/20/08, 1/17/15 effective 8/1/15)

(a) Once a student becomes a counter, the institution shall count all institutional aid (per Bylaw 15.02.5.2) received up to the value of a full grant-in-aid. Exempted government grants per Bylaw 15.2.5 and exempted institutional aid per Bylaw 15.02.5.4 specifically are excluded from this computation.

(b) A fraction shall be created, with the amount received by the student-athlete (up to the value of a full grant-in-aid) as the numerator and the full grant-in-aid value for that student-athlete as the denominator based on the actual cost or average cost of a full grant for all students at that institution.

(c) The sum of all fractional and maximum awards received by counters shall not exceed the total limit for the sport in question for the academic year as a whole.

15.5.3.2.1 Application to Autonomy Conferences. [A] A member institution of one of the five conferences named in Constitution 5.3.2.1.1 shall use a full grant-in-aid in its equivalency computations as defined in Bylaw 15.02.6. The elements of a grant-in-aid are tuition and fees, room and board, books, and other expenses related to attendance at the institution. (Adopted: 1/17/15 effective 8/1/15)

15.5.3.2.2 Application to Other Conferences. A member institution of a conference other than the five conferences named in Constitution 5.3.2.1.1 may use a full grant-in-aid in its equivalency computations as defined in Bylaw 15.02.6 or one that consists of tuition and fees, room and board, and required course-related books, subject to the discretion of its conference pursuant to Constitution 5.3.2.1.2.2. If the institution uses a full grant-in-aid that consists of tuition and fees, room and board, and required course-related books, financial aid unrelated to athletics ability received by a student-athlete in excess of a full grant-in-aid shall not be included in his or her equivalency computation. (Adopted: 1/17/15 effective 8/1/15)

15.5.3.2.3 Additional Requirements. The following additional requirements shall apply to equivalency computations: (Revised: 10/20/08, 1/15/11, 10/18/11, 4/17/12 effective 8/1/12, 1/17/15 effective 8/1/15)

(a) An institution may use either the actual cost or average cost of any or all the elements (other than books) of the equivalency calculation, provided the same method is used in both the numerator and denominator for each element. Either method (or different combinations of methods among elements) may be used for each student-athlete on the same team or for separate teams generally.

(b) In computing equivalencies for tuition and fees, it is not permissible to average the value of in-state and out-of-state tuition and fees to determine an average cost for tuition and fees.

(c) Books shall count for calculation purposes as $800 in the denominator. If a student-athlete receives any portion of a book allowance for the academic year, the institution must use $800 in the denominator and numerator for books, regardless of the actual cost of the books. If a student-athlete is enrolled for less than a full academic year (e.g., one semester, one or two quarters) and receives any portion of a book allowance, the institution must use the
amount in the numerator that is proportionate to the number of terms of enrollment ($400 for semester systems, $534 or $267 for quarter systems).

15.5.3.2.4 Exceptions.

15.5.3.2.4.1 Academic Honor Awards -- Based on High School Record. Academic honor awards that are part of an institution’s normal arrangements for academic scholarships, based solely on the recipient’s high school record and awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, are exempt from an institution’s equivalency computations, provided the recipient was ranked in the upper 10 percent of the high school graduating class or achieved a cumulative grade-point average of at least 3.500 (based on a maximum of 4.000) or a minimum ACT sum score of 105 or a minimum SAT score of 1200 (critical reading and math) for SAT tests taken before March 1, 2016; or a minimum SAT score of 1270 (critical reading and math) for tests taken on or after March 1, 2016, based on the concordance determined by the College Board. (Adopted: 1/12/99 effective 8/1/99, Revised: 1/14/08 effective 8/1/08, 1/16/10 effective 8/1/10, 2/2/16)

15.5.3.2.4.1.1 Additional Requirements. The following additional requirements shall be met: (Adopted: 1/12/99 effective 8/1/99, Revised: 1/18/14 effective 8/1/14)

(a) The awards may include additional, nonacademic criteria (e.g., interviews, essays, need analysis), provided the additional criteria are not based on athletics ability, participation or interests, and the awards are consistent with the pattern of all such awards provided to all students;

(b) No quota of awards shall be designated for student-athletes;

(c) Athletics participation shall not be required before or after collegiate enrollment;

(d) No athletics department staff member shall be involved in designating the recipients of such awards; and

(e) Any additional criteria shall not include athletics ability, participation or interests.

15.5.3.2.4.1.2 Renewals. The renewal of an academic honor award (per Bylaw 15.5.3.2.4.1) may be exempted from an institution’s equivalency computation regardless of whether the recipient qualified for exemption in his or her initial academic year enrollment, provided: (Adopted: 1/12/99 effective 8/1/99, Revised: 3/18/10)

(a) The recipient achieves a cumulative grade-point average of at least 3.000 (based on a maximum of 4.000) at the certifying institution; and

(b) The recipient meets all NCAA, conference and institutional progress-toward-degree requirements.

15.5.3.2.4.2 Academic Honor Awards -- Transfer Students. Academic honor awards that are part of an institution’s normal arrangements for academic scholarships, either based solely on the recipient’s cumulative academic record from all collegiate institutions previously attended or based on the recipient’s high school record and cumulative academic record from all collegiate institutions previously attended, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, may be exempted from a team’s equivalency computation, provided the recipient achieved a cumulative transferable grade-point average of at least 3.000 (based on a maximum of 4.000). (Adopted: 1/16/10 effective 8/1/10, Revised: 1/15/11 effective 8/1/11)

15.5.3.2.4.2.1 Calculation of Grade-Point Average. Grades earned in all courses that are normally transferable to an institution shall be considered in determining the grade-point average for meeting this exception, regardless of the grade earned or whether such grade makes the course unacceptable for transferable-degree credit. (Adopted: 1/16/10 effective 8/1/10)

15.5.3.2.4.2.2 Renewals. The renewal of an academic honor award (per Bylaw 15.5.3.2.4.2) may be exempted from an institution’s equivalency computation, provided: (Adopted: 1/16/10 effective 8/1/10, Revised: 1/15/11 effective 8/1/11)

(a) The recipient achieves a cumulative grade-point average of at least 3.000 (based on a maximum of 4.000) at the certifying institution; and

(b) The recipient meets all NCAA, conference and institutional progress-toward-degree requirements.

15.5.3.2.4.3 Institutional Academic Scholarships. Institutional academic scholarships that are part of an institution’s normal arrangements for academic scholarships, based solely on the recipient’s academic record at the certifying institution, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, are exempt from an institution’s equivalency computation, provided the
recipient has completed at least one academic year of full-time enrollment at the certifying institution and has achieved a cumulative grade-point average of at least 3.000 (on a 4.000 scale) at the certifying institution. (Adopted: 10/27/05 effective 8/1/06, Revised: 1/15/11 effective 8/1/11)

15.5.3.2.4.4 Academic Study Abroad Exception. All countable financial aid of a student-athlete who is participating in a full-time study-abroad program pursuant to Bylaw 12.8.1.3 is exempt from an institution’s equivalency computation. Countable financial aid in an amount equal to the countable financial aid provided to the participating student-athlete may be provided to a student who already has enrolled in the institution and is a member of the team for the term or terms of participation in the study-abroad program. (Adopted: 1/14/08 effective 8/1/08)

15.5.4.1.2 Exception -- Final Year of Eligibility and Not Previously Aided. In bowl subdivision football, an institution may use the midyear replacement exception only if it previously has provided financial aid during that academic year to the maximum number of overall counters (85 total counters). In championship subdivision football, an institution may use the midyear replacement exception only if it previously has provided financial aid during that academic year that equals the maximum number of overall equivalencies or overall counters. (Revised: 4/20/99 effective 8/1/99, 6/8/99, 4/26/01 effective 8/1/01, 8/2/05, 12/15/06, 1/14/08 effective 8/1/08, 4/2/10, 1/15/11)

FIGURE 15-2
How to Determine a Counter

1. Per Bylaw 15.02.8.
2. In football, a prospective student-athlete who receives athletically related financial aid during a summer term prior to initial full-time enrollment at the certifying institution shall be an initial and overall counter for the ensuing academic year.
3. Recruited student-athlete (per Bylaw 15.02.8) who is a varsity football or basketball team member but does not compete: Financial aid must be unrelated to athletics ability (Bylaw 15.5.1.1).
4. Recruited student-athlete (per Bylaw 15.02.8) participating in sport other than football or basketball: Financial aid must be unrelated to athletics ability.
5. Nonrecruited student-athlete (per Bylaw 15.02.8) participating in any sport: Financial aid must be unrelated to athletics ability.
6. Includes athletically related financial aid from an established and continuing program that exceeds $1,000 and does not meet the criteria outlined in Bylaw 15.2.6.4, and educational expenses from the U.S. Olympic Committee or U.S. national governing body (per Bylaw 15.2.6.5).
FIGURE 15-3
Where To Count Student-Athletes Who Participate in More Than One Intercollegiate Sport

DIRECTIONS:

Start at 1, football, and keep going until you reach a sport in which the student-athlete participates. Count the student-athlete in that sport.

Note the alternatives for men’s water polo. If a student-athlete participates in men’s water polo and men’s swimming and diving, he is counted in men’s swimming and diving. If he participates in men’s water polo and any sport except football, men’s basketball, men’s ice hockey and men’s swimming and diving, he can be counted in either of his sports. If he participates in men’s swimming and diving and any other sport except for football, men’s basketball, men’s ice hockey and men’s water polo, then he can be counted in either of his sports.

For student-athletes who practice with one of the teams numbered 1-2 and 4 but do not compete on a junior varsity or varsity team, see the information on the two-year exception rule in Bylaw 15.5.9.6.

*In football, a counter who was not recruited (per Bylaw 15.02.8) and/or offered financial aid to participate in football and who competes in football and one or more sports (including basketball) must be counted in football (see Bylaw 15.5.9.1).
BYLAWS, ARTICLE 16

Awards, Benefits and Expenses for Enrolled Student-Athletes

16.01 General Principles. [A]

16.01.1 Eligibility Effect of Violation. [A] A student-athlete shall not receive any extra benefit. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible for athletics competition in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation, the individual is ineligible in all sports.

16.01.1.1 Restitution for Receipt of Impermissible Benefits. [A] Unless otherwise noted, for violations of Bylaw 16 in which the value of the benefit is $200 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the student-athlete repays the benefit. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete’s eligibility. (Adopted: 11/1/01, Revised: 8/5/04, 1/19/18)

16.02 Definitions and Applications. [A]

16.02.1 Award. [A] An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Excessive Expense. [A] An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.3 Extra Benefit. [A] An extra benefit is any special arrangement by an institutional employee or representative of the institution’s athletics interests to provide a student-athlete or the student-athlete family member or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their family members or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution’s students or their family members or friends or to a particular segment of the student body (e.g., international students, minority students) determined on a basis unrelated to athletics ability. (Revised: 1/10/91, 1/19/13 effective 8/1/13)

16.02.4 Family Member. [A] For purposes of Bylaw 16, a family member is an individual with any of the following relationships to a student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the student-athlete is the practical equivalent of a family relationship. (Adopted: 1/19/13 effective 8/1/13)

16.02.5 Pay. [A] Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics. (See Bylaw 12.1.2.1 for explanation of forms of pay prohibited under the Association’s amateur-status regulations.)

16.02.6 Significant Other. [A] A significant other is a spouse, fiancé or fiancée, domestic partner, or any individual whose relationship to an identified individual (e.g., prospective student-athlete, coach, student-athlete) is the practical equivalent of a spouse. (Adopted: 1/19/18)

16.1 Awards. [A]

16.1.1 Application of Awards Legislation. [A]

16.1.1.1 Awards Received for Participation While not Representing the Institution. [A] Awards received by an individual for participation in competition while not representing the institution shall conform to the rules of the amateur sports organization that governs the competition, but may not include cash (or cash equivalents) that exceeds actual and necessary expenses (see Bylaw 12.1.2.4). (Revised: 1/19/13 effective 8/1/13, 8/7/14)

16.1.1.2 Awards Received for Participation While Representing the Institution. [A] The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing his or her institution. Such awards may not include cash or cash equivalents, gift certificates or gift cards that are redeemable for cash (original amount or any balance thereof), or a country club or sports club membership. [R] (Revised: 4/28/10, 1/19/13 effective 8/1/13, 8/7/14)
16.1.2 Uniformity of Awards. [A] Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. [R] (Revised: 8/7/14)

16.1.3 Transfer of Nonpermissible Award. [A] Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual’s name to a different individual or agency (e.g., a collegiate institution). (Revised: 8/7/14)

16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. [A] Athletics awards given to individual student-athletes shall be limited to those approved or administered by the member institution, its conference or an approved agency as specified in the following subsections and shall be limited in value and number as specified in this section. Awards received for intercollegiate athletics participation may not be sold, exchanged or assigned for another item of value, even if the student-athlete’s name or picture does not appear on the award. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. [R] (Revised: 9/12/03, 8/7/14)

16.1.4.1 Participation Awards. [A] Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. [R] (Revised: 4/25/02 effective 8/1/02, 3/8/12, 1/19/13 effective 8/1/13, 8/7/14)

16.1.4.1.1 Senior Scholar-Athlete Award. [A] An institution may provide a maximum of two senior scholar-athlete awards each year to graduating seniors. The award may consist of a tangible item valued at not more than $175 and a postgraduate scholarship not to exceed $10,000. The postgraduate scholarship shall be used for graduate studies at the recipient’s choice of institution and shall be disbursed directly to that institution. Such a scholarship only may be awarded to a student-athlete who has completed the requirements for a baccalaureate degree. A student-athlete who has received an institutional postgraduate scholarship as part of a senior scholar-athlete award shall no longer be eligible to participate in intercollegiate athletics, except that the student may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in the spring sport that occurs after graduation). [R] (Adopted: 4/25/02, Revised: 6/1/06, 1/14/08, 8/7/14)

16.1.4.1.2 Special Event Participation Awards Based on Level of Achievement. [A] Special event participation awards may include awards that are based on a level of achievement (e.g., all-tournament award, finalist award, place-finish award) in the event, provided the awards are uniform within each level and the combined value of all awards received for participation in the particular type of special event (e.g., conference championship; other established meets, tournaments and featured individual competition) does not exceed the maximum permissible value of such awards (see Figure 16-1). (Adopted: 1/10/13, Revised: 8/7/14)

16.1.4.2 Awards for Winning Conference and National Championships. [A] Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a national championship may not exceed $415. The total value of any single award received for a conference championship may not exceed $325, and each permissible awarding agency is subject to a separate $325 limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate $325 limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed $325. [R] (Revised: 4/25/02 effective 8/1/02, 8/7/14)

16.1.4.3 Special Achievement Awards. [A] Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. [R] (Revised: 4/25/02 effective 8/1/02, 8/7/14)

16.1.4.4 Local Civic Organization. [A] A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to a member institution’s team(s), provided such awards are approved by the institution and are counted in the institution’s limit for institutional awards. [R] (Adopted: 1/10/92, Revised: 1/9/96 effective 8/1/96, 6/11/09, 8/7/14)

16.1.5 Purchase Restrictions. [A]

16.1.5.1 Assignment of Normal Retail Value. [A] Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve...
an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. (Adopted: 1/16/93, Revised: 8/7/14)

16.1.5.2 Supplementary-Purchase Arrangement. [A] An institution may not enter into a supplementary-purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific-value limitations placed on permissible awards. [R] (Revised: 8/7/14)

16.1.5.3 Combining Values. [A] An institution may not combine the value limits of awards given in a sport during the same season, or given to athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. [R] (Revised: 8/7/14)

16.1.5.4 Student-Athlete Contribution to Purchase. [A] The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. [R] (Revised: 8/7/14)

16.1.6 Institutional Awards Banquets. [A] An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. (Revised: 1/9/96 effective 8/1/96, 8/7/14)

16.1.6.1 Booster Club Recognition Banquet. [A] One time per year, an institution’s athletics booster club may finance an intercollegiate team’s transportation expenses to a recognition banquet, provided all expenses are paid through the institution’s athletics department, the location of the event is not more than 100 miles from the campus and no tangible award is provided to members of the team. [R] (Revised: 1/9/96 effective 8/1/96, 8/7/14)

16.1.7 Expenses to Receive Noninstitutional Awards. A conference, an institution, the U.S. Olympic and Paralympic Committee, a national governing body (or the international equivalents) or the awarding agency may provide actual and necessary expenses for a student-athlete to receive a noninstitutional award or recognition for athletics or academic accomplishments. Actual and necessary expenses may be provided for the student-athlete’s family members to attend the recognition event or awards presentation. (Adopted: 1/19/13 effective 8/1/13, Revised: 8/7/14, 10/17/19)

16.2 Complimentary Admissions and Ticket Benefits. [A]

16.2.1 Permissible Procedures. [A]

16.2.1.1 Institutional Events in the Student-Athlete’s Sport. [A] An institution may provide four complimentary admissions per home or away intercollegiate athletics event to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest. [R] (Revised: 8/7/14)

16.2.1.1.1 Exception -- Postseason Events. [A] An institution may provide each student-athlete who participates in or is a member of a team participating in a postseason event (e.g., conference championship, NCAA championship, National Invitation Tournament, bowl game) with six complimentary admissions to all intercollegiate athletics events at the site at which the student (or team) participates. (Adopted: 1/9/96 effective 8/1/96, Revised: 11/1/01 effective 8/1/02, 1/17/09 effective 8/1/09, 8/7/14)

16.2.1.1.2 Tournaments. [A] Complimentary admissions may be provided to members of the institution’s team for all intercollegiate athletics events in a tournament in which the team is participating, rather than only for the games in which the institution’s team participates. However, the contests must be at the site at which the institution’s team participates. (Revised: 8/7/14)

16.2.1.2 General Regulations. [A] Complimentary admissions shall be provided only through a pass list for individuals designated by the student-athlete. "Hard tickets" shall not be issued. A violation of this administrative procedure shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete’s eligibility. The student-athlete’s eligibility shall be affected by involvement in action contrary to the provisions of Bylaws 16.2.1.1 and 16.2.2.1 (receipt of more than the permissible four complimentary admissions or the sale or exchange of a complimentary admission for any item of value). (Revised: 1/11/94 effective 8/1/94, 1/14/08, 8/7/14)

16.2.1.2.1 Issuance Procedures. [A] The individual using the complimentary admission must present identification to the person supervising the use of the pass list at the admission gate. The individual then shall be provided a ticket stub or other identification of a specified reserved seat or seating area or treated as a general-admission ticket holder. (Revised: 11/1/01 effective 8/1/02, 8/7/14)

16.2.1.3 Institution’s Home Events in Other Sports. [A] An institution may provide admission for each student-athlete to all of the institution’s regular-season home intercollegiate athletics events in sports other than that in which the
student-athlete is a participant, via a printed student-athlete pass or gate list. Proof of identity shall be required upon admission. [R] (Revised: 8/7/14)

16.2.1.3.1 Nonqualifier. [A] A nonqualifier (per Bylaw 14.02.13.3) may receive a complimentary admission to all of the institution’s regular-season home intercollegiate athletics events in the first academic year of residence. [R] (Revised: 1/3/06, 8/7/14)

16.2.1.3.2 Complimentary Admissions to an Institution’s Home Contest Honoring a Student-Athlete. [A] An institution may provide a maximum of four complimentary admissions to a student-athlete for an institution’s game or event during which a student-athlete is being honored but not participating, provided such complimentary admissions are used by the student-athlete’s family members. [R] (Adopted: 4/27/00 effective 8/1/00, Revised: 1/8/07 effective 8/1/07, 1/19/13 effective 8/1/13, 8/7/14)

16.2.1.4 Student-Athlete Postseason Ticket Purchases. [A] An institution may arrange for a student-athlete to purchase tickets at face value for a postseason athletics event in which his or her team (or the student-athlete as an individual) participates. [R] (Adopted: 1/15/16)

16.2.2 Nonpermissible Procedures. [A]

16.2.2.1 Sale of Complimentary Admissions. [A] A student-athlete may not receive payment from any source for his or her complimentary admissions and may not exchange or assign them for any item of value.

16.2.2.2 Payment to Third Party. [A] Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for the admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit. [R]

16.2.2.3 Student-Athlete Ticket Purchases. [A] An institution may not provide a special arrangement to sell a student-athlete ticket(s) to an athletics event, other than a postseason event as permitted in Bylaw 16.2.1.4. Tickets (other than for a postseason event) shall be available for purchase by student-athletes according to the same purchasing procedures used for other students. [R] (Revised: 8/7/14, 1/15/16)

16.2.2.4 Sale Above Face Value. [A] A student-athlete may not purchase tickets for an intercollegiate athletics event from the institution and then sell the tickets at a price greater than their face value. [R]

16.2.2.5 Professional Sports Tickets. [A] An institution or any representative of its athletics interests may not purchase or otherwise obtain tickets to a professional sports event and make these tickets available to student-athletes enrolled in an NCAA member institution. Such a gift of tickets would represent an unacceptable extra benefit. Professional sports tickets may be provided as entertainment in conjunction with practice or competition. [R] (Revised: 1/19/13 effective 8/1/13, 8/7/14)

16.3 Academic and Other Support Services. [A]

16.3.1 Mandatory. [A]

16.3.1.1 Academic Counseling/Support Services. [A] Member institutions shall make general academic counseling and tutoring services available to all student-athletes. Such counseling and tutoring services may be provided by the department of athletics or the institution’s nonathletics student support services. In addition, an institution, conference or the NCAA may finance other academic support, career counseling or personal development services that support the success of student-athletes. (Adopted: 1/10/91 effective 8/1/91, Revised: 4/25/02 effective 8/1/02, 5/9/06, 1/19/13 effective 8/1/13, 8/7/14)

16.3.1.2 Life Skills Programs. [A] An institution shall be required to conduct a life skills program on its campus. (Adopted: 4/27/00 effective 8/1/00, Revised: 10/7/10, 8/7/14)

16.3.2 Expenses Related to Legal and Other Proceedings. [A] An institution may provide actual and necessary expenses to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the student-athlete’s eligibility to participate in intercollegiate athletics or legal proceedings that result from the student-athlete’s involvement in athletics practice or competitive events. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests). [R] (Revised: 5/9/06, 8/7/14)

16.3.3 Expenses Related to Initial or Transfer-Eligibility Requirements. [A] An institution shall not provide academic expenses or services (e.g., tutoring, test preparation) to assist a prospective student-athlete or enrolled student-athlete in completing initial-eligibility or transfer-eligibility requirements or in improving his or her academic profile in conjunction with a waiver request. [R] (Adopted: 4/23/08, Revised: 8/7/14)

An institution or conference may provide actual and necessary expenses to a student-athlete, who has completed his or her third year (sixth semester or ninth quarter) of collegiate enrollment to attend a coaching and/or athletics administration career educational program (e.g., Women’s Basketball Coaches Association -- So You Want To Be A Coach, Black Women in Sports Foundation -- Next Step Program, U.S. Olympic and Paralympic Committee -- Minority/Women in Coaching Leadership). (Adopted: 4/28/05 effective 8/1/05, Revised: 1/14/08 effective 8/1/08, 8/7/14, 10/17/19)

16.11.1.10 Career Counseling and Internship/Job Placement Services. [A] A student-athlete may use career counseling and internship/job placement services available exclusively to student-athletes, provided the student-athlete is not placed in a position in which the student-athlete uses his or her athletics ability. (Adopted: 4/28/11)

16.11.2 Nonpermissible. [A]

16.11.2.1 General Rule. [A] The student-athlete shall not receive any extra benefit. The term "extra benefit" refers to any special arrangement by an institutional employee or representative of the institution’s athletics interests to provide the student-athlete or his or her family members or friends with a benefit not expressly authorized by NCAA legislation. [R] (Revised: 1/19/13 effective 8/1/13)

16.11.2.2 Other Prohibited Benefits. [A] An institutional employee or representative of the institution’s athletics interests may not provide a student-athlete with extra benefits or services, including, but not limited to: [R]
(a) A loan of money;
(b) A guarantee of bond;
(c) An automobile or the use of an automobile;
(d) Transportation (e.g., a ride home with a coach), except as permitted in Bylaw 16.9.1, even if the student-athlete reimburses the institution or the staff member for the appropriate amount of the gas or expense; or
(e) Signing or co-signing a note with an outside agency to arrange a loan.

16.11.2.3 Camp Concession. [A] It is not permissible for a member institution or a member of its athletics department staff conducting a sports camp to permit a student-athlete (enrolled in the institution) to operate, at the student-athlete’s own expense, a concession selling items related to or associated with the camp to campers or others in attendance (see also Bylaw 13.12.1.7.3.2). [R] (Revised: 8/7/14)

16.11.2.4 Items Received for Participation in Intercollegiate Athletics. [A] An item received for participation in intercollegiate athletics may not be sold or exchanged or assigned for another item of value. (Adopted: 4/15/14, Revised: 8/7/14)

16.12 Expense Waivers. [A]

16.12.1 Previously Approved Incidental Expenses. [A] Specific incidental expenses that have been previously approved by the Committee for Legislative Relief may be processed by an institution or conference. Documentation of each approval shall be kept on file at the conference office. (Adopted: 10/28/99, Revised: 11/1/07 effective 8/1/08, 8/21/12, 8/7/14, 10/4/17)

BYLAWS, ARTICLE 17

Playing and Practice Seasons

17.01 General Principles.

17.01.1 Institutional Limitations. A member institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figures 17-1 and 17-2).

17.01.2 Additional Playing and Practice Seasons Limitations. The Committee on Academics shall have the authority to determine the circumstances that would require an institution or team(s) that fails to satisfy the academic performance program to apply additional playing and practice seasons limitations. The committee shall establish and annually publish to the membership such circumstances (see Bylaw 14.8). (Adopted: 1/19/06 effective 8/1/07, Revised: 8/7/14)

17.02 Definitions and Applications.

17.02.1 Countable Athletically Related Activities. Countable athletically related activities include any required activity with an athletics purpose involving student-athletes and at the direction of, or supervised by, one or more of an institution’s coaching staff (including strength and conditioning coaches) and must be counted within the weekly and daily limitations under Bylaws 17.1.7.1 and 17.1.7.2. Administrative activities (e.g., academic meetings, compliance meetings) shall not be considered as countable athletically related activities. (Adopted: 1/10/91 effective 8/1/91, Revised: 10/31/02 effective 8/1/03)

17.02.2 Contest. A contest is any game, match, exhibition, scrimmage or joint practice session with another institution’s team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. (Revised: 1/10/91)

17.02.3 Contest, Countable, Institutional. A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. Contests, including scrimmages, by separate squads of the same team against different outside teams shall each count as one contest.

17.02.4 Contest, Countable, Individual Student-Athlete. A countable contest for an individual student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

17.02.5 Date of Competition. A date of competition is a single date on which any game(s), match(es), meet(s), exhibition(s), scrimmage(s) or joint practice session(s) with another institution’s team takes place, regardless of its formality, between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. (Revised: 1/10/91)

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution’s team in a sport engages in competition in that sport against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports and women’s rowing, an institution shall be considered to have participated in competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis). (See Bylaw 20.9.6.3 for listings of minimum numbers of student-athletes per sport.)

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for an individual student-athlete is any date on which a student-athlete competes while representing the institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (Revised: 1/10/91, 1/16/93, 1/11/94, 1/10/95)
(a) Represents the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution’s team) or whether the student is enrolled in a minimum full-time program of studies;

(b) Competes in the uniform of the institution, or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) received from the institution that includes institutional identification; or

(c) Competes and receives expenses (e.g., transportation, meals, room or entry fees) from the institution for the competition.

17.02.8.1 Exempted Events. Participation in events listed in Bylaw 16.8.1.2 is exempted from the application of this legislation. (Revised: 1/10/92)

17.02.8.2 Participation on an Institution’s Club Team. Participation on a collegiate institution’s club team is exempted from the application of this legislation, provided the institution did not sponsor the sport on the varsity intercollegiate level at the time of participation. (Adopted: 6/24/09)

17.02.9 National Team. A national team is one selected, organized and sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic or non-Paralympic sport, the equivalent organization of that sport). The selection for such a team shall be made on a national qualification basis, either through a defined selective process or by actual tryouts, publicly announced in advance. In addition, the international competition in question shall require that the entrants officially represent their respective nations, although it is not necessary to require team scoring by nation. (Revised: 7/31/14, 10/17/19, 1/22/20)

17.02.10 Organized Competition. Athletics competition shall be considered organized if any of the following conditions exist: (Revised: 4/29/10, 7/31/14)

(a) Competition is scheduled and publicized in advance;

(b) Official score is kept;

(c) Individual or team standings are maintained;

(d) Official timer or game officials are used;

(e) Admission is charged;

(f) Teams are regularly formed or team rosters are predetermined;

(g) Team uniforms are used;

(h) A team is privately or commercially sponsored; or

(i) The competition is either directly or indirectly sponsored, promoted or administered by an individual, an organization or any other agency.

17.02.11 Outside Competition. Outside competition is athletics competition against any other athletics team (including an alumni team) that does not represent the intercollegiate athletics program of the same institution.

17.02.12 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the member institution or a team that includes individuals other than eligible student-athletes of the member institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.13 Practice Units. In determining the first permissible preseason practice date, an institution shall count back from its first scheduled contest, one unit for each day beginning with the opening of classes, one unit for each day classes are not in session in the week of the first scheduled intercollegiate contest and two units for each other day in the preseason practice period, except that the institution shall not count any units during the preseason when all institutional dormitories are closed, the institution’s team must leave campus, and practice is not conducted. (Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/92, 4/14/03)

17.02.13.1 Sunday. Sundays are excluded from the counting. (Adopted: 1/10/91 effective 8/1/91)

17.02.13.2 Week. The "week" of the first scheduled intercollegiate contest is defined as the six days, excluding Sunday, preceding the date of competition (even if one or more of the days fall into different traditional calendar weeks). (Adopted: 1/10/91 effective 8/1/91)

17.02.13.3 Opening Day of Classes. The "opening day of classes" is defined as the first day of classes as listed in the member institution’s official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. (Adopted: 1/10/91 effective 8/1/91)
17.02.13.4 First Day of Practice. The first day of practice may be conducted on the day when the last practice unit occurs, which is determined by counting backward from the day of the first permissible regularly scheduled contest. For example, in soccer, practice may be held on the day that the 21st practice unit actually occurs, counting backward from the day of the first permissible regularly scheduled contest. *(Adopted: 12/10/97, Revised: 4/14/03, 3/16/15)*

17.02.14 Required Athletically Related Activities. [A] Required athletically related activities include any activities, including those that are countable in the daily and weekly limitations, that are required of a student-athlete. Such activities include, but are not limited to, the following: *(Adopted: 11/20/17 effective 8/1/17)*

(a) Compliance meetings;
(b) Organized team promotional activities;
(c) Recruiting activities, including student-host duties;
(d) Media activities;
(e) Fundraising events;
(f) Community service events;
(g) Team-building activities; and
(h) Travel to and from away-from-home competition.

17.02.15 Student-Athlete Discretionary Time. [FBS/FCS] Student-athlete discretionary time is time during which a student-athlete may only participate in athletics activities at his or her discretion. There shall be no required workouts and institutions are not permitted to recommend that student-athletes engage in weight-training or conditioning activities; however, if the student-athlete opts to work out, the strength and conditioning coach may monitor the facility in use for health and safety purposes. *(Adopted: 4/24/03 effective 5/1/03)*

17.02.16 Tournament -- Sports Other Than Basketball. In sports other than basketball, for purposes of maximum contest or date of competition limitations, a tournament is an event that culminates in the determination of a winner. A tournament may be conducted in round-robin, pool play or bracket formats. *(Adopted: 9/18/07)*

17.02.17 Tryouts -- Enrolled Students. A tryout of an enrolled student may occur, provided the student is eligible for practice and the tryout only involves activities that are permissible at the time they occur (e.g., practice in season, skill-related instruction or conditioning outside the season). *(Adopted: 8/21/13)*

17.02.18 Varsity Intercollegiate Sport. A varsity intercollegiate sport is a sport that has been accorded that status by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: *(Revised: 3/8/06)*

(a) It is a sport that is administered by the department of intercollegiate athletics;
(b) It is a sport for which the eligibility of the student-athletes is reviewed and certified by a staff member designated by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy; and
(c) It is a sport in which qualified participants receive the institution’s official varsity awards.

17.02.18.1 Team Sports. [#] The following are classified as team sports for purposes of this bylaw: *(Revised: 4/23/03, 1/17/09 effective 8/1/09, 4/30/09 effective 8/1/11, 7/31/15)*

17.02.19 Voluntary Athletically Related Activities. In order for any athletically related activity to be considered "voluntary," all of the following conditions must be met: (Adopted: 4/18/01, Revised: 4/29/04 effective 8/1/04)

(a) The student-athlete must not be required to report back to a coach or other athletics department staff member (e.g., strength coach, trainer, manager) any information related to the activity. In addition, no athletics department staff member who observes the activity (e.g., trainer, manager) may report back to the student-athlete’s coach any information related to the activity;

(b) The activity must be initiated and requested solely by the student-athlete. Neither the institution nor any athletics department staff member may require the student-athlete to participate in the activity at any time. However, it is permissible for an athletics department staff member to provide information to student-athletes related to available opportunities for participating in voluntary activities (e.g., times when the strength and conditioning coach will be on duty in the weight room or on the track). In addition, for students who have initiated a request to engage in voluntary activities, the institution or an athletics department staff member may assign specific times for student-athletes to use institutional facilities for such purposes and inform the student-athletes of the time in advance;

(c) The student-athlete’s attendance and participation in the activity (or lack thereof) may not be recorded for the purposes of reporting such information to coaching staff members or other student-athletes; and

(d) The student-athlete may not be subjected to penalty if he or she elects not to participate in the activity. In addition, neither the institution nor any athletics department staff member may provide recognition or incentives (e.g., awards) to a student-athlete based on his or her attendance or performance in the activity.

[Note: Coaching staff members may be present during permissible skill-related instruction pursuant to Bylaw 17.1.7.2.3 and conditioning activities pursuant to Bylaw 17.1.7.2.4.]

17.02.20 Walk-Through -- Football. In football, a walk-through is a countable athletically related activity dedicated to reviewing plays and formations. During a walk-through, it is permissible for student-athletes to simulate positioning and offensive and defensive alignments, provided no conditioning or contact activities occur. Further, it is not permissible for student-athletes to wear any protective equipment (e.g., helmet, shoulder pads) or use any equipment related to the sport (e.g., football, blocking sleds). However, during the preseason practice period, footballs may be used. (Adopted: 4/26/17, Revised: 1/23/19)

17.1 General Playing-Season Regulations.

17.1.1 Playing Season. The playing (practice and competition) season for a particular sport is the period of time between the date of an institution’s first officially recognized practice session and the date of the institution’s last practice session or date of competition, whichever occurs later. An institution is permitted to conduct officially recognized practice and competition each academic year only during the playing season as regulated for each sport in accordance with the provisions of this bylaw. The institution must conduct the same playing season for varsity and subvarsity teams in the same sport. (Revised: 1/10/92)

17.1.1.1 Playing Season -- Athletically Related Activities. The playing (practice and competition) season for a particular sport is the only time within which an institution is permitted to conduct countable athletically related activities (see Bylaw 17.02.1) except as set forth in Bylaws 17.1.7.2 and 17.10.6. However, a coaching staff member may engage in coaching activities with a student-athlete during the student-athlete’s participation in events listed in Bylaw 16.8.1.2. (Revised: 4/28/05 effective 8/1/05, 9/29/15)

17.1.2 Segments of Playing Season. For all sports other than football, basketball, cross country, and track and field, an institution may divide the playing season into not more than two distinct segments. (Revised: 1/10/91 effective 8/1/91, 1/14/97 effective 8/1/97, 4/25/18 effective 8/1/18)

17.1.2.1 Exception -- Severe Inclement Weather. An institution may temporarily discontinue a segment due to severe inclement weather (e.g., hurricane, snowstorm), and restart the discontinued segment provided the permissible overall length of that segment is not exceeded. An institution that uses this exception is required to annually submit a detailed summary to the NCAA national office by July 31. (Adopted: 4/28/05)

17.1.3 Declaration of Playing Season. An institution shall determine its playing season for the sports referenced under Bylaw 17.02.18 pursuant to the regulations of this article. (Revised: 1/11/89, 1/23/19)

17.1.4 Sports Subject to Segment Limitations. Playing-season-segment limitations are applicable to all team sports that are listed in Bylaw 17.02.18.1 and all individual sports listed in Bylaw 17.02.18.2. (Revised: 1/10/91 effective 8/1/91, 1/16/93 effective 8/1/93)

17.1.5 Mandatory Medical Examination. [#] Prior to participation in any practice, competition or out-of-season conditioning activities (or in Division I, permissible voluntary summer conditioning or individual workouts, or permissible required summer athletic activities in basketball and football), student-athletes who are beginning their initial season of
eligibility and students who are trying out for a team shall be required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). A nurse practitioner whose state medical licensure allows for health care practice independent of physician supervision may complete the medical examination without supervision by a physician. The examination or evaluation must be administered within six months prior to participation in any practice, competition or out-of-season conditioning activities. In following years, an updated history of the student-athlete’s medical condition shall be administered by an institutional medical staff member (e.g., sports medicine staff, team physician) to determine if additional examinations (e.g., physical, cardiovascular, neurological) are required. The updated history must be administered within six months prior to the student-athlete’s participation in any practice, competition or out-of-season conditioning activities for the applicable academic year. (Adopted: 1/8/07 effective 5/1/07, Revised: 8/5/08, 6/5/15, 10/29/15)

**17.1.5.1 Sickle Cell Solubility Test.** The examination or evaluation of student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall include a sickle cell solubility test, unless documented results of a prior test are provided to the institution or the prospective student-athlete or student-athlete declines the test and signs a written release. (Adopted: 4/29/10 effective 8/1/10, Revised: 5/3/10)

**17.1.6 Sports-Safety Certified Staff Member Presence During Countable, Physical Activities.** An institutional staff member with current certification in first aid, cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) use must be present any time a student-athlete participates in a physical, countable athletically related activity. (Adopted: 4/24/14 effective 8/1/14)

**17.1.7 Time Limits for Athletically Related Activities.** In all sports, the following time limitations shall apply: (Adopted: 1/10/91 effective 8/1/91)

**17.1.7.1 Daily and Weekly Hour Limitations -- Playing Season.** A student-athlete’s participation in countable athletically related activities (see Bylaw 17.02.1) shall be limited to a maximum of four hours per day and 20 hours per week. (Adopted: 1/10/91 effective 8/1/91)

**17.1.7.1.1 Exception -- Elite Athlete Training.** A student-athlete who has been designated by the U.S. Olympic and Paralympic Committee and the sport-affiliated national governing body (or the international equivalent) as an elite athlete may participate in an individual workout session conducted by a coaching staff member without such activity being considered a countable athletically related activity, provided the workout is initiated by the student-athlete and he or she does not miss class. (Adopted: 1/23/20)

**17.1.7.1.2 Exception -- Golf Practice Round.** A practice round of golf may exceed the four-hours-per-day limitation, but the weekly limit of 20 hours shall remain in effect. Other countable athletically related activities may occur on the same day as a practice round, provided the total countable athletically related activities that occur on that day do not exceed five hours. A practice round played on the day prior to the start of an intercollegiate golf tournament at the tournament site shall count as three hours, regardless of the actual duration of the round. (Adopted: 1/10/91 effective 8/1/91, Revised: 1/16/93, 5/1/19 effective 8/1/19)

[FBS]** In bowl subdivision football, an institution must establish an academic orientation period for those student-athletes who are beginning their initial seasons of eligibility for football practice at the institution. (a) An institution may conduct the required academic orientation period any time prior to or during the five-day acclimatization period for student-athletes enrolled in summer classes or participating in summer conditioning activities before the student-athlete’s first season of eligibility in football at the certifying institution;

(b) An institution may establish an academic orientation day on the day before the start of the five-day acclimatization period. On the day designated for the sole purpose of academic orientation, student-athletes may engage only in academic-related activities, which may include compliance-related activities (e.g., reviewing NCAA eligibility requirements, signing the Student-Athlete Statement and Drug-Testing Consent Form). An institution may conduct medical examinations, issue equipment and take individual photographs of participating student-athletes after the evening meal on the academic orientation day;

(c) An institution may conduct the academic orientation period during the five-day acclimatization period. The orientation activities may be conducted on more than one day during the five-day period but must be conducted for the equivalent of one day (not fewer than six hours); or

**17.10.2.4 Five-Day Acclimatization Period.** In football, preseason practice shall begin with a five-day acclimatization period for both first-time participants (e.g., freshmen and transfers) and continuing student-athletes. All student-athletes, including walk-ons who arrive to preseason practice after the first day of practice or who begin practice at any other point in the playing season, are required to undergo a five-day acclimatization period. The five-day acclimatization period shall be conducted as follows: *(Adopted: 4/24/03 effective 5/1/03, Revised: 4/28/05 effective 8/11/05, 7/18/05, 12/13/05, 4/27/06, 12/15/06, 1/4/08, 4/28/16 effective 8/1/16, 4/26/17, 1/18/18, 6/11/18, 1/23/19)*
(a) An institution may not conduct administrative activities (e.g., team pictures, etc.) other than those permitted prior to or on the academic orientation day (e.g., compliance-related activities, medical examinations, individual photographs) prior to the first permissible date of practice. (b) During the five-day period, participants shall not engage in more than one on-field practice per day, not to exceed three hours in length.

During this time, student-athletes may not attend any meetings or engage in other athletically related activities (e.g., weight lifting); however, time spent receiving medical treatment and eating meals may be included as part of the recovery time. If an institution conducts only a walk-through on a particular day during the acclimatization period, that day does not count toward the required five days of acclimatization, but the walk-through counts toward the limit of 25 on-field practices in the preseason practice period.

(c) First-time participants and continuing students shall not be required to practice separately.

(d) During the first two days of the acclimatization period, helmets shall be the only piece of protective equipment student-athletes may wear. (a) After the five-day period, an institution may practice in full pads. However, an institution may not conduct multiple on-field practice sessions on the same day;

(b) Student-athletes shall not engage in more than three hours of on-field practice activities per day; and

(c) Student-athletes must be provided with at least three continuous hours of recovery time between an on-field practice session and a walk-through. During this time, student-athletes may not engage in physical athletically related activities (e.g., weight lifting). Time spent in team meetings, film review, receiving medical treatment and eating meals may be included as part of the recovery time.

17.10.5.1 Exception -- "Walk-Throughs." [FBS/FCS] During the preseason practice period after the five-day acclimatization period, a walk-through is not considered an on-field activity for purposes of the limit on the number of hours of on-field practice activities. If a walk-through is conducted on a day in which no other on-field activities occur, the walk-through must be included in the limit of 25 on-field practices in the preseason practice period. In championship subdivision football, on-field walk-throughs shall not exceed a total of two hours per day. Footballs may be used during walk-throughs in the preseason practice period. This includes time while the student is officially withdrawn from college, fulfilling a residence requirement after transfer to another college, awaiting transfer or enrolled in a nonmember collegiate institution.

17.31.2.2.1 Exception -- 4-2-4 Transfer Participating in June Intercollegiate Event. Outside competition legislation does not apply to a 4-2-4 transfer prospective student-athlete who participates in a June intercollegiate event (see Bylaw 13.1.7.5.3). (Adopted: 1/22/20)

17.31.2.3 Nonrecruited, Nonparticipant. Participation by a student-athlete in organized basketball competition while enrolled in a member institution and having participated in a sport other than basketball would not jeopardize the student’s eligibility in basketball if the individual had not been recruited in basketball and had not participated on or been a candidate for the institution’s intercollegiate basketball team.

17.31.3 Exceptions -- All Sports. The following exceptions to the outside-competition regulations are permitted: (Revised: 1/14/97 effective 8/1/97, 8/9/01, 7/20/10, 1/14/12, 1/23/19, 10/17/19, 1/22/20)

(a) High School or Two-Year College All-Star Contests. A student-athlete may compete in a high school or two-year college all-star contest during the summer prior to initial full-time enrollment in a regular term at the institution.

(b) High School Alumni Game. A student-athlete may compete in one game a year involving participants from the student-athlete’s former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution’s academic year.
(c) **Olympic or Paralympic Games.** A student-athlete may participate in the official Olympic or Paralympic Games, in final tryouts that directly qualify competitors for the Olympic or Paralympic Games, and in officially recognized competition directly qualifying participants for final Olympic or Paralympic Games tryouts.

(d) **Official Pan American or Parapan American Games Tryouts and Competition.** A student-athlete may participate in official Pan American or Parapan American Games tryouts and competition.

(e) **U.S. National Teams.** A student-athlete may participate in official tryouts and competition involving national teams and junior national teams sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for the student-athletes representing another nation, the equivalent organization of that nation or, for student-athletes competing in a non-Olympic or non-Paralympic sport, the equivalent organization of that sport).

(f) **Official World Championships, World University Games (Universiade), World University Championships and World Cup Tryouts and Competition.** A student-athlete may participate in official World Championships, World University Games (Universiade), World University Championships and World Cup tryouts and competition.

(g) **Multisport Events.** A student-athlete may participate in officially recognized state and national multisport events.

### 17.31.3.1 National-Team Criteria.** (Revised: 7/30/10, 4/12/13, 10/17/19, 1/22/20)

- (a) It is designated by the U.S. Olympic and Paralympic Committee, national governing body or other organization recognized by the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic or non-Paralympic sport, the equivalent organization in that sport);
- (b) Selection for such a team is made on a national qualification basis either through a defined selective process or actual tryouts, publicly announced; and
- (c) The international competition in question requires that the entries officially represent their respective nations, although it is not necessary to require team scoring by nation.

### 17.31.4 Exceptions -- Basketball.** (Revised: 1/11/94, 1/14/97 effective 8/1/97, 10/28/99 effective 8/1/00, 2/24/03, 4/14/03, Adopted: 4/24/03, 7/30/10, 1/19/13 effective 8/1/13)

- (a) **Summer League.** A student-athlete may compete during the period between June 15 and August 31 or the institution’s opening day of classes (see Bylaw 17.02.13.3), whichever comes earlier, on a team in a league certified per Bylaw 17.31.4.1, provided the student-athlete has received written permission from the institution’s athletics director (or the director’s official representative) prior to participation in the league. If the student-athlete is transferring and has been officially accepted for enrollment in a second institution, and if the previous institution certifies that the student has withdrawn and does not intend to return to that institution for the next term, this written permission is to be obtained from the member institution to which the student-athlete is transferring. Under such circumstances, the student-athlete does not count on the summer-league roster as a representative of either institution unless he or she has enrolled and attended classes during the certifying institution’s summer term.

- (b) **Puerto Rico Superior Basketball League.** A student-athlete who is a resident of Puerto Rico may participate in the Superior Basketball League of Puerto Rico (see Bylaw 12.02.12).

- (c) **United States vs. U.S. National Teams.** A student-athlete may participate in the United States against U.S. national teams.

- (d) **Outside-Team Tours.** A student-athlete may participate in an outside team summer foreign basketball tour (see Bylaw 17.29.2).

- (e) **Basketball Draft Combine.** A student-athlete using the draft exception set forth in Bylaw 12.2.4.2.1 may participate in a draft combine sponsored by a professional sports organization (during the summer or academic year), provided the student-athlete has received written permission from the institution’s director of athletics.

### 17.31.4.1 Summer Basketball Leagues.** In order for a summer basketball league to be certified, a certification application form must be submitted each year to the NCAA national office. To be certified, the following criteria must be met by each league: (Revised: 10/18/89, 1/10/91, 8/2/91, 8/6/93, 1/11/94, 4/20/99, 4/27/00, 11/1/01, 1/13/03, 4/14/03, 4/29/04, 11/1/07, 10/30/08, 2/11/10, 7/30/10, 10/29/15)

- (a) **All-Star Games Prohibition.** No all-star game of any kind shall be permitted;
(b) **Geographical Limitation.** League play shall be within 100 air miles of the city limits of the student-athlete’s official residence at the end of the previous academic year or the institution the student-athlete last attended as a regular student. If a league does not exist within 100 air miles of the student-athlete’s residence, a student-athlete may participate in the summer league located closest to the student’s official residence;

(c) **Payment Prohibition.** No member team shall make any payments for play or expenses directly or indirectly to any player;

(d) **Postseason Competition.** Postseason play-offs or tournaments shall be permitted, provided they involve intraleague competition and are completed by August 31;

(e) **Player Limitations.**

1. **Number From Any One College.** Each team shall include on its roster not more than two players with intercollegiate basketball eligibility remaining from any two-year or four-year college (other than a Division II or Division III member institution);

2. **Replacement of Student-Athlete Who Withdraws.** A student-athlete who is listed on the roster of a team and withdraws or is injured and will not continue to practice or compete may be replaced for the remainder of the season by another basketball student-athlete from the same institution. The institution is permitted only one replacement per team; and

3. **One Team, One League.** All Division I student-athletes must limit their competition to one team in one league;

(f) **Revenue.** No admission shall be charged for any game, no fee shall be charged for parking to attend any game, no revenue shall be realized at any game from raffles or similar activities, and no revenue shall be realized from over-the-air or cable television or radio rights fees for any game;

(g) **Staff Limitations.**

1. Neither the league nor any member team shall have on its staff or as a participant any person associated in any employment capacity with any two-year or four-year college, except that institutional employees who are not athletics department staff members and do not have responsibilities directly related to the athletics department may serve as game officials.

2. Neither the league nor any member team shall have on its staff or as a participant any individual who has been found guilty or pleaded guilty in a court of law for having been involved in sports bribery, point shaving or game fixing;

(h) **Venue.** A certified league shall not be associated in any way with a venue or other entity that is associated in any way with wagering on intercollegiate athletics;

(i) **Involvement of Agents.** No individual or agency involved in the marketing of any individual’s athletics reputation or ability (including an employee of an agent or anyone associated with an agent in his or her capacity of marketing any individual’s athletics reputation or ability) shall be associated in any capacity with the league (or any team participating in the league);

(j) **Awards.** League participants may receive an award, provided the cost of the award is included in the participant’s entry fee;

(k) **Accident Medical Insurance.** The league operator must provide proof of accident medical insurance coverage for league participants; and

(l) **Approval of League Operator or Manager.** Individuals involved in operating or managing a league must be approved in accordance with guidelines established by the NCAA basketball certification staff.

**17.31.5 Collegiate All-Star Contests.** A student-athlete who competes as a member of a squad in any college all-star football or basketball contest shall be denied further intercollegiate eligibility in that sport.

Championships and Postseason Football

18.01 General Principles.

18.01.1 Purpose of NCAA Championships. NCAA championships are intended to provide national-level competition among the best eligible student-athletes and teams of member institutions, with consideration also for approved regional structures for certain championships.

18.01.2 Postseason Competition Not Sponsored by a Collegiate Entity. Competition by member institutions in postseason contests that are not sponsored, promoted, managed and controlled by a collegiate entity shall conform to the requirements set forth in this article and all other applicable legislation of the Association, which may include penalties for violations of these requirements by sponsoring agencies.

18.02 Definitions and Applications.

18.02.1 Championships.

18.02.1.1 National Collegiate Championship. A national collegiate championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes and teams of active member institutions to determine the NCAA champion in that sport for all divisions that do not have a separate division championship in that sport. A national collegiate championship is established or continued in accordance with the criteria set forth in Bylaws 18.2.3 and 18.2.4.

18.02.1.2 Division Championship. A division championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes or teams of active member institutions to determine the division champion in that sport. A division championship is established or continued in accordance with the criteria set forth in Bylaws 18.2.3 and 18.2.4.

18.02.2 Mixed Team. A mixed team is a varsity intercollegiate sports team on which at least one individual of each gender competes (see Bylaw 18.2.8.3). (Revised: 1/11/94)

18.02.3 Open Date. An open date is a regular weekend playing date prior to the end of an institution’s regular football schedule on which an institution is not playing a game, or a date approved by the Council, by a two-thirds majority of its members present and voting, to enable an institution to assist financially in meeting an unforeseen hardship situation resulting directly from the institution’s intercollegiate athletics activities. (Revised: 11/1/07 effective 8/1/08, 8/7/14)

18.02.4 Postseason Football Bowl Game. [FBS/FCS] A postseason football bowl game is a football contest conducted after the regular football season and involving two teams selected because of their regular-season performance (e.g., won-lost record, conference championship). Participation in such events by member institutions is limited to those bowl games that meet the requirements of Bylaw 18.7 and the NCAA postseason football handbook. (Revised: 2/1/05, 7/30/10, 10/28/11 effective 4/1/12)

18.02.5 Significant Other. A significant other is a spouse, fiancé or fiancée, domestic partner, or any individual whose relationship to an identified individual (e.g., prospective student-athlete, coach, student-athlete) is the practical equivalent of a spouse. (Adopted: 4/25/18)

18.1 Regulations and Authority for Conduct of Championships. All NCAA championships shall be conducted in accordance with this bylaw and the policies and procedures established by the applicable sport oversight committee or the Competition Oversight Committee, which shall establish and revise the policies and procedures governing the administration of NCAA championships, including selection processes, formats and distribution of revenues to participating institutions. NCAA championships shall be under the control, direction and supervision of the appropriate sports committees, subject to the requirements, standards and conditions prescribed in Bylaw 31. (Revised: 1/10/91, 8/9/07, 11/1/07 effective 8/1/08, 8/7/14, 10/30/14, 10/4/17)

18.2 Criteria for Establishment or Continuation of Championships. The establishment or continuation of an NCAA championship in a given sport shall be determined on the basis of the requirements in the following bylaws, with sponsorship of a sport based on the Association’s records as of September 30 each year.

18.2.1 National Collegiate Championship. A National Collegiate Championship for which any active member in good standing is eligible (per Bylaw 20.8) may be established by action of all three divisions acting through each division’s governance.
structure, subject to the requirements, standards and conditions regarding the required number of members sponsoring the sport as prescribed in this bylaw. (Revised: 1/14/97 effective 8/1/97)

18.2.2 Division Championship. A Division I championship in a particular sport may be established by a majority vote of the Board of Directors subject to the requirements, standards and conditions regarding the required number of members sponsoring the sport as prescribed in this bylaw. (Revised: 1/9/96 effective 8/1/97)

18.4.2.3 Academic Performance Program. The Committee on Academics shall have the authority to determine the circumstances that require an institution or team that fails to satisfy the academic performance program to be ineligible for postseason competition, including, but not limited to, NCAA championships and bowl games. (Adopted: 4/29/04 effective 8/1/04, Revised: 1/8/07 effective 8/1/07, 10/27/11 for penalties assessed for the 2012-13 academic year and beyond, 8/7/14)

In sports in which the Association maintains rules committees, the rules adopted by said committees shall govern the conduct of all NCAA-sponsored events in those sports. In those sports in which the Association does not maintain rules committees, the rules to be used are specified in Bylaw 31.1.6.

18.7 Postseason Football. [FBS/FCS]

18.7.1 Permissible Football Games. [FBS/FCS] The only football games in which a member institution may compete are: (Revised: 2/1/05, 12/15/06, 10/28/11 effective 4/1/12, Adopted: 8/2/12 effective 8/1/14)

(a) Games scheduled as to the identity of a participating college before the beginning of the regular football season of the institution for any academic year, including not only games for which the identity of one participating college is known, but also one for which the institution’s opponent is not known at the time of scheduling;
(b) Any football game scheduled between two colleges [which is to be played on a common and regular open date (as defined in Bylaw 18.02.3) of their regular football seasons, on the campus or in the regular playing stadium of either team], even if it is scheduled after the beginning of either participant’s football season;

c) Games that are part of the NCAA championship;

d) Games that are part of the National Association of Intercollegiate Athletics football championships;

e) A conference championship game on an open date during the traditional fall season, provided the game is played (as opposed to scheduled) the week prior to the first round of an NCAA football championship date and provided the game is listed on the schedules of all conference members; and

(f) Postseason bowl games that meet all requirements and conditions set forth in Bylaw 18.7.2 and the NCAA postseason football handbook; and

(g) One postseason game between the winners of two exempted postseason bowl games per Bylaw 17.10.5.2.1-(d). The participants in the two postseason bowl games shall be selected by Football Bowl Subdivision conferences and independent institutions.

18.7.2 Postseason Bowl Games. [FBS/FCS] The conditions and requirements that must be met in order for an institution to participate in a postseason bowl game are set forth in the NCAA postseason football handbook. (Revised: 1/10/92, 2/1/05, 12/15/06, 7/30/10, 4/28/11, 10/27/11 effective 4/1/12)

18.7.2.1 Contest Status. [FBS] A contest shall serve the purpose of providing a national contest between deserving teams. A "deserving team" shall be defined as one that has won a number of games against Football Bowl Subdivision opponents that is equal to or greater than the number of its overall losses. Tie games do not count in determining a team’s won-lost record. Further, if forfeiture of a regular-season football victory is required by the Committee on Infractions, Independent Resolution Panel or a conference, or is self-imposed by an institution as a result of a violation of NCAA rules, neither of the competing institutions may count that contest in satisfying the definition of a "deserving team." (Revised: 10/18/89, 10/12/93, 4/20/99, 12/15/06, 4/29/10 effective 8/1/10, 7/30/10, 10/27/11 effective 4/1/12, 8/8/18 effective 8/1/19, 12/20/18)

18.7.2.1.1 Exception -- Football Championship Subdivision Opponent. [FBS] Each year, a Football Bowl Subdivision institution may count one victory against a Football Championship Subdivision opponent toward meeting the definition of a "deserving team," provided the opponent has averaged 90 percent of the permissible maximum number of grants-in-aid per year in football during a rolling two-year period. (Adopted: 10/28/97 effective 8/1/98, Revised: 4/28/05, 12/15/06, 4/29/10 effective 8/1/10, 7/30/10)

18.7.2.1.2 Exception -- Deserving Team That Loses Conference Championship Game. [FBS] An institution that finishes its regular season having met the definition of a "deserving team" but loses its conference championship game shall continue to be considered a deserving team. (Adopted: 5/2/13)

18.7.2.1.3 Exception -- Insufficient Number of Eligible Institutions. [FBS] For a period of four years beginning August 1, 2016, if an insufficient number of institutions meet the definition of a "deserving team" pursuant to Bylaw 18.7.2.1 to participate in postseason bowl games in a particular year, an institution that meets a condition set forth below shall be eligible to participate as an alternate in such a bowl game. All deserving teams must be selected before an alternate may be selected. The terms of participation in the bowl game shall be the same for the alternate as the terms that were applicable to the originally contracted conference participant. All institutions that meet the first condition below must be selected before an institution that meets the second condition may be selected and so forth in descending order: (Adopted: 8/2/12, Revised: 5/2/13, 8/4/16 effective 8/1/16, 12/1/16)

(a) An institution that would have met the exception in Bylaw 18.7.2.1.1 but for the fact that one victory was against a Football Championship Subdivision opponent that had not averaged 90 percent of the permissible maximum number of grants-in-aid per year in football during a rolling two-year period and the institution’s waiver request, per Bylaw 18.7.2.1.1.1, was denied.

(b) An institution that participated in 13 regular-season contests and finished the season with a record of six wins that count toward meeting the definition of a "deserving team" and seven losses.

(c) An institution that is in its final year of reclassification from the Football Championship Subdivision to the Football Bowl Subdivision and meets the definition of a "deserving team" pursuant to Bylaw 18.7.2.1 or the exception in Bylaw 18.7.2.1.1.

(d) An institution that finished its season with a minimum of five wins that count toward meeting the definition of a "deserving team" and a maximum of seven losses but achieved a multiyear Academic Progress Rate that permits postseason participation. Alternates identified pursuant to this condition shall be identified as eligible in...
descending order based on the institutions’ multiyear Academic Progress Rates. In the event that multiple institutions achieved the same multiyear rate, the institution with the highest single-year Academic Progress Rate, beginning with the most recent reporting year and continuing until a higher rate is found, shall be identified as eligible first. An institution that is identified as an alternate must declare whether it will participate in a bowl game. An alternate institution that declares an intention to participate shall select an available bowl game in which to participate.

18.7.2.2 Participation Restrictions. [FBS] The competing institutions shall be active members of this Association, and a member institution shall not participate in more than one such game during any academic year, except as permitted in Bylaw 18.7.1-(g). (Revised: 7/30/10, 8/2/12 effective 8/1/14)

18.7.2.3 Waivers. [FBS] The Division I Football Oversight Committee, or its designated committee, shall have the authority to waive all postseason bowl game requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The Football Oversight Committee shall establish the process for granting such waivers. (Adopted: 10/4/17 effective 8/1/18)

18.7.3 Written Report -- Championship Subdivision Football. [FCS] The director of athletics of an institution that participates in a postseason championship football game or bowl game that is exempt from the maximum number of football contests per Bylaw 17.10.5.1, except for the Division I Football Championship, shall submit to the Football Oversight Committee a written report on the conduct and administration of the event, with special emphasis on game management. The report shall be submitted by the following March 1 on a form approved by the Football Oversight Committee. (Revised: 7/30/10, 8/7/14, 10/4/17)

18.7.4 Eligibility Rules. [FBS/FCS] The eligibility rules governing individual participation and drug usage shall be as demanding for participants in postseason bowl games as those governing participation in NCAA championships. To attest to the eligibility of its student-athletes (in conformity with this paragraph), each institution selected or qualified for a postseason game shall meet the certification-of-eligibility requirements set forth in Bylaw 12.10. (Revised: 1/10/95, 7/30/10)

18.7.4.1 Institutional Eligibility. [FBS/FCS] The competing institutions shall be active members of the Association, and members shall conduct their intercollegiate athletics programs in conformance with the requirements for institutional eligibility set forth in Bylaw 18.4.2.2-(a).

18.7.5 Expenses for Significant Others/Children. A competing institution may include the significant others and children of student-athletes on the traveling squad as part of its official party to attend a postseason football game and may pay their necessary travel, lodging and meal costs (see Bylaw 16.6.1.1). (Revised: 2/1/05, 10/27/11 effective 4/1/12, 4/25/18)
BYLAWS, ARTICLE 19

Infractions Program.

19.01 General Principles.

19.01.1 Mission of the Infractions Program. It is the mission of the NCAA infractions program to uphold integrity and fair play among the NCAA membership, and to prescribe appropriate and fair penalties if violations occur. One of the fundamental principles of the infractions program is to ensure that those institutions and student-athletes abiding by the NCAA constitution and bylaws are not disadvantaged by their commitment to compliance. The program is committed to the fairness of procedures and the timely resolution of infractions cases. The ability to investigate allegations and penalize infractions is critical to the common interests of the Association’s membership and the preservation of its enduring values. (Adopted: 1/11/94, Revised: 10/30/12 effective 8/1/13, 7/31/14)

19.01.2 Accountability. The infractions program shall hold institutions, coaches, administrators and student-athletes who violate the NCAA constitution and bylaws accountable for their conduct, both at the individual and institutional levels. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.01.3 Public Disclosure. Except as provided in this article, the Committee on Infractions, Infractions Appeals Committee, Independent Resolution Panel, enforcement staff and Complex Case Unit shall not make public disclosures about a pending case until the case has been announced in accordance with prescribed procedures. An institution and any individual subject to the NCAA constitution and bylaws involved in a case, including any representative or counsel, shall not make public disclosures about the case until a final decision has been announced in accordance with prescribed procedures. (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

19.01.4 Penalty Structure. The infractions program shall address the varying levels of infractions and, for the most serious infractions, include guidelines for a range of penalties, which the Committee on Infractions, subject to review by the Infractions Appeals Committee, or the Independent Resolution Panel may prescribe. Penalties shall depend on the relative severity of the infraction(s), the presence of aggravating or mitigating factors and, in some cases, the existence of extenuating circumstances. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 1/23/19 effective 8/1/19)

19.01.5 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen.

19.02 Definitions and Applications.

19.02.1 Involved Individual. Involved individuals are current or former institutional staff members and current or former student-athletes who have received notice of involvement in alleged violations. (Adopted: 10/30/12 effective 8/1/13)

19.02.2 New Information. New evidence is relevant, material information that could not have reasonably been ascertained prior to the Committee on Infractions hearing. (Adopted: 1/6/96, Revised: 10/30/12 effective 8/1/13, 7/31/14)

19.02.3 Show-Cause Order. A show-cause order is an order that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions or Independent Resolution Panel why it should not be subject to a penalty or additional penalty for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution’s athletics interests found by the Committee on Infractions or Independent Resolution Panel as having been involved in a violation of the NCAA constitution and bylaws. (Revised: 1/10/95, 4/24/03, 10/30/12 effective 8/1/13, 1/23/19 effective 8/1/19)

19.02.4 Review of Cases. Cases involving allegations of Level I or Level II violations will be presented to and decided by the Committee on Infractions unless referred to the independent accountability resolution structure pursuant to the standard and process for referral set forth in Bylaw 19.11.3. The select cases referred to the independent structure will be presented to and decided by the Independent Resolution Panel in accordance with Bylaw 19.11. (Adopted: 1/23/19 effective 8/1/19)

19.1 Violation Structure.

19.1.1 Severe Breach of Conduct (Level I Violation). A severe breach of conduct is one or more violations that seriously undermine or threat the integrity of the NCAA Collegiate Model, as set forth in the constitution and bylaws, including any violation that provides or is intended to provide a substantial or extensive recruiting, competitive or other
advantage, or a substantial or extensive impermissible benefit. Among other examples, the following, in appropriate circumstances, may constitute a severe breach of conduct: (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 1/23/19 effective 8/1/19)

(a) Lack of institutional control;
(b) Academic misconduct;
(c) Failure to cooperate in an NCAA enforcement or Complex Case Unit investigation;
(d) Individual unethical or dishonest conduct, regardless of whether the underlying institutional violations are considered Level I;
(e) A violation of Bylaw 11.1.1.1 (Responsibility of Head Coach) by a head coach resulting from an underlying Level I violation by an individual within the sport program;
(f) Cash payment or other benefits provided by a coach, administrator or representative of the institution’s athletics interests intended to secure, or which resulted in, enrollment of a prospective student-athlete;
(g) Third-party involvement in recruiting violations in which institutional officials knew or should have known about the involvement;
(h) Intentional violations or reckless indifference to the NCAA constitution and bylaws; or
(i) Collective Level II and/or Level III violations.

19.1.2 Significant Breach of Conduct (Level II Violation). A significant breach of conduct is one or more violations that provide or are intended to provide more than a minimal but less than a substantial or extensive recruiting, competitive or other advantage; include more than a minimal but less than a substantial or extensive impermissible benefit; or involve conduct that may compromise the integrity of the NCAA Collegiate Model as set forth in the constitution and bylaws. Among other examples, the following may constitute a significant breach of conduct: (Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18 effective 10/15/18)

(a) Violations that do not rise to the level of Level I violations and are more serious than Level III violations;
(b) Failure to monitor (such violations will be presumed Level II but may be deemed to be of a Level I nature if the failure is substantial or egregious);
(c) Systemic violations that do not amount to a lack of institutional control;
(d) Multiple recruiting, financial aid, or eligibility violations that do not amount to a lack of institutional control;
(e) A violation of Bylaw 11.1.1.1 (Responsibility of Head Coach) by a head coach resulting from an underlying Level II violation by an individual within the sport program;
(f) A violation of Bylaw 13.1.1.3 (Four-Year College Prospective Student-Athletes) as it relates to contact with a student-athlete; or
(g) Collective Level III violations.

19.1.3 Breach of Conduct (Level III Violation). A breach of conduct is one or more violations that are isolated or limited in nature; provide no more than a minimal recruiting, competitive or other advantage; and provide no more than a minimal impermissible benefit. Among other examples, the following may constitute a breach of conduct: (Adopted: 10/30/12 effective 8/1/13)

(a) Inadvertent violations that are isolated or limited in nature; or
(b) Extra-benefit, financial aid, academic eligibility and recruiting violations, provided they do not create more than minimal advantages.

19.2 Expectations and Shared Responsibility.

19.2.1 Member Responsibility for Compliance. Each institution has an affirmative obligation to monitor and control its athletics programs, its representatives and its student-athletes to ensure compliance with the constitution and bylaws of the Association. (Adopted: 10/30/12 effective 8/1/13)

19.2.2 Member Responsibility to Report Noncompliance. Each institution has an affirmative obligation to report all instances of noncompliance to the Association in a timely manner. (Adopted: 10/30/12 effective 8/1/13)

19.2.3 Responsibility to Cooperate. Current and former institutional staff members, and prospective and enrolled student-athletes of member institutions have an affirmative obligation to cooperate fully with and assist the NCAA enforcement staff, the Complex Case Unit, the Committee on Infractions, the Independent Resolution Panel and the Infractions Appeals Committee to further the objectives of the Association and its infractions program, including the independent accountability
resolution process. Full cooperation includes, but is not limited to: (Adopted: 11/1/07 effective 8/1/08, Revised: 10/30/12 effective 8/1/13, 7/31/14, 8/8/18 effective 8/1/19, 8/8/18, 12/20/18, 1/23/19)

(a) Affirmatively reporting instances of noncompliance to the Association in a timely manner and assisting in developing full information to determine whether a possible violation has occurred and the details thereof;

(b) Timely participation in interviews and providing complete and truthful responses;

(c) Making a full and complete disclosure of relevant information, including timely production of materials or information requested, and in the format requested;

(d) Disclosing and providing access to all electronic devices used in any way for business purposes;

(e) Providing access to all social media, messaging and other applications that are or may be relevant to the investigation;

(f) Preserving the integrity of an investigation and abiding by all applicable confidentiality rules and instructions; and

(g) Instructing legal counsel and/or other representatives to also cooperate fully.

19.2.3.1 Exemplary Cooperation. Exemplary cooperation by an institution or involved individual may constitute a mitigating factor for purposes of determining a penalty for a violation. Institutions or involved individuals may demonstrate exemplary cooperation while denying some or all of the alleged violations and otherwise acting in furtherance of their independent interests. (Adopted: 10/30/12 effective 8/1/13)

19.2.3.2 Failure to Cooperate. Failing to satisfy the responsibility to cooperate may result in an independent allegation and/or be considered an aggravating factor for purposes of determining a penalty. Institutional representatives and the involved individual may be requested to appear before a hearing panel of the Committee on Infractions or the Independent Resolution Panel at the time the allegation is considered. (Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18 effective 8/1/19, 12/20/18)

19.2.3.2.1 Failure or Refusal to Produce Materials. If an institution or individual fails or refuses to produce materials requested by the enforcement staff during an investigation, the hearing panel may infer that the requested materials would support an alleged violation for which the party may be subject to penalty pursuant to Bylaw 19.9 (see Bylaws 19.7.8.3.2 and 19.11.5.8.3.2). (Adopted: 8/8/18, Revised: 8/8/18 effective 8/1/19)

19.2.3.2.2 Failure or Refusal to Participate in Interview. If an individual fails or refuses to participate in an interview requested by the enforcement staff, and he or she is later deemed to be an involved individual, the hearing panel may view the failure or refusal as an admission that an alleged violation, for which the individual may be subject to penalty pursuant to Bylaw 19.9, occurred (see Bylaws 19.7.8.3.3 and 19.11.5.8.3.3). (Adopted: 8/8/18, Revised: 8/8/18 effective 8/1/19)

19.2.3.2.3 Immediate Penalties for Failure to Cooperate. The Committee on Infractions and Independent Resolution Panel may prescribe immediate penalties during the investigation if an institution or individual fails to satisfy the responsibility to cooperate. In cases before the Committee on Infractions, the chair of the Committee on Infractions; a hearing panel generated at the request of the chair to review whether an institution or individual failed to satisfy the responsibility to cooperate; the chief hearing officer of a hearing panel assigned to review the case, if appointed by the chair; or the hearing panel, if requested by the chief hearing officer, may prescribe penalties. In cases before the Independent Resolution Panel, the chief panel member or hearing panel, if requested by the chief panel member, may prescribe penalties. The Committee on Infractions or Independent Resolution Panel may prescribe any penalty available under Bylaw 19.9, including when appropriate, loss of the right to participate in postseason competition and other NCAA events and loss of associated revenues. (Adopted: 8/8/18 effective 2/1/19, Revised: 1/23/19)

19.2.3.3.1 Finality of Immediate Penalties. The prescribed penalties are final and not subject to appeal. (Adopted: 1/23/19 effective 2/1/19)

19.2.3.3.2 Committee on Infractions Hearing Panel Generated for Review. When practicable, members of a Committee on Infractions hearing panel generated at the request of the Committee on Infractions chair to review whether an institution or individual failed to satisfy the responsibility to cooperate will serve on the panel that reviews the case. (Adopted: 1/23/19 effective 2/1/19)

19.2.3.3.3 Considerations in Review of Case. In its review of the case, the Committee on Infractions or Independent Resolution Panel hearing panel may consider any conclusion that an institution or individual failed to satisfy the responsibility to cooperate in accordance with Bylaw 19.2.3.2.3 in concluding whether a failure to cooperate violation pursuant to Bylaw 19.2.3 occurred. The panel may also consider any penalties prescribed in accordance with this bylaw in prescribing penalties pursuant to Bylaw 19.9 in its review of the case. (Adopted: 1/23/19 effective 2/1/19)
19.3 Committee on Infractions.

19.3.1 Composition of Committee. The Board of Directors shall appoint a Committee on Infractions comprised of not more than 24 members to act as hearing officers in infractions proceedings of the Association. The Board of Directors shall also appoint one member of the committee to serve as chair and another member to serve as vice chair. If at any time the chair is unavailable to act as such, the vice chair is empowered to exercise the functions of the chair. There shall be no subdivision restrictions except that all nonpublic members may not be from the same subdivision. The committee shall reflect the Association’s commitment to diversity. To the extent reasonably possible, the committee shall include members from each of the following categories: (Revised: 1/16/93, 10/27/98, 10/28/99, 1/11/00, 11/1/01, 10/31/02, 10/30/12 effective 8/1/13, 1/19/13 effective 8/1/13, 4/18/18)

(a) Current or former college or university presidents, chancellors or other senior institutional administrators (no more than three years removed from employment by a member institution or similar service at the time of his or her initial appointment);
(b) Current or former directors of athletics (no more than three years removed from employment by a member institution or similar service at the time of his or her initial appointment);
(c) Former NCAA coaches (no more than 10 years removed from employment by a member institution or similar service at the time of his or her initial appointment);
(d) Representatives from conference offices;
(e) Institutional staff or faculty, including but not limited to faculty athletics representatives [such a member who does not meet the definition of “on the staff” due to a change in employment status during a term of office may complete his or her term (subject to discretion of the committee chair) and be eligible for reappointment];
(f) Athletics administrators with compliance experience; and

(g) Members of the general public with formal legal training who are not associated with a collegiate institution, conference, or professional or similar sports organization and who do not represent coaches or athletes in any capacity.

19.3.2 Temporary Substitutes. If it appears that one or more members of the committee will be unable to participate in the disposition of a case, the chair may designate a current or former member or members of the committee to participate for purposes of consideration and disposition of that case. (Revised: 11/1/07 effective 8/1/08, 10/30/12 effective 8/1/13)

19.3.3 Hearing Panels of the Committee. Unless ordered otherwise by the committee chair or to review an agreement of negotiated resolution pursuant to Bylaw 19.5.12, cases involving Level I or Level II violations will be presented to and decided by hearing panels consisting of not less than five and not more than seven members of the full Committee on Infractions. When submitting the case for the committee’s consideration, the parties may identify their belief that the case is suitable to be decided by a three-member panel. When appropriate based on the number and nature of allegations, the chair or vice chair may order that a panel of three members be generated. Upon notification, parties may submit their position when they believe that a three-member panel is not appropriate to review the case. The final decision of whether to consider a case with a three-member panel rests with the chair or vice chair. Decisions issued by hearing panels are made on behalf of the Committee on Infractions. (Adopted: 10/30/12 effective 8/1/13, Revised: 10/5/16, 10/31/18)

19.3.4 Conflict of Interest. No member of a hearing panel shall participate in a case if he or she is directly connected with an institution under investigation or if he or she has a personal, professional or institutional affiliation that may create the appearance of partiality. It is the responsibility of the panel member to remove himself or herself if a conflict exists. Objections to the participation of a panel member in a particular case should be raised as soon as recognized but will not be considered unless raised at least one week in advance of the panel’s review of the case. Objections will be decided by the committee chair. (Adopted: 10/30/12 effective 8/1/13)

19.3.5 Term of Office. A member shall be appointed to serve a three-year term, which shall commence on the first day of August following the member’s appointment. A member may be reappointed for additional three-year terms but shall not serve more than nine years on the committee. (Adopted: 1/11/00, Revised: 10/30/12 effective 8/1/13)
19.3.6 Authority and Duties of Committee. Disciplinary or corrective actions other than suspension or termination of membership may be prescribed by members of hearing panels of the Committee on Infractions present and voting at any duly called hearing thereof, provided the call of such a hearing shall have contained notice of the situation presenting the disciplinary problem. Actions of panels in cases involving Level I or Level II violations, however, may be subject to review by the Infractions Appeals Committee. The penalties prescribed by a panel are separate and apart from any penalties prescribed as part of the Academic Performance Program by the Committee on Academics. The Committee on Infractions shall: (Revised: 1/16/93, 1/10/95, 4/24/03, 10/30/12 effective 8/1/13, 7/31/14, 8/7/14, 8/8/18, 8/8/18 effective 2/1/19, 1/23/19)

(a) Find facts related to alleged bylaw violations;
(b) Conclude whether the facts constitute one or more violations of the NCAA constitution and bylaws;
(c) Upon concluding that one or more violations occurred, prescribe an appropriate penalty consistent with the provisions of this article;
(d) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support related to implementation of the committee’s decisions;
(e) Monitor compliance with prescribed penalties. In the event an institution fails or refuses to implement prescribed penalties, a hearing panel of the committee may prescribe additional penalties, provided the institution is given the opportunity to appear before the panel and the opportunity to appeal any additional penalty;
(f) Consider complaints alleging the failure of any member to maintain the academic or athletics standards required for membership or the failure of any member to meet the conditions and obligations of membership in the Association;
(g) Formulate and revise internal operating procedures and revise investigative guidelines. Committee amendments to the procedures and guidelines shall be effective immediately and subject to review and approval by the Board of Directors;
(h) Review negotiated resolutions (see Bylaw 19.5.12);
(i) Prescribe penalties during the investigation if an institution or individual fails to satisfy the responsibility to cooperate (see Bylaw 19.2.3.2.3);
(j) Sanction parties and/or their representative(s) for behaviors that inhibit the committee’s ability to effectively manage the docket, ensure a professional and civil decorum in all proceedings or otherwise efficiently resolve infractions cases; and
(k) Carry out such other duties directly related to the administration of the Association’s infractions program.

19.3.7 Duties of Committee Chair. The duties of the committee chair, or his or her designee, shall be as follows: (Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17)

(a) Schedule and preside over two meetings of the full committee annually. In the interim between meetings of the full committee, the chair shall act on behalf of the committee, subject to committee ratification at its next meeting;
(b) For each hearing panel, appoint a chief hearing officer to preside over cases assigned to the panel. The chief hearing officer will generally be the panel member with the greatest length of service on the Committee on Infractions.
(c) At the request of the enforcement staff, determine whether to grant limited immunity to a current or former institutional employee with responsibilities related to athletics based on information that the employee reports in situations in which he or she would otherwise be subject to disciplinary action as described in Bylaws 19.9.5.4 and 19.9.8-(i). Such immunity shall not apply to the employee’s involvement in violations of NCAA legislation not reported, to future involvement in violations of NCAA legislation by the employee or to any action taken by an institution;
(d) At the request of the enforcement staff, determine whether to grant limited immunity to a student-athlete or prospective student-athlete in situations in which he or she might otherwise be declared ineligible for intercollegiate competition based on information reported to the enforcement staff by the individual or a third party associated with the individual. Such immunity shall not apply to the individual’s involvement in violations of NCAA legislation not reported, to future involvement in violations of NCAA legislation by the individual or to any action taken by an institution;
(e) In Level I and Level II cases, consider and decide requests by an institution or involved individual for an accelerated hearing;
(f) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support;
(g) Coordinate with the office of the Committees on Infractions regarding hearing panel assignments, committee meetings and training activities; and
(h) Resolve or appoint another committee member to resolve preliminary procedural or other matters which may arise prior to the infractions hearing as authorized in Bylaw 19.7.6.

19.3.8 Duties of the Chief Hearing Officer. The duties of the chief hearing officer shall be as follows: (Adopted: 10/30/12 effective 8/1/13)

(d) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support related to hearings to which the chief hearing officer is assigned; and
(e) Resolve or appoint another panel member to resolve preliminary procedural or other matters that may arise prior to the infractions hearing as authorized in Bylaw 19.7.6.

19.4 Infractions Appeals Committee.

19.4.1 Composition of Committee. The Board of Directors shall appoint an Infractions Appeals Committee to act as appellate hearing officers for appeals from decisions involving Level I or Level II violations by the Committee on Infractions. The committee shall be comprised of seven members. At least two members shall be from the general public and shall not be connected with a collegiate institution, conference, or professional or similar sports organization, or represent coaches or athletes in any capacity. The remaining members shall presently or previously be on the staff of an active member institution or member conference, but shall not serve presently on the Board of Directors. There shall be no subdivision restrictions except that all nonpublic members may not be from the same subdivision. The committee shall reflect the Association’s commitment to diversity. (Adopted: 1/16/93, Revised: 10/27/98, 10/30/12 effective 8/1/13, 1/22/20)

19.4.2 Temporary Substitutes. If it appears that one or more of the committee members will be unable to participate in the disposition of a case, the chair may designate a former member or members of the committee to rejoin the committee for purposes of consideration and disposition of that case. (Adopted: 4/22/98, Revised: 11/1/07 effective 8/1/08, 4/28/11, 10/30/12 effective 8/1/13)

19.4.3 Conflict of Interest. No member of the Infractions Appeals Committee shall participate in a case if he or she is directly connected with an institution under investigation or if he or she has a personal, professional or institutional affiliation that may create the appearance of partiality. It is the responsibility of the committee member to remove himself or herself if a conflict exists. Objections to the participation of a committee member in a particular case should be raised as soon as recognized, but will not be considered unless raised at least one week in advance of the committee’s review of the case. (Adopted: 10/30/12 effective 8/1/13)

19.4.4 Term of Office. A member shall serve a three-year term, which shall commence on the first day of September following the member’s appointment. A member may be reappointed for additional terms but shall not serve more than nine years on the committee. (Adopted: 1/9/96, Revised: 10/30/12 effective 8/1/13)

19.4.5 Authority of Committee. The Infractions Appeals Committee shall: (Adopted: 1/16/93, Revised: 1/10/95, 1/14/97, 11/1/07 effective 8/1/08, 10/30/12 effective 8/1/13, 1/23/19)
(a) Consider appeals from decisions of a hearing panel of the Committee on Infractions involving Level I or Level II violations;
(b) Affirm, reverse, or vacate and/or remand the panel’s findings, conclusions, penalties, corrective actions, requirements, and/or other conditions and obligations of membership prescribed for violations of the NCAA constitution and bylaws;
(c) Formulate and revise its operating procedures. Committee amendments to the procedures shall be effective immediately and subject to review and approval by the Board of Directors. The procedures shall include guidance on the conduct of appeal hearings; and
(d) Sanction parties and/or their representative(s) for behaviors that inhibit the committee’s ability to effectively manage the docket, ensure a professional and civil decorum in all proceedings or otherwise efficiently resolve infractions cases.

19.5 Enforcement Staff Review and Investigation of Alleged Violations.

19.5.1 Enforcement Staff to Receive Information and Conduct Investigations. Information regarding an alleged failure to comply with the NCAA constitution and bylaws or to meet the conditions and obligations of membership shall be provided to the enforcement staff. The enforcement staff shall determine whether an investigation is warranted or whether the matter may be resolved without a formal investigation. If an investigation is warranted, the enforcement staff shall conduct an investigation on behalf of the entire membership to develop, to the extent reasonably possible, all relevant information. The enforcement staff will usually share information with the institution during an investigation, including information that may assist the institution in stopping an ongoing violation. However, to protect the integrity of the investigation, the staff may not, in all instances, share information with the institution. (Adopted: 10/30/12 effective 8/1/13)
19.5.1.1 Conflict of Interest. Any enforcement staff member who has or had a personal relationship or institutional affiliation that may create the appearance of partiality should refrain from participating in the case. (Adopted: 10/30/12 effective 8/1/13)

19.5.1.2 Initial Determination. The staff shall have the discretion to submit information to the chair of the Committee on Infractions for an initial determination of how that information should be processed. In such cases, the chair shall not be appointed to the hearing panel, if any, later assigned to the case. (Adopted: 10/30/12 effective 8/1/13)

19.5.2 Public Announcements. The enforcement staff shall not publicly confirm or deny the existence of an infractions case before complete resolution of the case pursuant to this article. However, if information concerning a case is made public, the institution, enforcement staff and the involved individual may confirm, correct or deny the information made public. (Adopted: 10/30/12 effective 8/1/13)

19.5.3 Notice of Inquiry to Institution. Before the enforcement staff conducts an inquiry on an institution’s campus, the enforcement staff shall notify the institution’s president or chancellor (or his or her designee) of the inquiry, either orally or in writing. This notice shall toll the statute of limitations. The institution shall be informed of its obligation to cooperate and of the confidential nature of the inquiry. The institution shall be notified that if the inquiry develops reliable information of a possible Level I or Level II violation, a notice of allegations will be produced. In the alternative, the institution will be notified that the matter may be processed as a Level III violation or that the matter has been concluded. (Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17)

19.5.4 Representation by Legal Counsel. When an enforcement staff member conducts an interview, the individual questioned may be represented by personal legal counsel. (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

19.5.5 Interview Notices.

19.5.5.1 Disclosure of Purpose of Interview. If an enforcement staff member requests information that could be detrimental to the interests of the student-athlete or institutional employee being questioned, that individual shall be advised that the purpose of the interview is to determine whether the individual has knowledge of or has been involved directly or indirectly in any violation of the NCAA constitution and bylaws. (Adopted: 10/30/12 effective 8/1/13)

19.5.5.2 Responsibility to Provide Truthful Information. At the beginning of an interview involving the enforcement staff, a prospective or enrolled student-athlete or a current or former institutional employee shall be advised that refusing to furnish information or providing false or misleading information to the NCAA, conference or institution may result in an allegation that the individual has violated NCAA ethical-conduct bylaws. (Adopted: 10/30/12 effective 8/1/13, Revised: 5/12/17)

19.5.6 Interviews with Member Institution. The director of athletics or other appropriate official of an institution shall be contacted by the enforcement staff in order to schedule interviews on the institution’s campus with enrolled student-athletes or coaching or other institutional staff members with athletically related responsibilities who are believed to have knowledge of possible violations. Interviews should be conducted without disrupting normally scheduled academic activities whenever reasonably possible. (Adopted: 10/30/12 effective 8/1/13)

19.5.6.1 Presence of Institutional Representative During Interview. If an interview with an enrolled student-athlete or athletics department staff member is conducted on the campus of an institution, an institutional representative (as designated by the institution) may be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual’s institution or could affect the individual’s eligibility or employment at the institution. If the enforcement staff wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or the staff member is employed, and would not reasonably affect the student’s eligibility or the staff member’s employment at that institution, the institution may designate a representative to be present during the interview, provided the representative is someone who would not compromise the integrity of the investigation and whose participation would not prejudice the subject institution or any involved individual. (Adopted: 10/30/12 effective 8/1/13, Revised: 10/5/16)

19.5.7 Use of Court Reporters. Institutional representatives or individuals being interviewed may use a court reporter to transcribe an interview subject to the following conditions. The institution or individual shall: (Adopted: 10/30/12 effective 8/1/13)

(a) Pay the court reporter’s fees;
(b) Provide a copy of the transcript to the enforcement staff at no charge; and
(c) Agree that the confidentiality standards of Bylaw 19.5.8 apply. An institutional representative or individual who chooses to use a court reporter shall submit a written notice of agreement with the required conditions to the enforcement staff prior to the interview.
(d) If the enforcement staff chooses to use a court reporter, the NCAA will pay all costs of the reporter. A copy of the transcript prepared by the court reporter for the enforcement staff shall be made available to the institution and the involved individuals through the secure website.

19.5.8 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recordings or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement precludes the individual or institutional representative from recording or transcribing the interview. (Adopted: 10/30/12 effective 8/1/13)

19.5.9 Access to Information. For all cases to be considered by the Committee on Infractions, the enforcement staff shall make available to the institution or involved individuals recorded interviews, interview summaries and/or interview transcripts, and other factual information pertinent to the case. The institution and involved individuals may review such information through a secure website or at the NCAA national office. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.5.10 Termination of Investigation. The enforcement staff shall terminate the investigation related to any notice of inquiry in which the information that is developed does not appear to be of sufficient substance or reliability to warrant a notice of allegations or Level III allegations. (Adopted: 10/30/12 effective 8/1/13)

19.5.11 Statute of Limitations. Allegations included in a notice of allegations shall be limited to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

(a) Allegations involving violations affecting the eligibility of a current student-athlete;

(b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and

(c) Allegations that indicate a blatant disregard for the Association’s fundamental recruiting, extra benefit, academic or ethical-conduct bylaws or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have an 18-month period after the date information concerning the matter becomes available to the NCAA to investigate and submit to the institution a notice of allegations concerning the matter.

19.5.12 Negotiated Resolution. At any time from the beginning of the enforcement staff investigation until hearing panel review of a summary disposition report pursuant to Bylaw 19.6.4 or an infractions hearing held pursuant to Bylaw 19.7.7, the enforcement staff may negotiate a resolution with an institution or involved individual about alleged violations and proposed penalties. The negotiated resolution is subject to approval by a hearing panel of the Committee on Infractions and must resolve all known violations for which the party or parties included in the negotiated resolution may be subject to penalty pursuant to Bylaw 19.9. (Adopted: 8/8/18; Revised: 10/31/18, 1/23/19 effective 8/1/19)

19.5.12.1 Written Agreement.

19.5.12.1.1 All Participating Parties Agree on Resolution. If all parties participating in the case agree on a resolution of the case, they shall submit the written agreement of negotiated resolution to the chair of the Committee on Infractions or the chief hearing officer, if assigned, for hearing panel review and approval. The enforcement staff shall include the violations by and penalties related to any party not participating in the case in the written agreement. A hearing panel of three Committee on Infractions members shall review the negotiated resolution if the parties submit the written agreement prior to issuance of the summary disposition report or notice of allegations. (Adopted: 10/31/18)

19.5.12.1.2 Not All Participating Parties Agree on Resolution. If some, but not all, parties participating in the case agree on resolution of the case, the enforcement staff shall include the written agreement of negotiated resolution in the summary disposition report or notice of allegations submitted in connection with parties who are not included in the negotiated resolution, or amended summary disposition report or notice of allegations if the agreement is reached after issuance of the summary disposition report or notice of allegations. (Adopted: 10/31/18)

19.5.12.1.3 Elements of Written Agreement. Any written agreement of a negotiated resolution shall contain the following: (Adopted: 8/8/18, Revised: 10/31/18)

(a) A brief description of the case, including the involvement of the parties included in the negotiated resolution;

(b) The agreed-upon violation(s);

(c) Other violations the enforcement staff considered and agreed or opted not to allege;

(d) The agreed-upon level of agreed-upon violation(s);

(e) The agreed-upon penalties, including all aggravating and mitigating factors;
(f) The nature of any participation or cooperation provided by a party pursuant to the negotiated resolution, and consequences for a party’s failure or refusal to strictly adhere to the agreed-upon participation and cooperation conditions;

(g) Waiver of appellate opportunities; and

(h) Other material terms of the agreement.

19.5.12.2 Scope of Review. A hearing panel shall only reject a negotiated resolution if it is not in the best interests of the Association or the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.9 and Figure 19-1. *(Adopted: 10/31/18)*

19.5.12.3 Preliminary Assessment of Penalties. Prior to submission of a written agreement of negotiated resolution, parties included in the negotiated resolution may request a hearing panel of three Committee on Infractions members to preliminarily assess whether the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.9 and Figure 19-1. The preliminary assessment is not binding. *(Adopted: 10/31/18)*

19.5.12.3.1 Review By Hearing Panel After Preliminary Assessment. If practicable, the members of the panel that preliminarily assessed penalties will review the negotiated resolution when the written agreement is submitted prior to issuance of the summary disposition report or notice of allegations, or serve as part of the hearing panel, which may differ in size, that reviews the written agreement after issuance of the summary disposition report or notice of allegations. *(Adopted: 10/31/18)*

19.5.12.4 Negotiated Resolution Approved. If the hearing panel approves the negotiated resolution, the panel shall forward the approval to the enforcement staff and the other parties, and publicly announce the resolution of the case. The approval shall be final and have no precedential value. *(Adopted: 8/8/18, Revised: 10/31/18)*

19.5.12.4.1 Approval When Not All Participating Parties Agree on Resolution. If some, but not all parties participating in the case agree on resolution of the case, the hearing panel shall not approve the negotiated resolution until the panel resolves the remainder of the case. *(Adopted: 10/31/18)*

19.5.12.4.2 Approval in Conjunction with Preliminary Assessment. If all parties participating in the case request a preliminary assessment of penalties in accordance with Bylaw 19.5.12.3 and the parties submit all required elements of an agreement of negotiated resolution set forth in Bylaw 19.5.12.1.3, the hearing panel may approve the negotiated resolution in conjunction with its preliminary assessment unless the parties instruct otherwise in their request for preliminary assessment. *(Adopted: 1/23/19)*

19.5.12.5 Negotiated Resolution Not Approved. If the hearing panel does not approve the negotiated resolution, the panel may return the negotiated resolution to the parties included in the negotiated resolution for additional information or clarification or to respond to issues identified by the panel that preclude approval of the negotiated resolution, and request that the parties submit an amended written agreement of negotiated resolution in response. In the alternative, the panel may reject the negotiated resolution and issue instructions for processing of the case pursuant to Bylaw 19.6 or Bylaw 19.7. *(Adopted: 8/8/18, Revised: 10/31/18)*

19.5.12.5.1 Continued Review by Hearing Panel After Rejection of Negotiated Resolution. If practicable, the members of the panel that rejected the negotiated resolution submitted prior to issuance of a summary disposition report or notice of allegations will serve on the hearing panel, which may differ in size, when the case proceeds to summary disposition or hearing. *(Adopted: 10/31/18)*

19.5.12.6 Case Referred to Independent Accountability Resolution Structure. If the Infractions Referral Committee refers the case to the independent accountability resolution structure pursuant to Bylaw 19.11.3 after some or all parties agree on resolution of the case, the Independent Resolution Panel shall not have the authority to approve the written agreement of negotiated resolution. The information contained in the written agreement, however, shall be part of the record in the referred case and the Independent Resolution Panel may consider the information in its review of the case. *(Adopted: 10/31/18, Revised: 12/20/18)*

19.6 Summary Disposition Process Before the Committee on Infractions.

19.6.1 Summary Disposition Election. In a case before the Committee on Infractions involving Level I or Level II violations, the institution, involved individuals and the enforcement staff may elect to use the summary disposition procedures specified below. To invoke the summary disposition procedures, the enforcement staff, involved individuals, if participating, and the institution must agree to summary disposition. The institution, an involved individual or the enforcement staff may require, as a condition of agreement, that the parties jointly submit the proposed findings of fact to the chair of the Committee on Infractions or his or her designee for a preliminary assessment of the appropriateness of the use of the summary disposition process. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)*
19.6.2 Written Report. The institution, involved individuals and the enforcement staff shall submit a written report setting forth: (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

(a) The proposed findings of fact;
(b) A summary of information on which the proposed findings of fact are based;
(c) A statement identifying the violation(s) of the NCAA constitution and/or bylaws;
(d) The parties’ agreement on the overall level of the case;
(e) A stipulation by the enforcement staff that the investigation, if conducted by the institution, was complete and thorough and that the institution cooperated fully in the process;
(f) A statement of unresolved issues;
(g) A list of any agreed-upon aggravating and mitigating factors; and
(h) A stipulation that the proposed findings of fact are substantially correct and complete.

19.6.3 Proposed Penalties. The institution and involved individuals shall submit proposed penalties from the guidelines set forth in Bylaw 19.9 and Figure 19-1. The institution and involved individuals also may submit a statement regarding any aggravating or mitigating factors and other considerations that may impact the penalty or penalties. (Adopted: 10/30/12 effective 8/1/13)

19.6.4 Committee on Infractions Review. A hearing panel of the Committee on Infractions shall consider the case during a subsequent meeting. (Adopted: 10/30/12 effective 8/1/13)

19.6.4.1 Review of Investigation. The panel shall determine whether a thorough investigation of possible violations of the NCAA constitution and bylaws has been conducted (by the enforcement staff and/or the institution). If the panel determines that the investigation was inadequate, it shall notify the enforcement staff and the parties and allow them to respond, as appropriate. (Adopted: 10/30/12 effective 8/1/13)

19.6.4.2 Additional Information or Clarification. The panel may contact the institution, enforcement staff and involved individuals for additional information or clarification prior to accepting or rejecting the proposed findings or penalties. (Adopted: 10/30/12 effective 8/1/13)

19.6.4.3 Acceptance of Proposed Findings of Fact, Violations and Penalties. If the proposed findings of fact and proposed penalties are accepted, the panel shall prepare a report of its decision or adopt the written report of the parties. The panel may make additional comments explaining its analysis or amend the proposed findings of fact, provided any addition or amendment is editorial and does not alter the substance of the proposed findings of fact. The written report may identify the chancellor or president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of institutional control and failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution’s governing body. The panel shall forward the report to the enforcement staff and the parties and publicly announce the resolution of the case. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.6.4.4 Proposed Findings of Fact and/or Violations Not Accepted. If the panel does not accept the proposed findings of fact, the case shall be processed pursuant to Bylaw 19.7. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.6.4.5 Proposed Penalties Not Accepted. If the panel accepts the proposed findings of fact but proposes penalties in addition to those set forth in the parties’ written report, the institution and/or involved individuals may accept those penalties or request an expedited hearing on penalties before the panel. The institution and/or involved individuals may appear before the panel in person, by video conference or other mode of distance communication, as the panel deems appropriate, to discuss the proposed additional penalties. The institution and/or involved individuals also may provide a written submission in lieu of a hearing. The panel shall only consider information relevant to the calculation of penalties during the expedited hearing or, if no hearing is requested, on the written record. At the conclusion of the expedited hearing or review of the written record, the panel shall prepare a written report and provide notification of its decision. The institution and/or any involved individuals may appeal additional penalties to the Infractions Appeals Committee. (Adopted: 10/30/12 effective 8/1/13)

19.7 Notice of Allegations and Opportunity to Respond Before the Committee on Infractions.

19.7.1 Notice of Allegations. If the enforcement staff determines after an investigation that there is sufficient information to conclude that a hearing panel of the Committee on Infractions could conclude that a violation occurred, it shall issue a cover letter and notice of allegations to the chancellor or president of the institution involved (with copies to the faculty athletics representative, the director of athletics and the executive officer of the conference of which the institution is a member). The
institution and/or involved individuals, if applicable, shall be given notice of the alleged violation(s), the details of the allegations, the possible level of each alleged violation, the processing level of the case, the available hearing procedures and the opportunity to answer the allegations. The notice of allegations shall also identify the factual information and aggravating and/or mitigating factors on which the enforcement staff may rely in presenting the case. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.7.1.1 Notice to Institution's Administration. The cover letter accompanying each notice of allegations shall: (Adopted: 10/30/12 effective 8/1/13)

(a) Inform the chancellor or president of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts;
(b) Request the chancellor or president to respond to the allegations and to provide all relevant information that the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded;
(c) In cases in which there will be an in-person hearing, request the chancellor or president and other institutional staff to appear before a hearing panel of the Committee on Infractions at a time and place determined by the panel;
(d) In cases in which there will be an in-person hearing, inform the chancellor or president that if the institution fails to appear after having been requested to do so, it may not appeal to the panel's decision or the resultant penalty; and
(e) Inform the chancellor or president that the enforcement staff's primary investigator in the case will be available to discuss the development of its response and assist in locating various individuals who have, or may have, important information regarding the allegations.

19.7.1.2 Notice to Involved Individuals. The enforcement staff shall notify an involved individual of the allegations in a notice of allegations in which he or she is named. The involved individual shall receive notice of his or her duty to cooperate in the investigation and to appear at a hearing, if requested (and the potential consequences for failing to appear). The notice of allegations shall request the involved individual to respond to the allegations and to provide all relevant information that he or she has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded. The involved individual shall also be advised that the enforcement staff's primary investigator in the case will be available to discuss the development of the individual’s response. If an involved individual is employed at a member institution, a copy of the notification shall also be forwarded to the chancellor or president and the director of athletics of his or her current institution. (Adopted: 10/30/12 effective 8/1/13)

19.7.2 Responses by Institutions or Involved Individuals. Any response to the notice of allegations shall be submitted to the hearing panel, if assigned, and the enforcement staff, and pertinent portions to the institution and all involved individuals, not later than 90 days from the date of the notice of allegations unless the chief hearing officer, if assigned, and if not assigned, the committee chair, grants an extension. The enforcement staff may establish a deadline for the submission of responses to any reasonable time within the 90-day period, provided the institution and all involved individuals consent to the expedited deadline. Failure to submit a timely response may be viewed by the panel as an admission that the alleged violation(s) occurred. (Adopted: 10/30/12 effective 8/1/13)

19.7.3 Submissions by Enforcement Staff. Within 60 days after the institution and involved individuals, if any, submit written responses to the notice of allegations, the enforcement staff shall submit a written reply to the hearing panel, and pertinent portions to an involved individual or institution. In addition to submitting its reply and after the prehearing conference, the enforcement staff shall prepare a statement of the case, which shall set forth a brief history of the case, summary of the parties' positions on each allegation and a list of any remaining items of disagreement. An involved individual will be provided those portions of the statement in which he or she is named. (Adopted: 10/30/12 effective 8/1/13)

19.7.4 Prehearing Conference. Within 60 days after the institution and involved individuals, if any, submit written responses to the notice of allegations, the enforcement staff shall consult with institutional representatives and other involved individuals in order to clarify the issues to be discussed during the hearing, make suggestions regarding additional investigation or interviews that should be conducted to supplement a response and identify allegations that the staff intends to amend or withdraw. The enforcement staff shall conduct independent prehearings with the institution and/or any involved individuals, unless mutually agreed by all parties to do otherwise. (Adopted: 10/30/12 effective 8/1/13)

19.7.5 Deadline for Submission of Written Material. Except as otherwise ordered by the chief hearing officer and for good cause shown, all written material from the parties to be considered by the hearing panel must be received by the hearing panel, enforcement staff, institution and any involved individuals at least 30 days prior to the date the panel considers the case. Information may be submitted at the hearing, subject to the limitations set forth in Bylaw 19.7.7.3. (Adopted: 10/30/12 effective 8/1/13)
19.7.6 Prehearing Procedural Issues. The committee chair has authority to resolve procedural matters that arise prior to an infractions hearing. Unless otherwise specified by the committee chair, the chief hearing officer has authority to resolve procedural matters that arise prior to an infractions hearing and after appointment of the chief hearing officer to preside over the case assigned to a panel. (Adopted: 10/30/12 effective 8/1/13)

19.7.7 Committee Hearings. The hearing panel assigned to a case shall hold a hearing to make factual findings and to conclude whether violations of the NCAA constitution and bylaws occurred and, if so, to prescribe appropriate penalties as set forth in this article unless all participating parties agree to submit the case in writing without a hearing. In Level I cases that involve a small number of contested issues or Level I cases in which the contested issues are relatively uncomplicated, the institution and/or the involved individual may make a written request to appear before the panel by video conference or other mode of distance communication. The decision regarding the use of video conference (or another mode of communication) rests with the panel. In a Level II case, a hearing will be conducted by telephone or video conference unless an in-person hearing is requested by the panel, institution, enforcement staff or involved individual. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 4/14/17)

19.7.7.1 Allegations of Violations in Multiple Levels. If violations from multiple levels are identified in the notice of allegations, the case shall be processed pursuant to procedures applicable to the most serious violation(s) alleged. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.2 Accelerated Hearing Docket. In Level I and Level II cases, the institution or involved individual may petition the committee chair for an accelerated schedule for written submissions and an earlier hearing date. The petition shall be submitted not later than 14 calendar days after the date of the notice of allegations. The enforcement staff may respond to the petition within five business days. The committee chair may grant or deny such a petition and set a reasonable schedule at his or her discretion. (Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17)

19.7.7.3 Information Presented at Hearings. At a hearing, the parties or their legal counsel have the obligation to present, to the extent reasonably possible, material, relevant information necessary for the hearing panel to reach an informed decision, including information that corroborates or refutes an allegation. Subject to procedures of the Committee on Infractions, the parties or their legal counsel may deliver opening and closing statements, present factual information, make arguments, explain the alleged violations and answer questions from panel members. Any oral or documentary information may be received, but the panel may exclude information that it determines to be irrelevant, immaterial or unduly repetitious. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.3.1 Information from Confidential Sources. At a hearing, the parties, including the enforcement staff, shall present only information that can be attributed to individuals who are willing to be identified. Information obtained from individuals not wishing to be identified shall not be relied on by the hearing panel in concluding whether a violation occurred. Such confidential sources shall not be identified to the hearing panel, the institution or an involved individual. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.3.2 Information Relevant to Possible Penalties. Institutional, conference and enforcement staff representatives and any involved individuals are encouraged to present all relevant information that should be considered in arriving at appropriate penalties. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.4 Scope of Inquiry. When an institution and/or involved individual appears before a hearing panel to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the panel from concluding that any violation occurred based on information developed or discussed during the hearing. In any case, the panel may make specific factual findings based on information presented by the parties or at a hearing even if different from the notice of allegations. (Revised: 4/24/03, 10/30/12 effective 8/1/13)

19.7.7.5 Appearance of Individuals at Hearings. Except as otherwise provided herein or as ordered by the chief hearing officer, hearing attendees shall be limited to institutional representatives (Bylaw 19.7.7.5.2), involved individuals, NCAA staff representatives, hearing panel members, representatives from the office of the Committees on Infractions, the audio recorder, court reporter and other technical/support staff as permitted by the chief hearing officer. An individual who appears before the panel may appear with personal legal counsel. At his or her discretion, the chief hearing officer may exclude an individual and his or her counsel from those portions of the hearing concerning matters in which the individual is not involved. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.7.7.5.1 Request for Specific Individuals. Institutional officials, current or former staff members, or enrolled student-athletes who are specifically requested by the chief hearing officer to appear before the hearing panel at an institutional hearing are expected to appear and may be accompanied by personal legal counsel. Failure to attend may result in a violation of this bylaw. (Adopted: 10/30/12 effective 8/1/13)
19.7.7.5.2 Representatives of Institution. Except as otherwise ordered by the chief hearing officer, at the time an institution appears before the hearing panel, its representatives should include the institution’s chancellor or president, the head coach of the sport(s) in question, the institution’s director of athletics and/or any individual with direct responsibility and oversight of the athletics department, senior compliance administrator, faculty athletics representative, legal counsel (if any), enrolled student-athletes whose eligibility could be affected by information presented at the hearing, and any other representatives whose attendance would be helpful to or has been requested by the panel. Additional individuals may be included among the institution’s representatives only if specifically approved. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.7.7.5.3 Representatives of Member Conference. A representative of a conference may attend an institutional hearing involving a conference member. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.5.4 Prohibited Attendance by Conflicted Committee Members. A member of the Committee on Infractions or the Infractions Appeals Committee who is prohibited under Bylaws 19.3.4 or 19.4.3 from participating in an infractions proceeding may not attend a Committee on Infractions hearing involving his or her institution unless specifically requested by the chief hearing officer. (Adopted: 10/30/12 effective 8/1/13)

19.7.7.6 Recording of Proceedings. The proceedings of infractions hearings shall be transcribed by a court reporter (unless otherwise agreed) and shall be recorded by the hearing panel. No additional verbatim recording of the proceedings will be permitted. In the event of an appeal, a transcript of the proceedings shall be reproduced and submitted to the Infractions Appeals Committee and made available for review by the appealing parties through a secure website. (Adopted: 10/30/12 effective 8/1/13)

19.7.8 Posthearing Committee Deliberations. After all presentations have been made and the hearing has been concluded, the hearing panel shall excuse the parties and deliberate in private. (Adopted: 10/30/12 effective 8/1/13)

19.7.8.1 Request for New Information. In arriving at its decision, the hearing panel may request additional information from any source, including the institution, the enforcement staff or an involved individual. In the event that new information is requested, all parties will be afforded an opportunity to respond at the time such information is provided. (Adopted: 10/30/12 effective 8/1/13)

19.7.8.2 Request for Interpretation. The hearing panel may request that the NCAA academic and membership affairs staff provide an interpretation of applicable legislation based on facts submitted by the panel. If an interpretation is requested, the institution, involved individuals and the enforcement staff will be notified in writing of the interpretation request and the response. The institution may appeal the interpretation in accordance with Constitution 5.4.1.2. (Adopted: 10/30/12 effective 8/1/13)

19.7.8.3 Basis of Decision. The hearing panel shall base its decision on information presented to it that it determines to be credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs. The information upon which the panel bases its decision may be information that directly or circumstantially supports the alleged violation. (Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18)

19.7.8.3.1 Importation of Facts. Facts established by a decision or judgment of a court, agency, accrediting body, or other administrative tribunal of competent jurisdiction, which is not under appeal, or by a commission, or similar review of comparable independence, authorized by a member institution or the institution’s university system’s board of trustees and regardless of whether the facts are accepted by the institution or the institution’s university system’s board of trustees, may be accepted as true in the infractions process in concluding whether an institution or individual participating in the previous matter violated NCAA legislation. Evidence submitted and positions taken in such a matter may be considered in the infractions process. (Adopted: 8/8/18)

19.7.8.3.2 Materials Not Produced. The hearing panel may infer that materials requested during an investigation by the enforcement staff but not produced by an institution or individual would support an alleged violation for which the party may be subject to penalty pursuant to Bylaw 19.9. (Adopted: 8/8/18)

19.7.8.3.3 Failure or Refusal to Participate in Interview. The hearing panel may view the failure or refusal to participate in an interview requested by the enforcement staff as an admission that an alleged violation, for which the individual may be subject to penalty pursuant to Bylaw 19.9, occurred. (Adopted: 8/8/18)

19.7.8.3.4 Failure to Submit Timely Response to Notice of Allegations. The hearing panel may view the failure by an institution or individual to submit a timely response to a notice of allegations as an admission that an alleged violation, for which the party may be subject to penalty pursuant to Bylaw 19.9, occurred. (Adopted: 8/8/18)

19.7.8.4 Calculation of Penalty. If the hearing panel concludes that a violation occurred, it shall prescribe an appropriate penalty pursuant to Bylaw 19.9 or recommend to the Board of Directors suspension or termination of
19.8 Notification of Committee on Infractions Decision.

19.8.1 Infractions Decision. After a hearing, the Committee on Infractions hearing panel shall prepare and approve the final written infractions decision, which shall contain a statement of the findings of fact, conclusions of violations, penalties, corrective actions, requirements and (for institutions) any other conditions and obligations of membership. (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

19.8.1.1 Provision of Decision to the Parties. The decision shall be sent to the chancellor or president of the involved institution (or his or her designee), any involved individuals and the vice president of enforcement. (Adopted: 10/30/12 effective 8/1/13)

19.8.1.2 Public Infractions Decision. Once the decision has been provided to the parties, the hearing panel shall release a public infractions decision. The public infractions decision will not include names of individuals, but the panel may, at its discretion, identify the chancellor or president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of control or failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution’s governing body. (Adopted: 10/30/12 effective 8/1/13)

19.8.1.3 Public Announcement. Once the public infractions decision has been released, the panel member designated by the chief hearing officer may make a public announcement related to the infractions case. The institution and/or any involved individuals shall be requested not to comment publicly concerning the case prior to the time the NCAA’s public announcement is released. (Adopted: 10/30/12 effective 8/1/13)

19.8.1.4 Decision to Infractions Appeals Committee. The hearing panel shall forward a copy of the public infractions decision to the Infractions Appeals Committee at the time of the public announcement. (Adopted: 10/30/12 effective 8/1/13)

19.8.2 Reconsideration by the Hearing Panel. Once the decision has been publicly announced by the Committee on Infractions hearing panel, and the appeal opportunity has been exhausted, there shall be no reconsideration of the decision except as follows. (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

19.8.2.1 New Information or Prejudicial Error. A hearing panel may reconsider a decision upon a showing of new information that is directly related to the decision or upon a showing that there was prejudicial error in the procedure that was followed in the processing of the case. (Revised: 1/19/96, 10/30/12 effective 8/1/13, 7/31/14)

19.8.2.1.1 Review Process. Any institution or involved individual that initiates such a review shall submit a brief of its request to a hearing panel of the Committee on Infractions. Based on the party’s brief, the hearing panel shall decide whether to deny the request or grant the request and conduct further proceedings as the panel deems necessary to resolve the matter. (Revised: 10/30/12 effective 8/1/13)

19.8.2.1.2 No Calculation of New Penalty. If reconsideration is granted, the panel may reduce or eliminate a penalty but may not prescribe any new penalty. The panel’s decision with respect to the penalty shall be final and conclusive for all purposes. (Revised: 10/30/12 effective 8/1/13)

19.8.2.2 Penalty Modified or Set Aside Outside the Association. Should any portion of the penalty in the case be modified or set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by a hearing panel. In such cases, any extensions or adjustment of a penalty shall be prescribed by the panel after notice to the institution and an opportunity to respond. Any such action by the panel may be reviewed by the Infractions Appeals Committee. (Revised: 10/30/12 effective 8/1/13)

19.8.3 Finality of Decisions. Any decision by a hearing panel of the Committee on Infractions that is not appealed or reconsidered pursuant to Bylaw 19.8.2 shall be final, binding and conclusive, and shall not be subject to further review by any governance body. (Adopted: 10/30/12 effective 8/1/13)

19.9 Penalties.

19.9.1 Application. The penalties set forth in this section shall be prescribed by hearing panels of the Committee on Infractions or Independent Resolution Panel for violations committed on or after October 30, 2012. Penalties prescribed for violations committed before October 30, 2012, shall be the penalties set forth in this section or the penalties that would have been prescribed pursuant to the 2012-13 Division I Manual, whichever is less stringent. For violations that commence before October 30, 2012, and continue on or after October 30, 2012, the hearing panel shall prescribe the penalties set forth in this
section unless it finds or concludes that the conduct constituting a violation predominately occurred before October 30, 2012.
(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 1/23/19 effective 8/1/19)

19.9.2 Factors Affecting Penalties. The hearing panel shall determine whether any factors that may affect penalties are present for a case. The panel shall weigh any factors and determine whether a party should be subject to standard penalties or should be classified with aggravation or mitigation and, therefore, subject to a higher or lower range of penalties. Absent extenuating circumstances, core penalties corresponding to the classification shall be prescribed as set forth in Figure 19-1.
(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.9.2.1 Aggravation. An aggravated case is one in which aggravating factors for a party outweigh mitigating factors for that party. A case should not be classified as aggravated solely because the number of aggravating factors is larger than the number of mitigating factors. An egregious aggravating factor may outweigh multiple mitigating factors. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.9.2.2 Standard. A standard case is one in which no mitigating or aggravating factors are present for a party or in which aggravating and mitigating factors for that party are generally of equal weight. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.9.2.3 Mitigation. A mitigated case is one in which mitigating factors for a party outweigh aggravating factors for that party. A case should not be classified as mitigated solely because the number of mitigating factors is larger than the number of aggravating factors. (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)

19.9.3 Aggravating Factors. Aggravating factors are circumstances that warrant a higher range of penalties for a particular party. A hearing panel determines whether aggravating factors are present in a case and the weight assigned to each factor. Examples of aggravating factors include, but are not limited, to the following: (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 8/8/18, 9/24/18, 1/23/19 effective 8/1/19)

(a) Multiple Level I violations by the institution or involved individual;
(b) A history of Level I, Level II or major violations by the institution or involved individual. Additional considerations include:
   (1) The amount of time between the occurrences of violations;
   (2) The similarity, severity and types of violations involved;
   (3) Efforts to implement previously prescribed corrective measures; and
   (4) Other factors the hearing panel deems relevant to the infractions history.
(c) Lack of institutional control;
(d) Obstructing an investigation or attempting to conceal the violation;
(e) Unethical conduct, compromising the integrity of an investigation, failing to cooperate during an investigation or refusing to provide all relevant or requested information;
(f) Violations were premeditated, deliberate or committed after substantial planning;
(g) Multiple Level II violations by the institution or involved individual;
(h) Persons of authority condoned, participated in or negligently disregarded the violation or related wrongful conduct;
(i) One or more violations caused significant ineligibility or other substantial harm to a student-athlete or prospective student-athlete;
(j) Conduct or circumstances demonstrating an abuse of a position of trust;
(k) A pattern of noncompliance within the sport program(s) involved;
(l) Conduct intended to generate pecuniary gain for the institution or involved individual;
(m) Intentional, willful or blatant disregard for the NCAA constitution and bylaws;
(n) The institution employs an athletics department staff member who is subject to a show-cause order and during the period of the show-cause order that individual’s conduct, or for a director of athletics and/or head coach, conduct involving any program in which he or she has oversight, results in an institutional Level I or Level II violation in the case; or
(o) Other facts warranting a higher penalty range.

19.9.4 Mitigating Factors. Mitigating factors are circumstances that warrant a lower range of penalties for a particular party. A hearing panel determines whether mitigating factors are present in a case and the weight assigned to each factor. Examples of mitigating factors include, but are not limited to, the following: (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 10/5/16, 4/25/18, 4/27/18, 8/8/18, 9/24/18, 1/23/19 effective 8/1/19)

(a) Prompt self-detection and self-disclosure of the violation(s);
| (b) Prompt acknowledgement of the violation, acceptance of responsibility and (for an institution) imposition of meaningful corrective measures and/or penalties; |
| (c) Affirmative steps to expedite final resolution of the matter, including timely submission of a summary disposition report pursuant to Bylaw 19.6.2; |
| (d) An established history of self-reporting Level III or secondary violations; |
| (e) Implementation of a system of compliance methods designed to ensure rules compliance and satisfaction of institutional/coaches’ control standards (e.g., National Association of Athletics Compliance Reasonable Standards); |
| (f) Exemplary cooperation, such as: |
  | (1) Identifying individuals (to be interviewed by the enforcement staff), documents and other information of which the enforcement staff was not aware; |
  | (2) Expending substantial institutional resources to expedite a thorough and fair collection and disclosure of information; or |
  | (3) Recognizing and bringing to the attention of the enforcement staff, in a timely manner, additional violations discovered in the investigation of which the enforcement staff was not aware. |
| (g) The violations were unintentional, limited in scope and represent a deviation from otherwise compliant practices by the institution or involved individual; |
| (h) The absence of prior conclusions of Level I, Level II or major violations committed by the institution or involved individual; or |
| (i) Other facts warranting a lower penalty range. |

### 19.9.5 Core Penalties for Level I and Level II Violations.

If a hearing panel concludes that an institution or involved individual committed one or more Level I or Level II violations, and after determining the appropriate classification based on aggravating and mitigating factors, the hearing panel shall prescribe core penalties from the ranges set forth in Figure 19-1 and described below. The panel may depart from the core penalties only as set forth in Bylaw 19.9.6. *(Adopted: 10/30/12 effective 8/1/13)*

#### 19.9.5.1 Competition Penalties.

Competition limitations on the institution’s participation in postseason play in the involved sport(s). *(Adopted: 10/30/12 effective 8/1/13)*

#### 19.9.5.2 Financial Penalties.

Financial penalties may include requirements that an institution pay a fine, return revenue received from a specific athletics event or series of events, face reduction in or elimination of monetary distribution by the Association or lose all revenue sharing in postseason competition (including the NCAA Division I Men’s Basketball Championship) for the entire period of a postseason ban. *(Adopted: 10/30/12 effective 8/1/13, Revised: 8/8/18)*

#### 19.9.5.2.1 Fine for Participation in NCAA Championship and Other Postseason Contests in Which an Ineligible Student-Athlete Competed.

A hearing panel may require an institution to pay a fine, to be distributed to the NCAA Student-Athlete Opportunity Fund, if an ineligible student-athlete competes in NCAA championship or other postseason contests. In such a case, the institution shall pay the value of the full unit(s) [Basketball Performance Fund unit(s) and/or Equal Conference Fund unit(s)] awarded based on the institution’s participation in NCAA Division I Men’s Basketball Championship contests in which the ineligible student-athlete competed, or shall pay the value of a similar distribution awarded for the institution’s participation in other NCAA championship or postseason contests in which the ineligible student-athlete competed. *(Adopted: 1/23/19)*

#### 19.9.5.3 Scholarship Reductions.

Limitations on the number of financial aid awards that may be provided during a specified period. *(Adopted: 10/30/12 effective 8/1/13)*

#### 19.9.5.4 Show-Cause Orders.

If a determination is made by a hearing panel that an institution has not taken appropriate disciplinary or corrective action regarding an individual found in violation of the NCAA constitution and bylaws, the panel may issue an order that the institution take additional disciplinary or corrective action, including but not limited to, restriction of some or all athletically related duties, as set forth in Figure 19-1, unless the institution appears before the panel to show cause why the additional penalties should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution’s obligation of NCAA membership shall rest solely with the Committee on Infractions or Independent Resolution Panel. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)*

#### 19.9.5.5 Head Coach Restrictions.

If a determination is made by the hearing panel that an employing institution has not taken appropriate disciplinary or corrective action regarding a head coach found in violation of Bylaw 11.1.1.1, the panel may issue an order that the institution suspend the coach for a number of contests from the range set forth in Figure.
19.1 that would apply to the underlying violation(s) unless the institution appears before the panel to show cause why the suspension should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution’s obligation of NCAA membership shall rest solely with the Committee on Infractions or Independent Resolution Panel. (Adopted: 10/30/12 effective 8/1/13; Revised: 1/23/19 effective 8/1/19)

19.9.5.6 Recruiting Restrictions. Recruiting restrictions may include limitations for varying lengths of time on official visits; unofficial visits (the number of scheduled unofficial visits, provision of complimentary admissions and local transportation); recruiting communications (telephone and written correspondence); and off-campus recruiting activities. (Adopted: 10/30/12 effective 8/1/13)

19.9.5.7 Probation. The hearing panel may prescribe probationary conditions designed on a case-by-case basis to remediate weaknesses detected in the institution’s administration of its athletics programs. Prior to expiration of the probation period and before the institution is restored to full rights and privileges of membership in the Association, the office of the Committee on Infractions will review the athletics policies and practices of the institution. If an institution fails to satisfy all probationary conditions, the Committee on Infractions or Independent Resolution Panel may extend the probationary period and/or prescribe additional penalties. Conditions of probation may include, but are not limited to, the following: (Adopted: 10/30/12 effective 8/1/13, Revised: 1/23/19 effective 8/1/19)

(a) Submission of compliance reports during the period of probation;

(b) Acknowledgement in alumni publications, media guides and recruiting materials identifying the violations committed, the terms of probation, and penalties prescribed;

19.11.3.2.1 Request. The involved institution, vice president of enforcement and Committee on Infractions chair may request the Infractions Referral Committee refer a case to the independent accountability resolution structure as follows: (Adopted: 8/8/18 effective 8/1/19, Revised: 12/20/18, 1/23/19 effective 8/1/19)

(a) The involved institution or the vice president of enforcement may request referral at any time after the enforcement staff issues the notice of inquiry and within 15 days after the Committee on Infractions receives the enforcement staff reply.
(b) The Committee on Infractions chair may request referral at any time after the enforcement staff issues the notice of allegations and within 15 days after the Committee on Infractions receives the enforcement staff reply.
(c) Requests for referral shall consist of a written statement in support of the request.

19.11.3.2.2 Response to Request. All parties to a case and the Committee on Infractions chair may respond to requests for referral through a written statement to the Infractions Referral Committee.  (Adopted: 8/8/18 effective 8/1/19)
19.11.3.2.3 Review of Request. The Infractions Referral Committee may request additional information from the parties and Committee on Infractions chair. Based on the request for referral and information obtained related to the request, the Infractions Referral Committee shall decide whether to grant or deny the request. (Adopted: 8/8/18 effective 8/1/19)

19.11.3.2.4 Referral Decision. After a request for referral, by majority vote, the Infractions Referral Committee shall prepare and approve a decision on the request. The decision shall state the rationale for or against referral. (Adopted: 8/8/18 effective 8/1/19)

19.11.3.2.4.1 Provision of Referral Decision. The referral decision shall be sent to the president or chancellor of the involved institution (or his or her designee), any involved individuals, the vice president of enforcement and the Committee on Infractions chair. (Adopted: 8/8/18 effective 8/1/19)

19.11.3.2.4.2 Finality of Referral Decision. The Infractions Referral Committee's decision shall be final, binding and conclusive, and not subject to further review. Once referred, a case shall be resolved through final disposition pursuant to Bylaw 19.12. (Adopted: 8/8/18 effective 8/1/19)

19.11.4 Review and Supplemental Investigation of Alleged Violations.

19.11.4.1 Supplemental Investigation. If the Complex Case Unit determines investigation of potential violations of the NCAA constitution and bylaws supplemental to the enforcement staff investigation is warranted, the Complex Case Unit shall conduct supplemental investigation to develop, to the extent reasonably possible, all relevant information. The Complex Case Unit will usually share information with the institution during an investigation, including information that may assist the institution in stopping an ongoing violation. However, to protect the integrity of the investigation, the Complex Case Unit may not, in all instances, share information with the institution. (Adopted: 8/8/18 effective 8/1/19, Revised: 12/20/18, 1/23/19 effective 8/1/19)

19.11.4.2 Public Announcements. The Complex Case Unit shall not publicly confirm or deny the existence of an infractions case before resolution of the case. However, if information concerning a case is made public, the institution, Complex Case Unit and any involved individual may confirm, correct or deny the information made public. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.3 Representation by Legal Counsel. When a Complex Case Unit member conducts an interview, the individual questioned may be represented by personal legal counsel. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.4 Interview Notices.

19.11.4.4.1 Disclosure of Purpose of Interview. If a Complex Case Unit member requests information that could be detrimental to the interests of the student-athlete or institutional employee being questioned, that individual shall be advised that the purpose of the interview is to determine whether the individual has knowledge of or has been involved directly or indirectly in any violation of the NCAA constitution and bylaws. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.4.2 Responsibility to Provide Truthful Information. At the beginning of an interview involving the Complex Case Unit, a prospective or enrolled student-athlete or a current or former institutional employee shall be advised that refusing to furnish information or providing false or misleading information to the NCAA, conference or institution may result in an allegation that the individual has violated NCAA ethical conduct bylaws. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.5 Interview with Member Institution. The director of athletics or other appropriate official of an institution shall be contacted by the Complex Case Unit in order to schedule interviews on the institution's campus with enrolled student-athletes or coaching or other institutional staff members with athletically related responsibilities who are believed to have knowledge of possible violations. Interviews should be conducted without disrupting normally scheduled academic activities whenever reasonably possible. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.5.1 Presence of Institutional Representative During Interview. If an interview with an enrolled student-athlete or athletics department staff member is conducted on the campus of an institution, an institutional representative (as designated by the institution) may be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual's institution or could affect the individual's eligibility or employment at the institution. If the Complex Case Unit wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or the staff member is employed, and would not reasonably affect the student's eligibility or the staff member's employment at that institution, the institution may designate a representative to be present during the interview, provided the
representative is someone who would not compromise the integrity of the investigation and whose participation would not prejudice the subject institution or any involved individual. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.6 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recordings or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement precludes the individual or institutional representative from recording or transcribing the interview. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.7 Access to Information. For all cases, the Complex Case Unit shall make available to the institution and any involved individual recorded interviews, interview summaries and/or interview transcripts, and other factual information pertinent to the case. The institution and involved individuals may review such information through a secure website or at the NCAA national office. (Adopted: 1/23/19 effective 8/1/19)

19.11.4.8 Statute of Limitations. Allegations included in a notice of allegations shall be limited to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: (Adopted: 1/23/19 effective 8/1/19)

(a) Allegations involving violations affecting the eligibility of a current student-athlete;
(b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and
(c) Allegations that indicate a blatant disregard for the Association’s fundamental recruiting, extra benefit, academic or ethical conduct bylaws or that involve an effort to conceal the occurrence of the violation. In such cases, the Complex Case Unit shall have an 18-month period after the date information concerning the matter becomes available to the Complex Case Unit to investigate and submit allegations concerning the matter.

19.11.5 Notice of Allegations and Opportunity to Respond.

19.11.5.1 Notice of Allegations Issued After Referral. If the Infractions Referral Committee refers a case to the independent accountability resolution structure before the enforcement staff issues a notice of allegations, and the Complex Case Unit determines that there is sufficient information for a hearing panel to conclude that a violation occurred, the Complex Case Unit shall issue a cover letter and notice of allegations to the chancellor or president of the institution. The institution and/or involved individuals, if applicable, shall be given notice of the alleged violation(s), the details of the alleged violation(s), the possible level of each alleged violation, the processing level of the case, the available hearing procedures and the opportunity to answer the allegations. The notice of allegations shall also identify the factual information and aggravating and/or mitigating factors on which the Complex Case Unit may rely in presenting the case. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.1.1 Notice to Institution’s Administration. The cover letter accompanying each notice of allegations shall: (Adopted: 1/23/19 effective 8/1/19)

(a) Inform the chancellor or president of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts;
(b) Request the chancellor or president to respond to the allegations and to provide all relevant information that the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the Independent Resolution Panel resolves the case; and
(c) Require the chancellor or president and other institutional staff to appear before a hearing panel at a time and place determined by the chief panel member.

19.11.5.1.2 Notice to Involved Individuals. The Complex Case Unit shall notify an involved individual of the allegations in a notice of allegations in which he or she is named. The involved individual shall receive notice of his or her duty to cooperate in the investigation and to appear at a hearing, if requested (and the potential consequences for failing to appear). The notice of allegations shall request the involved individual to respond to the allegations and to provide all relevant information that he or she has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the Independent Resolution Panel resolves the case. If an involved individual is employed at a member institution, a copy of the notification shall also be forwarded to the chancellor or president and the director of athletics of his or her institution. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.2 Notice of Allegations Issued Before Referral. If the Infractions Referral Committee refers a case to the independent accountability resolution structure after the enforcement staff issues a notice of allegations, the Complex Case
19.11.5.3 **Responses by Institutions or Involved Individuals.** The institution and all involved individuals may respond to the notice of allegations or, in accordance with applicable operating procedures, allegations issued by the enforcement staff as supplemented or amended by the Complex Case Unit. Any response shall be submitted to the hearing panel and Complex Case Unit, and pertinent portions to the institution and all involved individuals, by a deadline established by the chief panel member. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.4 **Reply by Complex Case Unit.** The Complex Case Unit shall submit a written reply to any responses to the notice of allegations, or incorporate as its own a reply submitted by the enforcement staff prior to referral of the case. The Complex Case Unit shall submit the reply to the hearing panel, and pertinent portions to the institution and involved individuals, by a deadline established by the chief panel member. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.5 **Submission of Information.** The parties shall submit information for consideration by the hearing panel by a deadline established by the chief panel member. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.6 **Prehearing Matters.**

19.11.5.6.1 **Procedural Matters.** The chief panel member has authority to resolve procedural and other matters that arise prior to the hearing. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.6.2 **Scheduling of Deadlines.** Upon referral, the chief panel member has authority to schedule deadlines for supplemental investigation, if any, case processing, submission of information and other matters related to the case. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.6.2.1 **Case Management Conferences.** The chief panel member may conduct a conference to schedule deadlines related to the case and/or address matters related to deadlines in the case. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.6.3 **Hearing Status Conference.** After the Complex Case Unit submits its reply in accordance with Bylaw 19.11.5.4, the chief panel member shall conduct a hearing status conference with the parties. The conference shall address any procedural matters to be resolved before the hearing, disputes between the parties, scheduling and logistics of the hearing, hearing attendees, order and manner of presentation of information at the hearing, issues to be discussed during the hearing and other matters related to the hearing. The chief panel member has authority to decide such matters. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.7 **Hearings.** The hearing panel shall hold a hearing to make factual findings and conclude whether violations of the NCAA constitution and bylaws occurred and, if so, to prescribe appropriate penalties as set forth in Bylaw 19.9 unless all participating parties agree to submit the case in writing without a hearing. The chief panel member shall preside over the hearing and oversee hearing administration and logistics. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.7.1 **Information Presented at Hearings.** At the hearing, the parties or their representatives have the obligation to present, to the extent reasonably possible, material, relevant information necessary for the hearing panel to reach an informed decision, including information that corroborates or refutes an allegation. The parties shall present information in accordance with applicable operating procedures and any decisions by the chief panel member. The panel may exclude information that it determines to be irrelevant, inmaterial or unduly repetitious. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.7.1.1 **Information from Confidential Sources.** At the hearing, the parties shall present only information that can be attributed to individuals who are willing to be identified. Information obtained from individuals not wishing to be identified shall not be relied on by the hearing panel in concluding whether a violation occurred. Such confidential sources shall not be identified to the hearing panel, the institution or an involved individual. *(Adopted: 1/23/19 effective 8/1/19)*

19.11.5.7.2 **Scope of Inquiry.** When an institution and/or involved individual appears before a hearing panel to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the panel from concluding that a violation occurred based on information developed or discussed during the hearing. In any case, the panel may make specific factual findings based on information presented by the parties or at a hearing even if different from the notice of allegations. *(Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)*
19.11.5.7.3 Appearance and Hearing Attendees. All parties to the case must appear before the hearing panel, unless otherwise approved by the chief panel member. Except as otherwise provided herein or as approved or ordered by the chief panel member, only institutional representatives, involved individuals, Complex Case Unit representatives, hearing panel members, a representative from the institution’s conference, a representative from a member institution employing an involved individual at the time of the hearing, select NCAA staff representatives, the audio recorder, the court reporter, other technical and support staff as approved by chief panel member, individuals with information germane to the case as approved by the chief panel member and individuals otherwise requested by the chief panel member may attend the hearing. An individual who appears before the panel may appear with personal legal counsel. The chief panel member may exclude an individual and his or her representative from portions of the hearing concerning matters in which the individual is not involved. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.7.3.1 Request for Specific Individuals. Institutional officials, current or former staff members, or enrolled student-athletes who are specifically requested by the chief panel member to appear before the hearing panel are expected to appear and may be accompanied by personal legal counsel. Failure to appear may result in a violation of this bylaw. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.7.3.2 Institutional Representatives. Except as otherwise approved or ordered by the chief panel member, at the time an institution appears before the hearing panel, its representatives should include the president or chancellor, head coach of the sport(s) in question, director of athletics and/or any individual with direct responsibility and oversight of the athletics department, senior compliance administrator, faculty athletics representative, legal counsel and/or other representatives, and other individuals whose attendance is requested by the chief panel member. Additional individuals may be included among the institution’s representatives only if approved by the chief panel member. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.7.4 Recording of Proceedings. The proceedings of the hearing shall be transcribed by a court reporter (unless otherwise approved by the chief panel member) and shall be recorded by the hearing panel. No additional verbatim recording of the proceedings will be permitted. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.8 Deliberations. The hearing panel shall deliberate following presentations by the parties. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.8.1 Request for Additional Information. In arriving at its decision, the hearing panel may request additional information from the parties. If additional information is requested, all parties will be afforded an opportunity to respond at the time such information is provided. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.8.2 Request for Interpretation. The hearing panel may request that the NCAA academic and membership affairs staff provide an interpretation of applicable legislation based on facts submitted by the hearing panel. If an interpretation is requested, the institution, involved individuals and the Complex Case Unit will be notified in writing of the interpretation request and the response. The institution may appeal the interpretation in accordance with Constitution 5.4.1.2. (Adopted: 1/23/19 effective 8/1/19)

19.11.5.8.3 Basis of Decision. The hearing panel shall base its decision on information presented to it that it determines to be credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs. The information upon which the panel bases its decision may be information that directly or circumstantially supports the alleged violation. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.3.1 Importation of Facts. Facts established by a decision or judgment of a court, agency, accrediting body, or other administrative tribunal of competent jurisdiction, which is not under appeal, or by a commission, or similar review of comparable independence, authorized by a member institution or the institution’s university system’s board of trustees and regardless of whether the facts are accepted by the institution or the institution’s university system’s board of trustees, may be accepted as true in the infractions process in concluding whether an institution or individual participating in the previous matter violated NCAA legislation. Evidence submitted and positions taken in such a matter may be considered in the infractions process. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.3.2 Materials Not Produced. The hearing panel may infer that materials requested during an investigation by the Complex Case Unit and/or enforcement staff but not produced by an institution or individual would support an alleged violation for which the party may be subject to a penalty pursuant to Bylaw 19.9. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.3.3 Failure to Participate in Interview. The hearing panel may view the failure or refusal to participate in an interview requested by the Complex Case Unit and/or enforcement staff as an admission that an
alleged violation, for which the individual may be subject to a penalty pursuant to Bylaw 19.9, occurred. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.3.4 Failure to Submit Timely Response to Notice of Allegations. The hearing panel may view the failure by an institution or individual to submit a timely response to a notice of allegations as an admission that an alleged violation, for which the party may be subject to penalty pursuant to Bylaw 19.9, occurred. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.4 Calculation of Penalty. If a hearing panel concludes that a violation occurred, it shall prescribe an appropriate penalty pursuant to Bylaw 19.9 or recommend to the Board of Directors suspension or termination of membership in an appropriate case. Failure to fully implement the prescribed penalty may be considered a violation and/or may subject the institution, and/or an institution employing an involved individual under a show-cause order, to further disciplinary action by the Independent Resolution Panel. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.5.8.4.1 Penalties Prescribed in Prior Cases. Penalties prescribed by the Committee on Infractions and Independent Resolution Panel in prior infractions cases shall have no precedential value. (Adopted: 1/23/19 effective 8/1/19)

19.11.6 Notification of Independent Resolution Panel Decision.

19.11.6.1 Infractions Decision. After a hearing, the hearing panel shall prepare and approve the final written infractions decision, which shall contain a statement of the findings of fact, conclusions of violations, penalties, corrective actions, requirements and (for institutions) any other conditions and obligations of membership. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.6.1.1 Provision of Decision to the Parties. The decision shall be sent to the chancellor or president of the involved institution (or his or her designee), any involved individuals and the vice president of enforcement (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.6.1.2 Public Infractions Decision. Once the decision has been provided to the parties, the hearing panel shall release a public infractions decision. The public infractions decision will not include names of individuals, but the panel may, at its discretion, identify the chancellor or president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of control or failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution’s governing body. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.11.6.2 Finality of Decision. Any decision by a hearing panel shall be final, binding and conclusive, and shall not be subject to further review by any governance body. (Adopted: 8/8/18 effective 8/1/19, Revised: 1/23/19 effective 8/1/19)

19.12.1 General Process for Alleged Violations. A Level III case is a case presenting Level III violations that do not collectively constitute a Level II violation. An institution or involved individual subject to a show-cause order in a Level III case may be represented by legal counsel and shall be provided the following: (Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14, 4/14/17)

(a) Notice of any specific allegations and the facts upon which such allegations are based; and

(b) An opportunity to provide a written response to the vice president of enforcement, or his or her designee, to answer such allegations by the production of factual information and to appeal to a hearing panel of the Committee on Infractions.

19.12.2 Determination by Enforcement Staff. After reviewing relevant information and consulting with the institution or involved individual, the enforcement staff shall conclude whether one or more Level III violations occurred. If the enforcement staff concludes that the alleged violation(s) should not be processed as a Level III case, it may process the case as Level I or Level II case, as appropriate, or determine that no further action is required. (Adopted: 10/30/12 effective 8/1/13, Revised: 4/14/17)

19.12.3 Authority to Prescribe Penalties. As authorized by the Committee on Infractions, upon a conclusion that one or more Level III violations occurred, the vice president of enforcement, or his or her designee, may determine whether a penalty is warranted and, if so, prescribe and announce an appropriate penalty pursuant to Bylaw 19.9.8. Failure to fully implement the penalty may be considered a violation and/or may subject the institution to further disciplinary action by the NCAA. Failure to
fully implement self-imposed actions may also subject the institution to further disciplinary action by the NCAA. *(Adopted: 10/30/12 effective 8/1/13, Revised: 7/31/14)*

**19.12.4 Appeal to Committee on Infractions.** If an institution or involved individual subject to a show-cause order disputes an action by the enforcement staff regarding a Level III violation, the institution or involved individual may appeal by submitting a notice of appeal through the online reporting system for Level III violations within 15 days after receipt of the enforcement staff’s decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An institution or involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, a hearing panel of the committee will review the appeal on the basis of the written record. The panel shall not deny an involved individual’s request to appear in person if a show-cause order was prescribed. *(Adopted: 10/30/12 effective 8/1/13)*

**19.12.4.1 Stay of Penalties.** If a notice of appeal is filed within the deadline, unless ordered otherwise by a hearing panel of the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. *(Adopted: 10/30/12 effective 8/1/13)*

**19.13 Restitution.** If a student-athlete who is ineligible under the terms of the constitution, bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Board of Directors may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions: *(Revised: 4/26/01 effective 8/1/01, 11/1/07 effective 8/1/08)*

(a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions;

(d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(f) Determine that the institution is ineligible for one or more NCAA championships in the sports and in the seasons in which such ineligible student-athlete participated;

(g) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated;

(h) Require that the institution shall remit to the NCAA the institution’s share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in the contest(s) selected for such telecast, or if the Board of Directors concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast; any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and

(i) Require that the institution that has been represented in an NCAA championship by such a student-athlete shall be assessed a financial penalty as determined by the Committee on Infractions.

BYLAWS, ARTICLE 20

Division Membership

20.01 General Principles.

20.01.1 Membership in the Association. Eligibility for membership in the Association; conditions, obligations and classes of Association membership; and procedures governing the termination, suspension and reinstatement of such membership are governed by Constitution 3.

20.01.2 Division Membership. Each active and provisional member institution and member conference is designated as a member of Division I, II or III for certain legislative and competitive purposes. In football, Division I is divided into the Football Bowl Subdivision and the Football Championship Subdivision (see Bylaw 20.7.1). Multidivision classification is permitted under specified circumstances (see Bylaw 20.4). (Revised: 12/15/06)

20.02 Definitions and Applications.

20.02.1 Multidivision Classification. Multidivision classification is the classification in which a sport is classified in a division other than the division in which an institution holds membership (see Bylaw 20.4). (Revised: 1/15/11 effective 8/1/11)

20.02.2 Performance Criterion. A performance criterion is a requirement for membership or classification in a division that must be met by the member institution prior to the date that the requirement becomes effective (e.g., during the academic year preceding the effective date). Performance criteria include, but are not limited to, minimum sports sponsorship requirements, minimum scheduling requirements and minimum game-attendance requirements.

20.02.3 Restricted Membership. Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship, scheduling). The institution placed in such status loses eligibility for a number of membership privileges and has from one year to three years to comply with the requirement involved. Failure to comply shall result in the termination of the institution’s membership in the Association. (Revised: 1/15/11 effective 8/1/11)

20.02.4 Emerging Sports for Women. The following shall be considered emerging sports for women and countable for purposes of revenue distribution (for sports sponsorship and grants-in-aid): (Adopted: 1/11/94 effective 9/1/94, Revised: 4/15/97, 1/12/99 effective 8/1/99, 4/27/00 effective 8/1/00, 4/25/02, 4/24/03 effective 8/1/03, 1/17/09 effective 8/1/09, 4/30/09, 1/16/10 effective 8/1/11, 1/15/11 effective 8/1/11, 1/18/14 effective 8/1/14, 10/30/14 effective 8/1/15)

(a) Team Sports: rugby; and

(b) Individual Sports: equestrian and triathlon.

20.02.4.1 Additional Emerging Sports. The Board of Directors periodically shall identify future emerging sports for women that shall be countable sports for revenue distribution and minimum sports sponsorship criteria and shall establish procedures to determine minimum contests and maximum grants in those sports. (Adopted: 1/11/94 effective 9/1/94)

20.02.4.2 Removal of Emerging Sports. A sport shall no longer be considered an emerging sport once the sport has been established as a championship sport. Further, an emerging sport is limited to a 10-year period to become a championship sport unless it can be demonstrated that steady growth has occurred during that time. (Adopted: 4/15/97)

20.02.5 Multisport Conference. A Division I multisport conference shall satisfy the requirements of this section. (Adopted: 1/15/11 effective 8/1/11)

20.02.5.1 Minimum Number of Members. A multisport conference shall be composed of at least seven active Division I members. The member conference shall include at least seven active Division I members that sponsor both men’s and women’s basketball. (Adopted: 1/15/11 effective 8/1/11)

20.02.5.2 Sports Sponsorship. A multisport conference shall satisfy the following requirements: (Adopted: 1/15/11 effective 8/1/11)

(a) The conference shall sponsor a minimum of 12 Division I sports;

(b) The conference shall sponsor a minimum of six men’s sports, one of which shall be men’s basketball. In addition to men’s basketball, the conference shall sponsor football or two other men’s team sports. A minimum of seven members shall sponsor men’s basketball. A minimum of six members shall sponsor five other sports, including football or two additional men’s team sports; and
(c) The conference shall sponsor a minimum of six women’s sports, one of which shall be women’s basketball. In addition to women’s basketball, the conference shall sponsor two other women’s team sports. A minimum of seven members shall sponsor women’s basketball. A minimum of six members shall sponsor five other sports, including two additional women’s team sports (or a minimum of five members for an emerging sport for women).

20.02.5.3 Regular-Season Conference Competition. Multisport conference members shall participate in regular-season conference competition, subject to the following requirements: (Adopted: 1/15/11 effective 8/1/11)

(a) Basketball teams shall participate in a regular-season conference schedule of a double round robin, in-season competition, or a minimum of 14 regular-season conference contests;

(b) In football or in a minimum of two men’s team sports other than men’s basketball [as required in Bylaw 20.02.5.2-(b)], teams shall compete in a minimum regular-season conference schedule of five contests. A minimum of five regular-season conference contests must be hosted by one of the two competing teams at its home venue; and

(c) In a minimum of two women’s team sports other than women’s basketball (as required in Bylaw 20.02.5.2), teams shall compete in a minimum regular-season conference schedule of five contests. A minimum of five regular-season conference contests must be hosted by one of the two competing teams at its home venue.

20.02.5.4 Continuity. A multisport conference shall establish continuity. To establish continuity, a multisport conference must meet the requirements of Bylaw 20.02.5.1. In addition, the conference must meet the requirements of Bylaws 20.02.5.2 and 20.02.5.3 for a period of eight consecutive years. (Adopted: 1/15/11 effective 8/1/11)

20.02.5.5 Grace Period. A conference shall continue to be considered a multisport conference for two years following the date of withdrawal of the institution(s) that causes the conference’s noncompliance with the minimum multisport conference requirements. (Adopted: 1/15/11 effective 8/1/11)

20.02.6 Football Bowl Subdivision Conference. A conference classified as a Football Bowl Subdivision conference shall be comprised of at least eight full Football Bowl Subdivision members that satisfy all bowl subdivision requirements. An institution shall be included as one of the eight full Football Bowl Subdivision members only if the institution participates in the conference schedule in at least six men’s and eight women’s conference-sponsored sports, including men’s basketball and football and three women’s team sports including women’s basketball. A conference-sponsored sport shall be a sport in which regular-season and/or championship opportunities are provided, consistent with the minimum standards identified by the applicable NCAA sport committee for automatic qualification. (Adopted: 10/31/02 effective 8/1/05, Revised: 12/15/06)

20.02.6.1 Exception. A Football Bowl Subdivision member institution shall be permitted to count as one of its required six men’s sports and one of its required eight women’s sports a sport in which its conference does not sponsor or conduct a championship, provided the sport is one in which it participates in another Division I multi- or single-sport conference. Different sports may be counted for men and women. (Adopted: 4/29/04 effective 8/1/05, Revised: 12/15/06)

20.02.6.2 Grace Period. A conference shall continue to be considered a Football Bowl Subdivision conference for two years following the date when it fails to satisfy the eight full Football Bowl Subdivision member requirement due to one or more of its member’s failure to comply with the bowl subdivision membership requirements. (Adopted: 4/28/05 effective 8/1/05, Revised: 12/15/06)

20.02.7 Full Grant. For purposes of Bylaw 20, a full grant is the value of tuition and fees, room and board, and required course-related books. (Adopted: 1/17/15 effective 8/1/15)

20.2 Establishment of and Compliance With Division Criteria.

20.2.1 Adoption of Criteria. The members of the division, through the legislative process, may establish division criteria for membership and competition by sport.

20.2.2 Effective Date and Compliance Period. In establishing criteria, the members of the division shall specify the effective date and compliance period, if any. Each institution (either as a member of that division or as an institution that competes in a sport in that division under the provisions of multidivision classification per Bylaw 20.4) shall conform to the requirements of the criteria by that effective date or by the end of the compliance period, whichever is later.

20.2.2.1 Deadline for Meeting Performance Criterion. An institution must comply with any specific performance criterion adopted by the membership of its division (e.g., that the institution sponsor a minimum number of sports, schedule and play a specific percentage or number of contests against opponents of a certain division, or demonstrate a specific level of paid attendance) by the end of the academic year prior to the effective date of the legislation.

20.2.3 Failure to Conform by Effective Date. If an institution has not conformed to the adopted criteria of its division by the effective date or the end of the prescribed compliance period, the institution’s membership (or its sport per Bylaw 20.4)
shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution (or its sport per Bylaw 20.4) shall be reclassified in accordance with Bylaw 20.2.5.

20.2.4 Continuation of Compliance. To retain division membership or approved multidivision classification (per Bylaw 20.4), each member institution shall continue to meet division criteria when any grace period expires. If an institution fails to remain in compliance with its division's criteria, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution shall be reclassified in accordance with Bylaw 20.2.5 and also shall be subject to the Association’s infractions process. (Revised: 7/31/14)

20.2.5 Noncompliance and Waivers of Division Criteria.

20.2.5.1 Restricted Membership.

20.2.5.1.1 Minimum One-Year Compliance Period. If an institution (or its sport per Bylaw 20.4) does not qualify for membership in any division, the institution (or its sport per Bylaw 20.4) may be placed in a restricted membership category for a minimum of one year. At the conclusion of the minimum one-year period, the institution automatically shall be granted membership in its preferred division, provided the institution complies with the division's criteria. If the institution does not meet the criteria of any division at the end of the restricted membership period, the institution shall forfeit its membership in the Association. (Revised: 1/15/11 effective 8/1/11)

20.2.5.1.2 Failure to Meet Minimum Sports Sponsorship Criteria.

20.2.5.1.2.1 One-Year Probationary Period. An institution that fails to meet either the minimum men’s or women’s sports sponsorship criterion for its division shall be placed on probation for one year for its entire program (both men’s and women’s sports) in the next academic year after noncompliance with sports sponsorship requirements is discovered. An institution shall be afforded the one-year probationary period for failure to comply with sports sponsorship criteria only once in every 10-year period. The 10-year period shall begin the September 1 following completion of the academic year in which the membership criterion is not met. (Revised: 1/11/89)

20.2.5.1.2.2 Application of Restricted Membership Status. If an institution fails to meet the sports sponsorship criteria at the end of the probationary year or is ineligible for the once-in-10-year probationary period, it shall be placed in restricted membership and shall not be eligible for NCAA championship competition in all sports (both men’s and women’s) in the first academic year after the probationary year (or the first academic year after failure to meet the requirements if the institution is ineligible for the once-in-10-year probationary period). If the institution still cannot certify compliance with the division criteria at the end of that year, it shall forfeit its membership in the Association. (Revised: 1/11/89, 1/15/11 effective 8/1/11)

20.2.5.1.3 Failure to Meet Division Scheduling Requirement. An institution that fails to meet the division scheduling requirement in a sport shall be placed in the restricted membership category in that sport, with men’s and women’s teams in the same sport treated separately. The sport shall be in the restricted membership category for not longer than a three-year period.

20.2.5.1.4 Failure to Meet Financial Aid Minimums. An institution that fails to meet the financial aid minimums shall be placed in the restricted membership category for a period of one year. (Adopted: 11/1/00 effective 8/1/01)

20.2.5.1.5 Voting Privileges and Eligibility for Championships. The institution shall identify its preferred division and, during the period of restricted membership, shall be:

(a) In compliance to the greatest extent possible with that division’s scheduling criteria;

(b) Bound by all other applicable rules of the Association;

(c) Permitted to vote only on dominant issues, unless the restricted membership status is in one sport, in which case its loss of voting privileges shall apply only to that sport; and

(d) Ineligible for NCAA championships and postseason football contests, unless the restricted membership status is in one sport, in which case loss of eligibility for championships and postseason football contests shall apply only to that sport.

20.2.5.1.6 Division Members Counting a Restricted Opponent. During the period of its restricted membership, an institution may be counted by its classified opponents as a member of the restricted institution’s desired division for purposes of the opponents’ meeting their division’s scheduling criteria; however, a restricted member shall not count another restricted member for such purposes.
20.2.5.1.6.1 Restricted Members Counting a Restricted Opponent. A contest between two institutions in restricted membership status in a sport shall not be counted as a contest by either institution for purposes of the scheduling criterion in the sport in which they are restricted, provided this exception is not applied to more than 25 percent of an institution’s contests in the sport in question for any particular season.

20.2.5.1.7 No Voluntary Selection of Restricted Membership Category. Restricted membership status is imposed only when an institution has failed to comply with division membership criteria. An institution is not permitted to select voluntarily or to request that it be placed in the restricted membership category.

20.2.5.1.8 Removal of Restricted Membership Status. When an institution that has been placed in restricted membership status wishes to return to its original membership division, it shall meet the criteria that were in effect at the time it became restricted or that have become effective since that time. If a restricted institution wishes to move to a different membership division, it is considered a petitioner for change of division membership per Bylaw 20.5 and would be required to meet all of the new division’s criteria at the time the institution leaves restricted status.

20.2.5.2 Loss of Membership.

20.2.5.2.1 Failure to Meet Three-Season Requirement. If an active member no longer meets the three-season requirement for either men or women, it shall immediately forfeit its membership in the Association. (Revised: 5/8/06, 1/15/11 effective 8/1/11)

20.2.5.3 Waivers of Division I Membership Criteria. The Strategic Vision and Planning Committee, by a two-thirds majority of its members present and voting, may grant waivers of the Division I membership criteria according to the procedures specified below. (Revised: 1/11/94 effective 9/2/94, 4/24/03 effective 8/1/03, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

20.2.5.3.1 Submission of Request. The institution shall submit its written request for a waiver to the Strategic Vision and Planning Committee, and it shall be received in the national office not later than September 15. The request shall be signed by the institution’s president or chancellor and shall include pertinent information supporting the institution’s request. The committee, by a two-thirds majority of its members present and voting, may waive the September 15 deadline due to circumstances beyond an institution’s control. (Revised: 1/19/96, 4/24/03 effective 8/1/03, 3/8/06, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

20.2.5.3.2 Effective Date of Waiver. If the division votes to admit the institution as a member of that division, such classification shall become effective: (Adopted: 1/11/89, Revised: 1/10/90, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

(a) In accordance with the requirements of Constitution 3.2.3.3 if a new member of the Association is involved;
(b) September 1 following the Strategic Vision and Planning Committee action if an active member institution is seeking multidivision classification or change of division membership; or
(c) Immediately if the institution receives a waiver of the restricted membership classification.

20.2.5.3.2.1 Maximum Three-Year Waiver Period. If after three years from the effective date of multidivision classification or reclassification (September 1 following the Strategic Vision and Planning Committee action) the institution receiving such a waiver has not conformed to all adopted criteria of the division, the institution’s membership (or its sport per Bylaw 20.4): (Revised: 1/11/94 effective 9/2/94, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

(a) Shall be assigned to a division for which it qualifies in accordance with Bylaw 20.5.1; or
(b) Shall be placed in the restricted membership category for a minimum of one year in accordance with Bylaw 20.2.5.1 if the member (or its sport per Bylaw 20.4) does not qualify for any division.

20.2.5.3.2.2 Eligibility for Championships. The institution receiving such a waiver shall be accorded all privileges of division membership during this waiver period; however, its eligibility for championships shall require compliance with the institutional eligibility requirements of Bylaw 20.4.3 or 20.5.3.

20.2.5.3.3 Rejection of Waiver Request. If the Strategic Vision and Planning Committee votes to reject the institution’s request, the institution’s membership (or its sport per Bylaw 20.4): (Adopted: 4/24/03 effective 8/1/03, Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

(a) Shall be reassigned to a division for which it qualifies;
(b) Shall be placed in the restricted membership category, if it does not qualify for any division (see Bylaw 20.2.5.1); or
(c) Shall be required to repeat the membership process.
20.4 Multidivision Classification/Reclassification of Football Subdivision.

20.4.1 Multidivision Classification. A member of Division II or Division III may have a sport classified in Division I, provided the sport was so classified during the 2010-11 academic year. Such a classification shall continue until the institution fails to conduct the sport in Division I in any subsequent academic year. (Revised: 8/9/07, 1/15/11 effective 8/1/11)

20.4.1.1 Reclassification of a Sport of the Opposite Gender. A member of Division II or Division III that had one sport classified in Division I during the 2010-11 academic year may petition to have one sport of the opposite gender, other than football or basketball, classified in Division I, provided the original sport remains classified in Division I. (Adopted: 10/27/11 process to begin with applications received by 6/1/12)

20.4.1.1.1 Notification/Application Requirement. An institution’s chancellor or president shall submit to the national office written notice of the institution’s intention to reclassify and a completed application. The notice and application shall be received in the national office (by mail or electronic transmission) not later than June 1 two years prior to August 1 of the year the institution intends to reclassify the applicable sport. Any form received after June 1 shall be postmarked not later than May 25. The notice and application shall be accompanied by a $10,000 fee and a strategic plan that addresses the Division I philosophy statement (see Bylaw 20.9.2) and the requirements set forth by the Strategic Vision and Planning Committee. If the institution fails to meet the requirements of reclassification, the application fee shall be refunded, less any expenditure for educational costs related to the reclassification process. (Adopted: 10/27/11 process to begin with applications received by 6/1/12, Revised: 1/19/13, 8/7/14, 10/5/16)

20.4.1.2 Compliance With Criteria. The Strategic Vision and Planning Committee shall monitor the institution’s progress and compliance with the criteria of the reclassification process. The committee shall have the authority to deny advancement to the next year of the process if it determines that deficiencies warrant a requirement that the institution repeat the first year. If the institution meets all applicable division membership criteria of this article (other than scheduling requirements during the first year of reclassification) and complies for the two years preceding June 1 of the year the institution intends to reclassify the applicable sport with all other bylaw requirements, the chancellor shall refer the institution’s request for participation in the division in that sport to the Board of Directors for election effective August 1 of the year that the institution selects as its effective date. (Adopted: 10/27/11 process to begin with applications received by 6/1/12, Revised: 7/22/13, 8/7/14, 10/6/17)

20.4.1.3 Reclassification Requirements.

20.4.1.3.1 First Year. During the first year of reclassification, an institution shall satisfy the following requirements: (Adopted: 10/27/11 process to begin with applications received by 6/1/12, Revised: 8/7/14, 10/6/17)

(a) Attend an orientation session conducted by the national office staff related to the application of Division I membership requirements. Institutional representatives required to attend the orientation session are the chancellor or president (or an individual appointed by the chancellor or president with executive status at the institution), the director of athletics representative and the senior compliance administrator;

(b) Submit an annual report and updated strategic plan by June 1 at the end of the first academic year based on feedback received from the previous year’s report; and

(c) Report all violations as part of the required annual report.

20.4.1.3.2 Second Year. During the second year of reclassification, an institution shall satisfy the following requirements: (Adopted: 10/27/11 process to begin with applications received by 6/1/12, Revised: 8/7/14, 10/6/17)

(a) Full compliance with all Division I legislation and membership requirements; and

(b) Submit an annual report and updated strategic plan confirming compliance with all Division I legislation and membership requirements; and

(c) Report all violations as part of the required annual report.

20.4.1.3.3 Compliance Review Requirement. The institution must engage in a compliance review (at the institution’s expense) during the multidivision reclassification period. The review must be conducted by an authority outside the athletics department (e.g., multisport conference, outside consultant), subject to approval by the Strategic Vision and Planning Committee. A copy of the report must be submitted to the Strategic Vision and Planning Committee. (Adopted: 10/27/11 process to begin with applications received by 6/1/12, Revised: 8/7/14, 10/4/17, 1/23/19)

20.4.2 Football Subdivision Reclassification Options. A member of Division I may petition to be classified in football in the Football Bowl Subdivision or the Football Championship Subdivision. (Adopted: 1/15/11 effective 8/1/11)
20.4.2.1 Reclassification from Football Championship Subdivision to Football Bowl Subdivision.

20.4.2.1.1 Eligibility for Reclassification. Before a Football Championship Subdivision institution may apply for reclassification to the Football Bowl Subdivision, the institution must receive a bona fide invitation for membership from a Football Bowl Subdivision conference or a conference that previously met the definition of a Football Bowl Subdivision conference (see Bylaw 20.02.6). (Adopted: 1/15/11 effective 8/1/11)

20.4.2.1.2 Notification/Application Requirement. The chancellor or president from a Football Championship Subdivision institution that intends to petition for reclassification to the Football Bowl Subdivision, per Bylaw 20.4.2, shall submit to the national office written notice of the institution’s intention to reclassify and a completed application. The notice and application shall be received in the national office (by mail or electronic transmission) not later than June 1 two years prior to the August 1 when the institution intends to reclassify to the Football Bowl Subdivision. Any form received after June 1 shall be postmarked not later than May 25. The notice and application shall be accompanied by a $5,000 fee and a strategic plan that addresses the Division I philosophy statement (see Bylaw 20.9.2) and any requirements set forth by the Strategic Vision and Planning Committee. If the institution fails to qualify for membership in the Football Bowl Subdivision, the application fee shall be refunded, less any expenditure for educational costs related to the reclassification process. 20.9 Division I Membership.

20.9.1 Commitments to the Division I Collegiate Model. In addition to the purposes and fundamental policy of the National Collegiate Athletic Association, as set forth in Constitution 1, members of Division I support the following commitments in the belief that these commitments assist in defining the nature and purposes of the division. These commitments are not binding on member institutions, but serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. (Adopted: 1/19/13 effective 8/1/13)
20.9.1.1 The Commitment to Value-Based Legislation. Bylaws proposed and enacted by member institutions governing the conduct of intercollegiate athletics shall be designed to foster competition in amateur athletics, promote the Association’s enduring values and advance the Collegiate Model as set forth in the NCAA Constitution. In some instances, a careful balancing of these values may be necessary to help achieve the purposes of the Association. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.2 The Commitment to Amateurism. Member institutions shall conduct their athletics programs for students who choose to participate in intercollegiate athletics as a part of their educational experience and in accordance with NCAA bylaws, thus maintaining a line of demarcation between student-athletes who participate in the Collegiate Model and athletes competing in the professional model. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.3 The Commitment to Fair Competition. Bylaws shall be designed to promote the opportunity for institutions and eligible student-athletes to engage in fair competition. This commitment requires that all member institutions compete within the framework of the Collegiate Model of athletics in which athletics competition is an integral part of the student-athlete’s effort to acquire a degree in higher education. The commitment to fair competition acknowledges that variability will exist among members, including facilities, geographic locations and resources, and that such variability should not be justification for future legislation. Areas affecting fair competition include, but are not limited to, personnel, eligibility and amateurism, recruiting, financial aid, the length of playing and practice seasons, and the number of institutional competitions per sport. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.4 The Commitment to Integrity and Sportsmanship. It is the responsibility of each member institution to conduct its athletics programs and manage its staff members, representatives and student-athletes in a manner that promotes the ideals of higher education and the integrity of intercollegiate athletics. Member institutions are committed to encouraging behavior that advances the interests of the Association, its membership and the Collegiate Model of athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity and ethical conduct. These values should be manifest not only in athletics participation, but also in the broad spectrum of activities affecting the athletics programs. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.5 The Commitment to Institutional Control and Compliance. It is the responsibility of each member institution to monitor and control its athletics programs, staff members, representatives and student-athletes to ensure compliance with the Constitution and bylaws of the Association. Responsibility for maintaining institutional control ultimately rests with the institution’s campus president or chancellor. It is also the responsibility of each member institution to report all breaches of conduct established by these bylaws to the Association in a timely manner and cooperate with the Association’s infractions process. Upon a conclusion that one or more violations occurred, an institution shall be subject to such disciplinary and corrective actions as may be prescribed by the Association on behalf of the entire membership. (Adopted: 1/19/13 effective 8/1/13, Revised: 7/31/14)

20.9.1.6 The Commitment to Student-Athlete Well-Being. Intercollegiate athletics programs shall be conducted in a manner designed to enhance the well-being of student-athletes who choose to participate and to prevent undue commercial or other influences that may interfere with their scholastic, athletics or related interests. The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their academic pursuits. It is the responsibility of each member institution to establish and maintain an environment in which student-athletes’ activities, in all sports, are conducted to encourage academic success and individual development and as an integral part of the educational experience. Each member institution should also provide an environment that fosters fairness, sportsmanship, safety, honesty and positive relationships between student-athletes and representatives of the institution. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.7 The Commitment to Sound Academic Standards. Standards of the Association governing participation in intercollegiate athletics, including postseason competition, shall be designed to ensure proper emphasis on educational objectives and the opportunity for academic success, including graduation, of student-athletes who choose to participate at a member institution. Intercollegiate athletics programs shall be maintained as an important component of the educational program, and student-athletes shall be an integral part of the student body. Each member institution’s admission and academic standards for student-athletes shall be designed to promote academic progress and graduation and shall be consistent with the standards adopted by the institution for the student body in general. (Adopted: 1/19/13 effective 8/1/13)

20.9.1.8 The Commitment to Responsible Recruiting Standards. Recruiting bylaws shall be designed to promote informed decisions and balance the interests of prospective student-athletes, their educational institutions, the Association’s member institutions and intercollegiate athletics as a whole. This commitment includes minimizing the role of external influences on prospective student-athletes and their families and preventing excessive contact or pressure in the recruitment process. (Adopted: 1/19/13 effective 8/1/13)
20.9.1.9 The Commitment to Diversity and Inclusion. The Division I membership believes in and is committed to the core values of diversity, inclusion and equity, because realization of those values improves the learning environment for all student-athletes and enhances excellence within the membership and in all aspects of intercollegiate athletics. The membership shall create diverse and inclusive environments, promote an atmosphere of respect for and sensitivity to the dignity of every person, and include diverse perspectives in the pursuit of academic and athletic excellence. Member institutions, with assistance from the national office, are expected to develop inclusive practices that foster positive learning and competitive environments for student-athletes, as well as professional development and opportunities for athletics administrators, coaches and staff from diverse backgrounds. (Adopted: 1/19/13 effective 8/1/13)

20.9.2 Division I Philosophy. Members of Division I support the following principles in the belief that the following statements provide further definition of the nature and purposes of the division. These statements are not binding on member institutions, but serve as additional guidance for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. A member of Division I: (Revised: 1/19/13 effective 8/1/13)

(a) Subscribes to high standards of academic quality, as well as breadth of academic opportunity;
(b) Strives in its athletics program for regional and national excellence and prominence. Accordingly, its recruitment of student-athletes and its emphasis on and support of its athletics program are, in most cases, regional and national in scope;
(c) Recognizes the dual objective in its athletics program of serving both the university or college community (participants, student body, faculty-staff, alumni) and the general public (community, area, state, nation);
(d) Believes in offering extensive opportunities for participation in varsity intercollegiate athletics for both men and women;
(e) Sponsors at the highest feasible level of intercollegiate competition one or both of the traditional spectator-oriented, income-producing sports of football and basketball. In doing so, members of Division I recognize the differences in institutional objectives in support of football; therefore, the division provides competition in that sport in the Bowl Subdivision and the Championship Subdivision;
(f) Believes in scheduling its athletics contests primarily with other members of Division I, especially in the emphasized, spectator-oriented sports, as a reflection of its goal of maintaining an appropriate competitive level in its sports program;
(g) Maintains institutional control over all funds supporting athletics; and
(h) Understands, respects and supports the programs and philosophies of other divisions. Occasionally, institutions from other divisions or athletics associations will seek membership in Division I. In such cases, the applicants should be required to meet, over a period of time, prescribed criteria for Division I membership in order to ensure that such institutions agree and comply with the principles and program objectives embodied in this statement.

20.9.3 Financial Aid Requirements.

20.9.3.1 Maximum Limitations. A member of Division I shall not make an award of financial aid (for which the recipient’s athletics ability is considered in any degree) in excess of the number permitted by the provisions of the bylaws governing Division I financial aid awards limitations (see Bylaw 15.5). (Revised: 1/10/91 effective 9/1/94)

(a) A minimum of 50 percent of the maximum allowable grants in 14 sports, at least seven of which must be women’s sports. If an institution uses indoor track and field, outdoor track and field and cross country to meet the financial aid criterion, it must award the equivalent of at least 80 percent of the full grants for men and 80 percent of the full grants for women in those sports. If the institution counts two of those three sports to meet the financial aid criterion, it must award the equivalent of at least 70 percent of the full grants for men and 70 percent of the full grants for women. If the institution counts indoor and outdoor track and field as one sport, it must award the equivalent of at least 50 percent of the full grants for men and 50 percent of the full grants for women;

This provision shall be applicable to an institution in a given year if the average per-student allotment of Pell Grant dollars for undergraduates reported to the U.S. Department of Education the previous September is more than one standard deviation above the mean for all reporting Division I member institutions that year. If an institution does not qualify under this provision after having been able to do so the previous year, the institution may continue to use this alternative for one year and shall not be required to meet the provisions of (a), (b) or (c) above until the following year. This provision shall be applicable only to institutions that were members of Division I on September 1, 1990.

**20.9.6.3.3 Counting Multiteam Events in Individual Sports.** In cross country and indoor and outdoor track and field, a multiteam event shall count as one contest. In the individual sports other than cross country and indoor and outdoor track and field, not more than three institution-versus-institution meetings shall be counted as contests in any multiteam competition (e.g., quadrangular meet). **20.9.6.3.3.2 Regional Cross Country Qualifying Meets.** An institution may count participation in a regional cross country meet in meeting the minimum-contest requirement, provided the institution meets the
minimum-participant requirement per Bylaw 20.9.6.3 and no qualifying standards exist for participation in the meet. (Adopted: 1/11/94)

20.9.6.3.4 Individual Sports -- One or More Sites. In the individual sports, if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on the same day equals or exceeds the minimum number of participants per Bylaw 20.9.6.3, an institution may use the competition as a contest in meeting the minimum-contest requirements (see Bylaw 17.02.6.1). (Adopted: 1/16/93)

20.9.6.3.4.1 Exception -- Multiday Meets -- Track and Field. In track and field, if the number of student-athletes participating in a multiday meet on behalf of the institution during the course of the entire meet equals or exceeds the minimum number of participants per Bylaw 20.9.6.3 and the meet is conducted on consecutive days, an institution may use the competition as a contest in meeting the minimum-contest requirements. (Adopted: 1/17/09 effective 8/1/09)

20.9.6.3.5 Contests in Two Seasons. If an institution sponsors the same sport in two different seasons of the same academic year, it may count contests in both seasons, provided regular varsity competition is sponsored in both seasons and is so listed on the institution’s official schedule in that sport.

20.9.6.3.6 Contests vs. Club Teams. A contest against a collegiate institution’s club team may not be counted toward meeting minimum-contest requirements. However, a member is not precluded from scheduling club teams.

A multi-opponent tournament (see Bylaw 20.9.6.3) may count toward meeting minimum-contest requirements if not more than 40 percent of the participating teams are club teams affiliated with four-year collegiate institutions. (Adopted: 1/15/11 effective 8/1/11)

A member institution may receive credit for sponsoring both indoor track and field and outdoor track and field, provided its team participates in a total of at least eight indoor and outdoor meets during the year, including at least three indoor and three outdoor meets. (Revised: 4/25/18 effective 8/1/18)

3. If an institution uses indoor track and field, outdoor track and field and cross country to meet the financial aid criterion, it must award the equivalent of at least 50% of the full grants for men and 50% of the full grants for women in these sports. If the institution counts two of those three sports to meet the financial aid criterion, it must award the equivalent of at least 75% of the full grants for men and 75% of the full grants for women. If the institution counts indoor and outdoor track and field as one sport, it must award the equivalent of at least 50% of the full grants for men and 50% of the full grants for women.

Executive Regulations

31.01 General Principles.

31.01.1 Names of Championships. All NCAA championships (see Bylaw 18.3) have formal designations that identify their appropriate category and sport classification (see Bylaw 31.02.2). The name of each championship is the property of the Association (see Bylaw 31.6).

31.01.2 Postseason Championship Opportunities. NCAA championships are intended to provide national-championship competition among the best eligible student-athletes and teams at the conclusion of the respective sport seasons, with consideration for regional structures that may be approved for certain championships.

31.01.3 Size of Championship Fields. The size of all NCAA championships fields shall be established by the applicable sport oversight committee or the Competition Oversight Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (See Bylaw 31.3.1 for the criteria to be considered in establishing the size of the championship field.) (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.01.4 Economy of Operation. Every sports committee (see Bylaws 21.02.1 through 21.02.3) and games committee (Bylaw 31.1.2) shall exercise all possible economy in the conduct of an NCAA championship.

31.02 Definitions and Applications.

31.02.1 Automatic Qualification. Automatic qualification is the automatic entry into a championship field by a team or individual student-athletes representing a member conference recommended by the appropriate sports committee and approved by the applicable sport oversight committee or the Competition Oversight Committee (see Bylaw 31.3.4). (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.02.2 Championships Classification and Terminology.

31.02.2.1 Team Championships. Generally, team championships are those conducted for the team sports (see Bylaw 17.02.18.1). The title of a team championship is always singular and is identified as a National Collegiate Championship or a division championship (e.g., National Collegiate Women’s Water Polo Championship, Division I Men’s Basketball Championship).

31.02.2.2 Individual-Team Championships. Generally, individual-team championships are those conducted for the individual sports (see Bylaw 17.02.18.2). The title of an individual-team championship is always plural, reflecting the fact that both individual and team championships are determined (e.g., National Collegiate Men’s Gymnastics Championships, Division I Women’s Tennis Championships).

31.02.3 Core Conference. A core conference is a multisport conference that has been elected to membership and, as a result of legislation, is identified in the applicable sections of Constitution 4 related to representation in the NCAA governance structure. (Adopted: 1/15/11 effective 8/1/11)

31.02.4 Misconduct. Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. Additional policies of an administrative nature are set forth in the respective championships handbooks and are to be followed in the administration of NCAA championships. (Revised: 8/9/07, 11/1/07 effective 8/1/08, 8/7/14, 10/30/14, 10/4/17)

31.1.1.1 Waivers. The NCAA president shall be authorized to grant waivers of executive regulations governing the conduct of an NCAA championship when warranted by special and unusual circumstances.

31.1.1.2 Appeal of Decisions of Sports Committees. An appeal of a decision of a governing sports committee, or a subcommittee designated by it, concerning questions of individual or institutional eligibility or the conduct of a championship will not be considered by the applicable sport oversight committee or the Competition Oversight Committee.
at any time during the championship or 48 hours immediately preceding the beginning of the championship. During such period, the governing sports committee, or a subcommittee designated by it, shall be the final authority in acting upon appeals concerning the conduct of the championship, subject to the provisions of Bylaw 31.2 regarding institutional and individual eligibility questions. (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

The games committee conducting any NCAA championship shall limit participation to eligible student-athletes and may limit the number of entries or reject any application for entry in any event in order that the competition shall best promote the welfare and interest of the sport involved.

31.1.3 Sites and Dates. The governing sports committees recommend to the applicable sport oversight committee or the Competition Oversight Committee the sites and dates for all NCAA championships. (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.1.3.1 Approval. Approval shall be obtained before final site commitments are made to the host institution or any other individual or organization associated with the management of an NCAA championship. However, in baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball and volleyball, the governing sports committees are authorized to select sites for preliminary rounds of competition without prior approval. 31.1.3.2.2 Nonpredetermined Site. If a championship site is not predetermined, the governing sports committee may award the site to the higher-ranked team if the above criteria, and any priorities established by the respective division championships committee, are met.

31.1.3.2.3 On-Campus Versus Off-Campus Sites. Preference shall be given to conducting competition on the grounds or in the buildings of educational institutions unless there are compelling reasons, based on evaluation of the criteria in Bylaw 31.1.3.2.1 (which shall be applied to both on-campus and off-campus sites), to conduct the competition in an off-campus facility. In those instances in which it is advisable to conduct the competition at off-campus sites, the host institution(s) shall have complete control, supervision and management of the facility being used. (Revised: 12/3/90)

31.1.3.2.4 Reconsideration of Host Institution. The applicable sport oversight committee or the Competition Oversight Committee may reconsider the designation of a host institution for an NCAA championship if that institution’s team or individual student-athletes are not eligible to compete in the championship. 31.1.10.2 Misconduct Incident During Competition. If the act of misconduct occurs during the competition, under normal circumstances the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day’s competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing following this action. Other acts of misconduct may be dealt with at the governing sports committee’s convenience. (Revised: 8/13/92)

(See Figure 16-1, Figure 16-2 and Figure 16-3 for additional limitations on awards.) (Revised: 8/8/02, 11/1/07 effective 8/1/08, 8/7/14)

31.1.12.1 Additional Awards. Subject to the director of athletics’ discretion, an institution may purchase standard participant or commemorative awards at the level in which the institution competed. The NCAA awards form shall be used to purchase additional awards. (Adopted: 8/8/02, Revised: 10/28/04, 5/18/05)

31.1.12.2 Other Permissible Awards. The above provision places no restriction on the presentation of awards at banquets or meetings held in conjunction with the championship or at sites other than that of the championships competition itself.

31.1.13 Admission and Tickets. Admission shall be charged at all NCAA championships unless a governing sports committee determines that charging admission is not feasible because of facility configuration or the expense relative to the event’s attendance history. Ticket prices shall be determined by the respective games committees with the approval of the governing sports committee.

31.2 Eligibility for Championships.

31.2.1 Institutional Eligibility. To be eligible to enter teams or individual student-athletes in NCAA championships, an institution shall recognize the sport involved as a varsity intercollegiate sport (see Bylaw 17.02.18) and shall meet the institutional requirements set forth in Bylaw 18.4.2.1 applicable to the division in which the institution is a member or for which it is petitioning for eligibility in a sport. An institution that holds membership in a member conference may not enter teams or individuals in an NCAA championship unless they are eligible for such competition under the rules of that conference [see Bylaw 18.4.2.1-(a)].

31.2.1.1 Commitment to Participate. Eligible members in a sport who are not also members of the National Association of Intercollegiate Athletics will participate (if selected) in the NCAA championship or in no postseason competition in that sport. (Revised: 8/12/91)
31.2.1.2 Deadline. The institutional eligibility requirements for entry into NCAA championships (see Bylaw 18.4.2) must be met by the following dates [in addition to the deadline for the academic reporting form required for Division I set forth in Bylaw 18.4.2.2-(c)]:

(a) September 15 for fall championships;
(b) December 1 for winter championships; and
(c) March 1 for spring championships.

31.2.1.2.1 Compliance with Deadline. Any dues check or approved form required shall be received in the national office by the applicable date or must have been postmarked not later than seven days prior to the applicable date.

31.2.1.3 Deadline Waivers. Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the applicable sport oversight committee or the Competition Oversight Committee for a waiver. If the appeal is granted, the institution may be restored to eligibility for NCAA championships. (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.2.1.3.1 Penalty for Additional Waiver. An institution that fails to meet a deadline again may be granted a waiver only on payment of a penalty of $150 for the second offense and $300 for each offense thereafter during the five-year period preceding the last offense. On approval of such waiver and receipt of the institution’s check in the national office, the institution may compete in NCAA championships, provided it is otherwise eligible. (Revised: 11/1/07 effective 8/1/08)

31.2.1.4 Joint-Declaration Program. The NCAA and the National Association of Intercollegiate Athletics together administer a joint-declaration program in those men’s and women’s sports in which there is a date conflict between the national championships of the two organizations. In such championships, each institution that holds membership in both organizations must declare by mid-September each year whether it will participate (if selected) in the NAIA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in both associations’ championships in the particular sport(s) that year. An appeal process exists for such institutions and such an appeal may be submitted to the applicable sport oversight committee or the Competition Oversight Committee. (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.2.1.5 National Collegiate Championships. In team sports in which the NCAA offers only one national championship, all member institutions in good standing are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.9) and institutional eligibility (per Bylaw 31.2.1).

31.2.1.6 Division Championships. In those sports in which national-championship competition is offered in more than one division, only those member institutions that meet the membership requirements of the respective divisions or requirements applicable to institutions competing outside their membership divisions are eligible to compete in such division championships (see Bylaw 20).

31.2.1.7 Eligibility Requirements. Institutional eligibility for all championships shall be limited to member institutions that meet institutional eligibility requirements (see Bylaw 31.2.1) and any additional requirements specified in the applicable championships handbooks.

31.2.1.7.1 Eligibility of Participants. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate championships handbook.

31.2.1.7.1.1 Failure to Report Ineligible Student-Athlete Prior to Selection. If an institution fails to report an ineligible student-athlete prior to being selected to participate in the championship, the governing sports committee may declare the institution ineligible to participate in the tournament for one or two years.

31.2.1.7.1.2 Discovery of Ineligibility of Student-Athlete After Selection. If an institution fails to report an ineligible student-athlete and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution’s withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.
31.2.1.7.1.3 Review of Violation of Terms of Availability Questionnaire. When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sports committee when the committee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sports committee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the applicable sport oversight committee or the Competition Oversight Committee. The applicable sport oversight committee or the Competition Oversight Committee shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose. (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.2.1.7.2 Protest Regarding Eligibility of Team. Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed during the progress of the competition or during a period 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, a team may be withheld from further competition in the championship, provided such protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2 Individual Eligibility. All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaws 12 and 14, in which there also is reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Committee on Academics, Committee on Student-Athlete Reinstatement, amateur status certification and eligibility for use of banned drugs) are set forth in Bylaws 10.3, 10.4 and 18.4.1. (Revised: 3/5/97, 11/1/07 effective 8/1/08, 8/7/14, 10/30/14, 6/29/16)

31.2.2.1 Eligibility Requirements. A member institution shall not enter a student-athlete, as an individual or as a member of a team, in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. (Revised: 8/15/89)

31.2.2.2 Protest of Eligibility Status. Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2.3 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible following the competition, or a penalty has been prescribed or action taken as set forth in Bylaw 19.9.7-(g) or 19.13, the Committee on Infractions or Independent Resolution Panel may require the following: (Revised: 8/15/89, 4/26/01, 7/31/14, 1/23/19 effective 8/1/19)

(a) Individual Competition. The individual’s performance may be stricken from the championships records, the points the student has contributed to the team’s total may be deleted, the team standings may be adjusted accordingly, and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered.

(b) Team Competition. The record of the team’s performance may be deleted, the team’s place in the final standings may be vacated, and the team’s trophy and the ineligible student’s award may be returned to the Association.

31.2.2.4 Institutional Penalty for Ineligible Participation. When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the ineligibility, the Committee on Infractions or Independent Resolution Panel may assess a financial penalty. (Revised: 4/26/01 effective 8/1/01, 1/23/19 effective 8/1/19)

31.3 Selection of Teams and Individuals for Championships Participation. A list of the institutions in good standing shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to ensure that no entries are accepted from or invitations extended to ineligible institutions.
31.3.1 Size of Championships Fields. The size of all NCAA championships fields shall be established by the applicable sport oversight committee or the Competition Oversight Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (Revised: 8/13/93, 1/14/97 effective 8/1/97, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

31.3.2 Selection Decisions of Sports Committees. The determination of sites, selection of teams or individuals, or their site assignment in championships competition made by a governing sports committee (or a designated subcommittee) may not be appealed.

31.3.3 Criteria for Selection of Participants. The following criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition, and a governing sports committee that wishes to use additional criteria must obtain approval from the applicable sport oversight committee or the Competition Oversight Committee before doing so: (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

(a) Won-lost record;
(b) Strength of schedule; and
(c) Eligibility and availability of student-athletes for NCAA championships.

31.3.3.1 Countable Competition. For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.6) of United States four-year, degree-granting institutions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

31.3.3.2 Qualifying Standards. Individuals and teams required to meet performance standards to qualify for NCAA championships competition shall achieve such standards in meets held during the same academic year as the particular championship.

31.3.3.3 Ineligible Student-Athletes on Team. The presence on a varsity squad of one or more student-athletes who are ineligible, or unavailable due to injury, for NCAA championships competition does not necessarily disqualify that team from consideration. If such a student-athlete contributed materially to the team’s success during the season, the committee may choose not to select that team, based on the conclusion that without the use of the ineligible or unavailable student-athlete, the team would not have been able to compile the record that brought it before the committee for consideration. It shall be the responsibility of the governing sports committee to apply the criterion "contributed materially" to each case as it arises.

31.3.3.4 Removal of Committee Member from Selection Process. If a team or individual athlete(s) of the institution of a member of the governing sports committee is under consideration for selection, that person shall withdraw from the committee deliberations while that team or individual(s) is being considered and shall not participate in any discussion or vote affecting that particular selection. The chair of the committee may appoint a replacement if it is deemed necessary. In the event the chair must withdraw, an individual shall be appointed by him or her to assume the responsibilities of the chair. The new chair may appoint a replacement to fill the vacancy if it is deemed necessary. In the event a replacement is appointed, geographical representation on the committee shall be maintained insofar as possible.

31.3.3.5 Exclusion of Institution Reclassify from Division II to Division I. In all sports, any Division II institution that has forwarded to the national office written notice of its intention to change its membership classification to Division I per Bylaw 20.5.1 or that has petitioned to reclassify to Division I per Bylaw 20.5.2.1 no longer shall be eligible to participate in any following NCAA Division II championship. (Adopted: 1/1/94 effective 8/1/94)

31.3.4 Automatic Qualification. Each governing sport committee shall forward annually to the applicable sport oversight committee or the Competition Oversight Committee those conferences that should receive automatic qualification for their teams or individual student-athletes into NCAA championships. Prior to forwarding the list of conferences to receive automatic qualification, a governing sport committee shall ensure that the member conference meets the requirements specified in Bylaws 31.3.4.1 through 31.3.4.7. A member conference may appeal to the applicable sport oversight committee or the Competition Oversight Committee the automatic-qualification review of the sport committee and the committee’s decision to find, or not find, a conference qualified for automatic-qualification status. The decision on such appeals will be final. (Revised: 1/14/97 effective 8/1/97, 4/27/00, 11/11/07 effective 8/1/08, 8/7/14, 10/4/17)

31.3.4.1 Requirements -- Division Championship. To be eligible for automatic qualification in a Division Championship, a member conference must meet the following requirements: (Revised: 12/9/91, 8/13/93, 12/5/94, 10/18/95, 10/27/98, 4/20/99, 1/9/06 effective 8/1/06, 12/15/06)
(a) Conference competition must be conducted in the applicable sport and the conference champion in that sport must be
determined not later than the date on which participants are selected for the NCAA championship, either by regular
in-season conference competition or a conference meet or tournament, as indicated at the time of application. If a
conference’s competition to determine its automatic qualifier is unexpectedly terminated (e.g., due to inclement
weather), the conference may designate its qualifier, provided it has established objective criteria for making that
designation and has communicated that information to the appropriate sports committee by a specified deadline.

(b) In the event of a tie for the conference championship, the conference shall have the responsibility of determining which
team or individual shall represent the conference in NCAA competition. If a play-off is held, such competition shall be
considered conference competition, not NCAA competition.

(c) In sports other than championship subdivision football, a conference may establish subdivisions and conduct
competition within each subdivision to determine a conference champion, as long as each subdivision consists of at
least four members. Conferences with subdivisions of four members must conduct double round-robin competition
within each subdivision, plus a postseason tournament, to determine their champion. Conferences with subdivisions of
five or more members may conduct either single or double round-robin competition within each subdivision, plus a
postseason tournament to determine their champion. (Note: This regulation does not apply to Division I men’s or
women’s basketball. In those sports, a conference may conduct either double round-robin, in-season competition, or a
minimum of 14 conference games in order to determine its champion.)

(d) In championship subdivision football, football-playing conferences that subdivide into five or more teams are required
to conduct a single round-robin competition within each division and develop a formula for determination of the
conference champion, which must be approved by the Football Championship Committee prior to the start of the
season. A postseason championship game is not required.

(e) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in
Bylaw 14 applicable to its members. The use of an ineligible student-athlete by a team in a conference that has been
granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the
NCAA championship. The governing sports committee may recommend loss of the automatic-qualification privilege
for the conference during the season in which the violation occurred or for a future championship.

(f) All eligible member institutions must agree to participate in the appropriate NCAA championship. If a conference
champion is ineligible to compete, declines to compete or cannot compete for any reason, automatic qualification shall
be withdrawn for that year and the remaining conference members shall be considered at large. Automatic qualification
for a conference shall not be withdrawn if a conference champion declines to compete in an NCAA championship for
reasons related to written religious policies against competition on certain days. Under such circumstances, the
conference’s second-place team (as determined by the conference) shall receive the automatic bid to the NCAA
championship.

(g) All institutions may hold membership in only that conference in the sport in which automatic qualification is sought
and may participate in only that conference’s process to determine the automatic qualifier.

31.3.4.2 Requirements -- National Collegiate Championship. [#] To be eligible for automatic qualification in a
National Collegiate Championship, a member conference must meet the following general requirements: (Adopted: 1/9/06
effective 8/1/06)

(a) Have at least six active members that sponsor the applicable sport in any division (Note: A provisional member in the
process of becoming an NCAA member may not be used to meet the requisite number.);

(b) The six active members must have conducted conference competition together for the preceding two years in the
applicable sport;

(c) There shall be no waivers of the two-year waiting period; and

(d) Any new member added to a conference that is eligible for an automatic bid shall be immediately eligible to represent
the conference as the automatic qualifier.

31.3.4.3 Notification -- Automatic Qualification in Jeopardy. A governing sports committee must issue a written
warning one year in advance to a conference that is in jeopardy of losing its automatic qualification. (Note: This regulation
does not apply to championships in which a play-in system has been established.)

31.3.4.4 Additional Requirements -- Sports Other Than Basketball.

31.3.4.4.1 Multisport Conference. To be considered eligible for automatic qualification in a particular sport, a
multisport conference (see Bylaw 20.02.5) must be a core conference (see Bylaw 31.02.3) and must include six
institutions that sponsor the sport and conduct conference competition together. (Revised: 4/27/00 10/00, 4/29/04 effective 8/1/04, 8/5/04, 1/15/11 effective 8/1/11)

31.3.4.4.2 Single-Sport Conference. To be considered for automatic qualification in a particular sport, a single-sport member conference for a sport sponsored by less than 50 percent of the Division I membership must include six institutions that have conducted conference competition together the preceding two years in the sport in question at the Division I level. (Adopted: 8/5/04, Revised: 4/27/06 effective 8/1/06)

31.3.4.4.3 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of the withdrawal of the institution(s) that causes the conference’s membership to fall below six institutions that sponsor the sport and conduct conference competition together provided the conference maintains at least five Division I members. (Adopted: 8/5/04, Revised: 1/15/11 effective 8/1/11)

31.3.4.5 Additional Requirements -- Basketball. To be considered eligible for automatic qualification in basketball, a member conference must be a core conference (see Bylaw 31.02.3) and must meet the requirements of Bylaw 20.02.5. (Revised: 8/14/90, 12/5/90, 4/27/00, 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11)

31.3.4.5.1 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of withdrawal of the institution(s) that causes the conference’s membership to fall below seven institutions that sponsor the sport and conduct conference competition together, provided the conference maintains at least six Division I members (see Bylaw 20.02.5). (Adopted: 4/27/00, Revised: 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11)

31.3.4.6 Sports Groupings for Automatic Qualification. For purposes of evaluating criteria for automatic qualification, the various sports shall be grouped as follows: (Revised: 4/26/07 effective 8/1/07, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

(a) Team Sports -- baseball, basketball, bowling, field hockey, football, ice hockey, lacrosse, rowing, soccer, softball, volleyball and water polo. In this category, subject to the approval of the applicable sport oversight committee or the Committee Oversight Committee, a sport committee may grant exceptions to the six-team requirement for sports that are sponsored by less than 30 percent of the membership, provided the conference previously included six teams that sponsored the sport;

(b) Timed Individual Sports -- indoor track and field, outdoor track and field, and swimming; and

(c) Other Individual Sports -- cross country, fencing, golf, gymnastics, rifle, skiing, tennis and wrestling. In this category, a sports committee may grant exceptions to the six-team requirement, subject to the approval of the applicable sport oversight committee or the Committee Oversight Committee.

31.3.4.7 Limitations on Automatic-Qualifying Positions.

31.3.4.7.1 Team Sports Other Than Men's Basketball. In team sports, per Bylaw 31.3.4.6-(a), excluding football and any team sport in which automatic qualification is not offered, the sport committee must award, if a sufficient number of applications for automatic qualification exist, at least 50 percent of the championship field to conferences that meet automatic-qualification criteria and provide play-in criteria. In sports other than men's volleyball, men's water polo and women's water polo, the remaining 50 percent of the championship field shall be reserved for at-large teams. It will be the responsibility of the applicable sport oversight committee or the Committee Oversight Committee to determine if a conference play-in to a championship field is to be administered by the NCAA championships staff or by the member conference. (Adopted: 4/20/99, Revised: 11/1/07 effective 8/1/08, 4/28/11 effective 8/1/11, 8/7/14, 10/4/17)

31.3.4.7.2 Men's Basketball. In men's basketball, subject to the championships-access guarantee afforded to the subdivisions as set forth in Constitution 4.01.2.3.1 (e.g., all contests that are part of the championship shall be administered and funded by the NCAA and broadcast on television and any team that participates in the championship shall be awarded at least one financial unit), there shall be a minimum of 34 at-large selections and the remainder of the championship field automatic-qualifying positions. All competition in the championship is to be administered by the NCAA championships staff. (Adopted: 4/20/99, Revised: 12/15/06)

31.3.5 Selection of Balance of Championship Field. Once the official representative(s) of each qualifying conference is determined, the governing sports committee responsible for selection of the balance of the championship field shall consider objectively and without prejudice the competitive records of all other eligible student-athletes and teams (including representatives of the other members of the conferences receiving automatic qualification). To the best of its ability, the committee shall select the most highly qualified individuals and teams to complete the championship field in accordance with the regional structure, if any, approved for the particular championship.
31.3.6 **Institution Trademarks.** Participation in a national collegiate championship constitutes acquiescence by the member institution that the Association may use the institution’s name, mascot and other identifying marks in championship-related activities, including television, promotion, licensing and merchandising programs incident to the championship. Revenues derived from such activities, less expenses, will be remitted to the member institution. *(Revised: 11/3/93)*

31.4 **Financial Administration of Championships.**

31.4.1 **Host Institution’s Responsibility.** The host institution shall administer the finances of an NCAA championship in accordance with this bylaw and consistent with the institution’s championship budget, as submitted to and approved by the governing sports committee and the applicable sport oversight committee or the Competition Oversight Committee. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.1.1 **Institution’s Financial Report.** A financial report from each championship site shall be submitted to the NCAA president not later than 60 days following the conclusion of the competition and shall bear certification of the athletics director of the host institution. The report shall be submitted on a form approved and provided by the NCAA president.

31.4.1.1.1 **Exclusions.** A host institution or sponsoring agency shall not include in its financial report or in its percentage of net receipts television rights fees or income from the sale of championships merchandise. Also, income from program advertising or sales shall not be included in the host institution’s or sponsoring agency’s financial report or percentage of net receipts if the program is produced and sold under contract between the NCAA and an outside agency.

31.4.2 **Gross Receipts.** Gross receipts shall be all revenues derived from the championship, including:

(a) Sale of tickets. All tickets shall be accounted for at face value and shall become a part of gross receipts. Working passes may be provided to bona fide working personnel, including media representatives; and participation passes may be provided to student-athletes competing in the championship and to their coaches, athletic trainers, managers and other members of the participating institution’s official party as defined by the Association;

(b) Net revenue from marketing items sold at the site through or by an outside agency under contract with the NCAA;

(c) Program sales and advertising;

(d) Radio, television and movie rights; and

(e) Any other income derived from the operation of the championship.

31.4.2.1 **Exclusions.** Income from concessions and parking shall accrue to the host institution or sponsoring agency and is not included in gross receipts. Sales commissions received by a host institution for selling marketing items on behalf of an outside agency under contract with the NCAA shall accrue to the host institution.

31.4.2.2 **Waiver.** Any waiver of the policies for the gross receipts of championships shall be approved in advance by the applicable sport oversight committee or the Competition Oversight Committee. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.3 **Game Expenses.** Game expenses are the actual costs directly related to the administration and conduct of the championship, including specifically the costs for tickets (printing, selling and collecting), sales taxes, ushers, game officials, police, buildings and grounds expenses, printing of related materials, motion pictures of the competition (if authorized by the applicable sport oversight committee or the Competition Oversight Committee), reasonable entertainment, expenses of selection committees authorized by the governing sports committee and any other out-of-pocket expense directly related to the administration and conduct of the championship. *(Revised: 12/2/90, 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.3.1 **Exclusions.** The following items shall not be included as game expenses:

(a) The cost of permanent equipment, local transportation of competing teams and on-campus facility rental charges; and

(b) A fee or honorarium for athletics department staff members of the host institution (e.g., athletics director, assistant athletics director, business manager, ticket manager, coach, sports information director or athletic trainer). *(Note: Such a payment could be made from the host institution’s share of net receipts.)*

31.4.3.2 **Waiver.** Any waiver of the policies for game expenses shall be approved in advance by the applicable sport oversight committee or the Competition Oversight Committee. *(Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)*

31.4.4 **Institutional Allowance.** The host institution may share in the balance remaining after game expenses are deducted from the gross receipts. Television rights fees and income from championships programs and merchandise produced and sold under contract between the NCAA and an outside agency shall not be included in determining the host institution’s allowance.
31.4.4.1 Permissible Allowances. The amount of institutional allowance varies with the sport, the level of championships competition, whether there is a common site for men’s and women’s championships and whether an institution’s facilities are used. The permissible institutional allowances (from balance of gross receipts after deduction of game expenses) are as follows: (Revised: 11/1/07 effective 8/1/08, 8/7/14, 10/4/17)

-- For championships conducted at institutional facilities, hosts may deduct the permissible allowance above or a maximum of 15 percent of gross receipts after deduction of game expenses (20 percent for the NCAA Division I Men’s Basketball Championship), whichever is greater.
-- For championships conducted at off-campus facilities, hosts may deduct the permissible allowance or a maximum of 10 percent of gross receipts after deduction of game expenses, upon the recommendation of the sports committee and approval of the applicable sport oversight committee or the Competition Oversight Committee.
-- Amount is doubled for common-site men’s and women’s championships.

31.4.4.2 Restrictions. The following restrictions apply to allowances to host institutions:

(a) If an institution’s department of intercollegiate athletics must pay a rental fee for the use of an on-campus facility, such fee shall be deducted from the institution’s share of the net receipts or allowance; and

(a) The individual requesting defense and indemnification is being named as a party or subpoenaed to be deposed or to give evidence by reason of the fact that the individual is or was an employee, committee member, or agent of the Association or is or was serving at the request of the Association as a director, officer, employee, or agent of another association, corporation, partnership, joint venture, trust, or other enterprise;

(b) The individual is determined to have been acting within the scope of the individual's duties to the Association;

(c) The individual is determined to have been acting in good faith and in a manner the individual reasonably believed to be in or not opposed to the best interest of the Association in the performance of the individual's duties to the Association. (f) The individual agrees to repay any expenses, including attorney fees, incurred in bringing or defending a civil or criminal action or proceeding paid by the Association in advance of the final disposition of such action or proceeding, if it is ultimately determined that the individual is not entitled to be indemnified by the Association as authorized in this bylaw.

However, if an individual is adjudged to be liable for negligence or misconduct in the performance of the individual's duty to the Association, there shall be no indemnification unless and
only to the extent that the court in which such action or suit was brought shall determine that, despite the adjudication
