I. MANUAL FORMAT

GENERAL PRINCIPLES

General principles that are considered of particular importance in helping the user understand the rationale for the detailed regulations that follow are presented at the beginning of appropriate articles.

DEFINITIONS AND APPLICATIONS

Following the general principles in most articles is a section in which definitions and applications are provided for a number of the more important words or terms used in that article.

DECIMAL NUMBERING WITH TOPIC HEADINGS

The decimal numbering system provides efficiency and flexibility. Section headings, to at least the fourth subsection level, and for further subsections where appropriate, assist the user in identifying the section content, thus facilitating ready access to pertinent regulations. This system also facilitates a “hanging indentation” presentation, which helps the reader relate the subsections to the basic section.

VOTING REQUIREMENTS

Symbols for voting requirements appear after each regulation. See page xi for a complete explanation of all symbols.
II. ORGANIZATION OF ARTICLES IN THREE DISTINCT CATEGORIES

All regulations governing the administration of intercollegiate athletics appear in the bylaws. The constitution contains only principles for the conduct of intercollegiate athletics and other basic information.

Constitution

Articles 1 through 6 are the constitution, which consists of information relevant to the purposes of the Association, its structure, its membership and legislative-process information, and the more important principles for the conduct of intercollegiate athletics.

Article 1 Principles
Article 2 Organization
Article 3 Finance
Article 4 Rules, Compliance and Accountability
Article 5 Amendments to the Constitution
Article 6 Institutional Control

Operating Bylaws

Articles 7 through 19 and 21 are the operating bylaws, which consist of legislation adopted by the membership to promote the principles enunciated in the constitution and to achieve the Association’s purposes.

Administrative Bylaws

Article 31 is an administrative bylaw, which set forth policies and procedures for the implementation of (a) the NCAA championships and the business of the Association. This administrative bylaw may be adopted or modified by the Division II Presidents Council or Management Council (on recommendation of the Committee on Infractions, enforcement policies and procedures and executive regulations) for the efficient administration of the activities that they govern. This same bylaw also may be amended by a majority vote of the membership at NCAA Conventions.

Article 31 Executive Regulations
III. VOTING REQUIREMENTS FOR MANUAL

The Manual attempts to present all regulations on a given subject in logical order. As a result, different paragraphs in the same sections may carry different voting requirements. The following terms designate voting requirements currently in effect for sections in the Manual:

- **Constitution** — Provisions in the Constitution, Articles 1 through 6 requires a two-thirds vote of the total membership (present and voting) for adoption or amendment.

- **Common provision** — Legislation that is derived from the common bylaws (9, 10, 12 and 13) in the 1988-89 Manual. All such legislation is identified by a pound sign [#] and requires a majority vote of each of the three divisions, voting separately, for adoption or amendment.

- **Division dominant** — A division dominant provision is one that applies to all members of a division and is of sufficient importance to the division that it requires a two-thirds majority vote of all delegates present and voting at a division’s annual or special Convention. Division dominant provisions are identified by a diamond symbol [◆].

IV. DE MINIMIS AND RESTITUTION VIOLATIONS

- **De Minimis** — Violations of articles designated by a capital letter D in brackets and bold font [D] at the end of the legislative language shall be considered institutional violations and shall be submitted to the enforcement staff. However, the involved prospective student-athlete’s or student-athlete’s eligibility shall not be affected.

- **Restitution** — For violations of articles designated by a capital letter R in brackets and bold font [R] at the end of the legislative language, if the value of the benefit provided to the individual (prospective or enrolled student-athlete) is $200 or less, the eligibility of the individual shall not be affected conditioned upon the individual repaying the value of the benefit to a charity of their choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of such provisions remain institutional violations and shall be submitted to the enforcement staff. Documentation of the individual's repayment shall be kept on file by the institution.

V. DIAGRAMS AND TABLES

Diagrams and tables are included as supplements to the text to help present the content of certain regulations in a clear and concise manner. They are presented as “Figures” and are listed on page viii. All diagrams and tables related to a given article of the constitution or a particular bylaw have been placed at the back of the article or bylaw.

VI. LEGISLATION THAT IS SHADED

Legislation that was adopted at the NCAA Convention is set off by a gray background and contains the date of adoption or revision. Incorporations of interpretations, noncontroversial amendments and modifications of wording approved by the Council are set off by a gray background and include an adoption or revision date.

VII. NOTATION OF LEGISLATION WITH DELAYED EFFECTIVE DATE

Legislation with a delayed effective date (e.g., legislation that did not have an immediate effective date) is enclosed in a box and set off by a gray background. The first item in each box is a notation of the action taken at a Convention and the date the amendment becomes effective. It will be shaded. The legislation currently applicable appears before the delayed legislation and does not have a gray background. The legislation as amended, scheduled to take effect at a later date, is next and is set off by a gray background. Because this Manual is effective August 1 the only legislation that will be shown in this manner is that which is to be effective on any date after August 1.
CONSTITUTION,  

Preamble

The National Collegiate Athletic Association is a voluntary, self-governing organization of four-year colleges, universities and conferences committed to the well-being and development of student-athletes, to sound academic standards and the academic success of student-athletes, and to diversity, equity and inclusion. Member institutions and conferences believe that intercollegiate athletics programs provide student-athletes with the opportunity to participate in sports and compete as a vital, co-curricular part of their educational experience. The member schools and conferences likewise are committed to integrity and sportsmanship in their athletics programs and to institutional control of and responsibility for those programs. The basic purpose of the Association is to support and promote healthy and safe intercollegiate athletics, including national championships, as an integral part of the education program and the student-athlete as an integral part of the student body.  

(Adopted: 1/20/22 effective 8/1/22)
CONSTITUTION, ARTICLE 1

Principles

**A The Primacy of the Academic Experience.** Intercollegiate student-athletes are matriculated, degree-seeking students in good standing with their institutions who choose voluntarily to participate in NCAA sports. It is the responsibility of each member institution to establish and maintain an environment in which a student-athlete’s activities are conducted with the appropriate primary emphasis on the student-athlete’s academic experience. Intercollegiate athletics programs shall be maintained as a vital component of each institution’s broader educational program. The admission, academic standing and academic progress of student-athletes shall be consistent with the policies and standards adopted by the institution. *(Adopted: 1/20/22 effective 8/1/22)*

**B The Collegiate Student-Athlete Model.** Student-athletes may not be compensated by a member institution for participating in a sport but may receive educational and other benefits in accordance with guidelines established by their NCAA division. *(Adopted: 1/20/22 effective 8/1/22)*

**C Integrity and Sportsmanship.** It is the responsibility of each member to conduct its athletics program in a manner that promotes the ideals of higher education, human development and the integrity of intercollegiate athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity, ethical conduct, and the rules of their conferences. *(Adopted: 1/20/22 effective 8/1/22)*

**D Student-Athlete Well-Being.** Intercollegiate athletics programs shall be conducted by the Association, divisions, conferences and member institutions in a manner designed to protect, support and enhance the physical and mental health and safety of student-athletes. Each member institution shall facilitate an environment that reinforces physical and mental health within athletics by ensuring access to appropriate resources and open engagement with respect to physical and mental health. Each institution is responsible for ensuring that coaches and administrators exhibit fairness, openness and honesty in their relationship with student-athletes. Student-athletes shall not be discriminated against or disparaged because of their physical or mental health. *(Adopted: 1/20/22 effective 8/1/22)*

**E Institutional Control.** It is the responsibility of each member institution to monitor and control its athletics program and to provide education and training to ensure compliance with the rules established by the Association, its division and conference. It is the responsibility of each member institution to report all rules violations to its NCAA division and conference in a timely manner and to cooperate fully with enforcement efforts. Responsibility for maintaining institutional control ultimately rests with the institution’s campus president or chancellor. *(Adopted: 1/20/22 effective 8/1/22)*

**F Diversity, Equity and Inclusion.** The Association is committed to diversity, equity and inclusion. The Association, divisions, conferences and member institutions shall create diverse and inclusive environments and shall provide education and training with respect to the creation of such environments and an atmosphere of respect for and sensitivity to the dignity of every person. The Association, divisions, conferences and member institutions shall commit to promoting diversity and inclusion in athletics activities and events, hiring practices, professional and coaching relationships, leadership and advancement opportunities. *(Adopted: 1/20/22 effective 8/1/22)*

**G Gender Equity.** The Association is committed to gender equity. Activities of the Association, its divisions, conferences and member institutions shall be conducted in a manner free of gender bias. Divisions, conferences and member institutions shall commit to preventing gender bias in athletics activities and events, hiring practices, professional and coaching relationships, leadership and advancement opportunities. *(Adopted: 1/20/22 effective 8/1/22)*

**H Recruiting Standards.** Divisional bylaws shall be designed to promote informed decisions and balance the interests of prospective and current (or transfer) student-athletes, their educational institutions and intercollegiate athletics as a whole. *(Adopted: 1/20/22 effective 8/1/22)*
CONSTITUTION, ARTICLE 2

The Association shall make available such guidance, rules and policies to all members. *(Adopted: 1/20/22 effective 8/1/22)*

It shall monitor its programs to ensure compliance and to identify and report to its division and conference instances in which compliance has not been achieved. The institution shall cooperate fully with any enforcement efforts and shall take appropriate corrective actions as
necessary. Members of an institution’s staff, student-athletes, and other individuals and groups representing the institution’s athletics interests shall comply with the applicable Association rules, including rules requiring cooperation with enforcement efforts, and the member institution shall be responsible for such compliance. (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)

Higher education has lasting importance on an individual’s future success. As such, Division II supports the educational mission of college athletics by fostering a balanced approach in which student-athletes learn and develop through their desired academic pursuits, in civic engagement with their communities and in athletics competition. Division II athletics programs also are committed to establishing an inclusive culture in which persons of all backgrounds are respected and given the opportunity to provide input and to participate. Division II members abide by the following principles that help define and distinguish the division: (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)

(2) **Athletics.** Division II supports athletics achievement through highly competitive programs that strive to participate in the division's 25 national championships, which offer the best access ratio among the NCAA's three divisions. (Note: The minimum-contest requirements set forth in Bylaws 7.3.1.7.1.1 through 7.3.1.7.1.1.10 apply only to the provisions of this section and do not apply to minimum-contest requirements in Bylaws 14 and 17.) (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)

**7.3.1.7.1.1 Completion of Contest.** To count as a contest, the institution’s team actually shall participate in and complete the contest. Scheduled contests that are canceled or not completed (in accordance with the playing rules of the sport) may not be counted. (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)

**7.3.1.7.1.2 Counting Multicontest Events in Team Sports.** In team sports, each game in a double-header, triple-header or tournament shall be counted as one contest. (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)

**7.3.1.7.1.3 Meets With No Team Scoring.** In individual sports, a meet at which no team scoring is kept counts as a contest for the purpose of meeting the minimum-contest requirement, provided that at least the minimum number of participants per Bylaw 7.3.1.7.1.1 participate on the institution’s team. (Adopted: 1/31/22, Revised: 7/19/22 effective 8/1/22)
7.3.1.7.1.4 Individual Sports -- One or More Sites. In individual sports, if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on the same day equals or exceeds the minimum number of participants per Bylaw 7.3.1.7.1.1, an institution may use the competition as a contest in meeting the minimum-contest requirements. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.4.1 Exception -- Multiday Events -- Track and Field. In track and field, if the number of student-athletes participating in a multiday meet on behalf of the institution over the course of the entire meet equals or exceeds the minimum number of participants per Bylaw 7.3.1.7.1.1 and the meet is conducted on consecutive days, an institution may use the competition as a contest in meeting the minimum-contests requirements. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.5 Contests in Two Seasons. If an institution sponsors the same sport in two different seasons of the same academic year, it may count contests in both seasons, provided regular varsity competition is sponsored in both seasons and is so listed on the institution’s official schedule in that sport. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.6 Contests Versus Club Teams. A contest against a collegiate institution’s club team may not be counted toward meeting minimum-contest requirements. However, a member is not precluded from scheduling club teams. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.6.1 Exception -- Women’s Rugby. In women’s rugby, an institution may count up to two contests per year against collegiate club teams toward meeting minimum-contests requirements. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.7 Indoor and Outdoor Track and Field. Institutions may receive credit for sponsoring both indoor and outdoor track and field provided each team participates in the minimum number of contests with at least the minimum number of participants set forth in Bylaw 7.3.1.7.1.1. An institution also may receive credit for sponsoring both indoor and outdoor track and field, provided its team participates in a total of eight indoor and outdoor meets during the year, including at least three indoor and three outdoor meets. (Adopted: 6/1/22 effective 8/1/22)

7.3.1.7.1.8 Beach Volleyball. A member institution shall meet minimum sports sponsorship in beach volleyball by applying the following: (Adopted: 6/1/22 effective 8/1/22)

(a) Not less than three of the eight contests shall be dual, one-day competitions where all five two-person teams compete (e.g., institution versus institution on a single day). Only one contest per day shall count toward meeting this requirement; (Adopted: 6/1/22 effective 8/1/22)

(b) The remaining number of contests shall be achieved by satisfying Bylaw 7.3.1.7.1.8-(a) or multi-opponent competitions. For a tournament to qualify for sports sponsorship purposes, all five two-person teams must be in competition with all other participating institutions and one institution shall be crowned champion of the tournament based on the performance of its five, two-person teams; (Adopted: 6/1/22 effective 8/1/22)

(c) All other competition formats will constitute the use of a date of competition but not count towards the minimum sports sponsorship requirement; and (Adopted: 6/1/22 effective 8/1/22)

(d) Contests against a collegiate institution’s club team may not be counted toward meeting the minimum-contest requirements, except for the following: (Adopted: 6/1/22 effective 8/1/22)

(1) During each intercollegiate season, one contest against a collegiate institution’s club team may be used in meeting the minimum-contest requirements provided the contest is a dual, one-day competition in which all five two-person teams compete. (Adopted: 6/1/22 effective 8/1/22)

The Management Council shall hear and act on an institution’s appeal of a decision made by the Membership Committee in regard to an institution’s waiver of the minimum number of intercollegiate contests or the minimum number of participants in a contest. 10.01 General Principles.

10.01.1 Honesty and Sportsmanship. Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

10.02 Definitions and Applications.

10.02.1 Sports Wagering. [§] Sports wagering includes placing, accepting or soliciting a wager (on a staff member’s or student-athlete’s own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; Internet sports wagering; auctions in which bids are placed on teams, individuals or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize. (Adopted: 1/8/07 effective 8/1/07)

A member institution’s athletics department staff members or others employed by the intercollegiate athletics program who have knowledge of a student-athlete’s use at any time of a substance on the list of banned drugs, as set forth in Bylaw 18.2.1.2.1, shall follow institutional procedures dealing with drug abuse or shall be subject to disciplinary or corrective action as set forth in Bylaw 19.12.4.1.

10.3 Sports Wagering Activities. [§] The following individuals shall not knowingly participate in sports wagering activities or provide information to individuals involved in or associated with any type of sports wagering activities concerning intercollegiate, amateur or professional athletics competition: (Adopted: 1/8/07 effective 8/1/07)

(a) Staff members of an institution’s athletics department;
(b) Nonathletics department staff members who have responsibilities within or over the athletics department (e.g., chancellor or president, faculty athletics representative, individual to whom athletics reports);

Conduct and Employment of Athletics Personnel

11.01 General Principles. *(Adopted: 10/18/22 effective 8/1/23)*

11.01.1 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen. *(Adopted: 10/18/22 effective 8/1/23)*

11.03 Definitions and Applications.

11.03.1 Bonus. A bonus is a direct cash payment over and above an athletics department staff member’s institutional salary in recognition of a specific and extraordinary achievement.

11.03.2 Supplemental Pay. Supplemental pay is the payment of cash over and above an athletics department staff member’s institutional salary by an outside source for the purpose of increasing that staff member’s annual earnings.

11.1 Conduct of Athletics Personnel.

11.1.1 Honesty and Sportsmanship. Individuals employed by or associated with a member institution to administer, conduct or coach intercollegiate athletics shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports. *(See Bylaw 10 for more specific ethical-conduct standards.)*

11.1.2 Responsibility for Violations of NCAA Regulations. Institutional staff members found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, whether such violations occurred at the certifying institution or during the individual’s previous employment at another member institution.

11.1.2.1 Responsibility of Head Coach. It shall be the responsibility of an institution’s head coach to promote an atmosphere for compliance within the program supervised by the coach and to monitor the activities regarding compliance of all assistant coaches and other administrators involved with the program who report directly or indirectly to the coach. * *(Adopted: 1/17/09)*

11.1.3 Use of Association Name or Affiliation. Staff members of member institutions and others serving on the Association’s committees or acting as consultants shall not use, directly or by implication, the Association’s name or their affiliation with the Association in the endorsement of products or services.

11.1.4 Representing Individuals in Marketing Athletics Ability/Reputation. Staff members of the athletics department of a member institution shall not represent, directly or indirectly, any individual in the marketing of athletics ability or reputation to an agent, a professional sports team or a professional sports organization, including receiving compensation for arranging commercial endorsements or personal appearances for former student-athletes, except as specified in Bylaw 11.1.4.1, and shall not receive compensation or gratuities of any kind, directly or indirectly, for such services. *(Revised: 1/10/92, 1/11/94)*

11.1.4.1 Exception -- Professional Sports Counseling Panel and Head Coach. An institution’s professional sports counseling panel or a head coach in a sport may contact agents, professional sports teams or professional sports organizations on behalf of a student-athlete, provided no compensation is received for such services. The head coach shall consult with and report their activities on behalf of the student-athlete to the institution’s professional sports counseling panel. If the institution has no such panel, the head coach shall consult with and report their activities to the president or chancellor [or an individual or group (e.g., athletics advisory board) designated by the president or chancellor]. *(Adopted: 1/11/94, Revised: 1/12/04, 10/3/05)*

11.1.5 Use of Tobacco Products. The use of tobacco products is prohibited by all game personnel (e.g., coaches, trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use. *(Adopted: 1/11/94 effective 8/1/94, Revised: 1/10/95, 1/14/97, 4/16/97 effective 8/1/97)*
11.1.6 Sports-Safety Training. Each head coach and all other coaches who are employed full time at an institution shall maintain current certification in first aid, cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) use. (Adopted: 1/16/10 effective 8/1/10)

11.1.7 Strength and Conditioning Coach Certification. Any individual designated as a strength and conditioning coach by the institution must be certified through a nationally recognized strength and conditioning program. If the institution does not designate a strength and conditioning coach, such certification is required of any individual who conducts strength and conditioning workouts (excluding individuals who conduct conditioning activities related to practice). (Adopted: 1/16/16 effective 8/1/16)

11.2 Contractual Agreements.

11.2.1 Stipulation That NCAA Enforcement Provisions Apply. Contractual agreements or appointments between a coach and an institution shall include the stipulation that a coach who is found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, including suspension without pay or termination of employment for significant or repetitive violations. (Revised: 4/29/04)

11.3 Responsibility of Institutional Athletics Department Personnel.

11.3.1 Compliance Administrator. A member institution shall employ at least one individual who serves as a full-time compliance administrator with no coaching responsibilities (see Bylaw 7.3.1.5.21). (Adopted: 1/17/15 effective 8/1/18)

11.4 Compensation and Remuneration. See Bylaw 11.03 for additional regulations regarding coaches' compensation and remuneration.

11.4.1 Control of Employment and Salaries. The institution, as opposed to any outside source, shall remain in control of determining who is to be its employee and the amount of salary the employee is to receive within the restrictions specified by NCAA legislation.

11.4.2 Income in Addition to Institutional Salary.

11.4.2.1 Promotional Activities. A staff member of a member institution's athletics department may not be compensated by an individual or commercial business outside of the institution for employment or assistance in the production, distribution or sale of items (e.g., calendars, pictures, posters, advertisements, cards) bearing the names or pictures of student-athletes. The use of the names or pictures of student-athletes on promotional items is limited to institutionally controlled activities involving the sale of official institutional publications and team or individual pictures by the institution. This restriction shall apply even if the promotional item is provided without charge to the public by an outside individual or commercial business that produces or purchases the item through the assistance of the institution's staff member.

11.4.2.2 Recruiting Service Consultants. Institutional athletics department staff members may not endorse, serve as consultants or participate on advisory panels for any recruiting or scouting service involving prospective student-athletes. (Adopted: 1/16/93)

11.4.3 Employment With Professional Sports Organizations. Institutional staff members may be employed by a professional sports organization in accordance with institutional policies. (Revised: 1/9/06)

11.5 Employment of High School, College-Preparatory School or Two-Year College Coaches.

11.5.1 Graduate Teaching Assistant. A member institution may provide legitimate compensation to a high school coach who is also a graduate teaching assistant enrolled in a bona fide postgraduate program conducted by the institution.

11.5.2 Institutional Camp or Clinic. See Bylaw 13.12.2.4 for regulations relating to the employment of high school, college-preparatory school or two-year college coaches in institutional camps or clinics.

11.5.3 High School, College-Preparatory School or Two-Year College Coach. An institution may employ a high school, college-preparatory school or two-year college coach, provided the individual: (Revised: 3/25/05, 7/23/19)

(a) Performs actual, on-the-field coaching duties; and

(b) Is involved in recruiting only to the same extent as other institutional on-the-field coaches.

11.6 Coaches Certification Requirement. (Revised: 1/26/19 effective 8/1/19 April 1, 2019, for certifications of coaches for the 2019-20 academic year, and thereafter.)

11.6.1 Regulations. The provisions of this section apply to all sports. (Adopted: 1/10/92 effective 8/1/93)
11.6.1.1 **Annual Certification Requirement.** Certification must occur on an annual basis. *(Adopted: 1/10/92 effective 8/1/93, Revised: 1/26/19 effective 4/1/19 for certifications of coaches for the 2019-20 academic year, and thereafter.)*

**11.6.1.1.1 Certification Administration.** Such certification procedures shall be established by the Legislation Committee and shall include a requirement that coaches complete designated educational modules as a condition before being permitted to: *(Adopted: 1/10/92 effective 8/1/93, Revised: 1/16/93, 1/26/19 effective 4/1/19 for certifications of coaches for the 2019-20 academic year, and thereafter.)*

Amateurism

12.01 General Principles.

12.01.1 Eligibility for Intercollegiate Athletics. Only a student-athlete who satisfies all eligibility requirements may participate in intercollegiate athletics in a particular sport. (Revised: 10/18/22)

12.01.2 Clear Line of Demarcation. Member institutions’ athletics programs are designed to be an integral part of the educational program. The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

12.01.3 "Individual" Versus "Student-Athlete." NCAA eligibility status may be lost as a result of activities before enrollment in college. If NCAA rules specify that an "individual" may or may not participate in certain activities, this term refers to a person before and after enrollment in a member institution. If NCAA rules specify a "student-athlete," the legislation applies only to that person’s activities after enrollment. (Revised: 10/18/22)

12.01.4 Permissible Grant-in-Aid. A grant-in-aid administered by an educational institution is not considered to be pay or the promise of pay for athletics skill, provided it does not exceed the financial aid limitations set by the Association’s membership.

12.02 Definitions and Applications.

12.02.1 Agent. An agent is any individual who, directly or indirectly, recruits or solicits a student-athlete to enter into an agency contract for current or future representation where a student-athlete authorizes the individual to negotiate or solicit on behalf of the student-athlete a professional-sports-services contract or endorsement contract. (Adopted: 1/19/13 effective 8/1/13, Revised: 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.02.2 Agency Contract. An agency contract is an agreement in which a student-athlete authorizes a person to negotiate or solicit on behalf of the student-athlete a professional-sports-services contract or endorsement contract. (Adopted: 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.02.3 Individual. An individual, for purposes of this bylaw, is any person of any age without reference to enrollment in an educational institution or status as a student-athlete.

12.02.4 Professional Service Provider. A professional service provider is an individual who provides third party services to an individual regarding their name, image and likeness. A professional service provider includes, but shall not be limited to, an agent, tax advisor, marketing consultant, attorney or anyone who is employed or associated with such persons. (Adopted: 10/18/22)

12.02.5 Pay. Pay is the receipt of funds, awards or benefits not permitted by the governing legislation of the Association for participation in athletics.

12.02.6 Payment for Participation in Road Racing. Road racing is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Following initial full-time collegiate enrollment, any payment for participation in a road race will result in an individual’s ineligibility for intercollegiate cross country or track and field competition. (See Bylaw 12.1.3-(d) for an exception related to payment based on performance). (Adopted: 5/10/13, Revised: 5/15/17)

12.02.7 Professional Athlete. A professional athlete is one who receives any kind of payment, directly or indirectly, for athletics participation except as permitted by the governing legislation of the Association.

12.02.8 Professional Athletics Team. A professional team is any organized team that: (Revised: 1/13/03 effective 8/1/03)

(a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. Actual and necessary expenses are limited to the following, provided the value of these items is commensurate with the fair market value in the locality of the player(s) and is not excessive in nature:

(1) Meals directly tied to competition and practice held in preparation for such competition;
(2) Lodging directly tied to competition and practice held in preparation for such competition;
(3) Apparel, equipment and supplies;
(4) Coaching and instruction;
(5) Health/medical insurance;
(6) Transportation (i.e., expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season and from training/practice site to home at the end of season);
(7) Medical treatment and physical therapy;
(8) Facility usage;
(9) Entry fees; and
(10) Other reasonable expenses; or (Revised: 1/12/04, 4/28/05)

(b) Declares itself to be professional.

12.02.9 Student-Athlete. A student-athlete is a student whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student’s ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department, as specified in Bylaw 7.3.1.5.4. A student is not deemed a student-athlete solely on the basis of prior high school athletics participation.

12.02.10 Triathlon and Cross Country, Track and Field and Swimming. Triathlon includes elements of competition similar to cross country, track and field and swimming competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Therefore, triathlon and cross country are considered the same sport, triathlon and track and field are considered the same sport, and triathlon and swimming are considered the same sport for purposes of Bylaw 12. (Adopted: 1/18/14 effective 8/1/14)

12.02.11 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for purposes of Bylaw 12. (Adopted: 10/16/12, Revises: 5/11/15)

12.1 General Regulations. An individual’s (prospective student-athlete or enrolled student-athlete) eligibility for participation in athletics shall be determined using the following provisions. (See Bylaw 14.2.4.2 regarding participation in organized competition prior to initial collegiate enrollment and Bylaw 14.13 regarding the eligibility restoration process.) (Revised: 4/16/13, 10/18/22)

12.1.1 Validity of Amateur Status. As a condition and obligation of membership, it is the responsibility of an institution to determine the validity of the information on which the eligibility status of a prospective student-athlete (e.g., including a two-year and four-year college transfer initially enrolling at an NCAA Division II institution) and student-athlete is based. (See Bylaw 14.01.3) (Adopted: 1/9/06 effective 8/1/06 for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 1/5/07, 5/4/07, 10/18/22)

12.1.1.1 Amateurism Certification Process. An institution shall use an eligibility center approved by the NCAA Board of Governors to determine the validity of the information on which the eligibility status of a student-athlete is based. (Adopted: 1/9/06 effective 8/1/06 for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 1/5/07, 5/4/07, 1/26/15, 10/18/22)

12.1.1.1.1 Scope. The certification of eligibility status issued by the NCAA Eligibility Center is limited to activities that occur prior to a prospective student-athlete requesting a final eligibility certification or their initial full-time collegiate enrollment at an NCAA Division II institution, whichever occurs earlier. (Adopted: 5/4/07, Revised: 10/18/22)

12.1.1.1.2 Institutional Responsibilities.

12.1.1.1.2.1 Eligibility Status After Certification. An institution is responsible for certifying the eligibility status of a prospective student-athlete from the time they request a final certification be issued by the NCAA Eligibility Center or they initially enroll as a full-time student at an NCAA Division I, II or III institution (whichever occurs earlier). (Adopted: 5/4/07, Revised: 1/14/12 effective 8/1/12 for student-athletes enrolling at a Division I or Division II institution on or after 8/1/12, 9/12/17, 10/18/22, 6/22/23)

12.1.1.1.2.2 Sharing Information and Reporting Discrepancies. An institution is responsible for notifying the NCAA Eligibility Center when it receives additional information, or otherwise has cause to believe, that a previously certified prospective student-athlete’s eligibility status has been jeopardized. Further, an institution is responsible for promptly reporting all discrepancies in information related to a student-athlete’s certification to the NCAA Eligibility Center. (Adopted: 5/4/07, Revised: 10/18/22)

12.1.1.1.3 Eligibility for Practice and Competition. Prior to engaging in practice or competition, a student-athlete shall receive a certification of eligibility status for activities that occur prior to the certification or initial full-time enrollment at an NCAA Division II institution (whichever occurs earlier). (Adopted: 5/4/07, Revised: 10/18/22)
12.1.1.3.1 Participation Before Certification -- Recruited and Nonrecruited Student-Athlete. If a recruited or nonrecruited student-athlete reports for athletics participation before the student-athlete’s eligibility status has been certified, the student-athlete may practice, but not compete, for a maximum of 45 days, provided the student-athlete is enrolled full time or has been accepted for enrollment as a regular full-time student. After this 45-day period, the student shall have established minimum requirements as eligible for participation in athletics (as certified by the NCAA Eligibility Center) to continue practicing or to compete. (Adopted: 1/9/06 effective 8/1/06 for all final certifications for student-athletes initially enrolling in a Division I or Division II institution on or after 8/1/07, Revised: 4/23/07, 10/18/22)

12.1.1.3.1.1 Effect of Violation. A violation of Bylaw 12.1.1.3.1 in which the student-athlete is subsequently certified without conditions shall be considered an institutional violation per Constitution Article I-E but shall not affect the student-athlete’s eligibility. (Adopted: 4/21/20 Immediate, for any violations occurring on or after August 1, 2020., Revised: 10/18/22)

12.1.2 Name, Image and Likeness. (Adopted: 10/18/22)

12.1.2.1 Application. NCAA Bylaws, including prohibitions on pay-for-play and improper recruiting inducements, remain in effect, subject to the following: (Adopted: 10/18/22)

(a) For institutions in states without name, image and likeness laws or executive actions or with name, image and likeness laws or executive actions that have not yet taken effect, if an individual elects to engage in a name, image and likeness activity, the individual’s eligibility for intercollegiate athletics will not be impacted by the application of Bylaw 12. (Adopted: 10/18/22)

(b) For institutions in states with name, image and likeness laws or executive actions with the force of law in effect, if an individual or member institution elects to engage in a name, image and likeness activity that is protected by law or executive order, the individual’s eligibility for and/or the membership institution’s full participation in NCAA athletics will not be impacted by the application of NCAA Bylaws unless the state law is invalidated or rendered unenforceable by operation of law. (Adopted: 10/18/22)

(c) Use of a professional service provider is also permissible for name, image and likeness activities, except as otherwise prohibited by state law or executive action with the force of law that has not been invalidated or rendered unenforceable by operation of law. (Adopted: 10/18/22)

12.1.2.2 Name, Image and Likeness Activities Related to Enrollment Decisions. A name, image and likeness agreement or the payments associated with such an agreement may not be guaranteed or promised contingent on initial or continuing enrollment at a particular institution (e.g., recruiting inducement). (Adopted: 10/18/22)

12.1.2.3 Monitoring for Compliance. The NCAA will continue its normal regulatory operations but will not monitor name, image and likeness activities for compliance with state law. (Adopted: 10/18/22)

12.1.2.4 Reporting Requirements. Individuals should report name, image and likeness activities consistent with state law and/or institutional requirements. (Adopted: 10/18/22)

12.1.3 Permissible -- Following Initial Full-Time Collegiate Enrollment. Following initial full-time collegiate enrollment, participation in the following activities and receipt of the following benefits will not jeopardize the athletics eligibility status of an individual: (Adopted: 4/16/13, Revised: 10/18/22)

(a) Actual and Necessary Expenses for Participation on an Outside Amateur Sports Team or Organization. Receipt of actual and necessary expenses from an outside amateur sports team or organization or outside sponsor (e.g., neighbor, business), other than an agent, professional service provider, representative of an institution’s athletics interests or professional sports organization, for competition and practice held in preparation for such competition. Practice must be conducted in a continuous time period preceding the competition except for practice sessions conducted by a national team, which occasionally may be interrupted for specific periods of time before the competition; (Revised: 10/18/22)

(b) Actual and Necessary Expenses for Participation in a Collegiate All-Star Contest. A student-athlete may receive actual and necessary expenses from an outside sponsor (e.g., neighbor, business), other than an agent, professional service provider, representative of an institution’s athletics interests or professional sports organization, for participation in a collegiate all-star contest, provided the student-athlete has exhausted eligibility in the sport. (Adopted: 7/17/18, Revised: 10/18/22)

(c) Prize Money Based on Place Finish -- Individual Sports. In individual sports, receipt of prize money based on place finish or performance in an open athletics event. The competition must occur outside the institution’s declared playing season during the institution’s official summer vacation period. In addition, such prize money shall not exceed the student-
athlete’s actual and necessary expenses and may be provided only by the sponsor of the event. Actual and necessary expenses shall not include the expenses or fees of anyone other than the student-athlete; (Adopted: 1/21/17)

(d) **Awards Based on Performance in Outside Competition.** Receipt of an award (e.g., trophy, medal, saddle) based on place finish or performance in outside competition, subject to the rules of the amateur organization that governs the competition; (Adopted: 10/16/12, Revised: 1/20/18 effective 8/1/18)

(e) **Permissible Insurance Against Disabling Injury or Illness.** An individual may borrow against their future earnings potential from an established, accredited commercial lending institution exclusively for the purpose of purchasing insurance (with no cash surrender value) against a disabling injury or illness that would prevent the individual from pursuing a chosen career, provided a third party (including a member institution’s athletics department staff members, its professional sports counseling panel or representatives of its athletics interests) is not involved in arrangements for securing the loan. The student-athlete shall report all such transactions and shall file copies of any loan documents associated with disability insurance with the member institution, regardless of the source of the collateral for the loan. The student-athlete also shall file copies of the insurance policy with the member institution, regardless of whether a loan is secured to purchase the insurance policy;

(f) **Elite-Level Participation.** Receipt of the following benefits at any time without jeopardizing an individual’s amateur status:

1. Funds that are administered by the U.S. Olympic and Paralympic Committee pursuant to its Operation Gold Program; (Revised: 1/22/20 effective 8/1/20)
2. Incentive Programs for International Athletes. An international prospective student-athlete or international student-athlete may accept funds from their country’s national Olympic governing body (equivalent to the U.S. Olympic and Paralympic Committee) based on place finish in one event per year that is designated as the highest level of international competition for the year by the governing body; (Adopted: 7/22/14, Revised: 1/22/20 effective 8/1/20)
3. Comprehensive benefits of the U.S. Olympic and Paralympic Committee Elite Athlete Health Insurance Program; (Revised: 1/22/20 effective 8/1/20)
4. Actual and necessary expenses [including grants but not prize money, whereby the recipient has qualified for the grant based on their performance in a specific event(s)] to cover developmental training, coaching, facility usage, equipment, apparel, supplies, comprehensive health insurance, travel, food and housing without jeopardizing the individual’s eligibility for intercollegiate athletics, provided such expenses are approved and provided directly by the U.S. Olympic and Paralympic Committee, the appropriate national governing body in the sport (or, for international individuals, the equivalent organization of that nation) or a governmental entity; (Revised: 7/17/18, 1/22/20 effective 8/1/20, 10/26/23)
5. Actual and necessary expenses from a commercial company (other than a professional sports organization) or members of the local community for an individual’s relatives or legal guardians to attend the Olympic Games in which the individual will participate;
6. Actual and necessary expenses to participate in Olympic tours or exhibitions from a sponsor other than the U.S. Olympic and Paralympic Committee, national governing body or nonprofessional organizations sponsoring the event, provided that the student-athlete does not miss class time and the exhibition does not conflict with dates of institutional competition; or (Revised: 1/22/20 effective 8/1/20)
7. Receipt of commemorative items incidental to participation in the Olympic Games, Paralympic Games, World University Games (Universiade), World University Championships, Pan American Games, Parapan American Games, World Championships and World Cup events through the applicable national governing body. ### 12.1.4 Impermissible -- Following Initial Full-Time Collegiate Enrollment

Following initial full-time collegiate enrollment, an individual’s participation in the following activities or receipt of the following benefits will jeopardize the individual’s athletics eligibility for intercollegiate participation in a particular sport: (Adopted: 4/16/13, Revised: 1/15/14, 10/18/22)

(a) **Use of Athletics Skill for Pay.** Use of athletics skills for pay in any form in that sport from any source (e.g., a professional team), including a promise of pay, receipt of direct or indirect salary, gratuity or comparable compensation or preferential treatment, benefits or services. (Revised: 10/18/22)

(b) **Name, Image and Likeness Agreements Based on Athletics Participation or Achievement.** Receipt of compensation or incentives for enrollment decisions (e.g., signing a letter of intent or transferring), athletic performance
Receipt of Any Division or Split of Surplus. Receipt of any division or split of surplus (e.g., bonuses, game receipts).

Payment Based on Place Finish. Any payment, including actual and necessary expenses, conditioned on the individual’s or team’s place finish or performance or given on an incentive basis, or receipt of expenses in excess of the reasonable amount for permissible expenses given to all individuals or team members involved in the competition. (Adopted: 10/18/22)

Receipt of Cash Award for Participation. Receipt of cash, or the equivalent thereof (e.g., trust fund), as an award for participation in competition at any time, even if such an award is permitted under the rules governing an amateur, noncollegiate event in which the individual is participating. An award or a cash prize that an individual could not receive under NCAA legislation may not be forwarded in the individual’s name to a different individual or agency.

Expenses or Awards Not Permitted by Amateurism Rules Governing Events. Receipt of expenses incurred or awards received by an individual that are prohibited by the rules governing an amateur, noncollegiate event in which the individual participates.

Unspecified or Unitemized Expenses. Payment to individual team members or individual competitors for unspecified or unitemized expenses beyond actual and necessary travel, food and housing expenses for practice and competition. (Revised: 10/26/23)

12.1.5 Athletics Eligibility Status if Professional in Another Sport. A professional athlete in one sport may represent a member institution in a different sport. The institution may award institutional financial aid to a student-athlete, provided the student-athlete is not professional in the sport in which the student-athlete will participate at the certifying institution. However, a student-athlete who currently is receiving institutional financial aid and signs a contract in the same sport or receives compensation from an agent or a professional-sport organization may continue to receive such aid for the remainder of the term of the award, provided the student-athlete has completed their four seasons of competition. (See Bylaw 15.1.1.4.) (Revised: 4/29/04, 10/18/22)

12.1.5.1 Professional at Later Date. If the individual later becomes involved in professional athletics while still a student-athlete with remaining eligibility, the individual would be considered to have violated the principles of ethical conduct per Bylaw 10, thus rendering the individual ineligible for intercollegiate competition.

12.2 Involvement With Professional Teams.

12.2.1 Tryouts.

12.2.1.1 Tryout After Enrollment. A student-athlete may try out with a professional athletics team (or participate in a combine including that team) in a sport or permit a professional athletics team to conduct medical examinations at any time. A student-athlete may receive actual and necessary expenses related to the tryout from a professional sports organization or the national governing body. (Revised: 1/8/07 effective 8/1/07, 4/28/09, 1/21/17, 4/16/24)

12.2.1.2 Outside Competition Prohibited. During a tryout, an individual may not take part in any outside competition (games or scrimmages) as a representative of a professional team.

12.2.2 Practice Without Competition. Following initial full-time collegiate enrollment, an individual may participate in practice sessions conducted by a professional team, provided such participation meets the requirements of NCAA legislation governing tryouts with professional athletics teams (see Bylaw 12.2.1) and the individual does not receive any compensation or enter into a contract or agreement to practice or participate as a member of the professional athletics team. Such contracts or agreements would be separate from those that the individual may enter into with the professional team for name, image and likeness activities, as set forth in Bylaw 12.1.2 (Revised: 10/18/22)

12.2.3 Competition.

12.2.3.1 Competition Against Professionals. An individual may participate singly or as a member of an amateur team against professional athletes or professional teams. (Revised: 2/4/08)

12.2.3.2 Competition With Professionals. Following initial full-time collegiate enrollment, an individual shall not be eligible for intercollegiate athletics in a sport, if the individual competed on a professional athletics team (per Bylaw 12.02.8) in that sport. However, an individual may compete on a tennis, golf, two-person beach volleyball or two-person synchronized diving team(s) with persons who are competing for cash or a comparable prize, provided the individual does not receive payment of any kind for such participation. (Revised: 1/9/96 effective 8/1/96, 1/14/97, 1/8/01 for those individuals first entering a collegiate institution on or after 8/1/01, 1/13/03, 5/1/15)
12.2.3.2.1 Professional Player as Team Member. Following initial full-time collegiate enrollment, an individual may participate with a professional on a team, provided the professional is not being paid by a professional team or league to play as a member of that team (e.g., summer basketball leagues with teams composed of both professional and amateur athletes). (Revised: 1/8/01 effective 8/1/01 for those individuals first entering a collegiate institution on or after 8/1/01)

12.2.3.2.2 Exception -- Olympic, Paralympic or National Teams. It is permissible for an individual (prospective student-athlete or student-athlete) to participate on Olympic, Paralympic or national teams that are competing for prize money or are being compensated by the governing body to participate in a specific event, provided the individual does not accept prize money or any other compensation (other than actual or necessary expenses). (Adopted: 1/13/03, Revised: 1/22/20 effective 8/1/20)

12.2.3.2.3 Major Junior Ice Hockey -- Men’s Ice Hockey. An individual who competes on a Major Junior ice hockey team shall be subject to the seasons of competition regulations set forth in Bylaw 14.2.4.2, regardless of when such competition occurs. (Adopted: 1/15/11 effective 8/1/11)

12.2.3.2.4 Professional Coach or Referee. Participation on a team that includes a professional coach or referee does not cause the team to be classified as a professional team.

12.2.3.3 Competition in Professional All-Star Contest. A student-athlete who agrees to participate in a professional (players to be paid) all-star game becomes ineligible to compete in any intercollegiate contest that occurs after that agreement. Thus, a senior entering into such an agreement immediately after the last regular-season intercollegiate contest would not be eligible to compete in a bowl game or an NCAA championship. (Revised: 10/22/13)

12.2.4 Draft and Inquiry.

12.2.4.1 Inquiry. An individual may inquire of a professional sports organization about eligibility for a professional-league player draft or request information about the individual’s market value without affecting their eligibility status. (Revised: 10/18/22)

12.2.4.2 Draft List. An enrolled student-athlete may enter a professional league’s draft an unlimited number of times during their collegiate career and be drafted by any team in the league without jeopardizing eligibility in that sport, provided the student-athlete (or their relatives or friends) do not accept transportation or other material benefits from an agent or any person who represents any individual in marketing their athletics ability or reputation in that sport, sign a professional sport contract or otherwise jeopardize their eligibility status. (Revised: 1/8/01 effective 8/1/01 for those individuals first entering a collegiate institution on or after 8/1/01, 4/15/14, 10/18/22, 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.2.4.3 Negotiations. An individual may request information about professional market value without affecting their eligibility status. Further, the individual, their relatives or legal guardians, the institution’s professional sports counseling panel or head coach may enter into negotiations with a professional sports organization without the loss of the individual’s eligibility status. (Adopted: 1/10/92, Revised: 1/9/06, 1/28/14, 10/18/22, 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.2.5 Contracts and Compensation.

12.2.5.1 General Rule. After initial full-time collegiate enrollment, an individual shall be ineligible for participation in an intercollegiate sport, if they have entered into any kind of agreement to compete in professional athletics, either orally or in writing, regardless of the legal enforceability of that agreement. (Revised: 1/10/92, 1/8/01 effective 8/1/01 for those individuals first entering a collegiate institution on or after 8/1/01)

12.2.5.1.1 Nonbinding Agreements. After initial full-time collegiate enrollment, an individual who signs a contract or commitment that does not become binding until the professional organization’s representative or agent also signs the document is ineligible, even if the contract remains unsigned by the other parties until after the student-athlete’s eligibility is exhausted. (Revised: 1/8/01 effective 8/1/01 for those individuals first entering a collegiate institution on or after 8/1/01)

12.3 Use of Agents.

12.3.1 General Rule. An individual shall be ineligible if they (or their relatives or friends) accept transportation or other material benefits from an agent or any person who represents any individual in the marketing of their athletics ability. (Revised: 7/18/17, 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023.)
12.3.1.1 Representation for Future Negotiations. An individual may enter into a verbal or written agreement with an agent for representation in future professional sports negotiations. (Revised: 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023.)

12.3.2 Professional Service Provider. An individual may utilize a professional service provider for advice and activities related to an individual’s name, image and likeness. (Adopted: 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.3.3 Agent to Secure Athletics Scholarship. An individual shall be ineligible if they enter into an agreement (orally or in writing) with an agent for securing initial or continuing enrollment at a particular institution. (Revised: 1/14/23 effective 8/1/23 for any prospective student-athlete initially enrolling full-time at a Division II institution on or after August 1, 2023)

12.3.4 Professional Sports Counseling Panel. It is permissible for an institution to have an authorized institutional professional sports counseling panel appointed and overseen by the institution’s president or chancellor (or their designated representative from outside the athletics department). (Revised: 1/12/04, 10/3/05)

12.4 Employment.

12.4.1 Criteria Governing Compensation to Student-Athletes. All compensation received by a student-athlete must be consistent with the limitations on financial aid set forth in Bylaw 15. Compensation may be paid to a student-athlete: [R] (Revised: 4/16/19)

(a) Only for work actually performed;
(b) At a rate commensurate with the going rate in that locality for similar services; and
(c) In instances where the student-athlete does not have a contract or agreement (oral or written) for name, image and likeness activities, an employer shall not use the athletics reputation of a student-athlete employee to promote the sale of the employer’s product or services. (Revised: 1/12/04, 10/18/22)

12.4.2 Specific Athletically Related Employment Activities.

12.4.2.1 National Team Practice and Competition. A student-athlete may receive actual and necessary expenses and reasonable benefits associated with national team practice and competition (e.g., health insurance, broken-time payments). [R] (Revised: 6/22/11, 4/15/14)

12.4.2.2 Fee-for-Lesson Instruction. A student-athlete may receive compensation for teaching or coaching sport skills or techniques in their sport on a fee-for-lesson basis, provided all compensation received by the student-athlete is consistent with the criteria governing compensation to student-athletes (see Bylaw 12.4.1). [R] (Adopted: 1/15/14, Revised: 10/22/19)

12.5 Financial Donations From Outside Organizations.

12.5.1 Professional Sports Organizations.

12.5.1.1 To Noncollegiate Amateur Team. A noncollegiate amateur team or playing league shall not be considered a professional team or league, even if it receives financial support from a national amateur sports administrative organization or its equivalent that in turn receives developmental funds from a professional team or professional sports organization.

12.5.1.2 To Intercollegiate Event. A professional sports organization may serve as a financial sponsor of an intercollegiate competition event, provided the organization is not publicly identified as such. A professional sports organization may serve as a financial sponsor of an activity or promotion that is ancillary to the competition event and may be publicly identified as such. [D] (Adopted: 1/10/92, Revised: 8/5/04, 10/28/10, 6/22/11, 1/14/12)

12.5.1.3 Developmental Funds to NCAA. A professional sports organization may provide funds for intercollegiate athletics developmental purposes in a particular sport (e.g., officiating expenses, research and educational projects, the conduct of summer leagues, purchase of equipment). However, such funds shall be provided in an unrestricted manner and administered through the Association’s national office.

12.5.1.4 To Institution. A member institution may receive contributions (e.g., tickets, funds, memorabilia) from a professional sports organization, including financial contributions from a professional sports organization for sponsorship of a specific intercollegiate competition event conducted by the institution, including ancillary activities and promotions. (Revised: 1/12/04, 1/17/09 effective 8/1/09, 1/14/12)

12.5.1.5 To Conference. A member conference may receive contributions (e.g., tickets, funds, memorabilia) from a professional sports organization, including financial contributions from a professional sports organization for sponsorship of a specific intercollegiate competition event conducted by the conference, including ancillary activities and promotions. (Adopted: 1/14/12)
12.5.1.6 **Revenues Derived From Pro-Am Events.** The distribution of revenues from an event involving an intercollegiate athletics team and a professional sports team (e.g., a baseball game in which a member institution’s team plays against a professional baseball team) or pro-am event (e.g., golf, tennis) that results in a member institution receiving a share of receipts from such a contest is permitted, provided the institution has a formal agreement with the professional sports team regarding the institution’s guarantee or share of receipts and the contractual terms are consistent with agreements made by the professional team or individuals for similar intercollegiate or nonprofessional competition.

12.5.1.7 **Promotion of Professional Athletics Contests.** A member institution may host and promote an athletics contest between two professional teams from recognized professional sports leagues as a fundraising activity for the institution. *(Revised: 1/9/96 effective 8/1/96)*

BYLAWS, ARTICLE 13

Recruiting

13.01 General Principles.

13.01.1 Entertainment. A member institution may provide entertainment (per Bylaws 13.6.6 and 13.7.2), at a scale comparable to that of normal student life and not excessive in nature, to a prospective student-athlete and their immediate family members. Entertainment of other relatives or friends of a prospective student-athlete is prohibited. (Revised: 1/9/06)

13.01.2 Institutional Responsibility in Recruitment. A member of an institution’s athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.3 Off-Campus Recruiting. In-person, off-campus recruiting is limited to authorized athletics department staff members, and limitations may be placed on the number of staff members who are permitted to recruit off campus. (See Bylaws 11.6 and 13.1.2.1.1.)

13.01.4 Recruiting by Representatives of Athletics Interests. Representatives of an institution’s athletics interests (as defined in Bylaw 13.02.12) are prohibited from making in-person, off-campus recruiting contacts or telephone calls with a prospective student-athlete or the prospective student-athlete’s relatives or legal guardians. On-campus contact is permitted, as are written communications. Recruiting contacts by representatives during a prospective student-athlete’s official visit are confined to campus (see Bylaw 13.6.6.1). (Revised: 1/11/00 effective 8/1/00)

13.01.5 Eligibility Effects of Recruiting Violation. The recruitment of a student-athlete by a member institution or any representative of its athletics interests in violation of the Association’s legislation, as acknowledged by the institution or established through the Association’s enforcement procedures, shall result in the student-athlete becoming ineligible to represent that institution in intercollegiate athletics, unless otherwise specified. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for their involvement in a violation of NCAA regulations during the student’s recruitment and involvement in a major violation (see Bylaw 19.1.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution. (Revised: 5/13/11, 1/17/15 effective 8/1/15)

13.02 Definitions and Applications.

13.02.1 Community Engagement Activity. A community engagement activity is an activity in which a member institution participates for the primary purpose of enhancing the community, rather than benefiting the institution. The institution must be able to demonstrate how the engagement of the institution’s resources (e.g., its student-athletes, its facilities) is meeting a specific identified community need or show how the use of its aforementioned resources links the institution to an overall school-wide community support strategy. The defining element of a community engagement activity is the clear intent of the member institution to provide value to the community. If student-athletes participate in the community engagement activity, the activity must satisfy the requirements of the promotional activity legislation. [D] (Adopted: 1/8/07 effective 8/1/07, Revised: 6/22/11, 4/26/18)

13.02.1.1 Application. A community engagement activity shall not be considered recruiting for purposes of securing a prospective student-athlete’s enrollment and ultimate participation in the institution’s intercollegiate athletics program, provided the institution obtains written approval from its chancellor or president (or their designee) confirming the activity meets the definition of a community engagement activity set forth in Bylaw 13.02.1. Therefore, the recruiting regulations set forth in Bylaw 13 do not apply when institutional staff members (including significant others and other family members), representatives of the institution’s athletics interests and student-athletes are engaged in community engagement activities with prospective student-athletes, except for the following: [D] (Adopted: 1/8/07 effective 8/1/07, Revised: 4/11/07, 6/22/11, 10/16/18)

(a) A community engagement activity may not take place during a dead period; and

(b) A representative of the institution’s athletics interests is limited to participating in community engagement activities with prospective student-athletes when all prospective student-athletes reside within a 100-mile radius of the location of the community engagement activity.

13.02.1.2 NCAA or Conference Community Engagement Activity. The NCAA or a member conference may conduct a community engagement activity, provided a representative of the organization documents that the intent of the
activity is to provide value to the community. A community engagement activity conducted by the NCAA or a member conference shall not be subject to the limitations set forth in Bylaw 13.02.1.1. (Adopted: 10/22/13)

13.02.2 Competition Site. The "competition site" is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

13.02.3 Contact. A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s) and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., positions themselves in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete’s educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete’s high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s) at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter. (Revised: 1/11/94 effective 8/1/94, 10/20/03, 4/29/04, 1/9/06)

13.02.4 Contact and Evaluation Periods.

13.02.4.1 Contact Period. A contact period is that period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations.

13.02.4.2 Evaluation Period. An evaluation period is that period of time when it is permissible for authorized athletics department staff members to be involved in off-campus activities designed to assess the academic qualifications and playing ability of prospective student-athletes. No in-person, off-campus recruiting contacts shall be made with the prospective student-athlete during an evaluation period. [D] (Revised: 7/28/15)

13.02.4.3 Quiet Period. A quiet period is that period of time when it is permissible to make in-person recruiting contacts only on the member institution’s campus. No in-person, off-campus recruiting contacts or evaluations may be made during the quiet period. [D] (Revised: 7/28/15)

13.02.4.4 Dead Period. A dead period is that period of time when it is not permissible to make in-person recruiting contacts or evaluations on or off the member institution’s campus or to permit official or unofficial visits by prospective student-athletes to the institution’s campus. The provision of complimentary admissions to a prospective student-athlete during a dead period is prohibited, except as provided in Bylaw 13.7.2.3 for a prospective student-athlete who visits an institution as part of a group. During such a dead period, a coaching staff member may not serve as a speaker at or attend a meeting or banquet at which prospective student-athletes are in attendance, except as provided in Bylaws 13.1.8 and 13.1.8.1, and may not visit the prospective student-athletes’ educational institutions. It remains permissible, however, for an institutional staff member to write or telephone prospective student-athletes during such a dead period. [D] (Revised: 1/11/94, 7/28/15)

13.02.5 Enrolled Student-Athlete. An enrolled student-athlete is an individual whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student’s ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department.

13.02.6 Evaluation. Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete’s educational institution (during which no contact occurs) or the observation of any practice or competition at any site at which the prospective student-athlete participates. (Revised: 1/10/91 effective 8/1/91)

13.02.7 Home. In general, a prospective student-athlete’s "home" is the prospective student-athlete’s legal residence, or the community of the educational institution in which the prospective student-athlete is enrolled while residing there.

13.02.8 National Letter of Intent. The National Letter of Intent referred to in this bylaw is the official document administered by the Collegiate Commissioners Association and used by subscribing member institutions to establish the commitment of a prospective student-athlete to attend a particular institution.

13.02.9 Prospective Student-Athlete. A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete, if the institution provides such an individual (or the individual’s relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier): (Revised: 1/11/89, 1/10/90)
(a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution’s regular academic year (excluding summer); or
(b) The individual participates in a regular-squad practice or competition at a four-year collegiate institution.

13.02.10 Recruiting. Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete’s relatives [or legal guardian(s)] by an institutional staff member or by a representative of the institution’s athletics interests for the purpose of securing the prospective student-athlete’s enrollment and ultimate participation in the institution’s intercollegiate athletics program.

13.02.10.1 Recruited Prospective Student-Athlete. Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (Revised: 1/10/90, 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(a) Providing the prospective student-athlete with an official visit; (Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(b) Having an arranged, in-person, off-campus encounter with the prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s); (Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94; Revised: 1/9/06)

(c) Initiating or arranging a telephone contact with the prospective student-athlete, the prospective student-athlete’s relatives or legal guardian(s) on more than one occasion for the purpose of recruitment; or (Revised: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(d) Issuing a National Letter of Intent or the institution’s written offer of athletically related financial aid to a prospective student-athlete. (Adopted: 1/9/06)

13.02.11 Recruiting or Scouting Service. A recruiting or scouting service includes any individual, organization, entity or segment of an entity that is primarily involved in providing information about prospective student-athletes. A recruiting or scouting service may include: (Adopted: 1/15/14)

(a) Any service that provides information only to paid subscribers;

(b) Any service that is only available to a select group of individuals (e.g., coaches), regardless of whether there is a charge associated with the service; or

(c) Any service that provides information to the public free of charge. [D] (Adopted: 1/15/11 effective 8/1/11, Revised: 6/22/11)

(b) Register with the NCAA Eligibility Center; and (Revised: 1/8/07 effective 8/1/07)

(c) Are placed on the institution’s institutional request list (IRL) with the NCAA Eligibility Center. (Adopted: 1/8/07 effective 8/1/07)

13.6.2.2 Two-Year or Four-Year College Prospective Student-Athlete. An institution shall not provide an official visit to a two-year or four-year college prospective student-athlete until they have presented an academic transcript. However, if an institution is required to play all of its home games in a given sport at a site located in a community other than its own because of conditions beyond its own control (e.g., fire, windstorm, earthquake or other disaster), the institution may consider games played at the substitute site as on-campus competition, provided the institution documents the conditions causing it to visit an off-campus site on an official visit. [D] (Revised: 1/10/05, 1/9/06, 6/22/11)

13.6.3 Length of Official Visit. An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution’s campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete’s home. Additionally, if the prospective student-athlete does not return home before attending the institution, the one-way
transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to enroll. [D]
(Revised: 1/9/96 effective 8/1/96, 1/10/05, 6/22/11)

13.6.3.1 48-Hour Period Defined. The 48-hour period of the official visit begins at the time the prospective student-athlete arrives on the institution’s campus, rather than with the initiation of the prospective student-athlete’s transportation by a coach or the time of the prospective student-athlete’s arrival at the airport or elsewhere in the community. The prospective student-athlete’s transportation to and from the campus must be without delay for personal reasons or entertainment purposes. The institution may not pay any expenses for entertainment (other than the actual and reasonable cost of meals) in conjunction with the prospective student-athlete’s transportation. At the completion of the 48-hour visit, the prospective student-athlete must depart the institution’s campus immediately; otherwise, the institution may not pay any expenses incurred by the prospective student-athlete upon departure from the institution’s campus, including the cost of the prospective student-athlete’s transportation home.

13.6.3.2 Exception to 48-Hour Period for Extenuating Circumstances. An official visit may extend beyond 48 hours for reasons beyond the control of the prospective student-athlete and the institution. (Adopted: 10/21/08, Revised: 4/16/19)

13.6.6.1 General Restrictions. An institution may provide entertainment, pursuant to Bylaw 13.6.6.5, on the official visit only for a prospective student-athlete and the prospective student-athlete’s relatives [or legal guardian(s)]. Entertainment and contact by representatives of the institution’s athletics interests during the official visit are confined to campus. It is not permissible to entertain other persons accompanying a prospective student-athlete at any time at any site. [R] (Revised: 1/13/98, 1/10/05, 1/9/06, 6/22/11, 9/30/14, 10/21/14)

13.6.6.1.1 Meals and Lodging While in Transit. It is permissible for an institution to pay a prospective student-athlete’s actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit.

13.6.6.2 Complimentary Admissions. During the official visit, a maximum of five complimentary admissions to a campus athletics event in which the institution’s intercollegiate team practices or competes may be provided to a prospective student-athlete. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. BYLAW, ARTICLE 14

Eligibility: Academic and Athletics Requirements

14.01 General Principles.

14.01.1 Institutional Responsibility. An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition, unless the student-athlete meets all applicable eligibility requirements and the institution has certified the student-athlete’s eligibility. A violation of this bylaw in which the institution fails to certify the student-athlete’s eligibility prior to allowing them to represent the institution in intercollegiate competition shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility, provided all necessary information to certify the student-athlete’s eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. (Revised: 1/14/02, 10/23/07)

14.01.2 Academic Status. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain progress toward a baccalaureate or equivalent degree. (Revised: 5/12/09)

14.01.2.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. The definition of good academic standing applied to student-athletes shall be a standard at least as demanding as the minimum standard applied to all students in order to participate in extracurricular activities at the institution. (Revised: 5/12/09, 7/18/17)

14.01.2.1 Impermissible Benefits. A student-athlete shall not be eligible for participation in an intercollegiate sport if they receive impermissible awards, extra benefits, excessive or improper expenses not authorized by NCAA legislation (see Bylaw 16), takes or has taken pay, or accepts the promise of pay in any form for participation in that sport. A student-athlete who receives an institutional postgraduate scholarship as part of a senior scholar-athlete award as set forth in Bylaw 16.1.3.1.1 shall not be eligible for intercollegiate athletics participation in all sports, except that a student may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in a spring sport which occurs after graduation). (Revised: 1/11/05, 1/11/24 effective 8/1/24)

14.01.2.3 Financial Aid. A student-athlete who receives financial assistance other than that authorized by the Association shall not be eligible for intercollegiate athletics competition (see Bylaw 15). A grant-in-aid administered by an educational institution is not considered to be pay or the promise of pay for athletics skill, provided it does not exceed the financial aid limitations set by the Association’s membership. (Revised: 1/11/24 effective 8/1/24)

14.01.3 Compliance With Other NCAA and Conference Legislation. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution and the conference(s), if any, of which the institution is a member. A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Bylaw 7.01.9 however, such a violation shall not affect the student-athlete’s eligibility. Specific attention is called to legislation affecting eligibility in the following areas. (Revised: 10/17/06, 4/4/07)

14.01.3.1 Amateurism. A student-athlete shall not be eligible for participation in an intercollegiate sport, if following initial full-time collegiate enrollment the individual takes or has taken pay, or has accepted the promise of pay in any form, for participation in that sport, or if the individual has violated any of the other regulations related to amateurism set forth in Bylaw 12. (See Bylaw 12.1) (Revised: 1/9/06 effective 8/1/06)

14.01.3.2 Awards, Benefits and Expenses. Receipt by a student-athlete of nonpermissible awards, extra benefits, or excessive or improper expenses not authorized by NCAA legislation violates the Association’s amateurism principle and renders the student-athlete ineligible for athletics participation in the sport for which the improper award, benefit or expense was received (see Bylaw 16). A student-athlete who receives an institutional postgraduate scholarship as part of a senior scholar-athlete award as set forth in Bylaw 16.1.3.1.1 shall not be eligible for intercollegiate athletics participation in
all sports, except that a student may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in a spring sport which occurs after graduation). (Revised: 1/10/05)

**14.01.3.3 Unethical Conduct.** A prospective or enrolled student-athlete who is found to have engaged in unethical conduct (see Bylaw 10.1) shall be ineligible for intercollegiate competition in all sports. (Revised: 1/10/90, 4/26/06)

**14.01.3.4 Financial Aid.** A student-athlete who receives financial assistance other than that authorized by the Association shall not be eligible for intercollegiate athletics competition (see Bylaw 15).

**14.01.3.5 Recruitment.** Solicitation of a student-athlete’s enrollment by the certifying institution or any representative of its athletics interests in violation of the Association’s legislation shall render the student-athlete ineligible to represent that institution in intercollegiate athletics. A student-athlete is responsible during their recruitment for involvement in a violation of NCAA regulations, and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons (see Bylaw 13).

**14.02 Definitions and Applications.**

**14.02.1 Academic Misconduct -- Post-Enrollment.** All institutional staff members and student-athletes are expected to act with honesty and integrity in all academic matters. (Revised: 4/24/24)

**14.02.7 Good Academic Standing and Progress Toward Degree.** The phrases “good academic standing” and “progress toward degree” are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference(s) (or similar associations), if any, of which the institution is a member; and applicable NCAA legislation (see Bylaw 14.4). (b) An academic exception that results in a grade change, academic credit or fulfillment of a graduation requirement when such an exception is not generally available to the institution’s students and the exception results in the certification of a student-athlete’s eligibility to participate in intercollegiate athletics or receive financial aid. (Adopted: 1/21/17 effective 8/1/17)

14.02.8 Exception. An exception is the granting of relief from the application of a specific regulation (e.g., the residence requirement for a two-year transfer student to become eligible for competition). The definition of good academic standing applied to student-athletes shall be a standard at least as demanding as the minimum standard applied to all students in order to participate in extracurricular activities at the institution. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain progress toward a baccalaureate or equivalent degree. (Adopted: 1/13/03 effective 8/1/03)

14.1.7.1.4 Concurrent Courses at Two Institutions. Courses taken concurrently at a second institution may be counted toward meeting the minimum 12-hour enrollment requirement, provided: (Adopted: 1/13/03 effective 8/1/03)

(a) The certifying institution officially recognizes the student-athlete’s combined hours as full-time enrollment for a minimum of 12 hours; and

(b) Courses taken at the second institution will be included on the student-athlete’s transcript at the institution where the student-athlete is seeking the degree.
14.1.7.1.5 Cooperative Educational Exchange Program. A student-athlete may practice or compete for the certifying institution even though the student-athlete is enrolled in another institution in a cooperative educational exchange or work experience program (e.g., co-op, internship, practicum, student-teaching), provided: (Adopted: 1/13/03 effective 8/1/03, Revised: 1/11/12)

(a) The certifying institution considers the student-athlete to be regularly enrolled in a minimum full-time program of studies; and

(b) All academic coursework is placed on the student-athlete’s transcript and accepted toward their undergraduate degree at the certifying institution.

14.1.7.1.6 Nontraditional Courses. Enrollment in a nontraditional course (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) offered by the certifying institution may be used to satisfy the full-time enrollment requirement for competition, provided the following conditions are met: (Adopted: 1/19/13 effective 8/1/13)

(a) The course is available to any student at the institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student;

(c) Enrollment in the course occurs within the institution’s regular enrollment periods (preregistration or drop-add period) in accordance with the institution’s academic calendar and applicable policies and procedures; and

(a) Have been registered for the required minimum full-time program of studies (see Bylaw 14.1.7.1) at the conclusion of the term immediately preceding the date of competition, if the student-athlete is continuing enrollment; or

(b) Be accepted for enrollment as a regular full-time student for the regular term immediately after the date of competition, if the student-athlete is either continuing enrollment or beginning enrollment (see Bylaw 14.1.9).

14.1.7.1.7.3 Practice or Competition -- Final Semester/Quarter. A student-athlete with athletics eligibility remaining may compete or participate in organized practice sessions while enrolled in less than a minimum full-time program of studies, provided the student-athlete is enrolled in the final semester or quarter of the baccalaureate program or a minor or undergraduate certificate program and the institution certifies that the student-athlete is carrying (for credit) the courses necessary to complete the degree, minor or certificate requirements. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the beginning of the applicable term. Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree, minor or certificate requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. (Adopted: 1/13/03 effective 8/1/03, Revised: 5/3/21)

14.1.7.1.7.3.1 Waivers. The Committee on Student-Athlete Reinstatement shall establish appropriate criteria for waiver requests seeking relief of the forfeiture of eligibility penalty. (Adopted: 4/21/20 effective 8/1/20)

14.1.7.1.7.3.2 Practice or Competition -- Postseason. The student-athlete granted eligibility to compete under this provision shall be eligible for any NCAA championship that begins within 60 days after said semester or quarter, provided the student-athlete has not exhausted the 10 semesters/15 quarters for
completion of the individual’s four seasons of eligibility (see Bylaw 14.2). Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. (Adopted: 1/11/03 effective 8/1/03)

14.1.7.1.7.4 Final Term Before Experiential Learning Requirement. A student-athlete may compete or practice while enrolled in less than a minimum full-time program of studies in the final semester or quarter of the student’s baccalaureate degree program before participating in an experiential learning requirement (e.g., student teaching, internship, clinical, capstone project) in the following term, provided the student-athlete is carrying (for credit) all courses necessary to complete degree requirements as determined by the faculty of the institution, other than the experiential learning requirement. A student-athlete who uses this exception is not permitted to use the final semester/quarter exception the following semester or quarter. (Adopted: 1/17/18 effective 8/1/18)

14.1.7.1.7.6 Practice -- First Week of Class. A student-athlete may practice, but may not compete, during the institution’s first five days of classes, if the student-athlete is enrolled in less than a minimum full-time program of studies, provided the student-athlete is otherwise eligible under all institutional, conference and NCAA requirements. (Adopted: 1/11/03 effective 8/1/03)

14.1.7.1.8 Waivers of the 12-Hour Requirement for Practice or Competition.

14.1.7.1.8.1 Practice or Competition -- Student-Athletes with Education-Impacting Disabilities. The Academic Requirements Committee may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the student-athlete’s education-impacting disability. (Adopted: 1/11/03 effective 8/1/03, Revised: 10/21/08)

14.1.7.1.8.2 Practice or Competition -- Nontraditional Academic Calendars or Cooperative Educational Programs. A student-athlete enrolled in an institution that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a cooperative educational or work experience program (e.g., co-op, internship, practicum, student-teaching), may practice or compete, if at the time of practice or competition the student-athlete is enrolled for a comparable minimum academic program of studies as determined by the Academic Requirements Committee. 14.1.7.1.8.3 Practice or Competition -- Olympic, Paralympic, Pan American, Parapan American, World Championships, World Cup, World University Games (Universiade), World University Championships or World Youth Championships. The Academic Requirements Committee may waive the minimum full-time enrollment requirement for any participant in the junior or elite levels of the Olympic, Paralympic, Pan American, Parapan American, World Championships, World Cup, World University Games (Universiade), World University Championships or World Youth Championships who, because of such participation, may lose eligibility for practice or competition in any sport. (Adopted: 1/11/03 effective 8/1/03, Revised: 1/9/06, 10/17/06, 10/18/11, 1/22/20 effective 8/1/20)

A student-athlete with eligibility remaining who is not enrolled or who is enrolled in less than a minimum full-time program of studies or a former student-athlete who has graduated and has no eligibility remaining, may participate on a regular basis in organized practice sessions that involve an individual sport or rowing, provided the following conditions are met: (Adopted: 1/1/03 effective 8/1/03, Revised: 1/10/05 effective 8/1/05, 1/17/09 effective 8/1/09, 10/19/10, 1/22/20 effective 8/1/20)

(a) The practice sessions take place only at the institution(s) the individual previously attended as an undergraduate or currently attends or previously attended as a graduate student, except that a former student-
athlete who has graduated and has no eligibility remaining may participate in practice sessions at an
institution other than the one they previously attended; (Revised: 10/19/10)

(b) The U.S. Olympic and Paralympic Committee or national governing body in the sport has recommended the

the appropriate coaching limits;

d) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only
during the academic year immediately before the Olympic or Paralympic Games; and (Revised: 1/22/20
effective 8/1/20)

e) In the case of a former student-athlete, such participation shall be limited to the number of years that allows
the individual to practice with the institution’s team in preparation for two consecutive Olympic or
Paralympic Games following exhaustion of eligibility or completion of degree, whichever is earlier. A student-
athlete who has not graduated must be enrolled (full or part time) and making progress toward a degree.
(Adopted: 10/19/10, Revised: 1/22/20 effective 8/1/20)

undergraduate or currently attends or previously attended as a graduate student, except that a former student-
athlete who has graduated and has no eligibility remaining may participate in practice sessions at an
institution other than the one they previously attended; (Revised: 10/19/10)

(b) The U.S. Olympic and Paralympic Committee or national governing body in the sport has recommended the
individual’s participation; (Revised: 1/22/20 effective 8/1/20)

c) The individual does not participate in any coaching activities unless the institution designates the individual in
the appropriate coaching limits;

d) The participation occurs only during the academic year immediately before the Olympic or Paralympic
Games; and (Revised: 1/22/20 effective 8/1/20)

e) In the case of a former student-athlete, such participation shall be limited to the number of years that allows

athlete who has not graduated must be enrolled (full or part time) and making progress toward a degree.
(Revised: 1/22/20 effective 8/1/20)

14.1.7.1.8.5.1 Administration. Waivers of Bylaw 14.1.7.1.8.4 or 14.1.7.1.8.5 shall be approved by the
conference members of the Association or, in the case of independent institutions, by the Management
Council. A member institution shall submit a waiver request that includes documentation that demonstrates
that the conditions of Bylaw 14.1.7.1.8.4 or 14.1.7.1.8.5 have been met for each individual who wishes to
participate in the institution’s practice sessions. (Adopted: 1/13/03 effective 8/1/03, Revised: 1/10/05 effective
8/1/05)

14.1.7.1.8.6 Practice and Competition -- All Other Full-Time Enrollment Waivers. Unless otherwise
specified under this bylaw, the Academic Requirements Committee may waive the 12-hour requirement for
competition and practice. (Adopted: 1/9/06, Revised: 4/4/07)

14.1.8 Graduate Student/Postbaccalaureate/Second Baccalaureate Participation. A student-athlete who is
enrolled in a graduate or professional school of the institution they previously attended as an undergraduate (regardless of
whether the individual has received a United States baccalaureate degree or its equivalent), a student-athlete who is enrolled and
seeking a second baccalaureate or equivalent degree at the same institution, a student-athlete who has graduated and is
continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another
major or degree as defined and documented by the institution, or a nonmatriculating, nondegree seeking graduate student who
satisfies all eligibility requirements (e.g., enrolled full time, in good academic standing), may participate in intercollegiate
athletics, provided the student has eligibility remaining and such participation occurs within the applicable 10-semester/15-
quarter period set forth in Bylaw 14.2 (see Bylaw 14.1.7.1.7.5). (Revised: 1/10/90, 1/16/93 effective 8/1/93, 1/8/07 effective 8/1/07, 1/18/17)

14.1.8.1 Transfer Exception. A student who transfers and enrolls in a graduate program, professional school or second baccalaureate or equivalent degree program at an institution other than the institution they previously attended as an undergraduate may participate in intercollegiate athletics, provided the student has eligibility remaining. (Adopted: 1/9/96 effective 8/1/96 for those student-athletes who transfer to the certifying institution on or after 8/1/96, Revised: 1/8/07 effective 8/1/07)

14.1.8.1.1 Disciplinary Suspension. A student who transfers from a collegiate institution and enrolls in a graduate program, professional school or second baccalaureate or equivalent degree program while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (Adopted: 7/19/16)

14.1.8.2 International Student Exception. The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a "baccalaureate" but is not equivalent to a United States baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the Division II Academic Requirements Committee and its International Student Records Consultants. (Adopted: 1/16/93, Revised: 2/24/11)

14.1.8.3 NCAA Championship Following Last Term of Eligibility. A student-athlete who is eligible during the term in which degree work is completed (or is eligible as a graduate, per Bylaw 14.1.8) remains eligible for any NCAA championship that begins within 60 days after the end of the term in which the student completes the requirements for the degree (or graduate eligibility). The Management Council, or a committee designated by the Management Council to act for it, may waive the 60-day requirement when an NCAA championship, postseason bowl game or National Invitation Tournament is conducted at the conclusion of the traditional playing season but begins more than 60 days after the end of said term. (Revised: 1/16/93, 1/10/95, 10/22/13)

14.1.9 Change in Eligibility Status. If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date their eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution’s official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete’s or the institution’s first participation in an NCAA championship, they shall remain eligible for the remainder of the championship. (Revised: 10/22/19)

14.1.9.1 Exception.

14.1.9.1.1 Institutions With Official Posting Date for Grades. An institution whose official posting date for grades falls within three days of the first day of classes for the following academic term shall have three business days from the official date on which grades must be posted to certify that student-athletes have satisfactorily completed at least nine-quarter or eight-quarter hours of academic credit the preceding regular academic term (see Bylaw 14.4.3.2). For those institutions that post grades on a rolling basis, the three-business day period shall begin within the first week of classes. (Adopted: 1/9/06 effective 8/1/06, Revised: 6/14/16)

14.1.9.1.2 Institutions With No Official Posting Date for Grades. An institution whose official submission date for grades falls on or after the first day of classes for the following academic term shall have five business days from the date on which grades are submitted to certify that student-athletes have satisfactorily completed at least nine-quarter or eight-quarter hours of academic credit the preceding regular academic term (see Bylaw 14.4.3.2). (Adopted: 1/9/06 effective 8/1/06, Revised: 6/14/16)

14.1.9.1.3 Certification of Eligibility. During the three-business-day or five-business-day period, a student-athlete who is otherwise eligible under NCAA, conference and institutional requirements, shall be permitted to compete. If during the exception period, a student-athlete is certified ineligible, the student-athlete shall be declared immediately ineligible for competition. If the three-business-day or five-business-day period concludes prior to the certification of eligibility for any student-athlete, the student-athlete(s) shall be ineligible until such time as the student-athlete(s) is declared eligible for competition. (Adopted: 1/9/06 effective 8/1/06)

14.1.10 Eligibility for Male Students or Male Student-Athletes to Practice With Women’s Teams. A male student or male student-athlete (see Bylaw 17.02.9) may engage in practice sessions with women’s teams under the following conditions: (Adopted: 5/5/09)

(a) Male students who practice with an institution’s women’s team must be verified as eligible for practice in accordance with Bylaw 14.1.7.1 and must have eligibility remaining under the ten-semester/15-quarter rule (see Bylaw 14.2.2) and undergo
a mandatory medical examination per Bylaw 17.1.5. A male student who practices with an institution’s women’s team is not required to have an academic or amateurism certification from the NCAA Eligibility Center. (Revised: 7/26/11, 7/24/12 effective 8/1/13, 3/17/15, 7/23/19)

(b) It is not permissible for an institution to provide male students financial assistance, which includes food and housing, tuition and fees, and books, in return for practicing with the women’s team. (Revised: 10/26/23)

(c) It is not permissible for an institution to provide male students awards and benefits set forth in Bylaw 16.

(d) It is not permissible for an institution to provide male students food and housing to remain on campus during a vacation period to participate in practice sessions with a women’s team. (Revised: 10/26/23)

(e) It is permissible for an institution to provide practice apparel to male students for the purpose of practicing with a women’s team.

14.1.11 Recognized Foreign Exchange/Study Abroad Program. A student-athlete who participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution’s academic authorities shall not be considered a transfer student-athlete upon return to the certifying institution. A student-athlete participating in such a program shall not trigger the use of a season of competition for participation in intercollegiate competition that occurs during the certifying institution’s nonchampionship segment. In sports other than basketball, a student-athlete shall not be subject to the outside competition legislation while participating in such a program. All amateurism regulations still apply. (Adopted: 1/16/16 effective 8/1/16)

14.2 Seasons of Competition: 10-Semester/15-Quarter Rule. A student-athlete shall not engage in more than four seasons of intercollegiate competition in any one sport (see Bylaws 14.02.10 and 14.2.2). An institution shall not permit a student-athlete to represent it in intercollegiate competition unless the individual completes all of their seasons of participation in all sports within the time periods specified below:

14.2.1 Collegiate Eligibility. (Revised: 1/11/24 effective 8/1/24)

14.2.2 Ten-Semester/15-Quarter Rule. A student-athlete shall complete their seasons of participation during the first 10 semesters or 15 quarters in which the student is enrolled in a collegiate institution in at least a minimum full-time program of studies, as determined by the regulations of that institution. For an institution that conducts registration other than on a traditional semester or quarter basis, the Academic Requirements Committee shall determine an equivalent enrollment period.

14.2.2.1 Use of Semester or Quarter. A student-athlete is considered to have used a semester or quarter under this rule when the student-athlete is officially registered in a collegiate institution (domestic or foreign) in a regular term of an academic year for a minimum full-time program of studies, as determined by the institution, and attends the first day of classes for that term, even if the student-athlete drops to part-time status during that first day of classes (see Bylaw 14.2.3). (Revised: 1/10/05)

14.2.2.2 Pregnancy Exception. A member institution may approve a two-semester or three-quarter extension of this 10-semester/15-quarter period of eligibility for a pregnant student-athlete.

14.2.2.3 Transgender Female Exception. A member institution may approve a two-semester or three-quarter extension of the 10-semester/15-quarter period of eligibility for a transgender female (male to female) student-athlete who uses two semesters or three quarters while completing one calendar year of testosterone suppression treatment or surgical intervention. (Adopted: 7/18/17)

14.2.2.4 Ten-Semester/15-Quarter Rule Waivers. The Management Council, or a committee designated by the Management Council to act for it, by a two-thirds majority of its members present and voting, may approve waivers to the 10-semester/15-quarter rule as it deems appropriate. (Revised: 7/20/10)

14.2.2.4.1 Waiver Criteria. A waiver of the 10-semester/15-quarter period of eligibility is designed to provide a student-athlete with the opportunity to participate in four seasons of intercollegiate competition within a 10-semester/15-quarter period. This waiver may be granted, based upon objective evidence, for reasons that are beyond the control
of the student-athlete and the institution, which deprive the student-athlete of the opportunity to participate for more than one season in their sport within the 10-semester/15-quarter period. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-year criteria detailed in this bylaw for extraordinary circumstances or extreme hardship. (Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 1/8/01, 10/22/02, 7/20/10)

14.2.2.4.1.1 Application of Waiver. If the waiver is granted, it shall be applied during the next available opportunity to enroll [e.g., next semester(s), quarter(s)]. (Adopted: 10/19/10)

14.2.2.4.1.2 Circumstances Beyond Control. Circumstances considered to be beyond the control of the student-athlete and the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95, 10/22/02, 7/20/10)

(a) Situations clearly supported by contemporaneous medical documentation, which states that a student-athlete is unable to participate in intercollegiate competition as a result of incapacitating physical or mental circumstances;

(b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete’s immediate family that clearly is supported by contemporaneous medical documentation; (Revised: 10/26/06)

(c) Reliance by the student-athlete on written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete that directly leads to that individual not being eligible to participate and, for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition; (Revised: 10/9/96 effective 8/1/97)

(d) Natural disaster (e.g., earthquakes, floods); and

(e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual on whom the student-athlete is legally dependent that prohibits the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent. (Adopted: 10/12/95, Revised: 10/28/97)

14.2.2.4.1.3 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete and the institution and cause a participation opportunity to be used include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95, 10/22/02, 7/20/10)

(a) A student-athlete’s decision to attend an institution that does not sponsor their sport, or decides not to participate at an institution that does sponsor their sport;

(b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, or disciplinary reasons or incarceration culminating in or resulting from a conviction; (Revised: 10/12/95)

(c) Redshirt year by a student-athlete on misinformation from a coaching staff member;

(d) Redshirt year, unless it meets the exception pursuant to Bylaw 14.2.2.4.1.4; (Revised: 1/9/06 effective 8/1/06)

(e) An inability to participate as a result of not satisfying the undergraduate four-year college transfer requirements (see Bylaw 14.5.5) or fulfilling a condition for restoration of eligibility; and (Revised: 4/24/24)

(f) A student-athlete’s lack of understanding regarding the specific starting date of their 10-semester/15-quarter period of eligibility. (Adopted: 10/9/96 effective 8/1/97)

14.2.2.4.1.4 Waiver -- Student-Athlete Who Does Not Use Season of Competition During Initial Year of Collegiate Enrollment. For a student-athlete who does not use a season of competition during their initial year of full-time collegiate enrollment at any institution, a waiver may be granted if all of the following conditions are met: (Adopted: 1/9/06 effective 8/1/06, Revised: 7/24/07, 7/19/10, 10/21/14)

(a) The student-athlete was academically and athletically eligible and was on the institution’s eligibility list (formerly squad list) during their initial year of collegiate enrollment; and (Revised: 1/9/06, 7/24/12 effective 8/1/13)

(b) The student-athlete was denied one participation opportunity per Bylaw 14.2.2.4.1 following their initial year of collegiate enrollment.
14.2.2.4.1 Application of Waiver. If the waiver is granted, it must be used during the next available opportunity [e.g., next semester(s) or quarter(s)]. *(Adopted: 1/9/06 effective 8/1/06, Revised: 7/20/10, 4/16/19 Immediate, for student-athletes who initially enroll in a collegiate institution during the 2019-20 academic year and thereafter.)*

14.2.2.4.2 Practice While Waiver Is Pending. A student-athlete, who has exhausted their 10-semester/15-quarter period of eligibility, may participate, but not compete, for 30 consecutive calendar days, provided the institution has filed a 10-semester/15-quarter waiver request with the NCAA national office. If such a request is denied prior to exhausting the 30-day practice period, the student-athlete must cease all practice activities upon the institution’s notification of the denial. *(Adopted: 7/20/10, Revised: 10/16/18)*

14.2.3 Additional Applications of the 10-Semester/15-Quarter Rule.

14.2.3.1 Athletics Competition. Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, a student shall use a semester or quarter under the 10-semester/15-quarter period of eligibility if the individual represents the institution in intercollegiate athletics. *(Revised: 1/10/05)*

14.2.3.1.7.2 Practice or Competition -- Eligibility Between Terms. To be eligible for practice or competition that takes place between terms, the student-athlete shall: *(Adopted: 1/13/03 effective 8/1/03)*

(a) Have been registered for the required minimum full-time program of studies (see Bylaw 14.2.3.1) at the conclusion of the term immediately preceding the date of competition, if the student-athlete is continuing enrollment; or *(Revised: 1/11/24 effective 8/1/24)*

(b) Be accepted for enrollment as a regular full-time student for the regular term immediately after the date of competition, if the student-athlete is either continuing enrollment or beginning enrollment (see Bylaw 14.2.5). *(Revised: 1/11/24 effective 8/1/24)*

14.2.3.1.7.3.2 Practice or Competition -- Postseason. The student-athlete granted eligibility to compete under this provision shall be eligible for any NCAA championship that begins within 60 days after said semester or quarter, provided the student-athlete has not exhausted the 10 semesters/15 quarters for completion of the individual’s four seasons of eligibility (see Bylaw 14.4.3). Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. *(Adopted: 1/13/03 effective 8/1/03, Revised: 1/11/24 effective 8/1/24)*

14.2.3.1.7.5 Practice or Competition -- Graduate Program. A student-athlete may practice or compete while enrolled in a full-time graduate program as defined by the institution for all graduate students in that program (see Bylaw 14.2.4). *(Adopted: 1/13/03 effective 8/1/03, Revised: 1/9/06, 1/11/24 effective 8/1/24)*

14.2.3.1.8.5.1 Administration. Waivers of Bylaw 14.2.3.1.8.4 or 14.2.3.1.8.5 shall be approved by the conference members of the Association or, in the case of independent institutions, by the Management Council. A member institution shall submit a waiver request that includes documentation that demonstrates that the conditions of Bylaw 14.2.3.1.8.4 or 14.2.3.1.8.5 have been met for each individual who wishes to participate in the institution’s practice sessions. *(Adopted: 1/13/03 effective 8/1/03, Revised: 1/10/05 effective 8/1/05, 1/11/24 effective 8/1/24)*

14.2.3.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the 10-semester/15-quarter rule (Bylaw 14.2) only if: *(Revised: 1/10/90)*

(a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or

(b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.
14.2.3.3 Joint College/High School Program. A student-athlete’s eligibility under the 10-semester/15-quarter rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for high school students, in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not practice (including limited preseason tryouts) or compete for the college’s athletics programs. (Revised: 1/13/98, 1/8/01 effective 8/1/01, 1/14/02)

14.2.3.4 Vocational Program. A student-athlete’s eligibility under the 10-semester rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution’s extracurricular activities, including athletics.

14.2.3.5 Eligibility for Practice. A student-athlete receiving athletics aid after having engaged in four seasons of intercollegiate competition in a sport may continue to take part in organized, institutional practice sessions in that sport without being a counter (see Bylaw 15.02.4), provided the individual has eligibility remaining under the 10-semester rule.

14.2.4 Criteria for Determining Season of Eligibility.

14.2.4.1 Minimum Amount of Competition. Any competition (including a scrimmage with outside competition), regardless of time, during a season in an intercollegiate sport shall be counted as a season of competition in that sport. This provision is applicable to intercollegiate athletics competition conducted by a two-year or four-year collegiate institution at the varsity or subvarsity level. (Revised: 1/11/94, 1/19/13 effective 8/1/13)

14.2.4.1.1 Transfer from a Non-Division II Institution. The Division II season of competition legislation does not apply to a transfer student-athlete’s previous participation at a non-Division II institution (e.g., NCAA Division I or III, NAIA, two-year college). A transfer student-athlete is subject to the legislation applicable to the division or association of which the previous institution was a member during the student-athlete’s term(s) of participation. (Adopted: 1/27/20 Immediate, for a student-athlete who transferred to a Division II institution during the 2018-19 academic year and thereafter.)

14.2.4.1.1 Exception -- Division III Transfer. A Division III student-athlete who is charged with a season of participation for practice only under Division III legislation will not be charged with a season of competition upon transfer to a Division II institution. (Adopted: 1/27/20 Immediate, for a student-athlete who transferred to a Division II institution during the 2018-19 academic year and thereafter.)

14.2.4.1.2 Exception -- Two-Year College Scrimmages. A two-year college prospective student-athlete may compete in a scrimmage as a member of a two-year college team without counting such competition as a season of competition, provided the scrimmage is conducted without official scoring. (Adopted: 1/11/94, Revised: 4/4/07, 7/23/19)

14.2.4.1.2.1 Official Scoring. Official scoring has occurred when either institution participating in the scrimmage satisfies either of the following conditions: (Adopted: 7/23/19)

(a) The signing of a scorebook by an official; or
(b) The score is used for individual or seasonal statistics.

14.2.4.1.3 Exception -- Competition in the Nonchampionship Segment and Spring Football. In field hockey, football, men’s and women’s soccer, men’s and women’s volleyball and men’s and women’s water polo, a student-athlete may engage in outside competition during the segment of the playing season that does not conclude with the NCAA championship without using a season of competition, provided the student-athlete was academically eligible during the segment in the same academic year that concludes with the NCAA championship. In baseball, women’s beach volleyball, softball and men’s and women’s lacrosse, a student-athlete may engage in outside...
competition during the segment of the playing season that does not conclude with the NCAA championship without using a season of competition. Prior to participating against outside competition during the nonchampionship segment and spring football practice, student-athletes shall be certified as eligible (e.g., amateurism, enrolled full time). (Revised: 1/15/11 effective 8/1/11, 7/26/11, 7/17/18, 1/14/23 effective 8/1/23)

14.2.4.1.4 Recognized Foreign Exchange/Study Abroad Program. A student-athlete who participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution's academic authorities shall not use a season of competition for participation in intercollegiate competition that occurs during the certifying institution’s nonchampionship segment. (Revised: 1/16/93, 1/10/95, 10/22/13, 1/11/24 effective 8/1/24)

14.2.4.3 Road Racing. Participation in road racing is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of organized competition before initial collegiate enrollment. Therefore, an individual who does not cease participation by October 1 or March 1 (whichever occurs earlier) immediately after one calendar year has elapsed following their high school graduation date and participates in a road race(s) shall use one season of intercollegiate competition in cross country and track and field for each consecutive 12-month period after October 1 or March 1 and before initial full-time collegiate enrollment. (Adopted: 1/18/14 effective 8/1/14)

14.2.4.6 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for purposes of Bylaw 14.2.4.2. (Adopted: 10/16/12, Revised: 5/1/15)

14.2.4.7 Intercollegiate Competition. A student-athlete is considered to have engaged in a season of intercollegiate competition when they compete in an athletics event involving any one of the conditions characterizing intercollegiate competition per Bylaw 14.02.10.
14.2.4.8 Foreign-Tour Competition. A student-athlete who did not compete during the institution's season just completed and who represents the institution in a certified foreign tour after that intercollegiate season and before the start of the next academic year shall not be charged with a season of eligibility (see Bylaw 17.32.1.5). (Revised: 1/12/99)

14.2.5 Hardship Waiver. A student-athlete may be granted an additional year of competition by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from an injury or illness that has occurred under all of the following conditions: (Revised: 1/14/02 effective 8/1/02)

(a) The incapacitating injury or illness occurs in one of the four seasons of intercollegiate competition at any two-year or four-year collegiate institution; (Revised: 1/10/92 effective 8/1/92)

(b) The injury or illness occurs prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport (see Bylaw 14.2.5.2.3) and results in an incapacity to compete for the remainder of that playing season; and (Revised: 1/14/97 effective 8/1/97, 1/14/02 effective 8/1/02, 1/13/03 effective 8/1/03 for any injury or illness occurring on or after 8/1/03, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

(c) The injury or illness occurs when the student-athlete has not participated in more than three contests or dates of competition (whichever is applicable to that sport), or 30 percent of the maximum permissible number of contests or dates of competition set forth in Bylaw 17 in their sport (see Bylaw 14.2.5.2.5.1.1 for information regarding percent calculation in track and field and Bylaw 14.2.5.2.5.1.2 for information regarding percent calculation in basketball). Competition (excluding alumni games, fundraising activities, celebrity sports activities, scrimmages and exhibition contests per Bylaw 17 in the applicable sport) against outside participants during the playing season that concludes with the NCAA championship, or, if so designated, during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation. In basketball, contests played as part of a region challenge shall be countable under this limitation. (Revised: 1/10/92, 1/14/97 effective 8/1/97, 1/14/02 effective 8/1/02, 4/29/04, 1/10/05 for any competition occurring on or after 8/1/04, 1/17/09 effective 8/1/09, 1/16/13, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, 4/16/19 Immediate, for student-athletes who initially enroll during the 2019-20 academic year, and thereafter., 1/27/20 effective 8/1/20 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 08/01/20, 8/26/21)

14.2.5.1 Administration of Hardship Waiver. The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. An institution may appeal a decision by its conference to the Committee on Student-Athlete Reinstatement. (Revised: 1/13/03 for any hardship waiver denied on or after 2/1/00, 10/22/19 Immediate for any student-athletes that initially enroll at a collegiate institution during the 2020-21 academic year and thereafter.)

14.2.5.1.1 Institutions With Official Posting Date for Grades. An institution whose official posting date for grades falls within three days of the first day of classes for the following academic term shall have three business days from the official date on which grades must be posted to certify that student-athletes have satisfactorily completed at least nine-semester or eight-quarter hours of academic credit the preceding regular academic term (see Bylaw 14.2.9.3.2). For those institutions that post grades on a rolling basis, the three-business day period shall begin within the first week of classes. (Adopted: 1/9/06 effective 8/1/06, Revised: 6/14/16, 1/11/24 effective 8/1/24)

14.2.5.1.2 Institutions With No Official Posting Date for Grades. An institution whose official submission date for grades falls on or after the first day of classes for the following academic term shall have five business days from the date on which grades are submitted to certify that student-athletes have satisfactorily completed at least nine-semester or eight-quarter hours of academic credit the preceding regular academic term (see Bylaw 14.2.9.3.2). (Adopted: 1/9/06 effective 8/1/06, Revised: 6/14/16, 1/11/24 effective 8/1/24)

14.2.5.2 Criteria for Administration of Hardship Waiver. The following criteria are to be employed in the administration of the hardship waiver: (Revised: 12/5/06)

14.2.5.2.1 Nature of Injury/Illness. It is not necessary for the incapacitating injury or illness to be the direct result of the student’s participation in the institution’s organized practice or game competition. The student-athlete may qualify for the hardship waiver as a result of any incapacitating injury or illness occurring after the individual becomes a student-athlete by reporting on call for regular squad practice or after attending the first day of classes as a full-time student at a member institution.

14.2.5.2.2 Medical Documentation. Contemporaneous medical documentation from a physician or medical doctor that establishes the student-athlete’s inability to compete for the remainder of the playing season as a result of an
injury or illness shall be submitted with any hardship-waiver request. Chiropractic records do not constitute medical documentation for purposes of administering a hardship-waiver request. For circumstances involving psychological or mental illnesses, the required contemporaneous or other appropriate medical documentation may be provided by an individual who is qualified and licensed to diagnose and treat the particular illness (e.g., psychologist). (Adopted: 1/12/99 effective 8/1/99, Revised: 4/28/05, 10/20/09)

14.2.5.2.3 First-Half-of-Season Calculation. The first half of the season is measured by the maximum permissible number of contests or dates of competition set forth in Bylaw 17 in the sport. Any computation of the first half of the season that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number. The first full contest or date of competition immediately following the rounded value is the first contest or date of competition in the second half of the season (e.g., 50 percent of an 11-game football schedule -- 5.5 games -- shall be considered six games and any injury or illness must have occurred prior to the start of the seventh contest). (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, Revised: 4/18/22 effective 8/1/22 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/22, 6/15/22)

14.2.5.2.3.1 Contests or Dates of Competition Based on Championship Selection. In sports in which the playing season is divided into two segments, but championship selection is based on competition throughout the season (e.g., golf and tennis), the first half of the season shall be measured by the Bylaw 17 maximum for the entire season (e.g., nonchampionship and championship segments). In sports in which the playing season may be divided into two segments but the championship selection is based on competition during only one segment of the season (e.g., spring baseball, fall soccer), the first half of the season shall be measured by the maximum number of contests or dates of competition set forth in Bylaw 17 for the championship segment. (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.5.2.3.2 First-Half-of-Season Calculation -- Track and Field. For an institution that sponsors both indoor and outdoor track and field, the first half of the season calculation for indoor and outdoor track and field shall be based on the institution’s number of completed varsity dates of competition in the respective season. For example, if the institution completes six dates of competition in indoor track, the injury or illness must have occurred prior to the beginning of the fourth date of competition. For an institution that sponsors only indoor track and field or outdoor track and field, but not both, and a student-athlete who only competes in indoor track and field or outdoor track and field, but not both, the first half of the season shall be measured by the maximum number of dates of competition set forth in Bylaw 17. (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.5.2.3.3 First Half of-Season Calculation - Basketball. If an institution participates in a region challenge event, the first half of the season shall be measured by the maximum number of contests set forth in Bylaw 17 plus the number of contests played in the region challenge event. For example, if an institution participates in two contests as part of a region challenge event, the injury or illness must have occurred prior to the start of the 15th contest (e.g., 26 contests plus two region challenge contests). (Adopted: 1/27/20 effective 8/1/20 August 1, 2020, for any incapacitating injury or illness, or other extenuating circumstance occurring on or after August 1, 2020., Revised: 8/26/21)

14.2.5.2.4 Reinjury in Second Half of Season. A student-athlete who suffers an injury in the first half of the season that concludes with the NCAA championship, attempts to return to competition during the second half of that season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.5.2.5 Percent Calculation. The following requirements apply in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.5-(c) and 14.2.5.2.3 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaws 7 and 17.) (Revised: 7/21/09)

14.2.5.2.5.1 Denominator in Percent Computation. The denominator in the percent calculation shall be based on the maximum number of contests or dates of competition set forth in Bylaw 17 for the applicable sport. (Revised: 1/14/97 effective 8/1/97, 1/12/99, 1/14/02 effective 8/1/02, 1/10/05 for any competition occurring on or after 8/1/04, 1/17/09 effective 8/1/09, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.5.2.5.1.1 Denominator in Percent Computation -- Track and Field. For an institution that sponsors both indoor and outdoor track and field, the denominator in the percent calculation for indoor and
outdoor track and field shall be based on the institution’s number of completed varsity dates of competition in the respective season. For example, if the institution completes six dates of competition in indoor track, the denominator in the percent calculation for a hardship waiver in indoor track and field would be six. For an institution that sponsors only indoor track and field or outdoor track and field, but not both, and a student-athlete who only competes in indoor track and field or outdoor track and field, but not both, the institution’s number of completed varsity dates of competition or the maximum number of dates of competition set forth in Bylaw 17 may be used in the denominator. (Adopted: 1/16/13, Revised: 4/30/15)

14.2.5.2.5.1.2 Denominator in Percent Calculation - Basketball. If an institution participates in a region challenge event, the denominator shall include the number of contests played in the region challenge event. For example, if an institution participates in two contests as part of a region challenge event, the denominator in the percent calculation would be 28 (e.g., 26 contests plus two region challenge contests). (Adopted: 1/27/20 effective 8/1/20 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/20, Revised: 8/26/21)

14.2.5.2.5.2 Fraction in Percent Computation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 30 percent of a 26-game basketball schedule -- 7.8 games -- shall be considered eight games). (Revised: 1/14/97 effective 8/1/97, 10/3/18)

14.2.5.2.6 Transfer Student-Athletes. The hardship-waiver criteria for a transfer student-athlete who suffers an injury or illness while attending an NCAA Division I or Division III institution may be based on the method that would be most beneficial to the student-athlete (the rule applicable to the member division in which the injury or illness occurred or the Division II rule). The application of a particular division’s legislation must include all the applicable elements of that division’s legislation, as opposed to selected elements of the legislation of each division. (Adopted: 7/21/09, Revised: 7/20/10)

14.2.5.2.7 Foreign-Tour Competition. A student-athlete who qualifies for a hardship for the previous academic year would not use a season of competition if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. (Adopted: 1/10/92, Revised: 1/14/02)

14.2.6 Season-of-Competition Waiver -- Competition While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.13, a student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when they participated in a limited amount of competition under either of the following circumstances: (Adopted: 1/16/93, Revised: 1/11/00 effective 8/1/00, 1/13/03 effective 8/1/03, 1/18/16)

(a) As a result of a good-faith, erroneous formal declaration of eligibility by the institution’s appropriate certifying authority; or
(b) As a result of a student-athlete’s good-faith, erroneous reliance upon a coaching staff member’s decision to place the student-athlete into competition prior to the coaching staff member receiving a formal declaration of eligibility for the student-athlete from the institution’s appropriate certifying authority. (Revised: 10/21/14)

14.2.6 Eligibility for Male Students or Male Student-Athletes to Practice With Women’s Teams. A male student or male student-athlete (see Bylaw 17.02.9) may engage in practice sessions with women’s teams under the following conditions: (Adopted: 5/5/09)

(a) Male students who practice with an institution’s women’s team must be verified as eligible for practice in accordance with Bylaw 14.2.3.1 and must have eligibility remaining under the ten-semester/15-quarter rule (see Bylaw 14.4.3.2) and undergo a mandatory medical examination per Bylaw 17.1.5. A male student who practices with an institution’s women’s team is not required to have an academic or amateurism certification from the NCAA Eligibility Center. (Revised: 7/26/11, 7/24/12 effective 8/1/13, 3/17/15, 7/23/19, 1/11/24 effective 8/1/24)
(b) It is not permissible for an institution to provide male students financial assistance, which includes food and housing, tuition and fees, and books, in return for practicing with the women’s team. (Revised: 10/26/23)
(c) It is not permissible for an institution to provide male students awards and benefits set forth in Bylaw 16.
(d) It is not permissible for an institution to provide male students food and housing to remain on campus during a vacation period to participate in practice sessions with a women’s team. (Revised: 10/26/23)
(e) It is permissible for an institution to provide practice apparel to male students for the purpose of practicing with a women’s team.
14.2.6.1 Applicable Conditions. The competition must have occurred under all of the following conditions: (Adopted: 1/8/16)

(a) The competition occurred while the student-athlete was representing an NCAA member institution;
(b) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution’s scheduled or completed events in their sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed events during that season (both segments) in the sport;
(c) The student-athlete was involved innocently and inadvertently in the erroneous declaration of eligibility, which permitted the student-athlete to compete while ineligible; and
(d) The student-athlete, in the case of a coaching staff member’s erroneous decision, had reason to believe they were eligible to participate, and the student-athlete did not contribute to the coaching staff member’s erroneous decision to allow the student-athlete to participate.

14.2.6.2 Administrative Criteria. The following criteria shall be employed in the administration of the season-of-competition waiver: (Adopted: 1/16/93)

14.2.6.2.1 Ten Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.6.1-(b) and 14.2.6.2.1 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contest requirements in Bylaws 7 and 17.) (Adopted: 1/16/93, Revised: 5/8/09 effective 8/1/09)

14.2.6.2.1.1 Denominator in Percent Computation. The denominator in the institution’s percent calculation shall be based on the institution’s number of scheduled or completed varsity contests or dates of competition [see Bylaw 14.2.6.1-(b)] as computed for playing and practice season purposes in Bylaw 17 for the applicable sport. Exempted events in Bylaw 17 are included in the percent calculation, except for discretionary exemptions in the applicable sport. (Adopted: 5/8/09 effective 8/1/09)

14.2.6.2.1.2 Fraction in Percent Calculation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 10 percent of a 26-game basketball schedule -- 2.6 games -- shall be considered three games). (Adopted: 5/8/09 effective 8/1/09)

14.2.6.2.1.3 Conference Championships. A conference championship shall be counted as one contest or date of competition in determining the institution’s scheduled or completed contests or dates of competition in the sport, regardless of the number of dates or games involved in the championship. However, for purposes of this regulation, the calculation of scheduled contests or dates of competition in a particular season does not include postseason competition conducted after the completion of the institution’s regular-season schedule and conference tournament. (Adopted: 5/8/09 effective 8/1/09)

14.2.6.2.1.4 NCAA Regional Cross Country Meet. The NCAA regional cross country meet may be counted as one date of competition in determining the institution’s scheduled or completed dates of competition, provided no qualifying standards exist for participation in the meet. (Adopted: 5/8/09 effective 8/1/09)

14.2.7 Season-of-Competition Waiver -- Competition While Eligible. A student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when, due to extenuating circumstances (per Bylaw 14.2.7.1.3), the student-athlete, while eligible, did not compete in more than three contests or dates of competition (whichever is applicable to that sport) or 30 percent (whichever number is greater) of the maximum permissible number of contests or dates of competition set forth in Bylaw 17. The competition must occur prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete participated. (Adopted: 1/13/03 effective 8/1/03, Revised: 1/10/05 for any competition occurring on or after 8/1/04, 10/21/08, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.7.1 Administrative Criteria. The following criteria shall be employed in the administration of this season-of-competition waiver: (Adopted: 1/13/03 effective 8/1/03)

14.2.7.1.1 Thirty Percent Calculation. The requirements specified in Bylaw 14.2.6.2.1 shall apply to the 30 percent calculation specified in this waiver. (Adopted: 1/13/03 effective 8/1/03, Revised: 5/8/09 effective 8/1/09, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)
14.2.7.1.2 First-Half-of-Season Requirement. The first-half-of-season requirements specified in Bylaw 14.2.5.2.3 shall apply to the first-half-of-season requirement specified in this waiver. (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17)

14.2.7.1.3 Extenuating Circumstances. Extenuating circumstances include, but are not limited to, the following: (Adopted: 1/13/03 effective 8/1/03)

(a) The student-athlete is unable to compete as a result of a life-threatening injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; (Revised: 1/10/05 for any competition occurring on or after 8/1/03)

(b) The student-athlete is unable to compete as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual on whom the student-athlete is legally dependent. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent; (Revised: 1/10/05 for any competition occurring on or after 8/1/03)

(c) The student-athlete's institution dropped the sport (in which the student has practiced or competed) from its intercollegiate program; and

(d) The student-athlete participated in nonregular-season competition (e.g., alumni contest, exhibition contests, scrimmages, nonchampionship segment contests) due to a coach's documented misunderstanding of the legislation. The competition must have occurred while the student-athlete was representing an NCAA institution. (Adopted: 1/14/08, Revised: 7/22/08 effective 8/1/08, 10/21/08)

14.2.7.1.4 Review Authority. In cases where a student-athlete does not meet the extenuating circumstances listed in Bylaw 14.2.7.1.3, the Committee on Student-Athlete Reinstatement shall have authority to review and grant waivers based on additional documented extenuating circumstances. (Adopted: 1/13/03 effective 8/1/03)

14.2.8.1 General Principles. (Adopted: 1/11/24 effective 8/1/24)

14.2.8.2.2 Partial Qualifier. A partial qualifier is defined as a student who does not meet the requirements for a qualifier (see Bylaw 14.2.8.2.1). (Adopted: 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 08/01/21, 1/11/24 effective 8/1/24)

14.2.8.2.4 Residence Requirement -- Partial Qualifier. A partial qualifier must fulfill an academic year of residence to be eligible to compete and to practice away from the institution (see Bylaw 14.02.21 regarding the requirements that must be met to fulfill an academic year in residence). (Adopted: 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, Revised: 1/11/24 effective 8/1/24)

14.2.8.2.3 Core-Curriculum Requirements. [#] For purposes of meeting the core-curriculum requirement to establish eligibility at a member institution, a "core course" must meet all of the following criteria: (Revised: 1/11/00 effective 8/1/00 for those student-athletes first entering a collegiate institution on or after 8/1/00, 8/1/05 for student-athletes first entering a collegiate institution on or after 8/1/05, 1/14/12)

(a) A course must be a recognized academic course and qualify for high school graduation credit in one or a combination of the following areas: English, mathematics, natural/physical science, social science, foreign language or nondoctrinal religion/philosophy;

(b) A course must be considered college-preparatory by the high school. College-preparatory is defined for these purposes as any course that prepares a student academically to enter a four-year collegiate institution on graduation from high school;

(c) A mathematics course must be at the level of Algebra I or higher-level mathematics course;

(d) A course must be taught by a qualified instructor as defined by the appropriate academic authority (e.g., high school, school district or state agency with authority over such matters); and

(e) A course must be taught at or above the high school's regular academic level (i.e., remedial, special education or compensatory courses shall not be considered core courses). However, the prohibition against the use of remedial
or compensatory courses is not applicable to courses designed for students with education-impacting disabilities (see Bylaw 14.2.8.2.3.5). (Revised: 10/21/08, 1/11/24 effective 8/1/24)

14.2.8.2.3.2 Nontraditional Courses. [#] Courses taught via the Internet, distance-learning, independent-study, individualized-instruction, correspondence and courses taught by similar means, may be used to satisfy NCAA core-course requirements, if all of the following conditions are satisfied: (Revised: 1/11/00 effective 8/1/00 for those student-athletes first entering a collegiate institution on or after 8/1/00, 1/14/12)

(b) The instructor and the student have ongoing access to one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (Revised: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)

(c) The instructor and the student have regular interaction with one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)

(d) The student’s work (e.g., exams, papers, assignments) is available for evaluation and validation; (Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)

(e) Evaluation of the student’s work is conducted by the appropriate academic authorities in accordance with the school’s established academic policies;

(f) The course includes a defined time period for completion; and (Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)

(g) The course is acceptable for any student and is placed on the high school transcript.

14.2.8.3.3 International Academic Standards. A student from a foreign country shall satisfy the requirements outlined in the NCAA Guide to International Academic Standards for Athletics Eligibility and the test-score requirements set forth in Bylaw 14.2.8.2.1-(b) to be certified as a qualifier. (Revised: 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, 6/10/21, 1/11/24 effective 8/1/24)

14.2.8.4 Notification of Initial-Eligibility Standards. The NCAA Eligibility Center shall provide information regarding the initial-eligibility standards contained in Bylaw 14.2.8.2 to a prospective student-athlete and their parents or legal guardians after they have registered with the Eligibility Center. (Adopted: 1/14/08 effective 8/1/08, Revised: 1/16/10 effective 8/1/10 for all prospective student-athletes who register with the NCAA Eligibility Center on or after 8/1/10, 1/11/24 effective 8/1/24)

14.2.9.1.1 Exchange Student. The eligibility of an exchange student shall be based on satisfactory completion of at least: (Revised: 1/17/09 effective 8/1/09, 7/20/10, 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) Nine-semester or eight-quarter hours of academic credit during the preceding regular academic term in which the student has been enrolled full time at any collegiate institution (see Bylaw 14.2.9.3.2); (Revised: 1/11/24 effective 8/1/24)

(b) Credit hours earned during the regular academic year as set forth in Bylaw 14.2.9.3.3; (Revised: 1/11/24 effective 8/1/24)

(d) Cumulative minimum grade-point average as set forth in Bylaw 14.2.9.3.5. (Revised: 1/11/24 effective 8/1/24)

14.2.9.2 Eligibility for Financial Aid and Practice. Eligibility for institutional financial aid and practice during each academic year after a student-athlete’s initial year in residence or after the student-athlete has used one season of eligibility
in a sport shall be based upon the rules of the institution and the conference(s), if any, of which the institution is a member. See Bylaw 14.2.3 for additional rules regarding eligibility for practice. (Revised: 1/11/24 effective 8/1/24)

14.2.9.3.2.1 Application of Rule to Transfer Student. For purposes of certifying eligibility for a transfer student from a two-year or four-year collegiate institution per Bylaw 14.2.9.3.2, the nine-semester or eight-quarter hours must be transferable degree credit. (See Bylaw 14.3.4.5.3.) (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24, 4/26/24)

14.2.9.3.2.2 Calculation of Credit Hours. During the first two years of enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.2.9.3.2) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the term-by-term credit-hour requirement must be degree credit toward the student-athlete’s designated degree program. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.2.1 Exception -- Final Academic Year of Degree Program. A student-athlete who is in the final academic year (final two semesters or three quarters) of their designated degree program may use credit hours acceptable toward any of the institution’s degree programs to satisfy the nine-semester or eight-quarter hour requirement per Bylaw 14.2.9.3.2, provided the institution certifies, through review by appropriate academic officials, that the student-athlete is carrying (for credit) the courses necessary to complete degree requirements at the end of the two semesters or three quarters. Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree requirements during the final two semesters or three quarters and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.3.1 Regular Academic Year. For purposes of Bylaw 14.2.9.3.3, the regular academic year consists of the time beginning with the opening of the institutions’ fall term and concluding with the institution’s spring commencement exercises. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.3.2 Application of Rule. The following student-athletes are subject to the credit-hour requirement set forth in Bylaw 14.2.9.3.3: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

(a) A midyear transfer student-athlete;
(b) A student-athlete who has been in residence at the institution for at least one academic year; or
(c) A student-athlete who has used one season of eligibility in any sport at the certifying institution.

14.2.9.3.3.2.1 Application to a Midyear Enrollee. A student-athlete entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer) is not subject to the credit hours required under Bylaw 14.2.9.3.3 for the fall term immediately following the student-athlete’s initial full-time enrollment at the certifying institution. In subsequent years, the student-athlete’s completion of the 18-semester or 27-quarter hour requirement shall be certified prior to the start of each academic year based on the student-athlete’s record since the beginning of the previous fall term. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.3 Calculation of Credit Hours. During the first two years of enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.2.9.3.3) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the credit-hour requirement must be degree credit
## 14.2.9.3.4.1.1 Application to a Midyear Enrollee

A student-athlete entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer) shall be subject to the credit hours required under Bylaw 14.2.9.3.4 for the fall term immediately following the student-athlete’s initial full-time enrollment at the certifying institution; however, the annual credit hours may be adjusted to require completion of 12 units per term of actual attendance during the initial regular academic year of attendance. (See Bylaw 14.2.9.3.8.2.) *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)*

## 14.2.9.3.4.2 Academic Year in Residence

The definition of "year in residence" for purposes of determining whether a student-athlete is subject to the annual credit-hour requirement is based on full-time enrollment and attendance during any portion of a term in an academic year, except that when a student-athlete is granted a medical-absence waiver per Bylaw 14.2.9.3.9.1 during the first year of academic residence, that term is not counted in determining whether the student-athlete has been in residence at the certifying institution for one academic year. *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)*

## 14.2.9.3.4.3 Calculation of Credit Hours

During the student-athlete’s first four semesters or six quarters of collegiate enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.2.9.3.4) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the annual credit-hour requirement must be degree credit toward the student-athlete’s designated degree program. Credit hours earned in the period after the regular academic year at the institution (e.g., hours earned in summer school) may be used to satisfy the academic credit requirements of this regulation. *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)*

## 14.2.9.3.5.1.1 Application to a Midyear Enrollee or Transfer Student

The provisions of Bylaw 14.2.9.3.5 shall be applicable to the eligibility of a midyear enrollee or transfer student from a two-year or four-year collegiate institution in the fall term following their initial enrollment at the certifying institution. *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)*

## 14.2.9.3.5.2 Academic Year in Residence

The definition of "year in residence" for purposes of determining whether a student-athlete is subject to the annual grade-point average requirement is based on full-time enrollment and attendance during any portion of a term in an academic year, except that if a student-athlete is granted a medical-absence waiver per Bylaw 14.2.9.3.9.1 during the first year of academic residence, that term is not counted in determining whether the student-athlete has been in residence at the certifying institution for one academic year. *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)*

## 14.2.9.3.6.1 Documentation of Degree Program Designation

If the designation is in accordance with Bylaw 14.2.9.3.6-(a), the official enrollment records of the institution shall constitute the documentation of the program against which progress toward degree under this regulation shall be measured. If the designation is in accordance with Bylaw 14.2.9.3.6-(b), the record of the degree program designation, approved by the appropriate academic official, shall constitute that documentation. For purposes of certifying eligibility for competition, an appropriate academic official shall affirm in writing the number of credit hours applicable to the designated degree program that have been completed satisfactorily. The institution’s records for all student-athlete degree program designations and progress-toward-degree evaluations shall be retained for inspection (on
14.2.9.3.7.2 Credit Hours Earned Prior to Initial Full-Time Enrollment at the Certifying Institution. Credit hours earned at another institution before initial enrollment at the certifying institution may not be used to satisfy progress-toward-degree requirements. In the first year of collegiate enrollment [or during the first two years of collegiate enrollment if using Bylaw 14.2.9.3.4-(c) to satisfy the annual credit hour requirement], this restriction does not apply to credit hours earned while a student was enrolled as a high school student (e.g., courses that qualify as high school and college credit). Such credit hours shall not be used to meet the required minimum number of credit hours earned during the regular academic year (see Bylaw 14.2.9.3.3). (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.7.3 Advanced-Placement Tests/Credit by Examination. Credit received through advanced-placement tests or by examination or International Baccalaureate Program examinations may be used by a student-athlete to meet the minimum progress-toward-degree requirements, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. If such credit was earned while the student-athlete was enrolled in high school, it may be used to meet both initial-eligibility and progress-toward-degree requirements in the first year of collegiate enrollment [or in the first two years of collegiate enrollment if using Bylaw 14.2.9.3.4-(c) to satisfy the annual credit-hour requirement], provided the credit was earned prior to high school graduation. However, such credit, if earned prior to initial full-time enrollment at the certifying institution, may not be used to meet the required minimum number of hours earned during the regular academic year (see Bylaw 14.2.9.3.3). (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

14.2.9.3.7.4 Remedial, Tutorial or Noncredit Courses. Remedial, tutorial or noncredit courses may be used by a student-athlete to satisfy the progress-toward-degree requirements of Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 only if such courses meet all of the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

(a) The courses must be considered by the institution to be prerequisites for specific courses acceptable for any degree program;

(b) The courses must be given the same weight as others in the institution in determining the student-athlete’s status for full-time enrollment;

(c) Noncredit courses may not exceed the maximum institutional limit for such courses in any baccalaureate degree program (or the student-athlete’s specific baccalaureate degree program once a program has been designated); and

(d) Credit in such courses shall not exceed 12-semester or 18-quarter hours, and the courses must be taken during the student-athlete’s first academic year of collegiate enrollment.

14.2.9.3.7.5 Incomplete Grades. A student-athlete who receives an incomplete grade in a course may use the course in question to satisfy the progress-toward-degree requirements of Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4, subject to the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/11/24 effective 8/1/24)

(a) The incomplete grade must have been removed and recorded in accordance with the institution’s regulations applicable to all students;

(b) Such a course may be counted only once after a grade has been achieved that is acceptable to the institution for determining progress-toward-degree; and

(c) In the case of no institutional policy, the course with the acceptable grade shall be counted either during the term in which the student initially enrolled in the course or during the term in which the incomplete grade was removed and acceptable credit was awarded.
14.2.9.3.7.6 Repeated Courses. Credit for courses that are repeated may be used by a student-athlete to satisfy the progress-toward-degree requirements of Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 only under the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter; Revised: 1/11/24 effective 8/1/24)

(a) A course repeated due to an unsatisfactory initial grade may be used only once and only after it has been satisfactorily completed;

(b) Credit for a course that may be taken several times (e.g., a physical education activities course) shall be limited by institutional regulations; and

(c) Credits earned in courses that may be taken several times may not exceed the maximum institutional limit for credits of that type for any baccalaureate degree program (or for the student-athlete’s specific baccalaureate degree program once a program has been designated).

14.2.9.3.7.7 Credit Hours Earned or Accepted for Degree Credit After Change of Degree Program. A student-athlete who changes their designated degree program after their fifth semester or seventh quarter of collegiate enrollment may comply with the credit-hour requirements set forth in Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 if: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter; Revised: 1/11/24 effective 8/1/24)

(a) The change in programs is documented appropriately by the institution’s academic authorities;

(b) The credits earned before the change are acceptable toward a degree previously sought; and

(c) The credits earned from the time of the change are acceptable toward the new desired degree.

14.2.9.3.7.8 Credit Hours Earned or Accepted Toward a Major. A student-athlete who has designated a specific degree program with an identified major may not use a course to fulfill the credit-hour requirements set forth in Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 even if the course fulfills an elective component of the student-athlete’s degree program, if the student-athlete ultimately must repeat the course to fulfill the requirements of the student’s major. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter; Revised: 1/11/24 effective 8/1/24)

14.2.9.3.8.1 Missed Term Exception. One time during a student-athlete’s entire period of collegiate enrollment, the provisions of Bylaws 14.2.9.3.3 and 14.2.9.3.4 may be adjusted to require completion of 12 hours per term of actual attendance, if the student-athlete misses a complete term or consecutive terms during an academic year, subject to the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter; Revised: 1/11/24 effective 8/1/24)

(a) The student-athlete did not attend class during a regular academic term while enrolled in a full-time program of studies; (Adopted: 1/7/20)

(b) The student-athlete engaged in no outside competition in the sport during the academic term or terms in which the student was not in attendance;

(c) The student-athlete was eligible for enrollment during the student’s absence; and

(d) At the time of certification, the student-athlete has fulfilled the progress-toward-degree requirements (per Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4) for the terms in which the student was in attendance. It is not permissible to use this one-time exception during the first academic year in residence at the certifying institution in order to maintain eligibility during the second year in residence. Hours earned while enrolled as a part-time student during the “missed term” may not be counted in meeting the progress-toward-degree requirement. (Revised: 1/11/24 effective 8/1/24)

14.2.9.3.8.2 Midyear Enrollment Exception. For student-athletes entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer), the annual credit hours required per Bylaw 14.2.9.3.4 may be adjusted to require completion of 12 units per term of actual attendance during the initial regular academic year of attendance. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter; Revised: 1/11/24 effective 8/1/24)
14.2.9.3.9.1 Medical Absence Waiver. The credit hours required under the progress-toward-degree regulations of Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 may be adjusted to require completion of 12 units per term of actual attendance during an academic year in which a student misses a term or is unable to complete a term as a full-time student as a result of an injury or illness. Such an exception may be granted only when circumstances clearly supported by appropriate medical documentation establish that a student-athlete is unable to attend a collegiate institution as a full-time student as a result of an incapacitating physical injury or illness involving the student-athlete or a member of the student-athlete’s immediate family. Credits earned by the student-athlete during the term to which the waiver applies may not be used in determining progress toward degree. A Division II conference office has the authority to administer medical absence waivers for terms that occurred at an NCAA institution prior to a student-athlete’s enrollment at a member institution within the conference. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 7/28/15, 1/11/24 effective 8/1/24)

14.2.9.3.9.2 International Competition Waiver. The credit hours required under the progress-toward-degree regulations of Bylaws 14.2.9.3.2, 14.2.9.3.3 and 14.2.9.3.4 may be adjusted to require completion of 12 hours per term of actual attendance during an academic year in which a student is not enrolled for a term or terms or is unable to complete a term as a result of participation in the Pan American, Paralympic, Olympic, Paralympic, World Championships, World Cup, World University Games (Universiade) or World University Championships (including final Olympic or Paralympic tryouts and the officially recognized training program that directly qualifies participants for those tryouts). This waiver provision may be applied to not more than two semesters or three quarters. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/22/20 effective 8/1/20, 1/11/24 effective 8/1/24)

14.2.10 Academic Misconduct. (Adopted: 1/11/24 effective 8/1/24)

14.2.10.1.1 Student Employee. For purposes of Bylaw 14, a student employee is an institutional staff member if:
(Adopted: 1/21/17 effective 8/1/17)
(a) They have institutional responsibilities to provide academic services to student-athletes; or (Adopted: 1/21/17 effective 8/1/17)

(b) They engage in academic misconduct or provides impermissible academic assistance at the direction of a nonstudent employee, an institutional staff member per Bylaw 14.2.10.1.1 -(a) or a representative of the institution’s athletics interests. (Adopted: 1/21/17 effective 8/1/17, Revised: 1/11/24 effective 8/1/24)

14.2.10.2 Pre-Enrollment. (Adopted: 1/11/24 effective 8/1/24)

14.2.10.4.3 Impermissible Academic Assistance -- Institutional Staff Member or Representative of Athletics Interests. A current or former institutional staff member or a representative of an institution’s athletics interests shall not provide impermissible academic assistance to a student-athlete (see Bylaw 14.02.11). (Adopted: 1/21/17 effective 8/1/17, Revised: 1/11/24 effective 8/1/24)

14.2.10.4.3.1 Application. If an institution determines, pursuant to its policies and procedures, that academic misconduct has occurred, a violation of Bylaw 14.2.10.4.3 shall not be cited by the institution or through an enforcement investigation. If an institution determines, pursuant to its policies and procedures, that academic misconduct has not occurred, the conduct in question may still constitute a violation of Bylaw 14.2.10.4.3. (Adopted: 1/21/17 effective 8/1/17, Revised: 1/11/24 effective 8/1/24)

14.3 Freshman Academic Requirements.

14.3.1 Eligibility for Financial Aid, Practice and Competition -- Qualifiers and Partial Qualifiers. (Revised: 1/15/21 effective 8/1/21 August 1, 2021, for student-athletes enrolling in a Division II institution on or after August 1, 2021.)
14.3.1 General Principle. A student who transfers (see Bylaw 14.3.2) to a member institution from any collegiate institution is required to satisfy the applicable undergraduate transfer requirements (see Bylaws 14.3.4 and 14.3.5) before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1). (Revised: 1/10/91 effective 8/1/91, 4/30/10, 1/11/24 effective 8/1/24, 4/24/24)

14.3.1.1 Qualifier. A qualifier is defined as one who is a high school graduate and who has a minimum cumulative core-course grade-point average of 2.200 (based on a maximum 4.000) in a minimum of 16 academic courses. The 16 core courses shall include the following: (Revised: 1/10/92 effective 8/1/95, 1/8/01 effective 8/1/05 for student-athletes first entering a collegiate institution on or after 8/1/05, 1/13/03 effective 8/1/05 for those student-athletes first entering a collegiate institution full time on or after 8/1/05, 1/4/08 effective 8/1/13 for those student-athletes first entering a collegiate institution on or after 8/1/13, 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, 1/14/23 effective 8/1/23 August 1, 2023, for student-athletes initially enrolling full-time at a collegiate institution on or after August 1, 2023.)

The record of the above courses and course grades must be certified by the NCAA Eligibility Center using an official high school transcript forwarded directly from the high school or on a high school transcript forwarded by an institution’s admissions office; and (Revised: 2/9/95, 4/27/06, 4/23/07)

14.3.1.1 Disciplinary Suspension. A student (including a student enrolling in a graduate program, professional school or second baccalaureate or equivalent degree program by Bylaw 14.2.4.1) who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (Revised: 1/14/97 effective 8/1/97, 7/19/16, 1/11/24 effective 8/1/24)

14.3.1.1.1 Exception -- Early Academic Certification. A prospective student-athlete shall be certified as a qualifier, provided they have achieved a core-course grade-point average of 2.500 (based on a maximum of 4.000) in a minimum of 14 core courses on completion of six semesters (or the equivalent). The 14 core courses shall include three core courses in English, three in mathematics (at the level of Algebra I or higher), two in natural or physical science (including at least one laboratory course if offered at the high school) and six additional core courses in any NCAA core area. The record of the course and course grades must be certified by the NCAA Eligibility Center using either an official high school transcript forwarded directly from the high school or a high school transcript forwarded by an institution’s admissions office. (Adopted: 1/14/08 for those student-athletes first entering a collegiate institution full time on or after 8/1/08, Revised: 1/14/23 effective 8/1/23 August 1, 2023, for student-athletes initially enrolling full-time at a collegiate institution on or after August 1, 2023.)

14.3.1.1.1.1 Submission of Final Transcript(s). An institution must submit a final high school transcript(s) (official or unofficial) to the NCAA Eligibility Center by November 15 following a student-athlete’s initial full-time enrollment for any student-athlete who is certified as a qualifier pursuant to the early academic certification exception. [D] (Adopted: 1/14/09 effective 8/1/09, Revised: 6/22/11)

14.3.1.1.2 Eligibility for Financial Aid, Practice and Competition -- Qualifier. A student-athlete who enrolls in a Division II institution as an entering freshman with no previous full-time college attendance shall meet the academic requirements for a qualifier, as certified by the NCAA Eligibility Center, and approved by the Board of Governors, and any applicable institutional and conference regulations, to be eligible for financial aid, practice and competition during the first academic year in residence. (Adopted: 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, Revised: 1/26/15)
14.3.1.2 Partial Qualifier. A partial qualifier is defined as a student who does not meet the requirements for a qualifier (see Bylaw 14.3.1.1). (Adopted: 1/15/21 effective 8/1/21 for student-athletes initially enrolling in a collegiate institution on or after 8/1/21.)

14.3.1.2.1 Eligibility for Financial Aid, Practice and Competition -- Partial Qualifier. A student-athlete who enrolls in a Division II institution as an entering freshman with no previous full-time college attendance and who is a partial qualifier may receive institutional financial aid (see Bylaw 15.2.1) based on institutional and conference regulations and may practice only on campus or at the institution’s regular practice facility but may not compete during the first academic year in residence. (Adopted: 1/15/21 effective 8/1/21 for student-athletes initially enrolling in a collegiate institution on or after 8/1/21)

14.3.1.2.2 Outside Competition -- Partial Qualifier. A partial qualifier may participate in the institution’s intramural program (provided the intramural team is not coached by a member of the institution’s athletics department staff); however, during the first year in residence, such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team. (Adopted: 1/15/21 effective 8/1/21 for student-athletes initially enrolling in a collegiate institution on or after 8/1/21)

14.3.1.2.3 Seasons of Competition -- Partial Qualifier. A partial qualifier shall not engage in more than four seasons of competition. (Adopted: 1/15/21 effective 8/1/21 for student-athletes initially enrolling in a collegiate institution on or after 8/1/21)

14.3.1.2.4 Residence Requirement -- Partial Qualifier. A partial qualifier must fulfill an academic year of residence to be eligible to compete and to practice away from the institution (see Bylaw 14.02.14 regarding the requirements that must be met to fulfill an academic year in residence). (Adopted: 1/15/21 effective 8/1/21 for student-athletes initially enrolling in a collegiate institution on or after 8/1/21)

14.3.1.3 Core-Curriculum Requirements. [#] For purposes of meeting the core-curriculum requirement to establish eligibility at a member institution, a "core course" must meet all of the following criteria: (Revised: 1/11/00 effective 8/1/00 for those student-athletes first entering a collegiate institution on or after 8/1/00, 8/1/05 for student-athletes first entering a collegiate institution on or after 8/1/05, 1/14/12)

(a) A course must be a recognized academic course and qualify for high school graduation credit in one or a combination of the following areas: English, mathematics, natural/physical science, social science, foreign language or nondoctrinal religion/philosophy;

(b) A course must be considered college-preparatory by the high school. College-preparatory is defined for these purposes as any course that prepares a student academically to enter a four-year collegiate institution on graduation from high school;

(c) A mathematics course must be at the level of Algebra I or higher-level mathematics course;

(d) A course must be taught by a qualified instructor as defined by the appropriate academic authority (e.g., high school, school district or state agency with authority over such matters); and

(e) A course must be taught at or above the high school’s regular academic level (i.e., remedial, special education or compensatory courses shall not be considered core courses). However, the prohibition against the use of remedial or compensatory courses is not applicable to courses designed for students with education-impacting disabilities (see Bylaw 14.3.1.3.5). (Revised: 10/21/08)

14.3.1.3.1 Core-Curriculum Time Limitation. A student is permitted to use all core courses completed following the start of the ninth grade and prior to initial full-time enrollment at a collegiate institution as certified on the official transcript or by official correspondence. (Revised: 1/14/02)

14.3.1.3.2 Nontraditional Courses. [#] Courses taught via the Internet, distance-learning, independent-study, individualized-instruction, correspondence and courses taught by similar means, may be used to satisfy NCAA core-course requirements, if all of the following conditions are satisfied: (Revised: 1/11/00 effective 8/1/00 for those student-athletes first entering a collegiate institution on or after 8/1/00, 1/14/12)

(a) The course meets all requirements for a core course as defined in Bylaw 14.3.1.3;

(b) The instructor and the student have ongoing access to one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (Revised: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)

(c) The instructor and the student have regular interaction with one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)
(d) The student’s work (e.g., exams, papers, assignments) is available for evaluation and validation; *(Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)*

(e) Evaluation of the student’s work is conducted by the appropriate academic authorities in accordance with the high school’s established academic policies;

(f) The course includes a defined time period for completion; and *(Adopted: 1/15/11 effective 8/1/11 for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/11)*

(g) The course is acceptable for any student and is placed on the high school transcript.

14.3.1.3.3 College Courses. [#] College courses may be used to satisfy core-curriculum requirements if accepted by the high school, provided the courses are accepted for any other student, meet all other requirements for core courses and are placed on the student’s high school transcript. *(Revised: 1/14/12)*

14.3.1.3.4 English as a Second Language Course. [#] It is permissible to use an advanced level English as a Second Language (ESL) course to satisfy a core-curriculum requirement, provided the course is qualitatively and quantitatively the same as the comparison course in the regular course offering and the course appears on the high school’s list of approved core courses. Further, an advanced-level ESL course must be exclusively for ESL students and all students in the course must be at the same level. *(Adopted: 4/13/99, Revised: 1/14/12, 1/13/16)*

14.3.1.3.5 Courses for Students With Education-Impacting Disabilities. [#] High school courses for students with education-impacting disabilities may be used to fulfill the core-curriculum requirements, even if such courses appear to be taught at a level below the high school’s regular academic instructional level (e.g., special education courses), if the high school principal submits a written statement to the NCAA Eligibility Center indicating that courses are substantially comparable, quantitatively and qualitatively, to similar core-course offerings in that academic discipline and the courses appear on the high school’s list of approved core courses. Students with education-impacting disabilities still must complete the required core courses and achieve the minimum required grade-point average in the core curriculum. The fact that the title of a course includes a designation such as “remedial,” “special education,” “special needs,” or other similar titles used for courses designed for students with education-impacting disabilities does not, in and of itself, disqualify a course from satisfying core-curriculum requirements. *(Revised: 1/14/97 effective 8/1/97, 4/15/98, 1/10/03, 1/12/04, 10/21/08, 5/5/09, 1/14/12)*

14.3.1.3.6 Grade Value of Core Courses. The following grade values are to be used in determining a student’s grade-point average in the core courses: A = 4 quality points, B = 3 quality points, C = 2 quality points, D = 1 quality point. In determining the core-curriculum grade-point average, each grade earned in a course (including all numerical grades) must be converted to this 4.000 scale on an individual-course basis. Pluses or minuses within a grade level shall not receive greater or lesser quality points. A school’s normal practice of weighting honors or advanced courses may be used to compute the quality points awarded in those courses and the cumulative grade-point average, provided a written statement verifying the grading policy accompanies the prospective student-athlete’s official grade transcript. An honors or an advanced course shall receive no greater than 1.000 additional quality point (e.g., A = 5.000). In calculating the grade in a weighted honors or advanced course, if a high school does not assign quality points to its courses, quality points shall be added to each course before calculating the student’s grade-point average and not added to a student’s cumulative core-course grade-point average. The core-curriculum grade-point average may be calculated using the student’s 16 best grades from courses that meet the distribution requirements of the core curriculum. Additional core courses (beyond the 16 required) may be used to meet the core-curriculum grade-point average, provided the distribution requirements are met. *(Revised: 1/10/92 effective 8/1/95, 1/14/97, 4/15/98, 1/13/03 effective 8/1/05 for those student-athletes first entering a collegiate institution full time on or after 8/1/05, 1/14/08 effective 8/1/13 for those student-athletes first entering a collegiate institution on or after 8/1/13, 7/23/13)*

14.3.1.3.6.1 Grade-Point Average Computation. In determining a student-athlete’s eligibility, it is not permissible to round the student’s high school grade-point average, regardless of the number of digits to which the computation is carried (e.g., a high school grade-point average of 1.9999 would not make a prospective student-athlete a partial qualifier). *(Adopted: 5/20/13)*

14.3.1.3.6.2 Multiple Grade-Point Average Calculations. If a high school uses more than one method to compute cumulative grade-point averages for all of its students, the high school may use the method most beneficial to a prospective student-athlete, provided that under its normal procedures the high school actually computes (without any special request by the student or a member institution) a cumulative grade-point average, using that same method for each student at the high school. *(Adopted: 5/20/13)*

14.3.1.3.6.3 Multiple High School Attendance. When a prospective student-athlete attends more than one high school, it is necessary for the high school from which the student graduated to provide the student's total
14.3.1.7 Pass-Fail Grades. [#] Courses that are awarded pass-fail grades may be used to satisfy core-curriculum requirements. The NCAA Eligibility Center shall assign the course the lowest passing grade that the high school assigns for a pass-fail course. (Revised: 1/14/97 effective 8/1/97, 1/13/98, 4/23/07, 1/14/12)

14.3.1.8 Repeat Courses. [#] A repeated course may be used only once to satisfy core-curriculum requirements. The best grade in that course may be used to calculate the grade-point average in the core curriculum. (Revised: 1/14/12)

14.3.1.9 Multiple High School Attendance. [#] For a student-athlete who attends more than one high school, a Form 48-H (core-course form) and an official transcript from each high school the student-athlete attended must be used. However, the NCAA Eligibility Center may receive the official transcript from either the student-athlete’s original high school or the high school from which the student-athlete graduated, or from an institution’s admissions office. (Adopted: 1/10/92, Revised: 1/14/12)

14.3.2.1 Equivalency Test/Diploma. A prospective student-athlete who does not graduate from high school but completes a state high school equivalency test [e.g., General Educational Development (GED)] and obtains a state high school equivalency diploma may satisfy the graduation requirement, provided the equivalency test is completed on or after the high school graduation date of the prospective student-athlete’s class [as determined by their first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility]. (Revised: 1/13/16)

14.3.2.2 Advanced Placement. If the student-athlete is admitted with a minimum of 24-semester hours or a minimum of 36-quarter hours of advanced placement from a College Entrance Examination Board (CEEB) examination (or from a similar proficiency examination) and/or concurrent high school college credit without previous enrollment at a collegiate institution, the student-athlete shall be immediately eligible. Credits earned from extension or summer-session courses may not be counted in satisfaction of this requirement. A “similar proficiency examination” must be an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. (Revised: 1/18/14 effective 8/1/14)

14.3.2.3 International Academic Standards. A student from a foreign country shall satisfy the requirements outlined in the NCAA Guide to International Academic Standards for Athletics Eligibility and the test-score requirements set forth in Bylaw 14.3.1.1-(b) to be certified as a qualifier. (Revised: 1/18/14 effective 8/1/14 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18, 6/10/21)

14.3.3 Notification of Initial-Eligibility Standards. The NCAA Eligibility Center shall provide information regarding the initial-eligibility standards contained in Bylaw 14.3 to a prospective student-athlete and their parents or legal guardians after they have registered with the Eligibility Center. (Adopted: 1/14/08 effective 8/1/08, Revised: 1/16/10 effective 8/1/10 for all prospective student-athletes who register with the NCAA Eligibility Center on or after 8/1/10)
**14.3.3 Conditions Not Constituting Transfer Status.** Unless otherwise covered by conditions set forth in Bylaw 14.3.2, a student-athlete is not considered a transfer under the following enrollment conditions: (Revised: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter, 1/11/24 effective 8/1/24)

**14.3.3.2 Branch School.** The student has been enrolled in or attended classes only in a branch school, provided the branch school does not conduct an intercollegiate athletics program. If the branch school conducts an intercollegiate athletics program, the student shall be considered a transfer if they enroll at the parent institution directly from the branch school. (For definition of "branch school," see Bylaw 14.02.4.) (Revised: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter., 1/11/24 effective 8/1/24)

**14.3.3.5 Service Academies.** A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the four national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.3. (Revised: 1/11/24 effective 8/1/24)

**14.3.4 Initial-Eligibility Waivers.** The Academic Requirements Committee shall have the authority to waive all initial-eligibility requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of this regulation. The committee shall establish the process for granting such waivers and shall report at least annually to the Management Council and to the membership, the actions taken, in summary, aggregate form. (Adopted: 1/18/14 effective 8/1/18 for student-athletes initially enrolling in a collegiate institution on or after 8/1/18)

**14.3.4 Two-Year College Transfers.** A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program must complete an academic year of residence (see Bylaw 14.02.21), unless the student meets the following eligibility requirements applicable to the division of which the certifying institution is a member. (See Bylaw 14.2.9 for progress-toward-degree requirements for transfer student-athletes.) (Revised: 1/10/92, 4/4/07, 4/30/10, 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, 1/11/24 effective 8/1/24)

**14.3.4.1 Eligibility for Competition, Practice and Athletics Aid -- Graduation From Two-Year College.** A transfer student from a two-year college who has graduated from the two-year college is eligible for competition, practice and athletics aid during the first academic year in residence, provided: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(a) The student-athlete has completed at least two semesters or three quarters (excluding summer sessions) of enrollment as a full-time student at the two-year college; and (Revised: 6/1/16)

(b) At least 25 percent of the credit hours used to fulfill the student’s academic degree requirements are earned at the two-year college that awards the degree per Bylaw 14.3.4.5.4 (see Bylaw 14.2.9 for progress-toward-degree requirements for transfer student-athletes). (Revised: 1/11/24 effective 8/1/24)

**14.3.4.1.1 Application.** (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 11/27/19)

(a) **Transfer Never Attended a Four-Year Institution as a Full-Time Student.** If a two-year college transfer has never attended a four-year institution as a full-time student, then the full-time semester(s)/quarter(s) and academic degree(s) from any two-year college(s) attended shall be considered. (Adopted: 11/27/19)

(b) **Transfer Previously Attended a Four-Year Institution as a Full-Time Student.** If a two-year college transfer has previously attended a four-year institution as a full-time student during their academic career, then only the full-time semester(s)/quarter(s) and academic degree(s) earned at the two-year college(s) after the last full-time enrollment at a four-year college (e.g., 2-4-2-4 transfer') shall be considered for purposes of meeting the requirements of Bylaw 14.3.4.1. (Adopted: 11/27/19, Revised: 1/11/24 effective 8/1/24)

**14.3.4.2 Eligibility for Competition, Practice and Athletics Aid -- Qualifier With No Four-Year College Attendance and Only One Term of Attendance at a Two-Year College.** A transfer student from a two-year college who was a qualifier (per Bylaw 14.2.8.2.1), has not previously attended a four-year collegiate institution and has only attended a two-year college for one academic term (semester or quarter), is eligible for competition, practice and
athletics aid during the first academic year in residence at the certifying institution, provided: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 1/11/24 effective 8/1/24)

(a) The student-athlete has attended the two-year college as a full-time student for only one semester or one quarter (excluding summer sessions);

(b) The student-athlete has satisfactorily completed at least 12-semester or 12-quarter hours of transferable credit acceptable toward any baccalaureate degree program at the certifying institution for the full-time academic term of attendance at the two-year college; and

(c) The student-athlete has presented a minimum grade-point average of 2.200 earned in transferable degree credit (see Bylaw 14.3.4.5.3.2). (Revised: 7/18/17, 1/11/24 effective 8/1/24)

### 14.3.4.2.2 Practice and Receipt of Athletics Aid.
Qualifiers who do not meet the requirements set forth in Bylaws 14.3.4.2 or 14.3.4.3 may practice and receive athletics aid (but may not compete) at the certifying institution during their first academic year of residence. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 1/11/24 effective 8/1/24)

### 14.3.4.3 Eligibility for Competition, Practice and Athletics Aid -- All Other Qualifiers and Partial Qualifiers.
A transfer student from a two-year college is eligible for competition, practice and athletics aid during the first academic year in residence at the certifying institution, provided: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21)

(a) The student-athlete has completed at least two semesters or three quarters (excluding summer sessions) of enrollment as a full-time student at the two-year college; (Revised: 6/1/16)

(b) The student-athlete has satisfactorily completed an average of at least 12-semester or 12-quarter hours of transferable credit acceptable toward any baccalaureate degree program at the certifying institution for each full-time academic term of attendance at the two-year college;

(c) The student-athlete has satisfactorily completed the following transferable credit-hour requirements:

1. Six semester or eight quarter hours of English;
2. Three semester or four quarter hours of math; and
3. Three semester or four quarter hours of natural or physical science; (Revised: 7/19/16 effective 8/1/16 for student-athletes enrolling in a Division II institution on or after 8/1/16, 1/18/17)

Remedial credit hours may not be used to satisfy these requirements. A transfer student may use transferable English, math and science credits earned while enrolled full time or part time at a previous two-year or four-year institution to satisfy these requirements. (Revised: 1/18/17)

(d) The student-athlete has presented a minimum grade-point average of 2.200 earned in transferable degree credit (see Bylaw 14.3.4.5.3.2). (Revised: 7/18/17, 1/11/24 effective 8/1/24)

### 14.3.4.3.2 Application.

(a) **Transfer Never Attended a Four-Year Institution as a Full-Time Student.** If a two-year college transfer has never attended a four-year institution as a full-time student, then the full-time semester(s)/quarter(s) and the transferable degree credit(s) (including part-time hours) from any two-year college(s) attended shall be considered. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(b) **Transfer Previously Attended a Four-Year Institution as a Full-Time Student.** If the two-year college transfer has previously attended a four-year institution as a full-time student during their academic career, then only the full-time semester(s)/quarter(s) and transferable degree credit(s) (including part-time hours) earned at the two-year college(s) attended after the last full-time enrollment at a four-year college shall be considered for purposes of meeting the requirements of Bylaw 14.3.4.3-(a), -(b) and -(d). (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 6/15/17, 1/11/24 effective 8/1/24)
14.3.4.3 Practice and Receipt of Athletics Aid – Qualifiers and Partial Qualifiers. A two-year college transfer who does not meet the requirements set forth in Bylaw 14.3.4.3 may practice and receive athletics aid (but may not compete) at the certifying institution during their first academic year in residence. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution or after 8/1/16, Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution or after 8/1/21., 1/11/24 effective 8/1/24)

14.3.4.4 Subvarsity Competition. A transfer from a two-year college who has not met the eligibility requirements set forth in Bylaws 14.3.4.1, 14.3.4.2 or 14.3.4.3 shall be eligible to compete only at the subvarsity level at the certifying institution. Such subvarsity competition shall count as a season of competition in the sport involved. A transfer student from a two-year college who was a partial qualifier and who has not met the eligibility requirements set forth in Bylaws 14.3.4.1 or 14.3.4.3 shall not be eligible to compete at the subvarsity level during the first year in residence at the certifying institution. (Revised: 1/11/89, 1/9/96, 1/14/97, 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21., 1/11/24 effective 8/1/24)

14.3.4.5.1 Previous Enrollment at Two-Year Institution. The two-year college transfer requirements set forth in Bylaw 14.3.4 apply to all two-year college transfers regardless of whether the student-athlete attended one or more four-year colleges prior to their full-time enrollment at the two-year institution. (Adopted: 1/13/03 effective 8/1/03, Revised: 1/11/24 effective 8/1/24)

14.3.4.5.5 Transfer to Four-Year College Prior to Completion of Requirements. The requirements set forth in Bylaw 14.3.4 must be met before a student-athlete’s transfer to the certifying institution. Thus, if a two-year college student transfers (as defined in Bylaw 14.3.2) to an institution before the completion of applicable transfer requirements, the student is subject to the one-year residence requirement at the certifying institution, even though the student transfers back to the two-year college and completes the necessary requirements. (Revised: 1/11/24 effective 8/1/24)

14.3.4.5.7 Competition in Year of Transfer. A transfer student from a two-year institution, who has met the two-year transfer eligibility requirements (per Bylaw 14.3.4), is not eligible to compete during the segment that concludes with the NCAA championship at the certifying institution if the student-athlete has competed during that segment of the same academic year in that sport at the previous two-year institution. (Revised: 1/11/94, 1/13/03 effective 8/1/03, 1/11/24 effective 8/1/24)

14.3.4.6.1 Discontinued/Nonsponsored Sport Exception. The student changed institutions in order to continue participation in a sport because the student’s original two-year college dropped the sport from its intercollegiate program (even though it may re-establish that sport on a club basis) or never sponsored the sport on the intercollegiate level while the student was in attendance at that institution, provided the student never attended any other collegiate institution that offered intercollegiate competition in that sport and the student earned at least a minimum 2.200 grade-point average (see Bylaw 14.3.4.5.3.2) at the two-year college. (Revised: 1/11/89, 1/10/90, 1/14/15 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, 1/11/24 effective 8/1/24)

14.3.4.6.4 Return to Original Institution Exception. The student returns to the four-year college from which they transferred to the two-year college, provided the student did not have an unfulfilled residence requirement at the time of the transfer from the four-year college. The amount of time originally spent in residence at the first four-year college may be used by the student in completing the unfulfilled residence requirement at that institution. The student must satisfy all progress-toward-degree requirements the student triggered during their previous enrollment at the certifying institution (e.g., annual credit-hour requirement) before being eligible for competition. (See Bylaw 14.3.4.5.6). (Adopted: 1/13/03 effective 8/1/03, Revised: 7/19/16, 11/27/19, 1/11/24 effective 8/1/24)

14.3.5 Four-Year College Transfers. An undergraduate transfer from a four-year institution is eligible for competition provided (See Bylaw 14.4.3.2.1 for progress-toward-degree requirements for transfer student-athletes.) (Revised: 4/4/07,
1/27/20 effective 8/1/20 August 1, 2020, for any four-year college student-athlete transferring during the 2020-21 academic year, and thereafter., 1/11/24 effective 8/1/24, 4/24/24

(a) The transfer student did not practice or compete in intercollegiate athletics at their previous institution or the previous institution did not sponsor their sport, and they were in good academic standing at the time of transfer; or (Adopted: 4/24/24)

(b) The transfer student would have been academically and athletically eligible at their previous institution at the time of transfer, had they remained. (Adopted: 4/24/24)

14.3.5.1 Regaining Eligibility. An undergraduate transfer student from a four-year institution, who does not satisfy Bylaw 14.3.5, shall become eligible to compete at the certifying institution (see Bylaw 14.02.21) after the conclusion of the first full-time term of enrollment following transfer by meeting all applicable progress-toward-degree requirements (see Bylaw 14.4). (Revised: 1/10/91 effective 8/1/91, 4/30/10, 1/11/24 effective 8/1/24, 4/24/24)

14.3.5.1.1 Attendance for One Academic Year. A transfer student from a four-year institution who attended a four-year institution at least one academic year shall be eligible for financial aid and practice at a Division II institution under the rules of the institution and the conference of which the institution is a member, regardless of the student’s qualification status (per Bylaw 14.2.8.2) at the time of initial enrollment. (Revised: 1/11/24 effective 8/1/24)

14.3.5.1.2 Attendance for Less Than One Academic Year. A transfer student from a four-year institution who was a partial qualifier (as defined in Bylaw 14.02.19.2) and who attended the four-year institution less than one full academic year shall not be eligible for competition during the first academic year of attendance at the certifying institution. Participation in practice sessions and the receipt of financial aid during the first academic year of attendance at the certifying institution by such students is governed by the provisions of Bylaw 14.2.8.2.2 (partial qualifiers). (Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21, 1/11/24 effective 8/1/24)

14.3.5.3 Competition in Year of Transfer. A transfer student from a four-year institution, who satisfies the undergraduate four-year transfer requirements (see Bylaw 14.3.5), is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed during that segment of the same academic year in that sport at the previous four-year institution. Therefore, if the institution from which a student-athlete transfers declares separate segments of its playing and practice season, a student-athlete may compete during the segment that does not conclude with the NCAA championship for such an institution and during the segment that does conclude with the NCAA championship for the certifying institution during the same academic year in the same sport, provided the student-athlete is otherwise eligible for competition. (Adopted: 1/10/95 effective 8/1/95, Revised: 1/13/03 effective 8/1/03, 10/17/06, 1/25/10, 7/24/12, 1/11/24 effective 8/1/24, 4/24/24)

14.4 Progress-Toward-Degree Requirements.

14.4 Athletics Eligibility. (Adopted: 1/11/24 effective 8/1/24)

14.4.1 Progress-Toward-Degree Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain progress toward a baccalaureate or equivalent degree at that institution. (See Bylaw 7.3.1.5.5 regarding the obligations of members to publish their progress-toward-degree requirements for student-athletes.) (Revised: 5/12/09, 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.1 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for purposes of Bylaws 14.4.3.4.2, 14.4.4, 14.4.5, 14.4.6, 14.4.7, and 14.4.8. (Adopted: 10/16/12, Revised: 5/1/15, 1/11/24 effective 8/1/24)

14.4.1.1 Exchange Student. The eligibility of an exchange student shall be based on satisfactory completion of at least: (Revised: 1/17/09 effective 8/1/09, 7/20/10, 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) Nine-semester or eight-quarter hours of academic credit during the preceding regular academic term in which the student has been enrolled full time at any collegiate institution (see Bylaw 14.4.3.2);
(b) Credit hours earned during the regular academic year as set forth in Bylaw 14.4.3.3;
(c) Credit hours earned for the annual credit-hour requirement set forth in Bylaw 14.4.3.4; and
(d) Cumulative minimum grade-point average as set forth in Bylaw 14.4.3.5.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition, unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.2 Eligibility for Financial Aid and Practice. Eligibility for institutional financial aid and practice during each academic year after a student-athlete’s initial year in residence or after the student-athlete has used one season of eligibility in a sport shall be based upon the rules of the institution and the conference(s), if any, of which the institution is a member. See Bylaw 14.1.7 for additional rules regarding eligibility for practice.

14.4.3 Eligibility for Competition.

14.4.3 Seasons of Competition: 10-Semester/15-Quarter Rule. A student-athlete shall not engage in more than four seasons of intercollegiate competition in any one sport (see Bylaws 14.02.12 and 14.4.3.2). An institution shall not permit a student-athlete to represent it in intercollegiate competition unless the individual completes all of their seasons of participation in all sports within the time periods specified below: (Revised: 1/11/24 effective 8/1/24)

14.4.3.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing, as determined by the academic authorities who determine the meaning and application of such phrases for all students at the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. A student-athlete shall maintain a grade-point average that places the individual in good academic standing, as established by the institution for all students who are at an equivalent stage of progress toward a degree. A student-athlete who is not in good academic standing is not eligible for competition even if the individual satisfies the progress-toward-degree requirements. The definition of good academic standing applied to student-athletes shall be a standard at least as demanding as the minimum standard applied to all students in order to participate in extracurricular activities at the institution. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter. Revised: 7/18/17)

14.4.3.2 Term-By-Term Credit-Hour Requirement. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete must earn nine-semester or eight-quarter hours of academic credit the preceding regular academic term in which the student-athlete has been enrolled full time at any collegiate institution. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.2.1 Application of Rule to Transfer Student. For purposes of certifying eligibility for a transfer student from a two-year or four-year collegiate institution per Bylaw 14.4.3.2, the nine-semester or eight-quarter hours must be earned degree credit. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter. Revised: 4/26/24. Immediate, for student-athletes transferring to a Division II institution for the 2024-25 academic year, and thereafter.)

14.4.3.2.2 Calculation of Credit Hours. During the first two years of enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.4.3.2) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the term-by-term credit-hour requirement must be degree credit toward the student-athlete’s designated degree program. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.2.2.1 Exception -- Final Academic Year of Degree Program. A student-athlete who is in the final academic year (final two semesters or three quarters) of their designated degree program may use credit hours acceptable toward any of the institution’s degree programs to satisfy the nine-semester or eight-quarter hour requirement per Bylaw 14.4.3.2, provided the institution certifies, through review by appropriate academic officials, that the student-athlete is carrying (for credit) the courses necessary to complete degree requirements at
the end of the two semesters or three quarters. Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree requirements during the final two semesters or three quarters and is eligible to receive the baccalaureate diploma on the institution’s next degree-granting date. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.2.2.1.1 Waivers. The Committee on Student-Athlete Reinstatement shall establish appropriate criteria for waiver requests seeking relief of the forfeiture of eligibility penalty. (Adopted: 4/21/20 effective 8/1/20)

14.4.3.2.4.1.3 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete and the institution and cause a participation opportunity to be used include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95, 10/22/02, 7/20/10)

(a) A student-athlete’s decision to attend an institution that does not sponsor their sport, or decides not to participate at an institution that does sponsor their sport;

(b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, or disciplinary reasons or incarceration culminating in or resulting from a conviction; (Revised: 10/12/95)

(c) Reliance by a student-athlete on misinformation from a coaching staff member;

(d) Redshirt year, unless it meets the exception pursuant to Bylaw 14.4.3.2.4.1.4; (Revised: 1/9/06 effective 8/1/06, 1/11/24 effective 8/1/24)

(e) An inability to participate as a result of a transfer year in residence or fulfilling a condition for restoration of eligibility; and (Revised: 4/24/24)

(f) A student-athlete’s lack of understanding regarding the specific starting date of their 10-semester/15-quarter period of eligibility. (Adopted: 10/9/96 effective 8/1/97)

14.4.3.2.4.1.4 Waiver -- Student-Athlete Who Does Not Use Season of Competition During Initial Year of Collegiate Enrollment. For a student-athlete who does not use a season of competition during their initial year of full-time collegiate enrollment at any institution, a waiver may be granted if all of the following conditions are met: (Adopted: 1/9/06 effective 8/1/06, Revised: 7/24/07, 7/19/10, 10/21/14)

(a) The student-athlete was academically and athletically eligible and was on the institution’s eligibility list (formerly squad list) during their initial year of collegiate enrollment; and (Revised: 1/9/06, 7/24/12 effective 8/1/13)

(b) The student-athlete was denied one participation opportunity per Bylaw 14.4.3.2.4.1 following their initial year of collegiate enrollment. (Revised: 1/11/24 effective 8/1/24)

14.4.3.3 Credit Hours Earned During the Regular Academic Year. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete must complete 18-semester or 27-quarter hours since the beginning of the previous fall term or since the beginning of the certifying institution’s preceding regular two semesters or three quarters. Credit hours earned in the period after the regular academic year at the institution (e.g., hours earned in summer school) shall not be used to satisfy the academic credit-hour requirements of this regulation. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.3.1 Regular Academic Year. For purposes of Bylaw 14.4.3.3, the regular academic year consists of the time beginning with the opening of the institutions’ fall term and concluding with the institution’s spring commencement exercises. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.3.2 Application of Rule. The following student-athletes are subject to the credit-hour requirement set forth in Bylaw 14.4.3.3: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) A midyear transfer student-athlete;

(b) A student-athlete who has been in residence at the institution for at least one academic year; or

(c) A student-athlete who has used one season of eligibility in any sport at the certifying institution.
14.4.3.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the 10-semester/15-quarter rule (Bylaw 14.4.3) only if: (Revised: 1/10/90, 1/11/24 effective 8/1/24)

(a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or

(b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

14.4.3.2.1 Application to a Midyear Enrollee. A student-athlete entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer) is not subject to the credit hours required under Bylaw 14.4.3 for the fall term immediately following the student-athlete’s initial full-time enrollment at the certifying institution. In subsequent years, the student-athlete’s completion of the 18-semester or 27-quarter hour requirement shall be certified prior to the start of each academic year based on the student-athlete’s record since the beginning of the previous fall term. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.3 Calculation of Credit Hours. During the first two years of enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.4.3.3) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the credit-hour requirement must be degree credit toward the student-athlete’s designated degree program. Credit hours earned in the period after the regular academic year at the institution (e.g., hours earned in summer school) shall not be used to satisfy the academic credit-hour requirements of this regulation. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.3.4 Part-Time Enrollment. Credit hours earned during a term in which a student-athlete is enrolled less than full-time may be used to satisfy the 18-semester/27-quarter hour requirement only if such credits are combined with credits earned during a term that immediately precedes or immediately follows a term in which the student-athlete is enrolled as a full-time student. Credits earned during a part-time term may be completed at an institution other than the certifying institution. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.4 Annual Credit Hour Requirement. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete must earn 24-semester or 36-quarter hours of academic credit during any year in which the student-athlete is enrolled full time in at least one academic term. A student-athlete may satisfy this requirement based on the student-athlete earning: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) 24-semester or 36-quarter hours since the beginning of the previous fall term;

(b) 24-semester or 36-quarter hours since the beginning of the certifying institution’s preceding regular two semesters or three quarters; or

(c) 48-semester or 72-quarter hours during the first two years of collegiate enrollment (the certifying institution’s first four semesters or six quarters following the student-athlete’s initial full-time enrollment in a collegiate institution).

(Note: A student-athlete who does not enroll in a collegiate institution for a full academic year following their initial year of collegiate enrollment is considered to be enrolled in their second year of collegiate enrollment upon the next enrollment in a regular academic term at a collegiate institution.)

14.4.3.4.1 Application of Rule. The following student-athletes are subject to annual credit-hour requirements: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) A midyear transfer student-athlete;

(b) A student-athlete who has been in residence at the institution for at least one academic year; or

(c) A student-athlete who has used one season of eligibility in any sport at the certifying institution.

14.4.3.4.1.1 Application to a Midyear Enrollee. A student-athlete entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer) shall be subject to the credit hours required under Bylaw 14.4.3.4 for the fall term immediately following the student-athlete’s initial full-time enrollment at the certifying institution; however, the annual credit hours may be adjusted to require
completion of 12 units per term of actual attendance during the initial regular academic year of attendance. (See Bylaw 14.4.3.8.2.) (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.4.2 Academic Year in Residence. The definition of "year in residence" for purposes of determining whether a student-athlete is subject to the annual credit-hour requirement is based on full-time enrollment and attendance during any portion of a term in an academic year, except that when a student-athlete is granted a medical-absence waiver per Bylaw 14.4.3.9.1 during the first year of academic residence, that term is not counted in determining whether the student-athlete has been in residence at the certifying institution for one academic year. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.4.2.1.1.3 Discontinued High School Enrollment. An individual who discontinues high school enrollment and then participates in organized competition per Bylaw 14.4.3.4.2.1 shall use one season of intercollegiate competition for each consecutive 12-month period after October 1 or March 1 (whichever occurs earlier) immediately after one calendar year has elapsed following the discontinued enrollment and before initial full-time collegiate enrollment. (Adopted: 1/16/10 effective 8/1/10 for individuals who are issued a final amateurism certification by the NCAA Eligibility Center or after 4/1/10, Revised: 7/18/23, 1/11/24 effective 8/1/24)

14.4.3.4.2.1.3 Academic Year in Residence. An individual who uses a season of competition in a specific sport per Bylaw 14.4.3.4.2 shall fulfill an academic year in residence at any member institution before being eligible to represent the certifying institution in that specific sport in intercollegiate competition. (Adopted: 1/16/10 effective 8/1/10 for individuals who are issued a final amateurism certification by the NCAA Eligibility Center or after 4/1/10, Revised: 1/11/24 effective 8/1/24)

14.4.3.4.2.1.3.1 Exception -- Transfer Student. (Adopted: 1/15/11 effective 8/1/11, Revised: 1/11/24 effective 8/1/24)

14.4.3.4.3 Calculation of Credit Hours. During the student-athlete’s first four semesters or six quarters of collegiate enrollment, the calculation of credit hours to meet this requirement (see Bylaw 14.4.3.4) shall be based on hours earned or accepted for degree credit toward any of the institution’s degree programs. Beginning with the student-athlete’s fifth semester or seventh quarter of collegiate enrollment, credits used to meet the annual credit-hour requirement must be degree credit toward the student-athlete’s designated degree program. Credit hours earned in the period after the regular academic year at the institution (e.g., hours earned in summer school) may be used to satisfy the academic credit requirements of this regulation. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)
14.4.3.4.4 Regaining Eligibility. A student-athlete who does not meet the 24-semester or 36-quarter credit-hour requirement since the beginning of the previous fall term, may become eligible at the beginning of the next academic term by successfully completing 24-semester or 36-quarter hours during the previous two semesters or three quarters. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5 Fulfillment of Minimum Grade-Point Average Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete must achieve a minimum cumulative grade-point average of 2.000 prior to the beginning of each fall term. The eligibility of a student-athlete who does not satisfy the grade-point average requirement prior to the fall term may be recertified prior to the next regular academic term. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5 Hardship Waiver. A student-athlete may be granted an additional year of competition by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from an injury or illness that has occurred under all of the following conditions: (Revised: 1/14/02 effective 8/1/02)

(a) The incapacitating injury or illness occurs in one of the four seasons of intercollegiate competition at any two-year or four-year collegiate institution; (Revised: 1/10/92 effective 8/1/92)

(b) The injury or illness occurs prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport (see Bylaw 14.4.3.5.2.3) and results in an incapacity to compete for the remainder of that playing season; and (Revised: 1/14/97 effective 8/1/97; 1/14/02 effective 8/1/02, 1/13/03 effective 8/1/03 for any injury or illness occurring on or after 8/1/03, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, 1/11/24 effective 8/1/24)

(c) The injury or illness occurs when the student-athlete has not participated in more than three contests or dates of competition (whichever is applicable to that sport), or 30 percent of the maximum permissible number of contests or dates of competition set forth in Bylaw 17 in their sport (see Bylaw 14.4.3.5.2.5.1.1 for information regarding percent calculation in track and field and Bylaw 14.4.3.5.2.5.1.2 for information regarding percent calculation in basketball). Competition (excluding alumni games, fundraising activities, celebrity sports activities, scrimmages and exhibition contests per Bylaw 17 in the applicable sport) against outside participants during the playing season that concludes with the NCAA championship, or, if so designated, during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation. In basketball, contests played as part of a region challenge shall be countable under this limitation. (Revised: 1/10/92, 1/14/97 effective 8/1/97, 1/14/02 effective 8/1/02, 4/29/04, 1/10/05 for any competition occurring on or after 8/1/04, 1/17/09 effective 8/1/09, 1/16/13, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, 4/16/19 Immediate, for student-athletes who initially enroll during the 2019-20 academic year, and thereafter, 1/27/20 effective 8/1/20 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 08/01/20, 8/26/21, 1/11/24 effective 8/1/24)

14.4.3.5.1 Application of Rule. The following student-athletes are subject to minimum grade-point average requirements: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) A midyear transfer student-athlete from a two-year or four-year collegiate institution who has completed an academic term in residence;

(b) A student-athlete who has been in residence at the certifying institution for at least one academic year; or

(c) A student-athlete who has used a season of eligibility in a sport at the certifying institution.

14.4.3.5.1.1 Application to a Midyear Enrollee or Transfer Student. The provisions of Bylaw 14.4.3.5 shall be applicable to the eligibility of a midyear enrollee or transfer student from a two-year or four-year collegiate institution in the fall term following their initial enrollment at the certifying institution. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5.2 Academic Year in Residence. The definition of "year in residence" for purposes of determining whether a student-athlete is subject to the annual grade-point average requirement is based on full-time enrollment and attendance during a portion of a term in an academic year, except that if a student-athlete is granted a medical-absence waiver per Bylaw 14.4.3.9.1 during the first year of academic residence, that term is not counted in determining whether the student-athlete has been in residence at the certifying institution for an academic year. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5.2.5 Percent Calculation. The following requirements apply in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.4.3.5-(c) and
14.4.3.5.2.3 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaws 7 and 17. (Revised: 7/21/09, 1/11/24 effective 8/1/24)

14.4.3.5.3 Calculation of Minimum Grade-Point Average. A student-athlete must meet the minimum cumulative grade-point average at the certifying institution based on the method of calculation used by the institution for calculating cumulative grade-point averages for all students, and the calculation shall include only course work normally counted by the certifying institution in calculating the cumulative grade-point average for graduation (regardless of whether an institution requires multiple minimum grade-point averages for graduation). (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5.4 Applicable Credit Hours. All credit hours (e.g., part time, transfer, advanced placement) that are accepted and appear on the student-athlete’s transcript at the certifying institution shall be used in determining the minimum grade-point average requirements. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.5.5 Regaining Eligibility. A student-athlete who does not meet the minimum cumulative grade-point average of 2.000 prior to the beginning of a fall term, may become eligible at the beginning of the next academic term by successfully earning a minimum cumulative grade-point average of 2.000. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.6 Designation of Degree Program. A student-athlete shall designate a program of studies leading toward a specific baccalaureate degree at the certifying institution by the beginning of the third year of enrollment (fifth semester or seventh quarter) and thereafter shall make progress toward that specific degree. This provision shall be applicable to the eligibility not only of a continuing student, but also of a transfer student from a four-year collegiate institution who is entering their third year of collegiate enrollment that has not satisfy Bylaw 14.5.5 or used a season of eligibility in a sport at the certifying institution or a transfer student from a two-year collegiate institution who is entering their third year of collegiate enrollment that has not yet completed an academic year in residence or used a season of eligibility in a sport at the certifying institution. An institution shall not incur a violation if a student-athlete fails to designate a degree program prior to their third year of enrollment (fifth semester or seventh quarter), provided the student-athlete designates a degree program prior to competing. Designation of a specific baccalaureate degree program may be accomplished by: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/18/17, 4/24/24)

(a) Formal enrollment by the student-athlete in a specific baccalaureate degree program; or

(b) Approval by an appropriate academic official (who must not be an academic adviser/counselor employed by the athletics department) of the program leading to the specific baccalaureate degree that the student-athlete is pursuing.

14.4.3.6 Season-of-Competition Waiver -- Competition While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.1.4, a student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when they participated in a limited amount of competition under either of the following circumstances: (Adopted: 1/16/93, Revised: 1/11/00 effective 8/1/00, 1/13/03 effective 8/1/03, 1/8/16, 1/11/24 effective 8/1/24)

(a) As a result of a good-faith, erroneous formal declaration of eligibility by the institution’s appropriate certifying authority; or

(b) As a result of a student-athlete’s good-faith, erroneous reliance upon a coaching staff member’s decision to place the student-athlete into competition prior to the coaching staff member receiving a formal declaration of eligibility for the student-athlete from the institution’s appropriate certifying authority. (Revised: 10/21/14)

14.4.3.6.1 Documentation of Degree Program Designation. If the designation is in accordance with Bylaw 14.4.3.6-(a), the official enrollment records of the institution shall constitute the documentation of the program against which progress toward degree under this regulation shall be measured. If the designation is in accordance with Bylaw 14.4.3.6-(b), the record of the degree program designation, approved by the appropriate academic official, shall constitute that documentation. For purposes of certifying eligibility for competition, an appropriate academic official shall affirm in writing the number of credit hours applicable to the designated degree program that have been completed satisfactorily. The institution’s records for all student-athlete degree program designations and progress-toward-degree evaluations shall be retained for inspection (on request) by an authorized representative of the NCAA. [D] (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)
14.4.3.6.2.1 Ten Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.4.3.6.1-(b) and 14.4.3.6.2.1 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contest requirements in Bylaws 7 and 17.) (Adopted: 1/16/93, Revised: 5/8/09 effective 8/1/09, 1/11/24 effective 8/1/24)

14.4.3.6.2.1.1 Denominator in Percent Computation. The denominator in the institution’s percent calculation shall be based on the institution’s number of scheduled or completed varsity contests or dates of competition [see Bylaw 14.4.3.6.1-(b)] as computed for playing and practice season purposes in Bylaw 17 for the applicable sport. Exempted events in Bylaw 17 are included in the percent calculation, except for discretionary exemptions in the applicable sport. (Adopted: 5/8/09 effective 8/1/09, Revised: 1/11/24 effective 8/1/24)

14.4.3.7 Regulations for Administration of Progress Toward Degree.

14.4.3.7 Season-of-Competition Waiver -- Competition While Eligible. A student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when, due to extenuating circumstances (per Bylaw 14.4.3.7.1.3), the student-athlete, while eligible, did not compete in more than three contests or dates of competition (whichever is applicable to that sport) or 30 percent (whichever number is greater) of the maximum permissible number of contests or dates of competition set forth in Bylaw 17. The competition must occur prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete participated. (Adopted: 1/13/03 effective 8/1/03, Revised: 1/10/05 for any competition occurring on or after 8/1/04, 10/21/08, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, 1/11/24 effective 8/1/24)

14.4.3.7.1 Nontraditional Terms. An institution that determines registration other than on a traditional semester- or quarter-hour basis shall submit a statement describing the progress-toward-degree requirements applicable to its student-athletes for approval by the Academic Requirements Committee. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.7.1.1 Thirty Percent Calculation. The requirements specified in Bylaw 14.4.3.6.2.1 shall apply to the 30 percent calculation specified in this waiver. (Adopted: 1/13/03 effective 8/1/03, Revised: 5/8/09 effective 8/1/09, 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, 1/11/24 effective 8/1/24)

14.4.3.7.1.2 First-Half-of-Season Requirement. The first-half-of-season requirements specified in Bylaw 14.4.3.5.2.3 shall apply to the first-half-of-season requirement specified in this waiver. (Adopted: 1/21/17 effective 8/1/17 for any incapacitating injury or illness, or other extenuating circumstance occurring on or after 8/1/17, Revised: 1/11/24 effective 8/1/24)

14.4.3.7.1.4 Review Authority. In cases where a student-athlete does not meet the extenuating circumstances listed in Bylaw 14.4.3.7.1.3, the Committee on Student-Athlete Reinstatement shall have authority to review and grant waivers based on additional documented extenuating circumstances. (Adopted: 1/13/03 effective 8/1/03, Revised: 1/11/24 effective 8/1/24)

14.4.3.7.2 Credit Hours Earned Prior to Initial Full-Time Enrollment at the Certifying Institution. Credit hours earned at another institution before initial enrollment at the certifying institution may not be used to satisfy progress-toward-degree requirements. In the first year of collegiate enrollment [or during the first two years of collegiate enrollment if using Bylaw 14.4.3.4-(c) to satisfy the annual credit hour requirement], this restriction does not apply to credit hours earned while a student was enrolled as a high school student (e.g., courses that qualify as high school and college credit). Such credit hours shall not be used to meet the required minimum number of credit hours earned during the regular academic year (see Bylaw 14.4.3.3). (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)
14.4.3.7.3 Advanced-Placement Tests/Credit by Examination. Credit received through advanced-placement tests or by examination or International Baccalaureate Program examinations may be used by a student-athlete to meet the minimum progress-toward-degree requirements, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit. If such credit was earned while the student-athlete was enrolled in high school, it may be used to meet both initial-eligibility and progress-toward-degree requirements in the first year of collegiate enrollment [or in the first two years of collegiate enrollment if using Bylaw 14.4.3.4-(c) to satisfy the annual credit-hour requirement], provided the credit was earned prior to high school graduation. However, such credit, if earned prior to initial full-time enrollment at the certifying institution, may not be used to meet the required minimum number of hours earned during the regular academic year (see Bylaw 14.4.3.3). (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.7.4 Remedial, Tutorial or Noncredit Courses. Remedial, tutorial or noncredit courses may be used by a student-athlete to satisfy the progress-toward-degree requirements of Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 only if such courses meet all of the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) The courses must be considered by the institution to be prerequisites for specific courses acceptable for any degree program;
(b) The courses must be given the same weight as others in the institution in determining the student-athlete’s status for full-time enrollment;
(c) Noncredit courses may not exceed the maximum institutional limit for such courses in any baccalaureate degree program (or the student-athlete’s specific baccalaureate degree program once a program has been designated); and
(d) Credit in such courses shall not exceed 12-semester or 18-quarter hours, and the courses must be taken during the student-athlete’s first academic year of collegiate enrollment.

14.4.3.7.5 Incomplete Grades. A student-athlete who receives an incomplete grade in a course may use the course in question to satisfy the progress-toward-degree requirements of Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4, subject to the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) The incomplete grade must have been removed and recorded in accordance with the institution’s regulations applicable to all students;
(b) Such a course may be counted only once after a grade has been achieved that is acceptable to the institution for determining progress-toward-degree; and
(c) In the case of no institutional policy, the course with the acceptable grade shall be counted either during the term in which the student initially enrolled in the course or during the term in which the incomplete grade was removed and acceptable credit was awarded.

14.4.3.7.6 Repeated Courses. Credit for courses that are repeated may be used by a student-athlete to satisfy the progress-toward-degree requirements of Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 only under the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) A course repeated due to an unsatisfactory initial grade may be used only once and only after it has been satisfactorily completed;
(b) Credit for a course that may be taken several times (e.g., a physical education activities course) shall be limited by institutional regulations; and
(c) Credits earned in courses that may be taken several times may not exceed the maximum institutional limit for credits of that type for any baccalaureate degree program (or for the student-athlete’s specific baccalaureate degree program once a program has been designated).

14.4.3.7.7 Credit Hours Earned or Accepted for Degree Credit After Change of Degree Program. A student-athlete who changes their designated degree program after their fifth semester or seventh quarter of collegiate enrollment may comply with the credit-hour requirements set forth in Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 if: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

(a) The change in programs is documented appropriately by the institution’s academic authorities;
(b) The credits earned before the change are acceptable toward a degree previously sought; and
(c) The credits earned from the time of the change are acceptable toward the new desired degree.
14.4.3.7.8 **Credit Hours Earned or Accepted Toward a Major.** A student-athlete who has designated a specific degree program with an identified major may not use a course to fulfill the credit-hour requirements set forth in Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 even if the course fulfills an elective component of the student-athlete’s degree program, if the student-athlete ultimately must repeat the course to fulfill the requirements of the student’s major.  
*(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)*

14.4.3.7.9 **Credit Hours Earned or Accepted Toward a Minor.** A student-athlete who has designated a specific degree program may use credits earned in a minor to fulfill the credit-hour requirements for meeting progress toward degree if the minor is a required element for all students to obtain the original baccalaureate degree. A student-athlete who has designated a voluntary or optional minor (i.e., a minor that is not a required element of the original baccalaureate degree program for all students) may use a maximum of six credit hours per academic term (regular academic year, summer) earned in the minor to fulfill the credit-hour requirements for meeting progress toward degree.  
*(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/16/16 effective 8/1/16, 7/19/16 effective 8/1/16, 1/22/22)*

14.4.3.7.10 **Nontraditional Courses From Another Institution.** Nontraditional courses (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) completed at an institution other than the one in which a student-athlete is enrolled as a full-time student may be used in determining progress toward degree, provided the following conditions are met: *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)*

(a) The course is available to any student at the certifying institution;

(b) The student-athlete enrolls in the course in the same manner as is available to any student; and

(c) Enrollment in the course occurs within the offering institution’s regular enrollment periods (preregistration or drop-add period) in accordance with the institution’s academic calendar and applicable policies and procedures.

14.4.3.7.11 **Cooperative Educational, Work Experience and Study-Abroad Programs.** A student-athlete shall not be required to complete nine-semester or eight-quarter hours of academic credit the preceding regular academic term of full-time enrollment during any term or terms of enrollment in a cooperative educational or work experience program (e.g., co-op, internship, practicum, student-teaching) or an institutionally approved study-abroad program. *(Adopted: 1/10/05 following the 2005 fall term; thus, applicable to hours earned in the 2005 fall term and thereafter, Revised: 1/11/12, 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)*

14.4.3.7.11.1 **Adjustment of Progress-Toward-Degree Requirements.** A student-athlete who participates in a cooperative educational, work experience or an institutionally approved study abroad program, may be adjusted to require completion of 12 hours per term of actual attendance in traditional coursework. *(Adopted: 7/18/17)*

14.4.3.8 **Exceptions to Progress-Toward-Degree Requirements.**

14.4.3.8.1 **Missed Term Exception.** One time during a student-athlete’s entire period of collegiate enrollment, the provisions of Bylaws 14.4.3.3 and 14.4.3.4 may be adjusted to require completion of 12 hours per term of actual attendance, if the student-athlete misses a complete term or consecutive terms during an academic year, subject to the following conditions: *(Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)*

(a) The student-athlete did not attend class during a regular academic term while enrolled in a full-time program of studies; *(Adopted: 1/7/20)*

(b) The student-athlete engaged in no outside competition in the sport during the academic term or terms in which the student was not in attendance;

(c) The student-athlete was eligible for enrollment during the student’s absence; and

(d) At the time of certification, the student-athlete has fulfilled the progress-toward-degree requirements (per Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4) for the terms in which the student was in attendance. It is not permissible to use this one-time exception during the first academic year in residence at the certifying institution in order to maintain eligibility during the second year in residence. Hours earned while enrolled as a part-time student during the "missed term" may not be counted in meeting the progress-toward-degree requirement.

14.4.3.8.2 **Midyear Enrollment Exception.** For student-athletes entering the institution at the beginning of the second semester or the second or third quarter of an academic year (e.g., midyear transfer), the annual credit hours required per Bylaw 14.4.3.4 may be adjusted to require completion of 12 units per term of actual attendance during
the initial regular academic year of attendance. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

**14.4.3.8.3 Nonrecruited, Nonparticipant Exception.** A student-athlete may qualify for an exception to the application of the progress-toward-degree regulations for the initial season of eligibility, if the student has been in residence at the certifying institution for at least one academic year; was not recruited; has not received athletically related financial assistance; has never practiced or participated in intercollegiate athletics, except that a student may have participated in limited preseason tryouts; and is otherwise eligible under all institutional, conference and NCAA rules. The student-athlete’s eligibility in future seasons would be governed by the progress-toward-degree requirements, which would be applied from the beginning of the first term the student began participation. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

**14.4.3.8.4 Graduate Student Exception.** A student-athlete who is a graduate student or a student-athlete who graduates and returns for a second baccalaureate degree or who is taking coursework that would lead to the equivalent of another major or degree who is otherwise eligible for regular-season competition shall be exempt from the progress-toward-degree requirements. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

**14.4.3.8.5 Two-Year Non-Participation or Minimal Participation Exception.** A student-athlete may qualify for an exception to the application of the progress-toward-degree regulations if, for a consecutive two-year period immediately before the date on which the student begins participation (countable athletically related activities), the student-athlete has not competed and has not participated in other countable athletically related activities (see Bylaw 17.02.1) in any sport beyond a 14-consecutive calendar-day period, or has not participated in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution; and is otherwise eligible under all institutional, conference and NCAA rules. The 14-consecutive calendar-day period begins with the date on which the student-athlete first engages in any countable athletically related activity. The two-year period does not include any period of time before the student-athlete’s initial collegiate enrollment. The student-athlete’s eligibility in future seasons would be governed by the progress-toward-degree requirements, which would be applied from the beginning of the first term the student-athlete began participation. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

**14.4.3.9 Waivers of Progress-Toward-Degree Requirements.** The Academic Requirements Committee shall establish appropriate criteria for waivers of this legislation. Such waivers shall be administered by the conference members of the Association or, in the case of an independent institution, by the Academic Requirements Committee. Waivers of the progress-toward-degree requirements may be granted under the following conditions: (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

**14.4.3.9.1 Medical Absence Waiver.** The credit hours required under the progress-toward-degree regulations of Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 may be adjusted to require completion of 12 units per term of actual attendance during an academic year in which a student misses a term or is unable to complete a term as a full-time student as a result of an injury or illness. Such an exception may be granted only when circumstances clearly supported by appropriate medical documentation establish that a student-athlete is unable to attend a collegiate institution as a full-time student as a result of an incapacitating physical injury or illness involving the student-athlete or a member of the student-athlete’s immediate family. Credits earned by the student-athlete during the term to which the waiver applies may not be used in determining progress toward degree. A Division II conference office has the authority to administer medical absence waivers for terms that occurred at an NCAA institution prior to a student-athlete’s enrollment at a member institution within the conference. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 7/28/15)

**14.4.3.9.2 International Competition Waiver.** The credit hours required under the progress-toward-degree regulations of Bylaws 14.4.3.2, 14.4.3.3 and 14.4.3.4 may be adjusted to require completion of 12 hours per term of actual attendance during an academic year in which a student is not enrolled for a term or terms or is unable to complete a term as a result of participation in the Pan American, Parapan American, Olympic, Paralympic, World Championships, World Cup, World University Games (Universiade) or World University Championships (including final Olympic or Paralympic tryouts and the officially recognized training program that directly qualifies participants for those tryouts). This waiver provision may be applied to not more than two semesters or three quarters. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/22/20 effective 8/1/20)

**14.4.3.10 Olympic or Paralympic Games Waiver.** The Academic Requirements Committee may waive the progress-toward-degree requirements for any participant in the Olympic or Paralympic Games who, because of such participation,
may lose eligibility for practice and competition in any sport. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter, Revised: 1/22/20 effective 8/1/20)

14.4.3.11 Student-Athletes With Education-Impacting Disabilities Waiver. The Academic Requirements Committee may waive the progress-toward-degree requirements for a student-athlete when objective evidence demonstrates that the institution has defined full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the student’s education-impacting disability. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.3.12 Additional Progress-Toward-Degree Waivers. The Academic Requirements Committee shall have the authority to waive all other progress-toward-degree requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The committee shall establish the process for granting such waivers and shall report at least annually to the Management Council and to the membership, the actions taken in summary, aggregate form. (Adopted: 1/18/14 effective 8/1/16 for certifications of progress toward degree for fall 2016 and thereafter)

14.4.4.1 10-Semester/15-Quarter Rule. The Committee on Student-Athlete Reinstatement may approve waivers to the 10-semester/15-quarter rule (see Bylaw 14.4.3) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. (Revised: 1/13/03 effective 8/1/03, 1/11/24 effective 8/1/24)

14.4.6 Impermissible -- Following Initial Full-Time Collegiate Enrollment. Following initial full-time collegiate enrollment, an individual’s participation in the following activities or receipt of the following benefits will jeopardize the individual’s athletics eligibility and eligibility for intercollegiate participation in a particular sport: (Adopted: 4/16/13, Revised: 1/15/14, 10/18/22, 1/11/24 effective 8/1/24)

(a) Use of Athletics Skill for Pay. Use of athletics skills for pay in any form in that sport from any source (e.g., a professional team), including a promise of pay, receipt of direct or indirect salary, gratuity or comparable compensation or preferential treatment, benefits or services. Road racing is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of this bylaw. Following initial full-time collegiate enrollment, any payment for participation in a road race will result in an individual’s ineligibility for intercollegiate cross country or track and field competition (see Bylaw 14.4.5-(d) for an exception related to payment based on performance). (Revised: 10/18/22, 1/11/24 effective 8/1/24)

(b) Name, Image and Likeness Agreements Based on Athletics Participation or Achievement. Receipt of compensation or incentives for enrollment decisions (e.g., signing a letter of intent or transferring), athletic performance (e.g., points scored, minutes played, winning a contest), achievement (e.g., starting position, award winner), or membership on a team (e.g., being on roster). (Adopted: 10/18/22)

(c) Receipt of Any Division or Split of Surplus. Receipt of any division or split of surplus (e.g., bonuses, game receipts).

(d) Payment Based on Place Finish. Any payment, including actual and necessary expenses, conditioned on the individual’s or team’s place finish or performance or given on an incentive basis, or receipt of expenses in excess of the same reasonable amount for permissible expenses given to all individuals or team members involved in the competition. (Adopted: 10/18/22)

(e) Receipt of Cash Award for Participation. Receipt of cash, or the equivalent thereof (e.g., trust fund), as an award for participation in competition at any time, even if such an award is permitted under the rules governing an amateur, noncollegiate event in which the individual is participating. An award or a cash prize that an individual could not receive under NCAA legislation may not be forwarded in the individual’s name to a different individual or agency.

(f) Expenses or Awards Not Permitted by Amateurism Rules Governing Events. Receipt of expenses incurred or awards received by an individual that are prohibited by the rules governing an amateur, noncollegiate event in which the individual participates.

(g) Unspecified or Unitemized Expenses. Payment to individual team members or individual competitors for unspecified or unitemized expenses beyond actual and necessary travel, food and housing expenses for practice and competition. (Revised: 10/26/23)
14.4.7 Outside Competition, Effects on Eligibility. The eligibility of a student-athlete who engages in outside competition (see Bylaws 14.2.8.2.2.2 and 17.02.10) is affected as set forth in the following regulations. (Revised: 3/17/06, 1/11/24 effective 8/1/24)

14.4.7.1 Outside Competition, Sports Other Than Basketball. A student-athlete becomes ineligible for intercollegiate competition in their sport (other than basketball) if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, they compete or have competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution’s intercollegiate season in the sport (see Bylaw 14.4.7.5 for exceptions) until eligibility is restored by the Committee on Student-Athlete Reinstatement. (Revised: 1/16/93, 1/11/94, 4/11/06, 1/11/24 effective 8/1/24)

14.4.7.2 Outside Competition, Basketball. A student-athlete who participates in any organized basketball competition except while representing the institution in intercollegiate competition in accordance with the permissible playing season specified in Bylaw 17.4 becomes ineligible for any further intercollegiate competition in basketball (see Bylaw 14.4.7.5 for exceptions). (Revised: 1/11/24 effective 8/1/24)

14.4.8.2 Practice Without Competition. Following initial full-time collegiate enrollment, an individual may participate in practice sessions conducted by a professional team, provided such participation meets the requirements of NCAA legislation governing tryouts with professional athletics teams (see Bylaw 14.4.8.1.1) and the individual does not receive any compensation or enter into a contract or agreement to practice or participate as a member of the professional athletics team. Such contracts or agreements would be separate from those that the individual may enter into with the professional team for name, image and likeness activities, as set forth in Bylaw 14.1.5. (Revised: 10/18/22, 1/11/24 effective 8/1/24)

14.4.8.3.2 Competition With Professionals. Following initial full-time collegiate enrollment, an individual shall not be eligible for intercollegiate athletics in a sport, if the individual competed on a professional athletics team (per Bylaw 14.02.17) in that sport. However, an individual may compete on a tennis, golf, two-person beach volleyball or two-person synchronized diving team(s) with persons who are competing for cash or a comparable prize, provided the individual does not receive payment of any kind for such participation. (Revised: 1/9/96 effective 8/1/96, 1/14/97, 1/8/01 for those individuals first entering a collegiate institution on or after 8/1/01, 1/13/03, 5/1/15, 1/11/24 effective 8/1/24)

14.4.8.3.2.3 Major Junior Ice Hockey -- Men's Ice Hockey. An individual who competes on a Major Junior ice hockey team shall be subject to the seasons of competition regulations set forth in Bylaw 14.4.3.4.2, regardless of when such competition occurs. (Adopted: 1/15/11 effective 8/1/11, Revised: 1/11/24 effective 8/1/24)

14.5 Transfer Regulations.

14.5.1 General Principle. A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to satisfy the applicable undergraduate transfer requirements (see Bylaws 14.5.4 and 14.5.5) before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1). (Revised: 1/10/91 effective 8/1/91, 4/30/10, 4/24/24)

14.5.1.1 Disciplinary Suspension. A student (including a student enrolling in a graduate program, professional school or second baccalaureate or equivalent degree program per Bylaw 14.1.8.1) who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (Revised: 1/14/97 effective 8/1/97, 7/19/16)
14.5.1.2 Outside Competition -- Partial Qualifier. A two-year college transfer student who is a partial qualifier and does not meet the applicable transfer requirements may participate in the institution’s intramural program (provided the intramural team is not coached by a member of the institution’s athletics department staff), but such an individual is not permitted to practice or compete on an institution’s club team or an outside sports team during the first academic year in residence. A four-year college transfer student who is a partial qualifier and who has not completed an academic year in residence may participate in the institution’s intramural program (provided the intramural team is not coached by a member of the institution’s athletics department staff), but such an individual is not permitted to practice or compete on an institution’s club team or an outside sports team during the first academic year in residence. (Adopted: 1/14/97, Revised: 1/15/21 effective 8/1/21 August 1, 2021, for student-athletes enrolling in a Division II institution on or after August 1, 2021.)

14.5.1.3 International Transfers. A transfer student from an international collegiate institution (college, university or two-year college) is subject to the requirements set forth in Bylaw 14.5.5. (Revised: 7/20/10, 4/24/24)

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution:

(a) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;

(b) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution’s day school, and the student is or was considered by the institution to be a regularly matriculated student;

(c) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution before attendance at the branch school;

(d) The student attended a branch school that conducted an intercollegiate athletics program and transfers to any institution, including the parent institution; (Revised: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter.)

(e) The student attended a second campus of an institution that conducted an intercollegiate athletics program and transfers to any institution, including the parent institution. (Adopted: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter.)

(f) The student reported for a regular squad practice [including countable athletically related activities (see Bylaw 17.02.1), announced by the institution through any member of its athletics department staff, before the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular" practice; (Revised: 1/12/04, 11/16/23)

(g) The student participated in countable athletically related activities (see Bylaw 17.02.1) in a given sport even though the student was enrolled in less than a minimum full-time program of studies; or (Revised: 1/12/04)

(h) The student received athletically related institutional financial aid while attending a summer term, summer school or summer-orientation program (see Bylaw 15.2.1.1). (Adopted: 1/10/90, Revised: 1/9/06 effective 8/1/06)

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions: (Revised: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter)

14.5.3.1 Summer School, Extension Courses or Night School. The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term, and the student is considered by the institution to be a regularly enrolled student.

14.5.3.2 Branch School. The student has been enrolled in or attended classes only in a branch school, provided the branch school does not conduct an intercollegiate athletics program. If the branch school conducts an intercollegiate athletics program, the student shall be considered a transfer if they enroll at the parent institution directly from the branch school. (For definition of "branch school," see Bylaw 14.02.2.) (Revised: 1/22/20 Immediate, for student-athletes transferring for the 2020-21 academic year and thereafter.)

14.5.3.3 Academic Exchange Program. The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution, and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.
14.5.3.4 Recognized Foreign Exchange/Study Abroad Program. The student participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution’s academic authorities and returns to the certifying institution. (Adopted: 1/16/16 effective 8/1/16)

14.5.4 Two-Year College Transfers. A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program must complete an academic year of residence (see Bylaw 14.02.14), unless the student meets the following eligibility requirements applicable to the division of which the certifying institution is a member. (See Bylaw 14.4 for progress-toward-degree requirements for transfer student-athletes.) (Revised: 1/10/92, 4/4/07, 4/30/10, 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

14.5.4.1 Eligibility for Competition, Practice and Athletics Aid -- Graduation From Two-Year College. A transfer student from a two-year college who has graduated from the two-year college is eligible for competition, practice and athletics aid during the first academic year in residence, provided: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(a) The student-athlete has completed at least two semesters or three quarters (excluding summer sessions) of enrollment as a full-time student at the two-year college; and (Revised: 6/1/16)

(b) At least 25 percent of the credit hours used to fulfill the student’s academic degree requirements are earned at the two-year college that awards the degree per Bylaw 14.5.4.5.4 (see Bylaw 14.4 for progress-toward-degree requirements for transfer student-athletes).

14.5.4.1.1 Application. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 11/27/19)

(a) Transfer Never Attended a Four-Year Institution as a Full-Time Student. If a two-year college transfer has never attended a four-year institution as a full-time student, then the full-time semester(s)/quarter(s) and academic degree(s) from any two-year college(s) attended shall be considered. (Adopted: 11/27/19)

(b) Transfer Previously Attended a Four-Year Institution as a Full-Time Student. If a two-year college transfer has previously attended a four-year institution as a full-time student during their academic career, then only the full-time semester(s)/quarter(s) and academic degree(s) earned at the two-year college(s) after the last full-time enrollment at a four-year college (e.g., '2-4-2-4 transfer') shall be considered for purposes of meeting the requirements of Bylaw 14.5.4.1. (Adopted: 11/27/19)

14.5.4.1.2 Exception -- Previous Four-Year College Attendance -- Graduation After One Semester or Quarter. A student who transfers from a four-year college to a two-year college and then to the certifying institution is eligible for competition, practice and athletics aid during their first year at the certifying institution, provided the student: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(a) Attended the last two-year college as a full-time student for only one semester or one quarter; and

(b) Graduated from that two-year college.

14.5.4.2 Eligibility for Competition, Practice and Athletics Aid -- Qualifier With No Four-Year College Attendance and Only One Term of Attendance at a Two-Year College. A transfer student from a two-year college who was a qualifier (per Bylaw 14.3.1.1), has not previously attended a four-year collegiate institution and has only attended a two-year college for one academic term (semester or quarter), is eligible for competition, practice and athletics aid during the first academic year in residence at the certifying institution, provided: (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(c) The student-athlete has presented a minimum grade-point average of 2.200 earned in transferable degree credit (see Bylaw 14.5.4.5.3.2). (Revised: 7/18/17)

14.5.4.2.1 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the transferable degree credit and grade-point average requirements. However, a student-athlete enrolling in a physical education degree program or a degree program in education at the certifying institution that requires physical education activity courses may use up to the minimum number of credits of physical
education activity courses that are required for the specific degree program to fulfill the transferable degree credit and grade-point average requirements. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

14.5.4.2.2 Practice and Receipt of Athletics Aid. Qualifiers who do not meet the requirements set forth in Bylaws 14.5.4.2 or 14.5.4.3 may practice and receive athletics aid (but may not compete) at the certifying institution during their first academic year of residence. (b) The student-athlete has satisfactorily completed an average of at least 12 semester or 12-quarter hours of transferable credit acceptable toward any baccalaureate degree program at the certifying institution for each full-time academic term of attendance at the two-year college;

(c) The student-athlete has satisfactorily completed the following transferable credit-hour requirements:

1. Six semester or eight quarter hours of English;
2. Three semester or four quarter hours of math; and

Remedial credit hours may not be used to satisfy these requirements. A transfer student may use transferable English, math and science credits earned while enrolled full time or part time at a previous two-year or four-year institution to satisfy these requirements. (Revised: 1/18/17)

(d) The student-athlete has presented a minimum grade-point average of 2.200 earned in transferable degree credit (see Bylaw 14.5.4.5.3.2). (Revised: 7/18/17)

14.5.4.3.1 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the transferable degree credit and grade-point average requirements. However, a student-athlete enrolling in a physical education degree program or a degree program in education at the certifying institution that requires physical education activity courses may use up to the minimum number of credits of physical education activity courses that are required for the specific degree program to fulfill the transferable degree credit and grade-point average requirements. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

14.5.4.3.2 Application.

(a) Transfer Never Attended a Four-Year Institution as a Full-Time Student. If a two-year college transfer has never attended a four-year institution as a full-time student, then the full-time semester(s)/quarter(s) and the transferable degree credit(s) (including part-time hours) from any two-year college(s) attended shall be considered. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

(b) Transfer Previously Attended a Four-Year Institution as a Full-Time Student. If the two-year college transfer has previously attended a four-year institution as a full-time student during their academic career, then only the full-time semester(s)/quarter(s) and transferable degree credit(s) (including part-time hours) earned at the two-year college(s) attended after the last full-time enrollment at a four-year college shall be considered for purposes of meeting the requirements of Bylaw 14.5.4.3-(a), -(b) and -(d). (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 6/15/17)

14.5.4.3.3 Practice and Receipt of Athletics Aid — Qualifiers and Partial Qualifiers. A two-year college transfer who does not meet the requirements set forth in Bylaw 14.5.4.3 may practice and receive athletics aid (but may not compete) at the certifying institution during their first academic year in residence. (Adopted: 1/18/14 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16, Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21.)
**14.5.4.4 Subvariety Competition.** A transfer from a two-year college who has not met the eligibility requirements set forth in Bylaws 14.5.4.1, 14.5.4.2 or 14.5.4.3 shall be eligible to compete only at the subvariety level at the certifying institution. Such subvariety competition shall count as a season of competition in the sport involved. A transfer student from a two-year college who was a partial qualifier and who has not met the eligibility requirements set forth in Bylaws 14.5.4.1 or 14.5.4.3 shall not be eligible to compete at the subvariety level during the first year in residence at the certifying institution. (Revised: 1/11/89, 1/14/97, 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21.)

**14.5.4.5 Two-Year College Transfer Regulations.** The following regulations shall be applied in administering the eligibility requirements for two-year college transfers.

**14.5.4.5.1 Previous Enrollment at Two-Year Institution.** The two-year college transfer requirements set forth in Bylaw 14.5.4 apply to all two-year college transfers regardless of whether the student-athlete attended one or more four-year colleges prior to their full-time enrollment at the two-year institution. (Adopted: 1/13/03 effective 8/1/03)

**14.5.4.5.2 Credit Earned at Four-Year Institution.** If a student-athlete attends a two-year college and, before regular enrollment at the certifying institution, attains additional credits as a part-time student in a four-year collegiate institution, the hours accumulated at the four-year institution may be used by the certifying institution in determining the student-athlete's eligibility under the credit-hour requirement of the two-year college transfer provisions, provided:

(Revised: 8/1/07 effective 8/1/07)

(a) These hours are accepted by the two-year college and are placed on the transcript or other official document by the two-year college from which the student-athlete transfers before the date of initial regular enrollment at the certifying institution. Any official document (other than the student’s transcript) used by the two-year college for this purpose includes the official seal of the two-year college, is signed by the appropriate academic official of the two-year college and is forwarded directly from the two-year college to the appropriate admissions official of the certifying institution; or (Revised: 8/1/07 effective 8/1/07)

(b) Prior approval by the appropriate academic official of the two-year college was obtained by the student, granting permission to satisfactorily complete hours as a part-time student at a four-year collegiate institution before the date of initial regular enrollment at the certifying institution. Acceptance of approved hours must be in accordance with the transfer policies and procedures of both the two-year college and the certifying institution. (Adopted: 8/1/07 effective 8/1/07)

**14.5.4.5.3 Determination of Transferable Degree Credit.** For the purpose of determining transferable degree credit, the institution may count those courses accepted as degree credit in any of its colleges, schools or departments.

**14.5.4.5.3.1 Transferable Credit, Unacceptable Grade.** Credit hours for courses with grades not considered acceptable for transferable degree credit for all students at an institution shall not be counted in determining whether the transfer requirement for total number of hours is satisfied.

**14.5.4.5.3.2 Calculation of Grade-Point Average for Transferable Credit.** Grades earned in all courses that are normally transferable to an institution shall be considered in determining the qualitative grade-point average for meeting transfer requirements, regardless of the grade earned or whether such grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated shall be included in the grade-point-average calculation.

**14.5.4.5.4 Academic Degree.** In order to satisfy the two-year-college graduation requirement for eligibility immediately on transfer from a two-year college to a member institution, a student-athlete must receive an associate or equivalent degree in an academic, rather than a vocational or technical, curriculum. The Academic Requirements Committee shall have the authority to determine whether a two-year degree is academic, rather than vocational or technical, in nature. (Revised: 1/10/95)

**14.5.4.5.5 Transfer to Four-Year College Prior to Completion of Requirements.** The requirements set forth in Bylaw 14.5.4 must be met before a student-athlete’s transfer to the certifying institution. Thus, if a two-year college student transfers (as defined in Bylaw 14.5.2) to an institution before the completion of applicable transfer requirements, the student is subject to the one-year residence requirement at the certifying institution, even though the student transfers back to the two-year college and completes the necessary requirements.

**14.5.4.5.6 Transfer to Original Institution After Completion of Two-Year College Transfer Requirements.** A student-athlete with a previous progress-toward-degree deficiency who transfers to the four-year college from which they transferred to the two-year college may be immediately eligible upon returning to the certifying institution provided the student-athlete has met the two-year college transfer requirements prior to participation. (Adopted: 11/27/19)
14.5.4.5.7 Competition in Year of Transfer. A transfer student from a two-year institution, who has met the two-year transfer eligibility requirements (per Bylaw 14.5.4), is not eligible to compete during the segment that concludes with the NCAA championship at the certifying institution if the student-athlete has competed during that segment of the same academic year in that sport at the previous two-year institution. (Revised: 1/11/94, 1/13/03 effective 8/1/03)

14.5.4.5.7.1 Exception - Competition During the Nonchampionship Segment. A transfer student-athlete who competes during the nonchampionship segment where the contest(s) count toward championships selection criteria (e.g., golf, tennis) may be immediately eligible for competition during the segment that concludes with the NCAA championship at the certifying institution upon transfer during the same academic year. (Adopted: 5/3/21)

14.5.4.5.7.2 Alternate Playing Season. In the sports of baseball, golf and tennis, during the fall term, a student-athlete who participates in competition where the institution and/or conference declares the alternate playing season may not be immediately eligible for competition upon transfer to the certifying institution that does not declare the alternate playing season during the same academic year. (Adopted: 5/3/21)

14.5.4.6 Exceptions or Waivers for Transfer From Two-Year Colleges. A transfer student from a two-year college or from a branch school that conducts an intercollegiate athletics program is not subject to the residence requirement at the certifying institution, if any one of the following conditions is met. An individual who is a partial qualifier shall not be permitted to use the exceptions under this bylaw. (Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21.)

14.5.4.6.1 Discontinued/Nonsponsored Sport Exception. The student changed institutions in order to continue participation in a sport because the student’s original two-year college dropped the sport from its intercollegiate program (even though it may re-establish that sport on a club basis) or never sponsored the sport on the intercollegiate level while the student was in attendance at that institution, provided the student never attended any other collegiate institution that offered intercollegiate competition in that sport and the student earned at least a minimum 2.200 grade-point average (see Bylaw 14.5.4.5.3.2) at the two-year college. (Revised: 1/11/89, 1/10/90, 1/14/15 effective 8/1/16 for student-athletes initially enrolling in a Division II institution on or after 8/1/16)

14.5.4.6.1.1 Original Collegiate Institution. In applying this provision for an exception to the residence requirement, the original collegiate institution shall be the two-year college in which the student was enrolled immediately before the transfer to the certifying institution, provided that, if the student is transferring from a two-year college that never sponsored the sport on the intercollegiate level, the student never shall have attended any other collegiate institution that offered intercollegiate competition in that sport.

14.5.4.6.1.2 Application -- COVID-19 Season Cancellations. If the student’s original two-year college does not participate in competition during the 2020-21 academic year due to COVID-19, the student does not have access to this exception to be immediately eligible for competition upon transfer. (Adopted: 1/7/21 Immediate, for student-athletes transferring on or after January 7, 2021, except for those student-athletes who signed a written commitment prior to that date.)

14.5.4.6.2 Nonrecruited Student Exception. The student transfers to the certifying institution and the following conditions are met: (Revised: 1/10/89, 1/23/19 effective 8/1/19 for student-athletes enrolling in an NCAA Division II institution on or after August 1, 2019.)

(a) The student was not recruited per Bylaw 13.02.10.1 by the certifying institution;

(b) No athletically related financial assistance has been received by the student-athlete; and

(c) The student-athlete has not competed for any previous institution and has not participated in countable athletically related activities (see Bylaw 17.02.1) in intercollegiate athletics beyond a 14-consecutive-calendar-day period at any previous institution. The 14-consecutive-calendar-day period begins with the date on which the student-athlete first engages in any countable athletically related activity. (Revised: 1/11/04, 7/23/07)

14.5.4.6.3 Two-Year Nonparticipation or Minimal Participation Exception. The student transfers to the certifying institution from a two-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (countable athletically related activities), the student has not competed and has not participated in other countable athletically related activities (see Bylaw 17.02.1) in the involved sport beyond a 14-consecutive-calendar-day period, or has not participated in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. The 14-consecutive-calendar-day period begins with the date on which the student-athlete first engages in any countable athletically related activity. The two-year period does not include any
period of time before the student's initial collegiate enrollment. (Revised: 10/20/03, 1/10/05, 1/8/07 for any progress-toward-degree certification or transfer on or after 8/1/06)

14.5.4.6.4 Return to Original Institution Exception. The student returns to the four-year college from which they transferred to the two-year college, provided the student did not have an unfulfilled residence requirement at the time of the transfer from the four-year college. The amount of time originally spent in residence at the first four-year college may be used by the student in completing the unfulfilled residence requirement at that institution. The student must satisfy all progress-toward-degree requirements the student triggered during their previous enrollment at the certifying institution (e.g., annual credit-hour requirement) before being eligible for competition. (See Bylaw 14.5.4.5.6). (Adopted: 1/13/03 effective 8/1/03, Revised: 7/19/16, 11/27/19)

14.5.4.7 Waivers. The Academic Requirements Committee shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. (Adopted: 6/1/14 effective 7/1/14)

14.5.5 Four-Year College Transfers. An undergraduate transfer from a four-year institution is eligible for competition provided (See Bylaw 14.4.3.2.1 for progress-toward-degree requirements for transfer student-athletes.: (Revised: 4/4/07, 1/27/20 effective 8/1/20 August 1, 2020, for any four-year college student-athlete transferring during the 2020-21 academic year, and thereafter., 4/24/24)

(a) The transfer student did not practice or compete in intercollegiate athletics at their previous institution or the previous institution did not sponsor their sport, and they were in good academic standing at the time of transfer; or (Adopted: 4/24/24)

(b) The transfer student would have been academically and athletically eligible at their previous institution at the time of transfer, had they remained. (Adopted: 4/24/24)

14.5.5.1 Regaining Eligibility. An undergraduate transfer student from a four-year institution, who does not satisfy Bylaw 14.5.5, shall become eligible to compete at the certifying institution (see Bylaw 14.02.14) after the conclusion of the first full-time term of enrollment following transfer by meeting all applicable progress-toward-degree requirements (see Bylaw 14.4.). (Revised: 1/10/91 effective 8/1/91, 4/30/10, 4/24/24)

14.5.5.1.1 Attendance for One Academic Year. A transfer student from a four-year institution who attended a four-year institution at least one academic year shall be eligible for financial aid and practice at a Division II institution under the rules of the institution and the conference of which the institution is a member, regardless of the student’s qualification status (per Bylaw 14.3.1) at the time of initial enrollment.

14.5.5.1.2 Attendance for Less Than One Academic Year. A transfer student from a four-year institution who was a partial qualifier (as defined in Bylaw 14.02.13.2) and who attended the four-year institution less than one full academic year shall not be eligible for competition during the first academic year of attendance at the certifying institution. Participation in practice sessions and the receipt of financial aid during the first academic year of attendance at the certifying institution by such students is governed by the provisions of Bylaw 14.3.1.2 (partial qualifiers). (Revised: 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21.)

14.5.5.1.2.1 Attendance at Four-Year Institution for Less Than One Academic Year Following Transfer from a Two-Year Institution. A student-athlete who initially enrolls at a two-year college, transfers to another four-year institution and attends the four-year institution for less than one full academic year before transferring to a Division II institution (e.g., '2-4-4 transfer') is not eligible to use a four-year college transfer exception unless the student-athlete would have been immediately eligible for competition under the Division II two-year college regulations had the student-athlete transferred directly from the two-year college to the Division II institution. (Adopted: 7/19/16)

14.5.5.2 Subvarsity Competition. A transfer student from a four-year institution who was a qualifier shall be eligible to compete immediately at the subvarsity level only at the certifying institution before meeting the transfer eligibility requirements. Such subvarsity competition shall count as a season of competition in the sport involved. A transfer student from a four-year institution who was not a qualifier shall not be eligible to compete at the subvarsity level during the first academic year in residence at the certifying institution. (Revised: 1/9/96, 1/14/97, 1/15/21 effective 8/1/21 for student-athletes enrolling in a Division II institution on or after 8/1/21.)

14.5.5.3 Competition in Year of Transfer. A transfer student from a four-year institution, who satisfies the undergraduate four-year transfer requirements (see Bylaw 14.5.5), is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed during that segment of the same academic year in that sport at the previous four-year institution. Therefore, if the institution from which a student-athlete transfers declares separate segments of its playing and practice season, a student-athlete may compete during
14.5.5.3.1 Exception - Competition During the Nonchampionship Segment. A transfer student-athlete who competes during the nonchampionship segment where the contest(s) count toward championships selection criteria (e.g., golf, tennis) may be immediately eligible for competition during the segment that concludes with the NCAA championship at the certifying institution upon transfer during the same academic year. (Adopted: 5/3/21)

14.5.5.3.2 Alternate Playing Season. In the sports of baseball, golf and tennis, during the fall term, a student-athlete who participates in competition where the institution and/or conference declares the alternate playing season may not be immediately eligible for competition upon transfer to the certifying institution that does not declare the alternate playing season during the same academic year. (Adopted: 5/3/21)

14.7 Outside Competition, Effects on Eligibility. The eligibility of a student-athlete who engages in outside competition (see Bylaws 14.3.1.2.2 and 17.02.10) is affected as set forth in the following regulations. (Revised: 3/17/06)

14.7.1 Outside Competition, Sports Other Than Basketball. A student-athlete becomes ineligible for intercollegiate competition in their sport (other than basketball) if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, they compete or have competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution’s intercollegiate season in the sport (see Bylaw 14.7.5 for exceptions) until eligibility is restored by the Committee on Student-Athlete Reinstatement. (Revised: 1/16/93, 1/11/94, 4/11/06)

14.7.1.1 Recognized Foreign Exchange/Study Abroad Program. A student-athlete who participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution’s academic authorities shall not be subject to the outside competition legislation while participating in the program. (Adopted: 1/16/16 effective 8/1/16)

14.7.1.2 Additional Restriction -- Men’s and Women’s Wrestling. In men’s and women’s wrestling, a student-athlete may compete outside of the institution’s intercollegiate season as a member of an outside team in any noncollegiate, amateur competition, except during the period between the beginning of the institution’s academic year and November 1. The number of student-athletes from any one institution shall not exceed the applicable limits set forth in Bylaw 17.32.2. (Adopted: 1/15/11 effective 8/1/11, Revised: 1/27/20 effective 8/1/20)

14.7.1.3 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for purposes of Bylaw 14.7. (Adopted: 10/16/12, Revised: 5/1/15)

14.7.2 Outside Competition, Basketball. A student-athlete who participates in any organized basketball competition except while representing the institution in intercollegiate competition in accordance with the permissible playing season specified in Bylaw 17.4 becomes ineligible for any further intercollegiate competition in basketball (see Bylaw 14.7.5 for exceptions).

14.7.3 Additional Applications of Outside-Competition Regulations, Sports Other Than Basketball.

14.7.3.1 Eligibility Status. A student-athlete is considered to be a member of the institution’s team, and therefore bound by this regulation in that sport, if the student-athlete:

(a) Does not practice or compete but is receiving athletically related financial aid for the sport; or

(b) Is ineligible to compete but practiced with a squad or team in the sport; or

(c) Is eligible to compete but was not permitted to do so, other than taking part in practice sessions with the squad or team in the sport.

14.7.3.1.1 Exception. A student-athlete who fails to make the institution’s team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. (Adopted: 1/16/93)

14.7.3.2 Competition Between Seasons. If an institution conducts separate fall and spring practice or playing seasons in a sport, it is permissible for a student-athlete to participate in that sport on an outside team during the period between the two seasons without affecting their eligibility. (Revised: 1/10/91 effective 8/1/91, 1/16/93)

14.7.3.3 Postseason Competition. An institution’s intercollegiate season includes any scheduled participation in the conference championship in the sport in question but excludes the period between the last regularly scheduled competition and the NCAA championship in that sport.
14.7.3.4 Competition as Individual/Not Representing Institution. It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete’s sport, provided:
(Revised: 1/16/16 effective 8/1/16, 7/22/21)
(a) The student-athlete is academically and athletically eligible for intercollegiate competition; (Revised: 7/22/21)
(b) The student-athlete represents only themselves in the competition; (Revised: 7/22/21)
(c) The student-athlete does not engage in such competition as a member of or receive expenses from an outside team; (Revised: 7/22/21)

(1) Exception - Medical Services. A student-athlete competing as an individual may receive medical services from their institution’s medical personnel (e.g., athletic trainer, team physician) at a competition site. (Adopted: 1/26/19)
(d) The event is an “open” event. An “open” event is one in which the competition must be open to noncollegiate competitors and must be organized, publicized and operated as an event that is open to individuals other than collegiate competitors. (Adopted: 7/22/21)

14.7.3.4.1 No Competition Between Beginning of Academic Year and November 1 -- Men’s and Women’s Wrestling. In men’s and women’s wrestling, a student-athlete shall not participate in outside competition as an individual between the beginning of the institution’s academic year and November 1. (Adopted: 1/15/11 effective 8/1/11, Revised: 1/27/20 effective 8/1/20)

14.7.3.5 Exempt Teams. In the individual sports (see Bylaw 17.02.16.2), such units as "pro-am" golf teams, doubles tennis teams, and relay teams in track and field are not considered to be outside teams for purposes of this legislation.

14.7.4 Additional Applications of Outside-Competition Regulations, Basketball.

14.7.4.1 Organized Basketball Competition. Outside basketball competition, including competition involving teams with fewer than five players, shall be considered "organized" if any one of the following conditions exists:

(a) Teams are regularly formed, or team rosters are predetermined;
(b) Competition is scheduled and publicized in advance;
(c) Official score is kept;
(d) Individual or team standings are maintained;
(e) Official timer or game officials are used;
(f) Team uniforms are used;
(g) Admission is charged;
(h) A team is privately or commercially sponsored; or
(i) Competition is either directly or indirectly sponsored, promoted or administered by an individual, an organization or any other agency.

14.7.4.2 Individual Subject to Outside-Competition Regulations. Once a student-athlete becomes a candidate for the institution’s basketball team (i.e., has reported for the squad), or if the student was recruited by a member institution in part for basketball ability and enrolls in the institution, this prohibition against outside organized basketball competition remains applicable until the student-athlete's intercollegiate basketball eligibility has been exhausted. This includes time while the student is officially withdrawn from college, regaining eligibility following transfer to another college, awaiting transfer or enrolled in a nonmember collegiate institution. (Revised: 4/24/24)

14.7.4.3 Nonrecruited, Nonparticipant. Participation by a student-athlete in organized basketball competition while enrolled in a member institution and having participated in a sport other than basketball would not jeopardize the student’s eligibility in basketball, if the individual had not been recruited in basketball and had not participated on or been a candidate for the institution’s intercollegiate basketball team.

14.7.5 Exceptions to Outside-Competition Regulations. The following exceptions to the outside-competition regulations are permitted.

14.7.5.1 In All Sports:

(a) High School Alumni Game. A student-athlete may compete in one game a year involving players from the student-athlete’s former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution’s academic year.

(b) Olympic or Paralympic Games. A student-athlete may participate in the official Olympic or Paralympic Games, in final tryouts that directly qualify competitors for the Olympic or Paralympic Games and in officially recognized
competition directly qualifying participants for final Olympic or Paralympic Games tryouts. (Revised: 1/14/97 effective 8/1/97, 1/22/20 effective 8/1/20)

(c) **Official Pan American or Parapan American Games Tryouts and Competition.** A student-athlete may participate in official Pan American or Parapan American Games tryouts and competition, including junior-level tryouts and competition. *(Adopted: 1/14/97 effective 8/1/97, Revised: 10/17/06, 1/22/20 effective 8/1/20)*

(d) **U.S. National Teams.** A student-athlete may participate in official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for the student-athletes representing another nation, the equivalent organization of that nation or, for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization of that sport). *(Adopted: 1/14/97 effective 8/1/97, Revised: 1/22/20 effective 8/1/20)*

(a) It is designated by the U.S. Olympic and Paralympic Committee, national governing body or other organization recognized by the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization in that sport); *(Revised: 5/10/13, 1/22/20 effective 8/1/20)*

(b) Selection for such a team is made on a national qualification basis either through a defined selective process or actual tryouts, publicly announced; and

(c) The international competition in question requires that the entries officially represent their respective nations, although it is not necessary to require team scoring by nation.

**14.7.6 Collegiate All-Star Contests.** A student-athlete who competes as a member of a squad in any college all-star contest shall be denied further intercollegiate eligibility in that sport.

**14.8 Additional Waivers for Eligibility Requirements.** Conditions under which exceptions are permitted or waivers may be granted to specific eligibility requirements in this bylaw are noted in other sections of this bylaw. Other than these, there shall be no waiver by the Association of any of the provisions of this bylaw except as follows.

**14.8.1 Management Council Waivers.** The Management Council, by a two-thirds majority of its members present and voting, may waive specific provisions of this bylaw as follows.

(a) For student-athletes in times of national emergency;

(b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, the Management Council shall grant no waiver that permits a student-athlete to compete in more than four seasons of intercollegiate competition. Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after
completion of the requirements for the degree. The Management Council shall include a report of each such exception in its annual report to the Convention; and
(c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

14.9 Post-Enrollment Academic Misconduct. (Adopted: 1/21/17 effective 8/1/17)

(a) Have written institutional policies and procedures regarding academic misconduct applicable to the general student-body, including student-athletes. The policies and procedures must be approved through the institution’s normal process for approving such policies and must be kept on file or be accessible on the institution’s website.
(b) Investigate and adjudicate alleged academic misconduct in accordance with established policies regardless of whether the misconduct is reported to the NCAA or whether the student-athlete acted alone or in concert with others.

14.9.1.1 Exception. An institution may establish a policy that permits an expedited investigation and adjudication of academic misconduct by a student-athlete, provided other applicable policies and procedures are observed and the policy for expedited review is approved through the institution’s normal process for approving such policies and is approved by the institution’s president or chancellor (or their designee). Further, the policy that permits an expedited review must be kept on file or be accessible on the institution’s website. (Adopted: 1/21/17 effective 8/1/17)

14.9.2 Post-Enrollment Academic Misconduct. (Adopted: 1/21/17 effective 8/1/17)

14.9.2.1 Student-Athlete. A student-athlete shall not be involved in: (Adopted: 1/21/17 effective 8/1/17)

(a) Academic misconduct involving a current or former institutional staff member or representative of athletics interests;
(b) Academic misconduct, without the involvement of a current or former institutional staff member or representative of athletics interests, that results in:
   (1) An erroneous declaration of eligibility to participate in intercollegiate athletics and the student-athlete subsequently competes for the institution while ineligible;
   (2) An erroneous declaration of eligibility to receive financial aid and the student-athlete subsequently receives financial aid while ineligible; or
(c) Academic misconduct involving the alteration or falsification of a student-athlete’s transcript or academic record.

14.9.2.2 Institutional Staff Member or Representative of Athletics Interests. A current or former institutional staff member or a representative of an institution’s athletics interests shall not be involved (with or without knowledge of the student-athlete) in: (Adopted: 1/21/17 effective 8/1/17)

(a) Academic misconduct related to a student-athlete; or
(b) The alteration or falsification of a student-athlete’s transcript or academic record.

14.9.2.3 Impermissible Academic Assistance -- Institutional Staff Member or Representative of Athletics Interests. A current or former institutional staff member or a representative of an institution’s athletics interests shall not provide impermissible academic assistance to a student-athlete (see Bylaw 14.02.8). (Adopted: 1/21/17 effective 8/1/17)

14.9.2.3.1 Application. If an institution determines, pursuant to its policies and procedures, that academic misconduct has occurred, a violation of Bylaw 14.9.2.3 shall not be cited by the institution or through an enforcement investigation. If an institution determines, pursuant to its policies and procedures, that academic misconduct has not occurred, the conduct in question may still constitute a violation of Bylaw 14.9.2.3. (Adopted: 1/21/17 effective 8/1/17)

14.10 U.S. Service Academies, Special Eligibility Provisions.

14.10.1 10-Semester/15-Quarter Rule. The Committee on Student-Athlete Reinstatement may approve waivers to the 10-semester/15-quarter rule (see Bylaw 14.2) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. (Revised: 1/13/03 effective 8/1/03)

14.10.2 Transfer Status. A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the four national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5.

14.11 Certification of Eligibility.
14.11.1 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution’s student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution’s staff to administer proper certification of eligibility. Certification of eligibility must occur prior to allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). A violation of this bylaw in which the institution fails to certify a student-athlete’s eligibility prior to allowing them to represent the institution in intercollegiate competition shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility, provided all the necessary information to certify the student-athlete’s eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. (Revised: 1/14/02, 10/3/05, 10/23/07)

14.11.2 Eligibility List Form. The institution’s athletics director shall compile on a form approved by the Management Council a list of the squad members in each sport on the first day of competition and shall indicate thereon the status of each member in the designated categories. A student-athlete’s name must be on the official institutional form in order for the student to be eligible to represent the institution in intercollegiate competition. Violations of this bylaw do not affect a student-athlete’s eligibility, if the violation occurred due to an institutional administrative error or oversight, and the student-athlete is added to the form once the omission is realized; however, the violation shall be considered an institutional violation per Bylaw 7.01.9. (Revised: 1/14/97, 7/24/12 effective 8/1/13)

14.11.2.1 Eligibility List. The following procedures shall be used for the eligibility list: (Adopted: 7/24/12 effective 8/1/13)

(a) The forms shall be kept on file in the office of the athletics director, and such file shall be available for examination on request by an authorized representative of another member institution, the NCAA, and, if the institution is a member of a conference, an authorized representative of the conference;

(b) Any student-athlete who is included on the eligibility list must have signed a drug-testing consent form per Bylaw 14.1.4; (Revised: 4/16/19)

(c) A supplementary form may be filed to add names of persons not initially on the eligibility list or to indicate a change of status;

(d) A student-athlete’s name must be on the official institutional form to qualify to represent the institution in intercollegiate athletics; and

(e) The athletics director and head coach in the sport in which the student-athletes participate shall sign the eligibility list for that particular sport.

14.12 Ineligibility.

14.12.1 Obligation of Member Institution to Withhold Student-Athlete From Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility as provided in Bylaw 14.13, if it concludes that the circumstances warrant restoration.

14.12.1.1 Application of Ineligibility Ruling Pending Appeal. Once an interpretation (per Bylaw 9.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Bylaw 9.4.1.2.1.1.1 or Bylaw 9.4.1.2.1.2) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership. (Revised: 5/11/09)

14.12.1.2 Payment of Legal Fees During Appeal. A member institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete’s eligibility to participate in intercollegiate athletics, provided the prospective student-athlete either has signed a National Letter of Intent with the institution or (if the institution is not a subscribing member of the National Letter of Intent program) the prospective student-athlete has been accepted for enrollment by the institution and has provided written confirmation of their intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletic interests).

14.12.2 Ineligible Participation.

14.12.2.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport, if they participate in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility, if it concludes that the circumstances warrant restoration (see Bylaw 14.13).
### 14.12.2.2 Restitution

If a student-athlete who is ineligible under the terms of the bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Management Council may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions: *(Adopted: 10/18/22 effective 8/1/23)*

(a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken; *(Adopted: 10/18/22 effective 8/1/23)*

(b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken; *(Adopted: 10/18/22 effective 8/1/23)*

(c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions; *(Adopted: 10/18/22 effective 8/1/23)*

(d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same; *(Adopted: 10/18/22 effective 8/1/23)*

(e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same; *(Adopted: 10/18/22 effective 8/1/23)*

(f) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated; *(Adopted: 10/18/22 effective 8/1/23)*

(g) Require that the institution shall remit to the NCAA the institution’s share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in the contest(s) selected for such telecast, or if the Management Council concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast; any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and *(Adopted: 10/18/22 effective 8/1/23)*

(h) Require that the institution that has been represented in an NCAA championship by such a student-athlete be assessed a financial penalty as determined by the appropriate divisional Committee on Infractions in that division. *(Adopted: 10/18/22 effective 8/1/23)*

### 14.13 Restoration of Eligibility

**14.13.1 Basis for Appeal.** When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student’s eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

**14.13.2 Participation in Appeal Hearing.** Any appeal to restore a student-athlete’s eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men’s or women’s program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. *(Revised: 1/11/94, 10/3/05)*

**14.13.3 Student Responsibility, Relationship to Restoration of Eligibility.** A student-athlete is responsible for their involvement in a secondary or major violation of NCAA regulations (as defined in Bylaws 19.1.1 and 19.1.2), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons.

**14.13.4 Protest of Eligibility Status.** If a student-athlete has been certified by the institution as eligible to compete in an NCAA championship and the student-athlete’s eligibility is protested or a protest is filed, the student-athlete shall not be withheld nor shall the Committee on Student-Athlete Reinstatement rule on such a protest received during the period beginning 24 hours before the event and ending with the conclusion of the event. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship. *(Adopted: 7/18/23 effective 8/1/23)*

Financial Aid

15.01 General Principles.

15.01.1 Institutional Financial Aid Permitted. A student-athlete may receive scholarships or educational grants-in-aid administered by (see Bylaw 15.02.1) an educational institution that do not conflict with the governing legislation of this Association, only when the student-athlete attends that institution, except when otherwise authorized by NCAA legislation. (See Bylaws 16.3, 16.4 and 16.12.)

15.01.1.1 Exception to Attend Another Institution. A student-athlete who receives a progress-toward-degree waiver of the full-time enrollment requirement (see Bylaw 14.1.7) to attend another institution (e.g., medical school, nursing program) may receive institutional financial aid. (Adopted: 4/14/17)

15.01.2 Improper Financial Aid. Any student-athlete who receives financial aid other than that permitted by the Association shall not be eligible for intercollegiate athletics.

15.01.3 Financial Aid Not Administered by Institution. Any student who receives financial aid other than that administered by the student-athlete’s institution shall not be eligible for intercollegiate athletics competition, unless it is specifically approved under the Association’s rules of amateurism (see Bylaw 12) or the aid is received from a permissible outside source, under the conditions listed in Bylaw 15.2.2. (Revised: 1/14/12 effective 8/1/12, 4/14/15 effective 8/1/15)

15.01.4 Contributions by Donor. An individual may contribute funds to finance a scholarship or grant-in-aid for a particular sport, but the decision as to how such funds are to be allocated in the sport shall rest exclusively with the institution. It is not permissible for a donor to contribute funds to finance a scholarship or grant-in-aid for a particular student-athlete.

15.01.5 Sport-by-Sport Financial Aid Limitations. A membership division may establish limitations on the number of financial aid awards a member institution may provide to countable student-athletes (counters) (see Bylaw 15.4.2). (Revised: 4/14/15 effective 8/1/15)

15.02 Definitions and Applications.

15.02.1 Administered By. Financial aid is administered by an institution, if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

15.02.2 Athletics Aid. Athletics aid is financial aid awarded by the institution’s athletics department or institutional financial aid that requires the recipient to participate in intercollegiate athletics. (Adopted: 1/21/17 effective 8/1/18, Revised: 2/20/18 effective 8/1/18)

15.02.3 Cost of Attendance. The "cost of attendance" is an amount calculated by an institutional financial aid office, using federal regulations, that includes the total cost of tuition and fees, food and housing, books and supplies, transportation, and other expenses related to attendance at the institution. (Adopted: 1/11/94, Revised: 10/26/23)

15.02.3.1 Calculation of Cost of Attendance. An institution must calculate the cost of attendance for student-athletes in accordance with the cost-of-attendance policies and procedures that are used for students in general. Accordingly, if an institution’s policy allows for students’ direct and indirect costs (e.g., tuition, fees, food and housing, books, supplies, transportation, child care, cost related to a disability and miscellaneous personal expenses) to be adjusted on an individual basis from the institution’s standard cost figure, it is permissible to make the same adjustment for student-athletes, provided the adjustment is documented and is available on an equitable basis to all students with similar circumstances who request an adjustment. (Adopted: 1/11/94, Revised: 10/26/23)

15.02.4 Counter. A "counter" is an individual who is receiving institutional athletics aid. (Revised: 4/14/15, 6/15/16, 1/21/17 effective 8/1/18)

15.02.5 Financial Aid. "Financial aid" is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. As used in NCAA legislation, "financial aid" includes all institutional financial aid and other permissible financial aid as set forth below (see Bylaws 16.3, 16.4 and 16.12).

15.02.6 Full Grant-in-Aid. A full grant-in-aid is financial aid that consists of tuition and fees, food and housing, required course-related books and required course-related supplies. (Revised: 10/26/23)

15.02.7 Period of Award. The period of award begins when the student-athlete receives any benefits as part of the student-athlete’s grant-in-aid on the first day of classes for a particular academic term, or the first day of practice, whichever is earlier,
until the conclusion of the period set forth in the financial aid agreement. An athletics grant-in-aid shall neither be awarded in excess of one academic year nor for a period less than one academic year. (See Bylaw 15.5.3.1.1 for exceptions.) (Adopted: 10/20/03, Revised: 1/21/17 effective 8/1/18, 4/26/18)

15.1 Eligibility for Athletics Aid. (Revised: 1/21/17 effective 8/1/18)

15.1.1 Eligibility of Student-Athletes for Athletics Aid. A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for athletics aid. A student-athlete may be awarded athletics aid during any term in which a student-athlete is in regular attendance (i.e., was enrolled initially in a minimum full-time program of studies as defined by the certifying institution during that term). If these regulations are met, the student-athlete may be granted athletics aid for a maximum of 10 semesters/15 quarters. Any institutional financial aid provided after 10 semesters/15 quarters is left to the discretion of the institution consistent with institutional policies for awarding financial aid in general. (Revised: 1/21/17 effective 8/1/18, 1/3/20 effective 8/1/20, for any four-year college student-athlete transferring during the 2020-21 academic year, and thereafter.)

15.1.1.1 Exception -- Final Semester/Quarter. A student-athlete may receive athletically related financial aid while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of their baccalaureate degree program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements. (Revised: 4/14/15 effective 8/1/15)

15.1.1.2 Withdrawal From Institution. A student-athlete who withdraws from the institution may not receive athletics aid during the remainder of the term. (Revised: 1/21/17 effective 8/1/18)

15.1.1.3 Retroactive Athletics Aid. Athletics aid awarded to an enrolled student-athlete after the first day of classes in any term may not exceed the remaining food and housing charges and educational expenses for that term and may not be made retroactive to the beginning of that term. Payments credited to a student-athlete’s account that are not refundable need not become the student’s obligation. (Revised: 1/21/17 effective 8/1/18, 10/26/23)

15.1.1.4 Athletics Aid to Professional Athlete. An institution may not award athletics aid to a student-athlete who is under contract to or currently receiving compensation from a professional sports organization in the sport in which the student-athlete will participate at the certifying institution. It is permissible to award athletics aid to a student-athlete provided the student-athlete is not a professional in the sport in which the student-athlete will participate at the certifying institution. However, a student-athlete who currently is receiving athletics aid and signs a contract in the same sport or receives compensation from an agent or a professional sports organization may continue to receive such aid for the remainder of the term of the award, provided the student-athlete has completed their four seasons of competition. (Revised: 1/12/99, 1/8/01, 1/13/03, 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

15.1.1.4.1 Exception for Former Professional Athlete. A former professional athlete may receive athletics aid, provided the following conditions are met: (Revised: 1/21/17 effective 8/1/18)

(a) The student-athlete no longer is involved in professional athletics;
(b) The student-athlete is not receiving any remuneration from a professional sports organization; and
(c) The student-athlete has no active contractual relationship with any professional athletics team, although the student-athlete may remain bound by an option clause (i.e., a clause in the contract that requires assignment to a particular team, if the student-athlete’s professional athletics career is resumed).

15.1.1.4.1.1 Later Professional Involvement. If the student-athlete later becomes involved in professional athletics while still a student-athlete with eligibility remaining, the individual would be considered to have violated the principles of ethical conduct per Bylaw 10, thus rendering the individual ineligible for intercollegiate competition.

15.1.2 Effect of Violation of Conference Rule. A violation of Bylaw 15.1.1 that relates only to a conference rule shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility. (Adopted: 4/4/07, Revised: 4/14/15 effective 8/1/15)

15.2 Permissible Sources of Financial Aid.

15.2.1 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid: (Revised: 1/12/04 effective 8/1/04, 1/14/12 effective 8/1/12)

(a) All funds administered by the institution, which include but are not limited to the following: (Revised: 1/11/94 effective 8/1/94, 1/14/97 effective 8/1/97, 1/8/01 effective 8/1/01)

(1) Scholarships;
(2) Grants;
(3) Athletics aid; (Adopted: 4/14/15 effective 8/1/15)

(4) Tuition waivers; and (Revised: 1/8/01 effective 8/1/01, 1/21/17 effective 8/1/18)

(5) Loans that are based upon a regular repayment schedule, available to all students and administered on the same basis for all students. (Revised: 1/21/17 effective 8/1/18)

(b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

15.2.1.1 Summer and Voluntary Winter Term Athletics Aid. Summer or winter term (e.g., optional J-term, miniterm, intercession, wintermester) athletics aid may be awarded only to attend the awarding institution’s summer term(s), summer school, summer-orientation program or winter term, in accordance with institutional policy. (Revised: 1/10/90, 1/8/01 effective 8/1/01, 7/28/15, 1/21/17 effective 8/1/18)

15.2.1.1.1 Before Initial Full-Time Enrollment at the Certifying Institution. Summer athletics aid may be awarded to a student-athlete to attend an institution in the summer before the student’s initial full-time enrollment at the certifying institution. A midyear enrollee may be awarded athletics aid to attend a voluntary winter term before the student’s initial full-time enrollment at the certifying institution. (Adopted: 4/2/09, Revised: 7/28/15, 1/21/17 effective 8/1/18)

15.2.1.1.2 Summer or Voluntary Winter Term Athletics Aid to Two-Year College Transfer Student. Summer or voluntary winter term athletics aid may only be awarded to a two-year college transfer student who has fulfilled the two-year college transfer requirement at the time of enrollment at the awarding institution for the summer or voluntary winter term(s) (see Bylaw 14.5.4). (Adopted: 4/17/07, Revised: 7/28/15, 1/21/17 effective 8/1/18)

15.2.2 Financial Aid From Outside Sources.

15.2.2.1 Relatives and Legal Guardians. A student-athlete may receive financial aid from a relative or legal guardian. (Revised: 7/17/18)

15.2.2.1.1 Prepaid College Tuition Plans. Tuition funds from a state-sponsored or private prepaid college tuition plan, purchased by an immediate family member or legal guardian and paid to an institution on behalf of a student-athlete, are considered to be aid from a relative or legal guardian (see Bylaw 15.2.2.1). (Revised: 1/12/04, 4/14/15 effective 8/1/15)

15.2.2.2 No Relationship to Athletics Ability. A student-athlete may receive financial aid awarded solely on bases having no relationship to athletics ability.

15.2.2.3 Financial Aid From an Established and Continuing Program. A student-athlete may receive financial aid through an established and continuing program to aid students even if such aid is related to athletics ability, provided: (Adopted: 1/14/12 effective 8/1/12, Revised: 4/14/15 effective 8/1/15)

(a) The recipient’s choice of institutions is not restricted by the donor of the aid; and

(b) There is no direct connection between the donor and the student-athlete’s institution.

15.2.2.4 Educational Expenses -- U.S. Olympic and Paralympic Committee or U.S. National Governing Body. A student-athlete may receive educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organizations of a foreign country). The amount of the financial assistance shall be subject to the following limitations: (Adopted: 1/10/95 effective 8/1/95, Revised: 1/13/98 effective 8/1/98, 1/14/02, 1/22/20 effective 8/1/20)

(a) Disbursement of the aid shall be through the member institution for the recipient’s educational expenses while attending that institution;

(b) The recipient’s choice of institutions shall not be restricted by the U.S. Olympic and Paralympic Committee, a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country); and (Revised: 1/14/02, 1/22/20 effective 8/1/20)

(c) The value of the award alone or in combination with athletics aid provided by the institution shall not exceed the value of a full grant-in-aid. (Revised: 1/21/17 effective 8/1/18)

15.2.2.4.1 Operation Gold Grant. Funds administered by the U.S. Olympic and Paralympic Committee pursuant to its Operation Gold Grant Program shall not be included when determining the permissible amount of a full grant-in-aid for a student-athlete. (Adopted: 1/21/17 effective 8/1/18, Revised: 1/22/20 effective 8/1/20)

15.2.2.5 Educational Expenses -- Professional Team or League. A former professional athlete may receive educational expenses from a professional team or league, provided the following conditions are met: (Adopted: 1/13/03 effective 8/1/03)
(a) The student-athlete no longer is involved in professional athletics;
(b) The student-athlete is not receiving any remuneration from a professional sports organization;
(c) The student-athlete does not have an active contractual relationship with any professional athletics team, although the student-athlete may remain bound by an option clause (i.e., a clause in the contract that requires assignment to a particular team, if the student-athlete’s professional athletics career is resumed);
(d) Disbursement of the aid shall be through the member institution for the recipient’s educational expenses while attending that institution; and

(e) The value of the award alone or in combination with athletics aid provided by the institution shall not exceed the value of a full grant-in-aid. (Revised: 1/21/17 effective 8/1/18)

15.2.3 Employment. Earnings from a student-athlete’s on- or off-campus employment that occurs at any time is exempt and is not included when determining a student-athlete’s full grant-in-aid or the institution’s financial aid limitations, provided:
(Revised: 1/12/04 effective 8/1/04)
(a) The compensation is only for work actually performed; (Revised: 4/29/04 effective 8/1/04)
(b) The compensation is at a rate commensurate with the going rate of that locality for similar services; and (Revised: 4/29/04 effective 8/1/04)
(c) In instances where the student-athlete does not have a contract or agreement (oral or written) for name, image and likeness activities, the employer shall not use the athletics reputation of a student-athlete employee to promote the sale of the employer’s products or services. (See Bylaw 12.4.) (Revised: 4/29/04 effective 8/1/04, 10/18/22)

15.3 Maximum Limit on Financial Aid -- Individual. An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution. A student-athlete shall not be eligible to participate in intercollegiate athletics, if they receive athletics aid that exceeds the value of a full grant-in-aid as defined in Bylaw 15.02.6. A student-athlete may receive athletics aid and educational expenses awarded per Bylaws 15.2.2.4 and 15.2.2.5 up to the value of a full grant-in-aid, plus any other institutional financial aid up to the cost of attendance. (See Bylaws 16.3, 16.4 and 16.12.) (Revised: 4/30/10, 1/14/12 effective 8/1/12, 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

15.3.1 Exception for Pell Grant. A student-athlete who receives a Pell Grant may receive financial aid equivalent to the value of a full grant-in-aid plus the Pell Grant, subject to federal financial aid regulations. (Adopted: 4/19/16, Revised: 5/15/17)

15.3.2 Elements of Athletics Aid. (Revised: 1/21/17 effective 8/1/18)

15.3.2.1 Tuition and Fees. An institution may provide a student-athlete athletics aid that includes the actual cost of tuition and required institutional fees. (Revised: 1/21/17 effective 8/1/18)

15.3.2.1.1 Permissible Fees. A student-athlete may be awarded athletics aid that covers the payment of fees for a course in which the student-athlete is enrolled, if the course is part of the institution’s regular curriculum (included in the institution’s catalog of classes), and the institution pays these same fees for other students enrolled in the course who receive fees as a part of a grant-in-aid or scholarship. (Revised: 1/21/17 effective 8/1/18)

15.3.2.1.2 Optional Fees. An institution may not pay fees for services offered on an optional basis to the student body in general. (Revised: 12/4/13)

15.3.2.1.3 Noninstitutional Fees and Expenses. Fees paid by an institution are confined to required institutional fees and do not include noninstitutional fees or expenses (e.g., the cost of typing reports for student-athletes).

15.3.2.2 Food and Housing. An institution may provide a student-athlete athletics aid that includes the cost of housing based on the official allowance for housing as listed in the institution’s official publication (e.g., catalog) and a food allowance that consists of three meals per day, even if the institution’s maximum permissible award allowance for all students represents a lesser cost figure. (Revised: 1/11/00 effective 8/1/00, 1/21/17 effective 8/1/18, 10/26/23)

15.3.2.2.1 Off-Campus Food and Housing Stipend. If a student-athlete lives and eats in noninstitutional facilities, the institution may pay the student-athlete an amount equal to the institution’s official on-campus housing allowance as listed in its catalog, the average of the housing costs of all of its students living on campus or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students. The institution also may pay the student-athlete an amount that is equivalent to an on-campus 7-day or 21-meal plan or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students. (Revised: 1/10/92, 4/15/98, 1/11/00 effective 8/1/00, 7/24/07, 7/23/19, 10/26/23)
**15.3.2.2.1.1 Determination of Off-Campus Housing Costs.** An institution with several official on-campus housing rates listed in its catalog may use the average of the housing cost for all students living on campus (based on a weighted average for all students who reside on-campus facilities) or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students. (Revised: 1/12/99, 7/24/07, 10/26/23)

**15.3.2.2.1.2 Determination of Off-Campus Food Costs.** An institution with several on-campus food plans (e.g., 5-day, 7-day, 14-meal, 17-meal or 21-meal plans) may provide a student-athlete living in noninstitutional facilities with the equivalent of a 7-day or 21-meal plan at that institution or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students. (Adopted: 1/10/92, Revised: 1/12/99, 11/1/00 effective 8/1/00, 7/24/07, 10/26/23)

**15.3.2.2.1.3 Institution With No On-Campus Food and Housing Facilities.** If an institution does not provide an official dollar amount for food and housing in its catalog and does not have on-campus student food and housing facilities, the figure provided to student-athletes for off-campus food and housing shall be the amount determined by the institution's office of financial aid as being commensurate with the average cost a student at that institution normally would incur for eating and living in off-campus facilities. (Adopted: 1/12/99, Revised: 10/26/23)

**15.3.2.2.1.4 Married Student Housing.** Married student-athletes who live in noninstitutional housing are permitted to receive the same food and housing allowance that is provided to married students with on-campus housing. If the institution does not provide on-campus food and housing facilities for married students but has other on-campus dormitory facilities, it must use the provisions of Bylaw 15.3.2.2.1 in determining the amount of food and housing expenses a married student-athlete who lives in noninstitutional facilities may receive. (Adopted: 1/10/92, Revised: 4/14/15 effective 8/1/15, 10/26/23)

**15.3.2.2.1.5 Cost-Free Apartment.** It is permissible for the institution to arrange for a cost-free, off-campus apartment rather than to give a student-athlete an amount equal to the institution’s official housing allowance (as listed in its catalog) or the cost of housing as calculated based on its policies and procedures for calculating the cost of attendance for all students, provided the apartment is not rented by the institution at a reduced rate. However, if the actual rental rate is more than the institutional housing allowance, the student-athlete shall pay the additional amount from the student-athlete’s own resources. (Revised: 7/24/07, 10/26/23)

**15.3.2.2.1.6 Meals and Snacks Incidental to Participation.** The cost of meals and snacks provided as benefits incidental to participation in intercollegiate athletics need not be deducted from a student-athlete’s food allowance. Such meals and snacks also may be received by a student-athlete who is not receiving athletics aid as a benefit incidental to athletics participation [see Bylaw 16.5.1-(c)]. (Revised: 1/17/15 effective 8/1/15, 1/21/17 effective 8/1/18, 10/26/23)

**15.3.2.2.2 Material Housing Benefit.** An institution may not provide a benefit connected with on-campus or off-campus student-athletes' housing (e.g., individual television sets or stereo equipment, specialized recreational facilities, housing furnishings or appointments of extra quality or quantity) that is not available on the same basis in the housing provided to at least one-half of the other members of the student body who use on-campus housing facilities. Further, these material benefits shall be available for such students in approximately the same ratio as such benefits are available for student-athletes. Otherwise, dormitories with exclusive material housing benefits may not be used by student-athletes. (Revised: 10/26/23)

**15.3.2.2.3 Facility Designated by Institution.** It is permissible for the institution to require a grant-in-aid recipient to obtain food and housing in a facility designated by the institution, provided the requirement is contained in the written statement outlining the amount, duration, conditions and terms of the financial aid agreement (see Bylaw 15.5.2.3). (Revised: 4/14/15 effective 8/1/15, 10/26/23)

**15.3.2.2.4 Summer Dormitory Rentals.** An institution may rent dormitory space to a prospective or enrolled student-athlete during the summer months at the regular institutional rate, if it is the institution’s policy to make such dormitory space available on the same basis to all prospective or enrolled students.

**15.3.2.2.5 Sunday Evening Meals.** If the regular eating facility used by a student-athlete who is receiving an award that covers the cost of meals is not available for a given meal (e.g., Sunday evening meal), the institution may provide actual expenses to cover the cost of the meal, provided the meal is similar to those served at the university’s regular dining facilities and is not excessive in nature.

**15.3.2.2.3 Books and Supplies.** An institution may provide a student-athlete athletics aid that covers the actual cost of required course-related books and course-related supplies. [R] (Revised: 1/8/01 effective 8/1/01, 1/21/17 effective 8/1/18)
15.3.2.3.1 **Dollar Limit.** There is no dollar limit for required books and supplies a student-athlete may receive, provided books and supplies are required for courses in which the student-athlete is enrolled. The institution may provide the student-athlete with cash to purchase books and supplies, as long as the amount of cash provided is equal to the actual cost of the books or supplies purchased. [R] (Revised: 6/22/11)

15.4 **Maximum Institutional Grant-In-Aid Limitations by Sport.**

15.4.1 **Counters.** A student-athlete who is receiving athletics aid shall be a counter and included in the maximum awards limitations set forth in this bylaw. (Revised: 1/16/93 effective 8/1/93, 1/11/94, 4/14/15, 6/15/16, 1/21/17 effective 8/1/18)

15.4.1.1 **Counter Who Becomes Injured or Ill.** A counter who becomes injured or ill to the point that the player apparently never again will be able to participate in intercollegiate athletics shall not be considered a counter beginning with the academic year after the incapacitating injury or illness.

15.4.1.1.1 **Incapacitating Injury or Illness.** If an incapacitating injury or illness occurs before a student-athlete’s participation in countable athletically related activities and results in the student-athlete’s inability to compete ever again, the student-athlete shall not be counted within the institution’s maximum financial aid awards limitations for the current academic term, and shall not be counted in following academic terms. However, if the incapacitating injury or illness occurs on or after the student-athlete’s participation in countable athletically related activities in the sport, the student-athlete shall be counted in the institution’s maximum financial aid limitations for the current academic year but shall not be counted in following academic terms. (Adopted: 1/10/91, Revised: 1/10/05)

15.4.1.1.2 **Change in Circumstances.** If circumstances change and the student-athlete later practices or competes at the institution at which the incapacitating injury or illness occurred, the student-athlete again shall become a counter, and the institution shall be required to count that financial aid under the limitations of this bylaw in the sport in question during each academic year in which the financial aid was received. (Revised: 1/13/03)

15.4.1.2 **Athletics Aid Not Renewed, Successful Appeal.** If an institution does not renew athletics aid for a counter in a following year, and a hearing before the institution’s regular financial aid authority results in a successful appeal for restoration of aid, the student-athlete shall continue to be a counter if the individual continues to receive athletics aid and participates in intercollegiate competition in their sport. (Revised: 4/14/15, 1/21/17 effective 8/1/18, 4/16/19)

15.4.1.3 **Eligibility Exhausted.** A student-athlete receiving athletics aid after having exhausted their eligibility in a sport is not a counter in that sport in future academic years after completion of eligibility in the sport. For this provision to be applicable, the student-athlete is otherwise eligible for the aid and is not permitted to take part in organized, institutional practice sessions in that sport, unless the individual has eligibility remaining under the 10-semester/15-quarter rule. (See Bylaw 15.1.1.) (Adopted: 1/10/91, Revised: 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

15.4.1.4 **Athletics Aid After Student-Athlete Becomes Permanently Ineligible.** A student-athlete receiving athletics aid after becoming permanently ineligible due to a violation of NCAA regulations (e.g., amateurism legislation) may receive athletics aid during the next academic year without counting in the institution’s financial aid limitations, provided the student-athlete is otherwise eligible for the aid and does not practice or compete in intercollegiate athletics at any time. If circumstances change and the student-athlete practices or competes after being certified permanently ineligible, the institution is required to count the athletics aid received by the student-athlete during each academic year in which the aid was received. (Adopted: 1/11/94, Revised: 1/21/17 effective 8/1/18)

15.4.1.5 **Summer-and Voluntary Winter Term Athletics Aid.** Athletics aid received during a summer or voluntary winter term is not countable in these limitations and does not make a student-athlete a counter. (Revised: 7/28/15, 1/21/17 effective 8/1/18)

15.4.1.6 **Offers Exceeding Maximum Allowable Awards.** An institution may offer more than the maximum number of permissible awards in a sport (per Bylaw 15.4.2) in anticipation that not all of the offers will be accepted, but the institution shall not exceed the awards limitation in the sport in question. (Revised: 4/14/15 effective 8/1/15)

15.4.1.7 **No Athletics Aid.** A student-athlete who does not receive athletics aid (as set forth in Bylaw 15.02.2) shall not be a counter. (Revised: 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

15.4.2 **Equivalency Sports.**

15.4.2.1 **Maximum Equivalency Limits. [+]**

15.4.2.1.1 **Men's Sports. [+]** There shall be a limit on the value (equivalency) of financial aid awards (per Bylaw 15.2.1) that an institution may provide in any academic year to counters in each men’s sport, as follows: (Revised: 1/10/92 effective 8/1/93, 8/1/00, 8/7/03, 1/8/07 effective 8/1/07, 4/14/15 effective 8/1/15)

### 15.4.2.1.3 Exception. [●]

In accordance with the provisions of Bylaw 7.8.2.2, an institution may exceed the maximum awards limitations in a sport in which only one NCAA championship is conducted. An institution that is reclassifying its athletics program to Division I or that is reclassifying a sport to Division I may exceed the Division II institutional grant-in-aid limitations up to the grant-in-aid limit permitted in Division I. *(Revised: 1/12/04, 8/1/07 effective 8/1/07)*

### 15.4.2.1.4 Maximum Equivalency Limits — Institutions That Sponsor Cross Country but Do Not Sponsor Track and Field. [●]

There shall be a limit on the value (equivalency) of financial aid awards (per Bylaw 15.2.1) that an institution may provide in any academic year to counters in women's cross country, if the institution does not sponsor indoor or outdoor track and field for men. There shall be a limit of six on the value (equivalency) of financial aid awards (per Bylaw 15.2.1) that an institution may provide in any academic year to counters in men's cross country, if the institution does not sponsor indoor or outdoor track and field for women. *(Adopted: 1/13/98 effective 8/1/00, Revised: 8/1/07 effective 8/1/07, 4/14/15 effective 8/1/15)*
15.4.2.2 Equivalency Computations. Equivalencies shall be computed as follows: (Revised: 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

(a) For each counter, the institution shall count all athletics aid (per Bylaw 15.02.2) received during that academic year for food and housing, tuition and fees, as well as books and required course-related supplies (which shall count for calculation purposes as $800 in the denominator and, if they are provided or their cost covered by the institution, as $800 in the numerator, regardless of the actual amount received). If a student-athlete is enrolled for less than a full academic year (e.g., one semester, one or two quarters) and receives any portion of a book allowance, the institution must use the amount in the numerator that is proportionate to the number of terms of enrollment ($400 for semester systems, $534 or $267 for quarter systems). (Revised: 1/9/96 effective 8/1/96, 10/17/06, 10/18/11 effective 8/1/12, 10/16/12 effective 8/1/13, 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18, 10/26/23)

(b) A fraction shall be created, with the amount received by the student-athlete as the numerator and the full grant-in-aid value for that student-athlete as the denominator based upon the actual cost or average cost of a full grant for all students at that institution. In addition, an institution may use either the actual or average amount received by a student-athlete as the numerator and either the actual or average amount of the full grant-in-aid value as the denominator. (Revised: 1/10/90, 1/9/06)

(c) The sum of all fractional and maximum awards received by counters shall not exceed the total limit for the sport in question for the academic year as a whole.

15.4.3 Multisport Participants. A counter who participates in two or more sports shall be counted in one or more sports as specified on the individual’s athletics aid agreement. (Revised: 1/8/01 effective 8/1/01, 1/14/02, 1/21/17 effective 8/1/18)

15.4.3.1 Sport Not Specified on Athletics Aid Agreement. An institution shall divide athletics aid equally among all sports in which the student-athlete participates in instances when the athletics aid agreement does not specify how such aid should be counted toward institutional limits. (Adopted: 1/14/02, Revised: 1/21/17 effective 8/1/18)

15.4.3.2 Volleyball -- Additional Requirements. In volleyball, a counter who participates (e.g., practices, competes) in volleyball and beach volleyball shall be counted toward institutional limits in volleyball. (Adopted: 1/16/10 effective 8/1/10, Revised: 5/1/15)

15.4.3.3 Requirement to Qualify as Multisport Athlete. To be considered a multisport athlete under this section, an individual must meet all of the following requirements: (Adopted: 1/8/01 effective 8/1/01)

(a) The individual shall report and participate fully in regularly organized practice with each squad;

(b) The individual shall participate where qualified in actual competition in each sport;

(c) The individual shall be a member of each squad for the entire playing and practice season; and

(d) If a recruited student-athlete, the individual shall have been earnestly recruited to participate in the sport in which athletics aid is counted (i.e., the institution recruiting the student-athlete shall have a reasonable basis to believe that the student-athlete is capable of participating in the institution’s varsity intercollegiate program in that sport, including documentation of a record of previous participation in organized competition in the sport that supports the student-athlete’s potential to participate in that sport in varsity intercollegiate competition). (Revised: 1/21/17 effective 8/1/18)

15.5 Terms and Conditions of Awarding Athletics Aid. (Revised: 1/21/17 effective 8/1/18)

15.5.1 Financial Aid Form. The institution’s athletics director shall compile on a form approved by the Management Council a list including individual and team equivalency information for each sport. The forms shall be kept on file in the office of the athletics director, and such file shall be available for examination at the end of the academic year on request by an authorized representative of another member institution, the NCAA, and, if the institution is a member of a conference, an authorized representative of the conference. (Adopted: 7/24/12 effective 8/1/13)

15.5.2 Terms of Athletics Aid Award.

15.5.2.1 Conformance to Institutional and Conference Regulations. Athletics aid awarded by an institution to a student-athlete shall conform to the rules and regulations of the awarding institution and of that institution’s conference(s), if any. A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility. (Revised: 4/4/07, 1/21/17 effective 8/1/18)

15.5.2.2 Physical Condition of Student-Athlete. Athletics aid awarded to a prospective student-athlete may not be conditioned on the recipient reporting in satisfactory physical condition. If a student-athlete has been accepted for admission and awarded athletics aid, the institution shall be committed for the term of the original award, even if the
student-athlete’s physical condition prevents them from participating in intercollegiate athletics. (Revised: 1/21/17 effective 8/1/18)

15.5.2.3 Written Statement Requirement. The institutional agency making an athletics aid award for a regular academic term or academic year shall give the recipient a written statement of the amount, duration, conditions and terms of the award. The chair of the regular committee or other agency for the awarding of financial aid to students generally, or the chair’s official designee, shall sign or electronically authorize (e.g., electronic signature) the written statement. The signature of the athletics director, attesting to the committee’s award, does not satisfy this requirement. (Revised: 1/10/05, 1/15/14, 1/21/17 effective 8/1/18)

15.5.2.4 Hearing Opportunity. The institution’s regular financial aid authority shall notify the student-athlete in writing, within 14 consecutive calendar days from the date the student-athlete has been notified of the decision to reduce or cancel athletics aid during the period of the award or the reduction or nonrenewal of athletics aid for the following academic year, of the opportunity for a hearing when athletics aid is reduced or canceled during the period of the award, or not renewed. The hearing shall be conducted by an institutional entity or committee outside of the athletics department (e.g., financial aid review committee, the office of student affairs, office of the dean of students or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The notification of the hearing opportunity shall include a copy of the institution’s established policies and procedures for conducting the required hearing, including the deadline by which a student-athlete must request the hearing. The institution shall conduct the hearing within 30 consecutive calendar days of receiving a student-athlete’s request for the hearing. (Adopted: 1/12/04, Revised: 1/8/07 effective 8/1/07, 1/14/08 effective 8/1/08, 10/21/14, 1/21/17 effective 8/1/18)

15.5.3 Period of Athletics Aid Award.

15.5.3.1 One-Year Period. Athletics aid shall neither be awarded in excess of one academic year nor for a period less than one academic year. The initial award of athletics aid in a given academic year shall be awarded in equal amounts for each term. (Revised: 1/21/17 effective 8/1/18, 7/18/17 effective 8/1/18)

15.5.3.1.1 Exceptions. An institution may award athletics aid to a student-athlete for a period of less than one academic year only under the following circumstances. (Adopted: 1/21/17 effective 8/1/18)

(a) Midyear Enrollment. A student-athlete whose first full-time attendance at the certifying institution during a particular academic year occurs at midyear (e.g., the beginning of the second semester or second or third quarter of an academic year) may receive a financial aid award for the remainder of that academic year. (Adopted: 1/21/17 effective 8/1/18)

(b) Final Semester/Quarter. A student-athlete may receive athletics aid for less than one academic year, provided the student is in the final semester or final two quarters of their degree program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements. (Adopted: 1/21/17 effective 8/1/18)

(c) Graduated During Previous Academic Year and Will Exhaust Eligibility During the Following Fall Term. A student-athlete who graduated during the previous academic year (including summer) and will exhaust their athletics eligibility during the following fall term may be awarded athletically related financial aid for less than one academic year. (Adopted: 1/21/17 effective 8/1/18)

(d) One-Time Exception. One time during a student-athlete’s enrollment at the certifying institution they may be awarded athletics aid for less than a full academic year, provided the student-athlete has been enrolled full time at the certifying institution for at least one regular academic term. (Adopted: 1/21/17 effective 8/1/18)

(e) Eligibility Exhausted/Medical Noncounter. A student-athlete who has exhausted eligibility and is exempt from counting (per Bylaw 15.4.1.3) in the institution’s financial aid limit, or a student-athlete who is exempt from counting (per Bylaw 15.4.1.1) due to an injury or illness may receive athletics aid for less than one academic year. If an institution awards aid under this provision, the institutional financial aid agreement shall include specific nonathletically related conditions (e.g., academic requirements) the student-athlete must satisfy in order for the aid to be renewed for the next academic term or terms. If the student-athlete satisfies the specified conditions, the institution shall award financial aid at the same amount for the next term or terms of the academic year. If the student-athlete does not satisfy the specified conditions, they must be provided a hearing opportunity per Bylaw 15.5.2.4. (Adopted: 1/21/17 effective 8/1/18)

15.5.3.1.2 Financial Aid Authority Precedent. A staff member may inform a prospective student-athlete that the athletics department will recommend to the financial aid authority that the prospective student-athlete’s athletics aid be renewed each year for a period of four years and may indicate that the authority always has followed the athletics
department’s recommendations in the past. However, the prospective student-athlete must be informed that the renewal will not be automatic. *(Revised: 1/21/17 effective 8/1/18)*

**15.5.3.1.3 Injury or Illness Policy.** It is not permissible for an institution to assure the prospective student-athlete that it automatically will continue an athletics aid award past the one-year period if the recipient sustains an injury that prevents them from competing in intercollegiate athletics, but an institutional representative may inform the prospective student-athlete of the regular institutional policy related to renewal or continuation of athletics aid past the one-year period for recipients who become ill or injured during their participation. *(Revised: 1/21/17 effective 8/1/18)*

**15.5.3.1.4 Effect of Violation.** A violation of this bylaw shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility. *(Adopted: 10/21/08)*

**15.5.3.2 Summer and Voluntary Winter Term.** An institution may award athletics aid for a summer term or summer-orientation period or voluntary winter term, provided the conditions of Bylaw 15.2.1.1 have been met. *(Revised: 4/14/15 effective 8/1/15, 7/28/15, 1/21/17 effective 8/1/18)*

**15.5.3.2.1 Summer and Voluntary Winter Term As Additional Award.** It is necessary to make an additional award for a summer or voluntary winter term, inasmuch as a member institution is limited to the award of athletics aid for a period not in excess of one academic year; however, an institution is not required to provide the recipient with a written statement of the amount, duration, conditions or terms of the award. *(Revised: 1/15/14, 7/28/15, 1/21/17 effective 8/1/18)*

**15.5.4 Reduction and Cancellation during Period of Award.**

**15.5.4.1 Reduction or Cancellation Permitted.** Athletics aid may be reduced or canceled during the period of the award, if the recipient: *(Revised: 1/11/94, 1/10/95)*

(a) Renders themselves ineligible for intercollegiate competition;

(b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.5.4.1.2); *(Revised: 4/14/15 effective 8/1/15)*

(c) Engages in serious misconduct warranting substantial disciplinary penalty (see Bylaw 15.5.4.1.3). *(Revised: 4/14/15 effective 8/1/15)*

(d) Voluntarily withdraws from a sport at any time for personal reasons; however, the recipient's athletics aid may not be awarded to another student-athlete in the term in which the aid was reduced or canceled. Further, if the athletics aid is canceled before a regular academic term (e.g., preseason practice period), the aid may not be provided to another student-athlete during the ensuing academic term; or *(Revised: 1/10/92, 1/11/94, 1/10/95, 1/9/96, 11/12/04, 1/21/17 effective 8/1/18, 8/21/20) Immediate (applies retroactively), for any athletics aid agreements signed for the 2020-21 academic year only,. 4/12/21 effective 8/1/21)*

(e) Provides written notification of transfer (see Bylaw 13.1.1.2.1) to the institution; however, the student-athlete’s athletics aid may not be reduced or canceled until the end of the academic year in which written notification of transfer is received. An institution may reduce or cancel an athletics aid agreement signed for the next academic year if a student-athlete provides written notification of transfer. *(Adopted: 1/22/22 Immediate, for student-athletes transferring for the 2022-23 academic year, and thereafter.)*

**15.5.4.1.1 Nonathletically Related Conditions.** An athletics aid agreement may include nonathletically related conditions (e.g., compliance with academic policies or standards, compliance with team rule or policies) by which the aid may be reduced or cancelled during the period of the award. *(Adopted: 10/19/10, Revised: 1/21/17 effective 8/1/18)*

**15.5.4.1.2 Fraudulent Misrepresentation.** If a student-athlete is awarded athletics aid on the basis of declaring intention to participate in a particular sport by signing a letter of intent, application or tender, action on the part of the grantee not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on the grantee’s application, letter of intent or athletics aid agreement and would permit the institution to cancel or reduce the athletics aid. *(Revised: 1/11/94, 1/21/17 effective 8/1/18)*

**15.5.4.1.3 Misconduct.** An institution may cancel or reduce the athletics aid of a student-athlete who is found to have engaged in misconduct by the university’s regular student disciplinary authority, even if the loss-of-aid requirement does not apply to the student body in general. *(Revised: 1/11/94, 1/21/17 effective 8/1/18)*

**15.5.4.2 Increase Permitted.** Athletics aid may be increased for any reason at any time. *(Adopted: 1/11/94, Revised: 1/12/04, 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)*
15.5.4.2.1 Initial Award of Athletics Aid. A student-athlete who is receiving only nonathletics aid may receive an initial award of athletics aid at any point during the academic year. The initial award of athletics aid may not be retroactive to a previous academic year. (Adopted: 10/17/06, Revised: 1/21/17 effective 8/1/18)

15.5.4.3 Reduction or Cancellation Not Permitted. Athletics aid may not be decreased or canceled during the period of its award. (Revised: 1/11/94, 1/21/17 effective 8/1/18, 7/18/17 effective 8/1/18)

(a) On the basis of a student’s athletics ability, performance or contribution to a team’s success;

(b) Because of an injury, illness or physical or mental medical condition (except as permitted pursuant to Bylaw 15.5.4.1); (Revised: 4/24/08, 4/14/15 effective 8/1/15, 8/31/20 Immediate (applies retroactively), for any athletics aid agreements signed for the 2020-21 academic year only., 4/12/21 effective 8/1/21)

(c) If a student-athlete provides written notification of transfer (see Bylaw 13.1.1.2.1); however, an institution may reduce or cancel an athletics aid agreement signed for the next academic year if a student-athlete provides written notification of transfer (see Bylaw 15.5.4.1); or (Adopted: 1/22/22 Immediate, for student-athletes transferring for the 2022-23 academic year, and thereafter.)

(d) For any other athletics reason.

15.5.4.3.1 Medical Documentation. An institution may require a student-athlete to submit contemporaneous medical documentation to verify whether the student-athlete is suffering from an injury, illness or physical or mental medical condition. Such medical documentation shall be provided by an individual who is qualified and licensed to diagnose and treat such an injury, illness or physical or mental medical condition (e.g., physician, psychiatrist). (Adopted: 10/21/08)

15.5.4.3.2 Athletically Related Condition Prohibition. An institution may not set forth an athletically related condition (e.g., athletics aid contingent upon specified performance or playing a specific position) that would permit the institution to reduce or cancel the student-athlete’s athletics aid during the period of the award, if the conditions are not satisfied. (Adopted: 1/16/93, Revised: 1/11/94, 1/21/17 effective 8/1/18)

15.5.4.3.3 Decrease Not Permitted. An institution may not decrease a prospective student-athlete’s athletics aid or a student-athlete’s athletics aid from the time the prospective student-athlete or student-athlete signs the financial aid award letter until the conclusion of the period set forth in the athletics aid agreement, except under the conditions set forth in Bylaw 15.5.4.1. (Adopted: 1/11/94, Revised: 1/12/04, 4/14/15 effective 8/1/15, 1/21/17 effective 8/1/18)

15.5 Renewals and Nonrenewals.

15.5.5.1 Institutional Obligation. The renewal of athletics aid shall be made on or before July 1 before the academic year in which it is to be effective. The institution shall promptly notify in writing each student-athlete who received an award the previous academic year and who has eligibility remaining in the sport in which financial aid was awarded the previous academic year (under Bylaw 14.2) whether the grant has been renewed or not renewed for the ensuing academic year. Notification of athletics aid renewals and nonrenewals must come from the institution’s regular financial aid authority and not from the institution’s athletics department. (Revised: 1/10/95, 1/21/17 effective 8/1/18)

15.5.5.2 Reconsideration of Nonrenewal. It is permissible for an institution that has notified a student-athlete that they will not be provided athletics aid for the next academic year to then award financial aid to that student-athlete. (Revised: 1/21/17 effective 8/1/18)

15.5.6 Changes in Participation. If a student-athlete changes sports during an academic year, the student-athlete’s athletics aid shall be counted in the maximum limitations for the first sport for the remainder of the year. If the student-athlete continues to receive athletics aid, the award shall be counted the next academic year against the maximum limitations in the second sport. (Revised: 1/21/17 effective 8/1/18)

15.5.7 Waivers for Extraordinary Personnel Losses. The Management Council, by a two-thirds majority of its members present and voting, may approve waivers of the financial aid limitations set forth in this bylaw for institutions that have suffered extraordinary personnel losses due to accident or illness of a disastrous nature from one or more of their intercollegiate athletics teams.

Awards, Benefits and Expenses for Enrolled Student-Athletes

16.01 General Principles.

16.01.1 Eligibility Effect of Violation. A student-athlete shall not receive any extra benefit as defined in Bylaw 16.02.3. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible for athletics competition in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation, the individual is ineligible in all sports. (Revised: 5/16/11)

16.01.1.1 Restitution for Receipt of Impermissible Benefits. Unless otherwise noted, for violations of Bylaw 16 in which the value of the benefit is $200 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete’s repayment of the benefit to a charity of their choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of the bylaw remain institutional violations per Bylaw 7.01.9, and documentation of the student-athlete’s repayment shall be forwarded to the enforcement staff. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Bylaw 7.01.9; however, such violations shall not affect the student-athlete’s eligibility. (Adopted: 10/23/01, Revised: 1/10/05, 1/9/06, 5/16/11, 7/18/17)

16.02 Definitions and Applications.

16.02.1 Award. An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Excessive Expense. An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.3 Extra Benefit. An extra benefit is any special arrangement by an institutional employee or a representative of the institution’s athletics interests to provide a student-athlete or the student-athlete’s relative or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their relatives or friends is not a violation of NCAA legislation, if it is demonstrated that the same benefit is generally available to the institution’s students or their relatives or friends or to a particular segment of the student body (e.g., international students, minority students) determined on a basis unrelated to athletics ability. (Revised: 1/10/91, 2/24/11)

16.02.4 Pay. Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics. (See Bylaw 12.1.4.)

16.1 Awards.

16.1.1 Application of Awards Legislation.

16.1.1.1 Before Enrollment. Individuals may receive any award(s) prior to initial full-time collegiate enrollment. (See Bylaw 14.2.4.2 regarding effects on eligibility.) (Revised: 1/12/04)

16.1.1.2 Awards Received for Participation While Representing the Institution. The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing their institution. [R] (Revised: 6/22/11, 1/20/18 effective 8/1/18)

16.1.1.3 Awards Received for Participation While Not Representing the Institution. Awards received by a student-athlete for participation in competition while not representing the institution shall conform to the regulations of the recognized amateur organization that governs the competition. Such awards may include gift certificates, but not cash. [See Bylaw 12.1.3-(c) for prize money based on place finish in individual sports.] [R] (Revised: 6/22/11, 1/20/18 effective 8/1/18)

16.1.1.4 After Completion of Athletics Eligibility. Awards limitations apply to enrolled student-athletes who have exhausted their intercollegiate athletics eligibility. An institution shall be held responsible through the Association’s enforcement procedures for the provision of improper awards to graduating seniors by the institution or its booster organizations. Awards to graduating seniors may not include cash, gift certificates, a cash-equivalent award (i.e., an item
that is negotiable for cash or trade or other services, benefits or merchandise) for athletics participation, or a country club or sports club membership.

16.1.1.5 Olympic or Paralympic Games. It is permissible for a student-athlete to receive a nonmonetary award associated with participation in the Olympic or Paralympic Games at any time regardless of when the Games are held or whether the student-athlete is enrolled as a regular student during the academic year. (Adopted: 1/8/01, Revised: 1/22/20 effective 8/1/20)

16.1.2 Uniformity of Awards. Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. [R] (Revised: 6/22/11)

16.1.3 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. Athletics awards given to individual student-athletes shall be limited to those approved or administered by the member institution, its conference or an approved agency as specified in the following subsections and shall be limited in value and number as specified in this section. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. [R] (Revised: 6/22/11)

16.1.3.1 Participation Awards. Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. [R] (Revised: 1/12/04 effective 8/1/04, 6/22/11)

16.1.3.1.1 Senior Scholar-Athlete Award. An institution may provide a maximum of two senior scholar-athlete awards each year to graduating seniors. The award may consist of a tangible item valued at not more than $200 and a postgraduate scholarship not to exceed $10,000. The postgraduate scholarship shall be used for graduate studies at the recipient’s choice of institution and shall be disbursed directly to that institution. Such a scholarship only may be awarded to a student-athlete who will complete the requirements for a baccalaureate degree within one term of the award and no funds will be distributed prior to the completion of the baccalaureate degree. A student-athlete who has received an institutional postgraduate scholarship as part of a senior scholar-athlete award shall no longer be eligible to participate in intercollegiate athletics, except that the student-athlete may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in the spring sport which occurs after graduation). [R] (Adopted: 1/10/05, Revised: 7/22/08, 6/22/11)

16.1.3.2 Awards for Winning Conference and National Championships. Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a conference championship may not exceed $325, and the total value of any single award received for a national championship may not exceed $415. Each permissible awarding agency is subject to a separate $325 or $415 limit per award, respectively. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate $325 limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed $325. [R] (Revised: 1/12/04 effective 8/1/04, 6/22/11)

16.1.3.3 Special Achievement Awards. Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. [R] (Revised: 1/9/96 effective 8/1/96, 1/12/04 effective 8/1/04, 6/22/11)

16.1.3.4 Local Civic Organization. A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to an individual student-athlete or member institution’s team(s). The following regulations shall apply to such an event: [R] (Adopted: 1/10/92, Revised: 6/22/11, 4/16/19)

(a) All awards must be approved by the institution and must be counted in the institution’s limit for institutional awards; and

(b) The organization may not recognize or provide awards to prospective student-athletes at the banquet.

16.1.3.5 Recognition by Professional Sports Organization. A student-athlete may accept a complimentary admission to a professional sports contest during which the student-athlete and/or collegiate team is being recognized by the professional sports organization for extraordinary achievements. Further, it shall be permissible for the professional sports organization to promote this event to the general public. (Adopted: 1/9/06)

16.1.4 Purchase Restrictions.

16.1.4.1 Assignment of Normal Retail Value. Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards
from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. (Adopted: 1/16/93)

16.1.4.2 Supplementary Purchase Arrangement. An institution may not enter into a supplementary purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific value limitations placed on permissible awards. [R] (Revised: 6/22/11)

16.1.4.3 Combining Values. An institution may not combine the value limits of awards given in a sport during the same season, or given to athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. [R] (Revised: 6/22/11)

16.1.4.4 Student Contribution to Purchase. A student-athlete may contribute to the purchase of an award, but the value of an award may not exceed specified value limits. [R] (Revised: 6/22/11, 5/8/20)

16.1.5 Awards Banquets.

(a) Institutional. An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. (Revised: 1/9/96 effective 8/1/96, 1/12/04)

(b) Booster Club Recognition Banquet. One time per year, an institution’s athletics booster club may finance an intercollegiate team’s transportation expenses to a recognition banquet, provided all expenses are paid through the institution’s athletics department and no tangible award is provided to members of the team. [R] (Revised: 1/12/04, 6/22/11, 4/16/19)

16.1.6 Expenses to Receive Noninstitutional Awards. A conference, an institution, the U.S. Olympic and Paralympic Committee (or the international equivalent), a national governing body or the awarding agency may provide actual and necessary expenses for a student-athlete to receive a noninstitutional award or recognition for athletics or academic accomplishments. The conference, institution and other permissible entities may also provide actual and necessary expenses for up to two of the student-athlete’s relatives or legal guardians to attend the recognition event or awards presentation. (Revised: 1/18/14 effective 8/1/14, 1/22/20 effective 8/1/20)

16.2 Complimentary Admissions and Ticket Benefits.

16.2.1 Permissible Procedures.

16.2.1.1 Institutional Contests in the Student-Athlete’s Sport. An institution may provide four complimentary admissions per home or away contest to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest.

16.2.1.1.1 Partial Qualifier. An institution may provide a partial qualifier with four complimentary admissions per home contest in the sport in which the individual participates. (Adopted: 3/19/97)

16.2.1.1.2 Exception -- NCAA Championships and Bowl Games. An institution may provide each student-athlete who participates in or is a member of a team participating in an NCAA championship or bowl game with six complimentary admissions to all contests at the site at which the student (or team) participates. (Adopted: 1/9/96 effective 8/1/96)

16.2.1.1.3 Tournaments. Complimentary admissions may be provided to members of the institution’s team for all contests in a tournament in which the team is participating, rather than only for the games in which the institution’s team participates. However, the contests must be at the site at which the institution’s team participates.

16.2.1.2 General Regulations. Complimentary admissions shall be distributed only to persons designated by the student-athlete who have identified themselves and signed a receipt therefore. A violation of this administrative procedure shall be considered an institutional violation per Bylaw 7.01.9; however, such a violation shall not affect the student-athlete’s eligibility. The student-athlete’s eligibility shall be affected by involvement in action contrary to the provisions of Bylaws 16.2.1.1 and 16.2.2 (e.g., receipt of more than the permissible four complimentary admissions or the sale or exchange of a complimentary admission for any item of value). (Revised: 10/23/07)

16.2.1.2.1 Partial Qualifier. A partial qualifier (per Bylaw 14.02.13.2) may receive a complimentary admission to all of the institution’s regular-season home intercollegiate athletics contests during the first academic year of residence. (Revised: 1/15/21 effective 8/1/21 August 1, 2021, for student-athletes enrolling in a Division II institution on or after August 1, 2021.)
16.2.1.3 Institution's Home Contests in Other Sports. An institution may provide admission for each student-athlete to all of the institution's regular-season home intercollegiate athletics contests in sports other than that in which the student-athlete is a participant, via a printed student-athlete pass or gate list. Proof of identity shall be required upon admission. [R] (Revised: 6/22/11)

16.2.1.3.1 Exception -- Recognition of Student-Athlete. An institution may provide complimentary admissions (as determined by the institution) to individuals designated by a student-athlete who is being recognized during an institution's regular-season intercollegiate athletics contest in a sport other than that in which the student-athlete participates. [R] (Adopted: 1/9/06, Revised: 6/22/11, 10/19/15)

16.2.2 Nonpermissible Procedures.

16.2.2.1 Sale of Complimentary Admissions. A student-athlete may not receive payment from any source for their complimentary admissions and may not exchange or assign them for any item of value.

16.2.2.2 Payment to Third Party. Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for these admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit. [R] (Revised: 6/22/11)

16.2.2.3 Student-Athlete Ticket Purchases. An institution may not provide a special arrangement to sell a student-athlete ticket(s) to an athletics event. Tickets shall be available for purchase by student-athletes according to the same purchasing procedures used for other students. [R] (Revised: 6/22/11)

16.2.2.4 Sale Above Face Value. A student-athlete may not purchase tickets for an athletics contest from the institution and then sell the tickets at a price greater than their face value. [R] (Revised: 6/22/11)

16.3 Academic, Career and Other Support Services. (Revised: 4/16/19)

16.3.1 Permissible. A member institution may finance academic, career and other support services that the institution, at its discretion, determines to be appropriate and necessary for the academic success of its student-athletes, including internship/job placement services available exclusively to student-athletes, provided the student-athlete is not placed in a position in which the student-athlete uses their athletics ability. (Revised: 1/11/04 effective 8/1/04, 1/10/05, 4/16/19)

16.3.1.1 Coaching and/or Athletics Administration Career Educational Programs. An institution or conference may provide actual and necessary expenses to a student-athlete to attend a coaching and/or athletics administration career educational program (e.g., Women’s Basketball Coaches Association -- So You Want To Be A Coach, Black Women in Sports Foundation -- Next Step Program, U.S. Olympic and Paralympic Committee -- Minority/Women in Coaching Leadership). (Adopted: 4/16/19, Revised: 1/22/20 effective 8/1/20)

16.3.1.2 Exception -- Use of Computers. [R] A student-athlete shall use institutionally owned computers only on a check-out and retrieval basis. (Adopted: 5/6/04 effective 8/1/04, Revised: 1/10/05, 7/23/13)

16.4 Medical Expenses. An institution, conference or the NCAA may provide medical and related expenses and services to a student-athlete. (Revised: 1/17/13)

16.4.1 Mental Health Services and Resources. An institution shall make mental health services and resources available to its student-athletes. Such services and resources may be provided by the department of athletics and/or the institution’s health services or counseling services department. Provision of services and resources should be consistent with the Interassociation Consensus: Mental Health Best Practices. In addition, an institution must distribute mental health educational materials and resources to student-athletes, including those transitioning out of their sport, coaches, athletics administrators and other athletics personnel throughout the year. Such educational materials and resources must include a guide to the mental health services and resources available at the institution and information regarding how to access them. (Adopted: 7/23/19 effective 8/1/19)

16.5 Housing and Meals.

16.5.1 Permissible. Identified housing and meal benefits incidental to a student's participation in intercollegiate athletics that may be financed by the institution are: (Revised: 6/22/11)

(a) Summer-Dormitory Rentals. An institution may rent, at the regular institutional rate, dormitory space to a prospective or enrolled student-athlete during the summer months if it is the institution’s policy to make dormitory space available on the same basis to all prospective or enrolled students (see Bylaw 15.3.2.4 for permissible housing benefits for student-athletes eligible to receive financial aid while attending summer school).

(b) Preseason Practice Expenses. The institution may provide the cost of food and housing to student-athletes who report for preseason practice before the start of the academic year, it being understood that the student-athletes have been accepted
for admission to the institution at the time such benefits are received. The institution may provide an evening meal and lodging on the evening prior to the first scheduled practice or the designated equipment and squad picture day. (Revised: 1/12/04 effective 8/1/04, 11/17/15 effective 8/1/15, 7/28/15, 10/26/23)

(c) **Meals and Snacks Incidental to Participation.** An institution may provide meals and snacks to student-athletes as a benefit incidental to participation in intercollegiate athletics. (Revised: 1/8/01, 11/17/15 effective 8/1/15)

(1) **Cash for Missed Meal Due to Practice Activities.** An institution may provide a student-athlete the cash equivalent of a meal missed due to practice activities only if they have previously paid for the meal (either individually or through the food element of a scholarship). An institution shall not provide student-athletes with a meal and cash for the same meal. (Revised: 11/17/15 effective 8/1/15, 10/26/23)

(2) **Meals or Snacks in Conjunction With Competition.** For both home and away-from-home competitions, all student-athletes are permitted to receive a pregame meal as a benefit incidental to participation and all student-athletes are permitted to receive a meal(s) or snack(s) [or cash in the amount equal to the cost of a meal(s) or snack(s)] at the institution’s discretion from the time the student-athlete reports on call (at the direction of the student-athlete’s coach or comparable authority) and becomes involved in competition-related activities to the end of competition and the release by the appropriate institutional authority, as a benefit incidental to participation. An institution shall not provide student-athletes with a meal or snack for the same meal or snack. (Revised: 11/17/15 effective 8/1/15)

(d) **Vacation-Period Expenses.** The institution may provide the cost of food and housing to student-athletes during official institutional vacation periods in the following circumstances: (Revised: 11/14/97, 11/11/00 effective 8/1/00, 7/24/07, 10/26/23)

(1) **Student-athletes who are required to remain on or return to the institution’s campus for organized practice sessions or competition during the institution’s official vacation period.** If the student-athlete lives at home during the vacation period, the cost of food and housing may not be provided by the institution, other than to permit the student-athlete to participate in team meals incidental to practice sessions. If an institution does not provide a meal to its student-athletes, a cash allowance may be provided, not to exceed the amount provided by the institution to institutional staff members on away-from-campus trips. The institution may provide an evening meal and lodging on the evening prior to the first scheduled practice or the designated equipment and squad picture day. (Revised: 10/21/08, 7/23/13, 7/28/15, 10/26/23)

(i) **Winter Break Expenses.** It is permissible for an institution to provide a student-athlete an evening meal and lodging in the locale of the institution on the final day of the seven-day legislated winter break when the student-athlete must return to campus for organized practice or competition occurring on the first day following the legislated winter break. (Adopted: 7/28/15)

(2) **Student-athletes who return to campus during the institution’s official vacation period occurring during a regular academic term (e.g., not including vacation periods between terms) from competition.** Under such circumstances, food and housing expenses may be provided beginning with the student-athlete’s arrival on campus until the institution’s regular dormitories and dining facilities reopen. If the student-athlete lives at home during the vacation period, the cost of food and housing may not be provided by the institution. (Revised: 10/26/23)

(3) **Student-athletes who return to campus during the institution’s official vacation period between regular academic terms (e.g., summer-vacation period) from competition.** Under such circumstances, food and housing expenses may be provided for not more than a 48-hour period, beginning with the student-athlete’s return to campus. If the student-athlete lives at home during the vacation period, the cost of food and housing may not be provided by the institution. (Revised: 10/26/23)

(e) **Nutritional Supplements.** An institution may provide permissible nutritional supplements to a student-athlete for the purpose of providing additional calories and electrolytes. Permissible nutritional supplements do not contain any NCAA banned substances and are identified according to the following classes: carbohydrate/electrolytes drinks, energy bars, carbohydrate boosters, vitamins and minerals and protein. (Adopted: 1/12/04, Revised: 1/10/05 effective 8/1/05, 7/19/16)

(f) **Occasional Meals.** (Adopted: 11/17/15 effective 8/1/15)

(1) **Institutional Staff Member.** A student-athlete or the entire team in a sport may receive an occasional meal in the locale of the institution on infrequent and special occasions from an institutional staff member. An institutional staff member may provide reasonable local transportation to student-athletes to attend such meals.

(2) **Representative of Athletics Interests.** A student-athlete or the entire team in a sport may receive an occasional family home meal from a representative of the institution’s athletics interests provided the meal is in the individual’s home, on campus or at a facility that is regularly used for home competition and may be catered. The representative of
the institution’s athletics interests or an institutional staff member may provide reasonable local transportation to student-athletes to attend such meals.

(3) **Occasional Meals to Team Members Provided by Relatives or Legal Guardians.** Occasional meals to team members provided by the relatives or legal guardians of a student-athlete are permissible and may be provided at any location (e.g., tailgating).

16.5.2 **Nonpermissible.**

16.5.2.1 **Housing Benefits.** The institution may not provide an on-campus or off-campus housing benefit (e.g., individual television sets or stereo equipment, a recreation room or a centralized television room, housing furnishings or appointments of extra quality or quantity) for student-athletes that is not available on the same basis to the general student body. The material benefits in question are permissible only if provided in approximately the same ratio to at least one-half of all other students using on-campus housing facilities. Otherwise, dormitories with exclusive material housing benefits may not be used by student-athletes. (Revised: 10/26/23)

16.6 **Expenses for Student-Athlete’s Friends and Relatives.**

16.6.1 **Permissible.** An institution may not provide any expenses to a student-athlete’s relatives or friends, except as permitted in Bylaws 16.6.1 and 16.11.1. [R] (Revised: 6/22/11)

16.6.1.1 **Expenses for Relatives to Attend Postseason Football Game/NCAA Championship.** The institution may provide the cost of actual and necessary expenses (e.g., transportation, lodging, meals and expenses associated with team entertainment functions) for the relatives or legal guardians of an eligible student-athlete to accompany the student-athlete to a postseason football game or any round of the NCAA football championship in which the student-athlete is a participant, and in other sports, to any round of any NCAA championship in which the student-athlete is a participant. (Revised: 1/9/06, 4/16/19)

16.6.1.2 **Injury or Illness.** The institution may pay transportation, housing and meal expenses for relatives (or legal guardians) of a student-athlete and for any student-athletes at the institution to be present in situations in which a student-athlete suffers an injury or illness or, in the event of a student-athlete’s death, to provide these expenses in conjunction with funeral arrangements. BYLAWS, ARTICLE 17

Playing and Practice Seasons

17.01 General Principles.

17.01.1 Institutional Limitations. A member institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figure 17-1 and Figure 17-2).

17.01.2 Health and Safety Oversight. Preseason practice activities should receive the same institutional health and safety oversight as regular- and postseason activities, consistent with the NCAA health and safety principle of student-athlete well-being and the NCAA Sports Medicine Handbook guideline. In this regard, a member of the institution’s sports medicine staff has the unchallengeable authority to cancel or modify the workout for health and safety reasons. (Adopted: 1/1/2004 effective 8/1/04)

17.02 Definitions and Applications.

17.02.1 Countable Athletically Related Activities. Countable athletically related activities include any required activity with an athletics purpose, involving student-athletes and at the direction of, or supervised by, any member or members of an institution’s coaching staff (including strength and conditioning coaches) and must be counted within the weekly and daily limitations under Bylaws 17.1.6.1, 17.1.6.2 and 17.1.6.3. Administrative activities (e.g., academic meetings, compliance meetings) shall not be considered as countable athletically related activities. [See Bylaw 17.1.6.3.5.1 for further information regarding the exception for summer workouts in fall championship sports (including golf and tennis, for those institutions that conduct the championship segment during the fall).] (Adopted: 1/1/91 effective 8/1/91, Revised: 1/1/02 effective 8/1/02, 1/1/04, 1/1/14 effective 6/1/14, 1/1/15 effective 6/1/15)

17.02.1.1 Exception -- End-of-Season Meetings. It is permissible to have end-of-season team and individual meetings at any time (e.g., conclusion of a regular academic term, conclusion of the playing season). An end-of-season meeting is not considered a countable athletically related activity provided the meeting does not include any athletically related activities (e.g., watching game film, physical activities). (Adopted: 4/26/12)

17.02.2 Contest. A contest is any game, match, exhibition, scrimmage or joint practice session with another institution’s team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other outside team or individual not representing the intercollegiate athletics program of the same member institution. (Revised: 1/1/91, 1/1/04)

17.02.3 Contest, Countable, Institutional. A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. Contests, including scrimmages, by separate squads of the same team against different outside teams shall each count as one contest.

17.02.4 Contest, Countable, Individual Student-Athlete. A countable contest for an individual student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

17.02.5 Date of Competition. A date of competition is a single date on which any game(s), match(es), meet(s), exhibition(s), scrimmage(s) or joint practice session(s) with another institution’s team takes place, regardless of its formality, between an intercollegiate athletics team or individual representing a member institution and any other outside team or individual not representing the intercollegiate athletics program of the same member institution. (Revised: 1/1/91, 1/1/04)

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution’s team in a sport engages in competition in that sport against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports, a member institution shall be considered to have participated in competition that constitutes a date of competition, if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds
the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis). (See Bylaw 7.3.1.7.1.3 for listings of minimum numbers of student-athletes per sport.)

17.02.6.2 Application -- Discretionary Exemptions. In sports that use dates of competition, an institution’s team shall be permitted to compete in and exempt multiple contests against multiple opponents on the same day provided all contests played on a particular date of competition satisfy the requirements of the same discretionary exemption. (Adopted: 10/22/13)

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for an individual student-athlete is any date on which a student-athlete competes while representing the institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Intercollegiate Competition. Intercollegiate competition occurs when a student-athlete in either a two-year or a four-year collegiate institution: (Revised: 1/10/95, 1/9/06)

(a) Represents the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution’s team) or whether the student is enrolled in a minimum full-time program of studies; (Revised: 1/10/91)

(b) Competes in the uniform of the institution or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) received from the institution that includes institutional identification (see Bylaw 16.11.1.4 for regulations governing the use of equipment during the summer); (Revised: 1/16/93, 1/1/94, 4/1/06, 4/17/07)

(c) Competes and receives expenses (e.g., transportation, meals, housing or entry fees) from the institution for the competition (See Bylaw 14.7.3.4-(c)-(1) for an exception for medical services for a student-athlete competing unattached); or (Revised: 7/24/07, 1/26/19, 10/26/23)

(d) Competes in outside competition as a member of a club team at a two-year or four-year collegiate institution, provided the institution sponsors the sport on the varsity level. (Adopted: 7/24/07)

17.02.8.1 Exempted Events. Participation in events listed in Bylaw 16.8.1.2 are exempted from the application of this legislation. (Revised: 1/10/92)

17.02.9 Male Student-Athletes Practicing With Women's Teams. A male student-athlete who engages in practice activities with a women’s team is subject to all applicable playing and practice seasons regulations set forth in this section (e.g., daily and weekly hour limitations, required days off). (Adopted: 1/14/08 effective 8/1/08)

17.02.10 Outside Competition. Outside competition is athletics competition against any other outside athletics team (including an alumni team) that does not represent the intercollegiate athletics program of the same institution. (Revised: 1/12/04)

17.02.11 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the member institution or a team that includes individuals other than eligible student-athletes of the member institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.12 Postponed or Canceled Contest Due to Inclement Weather. A contest that is postponed or canceled due to inclement weather or a comparable factor only counts against an institution’s or student-athlete’s maximum limitations if the results are considered final under the applicable playing rules of the sport in question. (Adopted: 10/18/16)

17.02.13 Practice Opportunities. For women’s rugby, women’s triathlon and men’s water polo, in determining the number of practice opportunities to establish the starting date for preseason practice, there shall be counted one for each day beginning with the opening of classes, one for each day classes are not in session in the week of the first scheduled intercollegiate contest and two for each other day in the preseason practice period, except that the institution shall not count any days during the preseason when all institutional dormitories are closed, the institution’s team must leave campus, and practice is not conducted. (Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/92, 4/30/10, 1/18/14 effective 8/1/14)

17.02.13.1 Sunday. Sundays are excluded from the counting. (Adopted: 1/10/91 effective 8/1/91)

17.02.13.2 Week. The "week" of the first scheduled intercollegiate contest is defined as the six days, excluding Sunday, before the date of competition (even if one or more of the days fall into different traditional calendar weeks). (Adopted: 1/10/91 effective 8/1/91)

17.02.13.3 Opening Day of Classes. The "opening day of classes" is defined as the first day of classes as listed in the member institution’s official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. (Adopted: 1/10/91 effective 8/1/91)
17.02.14 **Strength and Conditioning Personnel.** Strength and conditioning personnel may monitor voluntary individual workouts (e.g., summer workouts) for safety purposes without considering such supervision as a countable athletically related activity per Bylaw 17.02.1. Although an institution may designate more than one strength and conditioning coach, it is not permissible for an institution to designate a specific strength and conditioning coach for each of the institution’s intercollegiate teams. If the strength and conditioning coach is also a coaching staff member for one of the institution’s intercollegiate teams, such assistance may be provided only if that staff member performs such duties for more than one of the institution’s intercollegiate teams. This exception shall apply during and outside the declared playing and practice season (see Bylaws 17.1.6.1 and 17.1.6.3). (See Bylaw 17.1.6.3.5.1 for further information regarding the exception for summer workouts in fall championship sports (including golf and tennis, for those institutions that conduct the championship segment during the fall).) (Adopted: 1/14/02 effective 8/1/02, Revised: 4/15/08, 10/21/08, 5/13/11, 1/18/14 effective 6/1/14, 1/17/15 effective 6/1/15, 7/28/15)

17.02.14.1 **Strength and Conditioning Coach Certification.** Any individual designated as a strength and conditioning coach by the institution must be certified through a nationally recognized strength and conditioning program. If the institution does not designate a strength and conditioning coach, such certification is required of any individual who conducts strength and conditioning workouts (excluding individuals who conduct conditioning activities related to practice). (Adopted: 1/16/16 effective 8/1/16)

17.02.15 **Tryouts -- Enrolled Student.** A member institution may conduct a tryout of a full-time student currently enrolled at the institution only on its campus or at a site at which the institution normally conducts practice or competition during the regular academic year. (See Bylaw 13.11.2.1 for tryout regulations of a prospective student-athlete.) The following conditions shall apply to a tryout of an enrolled student: (Adopted: 1/13/98 effective 8/1/98, Revised: 1/14/02, 5/13/11, 7/23/13, 4/15/14)

(a) **One-Tryout Limitation.** Not more than one tryout per student per sport shall be permitted during any academic year;

(b) **Health and Safety Requirements -- Medical Examination and Sickle Cell Solubility Test (SST).** Prior to participation in a tryout, a student is required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). The examination or evaluation shall include a sickle cell solubility test (SST), unless documented results of a prior test are provided to the institution. The examination or evaluation must be administered within six months prior to participation in the tryout. The medical examination or evaluation may be conducted by an institution’s regular team physician or other designated physician as a part of the tryout; (Revised: 7/24/07 effective 8/1/07, 1/14/12 effective 8/1/12, 1/22/22 effective 8/1/22)

(c) **Length of Tryout.** The time of the tryout activities (other than the physical examination) shall be limited to 14 consecutive calendar days from the first date the student engages in countable athletically related activities;

(d) **Time Limits for Tryout.** During the 14-consecutive-calendar-day period of a tryout, an enrolled student shall not exceed the daily and weekly hour limitations as set forth in Bylaws 17.1.6.1 and 17.1.6.3;

(e) **Competition During Tryout.** Competition against the member institution’s team (e.g., scrimmage) is permissible, provided such competition occurs during the academic year and is considered a countable athletically related activity per Bylaw 17.02.1; and (Adopted: 1/14/02)

(f) **Issuance of Equipment and Clothing.** The institution may provide equipment and clothing on an issuance-and-retrieval basis to a student during the period of the tryout.

17.02.16 **Varsity Intercollegiate Sport.** A varsity intercollegiate sport is a sport that has been accorded that status by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: (Revised: 5/13/11)

(a) It is a sport that is administered by the department of intercollegiate athletics;

(b) It is a sport for which the eligibility of the student-athletes is reviewed and certified by a staff member designated by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy; and (Revised: 10/3/05)

(c) It is a sport in which qualified participants receive the institution’s official varsity awards.

17.02.17 Voluntary Athletically Related Activities. In order for any athletically related activity to be considered "voluntary," all of the following conditions must be met: *(Adopted: 1/12/04 effective 8/1/04, Revised: 5/13/11)*

(a) The student-athlete must not be required to report back to a coach or other athletics department staff member (e.g., strength coach, trainer, manager) any information related to the activity. In addition, no athletics department staff member who observes the activity (e.g., strength coach, trainer, manager) may report back to the student-athlete’s coach any information related to the activity;

(b) The activity must be initiated and requested solely by the student-athlete. Neither the institution nor any athletics department staff member may require the student-athlete to participate in the activity at any time. However, it is permissible for an athletics department staff member to provide information to student-athletes related to available opportunities for participating in voluntary activities (e.g., times when the strength and conditioning coach will be on duty in the weight room or on the track). In addition, for students who have initiated a request to engage in voluntary activities, the institution or an athletics department staff member may assign specific times for student-athletes to use institutional facilities for such purposes and inform the student-athletes of the time in advance;

(c) The student-athlete’s attendance and participation in the activity (or lack thereof) may not be recorded for the purposes of reporting such information to coaching staff members or other student-athletes; and

(d) The student-athlete may not be subjected to penalty if they elect not to participate in the activity. In addition, neither the institution nor any athletics department staff member may provide recognition or incentives (e.g., awards) to a student-athlete based on their attendance or performance in the activity.

17.02.18 Winter Break. The winter break shall be a seven-consecutive-calendar-day period from December 20 through December 26. When December 20 falls on a Friday, Saturday or Sunday, the winter break shall be a seven-consecutive-calendar-day period that begins on the following Monday. When December 20 falls on a Monday, the winter break shall be a seven-consecutive-calendar-day period that begins on the following Tuesday. During the winter break, a student-athlete may not be employed at institutional camps and clinics, may not participate in any countable athletically related activities and may not participate in any voluntary athletically related activities on campus unless the facility is open to the general student-body. *(See Figure 17-4.)* *(Adopted: 1/14/12 effective 8/1/12, Revised: 1/26/19)*

17.1 General Playing-Season Regulations.

17.1.1 Playing Season. The playing (i.e., practice and competition) season for a particular sport is the period of time between the date of an institution’s first officially recognized practice session and the date of the institution’s last practice session or date of competition, whichever occurs later. An institution is permitted to conduct officially recognized practice and competition each academic year only during the playing season as regulated for each sport in accordance with the provisions of this bylaw. The institution must conduct the same playing season for varsity and subvarsity teams in the same sport. *(Revised: 1/10/92)*

17.1.1.1 Playing Season -- Athletically Related Activities. The playing (i.e., practice and competition) season for a particular sport is the only time within which a member institution is permitted to conduct countable athletically related activities (see Bylaw 17.02.1) except as set forth in Bylaw 17.1.6.3. However, coaching staff members may engage in coaching activities with a student-athlete during the student-athlete’s participation in events listed in Bylaw 16.8.1.2. *(Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/05 effective 8/1/05)*
17.1.2 Segments of Playing Season. For all sports other than football, basketball and track and field, each member institution may divide the playing season into not more than two distinct segments. (Revised: 1/10/91 effective 8/1/91, 1/14/97 effective 8/1/97, 1/13/21 effective 8/1/21)

17.1.3 Declaration of Playing Season. Each member institution shall determine the playing season for each of the sports referenced under Bylaw 17.02.16. Declaration of the institution’s playing season in each such sport shall be on file in writing in the department of athletics before the beginning of the institution’s playing season for that sport. Changes in the declaration for a particular sport are permissible and also shall be kept on file and shall be available for examination on request by an authorized representative of the NCAA. (Revised: 1/11/89, 10/22/19)

17.1.4 Sports Subject to Segment Limitations. Playing-season-segment limitations are applicable to all team sports that are listed in Bylaw 17.02.16.1 and all individual sports listed under Bylaw 17.02.16.2. In those sports for which the National Collegiate Championship is the only NCAA championships opportunity (i.e., men’s and women’s fencing, men’s and women’s gymnastics, men’s and women’s rifle, men’s and women’s skiing, men’s volleyball, men’s water polo, women’s ice hockey, women’s water polo, women’s bowling, women’s beach volleyball), an institution’s playing season shall be limited to the same length as Division I institutions, and this limitation shall be implied in all following legislative references affecting the sport. (Revised: 1/10/91 effective 8/1/91, 1/16/93 effective 8/1/93)

17.1.5 Mandatory Medical Examination. [#] Prior to participation in any practice, competition or out-of-season conditioning activities (or, in Division I, permissible voluntary summer conditioning or individual workouts, or permissible required summer athletic activities in basketball and football), student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall be required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). A nurse practitioner whose state medical licensure allows for health care practice independent of physician supervision may complete the medical examination without supervision by a physician. The examination or evaluation must be administered within six months prior to participation in any practice, competition or out-of-season conditioning activities. In following years, an updated history of the student-athlete’s medical condition shall be administered by an institutional medical staff member (e.g., sports medicine staff, team physician) to determine if additional examinations (e.g., physical, cardiovascular, neurological) are required. The updated history must be administered within six months prior to the student-athlete’s participation in any practice, competition or out-of-season conditioning activities for the applicable academic year. (Adopted: 1/8/07 effective 8/1/07, Revised: 5/23/08, 10/19/15)

17.1.5.1 Sickle Cell Solubility Test. The examination or evaluation of student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall include a sickle cell solubility test (SST), unless documented results of a prior test are provided to the institution. (Adopted: 1/14/12 effective 8/1/12, Revised: 1/22/22 effective 8/1/22)

17.1.5.2 Mandatory Medical Examination Prior to Participation in Voluntary Athletically Related Activity. A coach may create a general individual workout program for a student-athlete (as opposed to a specific workout for specific days) but cannot conduct the individual’s workout. However, in fall sports, beginning June 1 through the conclusion of the institution’s summer vacation period, a student-athlete may participate in workouts designed and conducted by the institution’s strength and conditioning personnel provided certain requirements are satisfied (see Bylaw 17.1.6.3.5.1).

This is applicable during an institution’s declared playing season, provided the coach does not direct or supervise the organized activity. Outside of an institution’s declared playing season, an institution’s coaching staff member in a team sport, other than football, may observe enrolled student-athletes in nonorganized sport-specific activities, provided the observation occurs during the permissible time period and permissible hour limitations for team activities.

Required participation as a demonstrator in an institutional or privately owned camp or clinic is a countable athletically related activity. Participation as a counselor or demonstrator in an institutional or a privately owned camp or clinic would not be considered a countable athletically related activity. Participation as a counselor or demonstrator in an institutional or a privately owned camp or clinic would not be considered a countable athletically related activity, provided the participation in the camp or clinic is voluntary.

If participation occurs outside the institution’s declared playing season, it shall be counted as part of countable required conditioning activities.

Practice is defined as any meeting, activity or instruction involving sports-related information and having an athletics purpose, held for one or more student-athletes at the direction of, or supervised by, any member of an institution’s coaching staff. Practice is considered to have occurred, if one or more coaches or one or more student-athletes engage in any of the aforementioned activities. Any activity in which the student-athlete’s attendance is recorded or absence is punished shall be considered countable.

For example, any class composed of or including primarily members of an intercollegiate team on a required attendance basis or where the class uses equipment for the sport.

Strength and conditioning personnel may monitor voluntary individual workouts (e.g., summer workouts) for safety purposes without considering such supervision as a countable athletically related activity. If the strength and conditioning coach is also a coaching staff member for one of the institution’s intercollegiate teams, such assistance may be provided only if that staff member performs such duties for more than one of the institution’s intercollegiate teams.

For the circumstances that would cause these activities to become countable athletically related activities, see April 20, 2011, official interpretation.

A coach’s observation of a student-athlete in organized competition (e.g., summer basketball league) is not considered a countable athletically related activity, provided the coach does not direct or supervise the organized activity.

For example, a student-athlete’s participation in a regular physical education class, with or without credit, that is listed in the institution’s catalog and is open to all students.

Such physical activities are not countable athletically related activities as long as they are separate and distinguishable from normal practice or strength and conditioning activities, occur only on an infrequent basis and neither tactical nor technical instruction related to the student-athletes sport is provided.

Championships Administration

18.01 General Principles.

18.01.1 Purpose of NCAA Championships. NCAA championships are intended to provide national-level competition among the best eligible student-athletes and teams of member institutions, with consideration also for approved regional structures for certain championships.

18.01.2 Criteria for Establishment or Continuation of Championships. The establishment or continuation of a National Collegiate Championship or a Division II Championship in a given sport shall be determined on the basis of the requirements in the following bylaws, with sponsorship of a sport based on the Association’s records as of September 30 each year (see Bylaws 18.4.1 and 18.5.2). (Revised: 7/18/23 effective 8/1/23)

18.02 Definitions and Applications.

18.02.1 Automatic Qualification. Automatic qualification is the automatic entry into a championship field by a team or individual student-athletes representing a member conference recommended by the appropriate sports committee and approved by the Championships Committee (see Bylaw 18.4.3.3).

18.02.2 Championships.

18.02.2.1 National Collegiate Championship. A National Collegiate Championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes and teams of active member institutions to determine the NCAA champion in that sport for all divisions that do not have a separate division championship in that sport. A National Collegiate Championship is established or continued in accordance with the criteria set forth in Bylaw 18.5.3.1. (Revised: 7/18/23 effective 8/1/23)

18.02.2.2 Division Championship. A division championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes or teams of active member institutions to determine the division champion in that sport. A division championship is established or continued in accordance with the criteria set forth in Bylaw 8.4.1. (Revised: 7/18/23 effective 8/1/23)

18.02.3 Mixed Team. A mixed team is a varsity intercollegiate sports team on which at least one individual of each gender competes. (Revised: 1/11/94, 7/18/23 effective 8/1/23)

18.02.4 Misconduct. Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship that discredits the event or intercollegiate athletics. (Revised: 8/15/89, 8/13/92, 10/30/08)

18.02.5 Nullification. Nullification is a penalty imposed on an institution by the Championships Committee for permitting an ineligible student-athlete to compete in intercollegiate competition. (Adopted: 1/9/06 effective 8/1/06)

18.1 Regulations and Authority for Conduct of Championships. All NCAA championships shall be conducted in accordance with this bylaw and the policies and procedures established by the Championships Committee, the Management Council, the Executive Board and/or the Board of Governors, which shall establish and revise the policies and procedures governing the administration of NCAA championships, including selection processes, formats and distribution of revenues to participating institutions. NCAA championships shall be under the control, direction and supervision of the appropriate sports committees, subject to the requirements, standards and conditions prescribed in Bylaw 31. (Revised: 1/10/91, 10/17/07, 1/26/15, 1/31/24 effective 2/1/24)

18.1.1 Institutional Eligibility. To be eligible to enter a team or an individual in NCAA championship competition the institution shall be an active member in good standing in the appropriate division, or have its sport so classified, and be eligible under the rules of the member conference of which it is a member. (Revised: 7/18/23 effective 8/1/23)

18.2 Eligibility for Championships.

18.2.1 Student-Athlete Eligibility. To be eligible for NCAA championships, a student-athlete shall meet all applicable individual-eligibility requirements set forth in NCAA legislation. The general and academic eligibility requirements are set forth in detail in Bylaw 14. An institution that holds membership in a member conference may not enter teams or individuals in an NCAA championship unless they are eligible for such competition under the rules of that conference. (Revised: 7/18/23 effective 8/1/23)
18.2.1.1 Notification of Ineligibility. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate championships handbook. (Revised: 5/1/92, 1/9/06 effective 8/1/06)

18.2.1.2 Ineligibility for Use of Banned Drugs. A student-athlete who, as a result of a drug test administered by the NCAA, tests positive for use of a substance in a banned drug class, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in this bylaw. (Revised: 1/10/90 effective 8/1/90, 4/29/04, 6/3/05, 4/24/14, 3/30/16, 1/14/18 effective 8/1/14 for any NCAA drug test administered on or after 8/1/14, 7/18/23 effective 8/1/23)

18.2.1.2.1 Banned Drugs. The following is the list of banned-drug classes, which aligns with the World Anti-Doping Agency (WADA) list of prohibited classes, with the exception of cannabinoids and the glucocorticoid class. The Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee) has the authority to identify banned drugs within each class. The institution and student-athletes shall be held accountable for all drugs within the banned-drug classes regardless of whether they have specifically identified. (Revised: 1/10/05, 2/10/06, 5/28/15, 3/30/16, 10/16/18 effective 8/1/19, 4/16/24)

(a) Stimulants;
(b) Anabolic agents;
(c) Alcohol and beta blockers (banned for rifle only); (Revised: 4/28/09)
(d) Diuretics and other masking agents; (Revised: 6/14/07)
(e) Peptide hormones and analogues; (Revised: 1/5/07)
(f) Hormone and metabolic modulators; (Adopted: 1/5/07 effective 8/1/07, Revised: 10/16/18 effective 8/1/19)
(g) Beta-2 agonists; and (Adopted: 4/28/09, Revised: 10/16/18 effective 8/1/19)
(h) Narcotics. (Adopted: 10/16/18 effective 8/1/19)

18.2.1.2.1.1 Drugs and Procedures Subject to Restrictions. The use of the following drugs and/or procedures is subject to certain restrictions and may or may not be permissible, depending on limitations expressed in these guidelines and/or quantities of these substances used: (Revised: 8/15/89)

(a) Blood Doping. The practice of blood doping (the intravenous injection of whole blood, packed red blood cells or blood substitutes) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. (Revised: 8/15/89, 5/4/92, 8/6/14, 3/30/16)

(b) Gene Doping. The practice of gene doping (the non-therapeutic use of cells, genes, genetic elements or of the modulation of gene expression, having the capacity to improve athletic performance) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. (Adopted: 3/30/16)

(c) Local Anesthetics. The Board of Governors will permit the limited use of local anesthetics under the following conditions: (Revised: 1/26/15)

1. That procaine, xylocaine, carbocaine or any other local anesthetic may be used, but not cocaine; (Revised: 12/9/91, 5/6/93)
2. That only local or topical injections can be used (i.e., intravenous injections are not permitted); and
3. That use is medically justified only when permitting the athlete to continue the competition without potential risk to their health.

(d) Manipulation of Urine Samples. The Board of Governors bans the use of substances and methods (e.g., diuretics, probenecid, bromantan or related compounds, epitestosterone) that alter the integrity and/or validity of urine samples provided during NCAA drug testing. (f) Additional Analysis. Drug screening for select nonbanned substances may be conducted for nonpunitive purposes. (Revised: 8/15/89)

18.2.1.2.2 Penalty – Banned Drug Classes Other Than Narcotics. A student-athlete who, as a result of a drug test administered by the NCAA, tests positive for use of a substance in a banned drug class other than narcotics (in accordance with the testing methods authorized by the Board of Governors), shall be subject to the following: (Revised: 8/1/19, 4/16/24)
1/10/90 effective 8/1/90, 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 1/8/01, 1/12/04, 10/29/04, 1/11/08, 1/18/14 effective 8/1/14 for any NCAA drug test administered on or after 8/1/14, 7/22/14, 1/14/15 applicable on a retroactive basis to any student-athlete with remaining eligibility, 1/26/15, 10/19/15 effective 8/1/16 for all drug tests administered on or after 8/1/16, 3/30/16, 1/9/17, 10/16/18 effective 8/1/19, 4/16/19 Immediate; may be applied retroactively to a student-athlete with eligibility remaining., 4/16/24)

(a) The student-athlete shall be ineligible for competition in all sports until they have been withheld from the equivalent of one season (the maximum number of championship segment regular-season contests or dates of competition in the applicable sport per Bylaw 17) of regular-season competition. The student-athlete must be otherwise eligible for competition to fulfill this penalty except a transfer student-athlete may regain eligibility (see Bylaw 14.5.5.1) and fulfill a drug-testing penalty concurrently if they meet all other eligibility requirements; (Adopted: 4/24/24)

(b) A student-athlete who tests positive during a year in which they did not use a season of competition, shall be charged with the loss of one season of competition in all sports. A student-athlete who tests positive during a year in which they used a season of competition, shall be charged with the loss of one additional season of competition in all sports (in addition to the season used) unless they use a season of competition in the next academic year; and

(c) The student-athlete shall be ineligible for intercollegiate competition for 365 consecutive days after the collection of the student-athlete’s positive drug-test specimen and until they test negative pursuant to the NCAA Drug-Testing Program’s policies and procedures.

## BYLAW, ARTICLE 19

### Infractions Program.

#### 19.01 General Principles. *(Adopted: 10/18/22 effective 8/1/23)*

**19.01.1 Mission of NCAA Infractions Program.** It is the mission of the NCAA infractions program to uphold the integrity and fair play among the NCAA membership, and to prescribe appropriate and fair penalties if violations occur. One of the fundamental principles of the infractions program is to ensure that those institutions and student-athletes abiding by the NCAA bylaws are not disadvantaged by their commitment to compliance. The program is committed to the fairness of procedures and the timely resolution of infractions cases. Member institutions are responsible to self-report violations. The ability to investigate allegations and penalize infractions is critical to the common interests of the Association’s membership and the preservation of its enduring values. *(Adopted: 10/18/22 effective 8/1/23)*

**19.01.2 Accountability.** The infractions program shall hold institutions, coaches, administrators and student-athletes who violate the NCAA bylaws accountable for their conduct, both at the individual and institutional levels. *(Adopted: 10/18/22 effective 8/1/23)*

**19.01.3 Member Responsibility for Compliance.** Each institution has an affirmative obligation to monitor and control its athletics programs, its representatives and its student-athletes to ensure compliance with the bylaws of the Association. *(Adopted: 10/17/23)*

**19.01.4 Member Responsibility to Report Noncompliance.** Each institution has an affirmative obligation to report all instances of noncompliance to the Association in a timely manner. *(Adopted: 10/18/22 effective 8/1/23)*

#### 19.02 Definitions and Applications. *(Adopted: 10/18/22 effective 8/1/23)*

**19.02.1 Involved Individual.** Involved individuals are former or current student-athletes and former or current institutional staff members who have received notice of significant involvement in alleged violations. *(Adopted: 10/18/22 effective 8/1/23)*

**19.02.2 New Information.** New information is information that could not reasonably be ascertained before the Committee on Infractions hearing. *(Adopted: 10/18/22 effective 8/1/23)*

**19.02.3 Show-Cause Order.** A show-cause order is one that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.5) why it should not be subject to a penalty (or additional penalty) for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution’s athletics interests found by the committee as having been involved in a violation of the NCAA bylaws. *(Adopted: 10/18/22 effective 8/1/23)*

#### 19.1 Violation Structure. *(Adopted: 10/18/22 effective 8/1/23)*

**19.1.1 Violation, Secondary.** A secondary violation is a violation that is isolated or inadvertent in nature; provides or is intended to provide only a minimal recruiting, competitive or other advantage; and does not include any significant impermissible benefit (including, but not limited to, an extra benefit, recruiting inducement, preferential treatment, financial aid). Multiple secondary violations by a member institution may be collectively considered as a major violation. *(Adopted: 10/18/22 effective 8/1/23)*

**19.1.2 Violation, Major.** All violations other than secondary violations are major violations, specifically including those that provide an extensive recruiting or competitive advantage. *(Adopted: 10/18/22 effective 8/1/23)*

#### 19.2 Responsibility to Cooperate and Expectations. *(Adopted: 10/18/22 effective 8/1/23)*

**19.2.1 Responsibility to Cooperate.** Current and former institutional staff members, and prospective and enrolled student-athletes of member institutions have an affirmative obligation to cooperate fully with and assist the NCAA enforcement staff, the Committee on Infractions and the Infractions Appeals Committee to further the objectives of the Association and its infractions program. Full cooperation includes, but is not limited to: *(Adopted: 10/18/22 effective 8/1/23)*

(a) Affirmatively reporting instances of noncompliance to the Association in a timely manner and assisting in developing full information to determine whether a possible violation has occurred and the details thereof; *(Adopted: 10/18/22 effective 8/1/23)*

(b) Timely participation in interviews and providing complete and truthful responses; *(Adopted: 10/18/22 effective 8/1/23)*
(c) Making a full and complete disclosure of relevant information, including timely production of materials or information requested, and in the format requested; (Adopted: 10/18/22 effective 8/1/23)

In the event that a representative of an institution fails to satisfy the responsibility to cooperate, a notice of allegations may be issued alleging a violation of the cooperative principles of the NCAA bylaws. Institutional representatives and the involved individual may be requested to appear before the Committee on Infractions at the time the allegation is considered. (Adopted: 10/18/22 effective 8/1/23)

19.2.2.1 Failure or Refusal to Produce Materials. If an institution or individual fails or refuses to produce materials requested by the enforcement staff during an investigation, the Committee on Infractions may infer that the requested materials would support an alleged violation for which the party may be subject to penalty pursuant to Bylaw 19.12. (Adopted: 10/18/22 effective 8/1/23)

19.2.2.2 Failure or Refusal to Participate in Interview. Actions of the committee in cases involving major violations, however, shall be subject to review by the Infractions Appeals Committee. The Committee on Infractions shall: (Adopted: 10/18/22 effective 8/1/23)

(a) Find facts related to alleged bylaw violations; (Adopted: 10/18/22 effective 8/1/23)

19.6.1 Enforcement Staff to Receive Information and Conduct Investigations.  It is the responsibility of the enforcement staff to conduct investigations relative to an institution’s failure to comply with NCAA legislation or to meet the conditions and obligations of membership.  Information that an institution failed to meet these obligations shall be provided to the enforcement staff and, if received by the Committee on Infractions or NCAA president, will be channeled to the enforcement staff.  
(Adopted: 10/18/22 effective 8/1/23)

19.6.1.1 Conflict of Interest.  Any enforcement staff member who has or had a personal relationship or institutional affiliation that reasonably would result in the appearance of prejudice should refrain from participating in any manner in the processing of the involved institution’s or individual’s infractions case.  
(Adopted: 10/18/22 effective 8/1/23)

19.6.1.2 Initial Determination.  The enforcement staff shall identify information developed by it or as self-reported by the institution as alleged major or secondary violations (as defined in Bylaw 19.1).  The enforcement staff shall have the discretion to submit information to the Committee on Infractions, or a designated member of the committee, for an initial determination of how that information should be processed.  
(Adopted: 10/18/22 effective 8/1/23)

19.6.2 Notice of Inquiry to Institution.  Before the enforcement staff conducts an inquiry with current institutional staff and/or enrolled student-athletes, the enforcement staff shall notify the institution’s president or chancellor (or their designee) of the inquiry, either orally or in writing.  This notice shall toll the statute of limitations pursuant to Bylaw 19.7.1.1.  The institution shall be informed of its obligation to cooperate pursuant and of the confidential nature of the inquiry pursuant to Bylaw 19.2.1.  The institution shall be notified that if the inquiry develops significant information of a possible major violation, a notice of allegations will be produced in accordance with the provisions of Bylaw 19.8.  In the alternative, the institution will be notified that the matter has been concluded.  
(Adopted: 10/18/22 effective 8/1/23)

19.6.3 Interviews.  
(Adopted: 10/18/22 effective 8/1/23)

(Adopted: 10/18/22 effective 8/1/23)

19.6.3.2 Presence of Institutional Representative During Interview.  If interviewing an enrolled student-athlete or current athletics department staff member, an institutional representative (as designated by the institution) will be permitted to be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual’s institution or could affect the individual’s eligibility or employment at the institution.  If the enforcement staff wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or staff member is employed and would not reasonably affect the student-
athlete’s eligibility or the staff member’s employment at the institution, the institution may designate a representative to be present during the interview, provided the representative is someone who would not compromise the integrity of the investigation and whose participation would not prejudice the subject, institution or any involved individual. (Adopted: 10/18/22 effective 8/1/23)

19.6.3.3 Interview Notices. (Adopted: 10/18/22 effective 8/1/23)

19.6.3.3.3 Responsibility to Provide Truthful Information. The enforcement staff shall advise a prospective or enrolled student-athlete or a current or former institutional staff member that refusing to furnish information may result in an allegation that the interviewee violated NCAA ethical conduct legislation. (Adopted: 10/18/22 effective 8/1/23)

19.6.3.4 Use of Transcriptionist During an Interview. For interviews involving the enforcement staff, institutional representatives or individuals may use a transcriptionist during an interview subject to the following conditions. 19.6.3.5 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recording(s) or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement would preclude the individual and institutional representative from recording or transcribing the interview. (Adopted: 10/18/22 effective 8/1/23)

19.6.4 Access to Information. For all cases to be considered by the Committee on Infractions, the enforcement staff shall make available to the institution and participating involved individuals recorded interviews, interview summaries and/or interview transcripts, and other factual information pertinent to the case. The institution and involved individuals may review such information through a secure website or at the NCAA national office. (Adopted: 10/18/22 effective 8/1/23)

19.6.5 Termination of Investigation. The enforcement staff shall terminate the investigation related to any notice of inquiry in which information is developed that does not appear to be of sufficient substance or reliability to warrant a notice of allegations. (Adopted: 10/18/22 effective 8/1/23)

19.7 Standards of Review and Resolution Methods (Major Cases). (Adopted: 10/18/22 effective 8/1/23)

19.7.1 Enforcement Allegation Standard. The enforcement staff shall make formal allegations if it determines there is credible and sufficient information (direct or circumstantial) that reasonably demonstrates a violation of one or more NCAA bylaws occurred. (Adopted: 10/18/22 effective 8/1/23)

19.7.1.1 Statute of Limitations. The enforcement staff shall limit allegations to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: (Adopted: 10/18/22 effective 8/1/23)

(a) Allegations involving violations affecting the eligibility of a current student-athlete; (Adopted: 10/18/22 effective 8/1/23)

(b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and (Adopted: 10/18/22 effective 8/1/23)

(c) Allegations that indicate a blatant disregard for the Association’s fundamental recruiting, extra-benefit, academic or ethical-conduct regulations or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have a one-year period after the date information concerning the matter becomes available to the NCAA to investigate and submit to the institution a notice of allegations concerning the matter. (Adopted: 10/18/22 effective 8/1/23)
19.7.2 Committee on Infractions Decision Standard. The Committee on Infractions shall base its decision on information presented to it that it determines to be credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs. The information upon which the committee bases its decision may be information that directly or circumstantially supports the alleged violation. (Adopted: 10/18/22 effective 8/1/23)

19.7.3 Importation. (Adopted: 10/18/22 effective 8/1/23)

19.7.3.1 Importation of Facts. The Committee on Infractions may consider and accept as true facts established through proceedings outside the NCAA infractions process if those facts are in the record, not under appeal and are established by:
(Adopted: 10/18/22 effective 8/1/23)
(a) A decision or judgement of a court, agency, accrediting body or other administrative tribunal of competent jurisdiction;
or (Adopted: 10/18/22 effective 8/1/23)
(b) A Commission or similar review of comparable independence authorized by a member institution or university system board of trustees (regardless of whether the facts are accepted by the institution or university system board of trustees).
(Adopted: 10/18/22 effective 8/1/23)

19.7.3.2 Importation of Evidence and Positions. Evidence submitted to any court, agency, accrediting body or other administrative tribunal of competent jurisdiction, regardless of whether the matter is finally resolved and regardless of who offered the evidence, may be considered when alleging and/or concluding whether a violation occurred. Positions taken by a party in such a matter may be considered in the infractions process when determining whether to allege or conclude that the same party violated NCAA bylaws. (Adopted: 10/18/22 effective 8/1/23)

19.7.4 Inference for Failing to Produce Materials or Participate in the Infractions Process. (Adopted: 10/18/22 effective 8/1/23)

19.7.4.1 Materials Not Produced. The Committee on Infractions may infer that materials requested during an investigation by the enforcement staff but not produced by an institution or individual would support an alleged violation for which the party may be subject to penalty pursuant to Bylaw 19.12. (Adopted: 10/18/22 effective 8/1/23)

19.7.4.2 Failure or Refusal to Participate in Interview. The Committee on Infractions may view the failure or refusal to participate in an interview requested by the enforcement staff as an admission that an alleged violation, for which the individual may be subject to penalty pursuant to Bylaw 19.12, occurred. (Adopted: 10/18/22 effective 8/1/23)

19.7.5 Information from Confidential Sources. In presenting information for consideration by the Committee on Infractions, the enforcement staff shall present only information that can be attributed to individuals who are willing to be identified. Information obtained from individuals not wishing to be identified shall not be relied on by the Committee on Infractions in making conclusions of violations. Such confidential sources shall not be identified to the Committee on Infractions, the institution or an involved individual. (Adopted: 10/18/22 effective 8/1/23)

19.7.6 Methods of Resolution (Major Cases). Cases involving allegations of major violations will be presented to and resolved by the Committee on Infractions. The Committee on Infractions shall resolve major allegations through a hearing pursuant to Bylaw 19.8, summary disposition pursuant to Bylaw 19.9 and/or negotiated resolution pursuant to Bylaw 19.10. (Adopted: 10/18/22 effective 8/1/23)

19.8 Hearing. (Adopted: 10/18/22 effective 8/1/23)

19.8.1 Notice of Allegations. The enforcement staff shall issue a cover letter and notice of allegations to the president or chancellor of the institution involved (with copies to the faculty athletics representative and the director of athletics and to the executive officer of the conference of which the institution is a member) and/ or any involved individuals participating in the hearing. The notice of allegations shall: (Adopted: 10/18/22 effective 8/1/23)
(a) Inform the president or chancellor of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts. (Adopted: 10/18/22 effective 8/1/23)
(b) Request the president or chancellor to respond to the allegations and to provide all relevant information which the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded. (Adopted: 10/18/22 effective 8/1/23)
(c) Request the president or chancellor and other institutional staff to appear before the Committee on Infractions at a time and place determined by the committee. (Adopted: 10/18/22 effective 8/1/23)
(d) Inform the president or chancellor that if the institution fails to appear after having been requested to do so, it may not appeal the Committee on Infractions’ findings of fact and conclusions of violations, or the prescribed penalty. (Adopted: 10/18/22 effective 8/1/23)
(e) Direct the institution to provide any involved individual the opportunity to submit in writing any information the individual desires that is relevant to the allegation in question. *(Adopted: 10/18/22 effective 8/1/23)*

(f) Inform the president or chancellor that the enforcement staff’s primary investigator in the case will be available to discuss the development of its response and assist in locating various individuals who have, or may have, important information regarding the allegations. *(Adopted: 10/18/22 effective 8/1/23)*

(g) A copy of the notification shall also be forwarded to the president or chancellor of the current institution of the involved individual. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.2 Submission Deadlines.** *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.2.1 Responses by Institution or Involved Individuals.** Any response to the notice of allegations shall be submitted electronically to the Committee on Infractions, the institution, all involved individuals and the enforcement staff not later than 90 days from the date of the notice of allegations, unless the committee grants an extension. The enforcement staff may establish a deadline for the submission of responses to any reasonable time within the 90-day period, provided the institution and all involved individuals consent to the expedited deadline. An institution or involved individual may not submit additional documentary information (in addition to its initial response) without prior authorization from the Committee on Infractions (see Bylaw 19.8.3 for additional instructions regarding information submitted to the Committee on Infractions). Failure to submit a response may be viewed by the Committee on Infractions as an admission that the alleged violations occurred. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.2.2 Prehearing Conference.** Within 60 days after the institution and involved individuals, if any, submits a written response to a notice of allegations, the enforcement staff shall consult with the participating parties in order to clarify the issues to be discussed in the case during the hearing, make suggestions regarding additional investigation or interviews that should be conducted by the institution to supplement its response and identify allegations that the staff intends to withdraw. The enforcement staff shall conduct independent prehearing conferences with the institution and/or any involved individuals, unless mutually agreed by all parties to do otherwise. The Committee on Infractions may approve additional time for representatives of the involved individuals, institution and the enforcement staff to conduct such prehearing conferences. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.2.3 Enforcement Staff Case Summary.** The enforcement staff shall prepare a summary of the case that indicates the status of each allegation and identifies the individuals on whom and the information on which the staff will rely in presenting the case. Within 60 days after the institution and involved individuals, if any, submit written responses to the notice of allegations, the enforcement staff shall submit a case summary to the Committee on Infractions and the institution. Involved individuals will be provided those portions of the summary in which they are identified as at risk. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.2.4 Submission of Written Material.** Unless specifically approved by the Committee on Infractions for good cause shown, all written material to be considered by the Committee on Infractions hearing must be received by the committee, the enforcement staff, the institution and any involved individuals attending the hearing not later than 30 days prior to the date of the hearing. **19.8.2.5 Accelerated Hearing Docket.** In major cases, the institution or involved individual may petition the committee chair for an accelerated schedule for written submissions and an earlier hearing date. The petition shall be submitted not later than 14 calendar days after the date of the notice of allegations. The enforcement staff may respond to the petition within five business days. The committee chair may grant or deny such a petition and set a reasonable schedule. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.3 Information Presented at Hearings.** *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.3.1 Obligation to Present All Relevant Information.** At a hearing, the parties or their legal counsel have the obligation to present, to the extent reasonably possible, material, relevant information necessary for the committee to reach an informed decision, including information that corroborates or refutes an allegation. Subject to procedures of the Committee on Infractions, the parties or their legal counsel may deliver opening and closing statements, present factual information, make arguments, explain the alleged violations and answer questions from committee members. Any oral or documentary information may be received, but the committee may exclude information that it determines to be irrelevant, immaterial or unduly repetitious. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.3.2 Information Relevant to Possible Penalties.** Institutional, conference and enforcement staff representatives and any involved individuals are encouraged to present all relevant information concerning mitigating or other factors that should be considered in arriving at appropriate penalties. *(Adopted: 10/18/22 effective 8/1/23)*
**19.8.3.3 Scope of Inquiry.** When an institution and/or involved individual appears before the Committee on Infractions to discuss a response to the notice of allegations, the hearing shall be directed toward the allegations set forth in the notice of allegations but shall not preclude the committee from concluding that any violation occurred resulting from information developed or discussed during the hearing. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.4 Appearance of Individuals at Hearings.** Except as otherwise provided herein or as ordered by the chair, hearing attendees shall be limited to institutional representatives, involved individuals, NCAA staff representatives, committee members, representatives from the office of the Committees on Infractions, the audio recorder, transcriptionist and other technical/support staff as permitted by chair. An individual who appears before the committee may appear with personal legal counsel or representative. The chair may exclude an individual and the individual’s counsel from those portions of the hearing concerning matters in which the individual is not involved. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.4.1 Representatives of Institution.** Except as otherwise ordered by the chair, at the time an institution appears before the Committee on Infractions, its representatives should include the institution’s president or chancellor, the head coach of the sport(s) in question, the institution’s director of athletic and/or any individual with direct responsibility and oversight of the athletics department, senior compliance administrator, legal counsel (if any), enrolled student-athletes whose eligibility could be affected by information presented at the hearing and any other representatives whose attendance has been requested by the committee. **19.8.4.1.1 Prohibited Attendance by Conflicted Committee Members.** A member of the Committee on Infractions or the Infractions Appeals Committee who is prohibited under the provisions of Bylaws 19.4.3 or 19.5.2 from participating in any NCAA proceedings may not attend a Committee on Infractions hearing involving the committee member’s institution unless specifically requested by the committee to be present as a witness. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.4.2 Representatives of Member Conference.** The executive officer or other representative of a conference’s executive office may attend an institutional hearing involving a conference member. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.4.3 Request for Specific Individuals.** Institutional representatives or enrolled student-athletes who are specifically requested to appear before the Committee on Infractions at a hearing are normally expected to appear and may be accompanied by personal legal counsel or representative. The Committee on Infractions also may request that former institutional staff members appear at a hearing. Such individuals also are normally expected to appear and may be accompanied by personal legal counsel or representative. In cases that involve a small number of contested issues or cases in which the contested issues are relatively uncomplicated, the institution and/or the involved individual may make a written request to appear before the committee by videoconference or other mode of distance communication as the Committee on Infractions may deem appropriate. The decision regarding the use of videoconferencing (or another mode of communication) rests with the Committee on Infractions. Failure to appear before the committee may result in a violation of this bylaw and a show-cause action by the Committee on Infractions. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.5 Recordings of Proceedings.** The proceedings of hearings shall be recorded by a transcriptionist (unless otherwise agreed) and shall be recorded by the Committee on Infractions. No additional verbatim recording of these proceedings will be permitted by the Committee on Infractions. The Committee on Infractions shall maintain custody of the recordings and any transcriptions. In the event of an appeal, a transcript of the hearing proceedings shall be reproduced and submitted to the Infractions Appeals Committee and made available for review at the NCAA national office or through the secure website. [Note: Involved individuals will receive only those portions of the hearing transcriptions in which they were in attendance at the hearing.] *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.6 Posthearing Committee Deliberations.** After all presentations have been made and the hearing has been concluded, the Committee on Infractions shall excuse all others from the hearing, and deliberate in private. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.6.1 Request for New Information.** In arriving at its decision, the Committee on Infractions may request additional information from any source, including the institution, the enforcement staff, or an involved individual. In the event that new information is requested from the institution, the enforcement staff, or an involved individual to assist the Committee on Infractions, all parties shall be afforded an opportunity to respond at the time such information is provided to the committee. *(Adopted: 10/18/22 effective 8/1/23)*

**19.8.6.2 Request for Interpretation.** The Committee on Infractions may request that the NCAA academic and membership affairs staff provide an interpretation of applicable legislation based on facts submitted by the committee. 19.9.1 Summary Disposition Election. In major infractions cases, institutions, involved individuals and the enforcement staff may elect to process the case through the summary disposition procedures specified below. The enforcement staff, involved individuals, if participating, and the institution must agree to use the summary disposition process. The institution, involved individuals or the enforcement staff may require, as a condition of agreement, that the parties jointly submit the proposed findings to the chair of the Committee on Infractions or their designee for a preliminary assessment of the appropriateness of the use of the summary disposition process. (Adopted: 10/18/22 effective 8/1/23)

(e) A statement of unresolved issues that are not considered substantial enough to affect the outcome of the case. (Adopted: 10/18/22 effective 8/1/23)

19.9.3 Proposed Penalties. The institution and involved individuals shall submit proposed penalties within the guidelines set forth in the penalty structure for major violations specified in Bylaw 19.12.2. (Adopted: 10/18/22 effective 8/1/23)

19.9.4.2 Additional Information or Clarification. The Committee on Infractions may contact jointly the institution, enforcement staff and involved individuals for additional information or clarification prior to accepting or rejecting the proposed findings. (Adopted: 10/18/22 effective 8/1/23)

19.9.4.3 Acceptance of Proposed Findings and Penalties. If the proposed findings of fact and proposed penalties are accepted, the Committee on Infractions shall prepare a report of its decision, forward it to the institution and involved individuals, and publicly announce the resolution of the case under the provisions of Bylaw 19.11. The Committee on Infractions has the authority to make editorial or nonsubstantive changes in the proposed findings as long as these changes do not affect the substance of the findings. (Adopted: 10/18/22 effective 8/1/23)

19.9.4.4 Proposed Findings Not Accepted. If the Committee on Infractions does not accept the proposed findings, the hearing process set forth in Bylaw 19.8 shall be followed. (Adopted: 10/18/22 effective 8/1/23)

19.9.4.5 Proposed Penalties Not Accepted. If the Committee on Infractions accepts the proposed findings but proposes penalties in addition to those set forth in the summary disposition report, the institution and/or involved individuals may challenge the proposed penalties. The institution and/or involved individuals may appear before the committee in person, by videoconference or other mode of distance communication, as the committee deems appropriate, to discuss the proposed additional penalties. The committee shall only consider information relevant to the prescription of penalties during the expedited hearing. At the conclusion of the expedited hearing or written review, the committee shall prepare an infractions decision and provide notification of the committee’s actions consistent with Bylaw 19.11. The institution and/or any involved individuals may appeal the additional penalties to the Infractions Appeals Committee in accordance with Bylaw 19.12. (Adopted: 10/18/22 effective 8/1/23)

5/9/24 326
the party or parties included in the negotiated resolution may be subject to penalty pursuant to Bylaw 19.12. (Adopted: 10/18/22 effective 8/1/23)

19.10.2 Involvement of Parties in a Negotiated Resolution. (Adopted: 10/18/22 effective 8/1/23)

19.10.2.1 All Participating Parties Agree on Resolution. If all parties participating in the case agree on a resolution of the case, they shall submit the written agreement of negotiated resolution to the chair for Committee on Infractions review and approval. The enforcement staff shall include the violations by and penalties related to any party not participating in the case in the written agreement. The Committee on Infractions shall review the negotiated resolution if the parties submit the written agreement prior to issuance of the summary disposition report or notice of allegations. (Adopted: 10/18/22 effective 8/1/23)

19.10.2.2 Not All Participating Parties Agree on Resolution. If some, but not all, parties participating in the case agree on resolution of the case, the enforcement staff shall include the written agreement of negotiated resolution in the summary disposition report or notice of allegations submitted in connection with parties who are not included in the negotiated resolution, or amended summary disposition report or notice of allegations if the agreement is reached after issuance of the summary disposition report or notice of allegations. (Adopted: 10/18/22 effective 8/1/23)

19.10.3 Written Agreement. Any negotiated resolution shall contain the following: (Adopted: 10/18/22 effective 8/1/23)

(c) Other violations the enforcement staff considered and agreed or opted not to allege; (Adopted: 10/18/22 effective 8/1/23)

(d) The agreed-upon type of agreed-upon violation(s) (major or secondary); (Adopted: 10/18/22 effective 8/1/23)

(e) The agreed-upon penalties; (Adopted: 10/18/22 effective 8/1/23)

(f) The nature of any participation or cooperation provided by a party pursuant to the negotiated resolution, and consequences for a party’s failure or refusal to strictly adhere to the agreed-upon participation and cooperation conditions; (Adopted: 10/18/22 effective 8/1/23)

(g) Waiver of appellate opportunities; and (Adopted: 10/18/22 effective 8/1/23)

(h) Other material terms of the agreement. (Adopted: 10/18/22 effective 8/1/23)

19.10.4 Scope of Review. The Committee on Infractions shall only reject a negotiated resolution if it is not in the best interests of the Association or the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.12. (Adopted: 10/18/22 effective 8/1/23)

19.10.5 Preliminary Assessment of Penalties. Prior to submission of a written agreement of negotiated resolution, parties included in the negotiated resolution may request the Committee on Infractions to preliminarily assess whether the agreed-upon penalties are manifestly unreasonable pursuant to Bylaw 19.12. The preliminary assessment is not binding. (Adopted: 10/18/22 effective 8/1/23)

19.10.5.1 Approval in Conjunction with Preliminary Assessment. If all parties participating in the case request a preliminary assessment of penalties in accordance with Bylaw 19.10.5 and the parties submit all required elements of an agreement of negotiated resolution set forth in Bylaw 19.10.3, the Committee on Infractions may approve the negotiated resolution in conjunction with its preliminary assessment unless the parties instruct otherwise in their request for preliminary assessment. (Adopted: 10/18/22 effective 8/1/23)

19.10.6 Negotiated Resolution Approved. If the Committee on Infractions approves the negotiated resolution, the committee shall forward the approval to the enforcement staff and the other parties, and publicly announce the resolution of the case. The approval shall be final and have no precedential value. (Adopted: 10/18/22 effective 8/1/23)

19.10.6.1 Approval When Not All Participating Parties Agree on Resolution. If some, but not all parties participating in the case agree on resolution of the case, the Committee on Infractions shall not approve the negotiated resolution until the committee resolves the remainder of the case. (Adopted: 10/18/22 effective 8/1/23)

19.10.7 Negotiated Resolution Not Approved. If the Committee on Infractions does not approve the negotiated resolution, the committee may return the negotiated resolution to the parties included in the negotiated resolution for additional information or clarification or to respond to issues identified by the committee that preclude approval of the negotiated resolution, and request that the parties submit an amended written agreement of negotiated resolution in response. In the alternative, the committee may reject the negotiated resolution and issue instructions for processing of the case pursuant to Bylaw 19.8 or Bylaw 19.9. (Adopted: 10/18/22 effective 8/1/23)
19.11 Committee on Infractions Decisions. (Adopted: 10/18/22 effective 8/1/23)

After resolution of all allegations pursuant to Bylaws 19.8, 19.9 and/or 19.10, the Committee on Infractions shall prepare and approve the final written infractions decision, which shall contain a statement of the findings of fact, conclusions of violations, penalties, corrective actions, requirements and (for institutions) any other conditions and obligations of membership. The decision shall be sent to the chancellor or president of the involved institution (or a designee), any involved individuals and the vice president of enforcement. (Adopted: 10/18/22 effective 8/1/23)

19.11.2 Public Infractions Decision. Once the infractions decision has been provided to the institution and involved individuals, the public infractions decision, with names of individuals deleted, shall be released. The Committee on Infractions shall forward a copy of the infractions decision, with names of individuals deleted, to the Infractions Appeals Committee at the time of the public announcement. (Adopted: 10/18/22 effective 8/1/23)

19.11.3 Public Announcement. Once the public infractions decision has been released, the chair or a member of the Committee on Infractions may make a public announcement related to the infractions case. The institution and/or any involved individuals shall not comment publicly concerning the case prior to the time the NCAA’s public announcement is released. (Adopted: 10/18/22 effective 8/1/23)

19.11.4 Reconsideration by the Committee on Infractions. Once the decision has been publicly announced by the Committee on Infractions, and the appeal opportunity has been exhausted, there shall be no reconsideration of the decision except as follows. (Adopted: 10/18/22 effective 8/1/23)

19.11.4.1 New Information or Prejudicial Error. When a penalty has been prescribed and publicly announced and the appeal opportunity has been exhausted, there shall be no review of the penalty except on a showing of new information (per Bylaw 19.02.2) that is directly related to the findings or conclusions in the case or that there was a prejudicial error in the procedure that was followed in the processing of the case by the committee. Any new information must be submitted no later than one year following the issuance of the committee decision to the parties, or for a party that appeals a decision, the issuance of the Infractions Appeals Committee decision to the appealing party. (Adopted: 10/18/22 effective 8/1/23)

19.11.4.1.1 Review Process. Any institution that initiates such a review shall be required to submit a brief of its appeal to the committee. The committee shall review the brief and decide by majority vote whether it shall grant a hearing of the appeal. (Adopted: 10/18/22 effective 8/1/23)

19.11.4.1.2 No Calculation of New Penalty. If a hearing of the appeal is granted, the committee may reduce or eliminate any penalty but may not prescribe any new penalty. The committee’s decision with respect to the penalty shall be final and conclusive for all purposes. (Adopted: 10/18/22 effective 8/1/23)

19.11.4.2 Penalty Modified or Set Aside Outside the Association. The institution shall be notified that should any portion of the penalty in the case be set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by the NCAA. In such cases, any extension or adjustment of a penalty shall be proposed by the Committee on Infractions after notice to the institution and hearing. Any such action by the committee shall be subject to appeal. (Adopted: 10/18/22 effective 8/1/23)

19.11.5 Finality of Decisions. Any decision by the Committee on Infractions that is not appealed or reconsidered pursuant to Bylaw 19.11.4 shall be final, binding and conclusive, and shall not be subject to further review by any governance body. (Adopted: 10/18/22 effective 8/1/23)

19.12 Penalties. (Adopted: 10/18/22 effective 8/1/23)

19.12.1 Calculation of Penalty. If the Committee on Infractions concludes that a violation occurred, it shall prescribe an appropriate penalty; or it may recommend to the Management Council suspension or termination of membership in an appropriate case. Failure to fully implement the adopted and/or prescribed penalty may subject the institution, and/or involved individual under a show-cause order, to further disciplinary action by the Committee on Infractions. (Adopted: 10/18/22 effective 8/1/23)

19.12.2 Penalties, Disciplinary Measures and Corrective Actions. Penalties, disciplinary measures and corrective actions shall be specific and limited if the violation(s) are of relative insignificance and isolated or inadvertent. Penalties, disciplinary measures and corrective actions shall be broad and severe if the violation(s) are numerous, significant or intentional, or reflect a general disregard for the division’s bylaws, institutional responsibilities as an active member of the Association or an institutional staff member’s obligation to be in compliance with the legislation. Penalties, disciplinary measures and corrective actions for a major violation(s) shall be significantly more severe than those for a secondary violation(s). A previous violation(s) shall be a contributing factor in determining the number, type, scope and degree of penalties, disciplinary measures and corrective actions that may be prescribed. Self-disclosure may be considered in prescribing penalties, and, if an institution
uncovering a violation before its being reported to the NCAA and/or its conference, such disclosure shall be considered as a mitigating factor in prescribing the penalty. (Adopted: 10/18/22 effective 8/1/23)

19.12.3 Penalties, Disciplinary Measures and Corrective Actions for Secondary Violations. Pursuant to the authority provided by the Committee on Infractions, the vice president of enforcement and the enforcement staff are responsible for administering secondary violations and prescribing penalties. Determination of applicable penalties includes the authority to accept an institutional- or conference-imposed penalty as satisfactory or, if appropriate, prescribe a penalty. Penalties, disciplinary measures and corrective actions for secondary violations may include but are not limited to any and all of the following: (Adopted: 10/18/22 effective 8/1/23)

(a) Termination of the recruitment of a prospective student-athlete by the institution or, if the prospective student-athlete enrolls (or has enrolled) in the institution, permanent ineligibility to represent the institution in intercollegiate competition (unless eligibility is restored by the Committee on Student-Athlete Reinstatement on appeal); (Adopted: 10/18/22 effective 8/1/23)

(b) Forfeit/vacate contests in which an ineligible student-athlete participated. Per Bylaw 18.1 and Administrative Bylaw 18.4.3, the Championships Committee shall nullify each contest in which a student-athlete competes while ineligible regardless of whether forfeiture is required; (Adopted: 10/18/22 effective 8/1/23)

(c) Prohibition of the head coach or other staff members in the involved sport from participating in any recruiting activities for up to one year; (Adopted: 10/18/22 effective 8/1/23)

(d) An institutional fine for each violation, with the monetary penalty up to $5,000, except when an ineligible student-athlete participates in an NCAA championship or other postseason competition in which case the $5,000 limit shall not apply; (Adopted: 10/18/22 effective 8/1/23)

(e) A limited reduction in the number of financial aid awards that may be awarded during a specified period in the sport involved to the maximum extent of 20 percent of the maximum number of awards normally permissible in that sport; (Adopted: 10/18/22 effective 8/1/23)

(f) Institutional reconsideration that its current athletics policies and practices conform to all requirements of NCAA regulations; (Adopted: 10/18/22 effective 8/1/23)

(g) Suspension of the head coach or other staff members for one or more competitions; (Adopted: 10/18/22 effective 8/1/23)

(h) Public reprimand (to be invoked only in situations where the Committee on Infractions or the vice president of enforcement, on approval by the committee, determines that a penalty, in addition to any institutional- or conference-determined penalty, is warranted); (Adopted: 10/18/22 effective 8/1/23)

(i) Requirement that a member institution that has been found in violation, or that has an athletics department staff member who has been found in violation of the provisions of NCAA legislation while representing another institution, show cause why a penalty or an additional penalty should not be prescribed if it does not take appropriate disciplinary or corrective action against the athletics department personnel involved, any other institutional employee, if the circumstances warrant, or representatives of the institution’s athletics interests; and (Adopted: 10/18/22 effective 8/1/23)

(j) Other penalties, disciplinary measures and corrective actions, as appropriate. (Adopted: 10/18/22 effective 8/1/23)

19.12.4 Penalties, Disciplinary Measures and Corrective Actions for Major Violations. The Committee on Infractions has the authority to determine the penalties, disciplinary measures and corrective actions that are prescribed for an institution for major violations. The Infractions Appeals Committee shall hear and act on an institution’s appeal per Bylaw 19.5. The committee(s) may consider institutional- or conference-imposed penalties and, where appropriate, include those in the penalties. Institutional- or conference-imposed penalties shall not displace or substitute for the committee’s judgment regarding penalties. Penalties, disciplinary measures and corrective actions for major violations shall include those penalties, disciplinary measures and corrective actions prescribed for secondary violations (see Bylaw 19.12.3), and may include any and all of the following: (Adopted: 10/18/22 effective 8/1/23)

(a) Public reprimand and censure; (Adopted: 10/18/22 effective 8/1/23)

(b) Probation for up to five years. Conditions of probation shall be determined on a case-by-case basis. A failure to satisfy the conditions of probation may result in additional conclusions of violation(s), including the failure to cooperate, lack of institutional control and/or violations of conditions of membership, and shall result in a reconsideration of the initial penalties prescribed, including an extension of the probationary period and prescription of additional penalties. Conditions of probation shall include, but are not limited to, the following: (Adopted: 10/18/22 effective 8/1/23)

(1) Information regarding the violation(s) committed, the term of probation and penalties must be noted on the home page of the institution’s athletics website, in the media guide for the involved sport(s) and in recruiting materials provided to prospective student-athletes in the involved sport(s). Such information must be displayed and provided to
prospective student-athletes for the full term of probation. Information to prospective student-athletes must be provided before a prospective student-athlete signs a National Letter of Intent and no later than when the NCAA Eligibility Center provides a prospective student-athlete with the institution’s academic data (see Bylaw 13.3.1.2); (Adopted: 10/18/22 effective 8/1/23)

(2) Annual written reports shall be submitted to the Office of the Committees on Infractions for review. These reports shall detail compliance with probationary conditions; and (Adopted: 10/18/22 effective 8/1/23)

(3) At the conclusion of probation, the institution’s president or chancellor shall affirm in writing that current athletics policies and procedures conform to all requirements of NCAA legislation and that all conditions of probation have been satisfied. (Adopted: 10/18/22 effective 8/1/23)

(1) Individual(s) involved in the violation(s) remain active in the sport program; (Adopted: 10/18/22 effective 8/1/23)

(2) A significant competitive advantage resulted from the violation(s); (Adopted: 10/18/22 effective 8/1/23)

(3) The violation(s) indicate a lack of institutional control or failure to monitor the involved sport(s) or athletics program; (Adopted: 10/18/22 effective 8/1/23)

(4) The violation(s) include academic misconduct; or (Adopted: 10/18/22 effective 8/1/23)

(5) The institution is a repeat violator (see Bylaw 19.12.4.3); (Adopted: 10/18/22 effective 8/1/23)

(e) Ineligibility for participation in or hosting outside, invitational and/or NCAA championship competition in the involved sport(s); (Adopted: 10/18/22 effective 8/1/23)

(r) Other penalties, corrective actions and disciplinary measures, as appropriate. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.1 Show-Cause Order. If a determination is made by the committee that an institution has not taken appropriate disciplinary or corrective actions regarding an individual found in violation of the NCAA bylaws, the committee may issue an order that the institution take additional disciplinary or corrective action, including but not limited to restriction of some or all athletically related duties unless the institution appears before the committee to show cause why the additional penalties should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution’s obligation of NCAA membership shall rest solely with the Committee on Infractions. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.2 Show-Cause Penalties. If the committee prescribes additional penalties for an institution for major violations pursuant to Bylaw 19.12.4-(p), the institution shall be provided the opportunity to appear before the committee. Further, for show-cause penalties prescribed by the Committee on Infractions, the institution shall be provided the opportunity to appeal any additional penalty prescribed by the committee. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.3 Repeat Violator Penalties. Previous violations of NCAA legislation are a contributing factor in determining the degree of penalties. Repeat violator status demonstrates a significant failure of an institution to comply with NCAA legislation. A repeat violator is subject to substantial enhancement of the penalties set forth in Bylaw 19.12.4 that would be prescribed for similar violations in a case not involving a repeat violator. In addition, a repeat violator may be subject to any or all of the following penalties: (Adopted: 10/18/22 effective 8/1/23)

(a) The prohibition of all outside competition in the sport(s) involved in the latest major violation for one or two sport seasons and the prohibition of all coaching staff members in that sport(s) from involvement directly or indirectly in any coaching activities at the institution during that period; (Adopted: 10/18/22 effective 8/1/23)

(c) The requirement that all institutional staff members serving on the Division II Executive Board, Management Council or other standing or special cabinets, committees or task forces of the Association resign those positions, it being understood that all institutional representatives shall be ineligible to serve on any NCAA committee for a period of up to four years; and (Adopted: 10/18/22 effective 8/1/23, Revised: 1/31/24 effective 2/1/24)

(d) The requirement that the institution relinquish its voting privileges in the Association for a period of up to four years. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.3.1 Time Period. An institution shall be considered a “repeat” violator, if the Committee on Infractions concludes that a major violation has occurred within five years of the starting date of a major penalty. For this provision to apply, at least one major violation must have occurred within five years after the starting date of the penalties in the previous case. It shall not be necessary that the Committee on Infractions’ hearing be conducted or its report issued within the five-year period. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.4 Probationary Periods. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.4.1 Conditions of Probation. The committee (or the Infractions Appeals Committee per Bylaw 19.5) may identify possible conditions that an institution must satisfy during a probationary period. Such conditions shall be designed on a case-by-case basis to focus on the institution’s administrative weaknesses detected in the case and shall include, but not be limited to, written reports from the institution pertaining to areas of concern to the committee (or
the Infractions Appeals Committee per Bylaw 19.5), implementation of educational or deterrent programs, and audits for specific programs or teams. If the institution fails to satisfy such conditions, the committee (or the Infractions Appeals Committee per Bylaw 19.5) may reconsider the penalties in the case and may extend the probationary period and/or prescribe additional penalties. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.4.2 Review Prior to Restoration of Membership Rights and Privileges. In the event the committee prescribes a penalty involving a probationary period, at the end of the probationary period, the institution’s president or chancellor shall affirm in writing to the NCAA Office of the Committees on Infractions that the institution’s athletics policies and practices are in full compliance with NCAA rules. The NCAA Office of the Committees on Infractions shall review the written affirmation and will coordinate with the committee to restore the institution to full rights and privileges of membership in the Association. (Adopted: 10/18/22 effective 8/1/23)

19.12.4.5 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible after the competition, or a penalty has been prescribed or action taken as set forth in Bylaw 19.12.4-(g) or 14.12.2.2 of the NCAA enforcement program, the Committee on Infractions may require the following: (Adopted: 9/19/23)

(a) Individual Competition. The individual’s performance may be stricken from the championships records, the points the student has contributed to the team’s total may be deleted, the team standings may be adjusted accordingly, and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (i.e., cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and diving, and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered. (Adopted: 9/19/23)

(b) Team Competition. The record of the team’s performance may be deleted, the team’s place in the final standings may be vacated, and the team’s trophy and the ineligible student-athlete’s award may be returned to the Association. (Adopted: 9/19/23)

19.12.4.6 Institutional Penalty for Ineligible Participation. When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the ineligible, the Committee on Infractions may prescribe a financial penalty. (Adopted: 9/19/23)

19.12.4.7 Obligation of Institution to Take Appropriate Action. If a violation has been found that affects the eligibility of one or more student-athletes, the institution and its conference, if any, shall be notified of the violation and the name(s) of the student-athlete(s) involved. If the institution fails to take appropriate action by declaring the student-athlete(s) ineligible, the institution shall be required to show cause to the Committee on Infractions why additional penalties should not be prescribed for a failure to abide by the conditions and obligations of membership if it permits the student-athlete(s) to compete in intercollegiate athletics. (Adopted: 10/18/22 effective 8/1/23)

19.13 Appeal of Committee on Infractions Decisions. (Adopted: 10/18/22 effective 8/1/23)

19.13.1.2 Findings and Conclusions. Factual findings and conclusions of violations made by the Committee on Infractions shall not be set aside on appeal, except on a showing by the appealing party that: (Adopted: 10/18/22 effective 8/1/23)

(a) A factual finding is clearly contrary to the information presented to the Committee on Infractions; (Adopted: 10/18/22 effective 8/1/23)

(b) The facts found by the Committee on Infractions do not constitute a violation of the Association’s rules; or (Adopted: 10/18/22 effective 8/1/23)

(c) There was a procedural error and but for the error, the Committee on Infractions would not have made the conclusion of a violation. (Adopted: 10/18/22 effective 8/1/23)

19.13.2 Appeal by Institution or Involved Individual. A member institution may appeal the Committee on Infractions’ findings, conclusions, penalties, corrective actions, requirements and/or other conditions and obligations of membership prescribed for the institution for violations of the NCAA bylaws. An involved individual participating in the proceedings of the Committee on Infractions and who the committee concluded committed a violation may appeal the committee’s findings, conclusions and/or prescribed penalties regarding that individual for violations in which the individual is
named. The notice of intent to appeal must be presented in writing to the Infractions Appeals Committee not later than 15 calendar days from the date the Committee on Infractions releases the public infractions decision. *(Adopted: 10/18/22 effective 8/1/23)*

19.13.3.4 Enforcement Staff Statement. Within 10 days after the deadline for submission of all rebuttals, the enforcement staff may provide a written statement to the Infractions Appeals Committee regarding perceived new information, errors, misstatements and omissions relating to the initial submission(s), the committee appeals advocate’s response and/or rebuttal documents. *(Adopted: 10/18/22 effective 8/1/23)*

19.13.4 Information Considered on Appeal. The Infractions Appeals Committee shall consider only the information contained in the record of proceedings before the Committee on Infractions, the record on appeal and arguments presented during the appeal oral argument, if any, unless otherwise ordered by the Infractions Appeals Committee. If an institution or involved individual seeks to introduce new information during the appeal process, the Infractions Appeals Committee shall determine whether it meets the threshold definition of new information per Bylaw 19.02.2 and, if so, may stay the appeal and remand the matter to the Committee on Infractions to conduct further proceedings as may be necessary to address whether the new information affects the Committee on Infractions’ decision and to amend the decision, if necessary. *(Adopted: 10/18/22 effective 8/1/23)*

19.13.5 Appeal Arguments. 19.14.2 Determination by Enforcement Staff. After reviewing relevant information and consulting with the institution or involved individual, the enforcement staff shall conclude whether one or more secondary violations occurred. If the enforcement staff concludes that the alleged violation(s) should not be processed as a secondary case, it may process the case as a major case, as appropriate, or determine that no further action is required. (Adopted: 10/18/22 effective 8/1/23)

19.14.3 Authority to Prescribe Penalties. As authorized by the Committee on Infractions, upon a conclusion that one or more secondary violations occurred, the vice president of enforcement (or a designee) may determine whether a penalty is warranted and, if so, prescribe and announce an appropriate penalty pursuant to Bylaw 19.12.3. Failure to fully implement the penalty may be considered a violation and/or may subject the institution to further disciplinary action by the NCAA. Failure to fully implement self-imposed actions may also subject the institution to further disciplinary action by the NCAA. (Adopted: 10/18/22 effective 8/1/23)

19.14.4 Appeal to Committee on Infractions. To appeal, the member institution must submit a notice of appeal through the online reporting system for secondary violations within 15 days after receipt of the enforcement staff’s decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An involved individual subject to a show cause order must submit a written notice of appeal to the vice president of enforcement or their designee within 15 days after receipt of the enforcement staff’s decision. An institution or involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, the Committee on Infractions will review the institution’s appeal on the basis of the written record. The committee shall not deny an involved individual’s request to appear in person if a show-cause order was prescribed. (Adopted: 10/18/22 effective 8/1/23)
19.14.4.1 Stay of Penalties. BYLAW, ARTICLE 31

Executive Regulations

31.1 Rights to NCAA Properties and Marketing Restrictions.

31.1.1 Names and Marks. The NCAA owns or controls all rights and interests in its name, logo, seal, trademarks and service marks, whether registered or unregistered, including "National Collegiate Athletic Association," "NCAA," "National Collegiate Championships," "March Madness," "The Final Four," "Women's Final Four," "College World Series," "Women's College World Series" and "Stagg Bowl." The NCAA will prosecute infringement of identical or confusingly similar marks. The NCAA shall maintain control over the nature and quality of the goods and services rendered under the marks; therefore, no use of the marks by others will be permitted in advertising, in association with commercial services or related to the sale of merchandise without the specific approval of the NCAA. (Revised: 1/29/90, 6/14/16)

31.1.2 Concessions. The following conditions or restrictions apply to all concession items sold at any event sponsored or administered by the Association:

(a) Any merchandise or material bearing any name, logo, trademarks or service marks of the Association that is to be sold or distributed at an event sponsored or administered by the Association must have the prior approval of the president before being sold or distributed. No such merchandise or material shall be sold or distributed by anyone except as designated by the NCAA. The host institution may sell merchandise that features an institutional mark or logo at NCAA competition only if it has guaranteed a sellout of the NCAA merchandise at the site of the competition and has agreed to provide the NCAA championship 25 percent of gross sales (after sales taxes) of all non-NCAA championship merchandise. The quantity of NCAA merchandise sent to the site shall have the prior approval of the NCAA president and shall not be less than a comparable shipment to a comparable site of the previous year’s championship. (Revised: 12/4/89)

(b) The NCAA owns the rights to all concession items other than food or drink sold at such events. Any merchandise or material to be sold at such events must have prior approval of the NCAA president, and any unapproved material shall be barred from the premises. If the championship facility has prior contractual commitments with outside vendors, the NCAA will endeavor to work with such vendors to advance the policies of the Association in the sale of concession items as herein stated.

(c) The NCAA may authorize others, including the host institution or the coaches organization for the sport involved in the particular event, to sell and distribute concession items.

(d) Income payable to the NCAA from the sale of concession items other than food and drink at such events shall be included in the gross receipts of the championship.

31.1.3 Programs. The Association reserves the right to publish and sell any program sold or distributed for an NCAA championship. It may award such rights for any championship to another party or agency, provided it retains the right to review and approve the content of all programs to be sold or distributed, and provided it shall receive a guaranteed amount or predetermined percentage of program receipts. All financial arrangements for official programs produced by the host institution or sponsoring agency shall be reflected in the proposed budget, and receipts and expenses shall be entered in the financial report of the championship. If the program is produced and sold under contract between the NCAA and an outside agency, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts.

31.1.4 Championships Properties. The Association owns all rights to each and all of its championships as listed in Bylaw 18.3. These rights include, in addition to the rights with respect to participation and admission, rights to television (live and delayed), radio broadcasting, filming and commercial photography. In addition, the NCAA reserves the right to sell items developed through the NCAA marketing program at the site of a championship.

31.1.4.1 Awarding Media Rights. Television, radio and film rights shall be awarded in such a manner as to advance most fully the following interests:

(a) Gate attendance;

(b) Promotion of interest in the sport;

(c) Promotion of intercollegiate athletics as a part of collegiate education; and

(d) Promotion of the Association and its purposes and fundamental policy.

31.1.4.1.1 Procedures. Specific policy decisions under the foregoing are determined by the governing sports committee for the particular championship, subject to the approval of the Championships Committee. Negotiations
with respect to the awarding of any such rights shall be conducted by the NCAA president, who shall have authority to determine the specific terms and conditions and to execute contracts for the award of such rights on behalf of the Association. Inquiries concerning all such rights should be directed to the president at the national office. In accordance with the policies stated herein, the NCAA president shall negotiate with any party interested in such rights when they are available.

31.1.4.2 Marketing, Licensing, Promotional and Public Affairs Initiatives. The NCAA president shall be responsible for the oversight and administration of all marketing, licensing, promotions and public affairs initiatives. The NCAA president shall have the authority to appoint ad hoc advisory groups to provide assistance in developing policies to review any initiative and to provide assistance in addressing emerging issues. In addition, negotiations with respect to awarding merchandising, marketing and licensing rights (including corporate partner rights) shall be conducted by the NCAA president, who shall have the authority to determine the specific terms and conditions and to execute and enforce contracts for the award of such rights on behalf of the Association. The NCAA Board of Governors, at its discretion, may request a detailed accounting of any marketing, licensing, promotional and public affairs initiative that resulted in the awarding of a contract on behalf of the Association. Each division’s presidential administrative group and management council may request a report related to any matter handled by the NCAA president under the authority of this legislation. (Adopted: 1/8/01, Revised: 1/26/15)

31.1.4.3 Photographs, Films and Videotapes. The Association reserves all rights to the use of still photographs, films and videotapes of its championships. All rights to photograph, film and videotape NCAA championships may be assigned to media representatives for news purposes but otherwise are to be controlled exclusively by NCAA Productions, a unit of the NCAA. NCAA Productions shall film or videotape certain NCAA championships, as recommended by the governing sports committees and approved by the Championships Committee. Its cost in filming or videotaping an NCAA championship and producing prints or videodubs for the NCAA library of films shall be entered as an item of game expenses for that championship. The filming or videotaping of NCAA championships by parties other than NCAA Productions (i.e., participating institutions or commercial film production companies) for any purpose other than news purposes may be permitted only with the advance written consent of the NCAA president.

31.1.4.4 Use of Action Footage on Television News Programs. The games committee of a particular NCAA championship for which exclusive rights have not been awarded may permit single television stations or television and/or cable networks to broadcast action footage of the championship (on a live or delayed basis) on their regular television news programs (see Bylaw 31.1.4.4.1). Unless otherwise approved by the NCAA, these broadcasts shall not exceed three minutes of action footage of the championship, unless broadcast rights have been secured from the Association by payment of a rights fee. The NCAA president shall be authorized to interpret and apply these provisions as necessary.

31.1.4.4.1 News Program. A “news program” shall be a regularly scheduled program devoted exclusively to general news and/or sports news. Sports entertainment programs do not qualify under this provision.

31.1.4.5 Live Microphone on Coach. The placement of microphones on a team coach or in team huddles and bench areas for television, radio or motion-picture purposes is prohibited in all NCAA championships.

31.1.4.6 Promotional Announcements for Professional Sports Contests. During the telecast of any NCAA championship, there shall be not more than two promotional announcements for telecasts of professional sports contests. Each such announcement shall not exceed 15 seconds in length. It may be of a billboard nature only and shall not include any action footage of any professional sports contest. If less than the complete championship segment is televised, only one such professional announcement shall be permitted. These restrictions shall not apply to postseason bowl games. (Revised: 8/15/89, 10/22/13)

31.2 General Financial Management.

31.2.1 General Operating Budget. The Board of Governors shall adopt a budget for the ensuing fiscal year before the end of any current fiscal year. The budget, as approved, shall list all anticipated revenues and expenses for the coming fiscal year, including transfers to or withdrawals from reserve funds. (Revised: 1/26/15)

31.2.2 Committee and Delegate Finances.

31.2.2.1 Allowable Expenses, Committee Members. Any member of an NCAA committee who is entitled under the following regulations to reimbursement of expenses for attendance at a committee meeting shall not receive such payment if the member fails to remain in actual attendance at the meeting for its entire duration as announced in advance. However, in any special case where a committee member for valid reasons is granted permission by the chair for late arrival or early departure, the member shall receive reimbursement in full.

31.2.2.1.1 Transportation Allowances. A committee member may be reimbursed for the following transportation expenses: (Revised: 1/13/98 effective 2/1/98)

**31.2.3.1 Conditions for Defense and Indemnification.** The Association shall defend and indemnify any present or former employee, committee member, or agent of the Association who is or was a party to or is threatened to be made a
party to, or who is to be subpoenaed to be deposed or to give evidence in any civil, criminal, administrative, or investigative action or proceeding, including those brought by the Association, provided all of the following conditions are met: (Adopted: 1/14/02)

(a) The individual requesting defense and indemnification is being named as a party or subpoenaed to be deposed or to give evidence by reason of the fact that the individual is or was an employee, committee member, or agent of the Association or is or was serving at the request of the Association as a director, officer, employee, or agent of another association, corporation, partnership, joint venture, trust, or other enterprise;

(b) The individual is determined to have been acting within the scope of the individual’s duties to the Association;

(c) The individual is determined to have been acting in good faith and in a manner the individual reasonably believed to be in or not opposed to the best interests of the Association in the performance of the individual’s duties to the Association. In respect to any alleged criminal action or proceeding, the individual also must be determined to have had no reasonable cause to believe the alleged conduct was unlawful;

(d) The individual promptly and timely notifies the Association’s general counsel of the actual or threatened service of process, subpoena, notice of deposition, or other legal process before incurring attorney fees or other expenses;

(e) The individual accepts counsel provided or approved by the Association and agrees to accede to the legal strategies approved by the Association’s general counsel, including any settlement determinations. In the event that the individual wishes to hire other counsel or not accede to the Association’s legal strategies, the Association shall not be obligated to defend or indemnify the individual, except when it is determined that a conflict of interest exists with the Association such that retaining separate counsel is warranted; and

(f) The individual agrees to repay any expenses, including attorney fees, incurred in bringing or defending a civil or criminal action or proceeding paid by the Association in advance of the final disposition of such action or proceeding, if it is ultimately determined that the individual is not entitled to be indemnified by the Association as authorized in this bylaw.

31.2.3.1.1 Determination Regarding Conditions for Defense and Indemnification. The determination as to whether indemnification is appropriate because the conditions of Bylaw 31.2.3.1 have been satisfied shall be made: (Adopted: 1/14/02)

(a) By the Board of Governors Executive Committee by a majority vote of a quorum consisting of members who are not parties to such action or proceeding. The vote may be taken by electronic mail, telephone, facsimile or in person; or (Revised: 3/11/09, 1/26/15)

(b) If such a quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Board of Governors members so directs, by independent legal counsel in a written opinion; or (Revised: 1/26/15)

However, if an individual is adjudged to be liable for negligence or misconduct in the performance of the individual’s duty to the Association, there shall be no indemnification unless and only to the extent that the court in which such action or suit was brought shall determine that, despite the adjudication of liability but in view of all circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. (Adopted: 1/14/02)

31.2.3.2 Insurance. The Association may purchase and maintain insurance on behalf of any individual who is or was an employee, committee member, or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee, or agent of another association, corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against the individual and incurred by the individual in any such capacity or arising out of the individual’s status as such, whether or not the Association would have the power to indemnify the individual against such liability under the provisions of Bylaw 31.2.3. (Adopted: 1/14/02)

31.2.3.3 Definition of Indemnification. For purposes of this bylaw, indemnification shall consist of payment against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the individual in connection with such action or proceeding. A national statistics program shall be maintained for active member institutions in baseball, men's and women's basketball, field hockey, football, men's and women's ice hockey, men's and women's lacrosse, men's and women's soccer, softball, and men's and women's volleyball.
