Initial Publication of Proposed Legislation
Submitted by the Division II Membership
112th Annual Convention

This publication presents all proposed amendments to NCAA legislation that were properly submitted by the Division II membership in accordance with the July 15 deadline in the NCAA legislative calendar. The three proposals herein are printed in the order in which they would appear, if adopted in the NCAA Division II Manual. No attempt has been made to place them in topical groupings or in the order in which they eventually might appear in the Convention agenda. The order of the three proposals may change in the Second Publication of Proposed Legislation and in the Official Notice. Therefore, the numeral 1 will be placed in front of each proposal number to help identify it in future legislative publications as having originated in the initial (first) publication.

This publication is produced directly from LSDBi each time it is downloaded. Therefore, the content of the publication may change each time it is accessed from the NCAA website. As modifications or corrections are made to proposals during the sponsor-modification period, updates will be made to LSDBi and those changes will be reflected in this document.

All amendments in the publication have been reviewed by the NCAA Division II Legislation Committee. Each proposal is accompanied not only by a statement of intent and proposed effective date, but also by a statement of rationale and a listing of the primary contact person designated by the sponsors of the amendment.

Between the date this publication is posted (August 15) and September 15, sponsors of these proposals are permitted to refine and change the amendments in any manner that is germane to the proposal as printed in this publication. Such changes may either increase or decrease the modification set forth in the original proposal (i.e., the sponsors may alter the proposal to make greater or lesser changes in the current legislation than they originally submitted). A sponsor-modification memorandum will be distributed to the designated primary contact persons in August. Sponsors may use the LSDBi "Sponsor-Modification Submission" section to modify the legislative proposals they have submitted. All such modifications must be received in the NCAA national office not later than 5 p.m. Eastern time September 15. In addition, sponsors who wish to withdraw a proposal before September 15 must contact their academic and membership affairs legislative contact; however, please note that proposals withdrawn after September 15 will still appear in the Second Publication of Proposed Legislation.

No new proposals may be submitted by the Division II membership for the 2018 Convention as the July 15 deadline has passed. Member institutions and conferences that wish to offer suggested revisions to an amendment are encouraged to contact the designated primary contact person, as listed with each proposal. Such contacts should be made early in the period between the date this publication is posted and September 15 to assure time for appropriate consideration by the sponsors.

This represents the first in a series of three publications dealing with Convention legislation, as dictated by the provisions of NCAA Constitution 5. The other publications will be as follows:

**September 23** - Second Publication of Proposed Legislation (SPOPL), including the proposals submitted by the Division II membership as modified on or prior to September 15, as well as all legislation submitted by the NCAA Division II Presidents Council. The submission deadline for the Presidents Council is September 1. Amendment-to-amendment forms will also be available at this time.

**November 15** - Official Notice of the 2018 Convention. This will contain all Division II legislation for the Convention, including all amendments-to-amendments and resolutions submitted by the November 1 deadline.

**2017-18 Legislative Calendar**

The legislative calendar, as set forth in Constitution 5, is summarized here for convenience of reference.

**July 15**: Deadline for submission of amendments by the Division II membership. Each amendment must include a statement of intent and a separate statement of rationale (200 words or less), as well as identification of the designated primary contact person.
July 15: Legislation Committee Review. The committee reviews all proposals by the membership and works with the primary contact person for each amendment to ensure that the proposal meets the intent of the sponsor, to ensure that the placement of the amendment is consistent with the organizational integrity of the relevant divisional Manual, and to edit the intent and rationale statements of the sponsors for clarity and brevity.

August 9: Presidents Council Consideration. The Presidents Council considers legislative proposals that it may wish to sponsor. It also reviews the proposals submitted by the membership in accordance with the July 15 deadline.

August 15: Posting of Initial Publication of Proposed Legislation.

August 15 through September 15: Sponsor Modification Period. Sponsors are permitted to refine and change their proposals in any manner germane to the original proposal. Member institutions and conferences are invited to offer any suggested revisions of a proposal to the primary contact person listed with the proposal. Additionally, members that believe an amendment should not be modified should so inform the primary contact person.

September 1: Deadline for submission of amendments sponsored by the Presidents Council.

September 15: Deadline for submission by all sponsors (with submission by the primary contact person) of any modification to their original amendments. These modifications may represent either greater or lesser changes; they need only be germane to the original proposal.

September 23: Posting of SPOPL. This publication includes all Division II membership-sponsored proposals (as modified) and all proposals sponsored by the Presidents Council.

September 23 through November 1: Amendment-to-Amendment Period. The Presidents Council as well as the membership (see Constitution 5.3.4.2) may submit amendments to the proposals in the SPOPL. These amendments-to-amendments may not increase the modification of the provisions to be amended; they must fall between the provisions of the circularized amendment and the current provisions.

November 1: Deadline for resolutions and all amendments-to-amendments to be received in the national office. No amendments-to-amendments sponsored by the membership may be submitted after this date. The Presidents Council is authorized to submit further amendments-to-amendments at the Convention if it deems such action necessary.

November 15: Mailing and Posting of the Official Notice of the Convention. This publication includes all Division II proposed legislation, resolutions and the properly submitted amendments-to-amendments.

January 17-20, 2018: NCAA Convention. All delegates have the opportunity to download the NCAA Events app prior to arriving at the Convention. The NCAA Events app contains the most up-to-date meeting schedule and other helpful Convention information.

Effective Date: Immediate

Rationale: In 2008, Division II adopted Proposal No. 2008-3 which established a pilot program to allow Canadian institutions to join the Division II membership. In April 2017, the NCAA Board of Governors voted to end the 10-year international pilot and established a formal policy regarding international membership in the NCAA. Division II remains the only division with an international member. This proposal will expand the legislation to institutions in Mexico. Giving institutions in Mexico the opportunity to apply for Division II membership will allow Division II student-athletes the chance to benefit from cross-cultural competition, gain experience in international travel and potentially reach new markets. Finally, allowing institutions located in Mexico the opportunity to join the Division II membership, will help expand the number of institutions located in the West region. This proposal would not require institutions to compete in Mexico. Institutions located in Mexico will be required to apply and go through the Division II membership process, which would include receiving a bona fide invitation for membership from an active Division II conference before applying for Division II membership. The immediate effective date will permit institutions located in Mexico to apply for Division II membership by February 1, 2018.

Frequently Asked Questions:

Question No. 1: What is the current policy regarding international membership in Division II?

Answer: In April 2017, the NCAA Board of Governors established a formal policy regarding international membership in the NCAA, which provides each division the authority and autonomy to determine whether to open its membership to Canadian or Mexican institutions. Currently, Division II permits membership from institutions located in Canada.
**Question No. 2:** Will institutions located in Mexico follow the same membership process as a domestic institution?

**Answer:** Yes. Institutions located in Mexico will be required to complete the membership process outlined in Bylaw 20.2 (Division II membership process), which would include receiving a bona fide invitation for membership from an active Division II conference before applying for membership (see Bylaw 20.2.2.2).

**Question No. 3:** What is the effective date for this proposal?

**Answer:** The proposal has an immediate effective date to permit institutions located in Mexico to apply to enter the membership process by February 1, 2018.

**Question No. 4:** Will institutions be required to travel to and/or compete in Mexico?

**Answer:** No.

No. 1-2 RECRUITING -- PUBLICITY -- COMMENTS PRIOR TO SIGNING -- ACTIONS ON SOCIAL MEDIA PLATFORMS

Intent: To establish an exception to the restrictions on publicity before commitment that permits actions (e.g., "like," "favorite," republish) by an institutional staff member on social media platforms that indicate approval of content on social media platforms that was generated by users of the platforms other than institutional staff members or representatives of an institution's athletics interests.

Bylaws: Amend 13.10.2, as follows:

13.10.2 Comments Prior to Signing. Before the signing of a prospective student-athlete to a National Letter of Intent or an institution's written offer of admission and/or financial aid or the institution has received his or her financial deposit in response to its offer of admission, a member institution may comment publicly only to the extent of confirming its recruitment of the prospective student-athlete. [D]

13.10.2.1 Exception -- Actions That Indicate Approval of Content on Social Media Platforms. An athletics department staff member may take actions (e.g., "like," "favorite," republish) on social media platforms that indicate approval of content on social media platforms that was generated by users of the platforms other than institutional staff members or representatives of an institution's athletics interests.

[13.10.2.1 renumbered as 13.10.2.2, unchanged.]

Effective Date: Immediate

Rationale: Under the current legislation, it is difficult to monitor all coaches and their social media activities (e.g., "likes," "favorites," republishing). This proposal would create an exception to publicity related to recruiting on social media platforms and attempt to maintain pace with the frequent creation and/or enhancement of social media applications. The immediate effective date will provide relief from the current strict application of the legislation without detrimentally impacting prospective student-athlete well-being.

Intent: In women's volleyball, to specify that in years in which the Division II National Championships Festival occurs in the fall, a member institution shall not engage in its first date of competition before the Thursday preceding August 30.

Bylaws: Amend 17.25.2.3, as follows:

[Roll Call]

17.25.2.3 First Date of Competition -- Championship Segment -- Women. A member institution shall not engage in its first date of competition with outside competition in the championship segment before the Thursday preceding September 6.

17.25.2.3.1 Exception -- Division II National Championships Fall Festival. In years in which the Division II National Championships Festival occurs in the fall, a member institution shall not engage in its first date of competition in women's volleyball before the Thursday preceding August 30.

[17.25.2.3.1 renumbered as 17.25.2.3.2, unchanged.]

Source: East Coast Conference and Mid-America Intercollegiate Athletics Association.

Effective Date: Immediate

Rationale: Under current legislation, women's volleyball loses a week of its competitive season during years in which the Festival occurs in the fall, due to the timing of the Festival. The loss of a week results in less time for student-athletes to recover between matches. In addition, it increases missed class time due to the need to schedule more midweek games because of the condensed regular season. The shortened season also results in a competitive disadvantage for schools located in remote geographic areas, as the opportunity to play midweek games is limited for those institutions due to travel considerations. The compacted season also reduces the opportunity for nonconference, in-region play, which is essential to the ranking and selection of teams for the postseason. This exception will provide student-athletes with the opportunity to participate in Division II's marquee championship event without having to experience the negative impact of a shortened season.

Frequently Asked Questions:

Question No. 1: How does this proposal change the current legislation?

Answer: This proposal would provide an exception in years in which the Division II National Championships Festival occurs in the fall, moving up the first permissible date of competition in the championship segment to the Thursday preceding August 30.

Question No. 2: How does this proposal affect the first permissible practice date for women's volleyball?

Answer: In years in which the Festival occurs in the fall, institutions would be permitted to begin practice one week earlier.

Question No. 3: Will institutions be required to start the playing season one week earlier in Festival years?

Answer: No.
