Initial Publication of Proposed Legislation Submitted by the

NCAA Division III Membership

113th Annual Convention

This publication presents the proposed amendment to NCAA legislation that was properly submitted by the NCAA Division III membership in accordance with the July 15 deadline in the NCAA legislative calendar.

The proposal is accompanied not only by a statement of intent and proposed effective date, but also by a statement of rationale and a listing of the primary contact person designated by the sponsors of the amendment.

This publication is produced directly from the Legislative Services Database for the Internet each time it is downloaded. Therefore, the content of the publication may change each time it is accessed from the NCAA webpage. As modifications or corrections are made to this proposal during the sponsor-modification period, updates will be made to LSDBi and those changes will be reflected in this document.

Between the date this publication is posted (not later than August 15) and September 15, sponsors of this proposal are permitted to refine and change the amendment in any manner that is germane to the proposal as printed in this publication. Such changes may either increase or decrease the modification set forth in the original proposal - i.e., the sponsors may alter the proposal to make greater or lesser changes in the current legislation than they originally submitted. A sponsor-modification memorandum will be distributed to designated primary contact persons in mid-August. Sponsors may use the LSDBi “Sponsor-Modification Submission” section to modify the legislative proposal they have submitted. All such modifications must be received in the NCAA national office not later than 5 p.m. Eastern time, September 15. In addition, sponsors who wish to withdraw a proposal should contact Jeff Myers (jmyers@ncaa.org); however, please note that if withdrawn after September 15 the proposal will still appear in the Second Publication of Proposed Legislation.

No new proposals may be submitted by the Division III membership for the Convention after the July 15 deadline has passed; however, proposals are available for co-sponsorship until September 1. Member institutions and conferences that wish to offer suggested revisions to an amendment are encouraged to contact the designated primary contact person, as listed with each proposal. Such contacts should be made as early as possible in the period of time between the date this publication is posted and September 15, to assure time for appropriate consideration by the sponsors.

This represents the first in a series of three publications addressing Convention legislation, as dictated by the provisions of NCAA Constitution 5. The other publications will be as follows:

Second Publication of Proposed Legislation. Issued not later than September 23 and includes the proposal properly sponsored by the Division III membership as modified on or prior to September 15, as well as all legislation submitted by the NCAA Division III Presidents Council and the NCAA Division III Management Council in accordance with the September 1 deadline. Amendment-to-amendment forms will also be available at this time.

Official Notice of the 2019 Convention. Issued on November 15; and contains all Division III legislation for the Convention, including all amendments-to-amendments and resolutions submitted by the November 1 deadline.

Intent: To amend preseason practice in the sports of field hockey and soccer as follows: (1) to add three additional days to the preseason practice period; (2) to require an acclimatization period during the first three days of the preseason practice period, during which a team would be limited to one single practice session no longer than three hours in duration, followed by a one-hour walk through, with a minimum of three hours of rest required in between the two activities; and (3) to mandate that on every preseason practice day following the three-day acclimatization period, a team would be limited to conducting no more than two on-field practices per day and a maximum of six hours of athletically related activity total during the two practices combined, with a minimum of three hours of rest required in between practice sessions.

A. Bylaws: Amend 17.02.12, as follows:

17.02.12 Fall Preseason Practice Formula -- Sports Other Than Football. Field Hockey, Soccer and Water Polo. In cross country, field hockey, golf, rowing, rugby, soccer, tennis and women's volleyball, the first permissible date for preseason practice shall be determined by the application of 16 units in the preseason practice formula, as specified in this section.

17.02.12.1 Unit -- Defined. A "unit" is a numerical value assigned to a particular calendar day within the application of the preseason practice formula that is used to determine the first permissible practice date for fall sports other than football. The number of units assigned to a particular day does not determine or limit the number of practices that may be conducted on that day.

17.02.12.2 Determining the First Permissible Practice Date for Fall Sports Other Than Football -- Application of the 16 Units. To determine the first permissible practice date, an institution shall count back a total of 16 units on a calendar starting with the day before the first scheduled intercollegiate competition (see Bylaw 17.02.12.2.1), as follows:

(a) Never assign any units to Sundays on the calendar; it is permissible to practice on Sundays;

(b) Never assign any units to calendar days during the preseason when all institutional dormitories are closed, the institution's team must leave campus, and practice is not conducted;

(c) The first six units: assign one unit to each of the six calendar days (not including Sunday) before the first scheduled intercollegiate competition (see Bylaw 17.02.12.2.1);

(d) The remaining 10 units:

(1) Assign one unit to each calendar day (not including Sundays) that occurs on or after the opening day of classes for the fall term (see Bylaw 17.02.12.2.2), and

(2) Assign two units to each calendar day before the opening day of classes for the fall term (not including Sundays) until the sum of units on the calendar reaches 16;

(e) The date on which the total count of units on the calendar reaches 16 is the first permissible date for preseason practice (see Bylaw 17.02.12.2.3).

[17.02.12.2.1 through 17.02.12.2.5 unchanged.]

17.02.12.2.6 Field Hockey and Soccer. In the sports of field hockey and soccer, the first permissible date for preseason practice shall be determined by the application of 19 units in the preseason practice formula as follows:

(a) The first 16 units shall be applied in the same manner as set forth in Bylaw 17.02.12.2 (a)-(e); and

(b) The remaining three units shall be applied one unit per day for three days.

B. Bylaws: Amend 17.1.1.3, as follows:

[Roll Call]

Effective Date: August 1, 2019

Rationale: Under current NCAA legislation, the preseason practice time that is allotted in the sports of field hockey and soccer is insufficient in regard to the time needed to properly prepare student-athletes for intercollegiate competition. Due to the time constraints that coaches are faced with in the preseason practice period, programs are forced to engage in strenuous practice activities, including multiple training sessions often in extreme conditions. The additional three practice opportunities will provide programs extra time to prepare for competition, resulting in a reduced workload during each practice day in the preseason. In addition, the implementation of an acclimatization period for health and safety reasons will allow student-athletes who are returning from summer break to adjust to a return to strenuous play in potentially extreme temperatures.

Budget Impact: Would vary based on costs that institutions would need to incur for preseason housing and meals.
