Title: Aid After Departure of Head Coach.

Text:

15.5.1.7 Aid After Departure of Head Coach. A student-athlete who receives athletically related institutional financial aid in subsequent academic years after the departure of a head coach from the institution is not a counter in a year in which the student-athlete does not participate in intercollegiate athletics, provided: *(Adopted: 4/29/10 effective 8/1/10, Revised: 4/26/17 effective 8/1/17, 5/1/19)*

- (a) The student-athlete participated in the applicable sport and received athletically related institutional financial aid during the coach's tenure at the institution; and
- (b) The student-athlete does not participate in the applicable sport beyond the next regular academic year (including completion of the championship season in spring sports) after the departure of the head coach.
