Text:

13.1.1.3.3 Written Policies. An institution shall have written policies related to the implications of a student-athlete providing written notification of transfer, including a description of services and benefits (e.g., academic support services, access to athletics facilities) that will or will not be provided to a student-athlete upon receipt of notification. Such policies shall be published and generally available to student-athletes (e.g., student-athlete handbook, institution's website). *(Adopted: 4/28/16 effective 8/1/16, Revised: 8/8/18 effective 10/15/18)*
