Title: Incremental Athletics Scholarships.

Text:

16.13.1.5 Incremental Athletics Scholarships. [S] The full cost of attendance value of up to $2.5 million in incremental athletics scholarships provided by the institution in excess of the 2024-25 academic year team scholarship limit for a particular sport must be counted against the benefits cap; however, there is no limit on the number of new athletics scholarships that may be awarded consistent with the roster limit for a particular sport (see Bylaw 17.2). *(Adopted: 6/6/25 effective 7/1/25)*
