Title: Roster Changes.

Text:

17.2.1.1 Roster Changes. [S] Once an institution submits its roster, it may add a student-athlete to the roster only if the institution has not reached the roster limit before the addition. A change to a sport's roster following the roster submission date must be identified in the designated software system of record before the sport's next contest. *(Adopted: 6/23/25 effective 7/1/25)*
