Title: Roster Limit Inclusion.

Text:

17.2.2 Roster Limit Inclusion. [S] Beginning the day after an institution's deadline for roster submission, an individual must be on the sport's submitted roster to participate in athletically related activities (countable, required, or voluntary) for the remainder of academic year or the end of the sport's playing season, whichever is later (see Bylaw 17.2.4). An institution must include a student-athlete who receives athletically related financial aid or payments, benefits or expenses permitted under the settlement on a sport's submitted roster during the academic year in which the student-athlete receives the athletically related financial aid or settlement-related payments, benefits or expenses. A multiple sport student-athlete must be included on the submitted roster for each sport in which the student-athlete participates in athletically related activities. An institution must indicate a designated student-athlete who is exempted from a sport's roster limit (see Bylaw 17.2.2.2) on the sport's submitted roster. *(Adopted: 6/23/25 effective 7/1/25, Revised: 8/5/25)*
