Title: Cooperation.

Text:

23.2.7 Cooperation. [S] Institutions, involved individuals, and student-athletes are required to cooperate fully with investigations in accordance with Bylaw 19.2.1, including by timely providing requested information. The CSC will determine whether a party has fully cooperated, including by referencing the CSC's policy on cooperation with investigations. In the event a party refuses to promptly provide requested nonprivileged information in its possession, the CSC may make an adverse inference that the information requested would be unfavorable to the party. *(Adopted: 11/26/25)*
