Title: Benefits Cap Accounting.

Text:

16.13.1.8 Benefits Cap Accounting. [S] If an institution exceeds the value of an applicable period's benefits cap, the amount the institution provided in excess shall be counted in the immediately following annual period for the benefits cap, except for overages due to incremental athletics scholarships. *(Adopted: 8/5/25, Revised: 8/4/26 applicable to incremental athletics scholarships provided on or after 7/1/26)*
