Volleyball, Men's	28			6	14
Volleyball, Women's	32			7	16
Water Polo	21			5	11
Wrestling	16			4	8

Percentage of Maximum Number of Contests or Dates of Competition (Applies to each 12-month period after the legislated grace period and before initial full-time collegiate enrollment, or for purposes of Bylaw 12.8.3.2.2.4, initial full-time enrollment at the certifying institution.)		
≤ 20%	> 20% and ≤ 50%	> 50%
Apply a one-for-one withholding condition when the student-athlete competed in 20% or less of the maximum number of contests or dates of competition.	Charge one season of competition when the student-athlete competed in greater than 20% and less than or equal to 50% of the maximum number of contests or dates of competition.	Require an academic year of residence* and charge one season of competition when the student-athlete competed in greater than 50% of the maximum number of contests or dates of competition.

\* The academic year of residence does not apply to Bylaw 12.8.3.5 (participation after 21st birthday – men's ice hockey and skiing) or to student-athletes who meet the exception in Bylaw 12.8.3.2.2.4-(b) (matriculation after 20th birthday – tennis). Further, relief of the academic year of residence will not be provided if the student-athlete competed in more than 50% of the maximum number of contests or dates of competition during any 12-month period of the delay.
